ARTICLE 1 – PREAMBLE

This Agreement is entered into by and between the Seminole County Board of County Commissioners, hereinafter referred to as the "County", and Local 3254, International Association of Fire Fighters, hereinafter referred to as the "Union".

1. It is the purpose of this Agreement to achieve and maintain harmonious relations between the County and the Union to ensure an accurate line of communications and clear transmissions of facts relating to the workplace, to provide for equitable and peaceful adjustment of grievances that may arise and to establish fair standards of wages, benefits, hours, and other terms and conditions of employment.

ARTICLE 2 – RECOGNITION

The County recognizes the Union as the exclusive collective bargaining agent with respect to wages, hours, and terms and conditions of employment for all full-time employees in the classification of Battalion Chief, in accordance with PERC Certification No. 1352. All other employees shall be excluded from this bargaining unit and shall not be covered by this Agreement.

ARTICLE 3 – NONDISCRIMINATION

The current County policies regarding nondiscrimination shall remain in effect for the term of this Agreement; provided, however, that nothing herein shall restrict the County from taking any action to promote or implement equal employment opportunity and affirmative action in accordance with applicable law. The County and/or Union will not discriminate against employees covered by this Agreement because of membership or non-membership in the Union.

ARTICLE 4 – SAVINGS CLAUSE

If any provision of this Agreement is rendered or declared invalid by any court action or by reason of any existing or subsequently enacted legislation, the remaining provisions of this Agreement shall remain in full force and effect for the term of this Agreement.

ARTICLE 5 – WORK STOPPAGES

There shall be no strikes, lockouts, work stoppages, slowdowns, mass resignations, sick-outs, or other job actions or refusal to perform assigned work by the employees covered under this Agreement.

1. The parties agree that any employee who participates in or promotes any of the aforementioned activities may be discharged or otherwise disciplined by the County. Nothing herein shall restrict the County from levying different disciplinary actions against different employees based on their involvement in activities prohibited hereunder.
2. The Union recognizes that the County and the employees covered hereunder are responsible for and engaged in activities that protect the health and welfare of Seminole County citizens and, therefore, any violation of this Article would give rise to irreparable damage to the County and the public at large. For the purpose of this Article, it is agreed that the Union shall be responsible and liable for any act by its agents, representatives, and/or officers, which constitutes a violation of this Article.

ARTICLE 6 – APPENDICES AND AMENDMENTS

Appendices and amendments to this Agreement (if any) shall be lettered or numbered, dated, and signed by the parties and shall constitute part of this Agreement.

ARTICLE 7 – PAYROLL DEDUCTION OF DUES

The County agrees to deduct Union dues and uniform assessments, including increases in dues and uniform assessments, from bargaining unit employees' salaries on a bi-weekly basis for the term of this Agreement. However, the County shall have no responsibility or any liability for any monies once sent to the Union, nor shall the County have any responsibility or liability for the improper deduction of dues. The Union shall indemnify the County and hold it harmless against any and all suits, claims, demands, and liabilities which arise out of or by reason of any action taken or not taken by the County to comply or attempt to comply with the provisions of this Article.

1. It shall be the responsibility of the Union to notify the County of any change in the amount of dues to be deducted at least thirty (30) days in advance of said change.
2. Any member of the Union may, on thirty (30) days' written notice to the County, require that the County cease making deductions from his/her wages. The County will notify the Union of any members who cease making deductions within five (5) business days of being made aware.
3. Deductions hereunder shall be pursuant to a properly executed dues deduction card or statement mutually agreed upon by and between the parties.

ARTICLE 8 – MANAGEMENT RIGHTS

1. Except as specifically restricted by the provisions of this Agreement, the County has the sole and exclusive right to manage and direct any and all of its operations. Accordingly, the County specifically, but not by way of limitation, reserves the sole and exclusive right to:

AA. Have complete authority to exercise those rights and powers which are incidental to the rights and powers enumerated above.

2. The above rights of the County are not all-inclusive but indicate the type and manner of rights that belong to and are inherent in the County. Any of the rights, powers, and authority that the County had prior to entering into this Agreement are retained by the County.
3. If the County fails or declines to exercise any one or more of the above rights from time to time, this will not be deemed a waiver of the County's rights to exercise any or all such rights.

ARTICLE 9 – SUPERVISORY RESPONSIBILITY/CONFLICT OF INTEREST

It is agreed and understood that the individuals in the bargaining unit covered hereunder are supervisors whose primary duties oftentimes create a conflict of interest with the employees whom they supervise. It is, therefore, further agreed and understood that in the exercise of their supervisory duties and responsibilities, the individuals covered hereunder must, at all times, act in the best interest of the County, the Department, and the citizens, as determined by County Management, the Fire Chief, and other authorized management officials. Accordingly, the individuals covered hereunder will be held accountable for the faithful and efficient performance of their supervisory duties and responsibilities, including, but not limited to, the following:

1. Except as modified by a specific provision of this Agreement, the Union agrees that the employees covered hereunder shall comply with all rules, regulations, policies, procedures, and operations bulletins of the County and the Seminole County Fire Department and any amendments thereto.
2. Should the County and/or the Department exercise its right to formulate, amend, revise, and/or implement any and all rules, regulations, policies, procedures, and operations bulletins, the County or the Department shall provide a courtesy copy of any new (or amended) rule, regulation, policy, procedure, or operations bulletin to the Union at least ninety-six (96) hours prior to implementation. 3. In the event the County or the Department exercises its right to issue a new (or amended) rule, regulation, policy, procedure, or operations bulletin, no bargaining unit employee shall be disciplined for violation of any such new or amended rule, regulation, policy, procedure, or operations bulletin until the County and/or the Department has informed the Union of and posted such new or amended rule, regulation, policy, procedure, or operations bulletin in accordance with the above procedure. For the purpose of this Article, hand delivery or mailing to the President of Local 3254 or any other officer (including members of the Executive Board of Local 3254) shall be deemed service upon the Union. Mailing shall be effective upon deposit in the United States mail by the County or Department.

ARTICLE 11 – FILLING VACANCIES AND NEW POSITIONS

For the purpose of this Agreement, a Position Vacancy shall occur as a result of the permanent vacancy of a 40-hour or 56-hour shift Battalion Chief position due to retirement, resignation, termination, promotion, demotion, permanent reassignment, permanent disability, or death of the position incumbent. For the purposes of this Agreement, a New Position shall occur when a 40-hour or 56-hour shift Battalion Chief position is created as a result of organizational expansion, reorganization, position reclassification, new program, or new service. ("New Positions" shall not include positions acquired as a result of merger with another fire/rescue agency.) Position Vacancies and New Positions shall be filled according to the following provisions:

1. Employees hereunder currently in the position of Battalion Chief shall be given consideration in filling any Position Vacancy or New Position, provided they meet the minimum requirements for said position, as outlined in the County's official Position Job Description.
2. The current County policies and Departmental Operations Bulletin #02005 "Promotional Candidate Selection Procedure – Battalion Chief" regarding vacancies in and promotions to bargaining unit positions shall remain in effect for the term of the Agreement.
3. The Promotional Candidate Selection Procedure Operations Bulletin #02005 shall remain in effect and cannot be modified unless the Department and Union mutually agree to the change.
4. Position Vacancies or New Positions may be temporarily filled with a Lieutenant riding out of grade when an operational need is identified by the Fire Chief, provided they meet the minimum requirements of the position. Vacancies and New Positions shall be filled on a non-temporary basis as follows:
    a. Vacancies and New Positions shall be filled utilizing the current Battalion Chief promotional list;
    b. Lieutenants may be used when the current Battalion Chief promotional list has been exhausted; and

c. Lieutenants currently assigned to the Tech 1 position should be considered first when selecting Lieutenants to ride out of grade.

5. All members covered under this Agreement will be brought to the minimum pay for the rank of Battalion Chief or receive a 10% increase added to their base pay (not including incentives) whichever is greater upon their promotion to Battalion Chief.

ARTICLE 12 – DISCIPLINE AND DISCHARGE

Suspension, demotion, termination, or any other disciplinary action shall be in accordance with the Code of Conduct and Disciplinary Action Policies set forth in the Seminole County Administrative Code provided the following is met and takes precedence.

1. All discipline and discharge shall be for just cause. For one (1) violation, there will be one (1) type of discipline.
2. The types of discipline shall be as follows:

3. An employee suspended for disciplinary reasons without pay will be permitted the option to request the forfeiture of accrued vacation leave (PTO only) in lieu of a suspension without pay, provided the violation does not involve criminal activity.
4. Factors to apply when establishing discipline will be, but not limited to the following:

f. Impact on the employee and implications for other employees.
g. Available justification and objective documentation to support the action, given an appeal.

5. Disciplinary actions shall be issued to the employee as soon after the violation as practicable and in no event shall it be more than five (5) of the employees regular shifts for 56 hour employees or five (5) full working days for 40 hour employees following the most recent basis of the discipline being known by the employee's immediate supervisor, unless a formal inquiry or administrative review is initiated or a state of emergency is declared. If the employee is absent from work on his/her 5th shift after the most recent basis of the discipline is known by the employee's immediate supervisor, the discipline will be issued on the first shift that the employee returns to duty.
6. If the Member has committed no offense requiring any disciplinary action for the period of time following when the initial discipline was issued as indicated below, the discipline will not be considered for progressive discipline.

a. Verbal Warning	One (1) year from date issued
b. Written Warning	Two (2) years from date issued
c. Written Reprimand	Three (3) years from date issued
d. Suspension	Five (5) years from date issued

ARTICLE 13 – GRIEVANCE AND ARBITRATION PROCEDURE

A. Bargaining unit employees will follow all written and verbal orders given by superiors, even if such orders are alleged to be in conflict with the Agreement. Compliance with such orders will not prejudice the right to file a grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the grievance.

B. A "grievance" is a claimed violation of this Agreement or policies and/or procedures referenced by this Agreement, including, but not limited to, the claim that a discharge or other disciplinary action violated a specific provision of this Agreement.

C. A grievance may be filed by a bargaining unit employee or by the Union. In either case, the procedure to be followed will be the same. The grievant (whether it be the Union or an individual employee) and management may agree to waive Step 1 in any grievance.

D. Grievances will be processed in the following manner and strictly in accordance with the following stated time limits:

STEP 1: An aggrieved employee or the Union shall present in writing the grievance to the aggrieved employee's supervisor within ten (10) calendar days of the occurrence of the event(s) which gave rise to the grievance on the prescribed grievance forms, which shall be standard forms used throughout the grievance procedure. Upon receipt of the grievance, the supervisor shall forward a copy of the grievance to the Fire Chief. The grievance shall be signed by the employee and shall state: (a) the date of the alleged events which gave rise to the grievance; (b) the specific Article or Articles and paragraphs of this Agreement allegedly violated; (c) statement of fact pertaining to or giving rise to the alleged grievance; and (d) the specific relief requested. The supervisor shall, within ten (10) calendar days after presentation of the grievance, render his/her decision on the grievance in writing with copies to the grievant (if an individual employee), the Union, the Fire Chief, and the Chief Administrator of the Office of Human Resources.

STEP 2: Any grievance which cannot be satisfactorily settled in Step 1 above, shall then be taken up with the Deputy Chief of Administration or his/her

designee. The grievance, as specified in writing in Step 1 above, shall be filed with the Deputy Chief of Administration within ten (10) calendar days after the due date for the supervisor's response in Step 1 above. The Deputy Chief of Administration shall issue his/her decision in writing on the grievance within ten (10) calendar days after presentation of the grievance at this step, with copies to the grievant (if an individual employee), the Union, the Fire Chief, and the Chief Administrator of the Office of Human Resources.

STEP 3: Any grievance which cannot be satisfactorily settled in Step 2 above, shall then be taken up with the Fire Chief or his/her designee. The grievance, as specified in writing in Step 1 above, shall be filed with the Fire Chief within ten (10) calendar days after the due date for the Deputy Chief of Administration response in Step 2 above. The Fire Chief shall issue his/her decision in writing on the grievance within ten (10) calendar days after presentation of the grievance at this step, with copies to the grievant (if an individual employee), the Union, the Deputy Chief of Administration, and the Chief Administrator of the Office of Human Resources.

STEP 4: Any grievance which cannot be satisfactorily settled in Step 3 above, shall then be taken up with the County Manager or his/her designee. The grievance, as specified in writing in Step 1 above, shall be filed with the County Manager within ten (10) calendar days after the due date for the Fire Chief response in Step 3 above. The County Manager shall issue his/her decision in writing on the grievance within ten (10) calendar days after presentation of the grievance at this step, with copies to the grievant (if an individual employee), the Union, the Fire Chief, and the Chief Administrator of the Office of Human Resources.

If the grievant (whether it be the Union or an individual employee) is not satisfied with the County Manager's decision in Step 4 above, the grievant may request arbitration by hand delivery or by certified or registered mail of a written notice to the Chief Administrator of the Office of Human Resources within ten (10) calendar days of receipt of the County

Manager's decision. Said written notice of arbitration shall include a written statement of the position of the Union (or the individual employee) with respect to the issue upon which arbitration is being sought. Under no circumstances shall the issues to be arbitrated be expanded from the issues set forth in the original grievance filed at Step 1 of the grievance procedure. As an alternative to arbitration, the grievant may utilize the appeals board procedure under the County's Personnel Policies, provided that such procedure is timely invoked after the issuance of the County Manager's decision. The following provisions shall apply to arbitration requests:

1. Within ten (10) calendar days from receipt of such notice of arbitration, the parties shall meet to select an arbitrator. In the event the parties cannot agree on an arbitrator, they shall, within five (5) calendar days, jointly request a list of nine (9) qualified arbitrators from the Federal Mediation and Conciliation Service. The Union and the County will alternately eliminate one at a time from said list of names until only one (1) remains, and this person will be the arbitrator. The County and the Union will alternate in the right to first strike names in successive arbitrations with the strike of the first arbitration panel to be determined by the toss of a coin.
2. As promptly as possible after the arbitrator has been selected, the arbitrator shall conduct a hearing between the parties and consider the grievance. The decision of the arbitrator will be served upon the individual employee or employees involved, the County, and the Union, in writing. It shall be the obligation of the arbitrator to make his/her best effort to rule within thirty (30) calendar days after the hearing. The expense of the arbitration, including the fee and expenses of the arbitrator, shall be equally divided between the parties. Any party desiring a transcript of the hearing shall bear the cost of such transcript, unless both parties mutually agree to share the cost. Each party shall bear the expenses of its own witnesses and of its own representatives for purposes of the arbitration hearing.
3. The arbitrator will confine his/her consideration and determination to the written grievance presented in Step 1 of the grievance procedure. The arbitrator shall have no authority to substitute his/her judgment for that of management

and/or to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement; nor shall this Collective Bargaining Agreement be construed by the arbitrator to supersede applicable State and Federal laws and County Ordinances or Resolutions, except to the extent as specifically provided herein.

4. The arbitrator may not issue declaratory opinions and shall confine himself/herself exclusively to the question which is presented to him/her, which question must be actual and existing. The arbitrator's decision shall be final and binding; provided, however, that either party shall be entitled to seek review of the arbitrator's decision in the Circuit Court. The parties agree that the standard of review of the arbitrator's decision shall be whether the record evidence establishes that the grieving party met its burden of proving that the action by the non-grieving party violated a specific provision of this Agreement.
5. No decision of any arbitrator, or the County in any one case, shall create a basis for retroactive adjustment in any other cases. All claims for back wages shall be reduced by any unemployment compensation and/or interim earnings that the grievant may or might have received during the period involved.
6. It is agreed with respect to this grievance and arbitration procedure that:
    a. It is the intent of the parties that a grievance must be raised at the earliest possible time. Any grievance, in order to be entertained and processed, must be submitted in a timely manner by the grievant (whether the grievant be the Union or an individual employee).
    b. Grievances not submitted by the grievant in a timely manner shall be conclusively barred on the merits following the expiration of the prescribed time limit. Such a time-barred grievance need not be entertained or processed, and only facts disputed as to timing will be the subject of any arbitration resulting from the matter. A grievance which is, for any reason, not the subject of a timely response by the County or by

the Department, shall require the grievant to proceed to the next step, and failure to proceed on a timely basis to the next step shall bar the grievance.

7. Nothing in this Agreement shall prohibit the presence of a Union representative at all steps provided in this procedure.
8. Non-dues-paying bargaining unit employees may avail themselves of all the procedures under this Article.

ARTICLE 14 – WORK SCHEDULES

2. Nothing herein shall prohibit the Seminole County Fire Department from reassigning a bargaining unit employee from a 56-hour shift schedule to a 40-hour non-shift schedule (or vice versa), provided that the Department provides the bargaining unit employee with at least fourteen (14) calendar days' written notice of such change.
3. A notice of 90 days shall be given to the Union if the Department wishes to change starting and/or quitting times.

ARTICLE 15 – TIME TRADES

All bargaining unit employees covered hereunder shall be permitted to engage in Time Trades, in accordance with existing Department policy applicable to Battalion Chiefs; provided, however, that no Time Trade shall result in interference with Departmental operations or additional costs to the County. Time Trades shall adhere to the following provisions:

1. Employees who become sick when scheduled to work a Time Trade shall have the time charged to their appropriate leave account.
2. There shall be no limitations on the duration of elapsed time between the affected work periods of employees involved in a Time Trade.
3. There shall be no limitation on the maximum time owed between employees.
4. The County shall have no responsibility to compensate any employee for time worked in connection with a Time Trade, should either party default on his/her obligation, for any reason.

ARTICLE 16 – SENIORITY

1. 3. Breaks in service as a result of Scheduled leave, Unscheduled leave, Workers Compensation leave, Leave Without Pay (not to exceed 180 days), and any type of leave utilized in conjunction with the Family Medical Leave Act shall be considered as continuous time served and will not negatively affect seniority.
4. Members with more "Time in Grade" shall have a higher seniority than those with less "Time in Grade."

    a. The only exception to the one (1) hour requirement will be when filling a vacancy that is less than one (1) hour for a member utilizing Union Time Bank hours.
3. In recognition of their exempt status, and in return for the agreed-upon wage adjustment, shift personnel (56-hour) governed by the terms of this Agreement shall be prohibited from taking PTO for partial shifts of less than 12 hours; PTO in excess of 12 hours must be taken as a full shift (24 hours).

ARTICLE 13 – GRIEVANCE AND ARBITRATION PROCEDURE

A. Bargaining unit employees will follow all written and verbal orders given by superiors, even if such orders are alleged to be in conflict with the Agreement. Compliance with such orders will not prejudice the right to file a grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the grievance.

B. A "grievance" is a claimed violation of this Agreement or policies and/or procedures referenced by this Agreement, including, but not limited to, the claim that a discharge or other disciplinary action violated a specific provision of this Agreement.

C. A grievance may be filed by a bargaining unit employee or by the Union. In either case, the procedure to be followed will be the same. The grievant (whether it be the Union or an individual employee) and management may agree to waive Step 1 in any grievance.

D. Grievances will be processed in the following manner and strictly in accordance with the following stated time limits:

STEP 1: An aggrieved employee or the Union shall present in writing the grievance to the aggrieved employee's supervisor within ten (10) calendar days of the occurrence of the event(s) which gave rise to the grievance on the prescribed grievance forms, which shall be standard forms used throughout the grievance procedure. Upon receipt of the grievance, the supervisor shall forward a copy of the grievance to the Fire Chief. The grievance shall be signed by the employee and shall state: (a) the date of the alleged events which gave rise to the grievance; (b) the specific Article or Articles and paragraphs of this Agreement allegedly violated; (c) statement of fact pertaining to or giving rise to the alleged grievance; and (d) the specific relief requested. The supervisor shall, within ten (10) calendar days after presentation of the grievance, render his/her decision on the grievance in writing with copies to the grievant (if an individual employee), the Union, the Fire Chief, and the Chief Administrator of the Office of Human Resources.

STEP 2: Any grievance which cannot be satisfactorily settled in Step 1 above, shall then be taken up with the Deputy Chief of Administration or his/her

designee. The grievance, as specified in writing in Step 1 above, shall be filed with the Deputy Chief of Administration within ten (10) calendar days after the due date for the supervisor's response in Step 1 above. The Deputy Chief of Administration shall issue his/her decision in writing on the grievance within ten (10) calendar days after presentation of the grievance at this step, with copies to the grievant (if an individual employee), the Union, the Fire Chief, and the Chief Administrator of the Office of Human Resources.

STEP 3: Any grievance which cannot be satisfactorily settled in Step 2 above, shall then be taken up with the Fire Chief or his/her designee. The grievance, as specified in writing in Step 1 above, shall be filed with the Fire Chief within ten (10) calendar days after the due date for the Deputy Chief of Administration response in Step 2 above. The Fire Chief shall issue his/her decision in writing on the grievance within ten (10) calendar days after presentation of the grievance at this step, with copies to the grievant (if an individual employee), the Union, the Deputy Chief of Administration, and the Chief Administrator of the Office of Human Resources.

STEP 4: Any grievance which cannot be satisfactorily settled in Step 3 above, shall then be taken up with the County Manager or his/her designee. The grievance, as specified in writing in Step 1 above, shall be filed with the County Manager within ten (10) calendar days after the due date for the Fire Chief response in Step 3 above. The County Manager shall issue his/her decision in writing on the grievance within ten (10) calendar days after presentation of the grievance at this step, with copies to the grievant (if an individual employee), the Union, the Fire Chief, and the Chief Administrator of the Office of Human Resources.

If the grievant (whether it be the Union or an individual employee) is not satisfied with the County Manager's decision in Step 4 above, the grievant may request arbitration by hand delivery or by certified or registered mail of a written notice to the Chief Administrator of the Office of Human Resources within ten (10) calendar days of receipt of the County

Manager's decision. Said written notice of arbitration shall include a written statement of the position of the Union (or the individual employee) with respect to the issue upon which arbitration is being sought. Under no circumstances shall the issues to be arbitrated be expanded from the issues set forth in the original grievance filed at Step 1 of the grievance procedure. As an alternative to arbitration, the grievant may utilize the appeals board procedure under the County's Personnel Policies, provided that such procedure is timely invoked after the issuance of the County Manager's decision. The following provisions shall apply to arbitration requests:

1. Within ten (10) calendar days from receipt of such notice of arbitration, the parties shall meet to select an arbitrator. In the event the parties cannot agree on an arbitrator, they shall, within five (5) calendar days, jointly request a list of nine (9) qualified arbitrators from the Federal Mediation and Conciliation Service. The Union and the County will alternately eliminate one at a time from said list of names until only one (1) remains, and this person will be the arbitrator. The County and the Union will alternate in the right to first strike names in successive arbitrations with the strike of the first arbitration panel to be determined by the toss of a coin.
2. As promptly as possible after the arbitrator has been selected, the arbitrator shall conduct a hearing between the parties and consider the grievance. The decision of the arbitrator will be served upon the individual employee or employees involved, the County, and the Union, in writing. It shall be the obligation of the arbitrator to make his/her best effort to rule within thirty (30) calendar days after the hearing. The expense of the arbitration, including the fee and expenses of the arbitrator, shall be equally divided between the parties. Any party desiring a transcript of the hearing shall bear the cost of such transcript, unless both parties mutually agree to share the cost. Each party shall bear the expenses of its own witnesses and of its own representatives for purposes of the arbitration hearing.
3. The arbitrator will confine his/her consideration and determination to the written grievance presented in Step 1 of the grievance procedure. The arbitrator shall have no authority to substitute his/her judgment for that of management

and/or to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement; nor shall this Collective Bargaining Agreement be construed by the arbitrator to supersede applicable State and Federal laws and County Ordinances or Resolutions, except to the extent as specifically provided herein.

4. The arbitrator may not issue declaratory opinions and shall confine himself/herself exclusively to the question which is presented to him/her, which question must be actual and existing. ~~The party filing the grievance and requesting arbitration shall, at all times, have the burden of proving that any action taken by the non-grieving party violated a specific provision of this Agreement.~~ The arbitrator's decision shall be final and binding; provided, however, that either party shall be entitled to seek review of the arbitrator's decision in the Circuit Court. The parties agree that the standard of review of the arbitrator's decision shall be whether the record evidence establishes that the grieving party met its burden of proving that the action by the non-grieving party violated a specific provision of this Agreement.
5. No decision of any arbitrator, or the County in any one case, shall create a basis for retroactive adjustment in any other cases. All claims for back wages shall be reduced by any unemployment compensation and/or interim earnings that the grievant may or might have received during the period involved.
6. It is agreed with respect to this grievance and arbitration procedure that:
    a. It is the intent of the parties that a grievance must be raised at the earliest possible time. Any grievance, in order to be entertained and processed, must be submitted in a timely manner by the grievant (whether the grievant be the Union or an individual employee).
    b. Grievances not submitted by the grievant in a timely manner shall be conclusively barred on the merits following the expiration of the prescribed time limit. Such a time-barred grievance need not be

entertained or processed, and only facts disputed as to timing will be the subject of any arbitration resulting from the matter. A grievance which is, for any reason, not the subject of a timely response by the County or by the Department, shall require the grievant to proceed to the next step, and failure to proceed on a timely basis to the next step shall bar the grievance.

7. Nothing in this Agreement shall prohibit the presence of a Union representative at all steps provided in this procedure.
8. Non-dues-paying bargaining unit employees may avail themselves of all the procedures under this Article.

Nothing herein shall prohibit the Seminole County Fire Department from reassigning a bargaining unit employee from a 56-hour shift schedule to a 40-hour non-shift schedule (or vice versa), provided that the Department provides the bargaining unit employee with at least fourteen (14) calendar days' written notice of such change.

Approve and authorize the Chairman to execute a Settlement Agreement and Mutual Release between Seminole County, CIC Construction Group USA, LLC, and Schenkel & Shultz, Inc. for the Fire Station #39 project. **(Kristian Swenson - County Manager's Office**)

Division:

County Manager Office

Authorized By:

Kristian Swenson, Assistant County Manager

Contact/Phone Number:

Kristian Swenson/407-665-7246

Background:

On October 12, 2020, Seminole County ("County") and Schenkel & Shultz, Inc. ("Architect") entered into an agreement for Architectural and Engineering Services for the Design of Seminole County Fire Station #39, which was authorized by Work Order No. 01, Work Order No. 01 - Amendment No. 01, and Work Order No. 01 - Amendment No. 02.

On April 20, 2023, the County and CIC Construction Group USA, LLC ("Contractor") entered into a construction contract for Fire Station #39.

The project is close to final completion; however, there are multiple pending issues on which the parties disagree, among them, Contractor's claims for an extension of time and additional fees incurred in connection with the construction contract.

To avoid the potential of lengthy and costly litigation, it is the intent of the parties to fully and finally settle the pending issues, as set forth in the Settlement Agreement and Mutual Release.

Requested Action:

Staff recommends the Board approve and authorize the Chairman to execute a

Settlement Agreement and Mutual Release between Seminole County, CIC Construction Group USA, LLC, and Schenkel & Shultz, Inc. for the Fire Station #39 project.

SETTLEMENT AGREEMENT AND MUTUAL RELEASE

THIS SETTLEMENT AGREEMENT AND MUTUAL RELEASE ("Agreement") is made and entered into this ____ day of _____, 202___ ("Effective Date"), by and between Seminole County ("Owner"), CIC Construction Group USA, LLC ("Contractor"), and Schenkel & Shultz, Inc. ("Architect") (individually, referred to this in Agreement as "Party," collectively "Parties").

RECITALS:

WHEREAS, Owner and Architect entered into an agreement for Architectural and Engineering Services for the Design of Seminole County Fire Station #39, dated October 12, 2020, as further authorized by Work Order No. 01, Work Order No. 01 – Amendment No. 01, and Work Order No. 01 – Amendment No. 02 (collectively, "Architect's Contract Documents"); and

WHEREAS, Owner and Contractor entered into a construction contract dated April 20, 2023, for the construction of Fire Station #39 ("Construction Contract"); and

WHEREAS, there are multiple pending issues pertaining to the construction of Fire Station #39 on which the Parties disagree, among them, Contractor's request for an extension of time and additional fees incurred by Contractor in connection with the Construction Contract; and

WHEREAS, to avoid lengthy and costly litigation, it is the intent of the Parties to fully and finally settle the pending issues, as further set forth in this Agreement.

NOW, THEREFORE, for and in consideration of the promises, mutual covenants and agreements contained in this Agreement by and between the Parties and for the mutual benefit of the Parties, the Parties agree as follows:

1. **Recitals**. The above recitals are true and correct and form a material part of the Agreement upon which the Parties have relied.

2. **Contractor's Agreement**. Subject to the terms and conditions of this Agreement, Contractor agrees as follows, which shall constitute the full and final settlement and satisfaction of all claims, express or implied, by Contractor against Owner and Architect arising either directly or indirectly, from the Construction Contract:

a. Contractor agrees that the only remaining claims or potential change orders ("PCO") against Owner in connection with the Construction Contract, which includes but is not limited to, field orders, change orders, or the like, are generally described as:

i. PCO #62R1 – ACT in Room #137
ii. PCO #64R1 – Electrical T&M
iii. PCO #66 – Cord Reel Modification
iv. PCO #61 – Apparatus Bay Resurfacing
v. PCO #63R1 – Time Extension Request

vi. PCO #65 – Apparatus Bay Push Buttons

c. Contractor agrees to decrease its final payment under the Construction Contract by THIRTY-THREE THOUSAND TWO HUNDRED NINETY-SEVEN AND NO/100 DOLLARS ($33,297.00) ("Contractor's Settlement Amount"), which will reflect a final revised not-to-exceed Construction Contract amount of EIGHT MILLION THREE HUNDRED FIFTY-FIVE THOUSAND TWO HUNDRED TWENTY-SEVEN DOLLARS AND 74/100 ($8,355,227.74).

d. Contractor agrees that Contractor's Settlement Amount represents an equitable adjustment to the Construction Contract for all claims, including but not limited to, those specified in Section 2.a. of this Agreement and changes in the work from the Construction Contract. Contractor hereby waives all rights to file any additional claims of any nature in connection with the Construction Contract.

e. Contractor agrees to continue fulfilling its obligations under the Construction Contract, as specified therein, until completion, which includes but is not limited to bond obligations, completion of punch list items, and completing and submitting close-out documents. Contractor agrees to complete all Construction Contract obligations prior to making a request to Owner for final payment in accordance with the Construction Contract.

f. Notwithstanding this Agreement, Contractor assumes complete responsibility for all obligations, including but not limited to, the work and materials, pursuant to the Construction Contract. Prior to final payment by Owner, Contractor represents and warrants it has performed all work and furnished all materials in accordance with the Construction Contract, and in a manner specified therein, fully and completely; that it has paid for all the labor, materials, equipment, and services it has used or supplied; and that it has no outstanding and unpaid applications for payment, invoices, retentions, holdbacks, or unbilled work against Owner and Contractor's laborers, materialmen, or subcontractors in connection with the Construction Contract.

g. Contractor agrees to defend, indemnify, and hold harmless Owner, its commissioners, officers, and employees, from liabilities, damages, losses, and costs, including but not limited to, reasonable attorney's fees, for any claims by any of Contractor's employees, laborers, materialmen, or subcontractors relating to the Construction Contract.

h. Contractor guarantees all work required and/or performed under the Construction Contract according to the terms of the Construction Contract. In addition, Contractor agrees to adhere to the warranties and representations under the Construction Contract, and further assumes all risks associated therewith and shall perform all warranty work that may be required.

i. Notwithstanding this Agreement, this Agreement does not release, waive, impair, or otherwise affect any claims relating to Contractor's Construction Contract obligations and any claims relating to latent defects. As such, Owner reserves and retains all its rights and remedies

at law and equity against Contractor (and its surety, to the extent applicable) for damages and for corrections of any and all latent defects.

3. **Architect's Agreement**. Subject to the terms and conditions of this Agreement, Architect agrees as follows, which shall constitute the full and final settlement and satisfaction of all claims, express or implied, by Architect against Owner arising either directly or indirectly, from the Architect's Contract Documents through completion of Contractor's obligations under the Construction Contract:

a. Architect agrees to withdraw all claims, if any, in connection with Architect's Contract Documents.

b. Architect agrees to decrease its final payment for all services rendered pursuant to the Architect's Contract Documents through completion of Contractor's obligations under the Construction Contract in the amount of SIXTY-FIVE THOUSAND FOUR HUNDRED NINETY-NINE AND 20/100 DOLLARS ($65,499.20) ("Architect's Settlement Amount"). This decrease in Architect's final payment amount will reflect a credit due by Architect to Owner in the amount of TEN THOUSAND FOUR HUNDRED FIFTY-SIX AND 12/100 DOLLARS ($10,456.12) ("Credit"). The Credit must be paid by Architect to Owner via check payable to Seminole County no later than February 13, 2026.

c. Architect agrees that Architect's Settlement Amount represents an equitable adjustment to Architect's Contract Documents through completion of Contractor's obligations under the Construction Contract for all claims, including but not limited to, any changes from the Architect's Contract Documents or additional labor or fees incurred. Architect waives all rights to file any claims of any nature in connection with Architect's Contract Documents through completion of Contractor's obligations under the Construction Contract.

d. Notwithstanding this Agreement, Architect assumes complete responsibility for all obligations under Architect's Contract Documents until completion of Contractor's obligations under the Construction Contract. Architect agrees to complete all obligations fully prior to making a request for final payment in accordance with the requirements set forth in Architect's Contract Documents.

4. **Owner's Agreement**. Subject to the terms and conditions of this Agreement, Owner agrees as follows for full settlement and satisfaction of claims against Contractor and Architect as expressly stated below:

a. Owner agrees that the consideration of Contractor's Settlement Amount, the Architect's Settlement Amount, and Credit are and shall be deemed full and final satisfaction of any and all claims under the Construction Contract and Architect's Contract Documents against Contractor and Architect relating to an extension of time, fees, changes in the work, delay damages (such as, liquidated damages, third-party Owner's representative fees, Architect fees, and utility costs), and withholding of retainage, as any of the foregoing may be applicable to the respective Party.

5. **Dispute**. If a dispute arises under this Agreement, the alleging Party must provide notice to the other Parties requesting an informal meeting in accordance with Section 11 ("Notice") of this Agreement. If a dispute between the Parties cannot be resolved by an informal meeting within twenty-one (21) calendar days, excluding Owner-observed holidays, of the delivery of such notice, unless mutually agreed upon in writing to be extended by the Parties, the Parties must mediate such dispute. Each Party must share equally in the costs for mediation and must mutually agree to a Florida certified mediator and the location for mediation. The requirement to mediate is a condition precedent to filing a lawsuit.

6. **No Admission of Liability**. The Parties agree that this Agreement is not an admission of liability by any Party but is rather a compromise of disputed claims and liability, the express purpose of which is to settle existing claims relating to time and fees, preclude any additional claims, and avoid the uncertainties and costs of litigation.

7. **Mutual Release**. Approve and authorize the Chairman to execute a Resolution of the Board of County Commissioners of Seminole County, Florida, approving, solely for the limited purposes of Section 147(f) of the Internal Revenue Code, the expenditure of the proceeds of the Osceola County Housing Finance Authority ("OCHFA") not to exceed $27,500,000 of its Revenue Bond Series (San Jose Apartment Project) for the purpose of providing funds to finance a multifamily residential rental project (121 residential units) located in Seminole County at 2353 Winter Woods Blvd., Winter Park, Florida 32792, as further described in the Resolution; and providing an effective date. **(Kate Latorre, County Attorney)**

Kate Latorre/407-665-7257

Background:

This Resolution previously came before the Board and was adopted on December 10, 2024. However, the Internal Revenue Code and regulations provide that TEFRA approvals are generally valid for one year from the date of County approval. The project developer was unable to close on the bonds within this one-year period primarily due to the government shutdown which delayed HUD approval required for the issuance of the bonds. Therefore, adoption of a new Resolution is required.

The required public hearing was held by the OCHFA on November 20, 2025.

Approval of the Resolution does not obligate Seminole County to incur liability, pecuniary or otherwise, in the subject transaction.

Requested Action:

Staff requests the Board approve and authorize the Chairman to execute a Resolution approving, solely for the limited purposes of Section 147(f) of the Internal Revenue Code, the expenditure of the proceeds of the OCHFA not to exceed $27,500,00.00 of its Multifamily Housing Revenue Bond Series (San Jose Apartment Project) for the purpose of providing funds to finance a multifamily residential rental project located in Seminole County at 2353 Winter Woods Blvd., Winter Park, Florida 32792.

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth in this Agreement, COUNTY and CONTRACTOR agree as follows:

Section 1. Materials and/or Services. COUNTY hereby retains CONTRACTOR to provide materials and services as further described in the Scope of Services attached as Exhibit A and made a part of this Agreement. CONTRACTOR is also bound by all requirements as contained in the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and continues for a period of three (3) years. At the sole option of COUNTY, this Agreement may be renewed for two (2) successive periods not to exceed one (1) year each. This Agreement may also be extended for up to one (1) year upon mutual agreement between the parties. Renewals and extensions are wholly contingent on the availability of funds and shall be subject to the same terms and conditions set forth in this Agreement and any written amendments signed by the parties. Expiration of the term of this Agreement will have no effect upon Purchase Orders issued pursuant to this Agreement and prior to the expiration date. Section 5. Compensation. COUNTY shall compensate CONTRACTOR for the materials and services provided for under this Agreement on a Fixed Fee basis at the rates as outlined in Exhibit C. When a Purchase Order is issued on a Fixed Fee basis, then the applicable Purchase Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Purchase Orders.

Section 6. Payment and Billing.

(a) CONTRACTOR shall supply all materials and services required by the Purchase Order, but in no event will CONTRACTOR be paid more than the negotiated Fixed Fee amount stated within each Purchase Order.

(b) For Purchase Orders issued on a Fixed Fee basis, CONTRACTOR may invoice the amount due based on the percentage of total Purchase Order materials and services actually provided, but in no event may the invoice amount exceed a percentage of the Fixed Fee amount equal to a percentage of the total services actually completed.

(c) COUNTY shall make payments to CONTRACTOR when requested as materials and services are provided, but not more than once monthly. Each Purchase Order will be invoiced separately. At the close of each calendar month, CONTRACTOR shall render to COUNTY an itemized invoice, properly dated, describing any materials and services provided, the cost of the materials and services provided, the name and address of CONTRACTOR, Purchase Order Number, Contract Number, and any other information required by this Agreement.

(d) Submittal instructions for invoices are as follows:

(1) The original invoice must be emailed to:

AP@SeminoleClerk.org

(2) The original invoice may also be mailed or delivered to:

Director of County Comptroller's Office
Seminole County Board of County Commissioners
P.O. Box 8080
Sanford, FL 32772-8080

(3) A copy of the invoice must be sent to:

Seminole County Fire Department
150 Bush Boulevard
Sanford, FL 32772

(e) Upon review and approval of CONTRACTOR's invoice, COUNTY shall pay CONTRACTOR the approved amount in accordance with the terms as set forth in Chapter 218, Part VII, Florida Statutes.

(f) The COUNTY's performance and obligation to pay under this Agreement is wholly contingent upon the COUNTY's receipt of sufficient appropriations.

Section 7. General Terms of Payment and Billing.

(a) Upon satisfactory delivery of materials and services required under this Agreement and upon acceptance of the materials and services by COUNTY, CONTRACTOR may invoice COUNTY for the full amount of compensation provided for under the terms of this Agreement less any amount already paid by COUNTY.

(b) COUNTY may perform or have performed an audit of the records of CONTRACTOR at any time during the term of this Agreement and after final payment to support final payment under this Agreement. Audits may be performed at a time mutually agreeable to CONTRACTOR and COUNTY. Total compensation to CONTRACTOR may be determined subsequent to an audit as provided for in this Section and the total compensation so determined

will be used to calculate final payment to CONTRACTOR. Performance of this audit will not delay final payment as provided by subsection (a) of this Section.

(c) CONTRACTOR shall maintain all books, documents, papers, accounting records, and other evidence pertaining to materials and services provided under this Agreement in such a manner as will readily conform to the terms of this Agreement. CONTRACTOR shall make such materials available at CONTRACTOR's office at all reasonable times during the term of this Agreement and for five (5) years from the date of final payment under the contract for audit or inspection as provided for in subsection (b) of this Section.

In the event any audit or inspection conducted after final payment but within the period provided in paragraph (c) of this Section reveals any overpayment by COUNTY under the terms of the Agreement, CONTRACTOR shall refund such overpayment to COUNTY within thirty (30) days of notice by COUNTY.

Section 8. No Waiver by Forbearance. COUNTY's review of, approval and acceptance of, or payment for the materials or services required under this Agreement does not operate as a waiver of any rights under this Agreement, or of any cause of action arising out of the performance of this Agreement. CONTRACTOR is and will always remain liable to COUNTY in accordance with applicable law for any and all damages to COUNTY caused by CONTRACTOR's negligent or wrongful provision of any of the materials or services provided under this Agreement.

Section 9. Termination.

(a) COUNTY may, by written notice to CONTRACTOR, terminate this Agreement or any Purchase Order issued under this Agreement, in whole or in part, at any time, either for COUNTY's convenience or because of the failure of CONTRACTOR to fulfill its obligations under this Agreement. Upon receipt of such notice, CONTRACTOR shall immediately discontinue all services affected, unless the notice directs otherwise, and deliver to COUNTY all

data, drawings, specifications, reports, estimates, summaries, and any and all such other information and materials of whatever type or nature as may have been accumulated by CONTRACTOR in performing this Agreement, whether completed or in process.

(b) If the termination is for the convenience of COUNTY, CONTRACTOR will be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONTRACTOR to fulfill its obligations under this Agreement, COUNTY may take over the work and carry it to completion by other agreements or otherwise. In such case, CONTRACTOR will be liable to COUNTY for all reasonable additional costs associated with CONTRACTOR's failure to fulfill its obligations under this Agreement.

(d) CONTRACTOR will not be liable for such additional costs if the failure to perform the Agreement arises without any fault or negligence of CONTRACTOR, but CONTRACTOR will be responsible and liable for the actions by its subcontractors, agents, employees, persons, and entities of a similar type or nature. Matters beyond the fault or negligence of CONTRACTOR include acts of God or of the public enemy, acts of COUNTY in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without any fault or negligence of CONTRACTOR.

(e) If after notice of termination for CONTRACTOR's failure to fulfill its obligations under this Agreement it is determined that CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the convenience of COUNTY. In such event, adjustment in the Agreement price will be made as provided in subsection (b) of this Section.

(f) The rights and remedies of COUNTY provided for in this Section are in addition

and supplemental to any and all other rights and remedies provided by law or under this Agreement.

Section 10. Conflict with Contract Documents. Wherever the terms of this Agreement conflict with any Purchase Order issued pursuant to it or any other contract documents, including bids or proposals previously submitted by CONTRACTOR, this Agreement will prevail. For the avoidance of doubt, bid/proposals and any other documents submitted by CONTRACTOR are not incorporated into this Agreement, unless expressly stated otherwise.

Section 11. Equal Opportunity Employment. CONTRACTOR shall not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, disability, or national origin. CONTRACTOR shall take steps to ensure that applicants are employed, and employees are treated during employment without regard to race, color, religion, sex, age, disability, or national origin. This provision includes, but is not limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship.

Section 12. No Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person other than a bona fide employee working solely for CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from award or making of this Agreement. For the breach or violation of this provision, COUNTY will have the right to terminate the Agreement at its sole discretion without liability and to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.

Section 13. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 14. Assignment. Neither this Agreement nor any interest in it may be assigned, transferred, or otherwise encumbered under any circumstances by either party without prior written consent of the other party and in such cases only by a document of equal dignity with this Agreement.

Section 15. Subcontractors. CONTRACTOR shall first secure the prior written approval of COUNTY before engaging or contracting for the services of any subcontractors under this Agreement. CONTRACTOR will remain fully responsible to COUNTY for the services of any subcontractors under this Agreement.

Section 16. Indemnification of COUNTY. To the fullest extent permitted by law, CONTRACTOR shall hold harmless, release, and indemnify COUNTY, its commissioners, officers, employees, and agents from any and all claims, losses, damages, costs, attorney fees, and lawsuits for damages arising from, allegedly arising from, or related to CONTRACTOR's provision of materials or services under this Agreement caused by CONTRACTOR's act or omission in the performance of this Agreement. This provision is not to be construed as a waiver

by COUNTY of its sovereign immunity, except to the extent waived pursuant to Section 768.28, Florida Statutes, as this statute may be amended from time to time.

Section 17. Insurance.

(a) CONTRACTOR, at its sole expense, shall maintain the insurance required under this Section at all times throughout the duration of this Agreement and have this insurance approved by COUNTY's Risk Manager with the Resource Management Department. CONTRACTOR shall immediately provide written notice to the COUNTY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.

(1) CONTRACTOR shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains insurance of the types and to the limits specified in this Agreement until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by CONTRACTOR will relieve CONTRACTOR of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONTRACTOR in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONTRACTOR.

(4) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then CONTRACTOR shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and CONTRACTOR shall remedy any deficiencies in the policies of insurance within ten (10) days.

(5) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of CONTRACTOR or any other party.

(b) General Requirements.

(1) Before commencing work, CONTRACTOR shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and Exhibit D. **The Certificate must have the Agreement number for this Agreement clearly marked on its face**, and including the following as Certificate Holder:

Seminole County, Florida
Seminole County Services Building
1101 East 1st Street
Sanford, Florida 32771

The Certificate of Insurance must evidence, and all policies must be endorsed to provide the COUNTY with not less than thirty (30) days (10 days for non-payment) written notice prior to the cancellation or non-renewal of coverage directly from the Insurer and without additional action of the Insured or Broker. Until such time as the insurance is no longer required to be maintained, CONTRACTOR shall provide COUNTY with a renewal or replacement Certificate of Insurance within ten (10) days after the expiration or replacement of the insurance for which a previous certificate has been provided.

(2) In addition to providing the Certificate of Insurance, upon request of the COUNTY, CONTRACTOR shall provide COUNTY with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Certified copies of policies may only be provided by the Insurer, not the agent or broker.

(3) Deductible and self-insured retention amounts must be declared to and approved by COUNTY and must be reduced or eliminated upon written request from COUNTY. The risk of loss within the deductible or retention amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by CONTRACTOR.

(4) The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer for all General Liability, Auto Liability, Employers' Liability, and Umbrella Liability coverages.

(5) In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to COUNTY and COUNTY shall apportion the proceeds between COUNTY and CONTRACTOR as their interests may appear.

(6) Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, Business Auto Liability, Pollution Liability, and Cyber Liability policies. Such is only applicable if the aforementioned policies are required per this Agreement or Exhibit D. Such policies shall provide exception to any "Insured versus Insured" exclusion for claims brought by or on behalf of Additional Insureds.

(7) Coverage: The insurance provided by CONTRACTOR pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or COUNTY's officials, officers, or employees must be in excess of and not contributing with the insurance provided by CONTRACTOR.

(8) Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida and its respective officials, officers,

and employees. This Waiver of Subrogation requirement does not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the Named Insured enter into such an agreement on a pre-loss basis.

(9) Provision: Commercial General Liability and Umbrella Liability Policies, if required by this Agreement or Exhibit D, must be provided on an occurrence rather than a claims-made basis.

(c) Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements.

(1) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Florida Office of Insurance Regulation to conduct business in the State of Florida, or (b) with respect only to the coverage required by this Agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes, as this statute may be amended from time to time.

(2) In addition, such companies other than those authorized by Section 624.4621, Florida Statutes, as this statute may be amended from time to time, must have and maintain a Best's Rating of "A-" or better and a Financial Size Category of "VII" or better according to A.M. Best Company.

(3) If, during the period which an insurance company is providing the insurance coverage required by this Agreement, an insurance company, (A) loses its Certificate of Authority or Letter of Eligibility, (B) no longer complies with Section 624.4621, Florida Statutes, as this statute may be amended from time to time, or (C) fails to maintain the Best's Rating and Financial Size Category, then CONTRACTOR shall immediately notify COUNTY as soon as CONTRACTOR has knowledge of any such circumstance and, upon request of COUNTY,

immediately replace the insurance coverage provided by the insurance company with a different insurance company meeting the requirements of this Agreement. Until such time as CONTRACTOR has replaced the unacceptable insurer with an insurer acceptable to the COUNTY, CONTRACTOR will be deemed to be in default of this Agreement.

(d) Specifications. Without limiting any of the other obligations or liabilities of CONTRACTOR, CONTRACTOR, at CONTRACTOR's sole expense, shall procure, maintain, and keep in force amounts and types of insurance conforming to the minimum requirements set forth in Exhibit D. Except as otherwise specified in this Agreement, the insurance must become effective prior to the commencement of work by CONTRACTOR and must be maintained in force until final completion or such other time as required by this Agreement. The amounts and types of insurance must conform to the following minimum requirements:

(1) Workers' Compensation/Employers' Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR and its subcontractors of every tier for those sources of liability which would be covered by the latest edition of the standard Workers' Compensation and Employers Liability Policy (NCCI Form WC 00 00 00 A), as filed for use in Florida by the National Council on Compensation Insurance. In addition to coverage for the Florida Workers' Compensation Act, where appropriate, coverage is to be included for the United States Longshoremen and Harbor Workers' Compensation Act, Federal Employers' Liability Act and any other applicable federal or state law.

(B) Subject to the restrictions of coverage found in the standard Workers' Compensation and Employers Liability Policy, there must be no maximum limit on the amount of coverage for liability imposed by the Florida Workers' Compensation Act, and if applicable, the United States Longshoremen's and Harbor Workers' Compensation Act or any other

coverage customarily insured under Part One of the standard Workers' Compensation and Employers Liability Policy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(D) If CONTRACTOR asserts an exemption to the provisions of Chapter 440, Florida Statutes, Workers' Compensation, as this statute may be amended from time to time, CONTRACTOR shall provide notification to COUNTY's Risk Manager with the Resource Management Department and shall complete the COUNTY's Workers' Compensation Waiver Request. Approval of exemption is subject to COUNTY's sole discretion. If approved, the named individuals listed in COUNTY'S approved exemption will be the only individuals authorized to perform work under this Agreement.

(E) Any vendor or contractor, including CONTRACTOR, using an employee leasing company must complete the COUNTY'S Leased Employee Affidavit.

(2) Commercial General Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by the latest edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01), as filed for use in the State of Florida by the Insurance Services Office, or equivalent acceptable to COUNTY. Such coverage must not contain any endorsements excluding or limiting Products/Completed Operations, Contractual Liability, or Separation of Insureds. If CONTRACTOR's work, or work under its direction, control, or sub-contract, requires blasting, explosive conditions, or underground operations, the comprehensive general liability coverage shall contain no exclusion relative to blasting, explosion, collapse of structures, or damage to underground property.

(B) ISO Endorsement CG 20 10 or CG 20 26 and CG 20 37 or their equivalent must be used to provide such Additional Insured status.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(3) Business Auto Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by Section II of the latest edition of the standard Business Auto Policy (ISO Form CA 00 01), as filed for use in the State of Florida by the Insurance Services Office. Coverage must include owned, non-owned, and hired autos or any auto. In the event CONTRACTOR does not own automobiles, CONTRACTOR shall maintain coverage for hired and non-owned auto liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy. If the contract involves operations governed by Sections 29 or 30 of the Motor Carrier Act of 1980, endorsement MCS-90 is required.

(B) If CONTRACTOR'S operations involve pollutants as defined in the ISO Form CA 00 01, Form CA9948, Pollution Liability – Broadened Coverage for Covered Autos, is required.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(e) The maintenance of the insurance coverage set forth in this Section may not be construed to limit or have the effect of limiting CONTRACTOR's liability under the provisions of Section 16 concerning indemnification or any other provision of this Agreement.

Section 18. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for contract claims related to this Agreement, other than for proper invoice and payment disputes, are set forth in Section 220.11, "Contract Claims," Seminole County Code of Ordinances.

(b) In any lawsuit or legal proceeding arising under this Agreement, CONTRACTOR hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which CONTRACTOR had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

Section 19. Representatives of COUNTY and CONTRACTOR.

(a) It is recognized that questions in the day-to-day conduct of performance pursuant to this Agreement may arise. Upon request by CONTRACTOR, COUNTY shall designate and advise CONTRACTOR in writing of one or more of its employees to whom to address all communications pertaining to the day-to-day conduct of this Agreement. The designated

representative will have the authority to transmit instructions, receive information, and interpret and define COUNTY's policy and decisions pertinent to the work covered by this Agreement.

(b) At all times during the normal work week, CONTRACTOR shall designate or appoint one or more representatives who are authorized to act on behalf of CONTRACTOR and bind CONTRACTOR regarding all matters involving the conduct of the performance pursuant to this Agreement, and who will keep COUNTY continually and effectively advised of such designation.

Section 20. All Prior Agreements Superseded. This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained in this Agreement and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained or referred to in this document. Accordingly, it is agreed that no deviation from the terms of this Agreement may be predicated upon any prior representations or agreements, whether oral or written.

Section 21. Modifications, Amendments, or Alterations. No modification, amendment, or alteration in the terms or conditions contained in this Agreement will be effective unless contained in a written amendment executed with the same formality and of equal dignity with this Agreement.

Section 22. Independent Contractor. Nothing in this Agreement is intended or may be construed as in any manner creating or establishing a relationship of co-partners between the parties, or as constituting CONTRACTOR (including its officers, employees, and agents) as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 23. Employee Status. Persons employed by CONTRACTOR in the performance of services and functions pursuant to this Agreement have no claim to pension, workers' compensation, unemployment compensation, civil service, or other employee rights or privileges granted to COUNTY's officers and employees, either by operation of law or by COUNTY.

Section 24. Services Not Provided For. No claim for services provided by CONTRACTOR not specifically provided for in this Agreement will be honored by COUNTY.

Section 25. Public Records Law.

(a) CONTRACTOR acknowledges COUNTY's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. CONTRACTOR acknowledges that COUNTY is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. Upon COUNTY's request, CONTRACTOR shall provide COUNTY with all requested public records in CONTRACTOR's possession or shall allow COUNTY to inspect or copy the requested records within a reasonable time and at a cost that does not exceed costs as provided under Chapter 119, Florida Statutes.

(b) CONTRACTOR specifically acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall perform the following:

(1) CONTRACTOR shall keep and maintain public records that ordinarily and necessarily would be required by COUNTY in order to perform the services required under this Agreement,

(2) CONTRACTOR shall provide COUNTY with access to public records on the same terms and conditions that COUNTY would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(3) CONTRACTOR shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law.

(c) Upon termination of this Agreement, CONTRACTOR shall transfer, at no cost to COUNTY, all public records in possession of CONTRACTOR, or keep and maintain public records required by COUNTY under this Agreement. If CONTRACTOR transfers all public records to COUNTY upon completion of this Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains the public records upon completion of this Agreement, CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to COUNTY, upon request of COUNTY, in a format that is compatible with the information technology systems of COUNTY.

(d) Failure to comply with this Section will be deemed a material breach of this Agreement for which COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR. CONTRACTOR may also be subject to statutory penalties as set forth in Section 119.10, Florida Statutes.

(e) **IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR's DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTRACTOR MAY CONTACT THE CUSTODIAN OF PUBLIC RECORDS, THE SEMINOLE COUNTY PUBLIC RECORDS COORDINATOR, AT 407-665-7410,**

PUBLICRECORDS@SEMINOLECOUNTYFL.GOV, 1101 E. FIRST STREET, SANFORD, FLORIDA 32771.

Section 26. Governing Law, Jurisdiction, and Venue. The laws of the State of Florida govern the validity, enforcement, and interpretation of this Agreement. The sole jurisdiction and venue for any legal action in connection with this Agreement will be in the courts of Seminole County, Florida.

Section 27. Compliance with Laws and Regulations. In providing all services pursuant to this Agreement, CONTRACTOR shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provision of such services, including those now in effect and subsequently adopted. Any violation of these statutes, ordinances, rules, or regulations will constitute a material breach of this Agreement and will entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to CONTRACTOR.

Section 28. Patents and Royalties. Unless otherwise provided, CONTRACTOR is solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONTRACTOR, without exception, shall indemnify and save harmless COUNTY and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or supplied by CONTRACTOR. In the event of any claim against COUNTY of copyright or patent infringement, COUNTY shall promptly provide written notification to CONTRACTOR. If such a claim is made, CONTRACTOR shall use its best efforts to promptly purchase for COUNTY the legitimate version of any infringing products or services or procure a license from the patent or copyright holder at no cost to COUNTY that will allow continued use of the service or product. If none of these alternatives are reasonably available, COUNTY shall

return the article on request to CONTRACTOR and receive reimbursement, if any, as may be determined by a court of competent jurisdiction.

Section 29. Notices. Whenever either party desires to give notice to the other, it must be given by written notice, sent by registered or certified United States mail, return receipt requested, addressed to the party for whom it is intended at the place last specified. The place for giving of notice will remain such until it has been changed by written notice in compliance with the provisions of this Section. For the present, the parties designate the following as the respective places for giving of notice:

Section 30. Rights At Law Retained. The rights and remedies of COUNTY provided for under this Agreement are in addition and supplemental to any other rights and remedies provided by law.

Section 31. Headings and Captions. All headings and captions contained in this Agreement are provided for convenience only, do not constitute a part of this Agreement, and may not be used to define, describe, interpret or construe any provision of this Agreement.

Section 32. **E-Verify System Registration.**

(a) CONTRACTOR must register with and use the E-Verify system to verify the work

authorization status of all new employees prior to entering into this Agreement with COUNTY. If COUNTY provides written approval to CONTRACTOR for engaging with or contracting for the services of any subcontractors under this Agreement, CONTRACTOR must require certification from the subcontractor that at the time of certification, the subcontractor does not employ, contract, or subcontract with an unauthorized alien. CONTRACTOR must maintain a copy of the foregoing certification from the subcontractor for the duration of the agreement with the subcontractor.

(b) If COUNTY has a good faith belief that CONTRACTOR has knowingly violated this Section, COUNTY shall terminate this Agreement. If COUNTY terminates this Agreement with CONTRACTOR, CONTRACTOR may not be awarded a public contract for at least one (1) year after the date on which this Agreement is terminated. If COUNTY has a good faith belief that a subcontractor knowingly violated this Section, but CONTRACTOR otherwise complied with this Section, COUNTY must promptly notify CONTRACTOR and order CONTRACTOR to immediately terminate its agreement with the subcontractor.

(c) CONTRACTOR shall execute and return the Affidavit of E-Verify Requirements Compliance, attached to this Agreement as Exhibit E, to COUNTY.

Section 33. Foreign Country of Concern Attestation. When providing services to COUNTY involving access to personally identifiable information, as defined in Section 501.171, Florida Statutes, CONTRACTOR shall also execute and return the Foreign Country of Concern Attestation, attached and incorporated to this Agreement as Exhibit F. Through this attestation, CONTRACTOR affirms that it is neither owned nor controlled by a government of a Foreign Country of Concern, nor organized under the laws of such a country, as required by section 287.138, Florida Statutes.

Section 34. Anti-Human Trafficking Affidavit. In accordance with Section 787.06(13), Florida Statutes, CONTRACTOR shall attest under penalty of perjury, that CONTRACTOR does

not use coercion for labor or services as defined in Section 787.06(2), Florida Statutes. Attestations shall be documented using a Human Trafficking Affidavit attached and incorporated to this Agreement as Exhibit G. Such Affidavit shall be required when executing, renewing or extending a contract.

IN WITNESS WHEREOF, the parties have made and executed this Agreement for the purposes stated above.

Scope of Services

Overview

The Seminole County Fire Department is seeking proposals from qualified vendors to establish a contract for the supply and delivery of janitorial supplies, cleaning detergents, and health and paper products to its fire department facilities. Products will be ordered and supplied on an "as needed" or upon request basis throughout the contract period of performance.

Purpose

The purpose of this Solicitation is to receive competitive, sealed responses from qualified vendor(s) for the supply and delivery of Janitorial Supplies to the Seminole County Fire Department. This will be a single vendor contract awarded by Seminole County on behalf of the Seminole County Fire Department. Award will be based on the lowest cost and best valued as determined by the County. The contract will be established for an initial period of three (3) years, with the sole option for Seminole County to exercise two (2) one-year renewal periods, for potential total contract term of five (5) years. The initial contract term is anticipated to begin on February 6, 2026.

2.1 Vendor/Product Requirements

The selected vendor will be responsible for providing all requested products to all fire departments facilities specified in this contract.

2.1.1. Single Vendor Requirement:

- It is crucial that a single vendor supply all items requested under this contract to minimize administrative costs. Preference will be given to the vendor who can supply the majority of the items listed in the bid specifications.

2.1.2. Substitutions:

- The awarded vendor has the right to modify the manufacturer's part number submitted on the Bid document only if the Seminole County Fire Department is notified in writing of the substitution, and the replacement item's description and price remain the same.

2.1.3. Sample Request:

- The Seminole County Fire Department reserves the right to request samples of any item that is submitted as a "brand name or equal" to verify it meets the required specifications before purchase.

2.1.4. Defective or Non-Conforming Products

- The Fire Department will not accept any product or item(s) that is damaged or does not meet the specific standards.
- The vendor is responsible for replacing the rejected product within ten (10) calendar days of receiving notification from the Fire Department. The vendor shall also arrange for and cover all costs associated with the pick-up of defective products.
- If a defective product is not picked up within ten (10) calendar days after notification,

the Fire Department reserves the right to dispose of the product without any compensation to the Vendor.

2.2 **General Requirements**

Terms and Conditions

1. Acceptance/Entire Agreement. This Purchase Order ("PO") is entered into between Seminole County, Florida ("County") and the Supplier referenced herein (individually, referred to as "Party," and collectively, "Parties"). By accepting this PO, Supplier accepts all Terms and Conditions contained herein. This PO, including specifications and drawings, if any, and referenced documents, such as solicitations and responses constitutes the entire agreement between the Parties. Whenever terms and conditions of Main Agreement, if any, conflict with any PO issued pursuant to Main Agreement, Main Agreement will control.

2. Inspection. Notwithstanding any prior payment or inspection, all goods/services are subject to inspection/rejection by County at any time, including during manufacture, construction or preparation. To the extent a PO requires a series of performances by Supplier, County reserves right to cancel remainder of PO if goods/services provided during the term of PO are non-conforming or otherwise rejected. Without limiting any rights County may have, County, at its sole option, may require Supplier, at Supplier's expense to: (a) promptly repair or replace any or all rejected goods, or to cure or re-perform any or all rejected services; or (b) refund price of any or all rejected goods or services. All rejected goods will be held for Supplier's prompt inspection at Supplier's risk. Nothing contained in PO will relieve Supplier's obligation of testing, inspection and quality control.

3. Packing & Shipping. Unless otherwise specified, all goods must be packed, packaged, marked and prepared for shipment in a manner that is: (a) in accordance with good commercial practice; (b) acceptable to common carriers for shipment at the lowest rate for the particular good; (c) in accordance with local, state, and federal regulations; and (d) protected against weather. Supplier must mark all containers with necessary lifting, handling, shipping information, PO number, date of shipment and the name of the consignee and consignor. An itemized packing sheet must accompany each shipment.

4. Delivery; Risk of Loss. All goods are FOB destination, and risk of loss will remain with Supplier until delivery by Supplier and acceptance by County. Goods delivered by Supplier that are damaged, defective, or otherwise fail to conform to PO may be rejected by County or held by County at Supplier's risk and expense. County may charge Supplier for cost(s) to inspect, unpack, repack, store and re-ship rejected goods.

5. Delivery of Excess Quantities. If Supplier delivers excess quantities of goods without prior written authorization from County, excess quantities of goods may be returned to Supplier at Supplier's expense.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County's particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. Supplier shall notify County, in writing, of any cancellation, material change, or alteration to Supplier's Certificate of Insurance.

10. Modifications. PO may be modified or rescinded in writing by County.

11. Material Safety Data Sheets. At time of delivery, Supplier agrees to provide County with a current Material Safety Data Sheet for any hazardous chemicals or toxic substances, as required by law.

12. Pricing. Supplier agrees that pricing included on PO shall remain firm through and until delivery of goods and/or completion of services, unless otherwise agreed to by the Parties in writing.

13. Invoicing & Payment. After delivery of goods/services by Supplier and acceptance by the County, the Supplier must electronically submit an original invoice via email to AP@seminoleclerk.org or may mail the invoice, if electronic invoice is not available, to: Seminole County Clerk of the Circuit Court and Comptroller, P.O. Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include the County's Purchase Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218. 70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. In the event of termination, County will be liable only for materials procured, work completed or services rendered or supplies partially fabricated, within the authorization of PO. In no event will County be liable for incidental or consequential damages by reason of such termination.

16. Equal Opportunity Employer. County is an Equal Employment Opportunity ("EEO") employer, and as such, requires all Suppliers to comply with EEO regulations with regards to race, color, religion, sex, national origin, age, disability or genetic information, as may be applicable to Supplier. Any subcontracts entered into, as authorized by County, must make reference to this clause with the same degree of application being encouraged.

17. Assignment. Supplier may not assign, transfer, or subcontract PO or any right or obligation under it without County's written consent. Any purported assignment, transfer, or subcontract will be null and void.

18. Venue & Applicable Law. The laws of the State of Florida govern validity, enforcement, and interpretation of PO. The sole jurisdiction and venue for any legal action in connection with PO will be in the courts of Seminole County, Florida.

19. Fiscal Non-Funding. In the event sufficient budgeted funds are not available for payment to Supplier for a new fiscal period, County shall notify Supplier of such occurrence and PO will terminate on the last day of the current fiscal period without penalty or expense to County.

20. Public Records. Supplier acknowledges that PO and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Supplier shall maintain all public records and, upon request, provide a copy of requested records or allow records to be inspected within a reasonable time. Supplier shall also ensure that any public records that are exempt or confidential from disclosure are not disclosed except as authorized by law. In event Supplier fails to abide by provisions of Chapter 119, Florida Statutes, County may, without prejudice to any other right or remedy and after giving Supplier seven (7) days written notice, during which period Supplier still fails to allow access to such documents, terminate PO. **IF SUPPLIER HAS QUESTIONS REGARDING APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO SUPPLIER' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO PO, CONTACT CUSTODIAN OF PUBLIC RECORDS AT: 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. SECOND STREET, SANFORD, FL 32771.**

21. Right to Audit Records. County will be entitled to audit the books and records of Supplier to the extent that the books and records relate to this PO. Supplier must maintain books and records relating to this PO for a period of three (3) years from the date of final payment under the PO, unless the County authorizes otherwise in writing.

22. Severability. If any section, sentence, clause, phrase or portion of PO are, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion will be deemed separate, distinct, and independent and such holding will not affect validity of remaining portion of PO.

23. Headings & Captions. All headings and captions contained in PO are provided for convenience only, do not constitute a part of PO, and may not be used to define, describe, interpret or construe any provision of PO.

Authorized By:

Robert Bradley, Purchasing Manager

Contact/Phone Number:

Leticia Figueroa/407-665-7119

Background:

The County is undertaking the design and construction of a new Medical Examiner's Office to establish a dedicated, modern facility that will provide appropriate space and infrastructure to support forensic death investigations, ensure compliance with applicable standards, and enhance service to the community. The County elected to use the Construction Manager at Risk (CMAR) delivery method. This approach promotes early collaboration with the design team, provides opportunities for cost-saving strategies, and allows for a more controlled project schedule and budget. The facility is expected to be fully operational by March 30, 2029.

The Purchasing and Contracts Division, in accordance with applicable procurement laws and procedures, issued a Request for Proposals (RFP) PS-6780-25/LNF for Construction Manager at Risk (CMAR) services for the Seminole County Medical Examiner's Office on September 12, 2025.

The County received six (6) responses listed alphabetically below:

An increase or decrease in the scope of supervisory or staff personnel's responsibility shall not be considered to increase/decrease the cost of line items relating to supervisory or staff personnel.

The OWNER requires beneficial occupancy of the building at the conclusion of each phase to sustain normal operations. Hence, the liquidated damages specified in this paragraph are not considered penalties but are designed as a mechanism for the OWNER to cover the additional costs incurred due to any delays. Liquidated Damages. If liquidated damages are assessed pursuant to Chapter 3, Article 17, such damages shall be imposed where the delay to the Substantial or Final Completion date is due to the fault of the CONSTRUCTION MANAGER. While the CONSTRUCTION MANAGER will use its best skill and provide Preconstruction Services as outlined in this and other Chapters, OWNER makes no representation or warranty of any nature regarding the completed Construction Documents. The CONSTRUCTION MANAGER hereby acknowledges that it has not relied on any representations or warranties by the OWNER concerning these documents. The CONSTRUCTION MANAGER will review the Construction Documents and identify in writing all errors or omissions that it discovers, before establishing the GMP. The GMP Proposal will identify the assumptions or provide exclusions or clarifications on all identified errors or omissions. 2.1.3 If the CONSTRUCTION MANAGER believes that additional time or cost is required due to clarifications or instructions from the Professional resulting from a conflict in the Construction Documents, the CONSTRUCTION MANAGER shall make claims as provided for in Chapter 3, Article 3, Section 25.8. If the CONSTRUCTION MANAGER fails to comply with Chapter 3, Article 2, Section 2.1.1 or 2.1.2, the CONSTRUCTION MANAGER shall pay such costs and damages to the OWNER as would have been avoided if the CONSTRUCTION MANAGER had complied. The CONSTRUCTION MANAGER will not be liable to the OWNER or Professional for damages resulting from errors, inconsistencies, or omissions in the Construction Documents, or for differences between field measurements or conditions and the Construction Documents, unless the CONSTRUCTION MANAGER recognized such error, inconsistency, omission or difference and knowingly failed to report it to the Professional and the OWNER.

Unless otherwise specified in this Agreement for Construction Management, the OWNER shall select and compensate the quality control and testing agencies for the costs of specified tests and measures as required by the Construction Documents. The CONSTRUCTION MANAGER shall coordinate all tests and inspections, ensuring they are conducted in a manner that does not impede the Work's progress. No claims for time extensions or additional costs shall be permitted due to testing, retesting, inspection, re-inspection, or rejection of Work when defective or deficient Work is found.

3.10.1 The CONSTRUCTION MANAGER acknowledges that the OWNER may require access to or use of certain Site areas or Work before Substantial Completion is achieved by CONSTRUCTION MANAGER, and such access or use shall not signify or constitute the OWNER's acceptance of any Work.

3.10.2 The CONSTRUCTION MANAGER shall not enter any Owner-occupied Site area or Project unless first approved and scheduled by the OWNER. The CONSTRUCTION MANAGER understands and acknowledges that the OWNER may incur damages if the OWNER's operations on the Site are unduly interrupted or impaired as a result of the Work.

In such cases, the CONSTRUCTION MANAGER shall inform the OWNER and the appropriate Professional and proceed as directed by that Professional unless otherwise instructed by the OWNER. The CONSTRUCTION MANAGER shall coordinate all trade contracts and subcontracts to ensure compatibility of goods, products, materials, equipment and systems, and the validity of all warranties and guarantees, required by the Construction Documents.

5.3 **Unsuitable Materials.** The CONSTRUCTION MANAGER shall inform the OWNER of goods, products, materials, equipment or systems which the CONSTRUCTION MANAGER knows are unsuitable or unavailable at the time of bid submission. Claims regarding unsuitability or unavailability will not be entertained unless the CONSTRUCTION MANAGER, subcontractor, or supplier provided written notice to the OWNER at the time

of bid submission, along with proposed alternatives of equal or better quality with commensurate warranties, unless such issues arose post-submission. Approval by the OWNER and a Professional of substitute goods, products, materials, equipment or systems does not imply final acceptance if such items should be defective or misrepresented. This includes costs for applicable insurance, storage, and transportation to the Site for such materials and equipment stored off-site.

5.6 **Brand Name or Alternate.** Notwithstanding the foregoing, if a product or service has been identified in the specifications by brand name, such identification is intended to be descriptive and not restrictive and is to indicate the quality and characteristics of service that will be acceptable. For purposes of this paragraph, an alternate shall be defined as a product or material differing substantially in quality and characteristics from the product or material set forth in the Contract Documents. 7.2 **Processing of Submittals.** The CONSTRUCTION MANAGER shall, in a timely fashion review, approve if appropriate, and forward submittals to the Professional(s) for review and approval, along with such detail and information as the Professional requires. No part of the Work dealt with by a submittal shall be fabricated or performed until such approval has been given.

7.2.1 A Professional is responsible to the OWNER, but not to the CONSTRUCTION MANAGER, to verify that the submittals conform to the design concept and functional requirements of the plans and specifications, that the detailed design portrayed in shop drawings and proposed equipment and materials shown in submittals are of the quality specified and will function properly, and that the submittals comply with the Agreement for Construction Management.

7.2.2 The CONSTRUCTION MANAGER shall perform no portion of the Work for which the Contract Documents require submittal and review of shop drawings, product data, samples or similar submittals until the respective submittal has been approved by the Professional. The Work shall then be performed in accordance with the approved submittals except that the CONSTRUCTION MANAGER shall not be relieved of responsibility for deviations from requirements of the Contract Documents by the Professional's approval of shop drawings, product data, samples, or similar submittals unless the CONSTRUCTION MANAGER has specifically in writing informed the Professional of such deviation at the time of submittal and (i) the Professional has given written approval to the specific deviation as a minor change in the Work; or (ii) a change order or construction change directive has been issued authorizing the deviation. The CONSTRUCTION MANAGER shall not be relieved of responsibility for errors or omissions in shop drawings, product data, samples or similar submittals by the Professional's approval thereof.

7.3 The Professional shall review and approve, or otherwise appropriately act upon, the CONSTRUCTION MANAGER's submittals, such as shop drawings, product data, and samples, solely to verify conformance with the information given and the design concept expressed in the Contract Documents. The Professional shall perform this review with reasonable promptness to avoid delaying the Work or the activities of the OWNER, CONSTRUCTION MANAGER, or other contractors, while allowing sufficient time, as the Professional deems necessary, for thorough evaluation. The review of submittals is not intended to verify the accuracy of or completeness of details such as dimensions or quantities or to validate installation or performance instructions for equipment or systems, which remain the

CONSTRUCTION MANAGER's responsibility under the Contract Documents. The Professional's review does not relieve the CONSTRUCTION MANAGER of its obligations, nor does it signify approval of safety precautions or, unless specifically noted, any construction means, methods, techniques, sequences, or procedures. Approval of a specific item does not constitute approval of the entire assembly to which the item belongs.

7.4 By approving and submitting shop drawings, product data, samples, and similar submittals, the CONSTRUCTION MANAGER represents that the CONSTRUCTION MANAGER has determined and verified materials, field measurements, and field construction criteria related thereto, or will do so, and has checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents.

ARTICLE 8
CONSTRUCTION MANAGER'S INSPECTION AND CORRECTION OF DEFECTIVE OR INCOMPLETE WORK

8.1 **Rejection and Correction of Work in Progress.** During the course of the Project, the CONSTRUCTION MANAGER shall inspect and promptly reject any Work (i) which does not conform to the Construction Documents; or (ii) which it discovers does not comply with any applicable law, statute, building code, rule, or regulation of any governmental, public and quasi-public authorities and agencies having jurisdiction over the Project.

8.1.1 The CONSTRUCTION MANAGER shall promptly correct or require the correction of all rejected Work, whether observed before or after Substantial Completion and whether fabricated, installed, or completed. The CONSTRUCTION MANAGER shall bear all costs of correcting such Work, including additional testing and inspections and compensation for all services and expenses necessitated by such correction, so long as the correction was due to an error or omission in the CONSTRUCTION MANAGER's Work.

8.1.2 The CONSTRUCTION MANAGER shall bear the cost of correcting destroyed or damaged Work, whether completed or partially completed, of the OWNER or other trade contractors or subcontractors caused by the CONSTRUCTION MANAGER's correction or removal of Work rejected due to an error in the CONSTRUCTION MANAGER's Work.

8.2 **Covered or Concealed Work.** If a portion of the Work has been covered, the CONSTRUCTION MANAGER shall, if notified to do so by the OWNER or a Professional, uncover the designated portion for observation and then replace it.

8.2.1 If the designated portion of the Work was covered contrary to the request of the OWNER or the Professional, inspection required by Authority Having Jurisdiction (AHJ) or to requirements specifically expressed in the Construction Documents, the CONSTRUCTION MANAGER shall receive no additional compensation for the costs of uncovering and replacement or modification of the Construction Schedule.

8.2.2 If the designated portion of the Work was covered prior to a specific request by the OWNER or the Professional that it remain uncovered, the CONSTRUCTION MANAGER shall receive additional compensation for the costs of uncovering and replacement or modification of the Construction Schedule(s) only if the designated portion of the Work was in conformance with the Construction Documents.

8.3 **Acceptance of Non-Conforming Work.** If the OWNER chooses to accept work that does not conform to the requirements of the Contract Documents, the OWNER may, at its sole discretion, accept such non-conforming work instead of requiring its removal and correction. In such cases, the Construction Price shall be equitably reduced to account for the diminished value of the non-conforming Work, as determined by the OWNER. This adjustment shall be made regardless of whether final payment has been issued or not. The OWNER also reserves the right to enforce any necessary corrections or adjustments even after acceptance, if it is later determined that the non-conforming Work adversely affects the project's overall quality or functionality.

ARTICLE 9
CHANGE ORDERS AND CHANGES TO THE WORK

9.1 **Change Order Requests.** Changes to the Work, compensation, or schedules may be requested by the OWNER, CONSTRUCTION MANAGER, or Professional after the execution of this Agreement, without invalidating the Agreement. The OWNER's Project Manager shall be responsible for preparing change orders and construction change directives unless otherwise specified. All Change Order requests must be submitted in writing and approved before the commencement of the Work subject to the Change Order, except as otherwise provided herein.

9.1.1 With respect to such requests for changes by the CONSTRUCTION MANAGER, the CONSTRUCTION MANAGER shall prepare and submit Change Order requests to the OWNER's Project Manager.

9.1.2 The CONSTRUCTION MANAGER shall promptly review and respond to Change Order requests submitted by OWNER or Professional.

9.1.3 When requested, the CONSTRUCTION MANAGER shall provide the OWNER's Project Manager and/or the Professional with drawings, specifications, or other relevant data in supporting a Change Order request.

9.1.4 Each Change Order shall clearly state the impact on both the construction schedule and the Contract Price. This impact assessment must include: (i) the time extension or reduction, if any, resulting from the change; and (ii) the additional cost or cost reduction associated the change. The Change Order shall address these impacts separately, but together with any other concurrent Change Orders or adjustments, to ensure an accurate and comprehensive adjustment to the overall project timeline and budget.

9.2 **OWNER-Directed Changes.** The OWNER may unilaterally direct the CONSTRUCTION MANAGER to implement changes in the Work, provided such

changes fall within the general scope of this Agreement. Upon receipt of written direction from the OWNER, the CONSTRUCTION MANAGER, shall promptly proceed with the directed changes.

9.3 **Professional-Directed Changes**. A Professional, with the OWNER's prior written approval, may direct the CONSTRUCTION MANAGER to make minor changes that are consistent with the intent of the Construction Documents and do not affect Project cost, construction time, scope, or approved design elements. Such minor changes shall be documented by written field orders and executed by the CONSTRUCTION MANAGER and OWNER.

9.4 **Administration of Changes.** The Professional will prepare all required technical documentation, including drawings and specifications, for minor changes, Change Order requests, and Change Orders. The OWNER's Project Manager will administer and manage the overall Change Order process, ensuring coordination among all parties and integration of changes into the project schedule and budget.

9.5 **Compensation for Changes.** With respect to all change order requests involving credit to the OWNER or additional compensation to the CONSTRUCTION MANAGER, the CONSTRUCTION MANAGER shall (i) obtain from subcontractors and suppliers the best possible price quotations; (ii) review such quotations to ascertain whether they are reasonable; (iii) prepare an itemized accounting together with appropriate supporting data, including reasonable expenditures by, and savings to, those performing the Work involved in the proposed change; and (iv) provide a reasonable price quotation to the Owner's Project Manager and Professional.

9.5.1 If price quotations for change order requests are determined to be unreasonable, the CONSTRUCTION MANAGER shall, in writing, justify said quotations or provide additional back-up materials. If after review of the additional information the OWNER's Project Manager and/or Professional determines the quotation is unreasonable, the OWNER may require the subject Work be performed on a time and material basis.

9.5.2 The CONSTRUCTION MANAGER and its subcontractors and suppliers shall be allowed no additional compensation for any costs, fees or expenses incurred in performing services already required by this Agreement and shall not be entitled to additional reimbursement for home office, other non-jobsite or indirect overhead expenses, but shall be paid for change order Work as allowed by other sections of this Agreement.

9.5.3 It is the responsibility of the CONSTRUCTION MANAGER to review and approve all pricing of additional work required of its subcontractors and suppliers.

9.5.4 Additional work which is not part of the Contract Documents, and which does not impact the critical path shall require an executed change order and is not entitled to an extension of time, but the CONSTRUCTION MANAGER shall be compensated as provided in Chapter 1, Article 4, Section 4.3.

9.5.5 Additional work which is not part of the Contract Documents, and which does impact the critical path shall require a change order and the CONSTRUCTION MANAGER is entitled to an extension of time and the CONSTRUCTION MANAGER shall be compensated as provided in Chapter 1, Article 4, Section 4.3. No other costs relating to the approved extension of time shall be permitted.

9.6 **Performance of Changes.** Upon receipt of a field order or fully executed change order, changes in the Work shall be promptly performed. All changes in the Work shall be performed under applicable conditions of the Construction Documents.

9.7 Disputes Regarding Changes.

9.7.1 Regardless of if there is a dispute (i) that a change has occurred; (ii) whether a change in the Work will result in adjustment of compensation or applicable schedules; or (iii) as to the amount of any adjustment of compensation or applicable schedules, the change shall be carried out if the OWNER so directs. No claim shall be prejudiced by performance of the Work so long as the OWNER is notified of the claim in writing prior to performance of the Work which is the subject of the dispute and the party disputing the decision of the OWNER recites the reasons for its dispute in the written notice. Failure to notify the OWNER in writing shall constitute a waiver of any claim resulting from the change.

9.7.2 In the event a change order request is approved by the OWNER in the absence of an agreement as to cost, time, or both, the appropriate Professional will (i) receive and maintain all documentation pertaining thereto; (ii) examine such documentation on the OWNER's behalf; (iii) take such other action as may be reasonably necessary or as the OWNER may request; and (iv) make a written recommendation to the OWNER concerning any appropriate adjustment in the Construction Price or time.

9.7.3 A Construction Change Directive is a written order prepared by the Professional and signed by the OWNER and the Professional, directing a change in the Work prior to agreement on any change in the Contract Price, time or both. The issuance of a Construction Change Directive does not invalidate the Agreement for Construction Management. A Construction Change Directive shall be used in the absence of agreement on the terms of a Change Order. If the Directive provides for a change in the Contract Price, the adjustment shall be based on one of the following:

(i) Mutual acceptance of a lump sum properly itemized and supported by sufficient substantiating data to permit evaluation;

(ii) Unit prices stated in the Contract Documents or subsequently agreed upon;

(iii) Cost to be determined in a manner agreed upon by the parties and a mutually acceptable fixed or percentage fee; or as set forth below.

9.7.4 The CONSTRUCTION MANAGER shall promptly proceed with the Work upon receipt of a Construction Change Directive and shall immediately advise the

Professional of any disagreement with the method of compensation set forth in the Directive.

9.7.5 The CONSTRUCTION MANAGER shall sign the Construction Change Directive if the CONSTRUCTION MANAGER agrees with the adjustment in the time or Contract Price. Upon signature, the Change Order Directive shall be effective as a Change Order.

9.7.6 If the CONSTRUCTION MANAGER does not respond promptly or disagrees with the method of adjustment, the method of adjustment shall be determined by the Professional on the basis of reasonable expenditures and savings of those performing the Work attributable to the change, include a reasonable allowance for overhead and profit on increases and decreases in scope. In such case, the CONSTRUCTION MANAGER shall keep and present to the Professional and the OWNER an itemized accounting together with appropriate supporting data. Unless otherwise specified herein, costs shall be limited to:

(i) Costs of labor, including social security, unemployment insurance, fringe benefits required by agreement or custom, and worker's compensation insurance directly attributable to the change;

(ii) Costs of materials, supplies and equipment, including the cost of transportation, whether incorporated or consumed directly attributable to the change;

(iii) Rental costs of machinery and equipment, exclusive of hand tools, whether rented from the CONSTRUCTION MANAGER or others directly attributable to the change;

(iv) Costs of premiums for all bonds and insurance, permit fees, and sales, use or similar taxes related to the Work directly attributable to the change.

9.7.7 The amount of credit to be allowed by the CONSTRUCTION MANAGER to the OWNER for a deletion or change which results in a net decrease in the Contract Price shall be the actual net cost as confirmed by the Professional. When there are both increases and decreases in the Work, the allowance for overhead and profit shall be figured on the basis of net increase, if any, of the change.

9.7.8 Pending the final determination of the total cost of the Change Directive, amounts not in dispute shall be included in future invoices for payment, accompanied by a fully executed Change Order. For costs in dispute, the Professional shall make an interim determination for purposes of monthly certification for payment for those costs. Either party may then submit a claim according to other provisions contained herein.

9.8 **Necessity for Signed Writing.** No act, omission or course of dealing shall alter the requirement that change orders shall be in writing and signed by the OWNER, and that change orders are the exclusive method for effecting any adjustment to compensation or applicable schedules. The CONSTRUCTION MANAGER understands and agrees, on

behalf of itself and its subcontractors and suppliers, that neither compensation nor applicable schedules can be changed by implication, oral agreement, or unwritten change order.

9.9 **Change Order as Final Agreement.** Agreement on any Change Order shall constitute a final settlement of all matters relating to the change in the Work, which is the subject of the Change Order, including but not limited to, all direct and indirect costs and general conditions associated with such change and any and all adjustments to the Contract Sum, Contract Time and the Construction Schedule. In the event a Change Order increases the Contract Sum, Contractor shall include the Work covered by such Change Orders in Applications for Payment as if such Work were originally part of the Contract Documents.

9.10 **Incorporated Language to Change Orders.** Each and every Change Order executed under this Agreement shall be interpreted to incorporate and include the following clause, whether or not such clause is specifically included or incorporated into the Change Order: "This Change Order represents a written modification between the parties to the Agreement and in based on the terms and conditions of that Agreement. This Change Order supersedes all prior negotiations, qualifications and terms for the changes in scope described in this Change Order and the Work contemplated is, except as noted otherwise specifically provided, subject to all the terms and conditions of the Agreement, including, without limitation, those concerning payment. By executing this Change Order, Contractor acknowledges that this Change Order includes all direct and indirect charges and costs arising out of this change. The Contractor further agrees that by executing this Change Order, it will be fully compensated for the cost and time impact of the change(s) required by the OWNER. All claims against the OWNER which are incidental to or as a consequence of this change, including, without limitation, delays, disruptions, suspensions, acceleration or other impacts, or claims arising out of the cumulative effect of the Change Orders for the Work, are fully satisfied. Contractor will commence its services upon the execution of this Change Order and will complete and Work in accordance with the current schedule, it being understood and agreed that time is of the essence in the completion of each and every provision or condition of this Change Order and the Agreement." The omission of this clause from any particular Change Order, any number of Change Orders or all Change Orders shall not constitute a waiver of this provision. Change orders must not include contingency and should accurately reflect the total amount required for completing the Work.

ARTICLE 10
FINANCIAL CLAIMS AND LIENS

10.1 **Notification Regarding Liens.** The CONSTRUCTION MANAGER shall immediately notify the OWNER and Professional(s), both orally and in writing, of the nature and details of any mechanics' liens, construction liens, CONSTRUCTION MANAGER's trust fund claims, or claims of any type made by anyone against the OWNER, the Professional(s), the CONSTRUCTION MANAGER or any subcontractor or supplier of any of them or against the Project whether or not such claims arise from the Work or not. The CONSTRUCTION MANAGER is obligated to submit partial payment affidavits with each pay application, certifying that all subcontractors have been duly compensated and have waived any claims

on the project. For final completion, the CONSTRUCTION MANAGER shall furnish all final payment affidavits within 30 days of receiving the subcontractors' retainage.

10.2 **Discharge of Liens.** The CONSTRUCTION MANAGER shall take all action necessary to obtain the prompt discharge of any liens or claims filed against the Project. If any lien or claim filed against the Project is not discharged and released by the claimant, the CONSTRUCTION MANAGER shall, within a reasonable period of time, but in no event more than thirty (30) calendar days after request and at its own cost, promptly obtain discharge and release of, or indemnity for, such lien or claim by providing or filing, as appropriate, the requisite bond. If the CONSTRUCTION MANAGER fails to have any such lien or claim discharged and released, or fails to provide or file the requisite bond, the OWNER shall have the right to pay all sums necessary to obtain such a discharge and release, and the CONSTRUCTION MANAGER shall bear all expenses incurred by the OWNER in so doing.

ARTICLE 11
OWNER'S CONSULTANT(S), PROFESSIONAL(S) AND CONSTRUCTION ADMINISTRATION

11.1 **OWNER's Designated Professional Representative.** Unless otherwise directed by the OWNER, one (1) designated Professional shall act as the OWNER's Professional representative from the effective date of this Agreement for Construction Management until one (1) year from the date of achievement of Substantial Completion.

11.1.1 The Professional so designated will be the OWNER's design representative during performance of the Work and will consult with and advise the OWNER on all design and technical matters.

11.1.2 The designated Professional will act as initial interpreter of the requirements of this Agreement for Construction Management and as the OWNER's advisor on claims.

11.2 **Professional Site Visits.** The Professional(s) will visit the Site with sufficient frequency for familiarization with the progress and quality of the Work and to inspect the Work to determine compliance of the Work with (i) this Agreement for Construction Management, including approved shop drawings and other submittals; (ii) the Construction Schedule; and (iii) applicable laws, statutes, building codes, rules or regulations of all governmental, public and quasi-public authorities and agencies having or asserting jurisdiction over the Project.

11.3 Professional Rejection of Work. The Professional(s) may disapprove or reject Work which does not comply with (i) this Agreement for Construction Management including approved shop drawings and other submittals; or (ii) applicable laws, statutes, building codes, rules or regulations of any governmental, public and quasi-public authorities and agencies having or asserting jurisdiction over the Project.

11.4 Professional Evaluations.

11.4.1 The Professional(s) will review and evaluate the results of all inspections, tests and written reports required by this Agreement for Construction Management and by any governmental entity having or asserting jurisdiction over the Project. The

Professional(s) will take appropriate action on test results, including acceptance, rejection, requiring additional testing or corrective work, or such other action deemed appropriate by the Professional(s). The Professional(s) will promptly reject Work which does not conform to and comply with testing requirements.

11.4.2 The Professional(s) may require inspection or testing of any Work in addition to that required by this Agreement for Construction Management or governmental entities having or asserting jurisdiction over the Project when such additional inspections and testing is necessary or advisable, whether or not such Work is then fabricated, installed or completed. The Professional(s) will take appropriate action on all such special testing and inspection reports, including acceptance, rejection, requiring additional testing or corrective work, or such other action deemed appropriate by the Professional(s).

11.5 **Professional Submittal Activities.** The Professional(s) will timely review and approve, reject or take other appropriate action on submittals such as shop drawings, product data, samples and proposed equal materials or equipment and requested substitutions within not more than fourteen (14) calendar days, and will not approve any submittals unless such submittals conform with (i) the Project Construction Documents; (ii) this Agreement for Construction Management; and (iii) the OWNER's budgeted Total Project Construction Cost. A Professional's review of submittals shall not constitute final acceptance of materials or equipment furnished or installed if such materials or equipment should be defective or not as represented by approved submittals or as otherwise required by the Construction Documents. The CONSTRUCTION MANAGER remains responsible for details and accuracy, for confirming and correlating all quantities and dimensions, for selecting fabrication processes, for techniques of assembly, and for performance of the Work.

11.6 **Professional Interpretations.** The Professional will, when requested to do so in writing by the CONSTRUCTION MANAGER, promptly and so as to cause no unnecessary delay, render written or graphic interpretations and decisions necessary for the proper execution of the Work. A Professional's interpretations and decisions relating to artistic effect shall be final if not inconsistent with this Agreement for Construction Management.

11.7 **Professional Change Order Activities.** The Professional(s) will consult with and advise the OWNER concerning all change order requests and change orders on behalf of the OWNER.

11.8 **Professional Pay Application Activities.** The appropriate Professional will review applications for payment, including such accompanying data, information and schedules as the Professional requires, to determine the amounts due to the CONSTRUCTION MANAGER and shall authorize payment by the OWNER to the CONSTRUCTION MANAGER in writing. After the Work is determined to be finally complete and the Professional determines that the CONSTRUCTION MANAGER has completed the Work, the Professional will determine whether the CONSTRUCTION MANAGER is entitled to final payment, and if so will so certify to the OWNER in writing.

11.9 **Professional Relationship to CONSTRUCTION MANAGER.** The duties, obligations, and responsibilities of the CONSTRUCTION MANAGER under this Agreement for

Construction Management shall not be changed, abridged, altered, discharged, released, or satisfied by any duty, obligation, or responsibility of any Professional. The CONSTRUCTION MANAGER shall not be a third-party beneficiary of any agreement by and between the OWNER and any Professional. The duties of the CONSTRUCTION MANAGER to the OWNER will be independent of, and shall not be diminished by, any duties or obligations of the Professional to the OWNER.

ARTICLE 12
INSPECTION, CORRECTION OF WORK, AND PROJECT CLOSE OUT

12.1 **Substantial Completion.** Substantial Completion of the Work shall be deemed to have occurred on the later of the dates that the Work passes a Substantial Completion inspection, and the required Substantial Completion documentation and items have been produced. Notwithstanding anything herein, Substantial Completion shall not occur prior to the date which all applicable governmental agencies having jurisdiction over the Work have issued either an unconditional Certificate of Completion or unconditional Certificate of Occupancy with respect to the Work, including landscaping and common areas (whichever is applicable) and the OWNER is otherwise able to fully utilize the Work for its intended purpose. Notwithstanding anything to the contrary contained herein, the Contractor shall be responsible for obtaining the unconditional Certificate of Completion or unconditional Certificate of Occupancy (whichever is applicable) with respect to the Work, and in connection therewith the OWNER shall comply with all its obligations required by the issuing authority in order to enable the Contractor to obtain such Certificate.

12.1.1 When the CONSTRUCTION MANAGER believes that the Work is substantially complete, it shall notify the OWNER and the appropriate Professional that the Work is ready for a Substantial Completion inspection.

12.1.2 At or prior to the Substantial Completion inspection, the CONSTRUCTION MANAGER will prepare and furnish to the Professional a Declaration of Substantial Completion, which at a minimum, must:

(i) Contain a blank for entry of the date of Substantial Completion, which date will fix the commencement date of warranties and guaranties and allocate between the OWNER and the CONSTRUCTION MANAGER responsibility for security, utilities, damage to the Work, and insurance;

(ii) Include a list of items to be completed or corrected and state the time within which the listed items will be completed or corrected; and

(iii) Contain signature lines for the OWNER, the CONSTRUCTION MANAGER, and the Professional.

12.1.3 Upon receipt of notification from the CONSTRUCTION MANAGER, the appropriate Professional will coordinate with the OWNER and the CONSTRUCTION MANAGER a date for inspection of the Work to determine whether the Work is substantially complete.

12.1.4 At inspection(s) to determine whether the Work is substantially complete, the Professional will:

(i) Inspect the Work;

(ii) List additional items to be completed or corrected; and

(iii) Determine, in consultation with the OWNER, whether Substantial Completion of the Work has occurred.

12.1.5 If the Work is determined not to be substantially complete, the Work shall be prosecuted until the Work is substantially complete and the inspection process shall be repeated at no additional cost to the OWNER until the Work is determined to be substantially complete.

12.1.6 On or prior to the required date of Substantial Completion, the CONSTRUCTION MANAGER shall deliver to the appropriate Professional keys, permits, the certificate of occupancy, and other necessary and customary documents and items pre-requisite for the OWNER's occupancy and use of the Work for its intended purpose. The Professional will obtain and review Substantial Completion documentation and items and will inform the CONSTRUCTION MANAGER of any deficiencies.

12.1.7 When the OWNER, the CONSTRUCTION MANAGER, and the appropriate Professional agree that the Work has passed the Substantial Completion inspection and the CONSTRUCTION MANAGER has produced the required Substantial Completion documentation and items, they shall each sign the Declaration of Substantial Completion declaring the Work substantially complete and establishing the actual date of Substantial Completion. The Declaration of Substantial Completion shall also include a list of and timeline for the completion of Work needing completion and correction. Failure of the CONSTRUCTION MANAGER to include an item on the list does not alter the responsibility of the CONSTRUCTION MANAGER to complete all Work in accordance with this Agreement for Construction Management.

12.1.8 The CONSTRUCTION MANAGER shall promptly correct the Work properly rejected by the Professional or failing to conform to the requirements of this Agreement for Construction Management, whether discovered before or after Substantial Completion and whether or not fabricated, installed or completed. Costs of correcting the rejected Work, including additional testing and inspections and compensation for the Professional's services and expenses made necessary thereby, shall be at the CONSTRUCTION MANAGER's expense.

12.1.9 Substantial Completion must be accompanied by a Certificate of Occupancy issued by the Authority (or Authorities) Having Jurisdiction over the Project.

12.2 **Final Completion.** Final Completion of the Work shall be recognized on the date that the Work successfully passes the Final Completion inspection. Final Completion shall not be deemed to have occurred and no final payment shall be due the CONSTRUCTION

MANAGER or any of its subcontractors or suppliers until the Work has passed the Final Completion inspection.

12.2.1 When the CONSTRUCTION MANAGER believes the Work is finally complete, the CONSTRUCTION MANAGER shall notify the OWNER and the appropriate Professional that the Work is ready for Final Completion inspection.

12.2.2 Upon receipt of such notification from the CONSTRUCTION MANAGER, the Professional will coordinate with the OWNER and the CONSTRUCTION MANAGER to schedule an inspection date to determine whether the Work is finally complete.

12.2.3 At the Final Completion inspection to determine whether the Work is finally complete, the Professional will:

(i) Inspect the Work;

(ii) Determine whether all items on the list included with the Declaration of Substantial Completion have been satisfactorily completed and corrected;

(iii) Determine whether the Work complies with (a) this Agreement for Construction Management; (b) applicable laws, statutes, building codes, rules or regulations of all governmental, public and quasi-public authorities and agencies having jurisdiction over the Project; and (c) applicable installation and workmanship standards;

(iv) Determine whether required inspections and approvals by the official(-s) having or asserting jurisdiction over the Project have been satisfactorily completed;

(v) Assess whether all closeout documents, attic stock, spare parts, etc, have been property transmitted to the OWNER; and

(vi) Determine, in consultation with the OWNER, whether the Work is finally complete.

12.2.4 If the Work is not finally complete, the CONSTRUCTION MANAGER shall continue to prosecute the Work, and the inspection process shall be repeated at no additional cost to the OWNER, until the Work is finally complete.

12.2.5 On or prior to the date of Final Payment, the CONSTRUCTION MANAGER shall deliver to the appropriate Professional the following Final Completion close-out documentation:

(i) Two (2) bound and one (1) electronic operation and maintenance manuals as required by Chapter 3, Article 3, Subsection 3.11.1

(ii) Two (2) sets of as-built drawings and markups;

(iii) Certification and affidavit that all insurance required of the CONSTRUCTION MANAGER beyond final payment, if any, is in effect and will not be canceled or allowed to expire without notice to the OWNER;

(iv) Written consent of the surety(ies), if any, to final payment;

(v) Full, final, and conditional waivers of mechanics or construction liens or full and final affidavits of payment, releases of CONSTRUCTION MANAGER's trust fund or similar claims, and release of security interests or encumbrances on the Project property from each contractor, subcontractor, supplier or other person or entity who has, or might have a claim against the OWNER or the OWNER's property;

(vi) Full, final, and conditional certification and affidavit that all of the CONSTRUCTION MANAGER's obligations to contractors, subcontractors, suppliers and other third parties for payment for labor, materials or equipment related to the Project have been paid or otherwise satisfied;

(vii) All written warranties and guarantees relating to the labor, goods, products, materials, equipment and systems incorporated into the Work have been endorsed, countersigned, and assigned as necessary;

(viii) Affidavits, releases, bonds, waivers, permits and other documents necessary for final close-out of the Work;

(ix) A list of any item(s) due but unable to be delivered and the reason for non-delivery; and

(x) Any other documents reasonably and customarily required or expressly required herein and final close-out of the Work.

12.2.6 The appropriate Professional will review and determine the sufficiency of all Final Completion close-out documentation and items required for Final Payment which are submitted by the CONSTRUCTION MANAGER and will immediately inform the CONSTRUCTION MANAGER about any deficiencies and omissions.

ARTICLE 13
CONSTRUCTION MANAGER'S WARRANTIES AND GUARANTEES

13.1 **One-Year Warranty.** In addition to the warranties and guarantees set forth elsewhere in this Agreement for Construction Management, the CONSTRUCTION MANAGER, upon request by the OWNER or the Professional, shall promptly correct all failures or defects in the Work for a period of one (1) year after the actual date of Substantial Completion.

13.1.1 The CONSTRUCTION MANAGER shall schedule, coordinate and participate in a walk-through inspection of the Work one (1) month prior to the expiration of the one-year correction period, and shall notify the OWNER, the appropriate

Professional(s), and any necessary subcontractors and suppliers of the date of, and request their participation in, the walk through inspection. The purpose of the walk-through inspection will be to determine if there are defects or failures which require correction.

13.1.2 Should the CONSTRUCTION MANAGER fail to promptly correct any failure or defect; the OWNER may take whatever actions it deems necessary to remedy the failure or defect and the CONSTRUCTION MANAGER shall promptly reimburse the OWNER for any expenses or damages it incurs as a result of the CONSTRUCTION MANAGER's failure to correct the failure or defect.

13.2 **Express Warranties and Guarantees – CONSTRUCTION MANAGER.** In addition to the warranties and guarantees set forth elsewhere herein, the CONSTRUCTION MANAGER expressly warrants and guarantees to the OWNER:

13.2.1 That the Work complies with (a) the Construction Documents; and (b) to the best of its knowledge all applicable laws, statutes, building codes, rules and regulations of all governmental, public and quasi-public authorities and agencies having jurisdiction over the Project.

13.2.2 That all goods, products, materials, equipment and systems incorporated into the Work conform to applicable specifications, descriptions, instructions, drawings, data and samples and shall be and are (a) new (unless otherwise specified or permitted) and without apparent damage or defect; (b) of quality equal to or higher than that required by the Construction Documents; and (c) merchantable; and

13.2.3 That all management, supervision, labor, and services required for the Work shall comply with this Agreement for Construction Management and shall be performed in a workmanlike manner.

13.3 **Express Warranties and Guarantees - Subcontractors and Suppliers.** The CONSTRUCTION MANAGER shall require that all of its subcontractors and suppliers provide written warranties, guarantees, and other undertakings to the OWNER and the CONSTRUCTION MANAGER in a form identical to the warranties, guarantees, and other undertakings set forth in this Agreement, including the warranties, guarantees and undertakings set forth in this Article, which warranties, guarantees, and undertakings shall run to the benefit of the OWNER as well as the CONSTRUCTION MANAGER.

13.4 **Non-Exclusivity and Survival.** The warranties and guarantees set forth in this Article shall be in addition to all other warranties, express, implied, or statutory, and shall survive the OWNER's payment, acceptance, inspection of or failure to inspect the Work, and review of the Construction Documents.

13.5 **Non-Limitation.** Nothing contained in Paragraph 13.1 shall be construed to establish a period of limitation with respect to the CONSTRUCTION MANAGER's obligations under this Agreement for Construction Management. Paragraph 13.1 relates only to the CONSTRUCTION MANAGER's specific obligations with respect to the Work and has no relationship to the time within which the CONSTRUCTION MANAGER's contractual obligations under this Agreement for Construction Management may be enforced, nor to

the time within which proceedings may be commenced to establish the CONSTRUCTION MANAGER's liability with respect to any contractual obligations pursuant to Paragraph 13.1 or contained elsewhere herein.

13.6 **Commencement of Obligations.** Unless otherwise specified, all of the CONSTRUCTION MANAGER's warranty and guaranty obligations, including the time periods for all written warranties and guarantees of specifically designated equipment required by the Construction Documents, shall begin on the actual date of Substantial Completion.

13.7 **Limitation.** The CONSTRUCTION MANAGER's warranty excludes remedy for damage or defect caused by abuse, unauthorized modifications, improper or insufficient maintenance, improper operation, or normal wear and tear under standard use. If required by the OWNER, the CONSTRUCTION MANAGER shall furnish satisfactory evidence as to the kind and quality of materials and equipment.

ARTICLE 14
OWNER'S DUTIES, OBLIGATIONS, AND RESPONSIBILITIES

14.1 **Timely Compensation of CONSTRUCTION MANAGER.** The OWNER shall timely compensate the CONSTRUCTION MANAGER in accordance with this Agreement for Construction Management.

14.2 **Payment for Testing.** Unless otherwise required to be provided by the CONSTRUCTION MANAGER in its scope of services, the OWNER shall secure and pay for all Project testing.

14.3 **OWNER Review of Documents.** The OWNER shall review documents prepared by the CONSTRUCTION MANAGER in a timely manner and in accordance with schedule requirements. Review by the OWNER shall be solely for the purpose of determining whether such documents are generally consistent with the OWNER's intent. No review of such documents shall relieve the CONSTRUCTION MANAGER of any of its responsibilities.

14.4 **Status of OWNER.** The OWNER shall not have control or charge of construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the CONSTRUCTION MANAGER, for any of the foregoing purposes, be deemed the agent of the OWNER.

14.5 **OWNER's Utilities.** The OWNER shall provide water/sewer, gas and electrical energy only as they exist at the Site prior to the start of construction. Any fee charged by a utility company shall be an OWNER's Cost with the exception of any utility usage charges incurred during construction, which shall be the responsibility of the CONSTRUCTION MANAGER as a part of the General Conditions. The CONSTRUCTION MANAGER shall additionally be responsible for the costs associated with the provision of chemical toilets, with such costs included in the General Conditions. Costs associated with temporary wiring, temporary lighting, temporary electrical connections, temporary water/sewer connections, temporary gas connections, protection of existing utilities, and routing of utilities for jobsite

and office trailer use shall be a Subcontractors' Cost. Any fees charged by a utility after installation of permanent meters will be an OWNER's Cost.

Acceptance by the CONSTRUCTION MANAGER of the use of the OWNER's water, gas and electrical energy constitutes a release from the CONSTRUCTION MANAGER to the OWNER of all claims and liability for any damages or losses which may be incurred by the CONSTRUCTION MANAGER as a result of water, gas and electrical energy outages or voltage variations or surges, but not for time extensions arising out of the interruption or cessation of these utilities.

14.6 **Statements of OWNER's Capacity.** The OWNER, upon reasonable written request, shall furnish to the CONSTRUCTION MANAGER in writing statements of:

14.6.1 The record legal title to the Site on which the Project is located and the OWNER's interest therein at the time of execution of this Agreement for Construction Management.

ARTICLE 15
CONSTRUCTION MANAGER'S COMPENSATION

15.1 **Unit Prices.** For the purposes of calculating any additive or deductive changes for materials or items of work for which the CONSTRUCTION MANAGER has provided Unit Prices as incorporated into Exhibit "5" of **Appendix "I"**, the cost or savings of the change shall be calculated using the Unit Prices described in Exhibit "5" of **Appendix "I".**

15.2 **Schedule of Values.** Attached as Exhibit "4" of **Appendix "I"**, is the CONSTRUCTION MANAGER's Schedule of Values apportioning the different elements of the Work for purposes of periodic and final payment, including the times and amounts of payments for General Conditions and Management Fees. The CONSTRUCTION MANAGER's schedule of values shall be presented in the format, and with such detail and supporting information, requested by the Professional or OWNER. The CONSTRUCTION MANAGER shall not imbalance or artificially inflate any element of its schedule of values. Upon the Professional and OWNER's acceptance, the schedule of values shall be used to process and pay the CONSTRUCTION MANAGER's payment requests. The schedule of values shall not be changed without written approval by the OWNER.

15.3 **Invoicing Procedures.** In accordance with the procedures and requirements set forth in this Article, the CONSTRUCTION MANAGER shall invoice the OWNER and the OWNER shall pay the CONSTRUCTION MANAGER the Construction Price.

15.3.1 At least every thirty (30) calendar days after commencement of performance, but no more frequently than once a month, the CONSTRUCTION MANAGER shall submit invoices to the Professional requesting payment for labor and services rendered during the preceding thirty (30) calendar days. Each invoice shall contain such detail and be backed up with whatever supporting information the OWNER or the Professional reasonably requests and shall, at a minimum, state:

(i) The total Construction Price for the Project;

(ii) The amount due for properly provided labor, materials and equipment properly incorporated into the Project; and with respect to amounts invoiced for materials or equipment necessary for the Project and properly stored at the Site (or elsewhere if offsite storage is approved in writing by the OWNER), be accompanied by written proof that the OWNER has title to such materials or equipment and that such material and equipment is fully insured against loss or damage;

(iii) A breakdown of the various parts of the Work as related to the Construction Price as shown on the Schedule of Values;

(iv) The value of the various parts of the Work actually performed;

(v) Previously invoiced amounts and credit payments made;

(vi) The total amount due, less any agreed retainage;

(vii) Submit a current Critical Path Method Schedule CPM Schedule with every pay application.

15.3.2. Additionally, invoices must include lien waivers and other documentation verifying payment to subcontractors and suppliers as reasonably requested by OWNER or Professional. The OWNER may require lien releases from CONSTRUCTION MANAGER, subcontractors, or any other parties providing labor, materials, or services, specifically related to the application for payment.

15.4 **Payment Procedures.**

15.4.1 The Professional will review the CONSTRUCTION MANAGER's applications for payment, including such accompanying data, information, and schedules as the Professional requires, to determine the amounts due to the CONSTRUCTION MANAGER and, based upon such review, together with its inspections of the Work, shall authorize payment by the OWNER to the CONSTRUCTION MANAGER in writing. Such authorization will constitute the Professional's certification to the OWNER that:

(i) The Work described in the CONSTRUCTION MANAGER's invoice has progressed to the level indicated;

(ii) The Work has been performed in accordance with the Agreement for Construction Management;

(iii) All necessary and appropriate lien waivers have been submitted; and

(iv) The amount requested is currently due and owing to the CONSTRUCTION MANAGER.

15.4.2 In the case of unit price work, the Professional's recommendations for payment will constitute a final determination of quantities and classifications of such work.

15.4.3 Payments shall be deemed timely if postmarked at least two (2) business days before the Payment Date defined in Chapter 1 or any other payment due date stated in this Article.

15.4.4 The Professional may withhold all or part of an application for payment to the extent reasonably necessary to protect the OWNER if in the Professional's opinion the representations to the OWNER required by subsection 15.4.1 cannot be made. If the Professional is unable to certify payment in the amount of the application, the Professional shall notify the CONSTRUCTION MANAGER and the OWNER as provided for herein. If the CONSTRUCTION MANAGER and the Professional cannot agree on a revised amount, the Professional shall promptly authorize payment for the amount which the Professional is able to make such representations to the OWNER. The Professional may also withhold payment or, because of subsequently discovered evidence, may nullify the whole or part of an application for payment previously issued, to such extent as may be necessary in the Professional's opinion to protect the OWNER from loss for which the CONSTRUCTION MANAGER is responsible, including loss resulting from its acts and omissions, because of:

(i) Defective Work not remedied;

(ii) Third party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to the OWNER is provided by the CONSTRUCTION MANAGER;

(iii) Failure of the CONSTRUCTION MANAGER to make payments properly to subcontractors for labor, materials or equipment;

(iv) Reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Price;

(v) Damage to the OWNER or other contractor;

(vi) Reasonable evidence that the Work will not be completed within dates established in the Construction Schedule, and that the unpaid balance would not be adequate to cover liquidated damages for the anticipated delay; or

(vii) Persistent failure to carry out the Work in accordance with this Agreement for Construction Management.

15.5 **OWNER's Right to Refuse Payment.** The Professional's approval of the CONSTRUCTION MANAGER's invoice will not preclude the OWNER from exercising any of its remedies under this Agreement for Construction Management. These remedies include, without limitation the OWNER's right to withhold all or part of any payment (including Final Payment) for the reasons described in Paragraph 15.4.1 or in this Paragraph 15.5. In the event of a dispute, payment shall be made on or before the Payment Date for amounts not in dispute, subject to any setoffs claimed by the OWNER. The OWNER shall have the right to refuse to make payment and, if necessary, may demand the

return of a portion or all of the amount previously paid to the CONSTRUCTION MANAGER to the extent due to:

15.5.1 The CONSTRUCTION MANAGER's failure to perform the Work in compliance with the requirements of this Agreement for Construction Management or any other agreement between the parties;

15.5.2 The CONSTRUCTION MANAGER's failure to correctly and accurately represent the Work performed in a payment request, or otherwise;

15.5.3 The CONSTRUCTION MANAGER's performance of the Work at a rate or in a manner that, in the OWNER's reasonable opinion, is likely to result in the Project being inexcusably delayed;

15.5.4 The CONSTRUCTION MANAGER's failure to use funds previously paid the CONSTRUCTION MANAGER by the OWNER, to pay the CONSTRUCTION MANAGER's Project-related obligations including, but not limited to, the CONSTRUCTION MANAGER's subcontractors, materialmen, and suppliers;

15.5.5 Claims made against the OWNER or its property;

15.5.6 Loss caused by the CONSTRUCTION MANAGER or the CONSTRUCTION MANAGER's subcontractors, or suppliers and not paid by insurance or covered by bonds provided by CONSTRUCTION MANAGER; or

15.5.7 The CONSTRUCTION MANAGER's failure or refusal to perform any of its obligations to the OWNER.

15.6 **CONSTRUCTION MANAGER's Right to Refuse Performance for Non-Payment.** If within the time set forth in Section 218.735, Florida Statutes, the OWNER, without cause or basis hereunder, fails to pay the CONSTRUCTION MANAGER any amounts then due and payable to the CONSTRUCTION MANAGER, the CONSTRUCTION MANAGER shall have the right, in addition to all other rights and remedies contained herein, to cease performance of the Work until receipt of proper payment after first providing fourteen (14) calendar days written notice to the OWNER of its intent to cease work.

15.7 **Correction of Past Payments.** All prior payments, whether based on estimates or otherwise, may be corrected and adjusted in any subsequent payment and shall be corrected and adjusted in the final payment. In the event that any invoice contains a defect or impropriety which would prevent payment by the Payment Date, the OWNER shall notify the CONSTRUCTION MANAGER in writing of such defect or impropriety in accordance with Section 218.735, Florida Statutes. Any disputed amounts determined by the OWNER to be payable to the CONSTRUCTION MANAGER shall be due in the time frames set forth in Section 218.735, Florida Statutes, from the date the dispute is resolved.

15.8 **Interest on Outstanding Amounts Due.** To the extent allowed by Chapter 218, Florida Statutes, interest shall accrue on amounts owed by the OWNER to the CONSTRUCTION MANAGER which remain unpaid thirty (30) calendar days following the date on which payment is due.

No interest shall accrue when payment is delayed because of a dispute between the OWNER and the CONSTRUCTION MANAGER, or a dispute as to the accuracy or completeness of any request for payment received. This exception to the accrual of interest shall apply only to that portion of a delayed payment which is actually the subject of the dispute and shall apply only for the duration of such disagreement. Interest shall accrue on retainage which is withheld to assure performance of this Agreement for Construction Management.

15.9 **Invoice Warranties and Guarantees.** The CONSTRUCTION MANAGER expressly warrants and guarantees to the OWNER that:

15.9.1 Title to all goods, products, materials, equipment, and systems covered by an invoice will pass to the OWNER either by incorporation into the Work, or upon receipt of payment by the CONSTRUCTION MANAGER, whichever occurs last;

15.9.2 All goods, products, materials, equipment, and systems covered by an invoice are free and clear of liens, claims, security interests or encumbrances; and

15.9.3 No goods, products, materials, equipment or systems covered by an invoice have been acquired by the CONSTRUCTION MANAGER, or its subcontractors or suppliers, subject to an agreement under which an interest therein or an encumbrance thereon is retained by the seller or otherwise imposed by the CONSTRUCTION MANAGER, or its subcontractors or suppliers.

15.10 **CONSTRUCTION MANAGER's Signature.** The signature of the CONSTRUCTION MANAGER on any invoice constitutes the CONSTRUCTION MANAGER's certification to the OWNER that (i) the CONSTRUCTION MANAGER's services listed in the invoice have progressed to the level indicated and have been performed as required by this Agreement for Construction Management; (ii) the CONSTRUCTION MANAGER has paid its subcontractors and suppliers their proportional share of all previous payments received from the OWNER; and (iii) the amount requested is currently due and owing.

15.11 **Taxes.** The CONSTRUCTION MANAGER shall incorporate into the Construction Price, and pay, all sales, consumer, use and similar taxes for goods, products, materials, equipment and systems incorporated into the Work which were legally required at the time of execution of this Agreement for Construction Management, whether or not yet effective or merely scheduled to go into effect. The CONSTRUCTION MANAGER shall secure, protect, hold harmless, and indemnify the OWNER from and against any and all liability, loss, claims, demands, suits, costs, fees and expenses (including actual fees and expenses of attorneys, expert witnesses, and other consultants) relating to any taxes assessed or imposed upon, incurred by or asserted against the OWNER by any taxing authority with respect to such taxes. The CONSTRUCTION MANAGER shall cooperate with and assist the OWNER in securing qualified refunds of any sales or use tax paid by the OWNER or CONSTRUCTION MANAGER on goods, products, materials, equipment, or systems. Any refund secured shall be paid to the OWNER.

15.11.1 Sales Tax Recovery Program. In accordance with Section 212.08(6), Florida Statutes, and Rule 12A-1.094, Florida Administrative Code, the OWNER is tax exempt when it purchases tangible personal property for use in public works

projects, subject to certain restrictions. In the event this project is declared a sales tax recovery project by the OWNER, the following procedures will apply:

(i) The OWNER, through Resource Management or the Purchasing and Contracts Department, shall determine whether the OWNER shall directly purchase certain materials required for the Work.

(ii) Upon acceptance of the GMP, the CONSTRUCTION MANAGER shall prepare a list of proposed items that may be desirable for OWNER direct purchasing. Proposed items shall be items that are purchased in a single order from a single vendor with a value greater than $10,000. Upon reviewing this list, the OWNER shall determine whether it will directly purchase certain materials. The OWNER shall notify the CONSTRUCTION MANAGER in writing of the specific materials which are intended to be purchased.

(iii) Within ten (10) calendar days from receipt of the written notice described in Paragraph 15.11.1(ii), the CONSTRUCTION MANAGER shall advise the OWNER in writing of: (a) the date upon which the materials must be on-site according to the Construction Schedule approved at that time, (b) the date that the CONSTRUCTION MANAGER directs that the OWNER place the order for the described materials, (c) the location to which the materials are to be delivered, and (d) any other particular details of the order which the CONSTRUCTION MANAGER requests that the OWNER include in the Purchase Order to the vendor.

(iv) The OWNER may, but is not required to, provide the CONSTRUCTION MANAGER with the proposed Purchase Order for the materials. In that case, the CONSTRUCTION MANAGER shall review the Purchase Order for compliance with the Construction Documents, including, without limitation, the plans, specifications, and Construction Schedule. Within the earlier of: five (5) calendar days from the receipt of the proposed Purchase Order or the day prior to the date provided by the CONSTRUCTION MANAGER pursuant to Paragraph 15.11.1(ii)(b) above, the CONSTRUCTION MANAGER shall provide the OWNER with written approval of the Purchase Order or shall provide written revisions to the Purchase Order, in order that the materials and the delivery thereof shall comply with the Construction Documents, including, without limitation, the plans, specifications and Construction Schedule.

(v) The OWNER shall thereafter issue a Purchase Order for the materials with the vendor.

(vi) The OWNER shall take title to those materials directly from the vendor and shall bear the risk of loss or damage to the materials which are delivered by the vendor through the time that the materials are delivered to the location designated by the CONSTRUCTION MANAGER. After the materials are delivered to the location designated by the CONSTRUCTION MANAGER, the CONSTRUCTION MANAGER shall have full responsibility for their

storage, protection, risk-of-loss and installation pursuant to the Construction Documents, including, without limitation, the plans, specifications and Construction Schedule.

(vii) The vendor shall invoice the OWNER directly for the materials purchased from the vendor. The OWNER shall pay the invoices for the materials directly, presenting its sales tax exemption certificate to each vendor at the time of payment.

With respect to the materials specifically designated by this section, the CONSTRUCTION MANAGER shall be relieved only of its responsibilities to place the order for the subject materials, to pay for the materials, and to ensure the materials against loss through the date that they are delivered to the location designated by the CONSTRUCTION MANAGER, otherwise, nothing herein shall revise or modify the CONSTRUCTION MANAGER's responsibilities set forth in this Agreement, including, without limitation, the responsibility to schedule the timely ordering and delivery of the materials purchased under this Paragraph 15.11.1, the management of the materials once delivered or the incorporation of the materials into the Work, as provided in the Construction Documents, including, without limitation, the plans, specifications and Construction Schedule.

The cost of any materials purchased through the sales tax recovery program shall be deducted from the contract amount. The OWNER and CONSTRUCTION MANAGER shall execute a written change order described in this Agreement, and approved in accordance with the OWNER's policy and the Change Order shall become a part of the Contract Documents as provided in this Agreement. The CONSTRUCTION MANAGER's fee will be calculated on the basis that the CONSTRUCTION MANAGER, rather than the OWNER, procured the materials. Therefore, for purpose of calculating the fee, the total of subcontractor and supplier costs will include payments made by the OWNER under this program. The calculation of the fee in this manner shall provide, among other things, specific supplemental consideration for the provisions of this Paragraph 15.11.1.

15.12 **Compensation of CONSTRUCTION MANAGER's Subcontractors and Suppliers.** Upon receipt of payment from the OWNER, the CONSTRUCTION MANAGER shall pay each of its subcontractors and suppliers out of the amount received by the CONSTRUCTION MANAGER on account of such subcontractor's or supplier's portion of the Work, the amount to which each entity is entitled, reflecting percentages actually retained from payments to the CONSTRUCTION MANAGER on account of such entity's portion of the Work. The OWNER shall have no obligation to pay, and shall not be responsible for payments to, the CONSTRUCTION MANAGER's subcontractors or suppliers. However, the OWNER reserves the right, but has no duty, to make payment jointly to the CONSTRUCTION MANAGER and to any of its subcontractors or suppliers in the event the OWNER becomes aware that the CONSTRUCTION MANAGER fails to pay or unreasonably withholds payment from one or more of those entities. Such joint check procedure, if employed by the OWNER, shall create no rights in favor of any person or entity beyond the right of the named payees to payment of the check and shall not be deemed to commit the OWNER to repeat the procedure in the future.

15.13 **Final Payment.** Prior to being entitled to receive final payment, and as a condition precedent thereto, the CONSTRUCTION MANAGER must achieve Final Completion of the Work and provide documents needed for final payment. The OWNER shall, subject to its rights set forth above in this Article, make final payment of all sums due the CONSTRUCTION MANAGER within fourteen (14) calendar days of a Professional's execution of a final approval for payment.

ARTICLE 16
SCHEDULE REQUIREMENTS

16.1 **Construction Schedule.** The Construction Schedule for the project shall include all pertinent dates and periods for timely completion of the Work.

16.1.1 Unless otherwise directed and approved by the OWNER, the CONSTRUCTION MANAGER shall prepare the Construction Schedule as a critical path schedule with separate divisions for each major portion of the Work or operations. The Construction Schedule shall include and properly coordinate dates for performance of all divisions of the Work, including completion of off-site requirements and tasks, so that the Work can be completed in a timely and orderly manner consistent with the required dates of Substantial Completion and Final Completion.

16.1.2 Any Construction Schedule shall include (i) the required Commencement Date, the required dates of Substantial Completion and Final Completion; (ii) any guideline and milestone dates required by the OWNER; (iii) any applicable subcontractor and supplier subschedules; (iv) a submittal schedule which allows sufficient time for review of documents and submittals; (v) the complete sequence of construction by activity, with dates for beginning and completion of each element of construction; and (vi) required decision dates.

16.1.3 By reviewing the Construction Schedule, the OWNER and Professional do not assume any of the CONSTRUCTION MANAGER's responsibility (i) that the Construction Schedule be coordinated or complete; or (ii) for timely and orderly completion by the required dates of Substantial Completion, Final Completion and any milestone dates required by the OWNER.

16.1.4 The CONSTRUCTION MANAGER shall review, on a weekly basis, the actual status of the Work against the Construction Schedule. The CONSTRUCTION MANAGER shall discuss the status of the Work weekly with the designated Professional, so that proper overall management may be provided.

16.1.5 The CONSTRUCTION MANAGER shall periodically and in all instances when the CONSTRUCTION MANAGER anticipates that performance of the Work will be delayed or in fact has been delayed, but not less frequently than monthly, prepare a revised Construction Schedule and show actual progress of the Work through the revision date, projected completion of each remaining activity, activities modified since previous submittal, major changes in scope, and other identifiable changes. The updated Construction Schedule shall be accompanied by a narrative report which (i) states and explains any modifications of the critical path schedule,

including any changes in logic; (ii) defines problem areas and lists areas of anticipated delays; (iii) explains the anticipated impact the problems and delays will have on the schedule and scheduled activities; (iv) reports corrective action taken or proposed; and (v) states how problems anticipated by projections shown on the schedule will be resolved to avoid delay in delivering the Work by the required dates of Substantial Completion and Final Completion, and other milestone dates required by the OWNER, if any.

16.1.6 The Contractor's initial Construction Schedule, developed during the Preconstruction Phase, must be attached as Exhibit "2" to **Appendix "I"**. In the event that the attached Construction Schedule does not strictly comply with this Paragraph, the OWNER does not waive, and specifically reserves, its right to require the CONSTRUCTION MANAGER's strict compliance with this Paragraph.

16.1.7 The receipt of the required updated Construction Schedule is a condition precedent to payment upon any application for payment. In addition, the CONSTRUCTION MANAGER agrees to provide an updated Construction Schedule which strictly complies with this Paragraph on or before ten (10) days after the OWNER's written request. Any submissions of the Construction Schedule hereunder must be in hard copy and electronic data file format, either in its native data format, or converted to a format requested by the OWNER.

16.1.8 In the event any updated Construction Schedule indicates any delays to the required Milestones or Completion Date, the CONSTRUCTION MANAGER shall propose an affirmative plan to recover from any delay to achieve the Milestones and Completion Date, including overtime and additional labor, if necessary. In no event shall any updated Construction Schedule or plan for recovery hereunder constitute notice, demand, or acceptance of an adjustment in the Contract Time, Contract Sum, any Milestone Date, or the Completion Date unless any such adjustment is agreed to by the OWNER and authorized pursuant to a Change Order as provided in the Agreement.

16.1.9 The OWNER may, but is not required to, review any Construction Schedule for, among other things, whether the schedule describes in a manner satisfactory to the OWNER, a reasonable and realistic progress of the Work that achieves the required Milestones and Completion Date. The OWNER may reject the Construction Schedule if the Construction Schedule fails to describe in a manner satisfactory to the OWNER, a reasonable and realistic progress of the Work that achieves the required Milestones and Completion Date, or, if the Construction Schedule indicates any delays to the required Milestones or Completion Date, whether the CONSTRUCTION MANAGER has provided a plan for recovery which describes in a manner satisfactory to the OWNER, a reasonable and realistic recovery that achieves the required Milestones and Completion Date. If the Construction Schedule is not accepted by the OWNER, the CONSTRUCTION MANAGER shall promptly revise the Construction Schedule in accordance with the reasonable recommendations of the OWNER and re-submit a revised updated Construction Schedule to the OWNER.

16.1.10 The CONSTRUCTION MANAGER shall monitor the progress of the Work for conformance with the requirements of the Construction Schedule and shall promptly advise the OWNER of any proposed change in the Construction Schedule or of any delays or potential delays in the Construction Schedule.

16.1.11 The CONSTRUCTION MANAGER shall engage such personnel and staff as are required to fulfill its requirements under this Section. At the very least, the CONSTRUCTION MANAGER shall staff the Project with one (1) scheduling manager who shall have, as his or her responsibility for the Project, the fulfillment of the CONSTRUCTION MANAGER's requirements hereunder. The manager shall be assigned to the Project for such hours per week as are required to achieve the CONSTRUCTION MANAGER's responsibilities hereunder and consistent with the conditions of the Project.

16.1.12 CONSTRUCTION MANAGER agrees to perform the Work in the manner, sequence and timing necessary to fully comply with the Construction Schedule or any updates thereof. CONSTRUCTION MANAGER will perform the Work diligently, expeditiously and with adequate resources to complete all the Work by the date determined in the Construction Schedule.

16.1.13 TIME IS OF THE ESSENCE WITH RESPECT TO EACH TERM OF THE CONSTRUCTION MANAGER'S PERFORMANCE OF THIS AGREEMENT. WITHOUT LIMITATION, ACHIEVEMENT OF EACH MILESTONE IN THE CONSTRUCTION SCHEDULE AND SUBSTANTIAL COMPLETION OF THE CONSTRUCTION OF THE WORK BY THE SUBSTANTIAL COMPLETION DATE, THE CONSTRUCTION MANAGER'S PERFORMANCE OF THE AGREEMENT PURSUANT TO THE CONSTRUCTION SCHEDULE, INCLUDING WITHOUT LIMITIATION, ACHIEVEMENT OF EACH MILESTONE IN THE CONSTRUCTION SCHEDULE AND SUBSTANTIAL COMPLETION OF THE CONSTRUCTION OF THE WORK BY THE COMPLETION DATE IS A CRITICAL AND MATERIAL REQUIREMENT OF THE CONSTRUCTION MANAGER'S PERFORMANCE OF THE WORK. THE CONSTRUCTION MANAGER ACKNOWLEDGES THAT THE ACHIEVEMENT OF SUBSTANTIAL COMPLETION OF THE WORK BY THE COMPLETION DATE IS A CRITICAL AND MATERIAL REQUIREMENT OF THE CONSTRUCTION MANAGER'S PERFORMANCE OF THE WORK, AGREES THAT THE WORK CAN BE PERFORMED BY THE COMPLETION DATE AND OTHERWISE AGREES TO USE ITS BEST EFFORTS TO PERFORM THE WORK TO ACHIEVE THE SUBSTANTIAL COMPLETION BY THE COMPLETION DATE.

16.2 Delay in Performance.

16.2.1 The CONSTRUCTION MANAGER expressly agrees to complete the work within the time specified. Upon request and approval as provided for in the Contract Documents, OWNER may grant an extension of the allowable Contract

Time when Work on the critical path is delayed by factors or impacts determined to be beyond the CONSTRUCTION MANAGER's control which could not have been reasonably anticipated or contemplated at the time bids for the Work were received. Extension of the Contract Time will not be granted for impacts or delays due to fault or negligence of the CONSTRUCTION MANAGER, or for reasonable anticipated adverse weather conditions. No claim for an extension of time for delays shall be considered unless notice is provided to the OWNER in writing within five (5) business days after commencement of each such occurrence stating the probable duration of the delay and unless the CONSTRUCTION MANAGER establishes by critical path method (CPM) analysis that the impact affects the critical path of the project and delays the planned Substantial Completion date of the Work.

16.2.2 The extension of time provided for in Paragraph 16.2.1 shall be the CONSTRUCTION MANAGER's sole remedy for any delay. The OWNER shall not be obligated or liable to the CONSTRUCTION MANAGER for, and the CONSTRUCTION MANAGER expressly waives any claims against the OWNER on account of, any damages, costs or expenses of any nature whatsoever which the CONSTRUCTION MANAGER, its subcontractors of any tier or any other person may incur as a result of any delays, interference, suspensions, rescheduling, changes in sequence, congestion, disruptions or the like, it being understood and agreed that the CONSTRUCTION MANAGER's sole and exclusive remedy in such event shall be an extension of the schedule as provided for above. Without limitation, the CONSTRUCTION MANAGER waives claims relating to damages, delay damages or time-related costs or damages, including, without limitation: (1) profit on the additional costs beyond those as allowed elsewhere in the documents; (2) loss of anticipated profit; (3) indirect expenses; (4) impact costs; (5) loss of productivity; (6) inefficiency costs; (7) home-office overhead; (8) consequential damages, including but not limited to, loss of bonding capacity, loss of bidding opportunities, and insolvency; and (9) legal fees, claims preparation, expenses, or costs of dispute resolution. However, this provision shall not preclude the recovery of damages by the CONSTRUCTION MANAGER for hindrances or delays due solely to fraud, bad faith or active interference on the part of the OWNER or the OWNER's Professional(s).

16.2.3 Claims relating to time shall be made in accordance with the applicable provisions of Chapter 3, Article 9.

16.2.4 In the event the CONSTRUCTION MANAGER is delayed through fraud, bad faith, or active interference of the OWNER or OWNER's Professional(s), or is delayed as a result of an OWNER's requested Change Order that impacts the critical path, then the CONSTRUCTION MANAGER shall be entitled to compensation in the same manner as set forth in Article 4 of Chapter 1 Additionally, in the event the CONSTRUCTION MANAGER's delay is deemed compensable by a court of competent jurisdiction, then the CONSTRUCTION MANAGER's compensation shall be in accordance of the procedures set forth in Article 4 of Chapter 1.

16.3 **Modifications to Time for Performance**. The CONSTRUCTION MANAGER shall determine and promptly notify the OWNER and the Professional(s) in writing when it believes adjustments to the required dates of Substantial Completion or Final Completion, or other milestone dates required by the OWNER, if any, are necessary, but no such adjustments shall be effective unless approved in writing by the OWNER and Professional(s).

16.4 **Early Completion**. The CONSTRUCTION MANAGER may attempt to achieve Substantial Completion before the required date of Substantial Completion. However, such planned early completion shall be for the CONSTRUCTION MANAGER's sole convenience and shall not create any additional CONSTRUCTION MANAGER's rights or OWNER obligations under this Agreement for Construction Management, nor shall it change the required dates of Substantial Completion or Final Completion. The OWNER shall not pay the CONSTRUCTION MANAGER any additional compensation for achievement of Substantial Completion or Final Completion prior to the required dates nor will the OWNER owe the CONSTRUCTION MANAGER any compensation should the OWNER cause the CONSTRUCTION MANAGER not to achieve Substantial Completion earlier than the required date of Substantial Completion or Final Completion earlier than the required date of Final Completion.

16.5 **Modification Substantial Completion or Final Completion Dates**. The CONSTRUCTION MANAGER may propose modifications to the required dates of Substantial Completion or Final Completion. The OWNER has the discretion to accept or reject such proposals. Any modification to these dates must be formalized through an authorized and accepted change order, explicitly stating the revised date(s). The change order must also specify that all references in this Agreement to the dates of Substantial Completion or Final Completion shall refer to the newly established dates. Consequently, all rights and obligations, including any liability of the CONSTRUCTION MANAGER for liquidated damages, will be based on the modified date(s).

16.6 **Document Submission for Review**. The CONSTRUCTION MANAGER shall provide documents to the OWNER and Professional(s) for review in accordance with the construction schedule detailed in **Appendix "I"**. Submissions must allow sufficient lead time to provide the OWNER and Professional(s) with a reasonable opportunity review, ensuring that all schedule requirements are met.

ARTICLE 17
LIQUIDATED DAMAGES

17.1 **Time of the Essence.** The parties hereto mutually understand and agree that time is of the essence in the performance of this Agreement for Construction Management and that the OWNER will incur damages if the Work is not completed on time. The CONSTRUCTION MANAGER shall at all times carry out its duties and responsibilities as expeditiously as possible and shall perform and complete its services so that (i) the Work progresses in accordance with the Construction Schedule; (ii) the Work is substantially completed by the required date of Substantial Completion; and (iii) the Work is finally complete by the date of Final Completion.

17.2 **Failure to Timely Achieve Completion.** The parties acknowledge that the OWNER will incur significant monetary and other damages if the CONSTRUCTION MANAGER fails to complete the work on time. If the CONSTRUCTION MANAGER, due to its own fault or neglect, fails to achieve Substantial Completion by the specified date in this Agreement, the CONSTRUCTION MANAGER shall pay the OWNER liquidated damages at the rate specified in Chapter 1 for each day of delay until Substantial Completion is achieved or the CONSTRUCTION MANAGER is terminated for default, whichever occurs first. If the CONSTRUCTION MANAGER is terminated for default, the OWNER reserves the right to recover damages separately for delays or impacts attributable to the CONSTRUCTION MANAGER's performance prior to termination. Similarly, if the CONSTRUCTION MANAGER fails to achieve Final Completion by the required date, liquidated damages, as outlined in Chapter 1, shall accrue for each day of unexcused delay.

17.3 **Excusable Delay**. If the CONSTRUCTION MANAGER is delayed in the progress or performance of the Work due to any of the following circumstances, such delays shall be considered an "excusable delay" and will entitle the CONSTRUCTION MANAGER to an extension of the Construction Schedule equal to the length of such delay provided: (i) such delay is not in any way caused by default or collusion on the part of the CONSTRUCTION MANAGER or by any cause which the CONSTRUCTION MANAGER could reasonably control or circumvent; (ii) the CONSTRUCTION MANAGER would have otherwise been able to timely perform all of its obligations under this Agreement for Construction Management but for such delay; and (iii) immediately but not later than seven (7) calendar days after the beginning of any such delay or after CONSTRUCTION MANAGER knows of the delay, the CONSTRUCTION MANAGER gives notice of its delay claim to the OWNER. Excusable delays include: (i) acts or omissions by the OWNER or Professional(s); (ii) changes ordered by the OWNER in the scope of Work; (iii) fire; (iv) unusual delays in transportation; (v) adverse unusual weather conditions not reasonably anticipated by the CONSTRUCTION MANAGER and material or labor shortages resulting therefrom; (vi) unavoidable casualties (including terrorism or acts of God); (vii) causes beyond the CONSTRUCTION MANAGER 's control which the OWNER agrees in writing are justifiable; or (viii) any other cause which the OWNER reasonably determines may justify the delay.

17.3.1. **Concurrent delays**. If delays are caused by a combination of factors, including both the CONSTRUCTION MANAGER's own actions or inactions and the aforementioned excusable delays, such delays are considered "concurrent delays." Concurrent delays are excusable but not compensable. This means that while the CONSTRUCTION MANAGER is entitled to an extension of time for these delays, they are not entitled to additional compensation for any extra costs resulting from the concurrent delays.

17.4 **OWNER's Right to Withhold Payment.** The OWNER may withhold payment to the CONSTRUCTION MANAGER if it reasonably believes that (i) Substantial Completion will be inexcusably delayed; or (ii) the CONSTRUCTION MANAGER will fail to achieve Final Completion by the date of Final Completion. The OWNER shall be entitled, but not required, to withhold an amount equal to the daily rate of liquidated damages specified in this Agreement for each calendar day of unexcused delay from any amounts otherwise due the CONSTRUCTION MANAGER.

17.4.1 Release of Withheld Funds. If the CONSTRUCTION MANAGER overcomes the delay and timely achieves Substantial Completion or Final Completion, or any part thereof, for which the OWNER had withheld payment, the OWNER shall promptly release to the CONSTRUCTION MANAGER the funds that were withheld but no longer applicable as liquidated damages.

17.4.2 Delay due to Labor Disputes. Delay caused by labor disputes, picketing, employee boycotts, or the like which directly or indirectly involves employees of the CONSTRUCTION MANAGER, its subcontractors or suppliers are not the responsibility of the OWNER. Such delays will only be considered for time extensions if agreed in writing by the OWNER at the time such events arise.

CONCEALED AND UNFORESEEN CONDITIONS

18.1.1 The conditions will be promptly investigated and, if they differ substantially and cause a material increase or decrease in the CONSTRUCTION MANAGER's cost of, or time required for, performance of the Work, compensation, or time for performance or both will be equitably adjusted.

18.1.2 All adjustments in compensation or extensions of time shall be by change order. From the date of observation of the changed conditions, the CONSTRUCTION MANAGER shall have (21) twenty-one days to make a request for a change order.

18.1.3 The CONSTRUCTION MANAGER's failure to notify the Professional(s) and OWNER as provided in this Article shall constitute a waiver of any claim arising out of or relating to such concealed or unknown condition.

ARTICLE 19

These parties shall have the right to audit, inspect, examine, review, and copy the CONSTRUCTION MANAGER's Project records. Such access shall be provided at the requesting party's reasonable expense and within a suitable workspace at the CONSTRUCTION MANAGER's facilities. If the CONSTRUCTION MANAGER fails to provide the requested documentation or records, including those from its subcontractors and suppliers, the OWNER reserves the right to disallow and withhold payment for any costs that cannot be substantiated with appropriate records. This means that any costs related to the incomplete documentation will not be reimbursed under this Agreement, ensuring that only properly documented expenses are considered for payment.

19.4 Public Records / Copyrights.

A. CONSTRUCTION MANAGER acknowledges OWNER's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. CONSTRUCTION MANAGER acknowledges that OWNER is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. Upon OWNER's request, CONSTRUCTION MANAGER shall provide OWNER with all requested public records in CONSTRUCTION MANAGER's possession, or shall allow OWNER to inspect or copy the requested records within a reasonable time and at a cost that does not exceed costs as provided under Chapter 119, Florida Statutes.

B. All electronic files, audio and/or video recordings, and all papers pertaining to any activity performed by the CONSTRUCTION MANAGER for or on behalf of the County shall be the property of the County and will be turned over to the County upon request. In accordance with Chapter 119, Florida Statutes, each file and all papers pertaining to any activities performed for or on behalf of the County are public records available for inspection by any person even if the file or paper resides in the contractor's office or facility. The CONSTRUCTION MANAGER shall maintain the files and papers for not less than three (3) complete calendar years after the project has been completed or terminated, or in accordance with any grant requirement, whichever is longer. Prior to the close out of the contract, the CONSTRUCTION MANAGER shall appoint a records custodian to handle any records request and provide the custodian's name and telephone numbers to the County.

C. Any copyright derived from this agreement shall belong to the author. The author and the CONSTRUCTION MANAGER shall expressly assign to the County nonexclusive, royalty free rights to use any and all information provided by the CONSTRUCTION MANAGER in any deliverable and/or report for the County's use which may include publishing in County documents and distribution as the County deems to be in the County's best interests. If anything included in any deliverable limits the rights of the County to use the information, the deliverable shall be considered defective and not acceptable, and the contractor will not be eligible for any compensation.

D. Pursuant to Section 119.0701, Florida Statutes, the CONSTRUCTION MANAGER shall comply with the Florida Public Records' laws, and shall:

(i) Keep and maintain public records that ordinarily and necessarily would be required by the OWNER in order to perform the services identified herein.

(ii) Provide the public with access to public records on the same terms and conditions that the OWNER would provide the records and at a cost that does not exceed the cost provided for by law.

(iii) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(iv) Meet all requirements for retaining public records and transfer, at no cost, to the OWNER all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the OWNER in a format that is compatible with the information technology systems of the OWNER.

All copies made under this license shall bear the statutory copyright notice, if any, shown on the documents.

20.2 **Disclosure of Information.** The CONSTRUCTION MANAGER shall not disclose any information it receives from the OWNER to any other person or entity except to the extent

necessary to allow it to perform its duties under this Agreement for Construction Management.

20.3 **Instructions to Employees.** Because it is difficult to separate proprietary and confidential information from that which is not, the CONSTRUCTION MANAGER shall instruct its employees and agents to regard all information which is not in the public domain as information which is proprietary and confidential, subject to uses permitted hereunder.

20.4 **Non-Publication.** Submission or distribution of documents to meet official regulatory requirements or for other required purposes in connection with the Project is not to be construed as publication in derogation of the OWNER's common law copyrights or other reserved rights.

CONSTRUCTION MANAGER shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains adequate insurance, until the completion of their respective services, to protect the interests of OWNER and CONSTRUCTION MANAGER. At a minimum, this will include Workers' Compensation, Commercial General Liability, and Business Auto Liability to the limits required of CONSTRUCTION MANAGER in Appendix D and E. Sub-vendors or subcontractors providing professional services under this Agreement, if any, shall also be required to carry adequate Professional Liability insurance.

21.1.2. Neither approval by OWNER nor failure by OWNER to disapprove the insurance furnished by CONSTRUCTION MANAGER will relieve CONSTRUCTION MANAGER of its full responsibility for liability, damages, and accidents.

21.1.3. Neither OWNER's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONSTRUCTION MANAGER in accordance with this Section, nor OWNER's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONSTRUCTION MANAGER.

21.1.4. If OWNER elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then CONSTRUCTION MANAGER shall promptly provide to OWNER such additional information as OWNER may reasonably request, and

CONSTRUCTION MANAGER shall remedy any deficiencies in the policies of insurance within ten (10) days.

21.1.5. OWNER's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of OWNER to exercise this authority for the benefit of CONSTRUCTION MANAGER or any other party.

21.2 **General Requirements**.

21.2.1. Before commencing Work, CONSTRUCTION MANAGER shall furnish OWNER with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and the applicable Appendix, either Appendix D (Preconstruction Insurance Requirements), or Appendix E (Construction Insurance Requirements) and including the following as Certificate Holder:

Until such time as the insurance is no longer required to be maintained, CONSTRUCTION MANAGER shall provide OWNER with a renewal or replacement Certificate of Insurance within ten (10) days after the expiration or replacement of the insurance for which a previous certificate has been provided.

21.2.2. In addition to providing the Certificate of Insurance, upon request of the OWNER, CONSTRUCTION MANAGER shall provide OWNER with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Certified copies of policies may only be provided by the Insurer, not the agent or broker.

21.2.3. Deductible and self-insured retention amounts must be declared to and approved by OWNER and must be reduced or eliminated upon written request from OWNER. The risk of loss within the deductible amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by CONSTRUCTION MANAGER.

21.2.4. The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer for all General Liability, Auto Liability, Employers' Liability, and Umbrella Liability coverages.

21.2.5. In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to OWNER and OWNER shall apportion the proceeds between OWNER and CONSTRUCTION MANAGER as their interests may appear.

21.2.6. Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, Business Auto Liability, and Pollution Liability. Such policies shall provide exception to any "Insured versus Insured" exclusion for claims brought by or on behalf of Additional Insureds.

21.2.7. Coverage: The insurance provided by CONSTRUCTION MANAGER pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or OWNER's officials, officers, or employees must be in excess of and not contributing with the insurance provided by CONSTRUCTION MANAGER.

21.2.8. Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida and its respective officials, officers, and employees. This Waiver of Subrogation requirement does not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the Named Insured enter into such an agreement on a pre-loss basis.

21.2.9. Provision: Commercial General Liability and Umbrella Liability Policies required by this Agreement must be provided on an occurrence rather than a claims-made basis.

21.3 Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements:

(i) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Florida Office of Insurance Regulation to conduct business in the State of Florida, or (b) with respect only to the coverage required by this agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes (2023), as this statute may be amended from time to time.

notify OWNER as soon as CONSTRUCTION MANAGER has knowledge of any such circumstance and, upon request of OWNER, immediately replace the insurance coverage provided by the insurance company with a different insurance company meeting the requirements of this Agreement. Until such time as CONSTRUCTION MANAGER has replaced the unacceptable insurer with an insurer acceptable to the OWNER, CONSTRUCTION MANAGER will be deemed to be in default of this Agreement.

21.4 Specifications. Without limiting any of the other obligations or liabilities of CONSTRUCTION MANAGER, CONSTRUCTION MANAGER, at CONSTRUCTION MANAGER's sole expense, shall procure, maintain, and keep in force amounts and types of insurance conforming to the minimum requirements set forth in the applicable Appendix, either Appendix D (Preconstruction Insurance Requirements), or Appendix E (Construction Insurance Requirements). ARTICLE 23
OWNER'S RIGHT TO STOP WORK OR RIGHT TO CARRY OUT WORK

23.1 **Cease and Desist Order.** If the CONSTRUCTION MANAGER fails or refuses to perform the Work or correct defective Work as required, or persistently fails to carry out the Work in accordance with this Agreement, the OWNER may issue a written notice, ordering the CONSTRUCTION MANAGER to cease and desist any portion of the Work until the issue is resolved to the OWNER's satisfaction. Upon receipt of such notice, the CONSTRUCTION MANAGER must immediately stop the specified Work and not resume until the OWNER provides authorization.

23.1.1 The CONSTRUCTION MANAGER shall not be entitled to an adjustment in the time for performance or the Construction Price under this clause since such stoppages are considered to be the fault of the CONSTRUCTION MANAGER.

23.1.2 The OWNER's right to stop Work does not impose any duty on the OWNER to exercise this right for the benefit of the CONSTRUCTION MANAGER or others.

23.1.3 If the OWNER issues a written cease and desist order and the CONSTRUCTION MANAGER fails, within seven (7) calendar days, to provide adequate assurance that the cause of the order will be resolved, the OWNER may proceed to carry out the Work in accordance with Paragraph 23.2, using its own forces, or those of another contractor, with the CONSTRUCTION MANAGER being responsible for the cost of performing such Work.

23.1.4 The rights detailed herein are additional to, and do not limit, any other rights or remedies the OWNER may have against the CONSTRUCTION MANAGER.

23.2 **Right to Carry Out Work.** If the CONSTRUCTION MANAGER defaults or neglects to perform the Work according to the Contract Documents and fails to commence and continue correction of such default or neglect within seven (7) days of receiving the OWNER's notice as set forth in Paragraph 23.1.3, the OWNER may issue a second written notice. The second notice shall require correction of the deficiencies withing three (3) days of receipt. If the CONSTRUCTION MANAGER does not correct the deficiencies, the OWNER may, without prejudice to other remedies available to the OWNER, correct the deficiencies and issue a Change Order deducting the reasonable costs of corrections, including OWNER's expenses and compensation for additional services by the Professional, from the Contract Price. Such action by the OWNER and charges are subject to the Professional's prior approval. If payments due to the CONSTRUCTION MANAGER are insufficient to cover these costs, the CONSTRUCTION MANAGER must pay the difference to the OWNER.

ARTICLE 24 TERMINATION OR SUSPENSION OF AGREEMENT FOR CONSTRUCTION MANAGEMENT

24.1 Termination for Cause by OWNER.

24.1.1 For purposes of this Agreement, "Termination for Cause" refers to the OWNER's right to terminate this Agreement for Construction Management if the CONSTRUCTION MANAGER materially breaches the Agreement. As such, the CONSTRUCTION MANAGER materially breaches this Agreement by:

(i) Failing or refusing to properly manage or perform the Project;

(ii) Failing or refusing to supply sufficient skilled workers, proper materials, or maintain applicable schedules;

(iii) Failing or refusing to make prompt payment to subcontractors or suppliers;

(iv) Disregarding laws, ordinances, rules, regulations or orders of any authority or authority having jurisdiction over the Project;

(v) Failing or refusing to substantially perform in accordance with this Agreement for Construction Management, as determined by the OWNER, or as otherwise defined herein; or

(vi) Failing or refusing to substantially perform in accordance with any other agreement between the OWNER and CONSTRUCTION MANAGER.

24.1.2 Upon identifying a breach, the OWNER will issue a written notice specifying the nature of the default and requesting that the CONSTRUCTION MANAGER cure the default within seven (7) calendar days from the date of the notice. If the CONSTRUCTION MANAGER fails to initiate or diligently continue the cure, the OWNER may issue a subsequent written notice requiring the default be cured within three (3) calendar days. If the breach remains, the OWNER may notify the CONSTRUCTION MANAGER in writing of its intent to immediately terminate this Agreement, and the OWNER, without prejudice to any other rights or remedies, undertake the following actions:

(i) Complete all or any part of the Work, including supplying workers, material and equipment which the OWNER deems expedient to complete the Work;

(ii) Contract with others to complete all or any part of the Work, including supplying workers, material, and equipment which the OWNER deems expedient to complete the Work;

(iii) Take such other action as is necessary to correct such failure;

(iv) Take possession of all materials, tools, construction equipment and machinery on the Site owned or leased by the CONSTRUCTION MANAGER that were purchased for and intended to become a part of the

Project. For leased equipment, the CONSTRUCTION MANAGER shall facilitate the continued use of the equipment or promptly secure a suitable substitute to prevent delays to the Project;

(v) Directly pay the CONSTRUCTION MANAGER's subcontractors and suppliers compensation due to them from the CONSTRUCTION MANAGER;

(vi) Finish the Work by whatever method the OWNER may deem expedient; and/or

(vii) Require the CONSTRUCTION MANAGER to assign the CONSTRUCTION MANAGER's right, title, and interest in any or all of CONSTRUCTION MANAGER's subcontracts or orders to the OWNER.

24.1.3 If the OWNER takes possession of all materials, tools, construction equipment and machinery on the Site owned or leased by the CONSTRUCTION MANAGER as a result of OWNER's decision to terminate for cause, the CONSTRUCTION MANAGER's will be fairly compensated either through purchase or rental at the election of the OWNER. Compensation, however, is subject to the OWNER's right to recover damages resulting from the termination.

24.1.4 If the OWNER terminates this Agreement for Construction Management for Cause, and it is subsequently determined by a court of competent jurisdiction that such termination was without cause, then in such event, said termination shall be deemed a termination for convenience.

24.2 **Termination Due to Unavailability of Funds.** When funds are not appropriated or otherwise made available to support continuation of performance under this Agreement for Construction Management, the CONSTRUCTION MANAGER will be promptly notified in writing and the Agreement shall be cancelled. The CONSTRUCTION MANAGER shall be reimbursed for the reasonable non-recurring costs incurred not amortized and for any fees earned on those costs. This includes prices of the goods or services delivered under this Agreement and reasonable documented demobilization costs.

24.3 **Termination or Suspension for Convenience.** The OWNER may at any time give written notice to the CONSTRUCTION MANAGER terminating this Agreement for Construction Management or suspending the Project, in whole or in part, for the OWNER's convenience and without cause ("Termination for Convenience"). If the OWNER suspends the Project for Convenience, the CONSTRUCTION MANAGER shall immediately reduce its staff, services and outstanding commitments in order to minimize the cost of suspension. If the OWNER terminates for Cause, and it is subsequently determined that the grounds for the cause did not exist, the Termination for Cause shall be deemed a Termination for Convenience pursuant to this clause, effective from the original Termination for Cause notice date.

24.4 **CONSTRUCTION MANAGER's Compensation Upon Termination for Cause or Convenience.** If this Agreement for Construction Management is (i) terminated by the OWNER for Cause or Convenience, or (ii) suspended by the OWNER for more than three

(3) months, the OWNER shall only pay the CONSTRUCTION MANAGER for work actually and satisfactorily performed prior to the effective termination date, the fee earned through termination as well as a portion of the fee earned through the date of termination.

24.4.1 Compensation shall be limited to reasonable costs incurred in performing the work up to the date of termination, excluding any overhead or profit associated with unperformed work or anticipated profit.

24.4.2 The CONSTRUCTION MANAGER shall also be reimbursed for reasonable costs incurred in settling and paying claims arising out of the termination of subcontracts or supplier orders, excluding amounts that are covered under other provisions of this Agreement. Reasonable costs for this purpose shall include:

(i) Actual costs paid: the amounts actually paid to subcontractors or suppliers to settle claims, provided that these amounts are consistent with the original terms of the subcontracts or supplier orders;

(ii) Verification of Claims: Costs will be considered reasonable only if they are substantiated with documentation, such as invoices, receipts, or payment records, demonstrating that the claimed amounts were necessary and directly related to the terminated portion of the Work;

(iii) Mitigation of Cost: The CONSTRUCTION MANAGER must demonstrate that efforts were made where possible, such as negotiating lower settlement amounts or canceling orders without penalty;

(iv) Exclusion of Profit on Settled Claims: The CONSTRUCTION MANAGER shall not include any overhead, profit, or markup on settled claims. Only the actual amounts paid to third parties to discharge the claims will be considered; and

(v) Approval by OWNER: All claimed costs must be reviewed and approved by OWNER or an appointed representative. The OWNER reserves the right to audit or require additional justification for any costs deemed excessive or unrelated to the termination.

24.5 **CONSTRUCTION MANAGER's Compensation When OWNER Terminates for Cause.** If the OWNER terminates this Agreement for Construction Management for Cause, the CONSTRUCTION MANAGER shall be paid for all Work performed in compliance with the project specifications and accepted by the OWNER through the date of termination, less any costs, damages, or expenses incurred by the OWNER as a result of the CONSTRUCTION MANAGER's default, including applicable liquidated damages. No further payments shall be made until the OWNER determines all outstanding claims, costs, damages resulting from the termination, whether through settlement, litigation, or other resolution. Additionally, the CONSTRUCTION MANAGER shall reimburse the OWNER for any additional costs or expenses incurred as a result of the default.

24.6 **Limitation in Termination Compensation.** Regardless of the reason for termination, the total amount payable to the CONSTRUCTION MANAGER shall not exceed the adjusted

Contract Construction Price, minus any payments already made and penalties or deductions incurred under this Agreement. Payments will not include any duplication of compensation.

24.7 **CONSTRUCTION MANAGER's Responsibility Upon Termination.** Irrespective of the reason for termination or the party terminating, if this Agreement for Construction Management is terminated, the CONSTRUCTION MANAGER shall, unless notified otherwise by the OWNER:

24.7.1 Immediately stop work to the extent requested and ensure the site and structures are made safe;

24.7.2 Terminate or assign outstanding orders and subcontracts to OWNER, if requested;

24.7.3 Settle any liabilities and claims arising from the termination of subcontracts and orders; and

24.7.4 Transfer title and deliver to the OWNER such completed or partially completed Work, and, if paid for by the OWNER, materials, equipment, parts, fixtures, information, and such contract rights as the CONSTRUCTION MANAGER has.

24.8 **Lack of Duty to Terminate.** The right of either party to terminate or suspend the Work, as provided herein, shall not impose an obligation on the terminating party to exercise such right for the benefit of the other party or any third parties. Neither the OWNER or the CONSTRUCTION MANAGER shall be required to terminate or suspend the Agreement solely for the benefit of the other party or to avoid potential claims or disputes arising from such termination or suspension. The decision to terminate or suspend the Agreement remains at the sole discretion of the party exercising such right.

24.9 **Limitation on Termination Claim.** If the CONSTRUCTION MANAGER does not submit a claim for termination compensation within one (1) year from the effective date of termination, the OWNER shall only be liable for payment for services actually performed and expenses actually incurred up to the termination date. Any claims submitted after this one-year period shall not be considered, and the OWNER shall have no further liability beyond what is due for work completed and expenses incurred before termination.

ARTICLE 25
APPLICABLE LAW AND DISPUTE RESOLUTION

25.1 **Applicable State Law.** This Agreement for Construction Management shall be deemed to be entered into in and shall be interpreted under the laws of the state of Florida.

25.2 **Court Actions.** Except as expressly prohibited by law:

25.2.1 All legal actions hereunder shall be conducted only in state court or federal court districts where the Project is located and having subject matter jurisdiction over the matter in controversy except that any final judgment may be enforced in other jurisdictions in any manner provided by law;

25.2.2 The choice of jurisdiction and venue described in the preceding paragraph shall be mandatory and not permissive in nature, thereby precluding the possibility of litigation or trial in any jurisdiction or venue other than that specified herein;

25.2.3 The parties waive any right to assert the doctrine of *forum non conveniens* or to object to venue; and

25.2.4 The parties waive any right to a jury trial, and agree that all legal actions shall be tried, both as to factual and legal issues, only to the Court.

25.3 **Mutual Discussion.** In case of any dispute, claim, question or disagreement, arising from or relating to the Project or arising out of this Agreement for Construction Management or the breach thereof, the parties shall first attempt resolution through mutual discussion.

25.4 **Facilitative Mediation.** If the parties cannot resolve any dispute, claim, question, or disagreement arising from or relating to the Project or arising out of this Agreement for Construction Management or the breach thereof through mutual discussion, the parties shall in good faith participate in private, non-binding facilitative mediation seeking a just and equitable solution satisfactory to all parties. In the event that mediation pursuant to this section was not conducted within six (6) months prior to the initiation of any Court Action or litigation of any dispute, claim, question, or disagreement hereunder, the parties shall participate in the mediation described herein of the issues described in the Court Action or litigation within three (3) months of the initiation of any such Court Action or litigation.

25.4.1 All parties to a mediation shall promptly provide all other parties to the mediation with copies of essential documentation relevant to the support or defense of the matter being mediated.

25.4.2 The parties shall not be required to mediate for a period greater than ninety-one (91) calendar days unless otherwise agreed to in writing by the parties. The parties shall share equally any administrative costs and fees of such proceedings but shall each be responsible for their own expenses otherwise incurred.

25.4.3 In the event that the statute of limitations would run during the required mediation period, either party may institute litigation so as to avoid the running of such statute upon the condition that such party immediately seek a stay of such litigation pending the conclusion of the mediation period.

25.4.4 During the course of mediation, any party to the mediation may apply for injunctive relief from any court of competent jurisdiction until the mediation period expires or the dispute is otherwise resolved.

25.4.5 The OWNER, the Professional(s), the CONSTRUCTION MANAGER, and any other parties involved in any way in the design or construction of the Project are each required to engage in mediation before initiating any litigation. This obligation applies to any party that has signed this Agreement for Construction Management, an agreement incorporating this Agreement by reference, or any other related agreement mandating mediation. Each party agrees to be joined in

mediation with other parties under any such agreement. If multiple mediations are commenced under these agreements and any party asserts that the mediations are substantially related, the mediations may be consolidated and conducted by the mediator selected in the earliest-commenced mediation.

25.5 **Conflicting Dispute Resolution Provisions.** Neither party to this Agreement for Construction Management shall enter into any contract with regard to the Project which directly or indirectly gives the right to resolve any dispute with, involving, or affecting the other to any other person or legal entity which is in conflict with the dispute resolution procedures required by this Article.

25.6 **Arbitration Preclusion.** In case of a dispute relating to the Project, or arising out of this Agreement for Construction Management, no party to this Agreement for Construction Management shall be required to participate in or be bound by, any arbitration proceedings.

25.7 **Performance During Dispute Resolution.** The OWNER and the CONSTRUCTION MANAGER agree that pending the resolution of any dispute, controversy, or question, the OWNER and the CONSTRUCTION MANAGER shall each continue to perform their respective obligations without interruption or delay, and the CONSTRUCTION MANAGER shall not stop or delay the performance of the Work as long as CONSTRUCTION MANAGER continues to be paid for undisputed amounts.

25.8 **Claims and Disputes.**

25.8.1 For purposes of this Agreement for Construction Management, a claim is a demand by one of the parties seeking an adjustment or interpretation of the Contract Documents, Contract Price, Contract Time, or seeking resolution to other disputes or matters in question between the OWNER and the CONSTRUCTION MANAGER. Claims must be initiated by written notice to the Professional and any other party within twenty-one (21) calendar days after reasonably recognizing that the event giving rise to the claim has or will have a cost or schedule impact, unless another provision of this Agreement for Construction Management sets a different time. Pending final resolution of a claim, except as otherwise agreed to in writing executed by the parties, the CONSTRUCTION MANAGER shall proceed diligently with performance of the Agreement for Construction Management and the OWNER shall continue to make payments in accordance with the Contract Documents. A claim shall be filed in accordance with this paragraph if the CONSTRUCTION MANAGER believes that additional cost is involved for reasons including but not limited to (i) a written interpretation from the Professional; (ii) an order by the OWNER to stop the Work where the CONSTRUCTION MANAGER was not at fault; (iii) a written order for a minor change in the Work issued by the Professional; (iv) failure of payment by the OWNER; (v) termination of this Agreement for Construction Management by the OWNER; (vi) OWNER's suspension; or (vii) other reasonable grounds.

25.8.2 Claims shall be referred initially to the Professional for decision. An initial decision by the Professional shall be required as a condition precedent to mediation, arbitration, or litigation of all claims between the CONSTRUCTION MANAGER

and the OWNER, unless thirty (30) calendar days have passed after the claim has been referred to the Professional with no decision having been rendered by the Professional. The Professional shall not decide disputes between the CONSTRUCTION MANAGER and persons or entities other than the OWNER.

25.8.3 The Professional shall review claims within ten (10) calendar days of receipt and shall either (i) request additional supporting data from the claimant or a response with supporting data from the other party, to be submitted to the Professional within ten (10) calendar days of receipt of the request; (ii) reject the claim in whole or in part; (iii) approve the claim; (iv) suggest a compromise; or (v) advise the parties that the Professional is unable to resolve the claim. The Professional shall have the option to seek information from or consult with either party or other persons with special knowledge who may assist the Professional in rendering a decision. The Professional may also retain other persons as necessary with prior written approval of the OWNER and at the OWNER's expense.

25.8.4 The Professional shall issue a written decision on any claim, including the reasons for the decision and any resulting changes to the Contract Price or Time. After the Professional renders the decision, the parties have thirty (30) calendar days to request mediation. If mediation is not requested within this period, the Professional's decision will be considered final and binding on both the OWNER and the CONSTRUCTION MANAGER.

25.8.5 Upon receiving a claim against the CONSTRUCTION MANAGER, the Professional or the OWNER may, but is not obligated to, notify the surety, if any, of the nature and amount of the claim. If the claim relates to the possibility of the CONSTRUCTION MANAGER's default, the Professional or the OWNER may, but is not obligated to, notify the surety and request the surety's assistance in resolving the controversy.

ARTICLE 26
DAMAGES AND REMEDIES

26.1 **CONSTRUCTION MANAGER's Repair.** The CONSTRUCTION MANAGER shall, at its expense, promptly correct, repair, or replace all goods, products, materials, systems, labor and services which do not comply with the warranties and guarantees set forth in this Agreement, or any other applicable warranty or guarantee.

26.2 **CONSTRUCTION MANAGER's Reimbursement.** The CONSTRUCTION MANAGER shall promptly reimburse the OWNER for any expenses or damages incurred by the OWNER as a result of (i) the CONSTRUCTION MANAGER's failure to substantially perform in accordance with the terms of this Agreement for Construction Management; (ii) deficiencies or conflicts in the Construction Documents directly attributable to the CONSTRUCTION MANAGER or of which the CONSTRUCTION MANAGER was or should have been reasonably aware; (iii) breach of the warranties and guarantees set forth in this Agreement for Construction Management or any other applicable warranty or guarantee; or (iv) other acts or omissions of the CONSTRUCTION MANAGER.

26.3 **General Indemnity.** To the fullest extent permitted by law the CONSTRUCTION MANAGER shall hold harmless, indemnify, and, to the extent applicable, defend the OWNER, its officers, employees, and agents from and against any and all claims, damages, demands, suits, liabilities, losses, costs, fees and expenses (including reasonable attorney's fees and expert witness fees), t o the extent caused by negligence, intentional wrongful acts, or breach of this Agreement by the CONSTRUCTION MANAGER or by the CONSTRUCTION MANAGER's subcontractors, suppliers, or their agents, employees, or servants, arising out of or resulting from the performance of the Work. This obligation extends to claims arising from bodily injury, sickness, death, or property damage (except to the Work itself but including loss of use) caused by the acts or omissions of the CONSTRUCTION MANAGER. The CONSTRUCTION MANAGER's obligations under this Article shall not extend to the liability of OWNER, the Professional(s), their consultants, or their agents and employees.

26.3.1 To the fullest extent permitted by law, the CONSTRUCTION MANAGER, on behalf of itself and its subcontractors and suppliers, and their respective agents, employees, and servants, expressly waives any and all statutory or common law immunity or damage limitations under workers' compensation, disability benefits, or similar statutes. This waiver ensures that such statutory limitations do not reduce or restrict the indemnification obligations set forth in this provision.

26.4 **Intellectual Property Indemnity.** To the fullest extent permitted by law, the CONSTRUCTION MANAGER shall hold harmless, and indemnify the OWNER and the OWNER's Related Parties from and against any and all liability, loss, claims, damages, losses, and expenses (including reasonable attorneys' fees and expert witnesses fees), to the extent caused by the CONSTRUCTION MANAGER's infringement of patent rights, copyrights, or other intellectual property rights, except with respect to designs, processes or products of a particular manufacturer expressly required by the OWNER or Professional(s) in writing. If the CONSTRUCTION MANAGER has reason to believe the use of a required design, process or product is an infringement of a patent, the CONSTRUCTION MANAGER shall be responsible for such loss unless such information is promptly given to the OWNER.

26.5 **Non-Exclusivity of OWNER's Remedies.** The OWNER's choice of any remedy for breach of this Agreement shall not limit or preclude the OWNER from pursuing any other remedy available under this Agreement or by law. Remedies specified in this Agreement are cumulative and not exclusive of any other legal remedies, unless expressly excluded. For delays, the OWNER's sole remedy is limited to liquidated damages as outlined in this Agreement.

26.6 **Waiver of Damages.** The CONSTRUCTION MANAGER and OWNER mutually waive any claims for, and shall not be entitled to, damages related to lost profits, lost business opportunities, unabsorbed overhead, or any indirect or consequential damages.

26.7 **Interest.** The OWNER shall be entitled to interest on any amount due from the CONSTRUCTION MANAGER that remain unpaid for (30) thirty days after they are deemed due, whether resulting from a dispute resolution or otherwise. Interest shall be calculated in accordance with the method set forth in Paragraph 15.8 of this Chapter.

ARTICLE 27
MISCELLANEOUS PROVISIONS

27.1 **Integration.** This Agreement for Construction Management represents the entire and integrated agreement between the OWNER and the CONSTRUCTION MANAGER, and supersedes all prior negotiations, representations, or agreements, either written or oral, for the Project. This Agreement for Construction Management may be amended only by written instruments signed by both the OWNER and the CONSTRUCTION MANAGER and is subject to such reasonable modifications as may be required by the OWNER's lender(s) or insurer(s), if any.

27.2 **Severability.** If any provision of this Agreement for Construction Management, or the application thereof, is determined to be invalid or unenforceable, the remainder of that provision and all other provisions shall remain valid and enforceable.

27.3 **Waiver.** No provision of this Agreement for Construction Management may be waived except by written agreement of the parties. A waiver of any provision on one occasion shall not be deemed a waiver of that provision on any subsequent occasion, unless specifically stated in writing. A waiver of any provision shall not affect or alter the remaining provisions of this Agreement for Construction Management. Furthermore, no action or failure to act by the OWNER, Professional, or CONSTRUCTION MANAGER shall constitute a waiver of a right or duty afforded them under this Agreement for Construction Management, nor shall such action or failure to act constitute approval of or acquiescence in a breach thereunder, except as may be specifically agreed to in writing.

27.4 **Strict Compliance.** The OWNER's failure to enforce strict compliance with any provision of this Agreement does not release, modify, or affect the CONSTRUCTION MANAGER's obligations under this Agreement.

27.5 **Third-Party Beneficiaries.** This Agreement for Construction Management is for the sole benefit of the parties involved and their respective successors and assigns. Except as explicitly stated in this Agreement, it does not create any rights or causes of action for any third party against either the OWNER or the CONSTRUCTION MANAGER.

27.6 **Survival.** All provisions of this Agreement for Construction Management which contain continuing obligations shall survive its expiration or termination.

27.7 **Assignment.** Except as prohibited by applicable law, neither party may assign any part of its benefits or obligations under this Agreement without the written consent of the other party. Exceptions to this requirement include assignments for security purposes, assignments by the OWNER to a related Party of OWNER, or assignments in the event of default as specifically provided in this Agreement. Both the OWNER and the CONSTRUCTION MANAGER bind their successors and assigns to the other party to this Agreement for Construction Management.

27.8 **Execution of Documents**. Upon the OWNER's request, the CONSTRUCTION MANAGER shall execute any documents required by the OWNER's lender. These documents will affirm that, in the event of a default by the OWNER under a construction

loan agreement, the CONSTRUCTION MANAGER will complete the services required under this Agreement provided that the lender meets the OWNER's obligations to the CONSTRUCTION MANAGER as specified in this Agreement for Construction Management.

27.9 **Public Entity Crimes.** A person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

27.10 **Prohibition Against Contingent Fees.** CONSTRUCTION MANAGER warrants that they have not employed or retained any company or person, other than a bona fide employee working solely for the CONSTRUCTION MANAGER to solicit or secure this Contract and that they have not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the CONSTRUCTION MANAGER, any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Agreement.

The CONSTRUCTION MANAGER shall be responsible for subcontractors and their insurance. Subcontractors are to provide certificates of insurance to the CONSTRUCTION MANAGER evidencing coverage and terms in accordance with the CONSTRUCTION MANAGER's requirements.

All self-insured retentions shall appear on the certificate(s) and shall be subject to approval by the County. At the option of the County, the insurer shall reduce or eliminate such self-insured retentions; or the vendor shall be required to procure a bond guaranteeing payment of losses and related claims expenses.

The County shall be exempt from, and in no way liable for, any sums of money, which may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the vendor and/or subcontractor providing such insurance.

Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the Agreement for default.

Neither approval by the County of any insurance supplied by the vendor, nor a failure to disapprove that insurance, shall relieve the vendor of full responsibility of liability, damages, and accidents as set forth herein.

The sum shall not be less than one hundred percent (100%) of the Contract Price.

COUNTY's telephone number is (407) 665-7116. THE CONDITION OF THIS OBLIGATION is such that whereas, the Principal entered into a certain Agreement with COUNTY, dated the _____ day of _____, 20__, a copy of which is hereto attached and made a part hereof for the construction of: _____

Legal Description of Property:

General description of the Work: The CONTRACTOR is responsible for all labor, materials, equipment, coordination, and incidentals necessary for _____ _____.

This Bond is being entered into to satisfy the requirements of Section 255.05, Florida Statues, and the Agreement referenced above, as the same may be amended.

NOW, THEREFORE, the condition of this obligation is such that if Principal:

1. Promptly and faithfully performs its duties, all the covenants, terms, conditions, and agreements of said Agreement including, but not limited, to the guaranty period and the warranty provisions, in the time and manner prescribed in the Agreement; and

2. Pays COUNTY all liquidated damages, losses, damages, delay damages, expenses, costs, and attorney's fees, including costs and attorney's fees on appeal that COUNTY sustains resulting from any breach or default by Principal under the Agreement

then this bond is void; otherwise it shall remain in full force and effect.

The coverage of this Performance Bond is co-equal with each and every obligation of the Principal under the above-referenced Agreement and the Contract Documents of which the Agreement is a part except that the coverage of the Performance Bond is limited to 100 percent of the Contract Price.

In the event that the Principal shall fail to perform any of the terms, covenants, and conditions of the Agreement and the Contract Documents of which the Agreement is a part during the period in which this Performance Bond is in effect, the Surety shall remain liable to COUNTY for all such direct loss or damage (including reasonable attorney's fees and costs and attorney's fees and costs on appeal) resulting from any failure to perform, up to 100 percent of the Contract Price and for Indirect damages as determined by COUNTY up to an additional twenty percent (20%) over the adjusted Contract Price.

In the event that the Surety fails to fulfill its obligations under this Performance Bond, then the Surety shall also indemnify and hold COUNTY harmless from any and all loss, damage, cost, and expense, including reasonable attorney's fees and costs for all trial and appellate proceedings, resulting from the Surety's failure to fulfill its obligations hereunder up to 100 percent of the Contract Price.

The Surety stipulates and agrees that its obligation is to perform the Principal's Work under the Agreement under the Bond. The following preventative options by the Surety are encouraged; however, preventative options shall not be considered under the Bond: (i) Surety's financing of the Principal to keep Principal from defaulting under the Contract Documents; and (ii) Surety's offers to COUNTY to buy back the Bond. The Surety agrees that its obligation under the bond is to: (i) take over performance of the Principals' Work and be the completing Surety even if performance of the Principal's Work exceeds the adjusted Principals' Contract Price; or (ii) re-bid and re-let the Principals' Work to a completing contractor with Surety remaining liable for the completing contractor's performance of the Principal's Work and furnishing adequate funds to complete the Work. The Surety acknowledges that its cost of completion upon default by the Principal may exceed the Contract Price. In any event, the Principal's Contract Time is of the essence and applicable delay damages are not waived by COUNTY.

The Surety, for value received, hereby stipulates and agrees that its obligations hereunder shall be direct and immediate and not conditional or contingent upon COUNTY's pursuit of its remedies against Principal, however, such obligation shall only arise upon a declaration of default of the Principal and shall remain in full force and effect notwithstanding (i) amendments or modifications to the Agreement entered into by COUNTY and Principal without Surety's knowledge or consent; and (ii) the discharge of Principal as a result of any proceeding initiated under the Bankruptcy Code of

1978, as the same maybe amended, or any similar state or federal law, or any limitations of the liability of Principal or its estate as a result of any such proceeding.

Any changes in or under the Agreement and Contract Documents and compliance or noncompliance with any formalities connected with the Agreement or the changes therein shall not affect Surety's obligations under this Bond and Surety hereby waives notice of any such changes. However, in the event Change Orders (unilateral or directive change orders and bilateral change orders) or other modifications to the Agreement and Contract Documents are executed exceeding 110 percent of the contract price, the Surety shall be notified by COUNTY of such increased by COUNTY, and the Principal shall be required to increase the sum of the Bond to be commensurate with the increased Contract Price.

The Performance Bond and the Payment Bond and the covered amounts of each are separate and distinct from each other.

This Performance Bond is intended to comply with the requirements of Section 255.05, Florida Statutes, as amended, and additionally, to provide contract rights more expansive than as required by statute.

contained in the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. Required materials and services will be specifically enumerated, described, and depicted in the Purchase Orders authorizing purchase of specific materials and services. This Agreement standing alone does not authorize the purchase of materials and services or require COUNTY to place any orders for work.

Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and continues for a period of one (1) year, or until project completion. Expiration of the term of this Agreement will have no effect upon Purchase Orders issued pursuant to this Agreement and prior to the expiration date. Obligations entered by both parties under such Purchase Orders will remain in effect until delivery and acceptance of the materials authorized by the respective Purchase Order. The first three (3) months of the initial term are considered probationary. During the probationary period, COUNTY may immediately terminate this Agreement at any time, with or without cause, upon written notice to CONTRACTOR.

When a Purchase Order is issued on a Fixed Fee basis, then the applicable Purchase Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Purchase Orders.

Section 6. Payment and Billing.

(a) CONTRACTOR shall supply all materials and services required by the Purchase Order, but in no event will CONTRACTOR be paid more than the negotiated Fixed Fee amount stated within each Purchase Order.

(b) For Purchase Orders issued on a Fixed Fee basis, CONTRACTOR may invoice the amount due based on the percentage of total Purchase Order materials and services actually provided, but in no event may the invoice amount exceed a percentage of the Fixed Fee amount equal to a percentage of the total services actually completed.

will be used to calculate final payment to CONTRACTOR. Performance of this audit will not delay final payment as provided by subsection (a) of this Section.

(c) CONTRACTOR shall maintain all books, documents, papers, accounting records, and other evidence pertaining to materials and services provided under this Agreement in such a manner as will readily conform to the terms of this Agreement. CONTRACTOR shall make such materials available at CONTRACTOR's office at all reasonable times during the term of this Agreement and for five (5) years from the date of final payment under the contract for audit or inspection as provided for in subsection (b) of this Section.

(d) In the event any audit or inspection conducted after final payment but within the period provided in paragraph (c) of this Section reveals any overpayment by COUNTY under the terms of the Agreement, CONTRACTOR shall refund such overpayment to COUNTY within thirty (30) days of notice by COUNTY.

Section 8. No Waiver by Forbearance. COUNTY's review of, approval and acceptance of, or payment for the materials or services required under this Agreement does not operate as a waiver of any rights under this Agreement, or of any cause of action arising out of the performance of this Agreement. CONTRACTOR is and will always remain liable to COUNTY in accordance with applicable law for any and all damages to COUNTY caused by CONTRACTOR's negligent or wrongful provision of any of the materials or services provided under this Agreement.

Section 9. Termination.

(a) COUNTY may, by written notice to CONTRACTOR, terminate this Agreement or any Purchase Order issued under this Agreement, in whole or in part, at any time, either for COUNTY's convenience or because of the failure of CONTRACTOR to fulfill its obligations under this Agreement. (b) If the termination is for the convenience of COUNTY, CONTRACTOR will be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONTRACTOR to fulfill its obligations under this Agreement, COUNTY may take over the work and carry it to completion by other agreements or otherwise. In such case, CONTRACTOR will be liable to COUNTY for all reasonable additional costs associated with CONTRACTOR's failure to fulfill its obligations under this Agreement.

(d) CONTRACTOR will not be liable for such additional costs if the failure to perform the Agreement arises without any fault or negligence of CONTRACTOR, but CONTRACTOR will be responsible and liable for the actions by its subcontractors, agents, employees, persons, and entities of a similar type or nature. Matters beyond the fault or negligence of CONTRACTOR include acts of God or of the public enemy, acts of COUNTY in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without any fault or negligence of CONTRACTOR.

(e) If after notice of termination for CONTRACTOR's failure to fulfill its obligations under this Agreement it is determined that CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the convenience of COUNTY. In such event, adjustment in the Agreement price will be made as provided in subsection (b) of this Section.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 14. Assignment. Neither this Agreement nor any interest in it may be assigned, transferred, or otherwise encumbered under any circumstances by either party without prior written consent of the other party and in such cases only by a document of equal dignity with this Agreement.

Section 15. Subcontractors. CONTRACTOR shall first secure the prior written approval of COUNTY before engaging or contracting for the services of any subcontractors under this Agreement. CONTRACTOR will remain fully responsible to COUNTY for the services of any subcontractors under this Agreement.

Section 16. Indemnification of COUNTY. To the fullest extent permitted by law, CONTRACTOR shall hold harmless, release, and indemnify COUNTY, its commissioners, officers, employees, and agents from any and all claims, losses, damages, costs, attorney fees, and lawsuits for damages arising from, allegedly arising from, or related to CONTRACTOR's provision of materials or services under this Agreement caused by CONTRACTOR's act or

(1) CONTRACTOR shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains insurance of the types and to the limits specified in this Agreement until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by CONTRACTOR will relieve CONTRACTOR of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONTRACTOR in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONTRACTOR.

(b) General Requirements.

(1) Before commencing work, CONTRACTOR shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and Exhibit D. **The Certificate must have the Agreement number for this Agreement clearly marked on its face**, and including the following as Certificate Holder:

(2) In addition to providing the Certificate of Insurance, upon request of the COUNTY, CONTRACTOR shall provide COUNTY with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Terms and Conditions

1. Acceptance/Entire Agreement. This Purchase Order ("PO") is entered into between Seminole County, Florida ("County") and the Supplier referenced herein (individually, referred to as "Party," and collectively, "Parties"). By accepting this PO, Supplier accepts all Terms and Conditions contained herein. This PO, including specifications and drawings, if any, and referenced documents, such as solicitations and responses constitutes the entire agreement between the Parties. Whenever terms and conditions of Main Agreement, if any, conflict with any PO issued pursuant to Main Agreement, Main Agreement will control.

2. Inspection. Notwithstanding any prior payment or inspection, all goods/services are subject to inspection/rejection by County at any time, including during manufacture, construction or preparation. To the extent a PO requires a series of performances by Supplier, County reserves right to cancel remainder of PO if goods/services provided during the term of PO are non-conforming or otherwise rejected. Without limiting any rights County may have, County, at its sole option, may require Supplier, at Supplier's expense to: (a) promptly repair or replace any or all rejected goods, or to cure or re-perform any or all rejected services; or (b) refund price of any or all rejected goods or services. All rejected goods will be held for Supplier's prompt inspection at Supplier's risk. Nothing contained in PO will relieve Supplier's obligation of testing, inspection and quality control.

3. Packing & Shipping. Unless otherwise specified, all goods must be packed, packaged, marked and prepared for shipment in a manner that is: (a) in accordance with good commercial practice; (b) acceptable to common carriers for shipment at the lowest rate for the particular good; (c) in accordance with local, state, and federal regulations; and (d) protected against weather. Supplier must mark all containers with necessary lifting, handling, shipping information, PO number, date of shipment and the name of the consignee and consignor. An itemized packing sheet must accompany each shipment.

4. Delivery; Risk of Loss. All goods are FOB destination, and risk of loss will remain with Supplier until delivery by Supplier and acceptance by County. Goods delivered by Supplier that are damaged, defective, or otherwise fail to conform to PO may be rejected by County or held by County at Supplier's risk and expense. County may charge Supplier for cost(s) to inspect, unpack, repack, store and re-ship rejected goods.

5. Delivery of Excess Quantities. If Supplier delivers excess quantities of goods without prior written authorization from County, excess quantities of goods may be returned to Supplier at Supplier's expense.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County's particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. 10. Modifications. PO may be modified or rescinded in writing by County.

11. Material Safety Data Sheets. At time of delivery, Supplier agrees to provide County with a current Material Safety Data Sheet for any hazardous chemicals or toxic substances, as required by law.

12. Pricing. Supplier agrees that pricing included on PO shall remain firm through and until delivery of goods and/or completion of services, unless otherwise agreed to by the Parties in writing.

13. Invoicing & Payment. After delivery of goods/services by Supplier and acceptance by the County, the Supplier must electronically submit an original invoice via email to AP@seminoleclerk.org or may mail the invoice, if electronic invoice is not available, to: Seminole County Clerk of the Circuit Court and Comptroller, P.O. Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include the County's Purchase Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218. 70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. In the event of termination, County will be liable only for materials procured, work completed or services rendered or supplies partially fabricated, within the authorization of PO. In no event will County be liable for incidental or consequential damages by reason of such termination.

16. Equal Opportunity Employer. County is an Equal Employment Opportunity ("EEO") employer, and as such, requires all Suppliers to comply with EEO regulations with regards to race, color, religion, sex, national origin, age, disability or genetic information, as may be applicable to Supplier. Any subcontracts entered into, as authorized by County, must make reference to this clause with the same degree of application being encouraged.

17. Assignment. Supplier may not assign, transfer, or subcontract PO or any right or obligation under it without County's written consent. Any purported assignment, transfer, or subcontract will be null and void.

18. Venue & Applicable Law. The laws of the State of Florida govern validity, enforcement, and interpretation of PO. The sole jurisdiction and venue for any legal action in connection with PO will be in the courts of Seminole County, Florida.

19. Fiscal Non-Funding. In the event sufficient budgeted funds are not available for payment to Supplier for a new fiscal period, County shall notify Supplier of such occurrence and PO will terminate on the last day of the current fiscal period without penalty or expense to County.

20. Public Records. Supplier acknowledges that PO and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Supplier shall maintain all public records and, upon request, provide a copy of requested records or allow records to be inspected within a reasonable time. Supplier shall also ensure that any public records that are exempt or confidential from disclosure are not disclosed except as authorized by law. In event Supplier fails to abide by provisions of Chapter 119, Florida Statutes, County may, without prejudice to any other right or remedy and after giving Supplier seven (7) days written notice, during which period Supplier still fails to allow access to such documents, terminate PO. **IF SUPPLIER HAS QUESTIONS REGARDING APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO SUPPLIER' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO PO, CONTACT CUSTODIAN OF PUBLIC RECORDS AT: 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. 22. Severability. If any section, sentence, clause, phrase or portion of PO are, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion will be deemed separate, distinct, and independent and such holding will not affect validity of remaining portion of PO.

1. Acceptance/Entire Agreement. This Purchase Order ("PO") is entered into between Seminole County, Florida ("County") and the Supplier referenced herein (individually, referred to as "Party," and collectively, "Parties"). By accepting this PO, Supplier accepts all Terms and Conditions contained herein. This PO, including specifications and drawings, if any, and referenced documents, such as solicitations and responses constitutes the entire agreement between the Parties. Whenever terms and conditions of Main Agreement, if any, conflict with any PO issued pursuant to Main Agreement, Main Agreement will control.

2. Inspection. Notwithstanding any prior payment or inspection, all goods/services are subject to inspection/rejection by County at any time, including during manufacture, construction or preparation. To the extent a PO requires a series of performances by Supplier, County reserves right to cancel remainder of PO if goods/services provided during the term of PO are non-conforming or otherwise rejected. Without limiting any rights County may have, County, at its sole option, may require Supplier, at Supplier's expense to: (a) promptly repair or replace any or all rejected goods, or to cure or re-perform any or all rejected services; or (b) refund price of any or all rejected goods or services. All rejected goods will be held for Supplier's prompt inspection at Supplier's risk. Nothing contained in PO will relieve Supplier's obligation of testing, inspection and quality control.

3. Packing & Shipping. Unless otherwise specified, all goods must be packed, packaged, marked and prepared for shipment in a manner that is: (a) in accordance with good commercial practice; (b) acceptable to common carriers for shipment at the lowest rate for the particular good; (c) in accordance with local, state, and federal regulations; and (d) protected against weather. Supplier must mark all containers with necessary lifting, handling, shipping information, PO number, date of shipment and the name of the consignee and consignor. An itemized packing sheet must accompany each shipment.

4. Delivery; Risk of Loss. All goods are FOB destination, and risk of loss will remain with Supplier until delivery by Supplier and acceptance by County. Goods delivered by Supplier that are damaged, defective, or otherwise fail to conform to PO may be rejected by County or held by County at Supplier' s risk and expense. County may charge Supplier for cost(s) to inspect, unpack, repack, store and re-ship rejected goods.

5. Delivery of Excess Quantities. If Supplier delivers excess quantities of goods without prior written authorization from County, excess quantities of goods may be returned to Supplier at Supplier's expense.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County' s particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. Supplier shall notify County, in writing, of any cancellation, material change, or alteration to Supplier's Certificate of Insurance.

10. Modifications. PO may be modified or rescinded in writing by County.

11. Material Safety Data Sheets. At time of delivery, Supplier agrees to provide County with a current Material Safety Data Sheet for any hazardous chemicals or toxic substances, as required by law.

12. Pricing. Supplier agrees that pricing included on PO shall remain firm through and until delivery of goods and/or completion of services, unless otherwise agreed to by the Parties in writing.

Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include County's Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218.70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. In the event of termination, County will be liable only for materials procured, work completed or services rendered or supplies partially fabricated, within the authorization of PO. In no event will County be liable for incidental or consequential damages by reason of such termination.

16. Equal Opportunity Employer. County is an Equal Employment Opportunity ("EEO") employer, and as such, requires all Suppliers to comply with EEO regulations with regards to race, color, religion, sex, national origin, age, disability or genetic information, as may be applicable to Supplier. 18. Venue & Applicable Law. The laws of the State of Florida govern validity, enforcement, and interpretation of PO. The sole jurisdiction and venue for any legal action in connection with PO will be in the courts of Seminole County, Florida.

19. Fiscal Non-Funding. In the event sufficient budgeted funds are not available for payment to Supplier for a new fiscal period, County shall notify Supplier of such occurrence and PO will terminate on the last day of the current fiscal period without penalty or expense to County.

20. Public Records. Supplier acknowledges that PO and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Supplier shall maintain all public records and, upon request, provide a copy of requested records or allow records to be inspected within a reasonable time. Supplier shall also ensure that any public records that are exempt or confidential from disclosure are not disclosed except as authorized by law. In event Supplier fails to abide by provisions of Chapter 119, Florida Statutes, County may, without prejudice to any other right or remedy and after giving Supplier seven (7) days written notice, during which period Supplier still fails to allow access to such documents, terminate PO. IF SUPPLIER HAS QUESTIONS REGARDING APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO SUPPLIER' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO PO, CONTACT CUSTODIAN OF PUBLIC RECORDS AT: 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. You acknowledge that we have no delivery obligations and we will not ship copies of the CloudGavel Software as part of the SaaS Services. You may use the SaaS Services to access updates and enhancements to the CloudGavel Software, as further described in Section C(9).

2. SaaS Fees. You agree to pay us the SaaS Fees. Those amounts are payable in accordance with our Invoicing and Payment Policy. The SaaS Fees are based on the amount of Data Storage Capacity. You may add additional data storage capacity on the terms set forth in Section H(1). In the event you

regularly and/or meaningfully exceed the Data Storage Capacity, we reserve the right to charge you additional fees commensurate with the overage(s).

3. Ownership.

   3.3 You retain all ownership and intellectual property rights to the Data. You expressly recognize that except to the extent necessary to carry out our obligations contained in this Agreement, we do not create or endorse any Data used in connection with the SaaS Services.

4. Restrictions. You may not: (a) make the CloudGavel Software or Documentation resulting from the SaaS Services available in any manner to any third party, who is not identified in Exhibit A as an End User, for use in such third party's business operations; (b) modify, make derivative works of, disassemble, reverse compile, or reverse engineer any part of the SaaS Services; (c) access or use the SaaS Services in order to build or support, and/or assist a third party in building or supporting, products or services competitive to us; or (d) license, sell, rent, lease, transfer, assign, distribute, display, host, outsource, disclose, permit timesharing or service bureau use, or otherwise commercially exploit or make the SaaS Services, CloudGavel Software, or Documentation available to any third party other than as expressly permitted by this Agreement.

5. Services Warranty. We will perform the services in a professional, workmanlike manner, consistent with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.

6. Site Access and Requirements. At no cost to us, you agree to provide us with full and free access to your personnel, facilities, and equipment as may be reasonably necessary for us to provide implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us. You agree that it is your responsibility to ensure that you satisfy the then-current system requirements, if any, minimally required to run the CloudGavel Software.

7. Client Assistance. You acknowledge that the implementation of the CloudGavel Software, and the ability to meet project deadlines and other milestones, is a cooperative effort requiring the time and resources of your personnel, as well as ours. You agree to use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project deadlines and other milestones for implementation. This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement.

8. Background Checks. For at least the past twelve (12) years, all of our employees have undergone criminal background checks prior to hire. All employees sign our confidentiality agreement and security policies.

9. Maintenance and Support. For so long as you timely pay your SaaS Fees according to the Invoicing and Payment Policy, then in addition to the terms set forth in the SLA and the Support Call Process, we will:

   9.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the CloudGavel Software (subject to any applicable release life cycle policy);

   9.2 provide support during our established support hours;

   9.3 maintain personnel that are sufficiently trained to be familiar with the CloudGavel Software and Third Party Software, if any, in order to provide maintenance and support services;

   9.4 make available to you all releases to the CloudGavel Software (including updates and enhancements) that we make generally available without additional charge to customers with a

current SaaS agreement; and

9.5 provide non-Defect resolution support of prior releases of the CloudGavel Software in accordance with any applicable release life cycle policy.

10. Legislative Change Support. For county customers, we make available legislative change support as follows:

10.1 We will provide you with refinements, enhancements, or other modifications to the CloudGavel Software as necessary to comply with enacted statewide legislation or administrative regulation applicable to all our clients in your state pertaining to: (a) existing reports, exports, or data exchanges; (b) new reports; (c) new data entry fields for state reporting; (d) new fee calculations; (e) new disposition templates; (f) new sentence templates; or (g) new citation templates.

10.2 We will use commercially reasonable efforts to implement such changes within the time frames set in the applicable legislation or regulation, but in any event within the next version release of the CloudGavel Software.

10.3 For county customers, our responsibility for legislative change support in each annual term is limited to the number of hours of analysis, post-release data migration, and testing services, at our then-current hourly rates, equal to 20% of the total annual maintenance and support fees or 8% of the total annual SaaS fees paid by all customers within your state during that term.

10.4 You are responsible for any fees in excess of the applicable limits under Section C(10.3) above, as well as the cost of any other services required to implement such changes, including, without limitation, training, configuration, project management, or data conversion from external sources. Prior to performing any services under this Section that would result in fees to you, we will provide you with a change order or addendum.

10.5 Our legislative change support obligations do not apply to services required to support new duties or responsibilities that expand upon the scope of your internal business purposes disclosed to us as of the Effective Date.

SECTION D – THIRD PARTY PRODUCTS

To the extent there are any Third Party Products identified in the Investment Summary, the Third Party Terms will apply. You acknowledge that we may have embedded third-party functionality in the CloudGavel Software that is not separately identified in the Investment Summary. If that third-party functionality is not separately identified in the Investment Summary, the limited warranty applicable to the CloudGavel Software applies, and we further warrant that the appropriate Developer has granted us the necessary license to (i) embed the unidentified third-party functionality in the CloudGavel Software; and (ii) sub-license it to you through our license grant to the CloudGavel Software. You may receive maintenance and support on such embedded third-party software under the Maintenance and Support Agreement.

SECTION E – INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you the SaaS Fees and fees for other professional services in

the Investment Summary per our Invoicing and Payment Policy, subject to Section E(2).

2. Invoice Disputes. If you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within thirty (30) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all SaaS Services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

SECTION F – TERM AND TERMINATION

1. Term. The initial term of this Agreement is three (3) years from the first day of the first month following the Effective Date, unless earlier terminated as set forth below. Upon expiration of the initial term, this Agreement will renew automatically for additional one (1) year renewal terms at our then-current SaaS Fees unless terminated in writing by either party at least sixty (60) days prior to the end of the then-current renewal term. Your right to access or use the CloudGavel Software and the SaaS Services will terminate at the end of this Agreement.

2. Termination. This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause must have been submitted as invoice disputes in accordance with Section E(2).

   2.1 Failure to Pay SaaS Fees. You acknowledge that continued access to the SaaS Services is contingent upon your timely payment of SaaS Fees. If you fail to timely pay the SaaS Fees, we may discontinue the SaaS Services and deny your access to the CloudGavel Software. We may also terminate this Agreement if you don't cure such failure to pay within forty-five (45) days of receiving written notice of our intent to terminate.

   2.2 For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section H(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section H(3).

   2.3 Force Majeure. Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of the SaaS Services for a period of forty-five (45) days or more.

   2.4 Lack of Appropriations. If you should not appropriate or otherwise make available funds sufficient to utilize the SaaS Services, you may unilaterally terminate this Agreement upon thirty (30) days written notice to us. You will not be entitled to a refund or offset of previously paid, but unused

SaaS Fees. You agree not to use termination for lack of appropriations as a substitute for termination for convenience.

2.5 Except as otherwise expressly stated in this Agreement, the rights and remedies of COUNTY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law.

SECTION G – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

1. Intellectual Property Infringement Indemnification.

1.1 We will defend, indemnify, and hold you harmless against any third party claim(s) that the CloudGavel Software or Documentation infringes that third party's patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

1.2 Our obligations under this Section G(1) will not apply to the extent the claim or adverse final judgment is based on your use of the CloudGavel Software in contradiction of this Agreement, including with non-licensed third parties, or your willful infringement.

1.3 If we receive information concerning an infringement or misappropriation claim related to the CloudGavel Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing CloudGavel Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the CloudGavel Software consistent with the terms of this Agreement.

1.4 If an infringement or misappropriation claim is fully litigated and your use of the CloudGavel Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent. We will pursue those options in the order listed herein. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

2. General Indemnification.

2.1 We will defend, indemnify, and hold harmless you and your agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by our negligence or willful misconduct; or (b) our violation of a law applicable to our performance under this Agreement. You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance,

cooperation, and information in defending the claim at our expense. This provision is not to be construed as a waiver by COUNTY or its sovereign immunity, except to the extent waived pursuant to Section 768.28, Florida Statutes, as this statute may be amended from time to time.

2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) your violation of a law applicable to your performance under this Agreement. We will notify you promptly in writing of the claim and will give you sole control over its defense or settlement. We agree to provide you with reasonable assistance, cooperation, and information in defending the claim at your expense.

3. **DISCLAIMER. EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CLIENT UNDERSTANDS AND AGREES THAT CLOUDGAVEL DISCLAIMS ANY LIABILITY FOR ERRORS THAT RELATE TO USER ERROR.**

4. **LIMITATION OF LIABILITY. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, OUR LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO YOUR ACTUAL DIRECT DAMAGES, NOT TO EXCEED (A) DURING THE INITIAL TERM, AS SET FORTH IN SECTION F(1), TOTAL FEES PAID AS OF THE TIME OF THE CLAIM; OR (B) DURING ANY RENEWAL TERM, THE THEN-CURRENT ANNUAL SAAS FEES PAYABLE IN THAT RENEWAL TERM. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, THE EXCLUSION OF CERTAIN DAMAGES, AND EACH SHALL APPLY REGARDLESS OF THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY REMEDY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS G(1) AND G(2).**

5. **EXCLUSION OF CERTAIN DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

6. Insurance. During the course of performing services under this Agreement, we agree to maintain the following levels of insurance: (a) Commercial General Liability of at least $1,000,000; (b) Automobile Liability of at least $1,000,000; (c) Professional Liability (including Cyber Liability) of at least $1,000,000; (d) Workers Compensation complying with applicable statutory requirements; and (e) Excess/Umbrella Liability of at least $4,000,000. We will add you as an additional insured to our Commercial General Liability and Automobile Liability policies, which will automatically add you as an additional insured to our Excess/Umbrella Liability policy as well. We will provide you with copies of certificates of insurance upon your written request.

SECTION H – GENERAL TERMS AND CONDITIONS

1. Additional Products and Services. You may purchase additional CloudGavel products and services at

the rates set forth in the Investment Summary for twelve (12) months from the Effective Date by executing a mutually agreed addendum or CloudGavel purchase order. If no rate is provided in the Investment Summary, or those twelve (12) months have expired, you may purchase additional CloudGavel products and services at our then-current list price, also by executing a mutually agreed addendum or CloudGavel purchase order. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum or CloudGavel purchase order.

2. Optional Items. Pricing for any listed optional products and services in the Investment Summary will be valid for twelve (12) months from the Effective Date.

3. Dispute Resolution. You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, then the parties shall participate in non-binding mediation in an effort to resolve the dispute. If the dispute remains unresolved after mediation, then either of us may assert our respective rights and remedies in a court of competent jurisdiction. Nothing in this section shall prevent you or us from seeking necessary injunctive relief during the dispute resolution procedures. The parties shall exercise best efforts to select a mutually acceptable mediator. The parties participating in the mediation shall share the costs equally.

4. Taxes. The fees in the Investment Summary do not include any taxes, including, without limitation, sales, use, or excise tax. If you are a tax-exempt entity, you agree to provide us with a tax-exempt certificate. Otherwise, we will pay all applicable taxes to the proper authorities and you will reimburse us for such taxes. If you have a valid direct-pay permit, you agree to provide us with a copy. For clarity, we are responsible for paying our income taxes, both federal and state, as applicable, arising from our performance of this Agreement.

5. Nondiscrimination. We will not discriminate against any person employed or applying for employment concerning the performance of our responsibilities under this Agreement. This discrimination prohibition will apply to all matters of initial employment, tenure, and terms of employment, or otherwise with respect to any matter directly or indirectly relating to employment concerning race, color, religion, national origin, age, sex, sexual orientation, ancestry, disability that is unrelated to the individual's ability to perform the duties of a particular job or position, height, weight, marital status, or political affiliation. We will post, where appropriate, all notices related to nondiscrimination as may be required by applicable law.

6. E-Verify. We have complied, and will comply, with the E-Verify procedures administered by the U.S. Citizenship and Immigration Services Verification Division for all of our employees assigned to your project.

7. Subcontractors. We will not subcontract any services under this Agreement without your prior written consent, not to be unreasonably withheld.

8. Binding Effect; No Assignment. This Agreement shall be binding on, and shall be for the benefit of,

either your or our successor(s) or permitted assign(s). Neither party may assign this Agreement without the prior written consent of the other party; provided, however, your consent is not required for an assignment by us as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of our assets.

9. Force Majeure. Except for your payment obligations, neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.

10. No Intended Third Party Beneficiaries. This Agreement is entered into solely for the benefit of you, the End Users identified in Exhibit A, and us. No additional third party will be deemed a beneficiary of this Agreement, and no additional third party will have the right to make any claim or assert any right under this Agreement. This provision does not affect the rights of third parties under any Third Party Terms.

11. Entire Agreement; Amendment. This Agreement represents the entire agreement between you and us with respect to the subject matter hereof, and supersedes any prior agreements, understandings, and representations, whether written, oral, expressed, implied, or statutory. Purchase orders submitted by you, if any, are for your internal administrative purposes only, and the terms and conditions contained in those purchase orders will have no force or effect. This Agreement may only be modified by a written amendment signed by an authorized representative of each party; provided, however, that amendments to add, remove or modify Court software modules shall only require signature by CloudGavel and the Clerk of Superior Court, and amendments to add, remove or modify Sheriff's Office software modules shall only require signature by CloudGavel and the Sheriff's Office.

12. Severability. If any term or provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement will be considered valid and enforceable to the fullest extent permitted by law.

13. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.

14. Independent Contractor. We are an independent contractor for all purposes under this Agreement.

15. Notices. All notices or communications required or permitted as a part of this Agreement, such as notice of an alleged material breach for a termination for cause or a dispute that must be submitted to dispute resolution, must be in writing and will be deemed delivered upon the earlier of the following: (a) actual receipt by the receiving party; (b) upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the receiving party; (c) upon receipt by sender of proof of email delivery; or (d) if not actually received, five (5) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the other party at the address set forth on the signature page hereto or such other address as the party may have designated by proper notice. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.

16. Client Lists. You agree that we may identify you by name in client lists, marketing presentations, and promotional materials.

17. Confidentiality. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Confidential information is nonpublic information that a reasonable person would believe to be confidential and includes, without limitation, personal identifying information (*e.g.*, social security numbers) and trade secrets, each as defined by applicable state law. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. To the extent Client engages independent contractors to fulfill its obligations under this Agreement, Client shall enter into a written agreement with said independent contractors that contains confidentiality covenants at least as restrictive as the confidentiality covenants contained herein. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:

    (a) is in the public domain, either at the time of disclosure or afterwards, except by breach of this Agreement by a party or its employees or agents; or
    (b) a party can establish by reasonable proof was in that party's possession at the time of initial disclosure; or
    (c) a party receives from a third party who has a right to disclose it to the receiving party; or
    (d) is the subject of a legitimate disclosure request under the open records laws or similar applicable public disclosure laws governing this Agreement, or a subpoena; provided, however, that in the event you receive an open records or other similar applicable request, you will give us prompt notice and otherwise perform the functions required by applicable law.

18. Business License. In the event a local business license is required for us to perform services hereunder, you will promptly notify us and provide us with the necessary paperwork and/or contact information so that we may timely obtain such license.

19. Governing Law. The laws of the State of Florida govern the validity, enforcement, and interpretation of this Agreement. The sole jurisdiction and venue for any legal action in connection with this Agreement will be in the state or federal courts serving Seminole County, Florida.

20. Multiple Originals and Authorized Signatures. This Agreement may be executed in multiple originals, any of which will be independently treated as an original document. Any electronic, faxed, scanned, photocopied, or similarly reproduced signature on this Agreement or any amendment hereto will be deemed an original signature and will be fully enforceable as if an original signature. Each party represents to the other that the signatory set forth below is duly authorized to bind that party to this Agreement.

21. Cooperative Procurement. To the maximum extent permitted by applicable law, we agree that this Agreement may be used as a cooperative procurement vehicle by eligible jurisdictions. We reserve the right to negotiate and customize the terms and conditions set forth herein, including but not limited to pricing, to the scope and circumstances of that cooperative procurement.

22. Twilio Acceptable Use Policy and Terms of Service. Your use of the CloudGavel Software may include functionality provided by a Third Party Developer, Twilio. Your rights, and the rights of any of your end users, to use said functionality are subject to the terms of the Twilio Acceptable Use Policy, available at http://www.twilio.com/legal/aup, and to applicable provisions found in the current Twilio Terms of Service, available at https://www.twilio.com/legal/tos. By signing a CloudGavel Agreement or accessing, installing, or using any such CloudGavel solution, you certify that you have reviewed, understand and agree to said terms. CloudGavel hereby disclaims any and all liability related to your or your end user's failure to abide by the terms of the Twilio Acceptable Use Policy or Terms of Service. Any liability for failure to abide by said terms shall rest solely with the person or entity whose conduct violated said terms.

CloudGavel acknowledges that COUNTY is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes. CloudGavel shall comply with Florida's Public Records Laws. Specifically, if and to the extent Chapter 119 is applicable to CloudGavel's performance pursuant to this Agreement, CloudGavel shall perform the following:

i. CloudGavel shall keep and maintain public records required by COUNTY in order to perform the services required under this Agreement,

ii. Upon request from COUNTY's custodian of public records, CloudGavel shall provide COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

iii. CloudGavel shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law for the duration of the contract term and, following completion of the Agreement, CloudGavel shall destroy all copies of such confidential and exempt records remaining in its possession after CloudGavel transfers the records in its possession to COUNTY.

b. Upon termination of this Agreement, CloudGavel shall transfer, at no cost to COUNTY, all public records in possession of CloudGavel. If CloudGavel transfers all public records to COUNTY upon completion of this Agreement, CloudGavel shall destroy any duplicate public records remaining in its possession. All records stored electronically must be provided to COUNTY, upon request of COUNTY's custodian of public records, in a format that is compatible with the information technology systems of COUNTY.

1. Air Travel

A. Reservations & Tickets

The Travel Management Company (TMC) used by CloudGavel will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within $100 (each way) of the lowest logical fare. If a net savings of $200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

B. Baggage Fees

Reimbursement of personal baggage charges are based on trip duration as follows:

- Up to five (5) days = one (1) checked bag
- Six (6) or more days = two (2) checked bags

Baggage fees for sports equipment are not reimbursable.

2. Ground Transportation

A. Private Automobile

Mileage Allowance – Business use of an employee's private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated by using the employee's office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for CloudGavel business, employees should select a "mid-size" or "intermediate" car. "Full" size cars may be rented when three or more employees are traveling together. CloudGavel carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15-18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

3. Lodging

CloudGavel's TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler's work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

"No shows" or cancellation fees are not reimbursable if the employee does not comply with the hotel's cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at www.gsa.gov/perdiem.

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of State and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch and dinner

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

Breakfast	15%
Lunch	25%
Dinner	60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.*

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

   Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and CloudGavel employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to $10.00 per day. Charges for internet access at airports are not reimbursable.

6. International Travel

   All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

   When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

   The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

   Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

Exhibit C
Service Level Agreement

I. Agreement Overview

This SLA operates in conjunction with, and does not supersede or replace any part of, the Agreement. It outlines the information technology service levels that we will provide to you to ensure the availability of the application services that you have requested us to provide. This SLA does not apply to any Third Party SaaS Services. All other support services are documented in the Support Call Process.

II. Definitions. Except as defined below, all defined terms have the meaning set forth in the Agreement.

Actual Attainment: The percentage of time the CloudGavel Software is available during a calendar quarter, calculated as follows: (Service Availability – Downtime) ÷ Service Availability.

Client Error Incident: Any service unavailability resulting from your applications, content or equipment, or the acts or omissions of any of your service users or third-party providers over whom we exercise no control.

Downtime: Those minutes during Service Availability, as defined below, when all users cannot launch, login, search or save primary data in the CloudGavel Software. Downtime does not include those instances in which only a Defect is present.

Emergency Maintenance: (1) maintenance that is required to patch a critical security vulnerability; (2) maintenance that is required to prevent an imminent outage of Service Availability; or (3) maintenance that is mutually agreed upon in writing by CloudGavel and the Client.

Planned Downtime: Downtime that occurs during a Standard or Emergency Maintenance window.

Service Availability: The total number of minutes in a calendar quarter that the CloudGavel Software is capable of receiving, processing, and responding to requests, excluding Planned Downtime, Client Error Incidents, denial of service attacks and Force Majeure.

Standard Maintenance: Routine maintenance to the CloudGavel Software and infrastructure. Standard Maintenance is limited to five (5) hours per week.

III. Service Availability

a. Your Responsibilities

Whenever you experience Downtime, you must make a support call according to the procedures outlined in the Support Call Process. You will receive a support case number.

b. Our Responsibilities

When our support team receives a call from you that Downtime has occurred or is occurring, we will work

with you to identify the cause of the Downtime (including whether it may be the result of Planned Downtime, a Client Error Incident, Denial of Service attack or Force Majeure). We will also work with you to resume normal operations.

IV. Maintenance Notifications

We perform Standard Maintenance during limited windows that are historically known to be reliably low-traffic times. If and when maintenance is predicted to occur during periods of higher traffic, we will provide advance notice of those windows and will coordinate to the greatest extent possible with you.

Not all maintenance activities will cause application unavailability. However, if CloudGavel anticipates that activities during a Standard or Emergency Maintenance window may make the CloudGavel Software unavailable, we will provide advance notice, as reasonably practicable that the CloudGavel Software will be unavailable during the maintenance window.

Exhibit C
Schedule 1
Support Call Process

Support Channels

CloudGavel provides the following channels of software support for authorized users*:

(1) Online submission (portal) – for less urgent and functionality-based questions, users may create support incidents through the CloudGavel Customer Support Portal available at the CloudGavel website or within the CloudGavel application.
(2) Email – for less urgent situations, users may submit emails directly to the software support group.
(3) Telephone – for urgent or complex questions, users receive toll-free, telephone software support.

Support Availability

CloudGavel support is available during the local business hours of 8 AM to 5 PM (Monday – Friday) across four US time zones (Pacific, Mountain, Central and Eastern). CloudGavel's holiday schedule is outlined below. There will be no support coverage on these days.

New Year's Day	Labor Day
Martin Luther King, Jr. Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Independence Day	Christmas Day

For support teams that provide after-hours service, we will provide you with procedures for contacting support staff after normal business hours for reporting Priority Level 1 Defects only. Upon receipt of such a Defect notification, we will use commercially reasonable efforts to meet the resolution targets set forth below.

Incident Handling

Incident Tracking

Every support incident is logged into CloudGavel's Customer Relationship Management System and given a unique case number. This system tracks the history of each incident. The case number is used to track and reference open issues when clients contact support.

Incident Priority

Each incident is assigned a priority level, which corresponds to the Client's needs. CloudGavel and the Client will reasonably set the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain "characteristics" may or may not apply depending on whether the CloudGavel software has been deployed on customer infrastructure or the CloudGavel cloud. The goal is to help guide the Client towards clearly understanding and communicating the importance of the issue and to describe generally expected response and resolution targets in the production environment only.

References to a "confirmed support incident" mean that CloudGavel and the Client have successfully validated the reported Defect/support incident.

Priority Level	Characteristics of Support Incident	Resolution Targets*
1 Critical	Support incident that causes (a) complete application failure or application unavailability; or (b) systemic loss of multiple essential system functions.	CloudGavel shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the incident. Once the incident has been confirmed, CloudGavel shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of data.	CloudGavel shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the incident. Once the incident has been confirmed, CloudGavel shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	CloudGavel shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the incident. Once the incident has been confirmed, CloudGavel shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack, which shall occur at least monthly.
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	CloudGavel shall provide an initial response to Priority Level 4 incidents within two (2) business days of receipt of the incident. Once the incident has been confirmed, CloudGavel shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

**Response and Resolution Targets may differ by product or business need*

Incident Escalation

If CloudGavel is unable to resolve any priority level 1 or 2 defect as listed above or the priority of an issue has elevated since initiation, you may escalate the incident to the appropriate resource, as outlined by each product support team. The corresponding resource will meet with you and any CloudGavel staff to establish a mutually agreeable plan for addressing the defect.

Remote Support Tool

Some support calls may require further analysis of the Client's database, processes or setup to diagnose a problem or to assist with a question. CloudGavel will, at its discretion, use an industry-standard remote support tool. CloudGavel's support team must have the ability to quickly connect to the Client's system and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool CloudGavel uses is available upon request.

JUSTIFICATION TO WAIVE THE COMPETITIVE PROCUREMENT PROCESS

(IAW Purchasing Admin Code Section 3.583(2))

OVERVIEW:

On rare occasions there may be a need to purchase goods or services from one vendor/contractor without a formal bid or requesting competitive quotes. PCD will advise when a particular competitive review process may both serve the County better and/or be required by governing law. These requests should not be made unless they are appropriately justified to meet legal requirements and can withstand a possible audit.

To process a Sole/Single Source requisition through purchasing, PCD encourages you to review the criteria necessary for Sole/Single Source determination. If you feel your request meets such criteria, follow the instructions in filling out the form and attach it to your requisition. The request will be reviewed by PCD.

Note: Dealer competition for a Sole Source manufacture does not qualify as competitive procurement specifications.

SOLE SOURCE PURCHASING:

The only existing source that meets the needs of the User Department as determined by a thorough analysis of the marketplace and is supported by compliance with the appropriate information, as stated in Section 60, Title L-8 of the County Manager's Policies.

SINGLE SOURCE PURCHASING

The one source among others that, for justifiable reason, is found to be most advantageous for the purpose of the procurement and is supported by compliance with the appropriate information, as stated in Section 60, Title L-8 of the County Manager's Policies.

        i. Cloud Based
        ii. Can manage and administer the complete lifecycle of warrants
        iii. Was able to segregate each specific areas (SO, SAO, Judicial, Clerk) during the warrants life cycle so that communication and proper management would go up and risk due to errors would decrease
        iv. Cost

   For Services: what unique qualifications, rights, and licenses does the vendor possess to qualify as a Sole Source/Single Source/request?
    a. Cloud Based and works across all the areas during the life cycle of a warrant
    b. For the cost, they agreed to cover the entire County. Other vendors we talked to did not.
    c. Agreed that the SO would be their Lead Agency for CJIS compliance

c) Conduct and provide a Cost Benefits Analysis that supports paying a non-competitive price:

ITEMS (d – h) REQUIRED FOR SINGLE SOURCE REQUEST

d) Why are these specific features/qualifications required?

e) What other products/services have been examined and/or rejected?

f) Why other sources providing like goods or services are considered unacceptable (please give a full meaningful explanation)?

g) What are the unique performance features REQUIRED (not merely preferred), and how would your requirement be inhibited without this precise item or service?

h) How will your mission/operation be impacted if the County does not purchase the particular item/service? Please explain.

I hereby certify that:

1. I am an approved department representative and am aware of the County's requirements for competitive bidding, as well as the criteria for justification for Sole/Single Source purchasing.
2. I have documented the required technical information and have made a concerted effort to review comparable equipment/service.
3. The information contained herein is complete and accurate.
4. A Sole/Single Source purchase in this case would withstand a possible audit or a vendor's protest.
5. I am aware of F.S. 838.22 as to compliance with Bid Tampering.

(k) COUNTY is solely responsible for all of COUNTY's activities conducted on the Property. OWNER is not to be considered an agent or employee of COUNTY for any reason whatsoever on account of this Agreement.

(l) OWNER states that OWNER has not engaged in any action that would create a conflict of interest in the performance of OWNER's obligations under this Agreement with COUNTY that would violate or cause others to violate the provisions of Part III, Chapter 112, Florida Statutes (2024), as this statute may be amended from time to time, relating to ethics in government.

Background:

The Deleon Street Drainage Improvement Project (CIPs#02307111; 02507071; 02607049) includes construction services to repair erosion that occurred during Hurricane Ian and other rainfall events. This site is located along DeLeon St. from South of Florida Ave for approximately 1,800’ to the north. The work includes wall construction, roadway construction and resurfacing, drainage installation, grading, guardrail, subsoil removal, pavement markings, signing, utility work by AT&T and Duke Transmission, and maintenance of traffic.

Currently there is $4.9M available in the project. The lowest bidder for construction is Southland Construction, and the bid came in at $6,447,778. In addition, funds are needed to cover a 10% contingency, cost to purchase wetland mitigation credits and tree trimming to cover the construction scope. A total of $7,141,459 is needed. It is anticipated that a portion of project costs are eligible for reimbursement by FEMA. The amount to be determined at a later date.

The attached budget amendment will allocate $2.2M to cover this deficit. Available funds are included within the 5 Points Roadway Project (CIP#00265503) and Seminole Wekiva Trail Tunnels Projects (CIP#02007015). The 5 Points Roadway Project is complete and

there are available funds that can be reallocated and the Seminole Wekiva Trail Tunnels Project is on hold pending discussions with the Board. A cost table is attached.

Contact/Phone Number:

Amirah Evanovich/407-665-7163

Background:

The Clerk of the Court's Record Center is currently operating on an Uninterruptible Power Supply (UPS) system that has reached end-of- life and is experiencing recurring overload conditions and operational instability. These issues pose a significant risk to essential Clerk functions - including records management, network connectivity, and data integrity -due to potential UPS failure.

Due to the emergent nature of the system's degradation, the Office of Emergency Management (OEM) obtained a quote for like-for-like replacement to ensure continuity of operations at the existing design capacity.

The Budget Amendment request will support the procurement and installation of the replacement UPS. Approval of this item will prevent potential service disruptions at the Records Center and maintain operational readiness for critical Clerk functions.

This request also appropriates funding from reserves to support the replacement of the Distributed Antenna System (DAS) at John E. Polk Correctional Facility and Criminal

Justice Center. The current DAS must be replaced to ensure reliable amplification of radio signals, enabling clear and uninterrupted communication for emergency responders and staff. Updating this system is critical for operational efficiency and safety within these facilities. This project was included and approved in the FY26 Adopted Budget but requires $70,000 of additional funding due to increased costs.

Major Project Reserves are currently budgeted at $1.4 million

Re: Proposal for Motorola Solutions In-building Distributed Antenna Systems

Dear Mr. Oliveras,

Per your request, Motorola Solutions, Inc. (Motorola) is pleased to present this comprehensive, "turnkey" proposal to provide an in-building Distributed Antenna System (DAS) for the Seminole County Jail Project. This system solution will provide communications as required by the Radio System Operator to locations that have insufficient RF signal for adequate two-way communication.

Motorola utilized RF propagation models to determine the most feasible solution for providing supplemental, in-building RF coverage to the specified buildings. The proposed in-building DAS will enhance coverage provided by the radio system to be utilized by the Seminole County Jail.

A Motorola Project Manager will be assigned to work with Seminole County Jail personnel to develop a timeline for project completion. Motorola anticipates that it will take approximately twelve (12) weeks after receipt of the order to install and test the proposed system. Much of this time is required to obtain the material for the project.

Motorola's quote provides the design, equipment, installation, and testing necessary to expand current RF coverage to the Seminole County Jail is listed below. Motorola will provide as-built drawings and a one-year system warranty as part of the contract.

Location	Equipment	Services	Total
Seminole County Jail	$69,775	$40,171	$109,946

****Pricing is valid until 11/30/25****

Taxes are included as a separate line item on each invoice unless the appropriate tax exemption certificate or number is provided with the purchase authorization. Freight is included in the material price.

Motorola provides professional in-building coverage solutions including system design, project management and installation services. The proposed system and services listed in this proposal will provide a complete solution for your in-building radio coverage needs.

I hope this information meets your needs. Please feel free to call me at (330) 805-0119 with any questions or comments regarding this proposal. Thank you for your time and consideration. We look forward to working with you in the near future.

Sincerely,

Rich Jimenez, SE BDA & DAS Team Leader

Section 1

System Requirements

This section of the proposal defines requirements for the system design and implementation of the requested in-building coverage system. This system is designed to improve the signal coverage at the Seminole County Jail in Sanford, FL.

1.1 Frequencies

The proposed in-building DAS will work in conjunction with the 700/800 MHz portion of the radio system to be utilized by local First Responders and the Seminole County Jail. The system is designed for the following frequencies (in MHz):

1.2 Coverage Area Defined (per site survey)

- 1st floor
- 2nd floor

1.3 Coverage Criteria

The DAS proposed by Motorola will provide 95% coverage, at a Delivered Audio Quality (DAQ) 3.4 level of coverage, or better.

1.4 Definitions

DAQ 3.4

- Speech understandable with repetition only rarely needed.
- Some Noise Distortion.

Note

The generally accepted industry standard for public safety radio systems is 95% criteria for coverage within a building at a minimum of DAQ 3.4 as defined above.

Use or disclosure of this proposal is subject to the restrictions on the cover page.
Motorola Solutions Confidential Restricted

Based on the RF design effort, the coverage system design will provide RF coverage to designated areas within the Facility predicted to experience insufficient RF signal. This enhanced system will provide coverage to provide adequate two-way communication.

All reasonable efforts will be made to ensure that cable routings and antenna mountings will not compromise the integrity of the installation area in the building(s). Both plenum-rated (indoors) and UV rated coaxial cable (outdoors) will be used for system interconnection.

The system will be provided on a “turnkey” basis, including engineering, material, and installation labor necessary to provide a working system. The only exceptions are outlined under the Customer Requirements/Conditions.

Use or disclosure of this proposal is subject to the restrictions on the cover page.

Section 2

System Description

2.1 Overview

Motorola proposes this cost-effective solution to meet the system requirements stated in Section 1 of this proposal. This section gives an overview of a typical coaxial in-building DAS that will be installed to provide adequate in-building RF coverage for the Seminole County Jail located in Sanford, FL

Motorola will provide all engineering, project management, materials, installation, testing and documentation necessary to provide a fully operational in-building DAS. Utilizing the existing wide area coverage system, the proposed in-building DAS will significantly enhance coverage to the building(s) identified in Section 1.

2.2 System Specifications

All of the specifications listed throughout this section comprise the majority of equipment used in an in-building DAS. The in-building DAS specifications for this proposed system are listed below.

System Parameter	Specification
Coverage Performance	DAQ 3.4, 95/95
Frequencies	Refer to Section 1 of this proposal
DAS System Type	BDA
Impedance	50 Ohms
Donor Antenna Type	Directional
Coverage Antenna Type	Omni
UPS Backup Power	12 Hours

Use or disclosure of this proposal is subject to the restrictions on the cover page.

2.3 How a DAS Works

A DAS is a network of antennas that sends and receives Public Safety or Land Mobile Radio (LMR) licensed frequencies throughout a building or a structure, thus improving voice and data connectivity for end-users.

In its most simplified form, a DAS has two basic components:

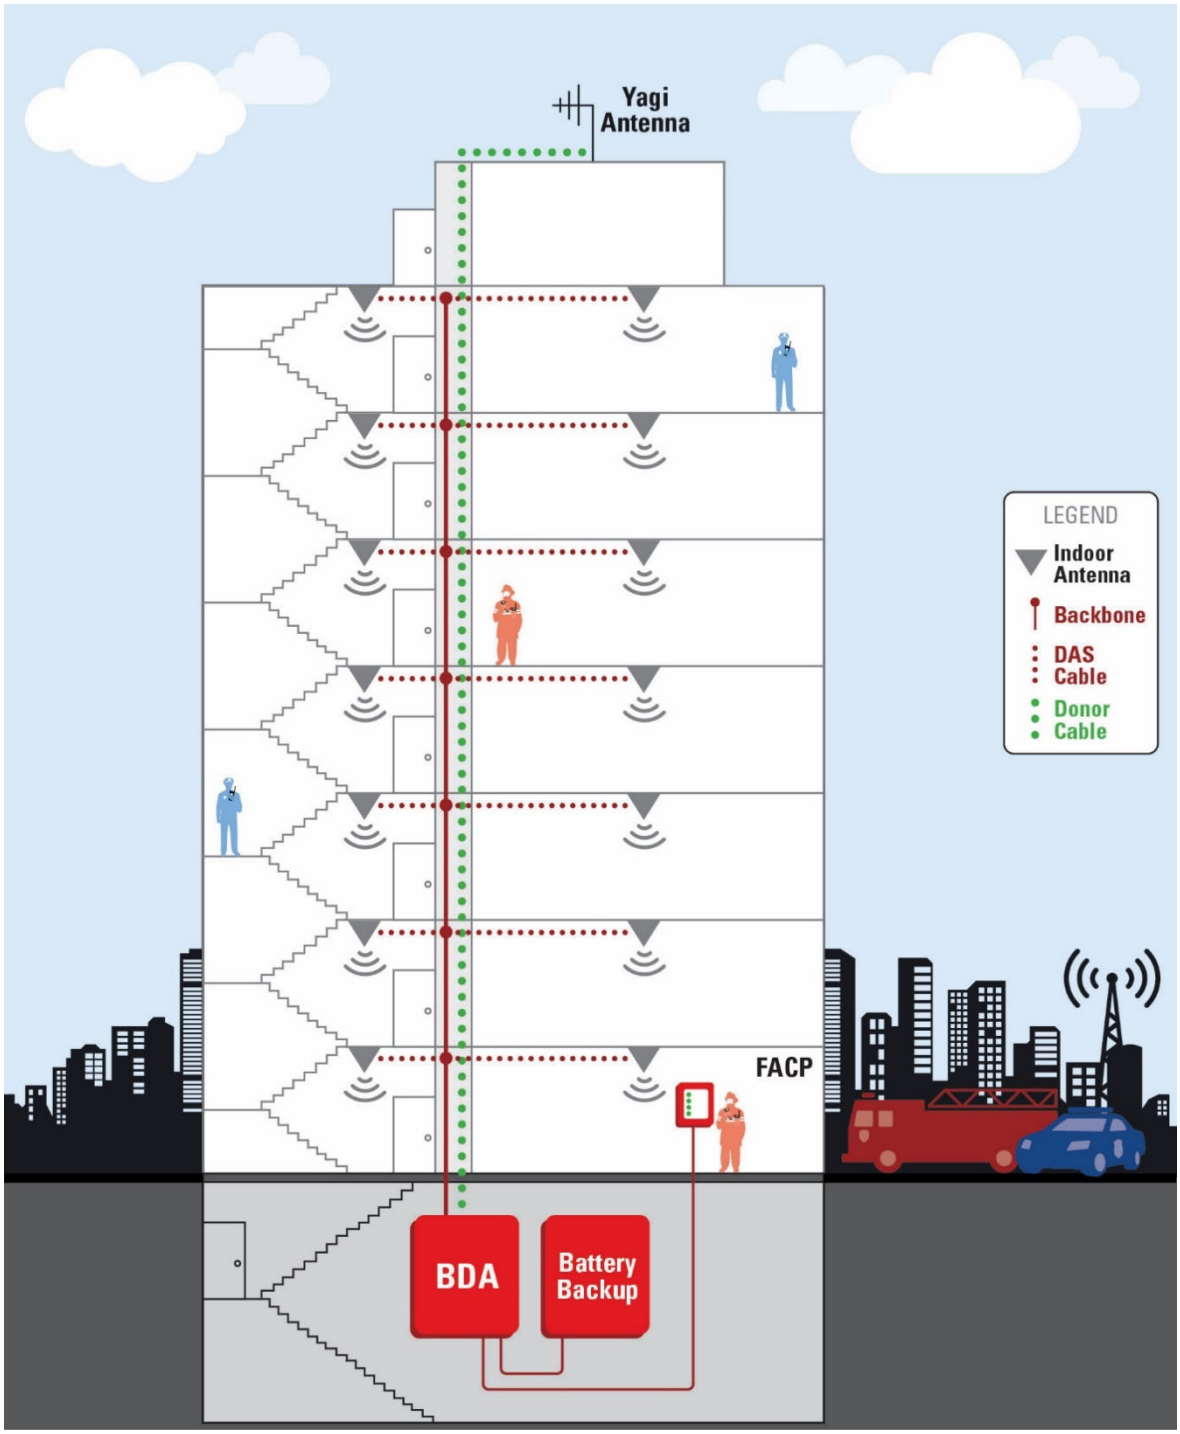

A Signal Amplifier

A Distributed Antenna System, as the name implies, “distributes” signals, but it generally does not generate the Public Safety or LMR signal itself. A DAS needs to be fed signals from an RF Source. Whether it is Public Safety or LMR, there are two typical signal sources: off air (via an antenna on the roof) connected to a Bi-directional Amplifier (BDA), or an on-site Base Transceiver Station (BTS) with an approach that drives a coaxial distribution system.

Distribution System

Once received, the Public Safety or LMR signal must be distributed throughout the building. The signal distribution is accomplished by a network of coax cable, passive devices and service antennas that are connected to the RF sources to provide the required radio coverage.

2.4 Procedures

Motorola follows established guidelines for successful completion and documentation of installation.

R56 Standards

All installations performed by Motorola or a Motorola-authorized contractor follow the published Motorola R-56 Standard. The R-56 standard is the standard related to RF communication site construction and installation practices. Much of Motorola R-56 Standard is similar to National Electrical Code (NEC) and National Fire Protection Association (NFPA) codes with an extra emphasis on wireless industry standard installation and engineering best practices.

Acceptance Test Plan

Once the DAS installation is complete, Motorola technicians will properly align and optimize the system. Once aligned and optimized, the Motorola technicians will verify signal coverage by measuring the control channel using a Field Spectrum Analyzer. Once satisfied with the levels, Motorola will request a Motorola Solutions, Inc. radio to pre-talk test for the system prior to the formal Acceptance Test Plan (ATP).

After the Motorola technician confirms that the DAS coverage will perform to the contractual requirement, a formal industry standard grid acceptance test of the coverage area will be conducted. To conduct the formal ATP, two radios in good operating condition with spare batteries will be required. Test calls in each grid will be made to a dispatch person or to a person in a well-known coverage location outside of the facility being tested

Once the ATP is conducted and the system passes the coverage criteria, a sign off sheet will be provided for formal system acceptance. Once the system is accepted in writing, the one (1) year warranty period on workmanship begins.

Final Documentation

At the end of the installation and upon system acceptance, a set of detailed “as-built” or record drawings will be provided in electronic format (available in AutoCAD or PDF). These drawings will provide exact locations of all of the radio system equipment that has been installed during this project. The drawings provided will consist of a title drawing, symbols drawing, block diagram drawing, layout drawing and BDA commissioning data drawing that contain all of the BDA alignment parameters of the installed system.

Section 4

Statement of Work

4.1 Introduction

This Statement of Work (SOW) describes the deliverables to be furnished for the Seminole County Jail, and the tasks to be performed by Motorola, its subcontractors, and by Seminole County Jail in order to implement the solution detailed in this proposal. This SOW provides the most current understanding of the work required by both parties to ensure successful project implementation.

Motorola is proposing the design and implementation of an In-building Wireless Coverage System to cover the Seminole County Jail. The Distributed Antenna System (DAS) will provide enhanced coverage for Public Safety radio users via the 700/800 MHz portion of the radio system

This Statement of Work (SOW) supports the acquisition, design, installation, operation, and maintenance of an Emergency Responder Communications Enhancement System (ERCES) at Seminole County Jail.

General Description of Solution

- Motorola shall design, install, and maintain ERCES that provide communications coverage for all buildings in the proposal. The system shall provide 95% coverage in all office areas, conference rooms, meeting areas, labs, or other areas specified in the proposal.
- This solution shall support deployed frequencies from 700/800 MHz.
- Motorola will furnish all necessary tools, equipment and materials required for performing all work associated with the completion of this requirement, which also includes testing and installation.

Statement of Work

- Motorola will provide all management, supervision, personnel, engineering, equipment, tools, materials, subcontractors, and transportation necessary to design, install, maintain all the ERCES and components in accordance with: (1) the manufacturer's recommendations and specifications; (2) industry standards and codes including but, not limited to NFPA Codes, Federal, State, and local regulations; (4) environmental standards; (5) Federal Communications (FCC) guidelines; and (6) Occupational Safety and Health Administration (OSHA) regulations including ICRA.
- RF Survey: Motorola performed a Radio Frequency (RF) Analysis of the facility to fully understand existing signals and noise levels at this location. Based on the results of the RF Analysis, Motorola will ensure the design fully protects this system from harmful interference and shall ensure emissions from this system does not interfere with other systems in or around the buildings, particularly the Life Safety System, the rooftop area, and OTHER wireless systems.

4.10.5.1 System Functionality

Seller represents that the System will perform in accordance with the Specifications in all material respects. Upon System Acceptance or Beneficial Use, whichever occurs first, this System functionality representation is fulfilled. Seller is not responsible for System performance deficiencies that are caused by ancillary equipment not furnished by Seller which is attached to or used in connection with the System or for reasons or parties beyond Seller's control, such as natural causes, the construction of a building that adversely affects the microwave path reliability or radio frequency (RF) coverage, the addition of frequencies at System sites that cause RF interference or intermodulation, or Seminole County Jail changes to load usage or configuration outside the Specifications.

4.10.5.2 Equipment Warranty

For a period of twelve (12) months from the System Acceptance date or the date of Beneficial Use, whichever occurs first (Warranty Period), Seller warrants that the Distributed Antenna System (DAS or Infrastructure Equipment) listed on the final equipment list and provided by Motorola (DAS Equipment) under normal use and service will be free from material defects in materials and workmanship. If System Acceptance is delayed beyond six (6) months after shipment of the Equipment by events or causes within Seminole County Jail's control, this warranty expires eighteen (18) months after the shipment of the Equipment.

4.10.5.3 Exclusions to Equipment and Motorola Software Warranties

These warranties do not apply to: (i) defects or damage resulting from: use of the Equipment or Motorola Software in other than its normal, customary and authorized manner; accident, liquids, neglect, or acts of God; testing, maintenance, disassembly, repair, installation, alteration, modification or adjustment not provided or authorized in writing by Seller; Seminole County Jail's failure to comply with all applicable industry and OSHA standards; (ii) breakage of or damage to antennas unless caused directly by defects in material or workmanship; (iii) Equipment that has had the serial number removed or made illegible; (iv) batteries (because they carry their own separate limited warranty) or consumables; (v) freight costs to ship Equipment to the repair depot; (vi) scratches or other cosmetic damage to Equipment surfaces that does not affect the operation of the Equipment; and (vii) normal or customary wear and tear.

4.10.5.4 Warranty Claims

To assert a warranty claim, Seminole County Jail must notify Seller in writing of the claim before the expiration of the Warranty Period. Upon receipt of this notice, Seller will investigate the warranty claim. If this investigation confirms a valid warranty claim, Seller will (at its option and at no additional charge to Seminole County Jail) repair the defective Equipment or Motorola Software, replace it with the same or equivalent product or refund the price of the defective Equipment or Motorola Software. That action will be the full extent of Seller's liability for the warranty claim. If this investigation indicates the warranty claim is not valid, then Seller may invoice Seminole County Jail for responding to the claim on a time and materials basis using Seller's then current labor rates. Repaired or replaced product is warranted

for the balance of the original applicable warranty period. All replaced products or parts will become the property of Seller.

4.10.5.5 Original End User is Covered

These express limited warranties are extended by Seller to the original user purchasing the System for commercial, industrial or governmental use only and are not assignable or transferable.

4.10.5.6 Disclaimer of Other Warranties

THESE WARRANTIES ARE THE COMPLETE WARRANTIES FOR THE EQUIPMENT AND MOTOROLA SOFTWARE PROVIDED UNDER THIS AGREEMENT AND ARE GIVEN IN LIEU OF ALL OTHER WARRANTIES. SELLER DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

4.11 Project Administration

4.11.1 Project Schedule

A detailed project schedule is integral to the management of the project and will be produced by the Motorola team to provide a timeline analysis for all phases of the project. A preliminary project schedule will be delivered in preparation of the Project Kick-off meeting and/or CDR. This schedule will be refined during the CDR phase of the project. The final project schedule will emphasize all milestones and the critical path, which is essential for the successful completion of the project. Seminole County Jail and Motorola will mutually agree upon the final schedule.

The project schedule assumes no delays in securing any site access, or delays by Seminole County Jail completing its responsibilities for this project. Any delays in work to be performed by Seminole County Jail(e.g., site improvements) may impact on the overall project schedule and may require a change order.

The Project Schedule will be drafted once the Kick-off Meeting is scheduled and expectations for project duration and completion are negotiated between Seminole County Jail and Motorola.

Expedites, site readiness tasks and schedule strategy can be discussed between both parties to determine schedules on projects that have a target completion already identified, prior to Purchase Order.

4.11.2 Change Order Process

Either Party may request changes within the general scope of this Agreement. If a requested change causes an increase or decreases in the cost or time required to perform this Agreement, the parties will agree to an equitable adjustment of the Contract Price, Performance Schedule, or both, and will reflect the adjustment in a change order. Neither Party is obligated to perform requested changes unless both parties execute a written change order.

Re: Proposal for Motorola Solutions In-building Distributed Antenna Systems

Dear Mr. Oliveras,

Per your request, Motorola Solutions, Inc. (Motorola) is pleased to present this comprehensive, “turnkey” proposal to provide an in-building Distributed Antenna System (DAS) for the Seminole County Criminal Justice Center Project. This system solution will provide communications as required by the Radio System Operator to locations that have insufficient RF signal for adequate two-way communication.

Motorola utilized RF propagation models to determine the most feasible solution for providing supplemental, in-building RF coverage to the specified buildings. The proposed in-building DAS will enhance coverage provided by the radio system to be utilized by the Seminole County Justice Center.

A Motorola Project Manager will be assigned to work with Seminole County CJC personnel to develop a timeline for project completion. Motorola anticipates that it will take approximately twelve (12) weeks after receipt of the order to install and test the proposed system. Much of this time is required to obtain the material for the project.

Motorola’s quote provides the design, equipment, installation, and testing necessary to expand current RF coverage to the Seminole County Criminal Justice Center is listed below. Motorola will provide as-built drawings and a one-year system warranty as part of the contract.

Location	Equipment	Services	Total
Seminole County Criminal Justice Center	$75,027	$84,242	$159,269

****Pricing is valid until 11/30/25****

Taxes are included as a separate line item on each invoice unless the appropriate tax exemption certificate or number is provided with the purchase authorization. Freight is included in the material price.

Motorola provides professional in-building coverage solutions including system design, project management and installation services. The proposed system and services listed in this proposal will provide a complete solution for your in-building radio coverage needs.

I hope this information meets your needs. Please feel free to call me at (330) 805-0119 with any questions or comments regarding this proposal. Thank you for your time and consideration. We look forward to working with you in the near future.

Sincerely,

Rich Jimenez, SE BDA & DAS Team Leader

The proposed in-building DAS will work in conjunction with the 700/800 MHz portion of the radio system to be utilized by local First Responders and the Seminole County Criminal Justice Center. The system is designed for the following frequencies (in MHz):

1.2 Coverage Area Defined (per site survey)

- 1st floor
- 2nd floor
- 3rd floor
- 4th floor
- 5th floor
- Basement

1.3 Coverage Criteria

The DAS proposed by Motorola will provide 95% coverage, at a Delivered Audio Quality (DAQ) 3.4 level of coverage, or better.

1.4 Definitions

DAQ 3.4

- Speech understandable with repetition only rarely needed.
- Some Noise Distortion.

Note

Use or disclosure of this proposal is subject to the restrictions on the cover page.
Motorola Solutions Confidential Restricted

The generally accepted industry standard for public safety radio systems is 95% criteria for coverage within a building at a minimum of DAQ 3.4 as defined above.

Based on the RF design effort, the coverage system design will provide RF coverage to designated areas within the Facility predicted to experience insufficient RF signal. This enhanced system will provide coverage to provide adequate two-way communication.

All reasonable efforts will be made to ensure that cable routings and antenna mountings will not compromise the integrity of the installation area in the building(s). Both plenum-rated (indoors) and UV rated coaxial cable (outdoors) will be used for system interconnection.

The system will be provided on a “turnkey” basis, including engineering, material, and installation labor necessary to provide a working system. The only exceptions are outlined under the Customer Requirements/Conditions.

System Description

2.1 Overview

Motorola proposes this cost-effective solution to meet the system requirements stated in Section 1 of this proposal. 2.3 How a DAS Works

A DAS is a network of antennas that sends and receives Public Safety or Land Mobile Radio (LMR) licensed frequencies throughout a building or a structure, thus improving voice and data connectivity for end-users.

In its most simplified form, a DAS has two basic components:

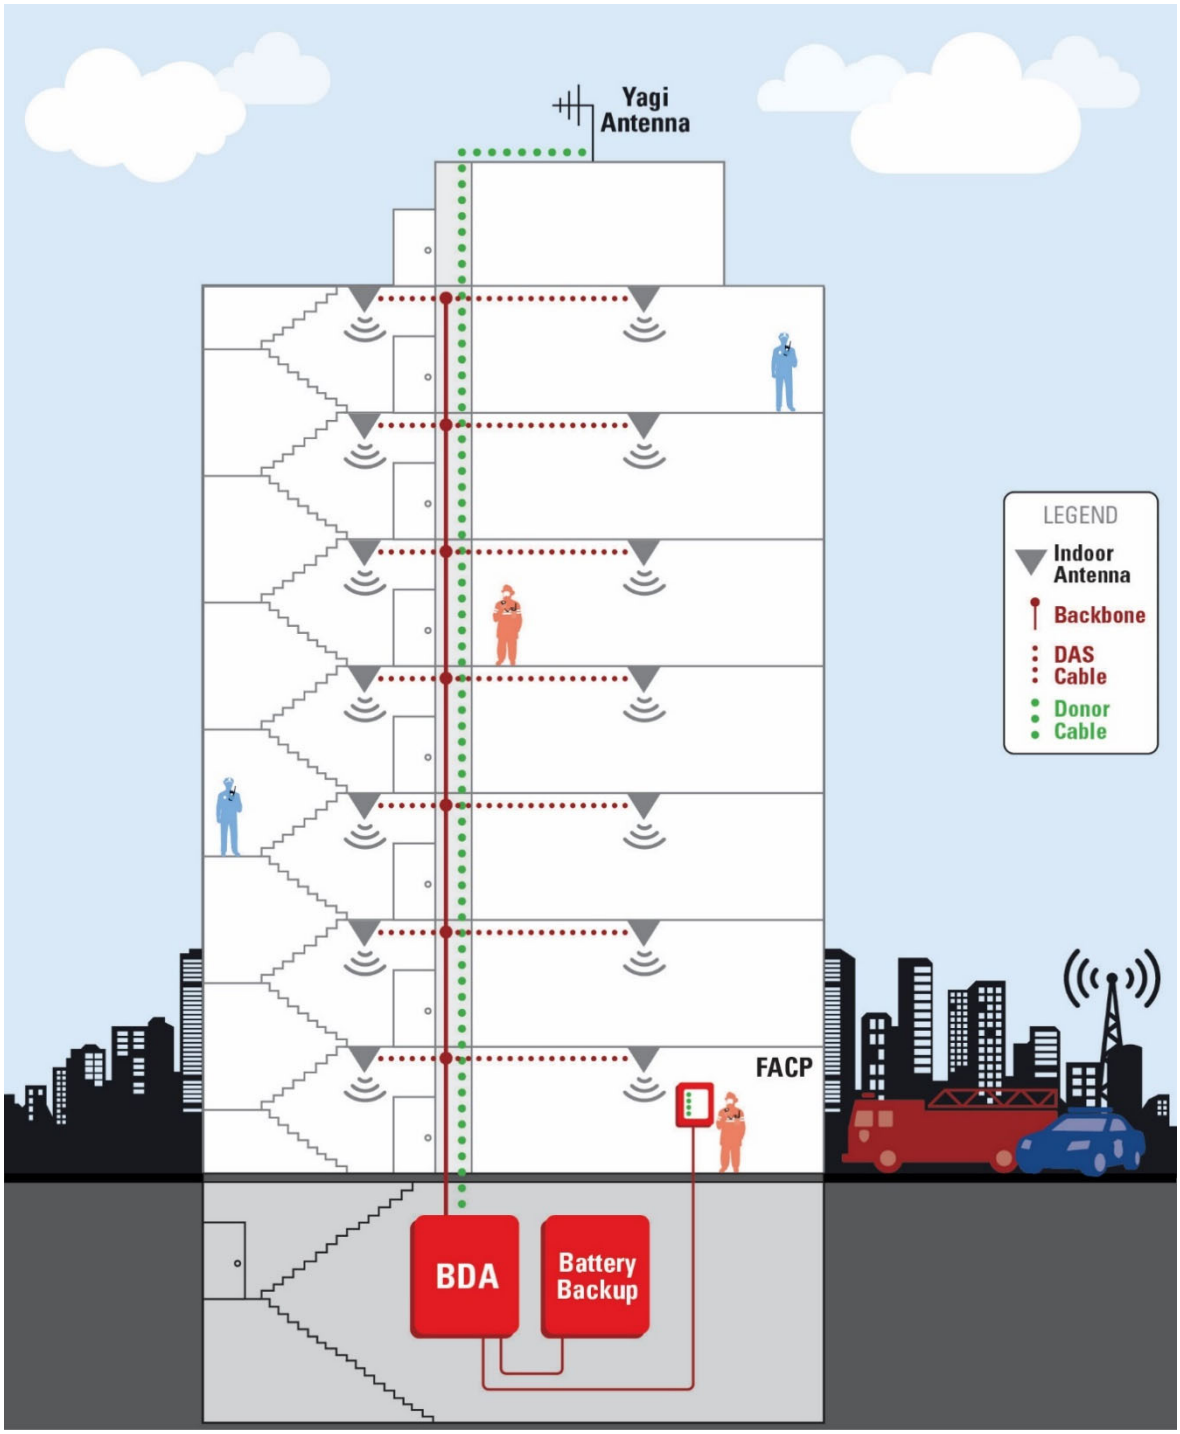

A Signal Amplifier

A Distributed Antenna System, as the name implies, “distributes” signals, but it generally does not generate the Public Safety or LMR signal itself. A DAS needs to be fed signals from an RF Source. Whether it is Public Safety or LMR, there are two typical signal sources: off air (via an antenna on the roof) connected to a Bi-directional Amplifier (BDA), or an on-site Base Transceiver Station (BTS) with an approach that drives a coaxial distribution system.

Distribution System

Once received, the Public Safety or LMR signal must be distributed throughout the building. The signal distribution is accomplished by a network of coax cable, passive devices and service antennas that are connected to the RF sources to provide the required radio coverage.

2.4 Procedures

Motorola follows established guidelines for successful completion and documentation of installation.

R56 Standards

All installations performed by Motorola or a Motorola-authorized contractor follow the published Motorola R-56 Standard. The R-56 standard is the standard related to RF communication site construction and installation practices. Much of Motorola R-56 Standard is similar to National Electrical Code (NEC) and National Fire Protection Association (NFPA) codes with an extra emphasis on wireless industry standard installation and engineering best practices.

Acceptance Test Plan

Once the DAS installation is complete, Motorola technicians will properly align and optimize the system. Once aligned and optimized, the Motorola technicians will verify signal coverage by measuring the control channel using a Field Spectrum Analyzer. Once satisfied with the levels, Motorola will request a Motorola Solutions, Inc. radio to pre-talk test for the system prior to the formal Acceptance Test Plan (ATP).

After the Motorola technician confirms that the DAS coverage will perform to the contractual requirement, a formal industry standard grid acceptance test of the coverage area will be conducted. To conduct the formal ATP, two radios in good operating condition with spare batteries will be required. Test calls in each grid will be made to a dispatch person or to a person in a well-known coverage location outside of the facility being tested

Once the ATP is conducted and the system passes the coverage criteria, a sign off sheet will be provided for formal system acceptance. Once the system is accepted in writing, the one (1) year warranty period on workmanship begins.

Final Documentation

At the end of the installation and upon system acceptance, a set of detailed “as-built” or record drawings will be provided in electronic format (available in AutoCAD or PDF). These drawings will provide exact locations of all of the radio system equipment that has been installed during this project. The drawings provided will consist of a title drawing, symbols drawing, block diagram drawing, layout drawing and BDA commissioning data drawing that contain all of the BDA alignment parameters of the installed system.

4.10.5 Final Acceptance

- All deliverables completed as contractually required.
- Final System Acceptance received from Seminole County Criminal Justice Center.

4.10.5.1 System Functionality

Seller represents that the System will perform in accordance with the Specifications in all material respects. Upon System Acceptance or Beneficial Use, whichever occurs first, this System functionality representation is fulfilled. Seller is not responsible for System performance deficiencies that are caused by ancillary equipment not furnished by Seller which is attached to or used in connection with the System or for reasons or parties beyond Seller's control, such as natural causes, the construction of a building that adversely affects the microwave path reliability or radio frequency (RF) coverage, the addition of frequencies at System sites that cause RF interference or intermodulation, or Seminole County Criminal Justice Center changes to load usage or configuration outside the Specifications.

Use or disclosure of this proposal is subject to the restrictions on the cover page.

4.10.5.2 Equipment Warranty

For a period of twelve (12) months from the System Acceptance date or the date of Beneficial Use, whichever occurs first (Warranty Period), Seller warrants that the Distributed Antenna System (DAS or Infrastructure Equipment) listed on the final equipment list and provided by Motorola (DAS Equipment) under normal use and service will be free from material defects in materials and workmanship. If System Acceptance is delayed beyond six (6) months after shipment of the Equipment by events or causes within Seminole County Criminal Justice Center's control, this warranty expires eighteen (18) months after the shipment of the Equipment.

4.10.5.3 Exclusions to Equipment and Motorola Software Warranties

These warranties do not apply to: (i) defects or damage resulting from: use of the Equipment or Motorola Software in other than its normal, customary and authorized manner; accident, liquids, neglect, or acts of God; testing, maintenance, disassembly, repair, installation, alteration, modification or adjustment not provided or authorized in writing by Seller; Seminole County Criminal Justice Center's failure to comply with all applicable industry and OSHA standards; (ii) breakage of or damage to antennas unless caused directly by defects in material or workmanship; (iii) Equipment that has had the serial number removed or made illegible; (iv) batteries (because they carry their own separate limited warranty) or consumables; (v) freight costs to ship Equipment to the repair depot; (vi) scratches or other cosmetic damage to Equipment surfaces that does not affect the operation of the Equipment; and (vii) normal or customary wear and tear.

4.10.5.4 Warranty Claims

To assert a warranty claim, Seminole County Criminal Justice Center must notify Seller in writing of the claim before the expiration of the Warranty Period. Upon receipt of this notice, Seller will investigate the warranty claim. If this investigation confirms a valid warranty claim, Seller will (at its option and at no additional charge to Seminole County Criminal Justice Center) repair the defective Equipment or Motorola Software, replace it with the same or equivalent product or refund the price of the defective Equipment or Motorola Software. That action will be the full extent of Seller's liability for the warranty claim. If this investigation indicates the warranty claim is not valid, then Seller may invoice Seminole County Criminal Justice Center for responding to the claim on a time and materials basis using Seller's then current labor rates. Repaired or replaced product is warranted for the balance of the original applicable warranty period. All replaced products or parts will become the property of Seller.

4.10.5.5 Original End User is Covered

These express limited warranties are extended by Seller to the original user purchasing the System for commercial, industrial or governmental use only and are not assignable or transferable.

4.10.5.6 Disclaimer of Other Warranties

THESE WARRANTIES ARE THE COMPLETE WARRANTIES FOR THE EQUIPMENT AND MOTOROLA SOFTWARE PROVIDED UNDER THIS AGREEMENT AND ARE GIVEN IN LIEU OF ALL OTHER WARRANTIES. SELLER DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

4.11 Project Administration

4.11.1 Project Schedule

A detailed project schedule is integral to the management of the project and will be produced by the Motorola team to provide a timeline analysis for all phases of the project. A preliminary project schedule will be delivered in preparation of the Project Kick-off meeting and/or CDR. This schedule will be refined during the CDR phase of the project. The final project schedule will emphasize all milestones and the critical path, which is essential for the successful completion of the project. Seminole County Criminal Justice Center and Motorola will mutually agree upon the final schedule.

The project schedule assumes no delays in securing any site access, or delays by Seminole County Criminal Justice Center completing its responsibilities for this project. Any delays in work to be performed by Seminole County Criminal Justice Center(e.g., site improvements) may impact on the overall project schedule and may require a change order.

The Project Schedule will be drafted once the Kick-off Meeting is scheduled and expectations for project duration and completion are negotiated between Seminole County Criminal Justice Center and Motorola.

Expedites, site readiness tasks and schedule strategy can be discussed between both parties to determine schedules on projects that have a target completion already identified, prior to Purchase Order.

4.11.2 Change Order Process

Either Party may request changes within the general scope of this Agreement. If a requested change causes an increase or decreases in the cost or time required to perform this Agreement, the parties will agree to an equitable adjustment of the Contract Price, Performance Schedule, or both, and will reflect the adjustment in a change order. Neither Party is obligated to perform requested changes unless both parties execute a written change order.

Section 5

Support Plan

Motorola offers services to supplement the standard factory warranty included with most equipment. For Seminole County Justice Center, Motorola has proposed the following service plan for the Seminole County Criminal Justice Center project.

5.1 Preventative Maintenance

Approve and authorize the Chairman to execute a Resolution recognizing the importance of Team Orlando and the PEO STRI for the Modeling, Simulation & Training (MS&T) industry in Seminole County. Countywide **(Gui Cunha, Economic Development & Tourism Director)**

RESOLUTION
OF
THE SEMINOLE COUNTY BOARD OF COUNTY COMMISSIONERS RECOGNIZING THE IMPORTANCE OF THE PEO STRI FOR THE MODELING, SIMULATION & TRAINING INDUSTRY IN SEMINOLE COUNTY AND CENTRAL FLORIDA

WHEREAS, Central Florida has been the home to the Program Executive Office Simulation Training and Instrumentation (PEO STRI) for over 50 years, serving as the sole Army acquisitions headquarters within the state of Florida; and

WHEREAS, Central Florida is the epicenter for Modeling, Simulation and Training, spanning full lifecycle support from next generation technology, test and training, operational support, to sustainment; and

WHEREAS, the Army currently manages an approximate $2.6 billion acquisition portfolio, over 300 programs, and 300,000 fielded systems that span the globe from this nucleus; and

WHEREAS, the Central Florida region is a hub for foreign military sales (FMS) expertise, an increasingly in-demand skillset that expedites command and control system integration and generates exponential partnership possibilities on new technologies; and

WHEREAS, within the Central Florida location, the Army manages over 350 Foreign Military Sales (FMS) cases across 66 countries, a case value of $2.9 billion, spanning Africa, Europe, the Indo-Pacific and Southeast Asia; and

WHEREAS, the coupling of the National Center for Simulation (NCS) with the Team Orlando military commands in Central Florida has brought about a $11.6 billion economic impact and has driven over 30,000 high-wage jobs with an average salary above $100,000; and

WHEREAS, the State of Florida has invested$160 million in PEO STRI, securing a 450,000 square foot office space at no cost to the Army; and

WHEREAS, Seminole County is an important part of the Modeling, Simulation & Training (MS&T) ecosystem in Central Florida, with many companies, and nearly 1,000 Seminole County residents directly employed by the Team Orlando military and several thousand employed by industry and academia; and

WHEREAS, the U.S. Department of Defense is in the process of restructuring within the Army to replace numerous specialized Program Executive Offices (PEOs) with fewer, broader Portfolio Acquisition Executives (PAEs), which has the potential to impact the PEO STRI in Central Florida; and

WHEREAS, the Florida Congressional Delegation has made the case before the U.S. Department of Defense to keep the Portfolio Acquisition Executives (PAEs) for Army acquisitions headquartered in Central Florida.

NOW, THEREFORE, BE IT RESOLVED that we, the Board of County Commissioners of Seminole County, Florida, do hereby recognize the importance of Team Orlando, and specifically the PEO STRI for the Modeling, Simulation & Training (MS&T) industry in Seminole County and Central Florida.

Purpose

- Provide an update on the County website redesign and demonstrate improvements in performance, accessibility, and citizen-facing services.

SEMINOLE COUNTY
FLORIDA'S NATURAL CHOICE

Agenda

- Purpose
- Background
- Progress
- Next Steps

Background

The Challenge

- The County website is one of our most heavily used services, averaging nearly 300,000 views per month
- The previous platform was built on a proprietary Content Management System (CMS)
- Updates were slow, costly, and difficult to scale
- Mobile performance lagged behind user behavior
- Emergency updates required manual workarounds and page refreshes

Background

Board Action

- On October 22, 2024, the BCC awarded a contract to SGS Technologie for the County's website redesign

Why Action Was Required

- The legacy content management system (CMS) could no longer support the County's needs
- Maintenance costs increased without performance gains
- Security, accessibility, and scalability risks were growing
- A modern CMS was necessary to support service delivery, emergencies, and growth

SEMINOLE COUNTY
FLORIDA'S NATURAL CHOICE

Agenda

- Purpose
- Background
- Progress
- Next Steps

Progress

New Enterprise Content Management System: Sitefinity

- The County transitioned from a proprietary CMS to Sitefinity on June 15, 2025, providing greater flexibility and control
- Sitefinity is widely used by major public-sector and state agencies
- Enhances security, stability, and long-term support for the County's digital services

Progress

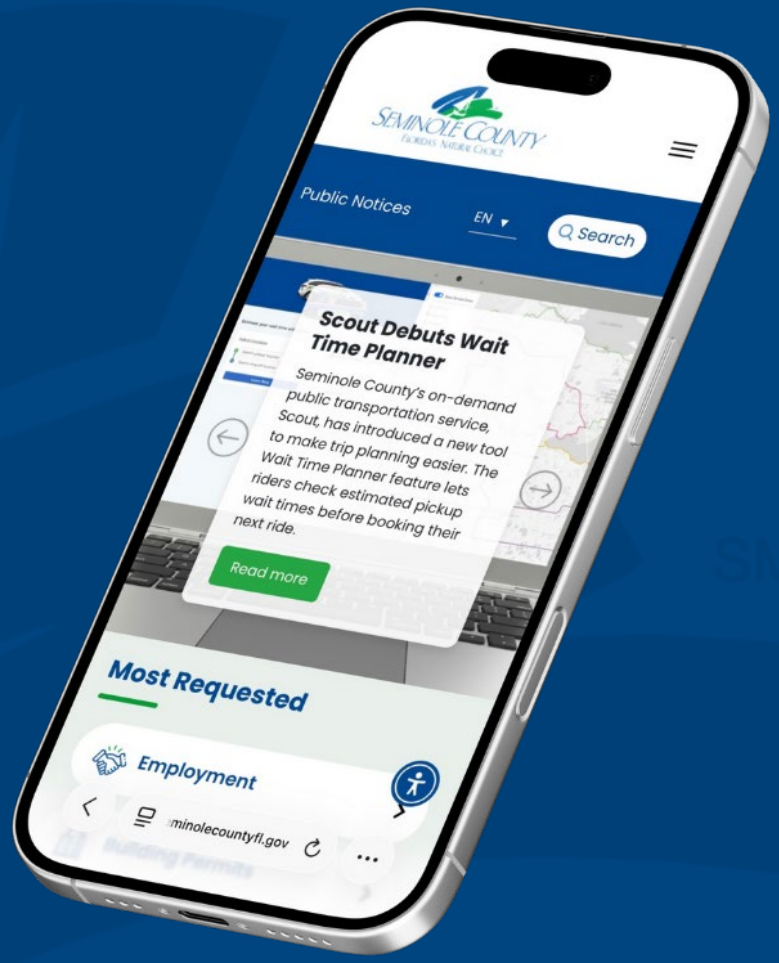

Site Sync: Information That Moves as Fast as We Do

- Automatically refreshes pages every few seconds – no user action required
- Ensures users always see the most current information
- Critical for emergencies and fast-moving events
- Eliminates reliance on manual page refreshes

Progress

Built for How Residents Browse

- Nearly two-thirds of County web traffic is mobile
- The old site struggled on phones and tablets, delivering an inconsistent user experience
- The new site designed with **mobile-first**, rather than retrofitted for mobile
- Improved readability, navigation, and accessibility

Progress

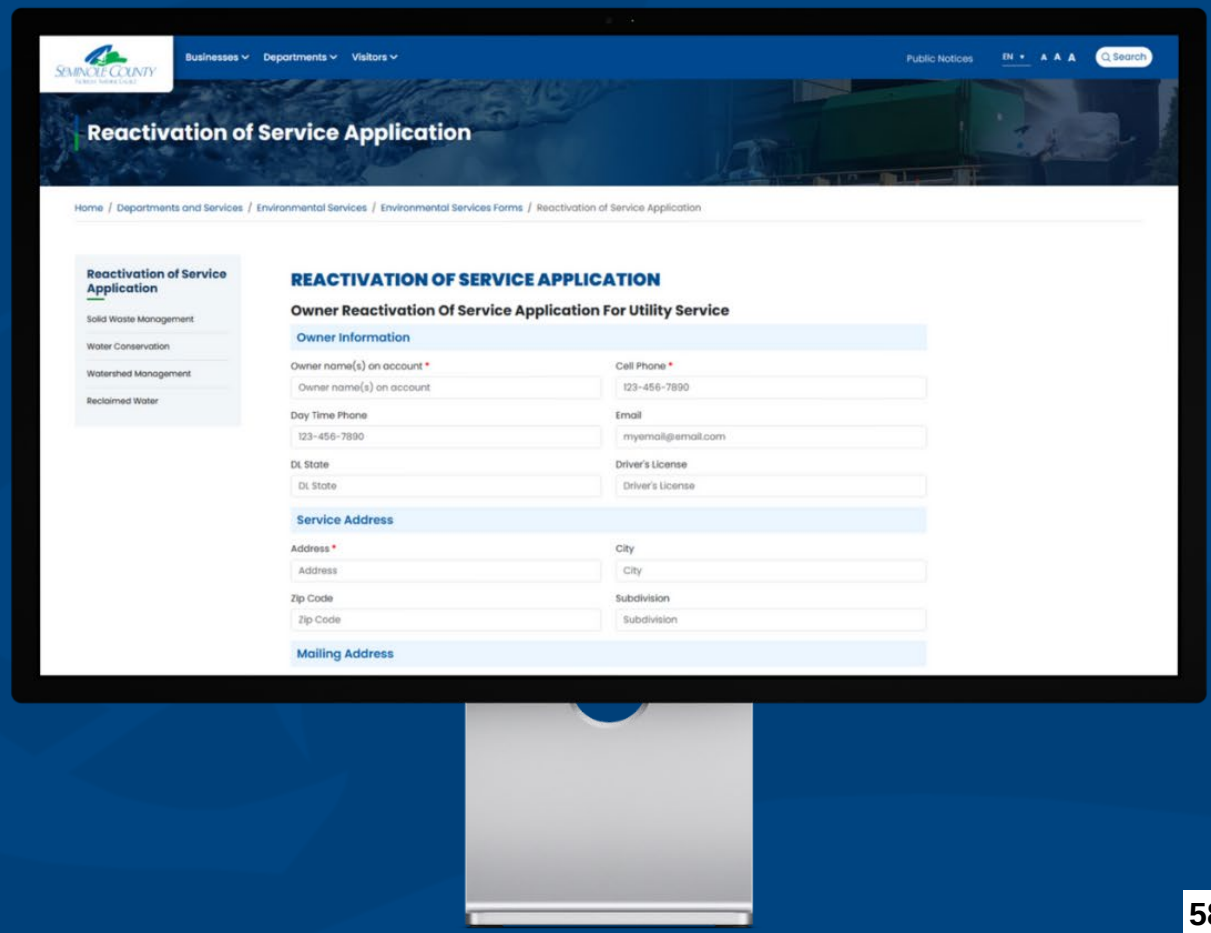

Accessibility by Design: Built to Serve Everyone

- Built to support modern ADA and WCAG accessibility standards
- Improved compatibility with screen readers and assistive technologies
- Keyboard-friendly navigation and scalable text
- Stronger color contrast and clearer typography
- Built-in language tools that allow residents to translate content and access information more easily
- Accessibility and language access integrated into page templates—not retrofitted later

Progress

From Custom Builds to Flexible Tools: Form Development

- Previously, every form required custom development
- Forms are now configurable widgets managed through an admin portal
- This ensures greater consistency across departments, faster updates, and less maintenance

Progress

Page Templates

- Standardized templates improve navigation
- Ensures brand and design consistency
- Reduces one-off page builds
- Easier long-term maintenance

Progress

Connected Systems: API Integration

- Supports integrations across platforms
- Examples include:
  - YouTube video feeds
  - Calendars and scheduling tools
  - Service and data systems
- Reduces duplication and improves accuracy

Progress

News, Stories, and Events — Automatically Updated

- County news and information produced by Communications fuels the website:
  - Latest News
  - Featured Stories
  - Enhanced Events Calendar
- Continuously refreshed content that keeps information timely, accurate, and engaging

Progress

BETTER SEARCH: Find What You Need Faster

- Improved indexing and search accuracy
- Better handling of common service requests

Basin Study Update

Board of County Commissioners (BCC) Meeting

- Basin Studies Timeline
- Lake Monroe (Lockhart-Smith Canal) Basin Study
- Big and Little Econlockhatchee Drainage Basins Study
- Next Steps
- Requested Action

Basin Studies Overview

- 16 Drainage Basins in Seminole County
- What is a Drainage Basin?
  - A drainage basin (also called a watershed) is an area of land where all the streams and rainfall drain into the same common body of water — such as a river, lake, or ocean.
  - It consists of surface water, lakes, streams, reservoirs, wetlands, and all underlying groundwater.
  - Basins are composed of smaller areas called Open Sub-Basins and Closed Sub-Basins
  - Open Sub-Basins connect to adjoining water bodies
  - Closed Sub-Basins have no connection to adjoining water bodies

Basin Studies Overview

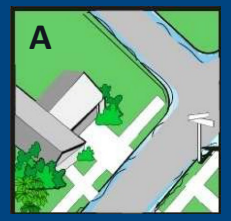

- Why are Basins Studied?
  - Studying a drainage basin provides essential insights for managing water resources. It helps ensure a reliable water supply, assess flood risks, develop effective flood control measures, and maintain water quality at safe and sustainable levels.
- How are Basins Studies Used?

Title:

Marsden Building PD Rezone- Consider a Rezone from C-2 (General Commercial) to PD (Planned Development) for a proposed office and warehouse building on approximately 0.47 acres, located on the southeast corner of Division Street and Wells Avenue; (Z2025-07); (Daniel Marsden, Applicant). District4 - Lockhart **(Kaitlyn Apgar, Senior Planner)**

Division:

Development Services

Authorized By:

Mike Rhodes, Interim Development Services Director

Contact/Phone Number:

Kaitlyn Apgar/407-665-7377

Background:

The Applicant is requesting a Rezone from C-2 (General Commercial) to PD (Planned Development) in order to develop the property with an office and warehouse building. Within the proposed PD, the Applicant is requesting the following permitted uses: general retail sales and services, trades and general office use, and enclosed storage/warehousing space accessory to principal office use.

The property has a Future Land Use designation of Mixed-Use Development (MXD), which allows a maximum Floor Area Ratio (F.A.R.) of 1.0 and supports the use of PD zoning. The Applicant is proposing an F.A.R. of 0.20, which is within the allowable limit.

The subject property is currently zoned C-2 (Retail Commercial), which permits general retail and office uses, but does not allow warehouse uses. Warehouse uses are only permitted within the C-3 (Heavy Commercial and Very Light Industrial) zoning district, which is restricted to properties with an Industrial Future Land Use designation. Very light industrial uses are a potential development option under the MXD Future Land Use designation pursuant to FLU Policy 4.2.2 (A)(4). To develop the property as proposed, the Applicant is required to rezone to PD (Planned Development),

consistent with Policy FLU 4.2.2(F)(6), as the property is a new development on a non-residentially zoned lot.

The proposed PD zoning will establish new development entitlements to permit a warehouse component accessory to office uses, consistent with the intent of the existing Future Land Use designation of MXD.

The intent of the MXD Future Land Use is to encourage compact, walkable development patterns that integrate complementary uses. The site is within walking distance of US Highway 17-92, and the Applicant is proposing a sidewalk connection from the site to the existing sidewalk network along the highway, further supporting pedestrian connectivity in the area.

The Future Land Use and Zoning designations of the surrounding area are as follows:

East: Future Land Use: Mixed-Use Development
Zoning: C-2 (General Commercial)
Florida Department of Transportation (FDOT) maintained Stormwater Pond

West: Wells Avenue- County maintained Local Road
Future Land Use: Low Density Residential and Medium Density Residential
Zoning: R-1A (Single Family Dwelling), R-2 (One- and Two-Family Dwelling), A-1 (Agriculture)
American Legion establishment and a two-family residence (duplex)

North: Future Land Use: Mixed-Use Development
Zoning: C-2 (General Commercial)
Boat sales establishment

South: Future Land Use: Mixed-Use Development
Zoning: C-2 (General Commercial)
Vacuum and sewing machine repair/sales

Site Analysis

Floodplain Impacts:

Based on FIRM map with an effective date of 2007, there appears to be no floodplains on the subject property.

Wetland Impacts:

Based on preliminary aerial photo and County wetland map analysis, there appears to be no wetlands on the subject property.

Endangered and Threatened Wildlife:

Based on a preliminary analysis, there may be endangered and threatened wildlife on the subject property. A listed species survey may be required prior to site plan or final engineering approval.

Utilities:

The site is currently located within the City of Casselberry's water service area, Seminole County's sewer service area, and outside of any reclaimed water service area. Prior to development, the property will be transferred to Seminole County's water service area during the final engineering stage to ensure that both water and sewer services are provided by the same utility provider.

The site will be required to connect to Seminole County's water and sewer systems. Existing infrastructure includes a six (6) inch water main along the southeast side of Wells Avenue and a six (6) inch gravity sewer lateral stub out at the property line along the south side of Division Street. Adequate water and sewer capacity is available to serve the proposed development.

Transportation/Traffic:

The property will access from Division Street, which is classified as a local road. Currently, Division Street does not have improvements programmed in the County five (5) year Capital Improvement Program.

Sidewalks:

There are currently no existing sidewalks along Division Street and Wells Avenue. As part of the proposed development, the developer will be required to construct a five (5) foot-wide sidewalk along both frontages to enhance pedestrian connectivity and comply with County design standards.

Drainage:

The proposed project is located within the Gee Creek Drainage Basin, which has limited downstream capacity. Accordingly, the site will be required to be designed to retain more than the volumetric difference for the twenty-five (25) year, twenty-four (24) hour storm event and to limit post-development discharge rates to levels that do not exceed pre-development conditions, provided a viable outfall is available. If a viable outfall cannot be provided, the site will be required to retain the entire twenty-five (25) year, twenty-four (24) storm event onsite.

Buffers:

Pursuant to the Seminole County Land Development Code (SCLDC), the proposed development is required to provide ten (10) foot-wide landscape buffers along the north and west portions of the site. However, due to the limited size of the property, the Applicant has applied the provisions of SCLDC Sec. 30.14.11- Constrained site buffers, as approved by the Development Services Director. This section allows a reduction in buffer width where the installation of standard buffers would reduce the developable area of the site by ten (10) percent or more. Accordingly, the Applicant is required to provide five (5) foot-wide buffers along the north and west property lines

The Master Development Plan (MDP) depicts a five (5) foot-wide landscape buffer with a three (3) foot hedge along the north and west perimeters to achieve the required 0.2 opacity. While there is no buffer requirement adjacent to the south of the property line, the applicant is proposing a five (5) foot-wide landscape buffer with an opacity of 0.1 to enhance site aesthetics and compatibility. There is no buffer requirement along the east property line. Final buffer compositions will be established and approved at Final Development Plan.

Open Space:

A minimum of twenty-five (25) percent open space is provided in compliance with the Seminole County Land Development Code (SCLDC) Sec. 30.14.2.2.

Consistency with the Land Development Code

The intent and purpose of the PD (Planned Development) zoning district is to promote flexibility and innovation to meet the needs of County residents and businesses by facilitating innovative design solutions and development plans, that may be difficult to achieve under conventional zoning regulations. Planned developments shall promote flexibility and creativity in addressing changing social, economic and market conditions, especially where they are used to implement adopted policies of the Comprehensive Plan.

The proposed PD Zoning designation and the associated Master Development Plan have been evaluated for compatibility with the SCLDC in accordance with Chapter 30, Part 8.

Review Criteria for Planned Developments, as per SCLDC Sec. 30.8.5.3, provides that in approving a Planned Development, the Board of County Commissioners shall affirm the following:

(a) Comprehensive Plan Consistency: In approving a Planned Development, the Board of County Commissioners shall affirm that the proposed development is consistent with the Comprehensive Plan and effectively implements any performance

criteria that the Plan may provide.

Staff Analysis:

See full Consistency with the Comprehensive Plan analysis below.

(b) Greater Benefit and Innovation Criteria: PD zoning may be approved only when the Board determines that the proposed development cannot be reasonably implemented though existing provisions of this Code, and that a PD would result in greater benefits to the County than development under conventional zoning district regulations.

Staff Analysis:

The proposed development is expected to reduce vehicle miles traveled (VMT) per household, as the integration of warehouse and commercial office uses within a single site, results in fewer daily vehicle trips, consistent with the Institute of Transportation Engineers (ITE) trip generation data, compared to the same uses developed separately on individually zoned properties.

Additionally, the project provides an innovative development concept that combines retail-commercial and office uses with accessory warehousing to support the principal operations within the building. The site integrates the pedestrian-oriented design of the MXD Future Land Use designation and complies with Land Development Code provisions for bicycle parking, thereby promoting multimodal connectivity and accessibility to the site.

(c) In addition, any proposed development under the PD (Planned Development) Ordinance must address the following goals:

1. Meet or exceed the arbor, tree preservation, and tree planting requirements of this Code on a project-wide basis.

Staff Analysis:

The proposed development exceeds the buffer requirements. The Applicant has applied the provisions of SCLDC Sec. 30.14.11- Constrained site buffers in order to achieve required buffers along the north and west property lines. While there is no buffer requirement adjacent to the south property line, the applicant is proposing a five (5) foot-wide landscape buffer with an opacity of 0.1, which will exceed the landscape buffer code requirements.

2. Minimize transportation impacts through design elements, which may include, but are not limited to multimodal connectivity; electric vehicle charging; infrastructure of

pedestrian or bicycle infrastructure exceeding the minimum standards; shared transportation parking or devices; pedestrian-oriented architectural design; accommodation or neighborhood electric vehicles; transportation demand management; or permitting complementary uses.

Staff Analysis:

The Applicant is proposing bicycle parking in accordance with the SCLDC and must provide pedestrian connectivity to the existing sidewalk along US Hwy 17-92.

(d) The PD application shall include a narrative addressing the following:

(1) How the proposed development addresses the goals of the Comprehensive Plan.

(2) Why the proposed development cannot be achieved under an existing conventional or special zoning district.

(3) How does the proposed development provide an innovative approach to land development.

(4) A description of benefits to the County that cannot be achieved under the existing provisions of this Code.

Staff Analysis:

The Applicant has provided a narrative addressing the requirements of this section. This narrative is provided in the agenda packet.

Consistency with the Comprehensive Plan

Under Policy FLU 2.9 Determination of Compatibility in the Planned Development Zoning Classification, the County shall consider uses or structures proposed within the Planned Development Zoning classification on a case by case basis evaluating the compatibility of the proposed use or structure with surrounding neighborhoods and uses. Compatibility may be achieved by application of performance standards such as but not limited to; lot size, setbacks, buffering, landscaping, lighting, and building heights.

The proposed PD zoning classification together with the associated MDP and Development Order (DO), appropriately addresses compatibility with the surrounding development pattern. The proposed PD establishes specific uses, defines maximum building height, and provides adequate buffering to ensure compatibility with the adjacent properties. In addition, any proposed lighting will be required to comply with the standards of the SCLDC. The PD proposes a maximum F.A.R. of 1.0, which is consistent with the MXD Future Land Use designation’s maximum allowable F.A.R. for

non-residential uses.

Pursuant to Policy FLU 4.2.2 (A)(4), new single-use non-residential development, including commercial office and very light industrial uses, are permitted on parcels smaller than six (6) acres. The subject property area is 0.47 acres, which meets this criterion.

In accordance with Policy FLU Policy 4.2.2 (F)(3), the Mixed-Use Development Future Land Use places emphasis on walkability. The proposed building façade is oriented to the west to provide direct pedestrian access and a sidewalk connection to the existing sidewalk network along US Highway 17-92, consistent with the intent to promote a walkable, connected development pattern.

Staff finds the proposed PD zoning classification to be consistent with the Comprehensive Plan.

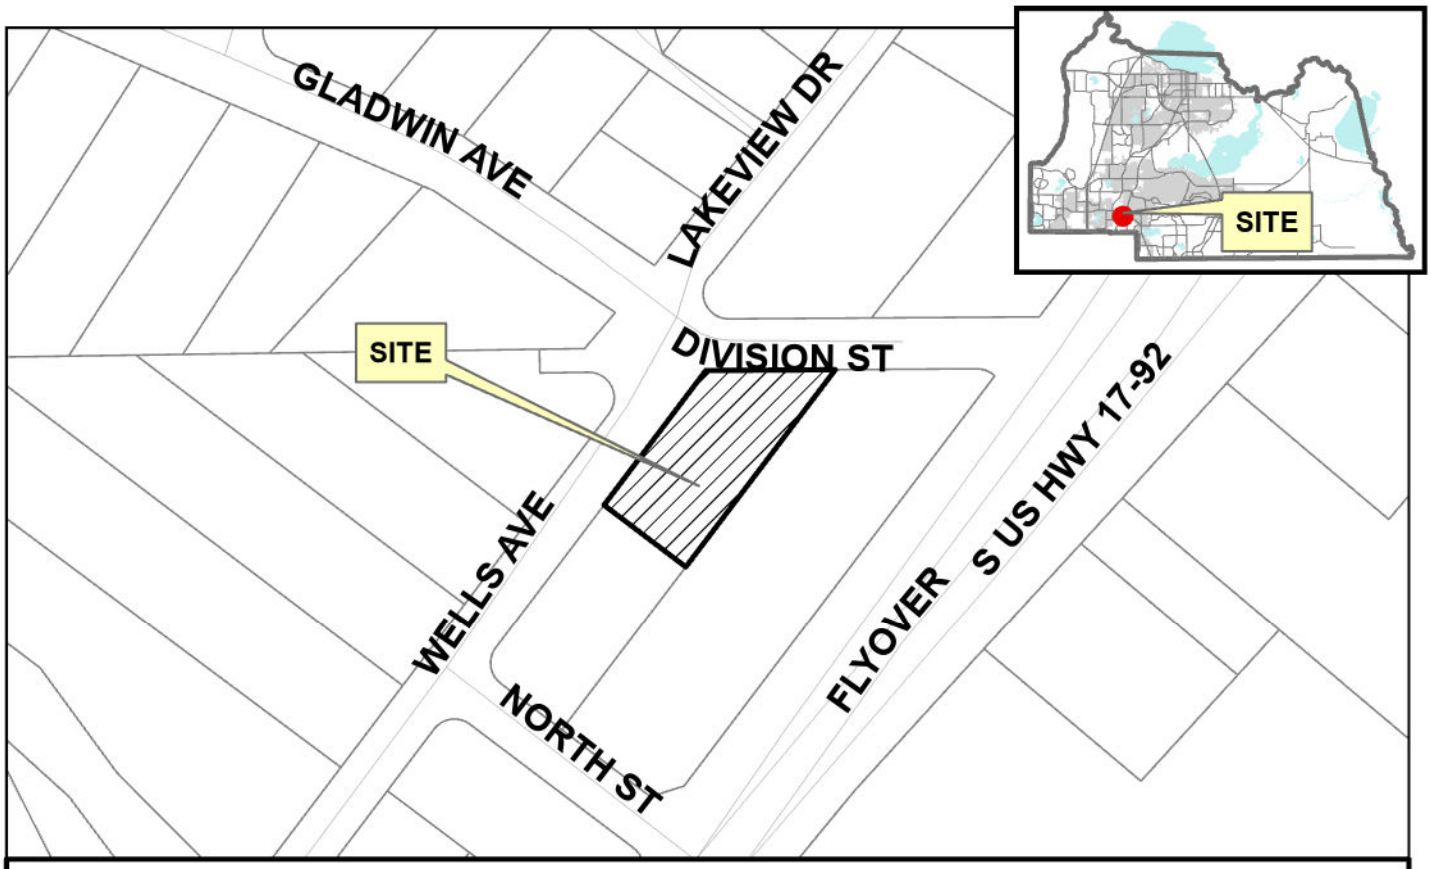

In compliance with Seminole County Land Development Code Sec. 30.49 - Community Meeting Procedure, the Applicant conducted a community meeting on September 9, 2025; details of the community meeting have been provided in the agenda package.

This Planning and Zoning Commission met on December 3, 2025, and voted unanimously to recommend the Board of County Commissioners adopt the Ordinance enacting a rezone from C-2 (General Commercial) to PD (Planned Development) for a proposed office and warehouse building on approximately 0.47 acres, located on the southeast corner of Division Street and Wells Avenue. The P&Z Board minutes from this meeting are attached.

Requested Action:

Staff requests the Board of County Commissioners adopt the Ordinance enacting a Rezone from C-2 (General Commercial) to PD (Planned Development) as per the following motion:

Based on Staff’s findings and the testimony and evidence received at the hearing, the Board of County Commissioners finds the request meets the identified portions of the Seminole County Land Development Code and recommends the Board adopt the requested Rezone from C-2 (Retail Commercial) to PD (Planned Development), and approve the associated Development Order and Master Development Plan.

ANALYSIS OF THE IMPACT OF THE PROPOSED PLANNED DEVELOPMENT ON ROADS, SCHOOLS, UTILITIES, AND OTHER PUBLIC FACILITIES

THE PROPOSED DEVELOPMENT IS A LOW-INTENSITY PROJECT SERVING AS A TRADES OFFICE AND WAREHOUSE FOR A LOCALLY OWNED AND OPERATED BUSINESS. IT PROVIDES AN APPROPRIATE TRANSITION FROM THE HIGH-INTENSITY CORRIDOR OF US 17-92 INTO THE ADJACENT RESIDENTIAL NEIGHBORHOOD TO THE NORTHWEST.

ROADS:
THE PROJECT INCLUDES 1,868 SQUARE FEET OF OFFICE SPACE AND 2,132 SQUARE FEET OF WAREHOUSE SPACE. BASED ON THE ITE TRIP GENERATION MANUAL, 11TH EDITION, THE FOLLOWING LAND USE CODES AND AVERAGE DAILY TRIP RATES ARE USED:

LUC 150 (WAREHOUSING): 1.74 TRIPS PER 1,000 SF GFA

LUC 710 (GENERAL OFFICE BUILDING): 9.74 TRIPS PER 1,000 SF GFA

ESTIMATED DAILY TRIPS:

WAREHOUSE: (2.132 * 1.74) = ~3.71 DAILY TRIPS

OFFICE: (1.868 * 9.74) = ~18.19 DAILY TRIPS

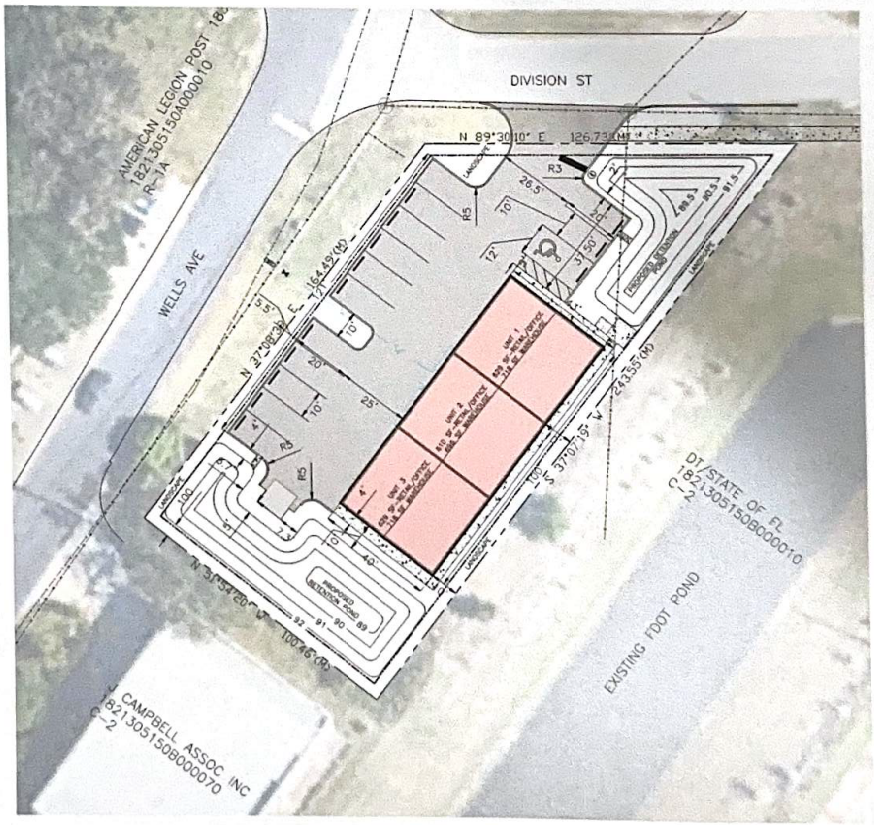

TOTAL ESTIMATED DAILY TRIPS: ~21.9 (ROUNDED TO 22 TRIPS/DAY)

THIS LOW VOLUME OF TRAFFIC IS NOT EXPECTED TO CREATE ANY MEASURABLE IMPACT ON THE SURROUNDING ROAD NETWORK OR LEVEL OF SERVICE.

SCHOOLS:
THERE IS NO RESIDENTIAL COMPONENT IN THE PROJECT. THEREFORE, THE DEVELOPMENT WILL NOT GENERATE ANY STUDENT POPULATION AND WILL HAVE NO IMPACT ON LOCAL SCHOOLS.

UTILITIES:
THE PROJECT INCLUDES NO FOOD PREPARATION AND NO HIGH-WATER-DEMAND PROCESSES. THEREFORE, WATER AND SEWER DEMAND WILL BE MINIMAL AND CAN BE ADEQUATELY SERVED BY EXISTING INFRASTRUCTURE. THE DEVELOPMENT IS NOT EXPECTED TO REQUIRE UTILITY UPGRADES.

OTHER PUBLIC FACILITIES:
DUE TO ITS SMALL SCALE AND LOW INTENSITY, THE PROJECT WILL NOT MATERIALLY IMPACT OTHER PUBLIC FACILITIES SUCH AS PARKS, LIBRARIES, OR EMERGENCY SERVICES.

Narrative – Marsden Building PD Application

(1) Consistency with the Comprehensive Plan
The proposed 4,000 SF commercial retail/showroom with office and warehouse space directly supports Seminole County's Comprehensive Plan by:

- Advancing the **Future Land Use designation of Mixed Development**, providing a balanced mix of retail and employment opportunities.
- Supporting the **economic development goals** of the Plan by creating space for a locally owned business and future job growth.
- Offering a **context-sensitive transition** between the high-intensity U.S. 17-92 corridor and the adjacent residential neighborhoods, consistent with the Plan's objective of promoting compatible infill development.

(2) Why existing zoning is inadequate
C-2 is sufficient for what we want. The county pushed for a PD per an overlay district.

(3) Innovative approach to land development
The project introduces an **innovative small-scale flex-space model**, integrating showroom, office, and warehouse functions under one roof within a compact footprint. This approach:

- Reduces vehicle trips (estimated 22 daily trips per ITE) compared to traditional separated commercial and industrial developments.
- Promotes **efficient site design**, providing 43% open space where 25% is required.
- Utilizes **shared access and circulation**, including internal pedestrian connectivity, bicycle parking, and low-impact stormwater design.
- Creates a sustainable small-business hub rather than a conventional strip commercial center.

(4) Unique benefits to the County
Benefits provided through this Planned Development zoning that cannot be achieved through existing zoning include:

- **Land Use Compatibility:** A planned, low-intensity project that acts as a buffer between U.S. 17-92 commercial and nearby residential properties.
- **Community Investment:** By tailoring entitlements to a specific small-business use, the project strengthens the local economy and ensures long-term site viability.
- **Reduced Public Burden:** Minimal impact on schools, utilities, and traffic reduces demand for County infrastructure and services compared to conventional commercial entitlements.

(5) Greater Benefit Criteria (SCLDC Sec. 30.8.5.3(b))
This development meets two or more Greater Benefit criteria:

1. **Enhanced Open Space and Landscaping**
    - Provides 43% open space versus the required 25%.

- Includes landscaped buffers on all perimeters and parking lot landscaping per Section 30.30.11.5.

2. **Multimodal Transportation Improvements**
   - Provides bicycle and motorcycle parking in compliance with SCLDC Sec. 30.11.7.1.
   - Includes internal pedestrian circulation to ensure safe access across the site.
3. **Compatibility and Transitional Design**
   - Provides a carefully scaled, low-intensity development that transitions between arterial commercial corridors and established neighborhoods, improving community character beyond what conventional zoning ensures.

NEW BUSINESS

Public Hearing Items:

1. Vantage Bank Special Exception - Consider a Special Exception to allow the use of a bank in the OP (Office) zoning district on approximately 1.52 acres, located at the corner of SR 434 and E Lake Brantley Dr; (BS2025-12); (Vanessa Johnson, Vantage Properties LLC, Applicant); District3 - Constantine; (Annie Sillaway, Principal Planner).

   Annie Sillaway, Principal Planner with Development Services, presented this item as stated in the Staff report. She further stated that the Applicant is requesting a Special Exception to reinstate the operation of a bank on the subject property, located at the corner of SR 434 and E Lake Brantley Dr on approximately 1.52 acres. The property has a Future Land Use of Office and OP (Office) zoning, which allows for the use of a bank if approved via a Special Exception. The property was originally approved to operate as a bank by the Board of Adjustment on September 17, 1984. In 1996, the Board of Adjustment approved a Special Exception to reinstate a bank use after the facility had been vacant for more than 180 days, causing the previous Special Exception to expire. Pursuant to Section 30.3.6 of the Seminole County Land Development Code (SCLDC), when a Special Exception use is discontinued or abandoned for 180 days or longer, the future use of the land shall revert to the

permitted uses in the district in which said land is located, and a new Special Exception is required for the proposed use. Due to the property not being used as a bank for more than 180 days, the Applicant, Vantage Bank, is required to obtain a new Special Exception to continue the banking use on the site. No site improvements are being proposed at this time, and the existing building will be reoccupied as a bank. Based on staff's analysis of the Special Exception criteria, the proposed use is not detrimental to the character of the surrounding area and is consistent with existing development patterns. The area to the north and west consists of residential professional office uses within the RP (Residential Professional) zoning district. Across Lake Brantley Drive, adjacent to the subject property, is an existing Seacoast Bank zoned PD (Planned Development), which permits banking uses. The use will not adversely affect the public interest, as a bank has continuously operated on the site since 1984. Regarding traffic patterns, the property contains an existing building with two established access points: primary access is on SR 434, and the secondary access is on Lake Brantley Road. These access points will not introduce additional noise or heavy commercial activity and are compatible with the surrounding residential areas while maintaining appropriate circulation for the bank. The proposed Special Exception does not increase the Floor Area Ratio beyond the maximum allowable Floor Area Ratio of 0.35. The Applicant is complying with the Additional Use Standard Criteria subsection (b) (1-4), for sites located in the OP (Office) zoning district. The site is compatible with the concept of low intensity of the OP zoning district and is compatible with the low intensity of land use and site coverage, has adequate access to urban services such as water and sewer, police and fire, and the use of a bank will not create, by reason of its characteristics a requirement for granting a variance, as stated in the agenda package. Per Section 30.3.5.1, the Division Manager may waive the required Community Meeting, based upon the needs of the abutting communities or the County, as a result of generally accepted land use planning practices and principles. Because the property has been continuously used as a bank since its original approval in 1984, the requirement for a community meeting has been waived for this Special Exception request. An email by Thomas Hewitt was received in support of this request, which has been provided to the Board. Staff finds the request meets the identified portions of Section 30.3.1.5 - Special Exceptions of the Seminole County Land Development Code; therefore, staff requests the Planning and Zoning Commission recommend the Board of County Commissioners approve the Special Exception and the associated Development Order, to allow the use of a bank in the OP (Office) zoning district.

Greg Nowak, for the applicant, of St. Petersburg, Florida, stated that the bank has continuously operated as a bank and has been shutdown for 180 days, therefore they are required to go through this process. They're happy to answer any questions that the Board may have.

No one from the audience spoke in favor or in opposition to this request.

Motion by Commissioner Carissa Lawhun, seconded by Commissioner Richard Jerman, to approve and refer the Vantage Bank Special Exception to the Board of County Commissioners. The motion carried unanimously.

Aye: Commissioner Smith, Commissioner Jerman, Commissioner Lawhun, Commissioner Lopez, Commissioner Lorenz, Commissioner Ioppolo, and Commissioner Aguirre

2. Marsden Building PD Rezone- Consider a Rezone from C-2 (General Commercial) to PD (Planned Development) for a proposed office and warehouse building on approximately 0.47 acres, located on the southeast corner of Division Street and Wells Avenue; (Z2025-07); (Daniel Marsden, Applicant); District 4 - Lockhart; (Kaitlyn Apgar, Senior Planner).

Kaitlyn Apgar, Senior Planner, presented this item as stated in the Staff report. She further stated that the applicant is requesting the approval for a Rezone from C-2 (General Commercial) to PD (Planned Development) for a proposed office and warehouse building on approximately 0.47 acres, located on the southeast corner of Division Street and Wells Avenue. The property currently has a zoning designation of C-2, General Commercial and a Future Land Use of Mixed Use Development. This future land use supports the proposed Planned Development Zoning. The Mixed Use Development Future Land Use allows for a maximum Floor Area Ratio of 1.0. The Applicant is proposing a Floor Area Ratio of 0.2. The property currently exists as a vacant, undeveloped lot. The applicant proposes to develop the site as a trades office with a warehouse component. The warehouse area is accessory to the office use and would exist within the building. The PD proposes sufficient setbacks and buffering between the proposed development and the abutting existing development to the south. The site is currently located within the City of Casselberry's water service area, Seminole County's sewer service area, and outside of any reclaimed water service area. The site will be required to connect to Seminole County's water and sewer systems. Prior to development, the property will be transferred to Seminole County's water service area during the final engineering stage to ensure that both water and sewer services are provided by the same utility provider. The property proposes access onto Division Street, which is classified as a local road. A minimum of twenty-five (25) percent open space is provided on site. The proposed development is consistent with the PD criteria as stated in the staff report. As a summary, the benefits of this development include the provision of expected reduction in vehicle miles traveled per household, new multi-modal connectivity through sidewalk connections and bicycle parking, and innovative development via the integration of trades office and warehouse uses. The PD proposes more than the required tree plantings via the additional buffer provided on the south side and minimizes transportation impacts by promoting accessibility. Consistency with the Comprehensive Plan is achieved through the projected Comprehensive Plan policies. The property is a new single use non-residential development proposing office and very light industrial uses. In order to develop the property as proposed, the Applicant is required to rezone to Planned Development in accordance with Comprehensive Plan Future Land Use Policy 4.2.2(F)(6), as the property is a new development on a non-residentially zoned lot. The proposed building façade is oriented to the west to provide direct pedestrian access and a sidewalk connection to the existing network, thus meeting the walk-able intent of the Future Land Use. Staff finds the proposed PD (Planned Development) zoning classification to be consistent with the Comprehensive Plan. In compliance with

Seminole County Land Development Code Section 30.49 - Community Meeting Procedure, the Applicant conducted a community meeting on September 9, 2025 with details of the community meeting provided in the agenda package. Staff requests the Planning and Zoning Commission approve and refer this item to the Board of County Commissioners.

Johnny Herbert, for the applicant, with American Civil Engineering in Winter Springs, Florida. He had nothing else to add and is available for questions.

Grace Edwards of Meredith Street in Fern Park, Florida spoke in opposition to this request. She hasn't seen any plans and doesn't know how contact sensitive this can be given it is immediately adjoining a residential neighborhood. This street has no sidewalks and doesn't understand how it is considered to have pedestrian walkways and walk-ability. There is a school bus stop at this corner. This would be an additional 39 trips per day. There is no safety for the children on the street. No one can walk on this street. This is an environmentally sensitive area with a lot of wildlife directly adjacent to this property. It appears to be a strip mall and asked what the hours of operation would be and lighting, as there is nothing shown on the plans.

Mr. Herbert, in his rebuttal, stated that the sidewalks in question are on US Hwy 17-92, along the front, since currently there is no way for a pedestrian to access from Division Street to US Hwy 17-92. They are putting in a sidewalk that connects back into that region. The site was previously developed as a Wendy's restaurant. The FDOT pond that was put into place cut the land in half, but there was development in that location previously. The use on the project is listed as the trades building, so there is nothing retail about it. It is a trades office that functions during business hours and has a low intensity.

Commissioner Tim Smith asked about the right-of-way for the existing sidewalks. Ms. Apgar responded that it will be off the north side towards Division Street and not internal on Wells Avenue.

Motion by Commissioner Richard Jerman, seconded by Commissioner Brandy Ioppolo, to approve and refer the Marsden Building PD Rezone to the Board of County Commissioners. The motion passed unanimously.

Vantage Bank Special Exception - Consider a Special Exception to allow the use of a bank in the OP (Office) zoning district on approximately 1.52 acres, located on the corner of SR 434, and East of Lake Brantley Dr; BS# 2025-12 (Vanessa Johnson - Vantage Properties, LLC, Applicant) District3 - Constantine (**Annie Sillaway, Principal Planner**)

Division:

Development Services

Authorized By:

Mike Rhodes - Interim Development Services Director

Contact/Phone Number:

Annie Sillaway/407-665-7936

Background:

The Applicant is requesting a Special Exception to reinstate the operation of a bank on the subject property. The property has a Future Land Use of Office and OP (Office) zoning, where banks are only allowed via a Special Exception.

The property was originally approved for a bank by the Board of Adjustment on September 17, 1984. In 1996, the Board of Adjustment approved a Special Exception to reinstate the bank use after the facility had been vacant for more than 180 days, causing the previous Special Exception to expire. Pursuant to Section 30.3.6 of the Seminole County Land Development Code (SCLDC), when a Special Exception use is discontinued or abandoned for 180 days or longer, the future use of the land shall revert to the permitted uses in the district in which said land is located, and a new Special Exception is required for the proposed use.

Due to the property not being used as a bank for more than 180 days, the Special Exception has expired; therefore, necessitating the need for another Special Exception.

No site improvements are being proposed at this time, and the existing building will be reoccupied as a bank. On March 2, 2022, the existing TD Bank approved a site plan to remove a retaining wall, sidewalk, and parking areas behind the drive-thru and relocate the parking toward the front of the property. The approved site plan meets the SCLDC requirements for required landscape buffers, and off-street parking requirements for the use of a bank.

STAFF FINDINGS

In reviewing Special Exception requests, Section 30.3.1.5(a) of the SCLDC requires that the Planning and Zoning Commission hold a public hearing to consider the proposed Special Exception and submit written recommendations to approve of conditions or deny the request to the Board of County Commissioners for official action. After reviewing the Special Exception request and a public hearing, the Board of County Commissioner may approve the request if it is determined that the use requested:

(1) Is not detrimental to the character of the area or neighborhood or inconsistent with trends of development in the area:

Staff Analysis:

The use of the site as a bank has been established since 1984. The site was originally approved for the use of a bank by the Board of Adjustment on September 17, 1984; the Special Exception was reinstated in 1996 after the use had been discontinued for 180 days.

The Applicant will be using the same drive thru lanes, existing building square feet, and off-street parking.

The existing trend of development of the area is residential, office, and commercial uses; the corner site on the west of the subject site currently operates as a Seacoast Bank.

(2) Does not have an unduly adverse effect on existing traffic patterns, movements and volumes:

Staff Analysis:

The subject site has been utilized as a bank intermittently since 1984. At time of original approval the use was evaluated for traffic impacts; therefore, the bank is not expected to have an unduly adverse effect on existing traffic patterns, movements and volumes.

(3) Is consistent with the County's Comprehensive Plan:

Staff Analysis:

The subject property has a Future Land Use designation of Office. Pursuant to the Seminole County Comprehensive Plan, the purpose and intent of this land use designation is to identify locations for a variety of office uses and allow for the conversion of existing residential structures to low intensity (residential professional) office uses. This Land Use permits the use of a bank, when approved through the Special Exception process.

Further, the requested Special Exception to allow the use of a bank would not increase the Floor Area Ratio (F.A.R.) above 0.35, which is the maximum allowed intensity in the Office Future Land Use; therefore, the request is consistent with the Seminole County Comprehensive Plan.

(4) Will not adversely affect the public interest:

Staff Analysis:

The use of a bank has been established on the subject site since 1984. Along SR 434, there is an existing Seacoast bank and existing professional office establishments. Therefore, granting the subject Special Exception will not adversely affect public interest.

(5) Meets any Special Exception criteria described in *Additional Use Standards*.

Staff Analysis:

Not applicable to this request.

(6) Meets the following additional requirements if located in the OP (Office) zoning district:

(i) Is consistent with the general zoning category and plan of the OP (Office) District.

Staff Analysis:

The use of a bank is consistent with the zoning category of Office with the intent of an office use that provides a transactional service to their bank members. The site currently has two (2) access points: The primary access point is from SR 434, which is classified as an arterial roadway, and the secondary access point is from Lake Brantley Drive, which is classified as a local road. The existing site will not introduce any noise or heavy commercial operations. Overall, the continued use of the site as a bank can be found to satisfy the OP District's purpose of promoting orderly, low-intensity development that blends with nearby residential areas while maintaining

appropriate access and circulation characteristics.

(ii) Is compatible with the concept of low intensity of land usage and site coverage.

Staff Analysis:

A bank is considered a low traffic generator with limited noise and operational impacts compared to retail and commercial uses. The hours of operation are daytime hours between 9 a.m.- 5 p.m. (with some mid-week extensions to 6:00 p.m.) Monday - Friday and 9 a.m. - 5 p.m. on Saturday. The bank use is primarily inside the building with vehicles utilizing the drive-thru sporadically throughout the day. The size of the existing building 3,228 square feet, which is compatible with the surrounding office and bank uses in the surrounding area.

(iii) Has access to urban services, such as sewer, water, police, fire, and related services.

Staff Analysis:

The existing building is already connected to water and sewer, and the subject property is addressed for police and fire to locate the site.

(iv) Will not create, by reason of its characteristics, a requirement for the granting of a variance as a prerequisite to the granting of said special exception, especially (by way of illustration and not limitation) variances relating to setbacks, lot size, building height, access, or parking and loading.

Staff Analysis:

During the review of the conceptual plan, the Applicant demonstrated that the subject site meets the minimum building setbacks, lot size, width at building line, building height, and the minimum off-street parking requirements for a bank.

Community Meeting

Per Sec. 30.3.5.1 - The Division Manager may waive the required Community Meeting, based upon the needs of the abutting communities or the County, as a result of generally accepted land use planning practices and principles. Because the property has been continuously used as a bank since its original approval in 1984, the requirement for a community meeting has been waived for this Special Exception request.

Planning and Zoning Commission

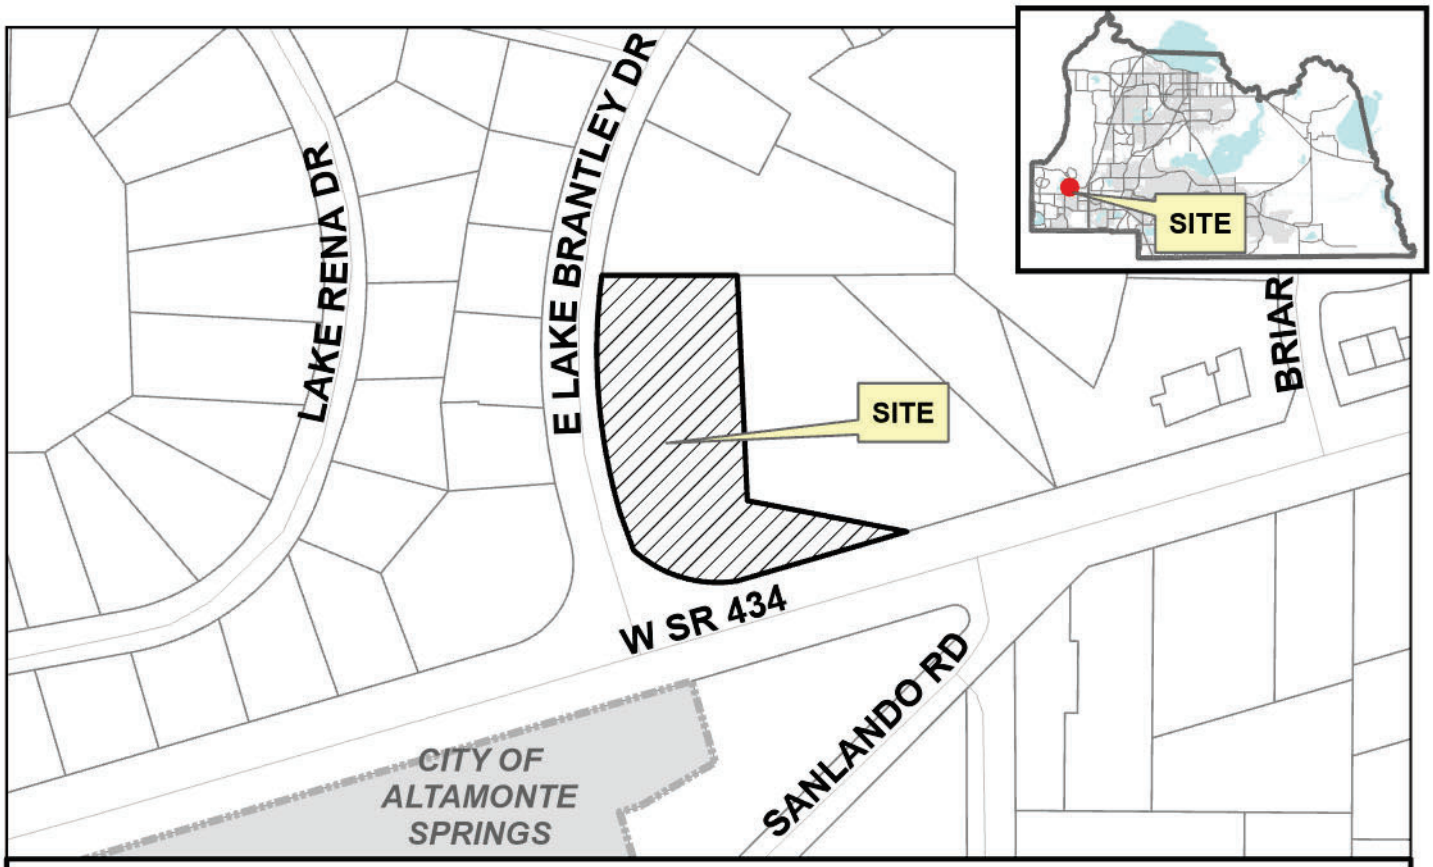

The Planning and Zoning Commission met on December 3, 2025, and voted

unanimously to recommend the Board of County Commissioners approve the Special Exception and the associated Development Order, to allow the use of a bank in the OP (Office) zoning district on approximately 1.52 acres, located at the corner of SR 434 and E Lake Brantley Dr.

Requested Action:

Staff requests the Board of County Commissioners approve the Special Exception as per the following motion:

Based on Staff's findings and testimony and evidence received at the hearing, the Board of County Commissioners finds the request meets the identified portions of the Seminole County Land Development Code and moves to approve the Special Exception to allow, with the conditions stated in the Development Order, a bank in the OP (Office) district.

RE: 2675 W SR 434, Longwood, FL 32779 – Special Exception Use for PNC Bank

SPECIAL EXCEPTION STATEMENT OF REQUEST

The property located at 2675 W. State Road 434, Longwood, FL has operated as a bank since 1986. Under the current OP zoning designation, a bank use is permitted only by Special Exception. Following the closure of TD Bank on April 26, 2024, the building has remained vacant for more than 180 days, prompting this request for approval of the proposed new tenant, **PNC Bank**.

The site encompasses 1.52 acres of developed land and includes an existing 3,295± square-foot bank building with three drive-thru lanes, a covered ATM, 17 parking spaces, site lighting, signage, and landscaping. Utilities are provided as follows: water service by Seminole County Utilities, electric service by Duke Energy, and a private septic system with drain field for sewer/waste. Stormwater is managed via existing storm drains and sheet flow into the lake, a portion of which lies on the property. Site access is available from both East Lake Brantley Drive and West State Road 434.

Surrounding uses include:

- North: administrative office building
- South (across SR 434): outdoor furniture store
- East: densely vegetated land and a lake
- West (across East Lake Brantley Drive): eyecare offices, construction company offices, and a bank

The proposed PNC branch is expected to employ approximately six staff members on-site at a time and operate with the following hours:

- Monday–Friday: 9:00 AM – 5:00 PM (with some mid-week extensions to 6:00 PM)
- Saturday: 9:00 AM – 1:00 PM
- Sunday: Closed (with limited exceptions for grocery-store locations)
- Drive-thru: Typically opens about 30 minutes earlier than lobby hours

Additionally, we respectfully request a waiver of the **Community Meeting** given the property has functioned as a bank for nearly 40 years without adverse impact, and no major modifications to the site are anticipated.

NEW BUSINESS

Public Hearing Items:

1. Vantage Bank Special Exception - Consider a Special Exception to allow the use of a bank in the OP (Office) zoning district on approximately 1.52 acres, located at the corner of SR 434 and E Lake Brantley Dr; (BS2025-12); (Vanessa Johnson, Vantage Properties LLC, Applicant); District3 - Constantine; (Annie Sillaway, Principal Planner).

   Annie Sillaway, Principal Planner with Development Services, presented this item as stated in the Staff report. She further stated that the Applicant is requesting a Special Exception to reinstate the operation of a bank on the subject property, located at the corner of SR 434 and E Lake Brantley Dr on approximately 1.52 acres. The property has a Future Land Use of Office and OP (Office) zoning, which allows for the use of a bank if approved via a Special Exception. The property was originally approved to operate as a bank by the Board of Adjustment on September 17, 1984. In 1996, the Board of Adjustment approved a Special Exception to reinstate a bank use after the facility had been vacant for more than 180 days, causing the previous Special Exception to expire. Pursuant to Section 30.3.6 of the Seminole County Land Development Code (SCLDC), when a Special Exception use is discontinued or abandoned for 180 days or longer, the future use of the land shall revert to the

permitted uses in the district in which said land is located, and a new Special Exception is required for the proposed use. Due to the property not being used as a bank for more than 180 days, the Applicant, Vantage Bank, is required to obtain a new Special Exception to continue the banking use on the site. No site improvements are being proposed at this time, and the existing building will be reoccupied as a bank. Based on staff's analysis of the Special Exception criteria, the proposed use is not detrimental to the character of the surrounding area and is consistent with existing development patterns. The area to the north and west consists of residential professional office uses within the RP (Residential Professional) zoning district. Across Lake Brantley Drive, adjacent to the subject property, is an existing Seacoast Bank zoned PD (Planned Development), which permits banking uses. The use will not adversely affect the public interest, as a bank has continuously operated on the site since 1984. Regarding traffic patterns, the property contains an existing building with two established access points: primary access is on SR 434, and the secondary access is on Lake Brantley Road. These access points will not introduce additional noise or heavy commercial activity and are compatible with the surrounding residential areas while maintaining appropriate circulation for the bank. The proposed Special Exception does not increase the Floor Area Ratio beyond the maximum allowable Floor Area Ratio of 0.35. The Applicant is complying with the Additional Use Standard Criteria subsection (b) (1-4), for sites located in the OP (Office) zoning district. The site is compatible with the concept of low intensity of the OP zoning district and is compatible with the low intensity of land use and site coverage, has adequate access to urban services such as water and sewer, police and fire, and the use of a bank will not create, by reason of its characteristics a requirement for granting a variance, as stated in the agenda package. Per Section 30.3.5.1, the Division Manager may waive the required Community Meeting, based upon the needs of the abutting communities or the County, as a result of generally accepted land use planning practices and principles. Because the property has been continuously used as a bank since its original approval in 1984, the requirement for a community meeting has been waived for this Special Exception request. An email by Thomas Hewitt was received in support of this request, which has been provided to the Board. Staff finds the request meets the identified portions of Section 30.3.1.5 - Special Exceptions of the Seminole County Land Development Code; therefore, staff requests the Planning and Zoning Commission recommend the Board of County Commissioners approve the Special Exception and the associated Development Order, to allow the use of a bank in the OP (Office) zoning district.

Greg Nowak, for the applicant, of St. Petersburg, Florida, stated that the bank has continuously operated as a bank and has been shutdown for 180 days, therefore they are required to go through this process. They're happy to answer any questions that the Board may have.

No one from the audience spoke in favor or in opposition to this request.

Motion by Commissioner Carissa Lawhun, seconded by Commissioner Richard Jerman, to approve and refer the Vantage Bank Special Exception to the Board of County Commissioners. The motion carried unanimously.

Aye: Commissioner Smith, Commissioner Jerman, Commissioner Lawhun, Commissioner Lopez, Commissioner Lorenz, Commissioner Ioppolo, and Commissioner Aguirre

2. Marsden Building PD Rezone- Consider a Rezone from C-2 (General Commercial) to PD (Planned Development) for a proposed office and warehouse building on approximately 0.47 acres, located on the southeast corner of Division Street and Wells Avenue; (Z2025-07); (Daniel Marsden, Applicant); District 4 - Lockhart; (Kaitlyn Apgar, Senior Planner).

Kaitlyn Apgar, Senior Planner, presented this item as stated in the Staff report. She further stated that the applicant is requesting the approval for a Rezone from C-2 (General Commercial) to PD (Planned Development) for a proposed office and warehouse building on approximately 0.47 acres, located on the southeast corner of Division Street and Wells Avenue. The property currently has a zoning designation of C-2, General Commercial and a Future Land Use of Mixed Use Development. This future land use supports the proposed Planned Development Zoning. The Mixed Use Development Future Land Use allows for a maximum Floor Area Ratio of 1.0. The Applicant is proposing a Floor Area Ratio of 0.2. The property currently exists as a vacant, undeveloped lot. The applicant proposes to develop the site as a trades office with a warehouse component. The warehouse area is accessory to the office use and would exist within the building. The PD proposes sufficient setbacks and buffering between the proposed development and the abutting existing development to the south. The site is currently located within the City of Casselberry's water service area, Seminole County's sewer service area, and outside of any reclaimed water service area. The site will be required to connect to Seminole County's water and sewer systems. Prior to development, the property will be transferred to Seminole County's water service area during the final engineering stage to ensure that both water and sewer services are provided by the same utility provider. The property proposes access onto Division Street, which is classified as a local road. A minimum of twenty-five (25) percent open space is provided on site. The proposed development is consistent with the PD criteria as stated in the staff report. As a summary, the benefits of this development include the provision of expected reduction in vehicle miles traveled per household, new multi-modal connectivity through sidewalk connections and bicycle parking, and innovative development via the integration of trades office and warehouse uses. The PD proposes more than the required tree plantings via the additional buffer provided on the south side and minimizes transportation impacts by promoting accessibility. Consistency with the Comprehensive Plan is achieved through the projected Comprehensive Plan policies. The property is a new single use non-residential development proposing office and very light industrial uses. In order to develop the property as proposed, the Applicant is required to rezone to Planned Development in accordance with Comprehensive Plan Future Land Use Policy 4.2.2(F)(6), as the property is a new development on a non-residentially zoned lot. The proposed building façade is oriented to the west to provide direct pedestrian access and a sidewalk connection to the existing network, thus meeting the walk-able intent of the Future Land Use. Staff finds the proposed PD (Planned Development) zoning classification to be consistent with the Comprehensive Plan. In compliance with

Seminole County Land Development Code Section 30.49 - Community Meeting Procedure, the Applicant conducted a community meeting on September 9, 2025 with details of the community meeting provided in the agenda package. Staff requests the Planning and Zoning Commission approve and refer this item to the Board of County Commissioners.

Johnny Herbert, for the applicant, with American Civil Engineering in Winter Springs, Florida. He had nothing else to add and is available for questions.

Grace Edwards of Meredith Street in Fern Park, Florida spoke in opposition to this request. She hasn't seen any plans and doesn't know how contact sensitive this can be given it is immediately adjoining a residential neighborhood. This street has no sidewalks and doesn't understand how it is considered to have pedestrian walkways and walk-ability. There is a school bus stop at this corner. This would be an additional 39 trips per day. There is no safety for the children on the street. No one can walk on this street. This is an environmentally sensitive area with a lot of wildlife directly adjacent to this property. It appears to be a strip mall and asked what the hours of operation would be and lighting, as there is nothing shown on the plans.

Mr. Herbert, in his rebuttal, stated that the sidewalks in question are on US Hwy 17-92, along the front, since currently there is no way for a pedestrian to access from Division Street to US Hwy 17-92. They are putting in a sidewalk that connects back into that region. The site was previously developed as a Wendy's restaurant. The FDOT pond that was put into place cut the land in half, but there was development in that location previously. The use on the project is listed as the trades building, so there is nothing retail about it. It is a trades office that functions during business hours and has a low intensity.

Commissioner Tim Smith asked about the right-of-way for the existing sidewalks. Ms. Apgar responded that it will be off the north side towards Division Street and not internal on Wells Avenue.

Motion by Commissioner Richard Jerman, seconded by Commissioner Brandy Ioppolo, to approve and refer the Marsden Building PD Rezone to the Board of County Commissioners. The motion passed unanimously.

Aye: Commissioner Smith, Commissioner Jerman, Commissioner Lawhun, Commissioner Lopez, Commissioner Lorenz, Commissioner Ioppolo, and Commissioner Aguirre

Please briefly state your experience, interests, or elements of your personal history that you think qualify you for appointment to the board(s) you have chosen.	Danny Trosset is the Tourism Division Manager for Seminole County. He was born and raised in Orlando, Florida and has been with Seminole County since 2008, previously serving as the Executive Director of Tourism and the Director of Sports Tourism before taking on his current role as the Tourism Division Manager for Seminole County. As the Tourism Division Manager, Danny oversees the sports tourism efforts for Seminole County to maximize economic impact generated by sports tournaments and events. Last year under Danny's leadership, the Seminole County sports tourism team hosted over 90 different sporting events that generated over 64 million dollars in economic impact for Seminole County. Danny has been instrumental in growing and expanding the County's sports tourism initiatives by developing strategic partnerships with various event organizations including the Greater Orlando Sports Commission that bring a substantial economic impact to Seminole County. Danny is married to his wife Amanda, and they have three children.

	Outside of bringing in sports tournaments and spending time with his family, Danny also runs a non-profit organization called Sports 4 The Kids whose mission is to provide financially disadvantaged youth throughout Central Florida with the opportunity to participate in local sports programs. Danny strongly believes that every kid should have the opportunity to participate in sports. Since the organization was founded Danny and his team has helped provide over 2,000 kids with sports scholarships and sports equipment so they can participate in local sports programs.

pertinent to GO SPORTS's performance obligations and compliance with the terms of this Agreement.

(g) The provisions of this Section and the obligations hereunder shall survive the termination of this Agreement.

Section 7. Representation on GO SPORTS's Board of Directors. At its discretion, COUNTY may designate an individual to represent Seminole County on the Central Florida Sports Commission Board of Directors as a fully entitled voting member to be voted on and approved by GO SPORTS's Board of Directors, subject to GO SPORTS's bylaws. The representative established through this provision shall be in addition to the current seat on the GO SPORTS's Board of Directors designated as representing Seminole County. In accordance with GO SPORTS's bylaws, the proposed individuals may not be elected officials.

Section 8. Marketing Material. GO SPORTS will include Seminole County as an event/activity co-sponsor and/or host on all bids and marketing materials relating to Seminole County. SPORTS to fulfill GO SPORTS's Agreement obligations. Upon receipt of such notice, GO SPORTS shall:

(1) Immediately discontinue all services affected unless the notice directs otherwise; and

(2) Deliver to COUNTY all plans, studies, reports, summaries, and such other information and materials as may have been accumulated by GO SPORTS in performing this Agreement, whether completed or in process.

(b) If the termination is due to the failure of GO SPORTS to fulfill its Agreement obligations, COUNTY may take over the work and prosecute the same to completion by Agreement or otherwise. In such case, GO SPORTS shall be liable to COUNTY for reasonable additional costs occasioned to COUNTY thereby. GO SPORTS shall not be liable for such additional costs if the failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of GO SPORTS. Such causes may include, but are not limited to, acts of God or of the public enemy, acts of COUNTY in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but, in every case, the failure to perform must be beyond the control and without the fault or negligence of GO SPORTS.

(c) The rights and remedies of COUNTY provided in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

Section 11. Equal Opportunity Employment. This provision shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

Section 12. No Contingent Fees. GO SPORTS warrants that it has not employed or retained any company or persons other than a bona fide employee working solely for GO SPORTS to solicit or secure this Agreement and that GO SPORTS has not paid or agreed to pay any persons, company, corporation, individual, or firm, other than a bona fide employee working solely for GO SPORTS, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, COUNTY shall have the right to terminate this Agreement at its discretion without liability and to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.

Section 13. Assignment. This Agreement, or any interest herein, shall not be assigned, transferred, or otherwise encumbered under any circumstances by the parties hereto without prior written consent of the opposite party and only by a document of equal dignity herewith.

Section 14. Subcontractors. In the event GO SPORTS, during the course of the work under this Agreement, requires the services of any subcontractors or other professional associates in connection with service covered by this Agreement, GO SPORTS must secure the prior written approval of COUNTY. Section 15. Indemnification of COUNTY. GO SPORTS agrees to hold harmless, replace, and indemnify COUNTY, its commissioners, officers, employees, and agents against any and all claim, losses, damages, or lawsuits for damages, arising from, allegedly arising from, or related to the provision of services hereunder by GO SPORTS whether caused by GO SPORTS or otherwise. This hold harmless, release, and indemnification shall include any claim based on negligence, action, or inaction of the parties.

Section 16. Insurance.

(a) General. GO SPORTS, at its sole expense, shall maintain the insurance required under this Section at all times throughout the duration of this Agreement and have this insurance approved by COUNTY's Risk Program Manager with the Resource Management Department.

(1) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by GO SPORTS will relieve GO SPORTS of its full responsibility for liability, damages, and accidents.

(2) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by GO SPORTS in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of GO SPORTS.

(3) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then GO SPORTS shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and GO SPORTS shall remedy any deficiencies in the policies of insurance within ten (10) days.

(4) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of GO SPORTS or any other party.

(b) General Requirements.

(1) GO SPORTS shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and including the following as Certificate Holder:

Until such time as the insurance is no longer required to be maintained, GO SPORTS shall provide COUNTY with a renewal or replacement Certificate of Insurance before the expiration or replacement of the insurance for which a previous certificate has been provided.

(2) The Certificate of Insurance shall contain a statement that it is being provided in accordance with this Agreement and that the insurance is in full compliance with the insurance requirements of this Agreement. **The Certification of Insurance shall have this Agreement title clearly marked on its face.**

(4) Deductible and self-insured retention amounts must be declared to and approved by COUNTY and must be reduced or eliminated upon written request from COUNTY. The risk of loss within the deductible amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by GO SPORTS.

(5) The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer.

(6) In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to COUNTY and COUNTY shall apportion the proceeds between COUNTY and GO SPORTS as their interests may appear.

(7) Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, and Business Auto policies.

(8) Coverage: The insurance provided by GO SPORTS pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or COUNTY's officials, officers, or employees must be in excess of and not contributing with the insurance provided by GO SPORTS.

(9) Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida, and its respective officials,

(10) Provision: Commercial General Liability and Umbrella Liability Policies required by this Agreement must be provided on an occurrence rather than a claims-made basis.

(c) Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements.

(1) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida, or (b) with respect only to the coverage required by this agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes (2022), as this statute may be amended from time to time.

(2) In addition, such companies other than those authorized by Section 624.4621, Florida Statutes (2022), as this statute may be amended from time to time, must have and maintain a Best's Rating of "A-" or better and a Financial Size Category of "VII" or better according to A.M. Best Company.

Approval of exemption is subject to COUNTY's sole discretion. If approved, the named individuals listed in COUNTY'S approved exemption will be the only individuals authorized to perform work under this Agreement.

(E) Any vendor or contractor, including GO SPORTS, using an employee leasing company must complete the COUNTY'S Leased Employee Affidavit.

Coverage must include owned, non-owned, and hired autos or any auto. In the event GO SPORTS does not own automobiles, GO SPORTS shall maintain coverage for hired and non-owned auto liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy. If the contract involves operations governed by Sections 29 or 30 of the Motor Carrier Act of 1980, endorsement MCS-90 is required.

Section 17. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties agree to exhaust COUNTY dispute resolution procedures prior to filing suit or otherwise pursuing legal remedies. Mediator selection and the procedures to be employed in voluntary mediation shall be mutually acceptable to the parties. Costs of voluntary mediation shall be shared equally among the parties participating in the mediation.

Section 18. Representative of COUNTY and GO SPORTS.

(a) It is recognized that questions in the day-to-day conduct of performance pursuant to this Agreement will arise. COUNTY, upon request by GO SPORTS, shall designate in writing and shall advise GO SPORTS in writing of one or more COUNTY employees to whom all communications pertaining to the day-to-day conduct of this Agreement shall be addressed. The designated representative shall have the authority to transmit instructions, receive information, and interpret and define COUNTY's policy and decisions pertinent to the work covered by this Agreement.

(b) GO SPORTS shall at all times during the normal work week designate or appoint one or more representatives of GO SPORTS who are authorized to act on behalf of GO SPORTS regarding all matters involving the conduct of the performance pursuant to this Agreement and shall keep COUNTY continually advised of such designation.

Section 21. Independent Contractor.

(a) It is agreed that nothing herein contained is intended or should be construed as in any manner creating or establishing a relationship of co-partners between the parties or as constituting GO SPORTS, including its officers, employees and agents, as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. GO SPORTS is to be and shall remain an independent contractor with respect to all services performed under this Agreement.

(b) It is specifically understood between the parties that any GO SPORTS employees dedicated to or doing work regarding Seminole County sports marketing and sports business development, as described in Exhibit A, shall for all purposes remain the employees of GO SPORTS and will not be considered employees of COUNTY for any purpose, nor will they be eligible for or entitled to any of the benefits of COUNTY employees.

Total Annual Contract	$100,000 annual base retainer + Incentive

$100,000 annual retainer designated for continued level of service provided by securing events designated in subsection 4A below, maintaining relationships with sports organizations designated in subsection 4A below, and developing new relationships and event opportunities on behalf of Seminole County with the goal of producing 10,000 hotel rooms annually for Seminole County. Greater Orlando Sports Commission (GO Sports) may earn an additional incentive in the amount of $10.00 for every Seminole County room night generated above 10,000 rooms for each fiscal year; the additional incentive shall not exceed $50,000 per fiscal year. GO Sports may request an increase to the annual retainer within this agreement if overperformance of room nights is clearly demonstrated by GO Sports within any given year of this agreement. Further, it is understood that an increase to the annual base retainer would be reflective and proportionate to an increase in the room night base goal and would have to be mutually agreed upon by the County and GO Sports prior to the start of the next fiscal year.

In addition to Seminole County hotel room nights, verified Airbnb, VRBO, HomeAway and all other short-term vacation rental room rights in Seminole County from GO Sports events shall be included in GO Sports's final room night reconciliation for each year of the agreement. Surveys will be utilized by GO Sports and verified receipts shall be provided to the County when verifying short term vacation rental room nights. Seminole County and GO Sports shall work cooperatively to mutually agree upon how short-term rentals will be counted as room nights in Seminole County and may use methodologies based on comparable hotel room usage. GO Sports may also receive credit for verified room nights booked in Seminole County from regional events brought in and

hosted outside of the County such as NCAA events, World Cup, Champions Cup, etc. These regional events that generate room nights in Seminole County can be counted towards the GO Sports annual room night goal if the room nights can be tracked and verified.

II. SCOPE OF SERVICES:

The scope of services the Greater Orlando Sports Commission (GO Sports) will provide Seminole County (County) with respect to sports tourism business development is as follows:

1. Go Sports shall meet with designated County staff on a monthly basis to discuss and review GO Sports's efforts to pursue state, national, and international sports events, conventions, and sports- related businesses for the purpose of assisting the County in developing programs and promotions that will increase the tourist development tax collection in Seminole County. In addition, these meetings will serve as an opportunity for GO Sports and the Seminole County Director of Sports Tourism (a/k/aOrlando North Seminole County Sports) to coordinate all event marketing and bid details and to review all logistics and details of event delivery to include facility and operational requirements as described within bid proposals. This would also include meetings prior to and following each event with representatives from Seminole County Sports and Leisure Services to review logistics and specific deliverables associated with the event.

2. Go Sports shall secure private funding, both cash and in-kind, to support GO Sports's regional efforts to include Seminole County sports events. GO Sports shall apply for Florida Sports Foundation (FSF) grants on behalf of the County for select events annually if the County meets the appropriate application deadlines. County shall provide applications within 30 days of FSF deadlines, along with post report documents within 60 days of the conclusion of the events. These events must meet thresholds set by FSF.

3. Go Sports shall prepare and submit bids to local, regional, national, and international organizations in the markets listed below in 4A.

4. A. Go Sports shall solicit event organizers and secure events within the following markets for Seminole County venues:
   - **Professional:** Meetings, training, camps, and clinics
   - **Collegiate:** NCAA, NAIA, JUCO, Collegiate Conference Championships, Collegiate Team Trainings and Collegiate Club Championships/Trainings. The County has existing collegiate events and relationships with Seminole State and UCF, and these events and relationships shall continue to be managed by the County.
   - **High School:** FHSAA
   - **Club:** Excluding softball and baseball. Professional, Collegiate, National Governing Bodies (or International Governing Bodies of Sport) or FHSAA high school events that require local club affiliation to support the event would be the responsibility of GO Sports (a/k/a the Central Florida Sports Commission, Inc.). All other adult or youth events that require local club support would be the responsibility of the County unless previously approved by the County.
   - **GO Sports created:** Excluding softball and baseball.
   - **E-Sports:** Professional, collegiate, amateur, youth, adult, and high school.

B. If any new sports event approaches GO Sports for use of Seminole County venues, with exception to the markets listed above in 4A, GO Sports shall turn over the lead to Seminole County Sports and Leisure Services (a/k/a Orlando North, Seminole County Sports) for fulfillment. If a new sports event within the markets listed above in 4A approaches Seminole County Sports and Leisure Services (a/k/a Orlando North, Seminole County Sports), the lead shall be turned over to GO Sports for fulfillment. If a GO Sports managed event contracted at another Seminole County venue requires overflow into Boombah Soldiers Creek or Boombah Sports Complex, GO Sports is to fulfill and manage the event.

C. Seminole County Sports and Leisure Services (a/k/a Orlando North, Seminole County Sports) will continue to focus on all other youth sports business development not listed above in 4A. GO Sports will not solicit youth baseball and softball event organizers or any market outside of the specific markets identified above in 4A.

5. Assist sports organizations that wish to hold events in Seminole County to obtain tourist development tax funding for the promotion and advertising of the event in the markets listed above in 4A. GO Sports, however, is not the sole conduit through which these sports organizations may apply for said funds.

6. Assist sports organizations with housing needs, providing event organizers with GO Sports's resources for sourcing housing options at no cost to the event organizer in the markets listed above in 4A. Only room nights generated in Seminole County will be counted towards the Room Night Incentive.

7. Provide event management for specific events that GO Sports contracts at various venues located within Seminole County.

8. Include and showcase Seminole County (a/k/a Orlando North, Seminole County Sports), its facilities, and its relevant resources in all marketing, promotional, and informational efforts at national conferences and tradeshows at GO Sports's expense.

9. Provide a bi-monthly report to the Director of Sports Tourism for Seminole County Sports and Leisure Services (a/k/a Orlando North, Seminole County Sports), along with a report to the Seminole County Tourist Development Council for each Tourist Development Council meeting, documenting GO Sports's efforts to secure sports events for Seminole County. In addition, at the request of Seminole County, GO Sports will provide a briefing of contract details between GO Sports and any entity concerning use of any County owned venues to the Seminole County Director of Sports Tourism (a/k/afor Orlando North Seminole County Sports).

10. Assist Seminole County, as necessary, in its efforts to upgrade and build public sports venues.

11. When appropriate, solicit state, national, and international sports related businesses to relocate to Seminole County and assist such businesses in their relocation efforts.

12. Submit to the County, in addition to reports previously mentioned, an annual audit and such other reports and documentation as may be requested from time to time by the Seminole County Tourism Development Director.

13. Include Seminole County as an event/activity co-sponsor and/or host on all GO Sports bids for Seminole County venues. In addition, GO Sports will include Seminole County in its international, national and regional marketing efforts to include, but not limited to, the following: social media posts, website, newsletters, press conferences, stakeholders meetings, tradeshow materials and community-based functions. GO Sports will also make available to Seminole County Sports and Leisure Services (a/k/a Orlando North, Seminole County Sports) any photos of events that have been taken by GO Sports for possible use in Seminole County Sports and Leisure Services (a/k/a Orlando North, Seminole County Sports) marketing materials. Any printed materials that pertain to the marketing of Seminole County facilities must be approved by Seminole County Sports and Leisure Services (a/k/a Orlando North, Seminole County Sports) prior to the printing.

14. Collaborate with Seminole County to organize and execute familiarization tours, potentially in conjunction with other regional tourism partners, to promote and highlight Seminole County sports venues, hotels, attractions, restaurants, and shopping outlets.

They must be preserved, as well as expanded if possible, to achieve a balance between nature and the encroachment from inevitable growth in the county.
