

July 26, 2023

**Community Meeting Minutes
Trinity Preparatory School**

5700 Trinity Prep Ln
Winter Park, FL 32792

1. Overview

A Neighborhood Meeting took place on Thursday, July 13th, 2023 at the Trinity Prep school auditorium to discuss a modification to the existing Seminole County special exception, to allow for a new building to be built with a zero-setback from the southern property line. Both parcels are owned by the Trinity Preparatory School of Florida, Inc., however the southern parcel is located in Orange County. The meeting was required as part of the Citizen Awareness and Participation Plan (CAPP) to be submitted in conjunction with the special exception application. The Seminole County parcel ID associated with this property is: 36-21-30-300-017A-0000.

2. List of Meeting Invitees

A list of affected parties that were notified of the proposed project and invited to attend the Neighborhood Meeting has been provided in **Appendix A**. Meeting notices were mailed 15 calendar days prior to the meeting, to all property owners within 1500 ft of the subject property in accordance with Seminole County LDC section 30.44(2)(b).

3. Meeting Notice

A copy of the meeting notice has been provided in **Appendix B**. This notice included a brief narrative of the project and a sketch showing the proposed location.

4. Date and Location of the Neighborhood Meeting

Thursday, July 13th. 6:00 – 7:30 PM
Trinity Preparatory School Auditorium – 5700 Trinity Prep Lane, Winter Park, FL 32792

5. Meeting Attendance

A list of our attendees for this meeting will be listed in **Appendix C**. There was a total of twelve (12) local residents in attendance, not including the applicants and their representatives.

6. Summary of Concerns

Tena Hannah, a property owner residing across Lake Burkett from the Trinity Prep campus, inquired about the visual impact along the shoreline of the school campus. From there, an open discussion ensued between the applicants and residents located along the same shoreline. The public concerns could be summarized under three main categories:

- Landscaping:
 - The residents had concerns about the lack of tree coverage surrounding the previously built pond, and the amount of time that proposed landscaping will take to reach maturity.
- Lighting:
 - The residents had concerns about the lighting from the campus being visible across the lake. The school campus lights turn on at early hours for security purposes, and are visible across the lake due to a lack of any natural or artificial screening.
- Architecture:
 - The residents had concerns about the appearance of the school and the current building colors. The white buildings were described to bear a resemblance to a prison. Architectural elevations of the proposed building were provided with darker colors, which were generally more favorable to those in attendance. The residents inquired if there were any plans to re-paint the old buildings.

During the meeting, a number of proposed solutions were discussed for each of these issues, which were passed along to the design team. Ideas included shields on proposed light fixtures to limit reach, providing additional landscape buffers along the eastern edge of the project, and avoiding the currently predominant white color scheme of the existing buildings.

Community Meeting
Trinity Preparatory School
5700 Trinity Prep Lane
Winter Park, FL 32792

Dear Current Property Owner:

We invite you to a community meeting to review and discuss the proposed Special Exception for the Construction of a new building in the Trinity Preparatory School property located at 5700 Trinity Prep Lane. The proposed project includes the construction of a two-story building, with associated parking spaces, and is within both Seminole and Orange County.

The community meeting will provide the local community with a venue to discuss the proposed construction in the property, to provide support for the proposal, or voice any concerns there may be with the plan. All are welcome. A full-sized copy of the site plan submitted to Seminole and Orange County will be available for review at the meeting. If you are unavailable to attend but have questions to ask or comments to provide, please email those questions or comments to **Bradley Elwell** at belwell@avconinc.com. These can be in English or Spanish, whatever is best for you.

Opportunity to participate in the community meeting for Trinity Preparatory School:

LOCATION:

Trinity Preparatory School Auditorium
5700 Trinity Prep Lane
Winter Park, FL 32792

DATE:

Thursday, July 13, 2023

TIME:

Presentation & Questions
6:00pm to 7:30pm

AERIAL VIEW OF PROJECT LOCATION
