NONEXCLUSIVE ACCESS AND PARKING EASEMENT

THIS NONEXCLUSIVE ACCESS AND PARKING EASEMENT is made and executed and this ____ day of _____, 20 __, by Seminole County, a charter county and political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 East 1st Street, Sanford, Florida 32771 ("Grantor") in favor and for the benefit of Central Florida Lending, LLC, a Florida limited liability company, its successors and assigns, whose address is 108 Commerce Street, Suite 200, Lake Mary, Florida 32746 ("Grantee").

WITNESSETH:

WHEREAS, Grantor is the record owners of certain real property more particularly described and depicted on Exhibit "A", attached to and incorporated in this Easement by reference, as the "Easement Area Shaded Area" (in this Easement referred to as "Easement Parcel"); and

WHEREAS, Grantor intends to create an easement for access and parking on and over the Easement Parcel.

NOW THEREFORE, for and in consideration of the premises set forth in this Easement, Grantor hereby declares, proclaims, and publishes as follows:

1. Easement for Access and Parking: Grantor hereby creates and declares a perpetual non-exclusive easement for access and parking, in, upon, over, and across the Easement Parcel, for the purpose of ingress, egress and passage (both pedestrian and vehicular) and parking for the benefit of and appurtenant to the property owned by Grantee more particularly described and depicted on Exhibit "A" as the "Benefitted Parcel" (in this Easement referred to as the "Benefitted Parcel"). The access easement extends to and burdens the entirety of the Easement Parcel, and parking will be limited to those parking spaces located between the "Single Story Commercial Building" and the Easement Parcel as depicted on the attached Exhibit "A." This parking configuration may be amended from time to time by separate unrecorded written agreement of the parties. Grantee shall not use the Easement Parcel in any manner that impedes the access of Grantor to Grantor's adjacent property. This access and parking easement is binding upon the Grantor and is for the benefit of all parties having or subsequently acquiring any right, title, or interest in and to the Benefitted Parcel or any portion of it. The parties will jointly be responsible for the cost of maintaining the Easement Parcel in good repair.

2. Use and Occupancy: The use and occupancy of the Benefitted Parcel may change from time to time and is not confined to the present use. The rights and privileges granted in this

Easement will benefit all improvements now or subsequently located on the Benefitted Parcel. No reasonable exercise of any rights granted under this Easement may be deemed an overburdening of the particular easement area affected. In addition to access and parking, Grantee is authorized to place and maintain, at Grantee's cost, a garbage "dumpster" servicing both the Benefitted Parcel and Grantor's treatment facility located to the south of the Easement Area in such place as the parties and the waste management company responsible for servicing said dumpster may agree and designate.

3. Governing Law: The declarations of this Easement will be construed and enforced by and in accordance with the laws of the State of Florida. The sole jurisdiction and venue for any legal action in connection with this Easement will be in the courts of Seminole County, Florida.

4. Modification and Termination: The terms and provisions of this agreement may be modified, supplemented, or terminated only by a written agreement by and between the Grantor and Grantee, and any such instrument will be effective only upon recording in the Public Records of Seminole County, Florida.

IN WITNESS WHEREOF, the Grantor has caused this Easement to be duly executed on the date first stated above.

ATTEST:

BOARD OF COUNTY COMMISSIONERS
SEMINOLE COUNTY, FLORIDA

GRANT MALOY
