III. CONDITIONS

(g) Upon forty-eight (48) hours' notice to OWNER, COUNTY has the right, prior to closing: (1) to perform any and all environmental studies and tests to determine the existence of environmental or hazardous contamination on the Property, in its soil or in the underlying water table or (2) to enter upon the Property with COUNTY's employees, contractors and other personnel to inspect and conduct testing upon the Property. If COUNTY determines, either through these studies, testing or other means that the Property contains any hazardous waste or materials or environmental contamination, or has been used as a hazardous waste or chemical storage facility or dumpsite or as a garbage dump or landfill site, COUNTY may elect to cancel this Agreement and have all sums paid under it by COUNTY to OWNER, if any, returned to COUNTY.

(h) In the event that COUNTY subsequently abandons this project after execution of this Agreement, but before closing, this Agreement will be null and void.

(i) In the event that difficulties arise as to clearing title sufficient to complete a closing of this Purchase Agreement or difficulties occur in the issuance of a title insurance commitment that is acceptable to COUNTY, this Agreement will survive the filing of any eminent domain action by COUNTY and will serve as a joint stipulation regarding all issues of valuation, attorney fees (except for apportionment proceedings, if any), costs and expert fees in any condemnation proceeding initiated by COUNTY relating to the Property. In accordance with any request made by COUNTY, OWNER shall execute any and all instruments, pleadings, documents, and agreements upon litigation reflecting the full settlement as set forth in this Agreement. (k) COUNTY is solely responsible for all of COUNTY's activities conducted on the Property. OWNER is not to be considered an agent or employee of COUNTY for any reason whatsoever on account of this Agreement.
