

## **SEMINOLE COUNTY DENIAL DEVELOPMENT ORDER**

On March 24, 2025, Seminole County issued this Development Order relating to and touching and concerning the following described property:

LOT 80 PRESERVE AT ASTOR FARMS PH 1 PB 60 PGS 1 THRU 4

(The above-described legal description has been provided by Seminole County Property Appraiser)

### **A. FINDINGS OF FACT**

**Property Owner:** DARRYL & EURILYNNE WILLIAMS  
1675 ASTOR FARMS PLACE  
SANFORD, FL 32771

**Project Name:** ASTOR FARMS PL (1675)

#### **Requested Variance:**

Request for a rear yard setback variance from twenty-five (25) feet to six (6) feet for a screen porch in the PD (Planned Development) district.

The findings reflected in the record of the March 24, 2025, Board of Adjustment meeting are incorporated in this Order by reference.

### **B. CONCLUSIONS OF LAW**

Approval was sought to bring into compliance a 220 square feet (11' x 20') screen porch that was built without the proper approvals, but had not yet been cited by Code Enforcement, although it was constructed as part of a larger pool enclosure structure that was permitted and the portion that was permitted met setback requirements. The Board of Adjustment has found and determined that one or more of the six (6) criteria under the Seminole County Land Development Code for granting a variance have not been satisfied and that failure to grant the variance would not result in an unnecessary and undue hardship. The Property Owner still retains reasonable use of the property without the granting of the requested variance.

### **C. DECISION**

The requested development approval is hereby **DENIED**.

**Done and Ordered on the date first written above.**
