The Department of State hereby establishes a subgrant program for the 67 county supervisors of elections. The Department of State is authorized to distribute to Florida's 67 county Supervisors of Elections a total of eight million dollars (\$8,000,000) in non-recurring funds for fiscal year 2022-2023 from the Federal Grants Trust Fund, pursuant to section 101 of the Help America Vote Act of 2002 (HAVA) and the Catalog of Federal Domestic Assistance (CFDA) 90.404 ("Help America Vote Act Requirements Payments"). INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (Telephone Number).
