Re: Parcel #21-21-30-507-0000-0030 – 1131 SR 436

To whom it may concern:

This letter confirms that the City of Casselberry is the water service provider to the above-mentioned location. The City has adequate capacity to support the proposed development of a warehouse and office building. Sewer currently is not readily available. Please do not hesitate to contact me if further information is needed.

Per the City of Casselberry Comprehensive Plan, annexation is required. Please contact the City of Casselberry Planning Division to attain and sign a pre-annexation agreement.

Sincerely,

A handwritten signature in cursive script that reads "Janice Martinez".
