**Background:**

The Land Management Division recommends the Board release this property as surplus. The property, Parcel No. 25-19-30-5AG-0713-0020, was acquired in March 2020, through an Escheatment Tax Deed as a result of nonpayment of taxes.

The property contains approximately 0.10 acres, and according to the City of Sanford's Planning and Development Services Department, is unbuildable due to its non-conformity to current zoning regulations.

An in-house calculation of \$22,000 is recommended as the minimum bid. This amount is derived from the Seminole County Property Appraiser's assessed value. If this property is approved for surplus by the Board, it will be offered to the adjacent property owners in accordance with the requirements set forth in Section 125.35, Florida Statutes (2022).
