INDIVIDUAL PROPOSAL SCORES

Agile Global Solutions, Inc.

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 24

Agile Global Solutions has solid relevant experience providing IT resources to government and private sector clients.

Jeff Leveroni: 1

Barely a proposal -- insufficient information.

Clint Patterson: 28

Vendor listed public sector references.

Joel Templo: 15

average

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 21

Proposal demonstrates implied understanding of project needs, but explicit statement of understanding would improve score.

Jeff Leveroni: 1

Effectively repeated what we stated in our RFP.

Clint Patterson: 25

Vendor seems to understand our need and how to fulfill it.

Joel Templo: 15

not impressed with tech spec

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 22

Established CA base and experience supplying varied IT roles indicates sound approach, but more specifics on staff management would increase confidence.

Jeff Leveroni: 1

Effectively repeated what we stated in our RFP.

Clint Patterson: 25

Good approach to providing staffing resources.

Joel Templo: 15

not impressed with tech spec

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 7.7

Average Hourly Bill Rate: \$133.79

Jeff Leveroni: 7.7

Average Hourly Bill Rate: \$133.79

Clint Patterson: 7.7

Average Hourly Bill Rate: \$133.79

Joel Templo: 7.7

Average Hourly Bill Rate: \$133.79

3Di, Inc.

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 28

3Di has extensive directly relevant experience providing IT staffing and solutions to large government clients like the City of Los Angeles and El Paso County, demonstrating strong qualifications.

Jeff Leveroni: 25

CA-based; multiple public sector clients across USA; MS Gold partner + multiple certifications;

Clint Patterson: 29

Have a history of public sector experience. Seem to have qualified company resources.

Joel Templo: 30

extensive history of work and awards

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 23

3Di's relevant past projects and ability to provide all requested IT roles shows solid implied understanding of the County's needs.

Jeff Leveroni: 25

thorough proposal, especially for app development

Clint Patterson: 25

Vendor seems to understand our need and has listed path to fulfilling it.

Joel Templo: 25

great

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 23

Established base in Brea, CA and experience providing IT resources to government clients in both staff augmentation and project-based capacities indicates a proven approach.

Jeff Leveroni: 25

thorough proposal, especially for app development

Clint Patterson: 25

Seems to have the ability to recruit staff as needed.

Joel Templo: 25

very thorough

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 10.9

Average Hourly Bill Rate: \$94.78

Jeff Leveroni: 10.9

Average Hourly Bill Rate: \$94.78

Clint Patterson: 10.9

Average Hourly Bill Rate: \$94.78

Joel Templo: 10.9

Average Hourly Bill Rate: \$94.78

American Unit Inc

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 26

American Unit has solid experience providing IT staffing services to various clients, demonstrating relevant qualifications for this project.

Jeff Leveroni: 10

Largely staffing based; has worked with Broward County

Clint Patterson: 30

Good list of vendor qualifications and list of public sector staffing references.

Joel Templo: 25

Extensive client list

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 22

American Unit's past experience providing similar IT staffing services implies a good grasp of the County's needs.

Jeff Leveroni: 10

Lots of verbiage but not stating examples in a way that convinces me.

Clint Patterson: 25

Vendor seems to understand what we are asking for and how to fill the need.

Joel Templo: 15

average

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 21

American Unit's established staffing operations and history of providing resources across a range of IT roles indicates a reasonable approach, but more specifics on their recruitment and management processes would strengthen confidence.

Jeff Leveroni: 7

Largely staffing based

Clint Patterson: 25

Proven track record of fulfilling staffing services similar to our needs.

Joel Templo: 15

average

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 13.1

Average Hourly Bill Rate: \$78.55

Jeff Leveroni: 13.1

Average Hourly Bill Rate: \$78.55

Clint Patterson: 13.1

Average Hourly Bill Rate: \$78.55

Joel Templo: 13.1

Average Hourly Bill Rate: \$78.55

Aptuity Solutions

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 27

Aptuity Solutions has strong relevant experience providing IT staffing services to government clients like Broward Sheriff's Office and Miami-Dade County, as well as private sector clients, demonstrating solid qualifications.

Jeff Leveroni: 1

Insufficient proposal response

Clint Patterson: 28

Seem to have good qualifications. Public sector examples were shown, but would like to have seen more.

Joel Templo: 5

No IT development experience

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 23

While not explicitly restating project understanding, Aptuity's directly relevant experience with IT staffing contracts for Florida government clients implies a good grasp of the County's needs.

Jeff Leveroni: 1

Insufficient proposal response

Clint Patterson: 23

Seemed to understand our needs. Did not see interviews by recruiters of candidates in process listed.

Joel Templo: 5

vague

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 22

Aptuity's Florida-based office and proven track record of providing IT staffing services to major government clients in the state indicates a sound approach, but more specifics on their processes would further strengthen confidence.

Jeff Leveroni: 1

Insufficient proposal response

Clint Patterson: 25

Vendor seems qualified to recruit candidates to fill our needs.

Joel Templo: 5

No IT development experience

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 13.6

Average Hourly Bill Rate: \$75.53

Jeff Leveroni: 13.6

Average Hourly Bill Rate: \$75.53

Clint Patterson: 13.6

Average Hourly Bill Rate: \$75.53

Joel Templo: 13.6

Average Hourly Bill Rate: \$75.53

Ark Infotech LLC

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 25

Ark Infotech has extensive experience providing IT staffing and project services to Maryland government agencies, demonstrating solid qualifications relevant to this project.

Jeff Leveroni: 26

AWS certified; Federal clients; Cloud and DevOps

Clint Patterson: 28

Seem to be qualified at filling staffing resources.

Joel Templo: 5

No major IT history

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 21

While not explicitly restated, Ark's past work on similar government IT projects, including application development, cloud migration, and security, implies a good understanding of the County's needs.

Jeff Leveroni: 23

Good Proposal - concise.

Clint Patterson: 25

Vendor seems to have an understanding of our needs.

Joel Templo: 10

No major IT applications

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 20

Ark's Maryland headquarters and history of successfully delivering IT resources and projects for state agencies indicates a reasonable approach, but more specifics on their processes for this project would improve confidence.

Jeff Leveroni: 22

Clear understanding conveyed.

Clint Patterson: 25

Vendor has a process in place to deliver staff.

Joel Templo: 5

n/a

Cost Proposal | Points Based | 20 Points (20%)

Athreya, Inc.

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 26

Athreya has strong relevant experience providing IT staffing services to government clients like the City of Los Angeles and the State of Maryland, demonstrating solid qualifications for this project.

Jeff Leveroni: 15

Response lacks substantial detail but basics exist

Clint Patterson: 28

Good vendor credentials but didn't see public sector references.

Joel Templo: 5

Not detailed enough

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 24

Athreya's proposal demonstrates a clear understanding of the project scope and the County's IT staffing needs across various technical areas.

Jeff Leveroni: 12

Response is mid, at best. High point are there but with insufficient detail.

Clint Patterson: 25

Good understanding of what we were requesting and response.

Joel Templo: 10

No programming examples.

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 24

Athreya outlines a comprehensive approach covering needs assessment, resource allocation, staff onboarding, knowledge transfer, and ongoing support, instilling confidence in their ability to successfully meet the County's requirements.

Jeff Leveroni: 12

Response is mid, at best. High point are there but with insufficient detail. Largely a marketing brochure.

Clint Patterson: 25

Vendor seems to have a good process in place for recruitment and delivering on our needs.

Joel Templo: 15

average

Cost Proposal | Points Based | 20 Points (20%)

Beacon Hill Staffing Group, LLC

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 27

Beacon Hill demonstrates strong qualifications, with extensive experience providing IT staffing services to government clients and a proven track record of successfully meeting client needs.

Jeff Leveroni: 3

New with little track record since client services team established in 2023. References are not disclosed and considered confidential.

Clint Patterson: 28

Not many company resources listed and difficult to see public references.

Joel Templo: 10

No detailed examples

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 23

While not explicitly restating project understanding, Beacon Hill's highly relevant past experience and ability to provide resources across requested IT roles implies a solid grasp of the County's requirements.

Jeff Leveroni: 3

Minimum details provided.

Clint Patterson: 25

Vendor had a good understanding of project and approach.

Joel Templo: 5

Lacks clear direction

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 24

Beacon Hill Staffing Group presents a compelling proposal, highlighting their substantial experience providing IT staffing services to government and private sector clients. They demonstrate a understanding of Seminole County's needs and propose a comprehensive, client-centric approach to delivering the required IT resources.

Jeff Leveroni: 2

Minimum details provided.

Clint Patterson: 25

Vendor seems capable of delivering staffing services based on our needs.

Joel Templo: 5

Lacks details

Cost Proposal | Points Based | 20 Points (20%)

Joel Templo: 9.7

Average Hourly Bill Rate: \$106.68

Beacon Systems, Inc.

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 25

BeaconGov has relevant experience providing IT staffing to government clients in Florida and other states, showing they are qualified for this project.

Jeff Leveroni: 12

Did not say much to demonstrate thier quals, nor Seminole County specifically. Very marketing material-based. Wish they would have provided details specific to us.

Clint Patterson: 27

Did not see detailed listing of vendor personnel. Past experience in public sector.

Joel Templo: 15

we don't support flex schedules

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 22

BeaconGov's proposal shows a good grasp of the County's IT staffing needs, though they could have restated the project scope more explicitly.

Jeff Leveroni: 10

Did not say much to demonstrate thier quals, nor Seminole County specifically. Very marketing material-based. Wish they would have provided details specific to us.

Clint Patterson: 25

Vendor seems to understand project and can deliver staffing as needed.

Joel Templo: 15

nothing special noted

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 23

BeaconGov outlines a solid, step-by-step approach to understanding requirements, sourcing candidates, screening, onboarding and retention. A few more specifics on adapting their process to the County would further strengthen confidence.

Jeff Leveroni: 10

Did not say much to demonstrate thier quals, nor Seminole County specifically. Very marketing material-based. Wish they would have provided details specific to us.

Clint Patterson: 25

Approach to delivering staffing seemed reasonable.

Joel Templo: 15

nothing special noted

BEST Employment SoluTions, LLC

Vendor Qualifications and Past Perfomance | Points Based | 30 Points (30%)

Ed Beracoechea: 24

BEST Employment Solutions has some relevant experience providing IT staffing services to local government clients in Florida, showing they have the basic qualifications for this project.

Jeff Leveroni: 1

Barely a proposal. No significant info related to their experience.

Clint Patterson: 29

Shared credentials for multiple staff and had references for similar work. Would have liked to see more government references.

Joel Templo: 5

none

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 21

BEST's proposal demonstrates a general understanding of Seminole County's IT staffing needs, but they could have provided more specifics on how they will fulfill the various required IT roles.

Jeff Leveroni: 1

Very little content to consider.

Clint Patterson: 25

Vendor seems to understand project and can provide staffing services.

Joel Templo: 5

none

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 22

BEST outlines a reasonable approach with a dedicated account team, sourcing strategies, recruiting process, and onboarding. More details on adapting their approach to the County's specific needs would improve the score.

Jeff Leveroni: 1

Very little content to consider.

Clint Patterson: 25

Vendor has a reasonable approach to finding and providing staffing services.

Joel Templo: 5

none

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 20

Average Hourly Bill Rate: \$51.47

Jeff Leveroni: 20

Average Hourly Bill Rate: \$51.47

BuzzClan LLC

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 25

The references show BEST Employment Solutions has good experience providing IT staffing services to both public and private sector clients, strengthening their qualifications for this project.

Jeff Leveroni: 15

Largely staffing based proposal; does have a branch office local; mid level proposal with respect to quals and past performance.

Clint Patterson: 28

Has experience in public sector. Would have liked more information on staff administering our account.

Joel Templo: 20

vague

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 21

BEST's proposal still demonstrates a general understanding of Seminole County's IT staffing needs, but they could have provided more specifics on how they will fulfill the various required IT roles.

Jeff Leveroni: 13

Understands working with local government, but not much detail with respect to projects (vs. Staffing)

Clint Patterson: 25

Had a good understanding of project needs and seemed capable of filling them.

Joel Templo: 20

no skill sets listed

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 22

BEST continues to outline a reasonable approach with a dedicated account team, sourcing strategies, recruiting process, and onboarding. More details on adapting their approach to the County's specific needs would improve the score.

Jeff Leveroni: 13

Mid-level proposal.

Clint Patterson: 25

Had an adequate approach to finding staff for augmentation.

Joel Templo: 20

vague

California Creative Solutions Inc.

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 29

CCS Global Tech has extensive, highly relevant experience providing IT staffing services to government agencies in multiple states, demonstrating strong qualifications for this project.

Jeff Leveroni: 26

Great credentials with local government support, but not local company. However, has small branch office in FL.

Clint Patterson: 29

Seems to have relevant qualifications and track record.

Joel Templo: 28

Has lots of Gov. experience.

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 24

CCS's proposal shows a clear understanding of Seminole County's IT staffing needs and requirements across all the specified job categories.

Jeff Leveroni: 23

Good understanding displayed. Lots of marketing material but has good focus.

Clint Patterson: 24

Seem to have a good understanding of project and way to achieve results.

Joel Templo: 25

Good

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 25

CCS outlines a thorough, well-structured approach covering task order management, project management, candidate sourcing, screening, background checks, drug testing, and onboarding, inspiring confidence in their ability to meet the County's needs.

Jeff Leveroni: 23

Well described in proposal.

Clint Patterson: 25

Ability to recruit staff and fill our needs.

Joel Templo: 25

Good

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 12.2

Average Hourly Bill Rate: \$84.59

Jeff Leveroni: 12.2

Average Hourly Bill Rate: \$84.59

Average Hourly Bill Rate: \$84.59

Cambay Consulting LLC

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 26

Cambay has solid experience providing IT staffing services to various government clients, including counties, demonstrating good qualifications for this project.

Jeff Leveroni: 28

Multiple local government references; thorough proposal

Clint Patterson: 28

Reasonably good past experience and credentials.

Joel Templo: 25

Good

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 22

Cambay's proposal shows a reasonable understanding of Seminole County's IT staffing needs, but more specifics on how they will meet the County's particular requirements would improve the score.

Jeff Leveroni: 25

Understanding, methodology and philosophy is well-stated and on point

Clint Patterson: 25

Seem to understand scope and say they can deliver.

Joel Templo: 20

ok

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 23

Cambay outlines a structured approach covering recruiting, screening, interviewing, onboarding and retention. Additional details on tailoring their processes to the County's needs would strengthen the proposal.

Jeff Leveroni: 25

Good descriptions of their process that will fulfill our needs

Clint Patterson: 25

Seem to have pieces in place to manage relations and meet RFP requirements.

Joel Templo: 25

good

Cloud Bridge Solutions Inc

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 29

Cloud Bridge Solutions has strong, relevant experience providing full-stack development, cloud design, DevOps and quality engineering services to various clients, showcasing their qualifications for this IT staffing project.

Jeff Leveroni: 14

Mid (barely) proposal as compared to others received.

Clint Patterson: 28

Listed responsible staff and experience.

Joel Templo: 18

average

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 25

Cloud Bridge's proposal demonstrates a clear, thorough understanding of Seminole County's IT staffing needs and the scope of services required, covering all key aspects of the project.

Jeff Leveroni: 12

Proposal is primarily an outline without any significant substance

Clint Patterson: 25

Seemed to understand project and could deliver staffing services.

Joel Templo: 18

average

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 25

Cloud Bridge presents a comprehensive, well-structured approach spanning project management, recruitment, continuous improvement, change management and client relationships, instilling confidence in their ability to successfully deliver the County's IT staffing needs.

Jeff Leveroni: 12

Proposal is primarily an outline without any significant substance

Clint Patterson: 25

Reasonable method for providing staffing services.

Joel Templo: 18
average

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 16.4
Average Hourly Bill Rate: \$62.76

Jeff Leveroni: 16.4
Average Hourly Bill Rate: \$62.76

Clint Patterson: 16.4

Clovity Inc

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 28
While Clovity has extensive experience providing IT staffing services to public sector clients, their proposal could benefit from more specific details on the scale and complexity of these engagements to fully demonstrate their capability to handle a project of this size.

Jeff Leveroni: 15
A difficult proposal to understand -- extremely unfocused with content that exceeded others by 3-5 times without clear focus.

Clint Patterson: 29
Good listing of credentials and clients.

Joel Templo: 25

Big client list

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 24

Clovity's proposal shows a solid grasp of Seminole County's IT staffing needs and objectives. However, they could further strengthen their understanding by explicitly addressing each of the specific job categories and requirements outlined in the RFP.

Jeff Leveroni: 12

A difficult proposal to understand -- extremely unfocused with content that exceeded others by 3-5 times without clear focus.

Clint Patterson: 25

Seems to understand needs and can fill them.

Joel Templo: 20

Very detailed

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 22

Clovity outlines a comprehensive approach to candidate sourcing, screening, onboarding, and support. More examples of their processes are needed.

Jeff Leveroni: 12

A difficult proposal to understand -- extremely unfocused with content that exceeded others by 3-5 times without clear focus.

Clint Patterson: 25

Record of recruiting top staff candidates.

Joel Templo: 20

Ver detailed

Instant Technology, LLC dba Instant Alliance

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 26

Instant Technology LLC excels in providing IT staffing solutions tailored to public sector needs, showcasing strong partnerships with major entities like United Airlines and Allstate. Including specific metrics on project impact would further enhance their proposal.

Jeff Leveroni: 12

No referenceable work with government but mentions work with Hillborough County Aviation Authority and AS/400; otherwise minimal proposal

Clint Patterson: 28

Would like to see public sector examples.

Joel Templo: 5

Not qualified

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 24

Their approach reflects a deep understanding of Seminole County's requirements for agile and adaptable IT staffing, demonstrating readiness to support both legacy systems and modern IT infrastructure needs.

Jeff Leveroni: 10

Basic understanding, comparatively

Clint Patterson: 24

Seemed to understand need but would like more detail.

Joel Templo: 5

Not qualified

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 23

Instant Technology proposes a comprehensive sourcing and evaluation strategy, ensuring quick turnaround for staffing needs, which is crucial for project continuity. Their strategy could be further enriched by incorporating innovative recruitment technologies to streamline the hiring process.

Jeff Leveroni: 10

Basic approach, comparatively

Clint Patterson: 24

Seemed to be able to deliver staffing services but would like more detail.

Joel Templo: 5

Average Hourly Bill Rate: \$92.18

IT Resources

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 25

Image Technology Resources Corp. has effectively supported significant IT projects across multiple sectors, including local government entities. Highlighting specific performance metrics or client feedback could further validate their claims.

Jeff Leveroni: 15

Mentions AS/400 support; worked with Pinellas, Pasco and FDOT; otherwise reflects a minimal proposal that may be worth considering only if we lack good candidates

Clint Patterson: 29

Key personnel and public sector examples listed.

Joel Templo: 20

ok

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 23

They demonstrate a good understanding of Seminole County’s IT staffing needs, with a clear focus on ensuring operational continuity across various technological environments, though more details on integration with existing county systems would be beneficial.

Jeff Leveroni: 13

Average project understanding

Clint Patterson: 24

Seemed to understand project but would have liked more detail.

Joel Templo: 15

Average

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 22

Their proposed method includes rigorous recruitment and dynamic staffing solutions, which are well-suited to the county's needs.

Little

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 22

The proposal demonstrates a solid understanding of the project requirements with a methodical, adaptable approach. Integration of more innovative staffing solutions could provide added value.

Jeff Leveroni: 8

Large focus on ERP implementations which really isn't our focus.

Clint Patterson: 25

Seem to understand need

Joel Templo: 5

Weak

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 24

Tunabear offers competitive rates with a clear breakdown, ensuring transparency. A more detailed explanation of how these rates are cost-effective relative to market averages could strengthen this area.

Jeff Leveroni: 8

Large focus on ERP implementations which really isn't our focus.

Clint Patterson: 25

Seem to have approach to provide adequate staffing services.

Joel Templo: 5

Weak

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 8.4

Average Hourly Bill Rate: \$122.40

Jeff Leveroni: 8.4

Average Hourly Bill Rate: \$122.40

Clint Patterson: 8.4

Average Hourly Bill Rate: \$122.40

Joel Templo: 8.4

Average Hourly Bill Rate: \$122.40

Vaco (Vaco FL LLC)

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 23

They have demonstrated strong experience with various public and private sector projects, yet they could enhance their submission by providing more detailed success metrics and direct client testimonials.

Jeff Leveroni: 17

Local vendor which is a plus but this is a largely average proposal compared to the best we've received.

Clint Patterson: 27

Could not find credentials for key account personnel. Would like to see public sector examples.

Joel Templo: 5

Minimal with Public Sector

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 24

Their proposal shows a comprehensive understanding of the project requirements and aligns well with the objectives of Seminole County, particularly in how they plan to handle IT staff augmentation.

Jeff Leveroni: 16

Average understanding

Clint Patterson: 25

Seem to understand need

Joel Templo: 5

Lacks scrum methodology

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 22

Their structured approach to recruitment and staffing is impressive, though incorporating advanced analytics and predictive modeling could further optimize their staffing solutions.

Jeff Leveroni: 16

Average understanding

Clint Patterson: 25

Seem to have an approach to deliver staffing services.

Joel Templo: 5

weak

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 9

Average Hourly Bill Rate: \$114.94

Jeff Leveroni: 9

Average Hourly Bill Rate: \$114.94

Clint Patterson: 9

Average Hourly Bill Rate: \$114.94

Joel Templo: 9

Average Hourly Bill Rate: \$114.94

V Group Inc

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 28

V Group Inc. brings a strong background with significant public sector experience. However, specific client testimonials or feedback could further enhance credibility.

Jeff Leveroni: 18

Local government clients but lacking details on similar experience other than people placement; otherwise a slightly better than average proposal

Clint Patterson: 29

Listed credentials of key personnel and public sector examples.

Joel Templo: 5

Very little with Public Sector

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 24

They have shown a comprehensive understanding of the staffing needs, though a few more innovative strategies could be highlighted.

Jeff Leveroni: 18

Average understanding

Clint Patterson: 25

Seem to understand need

Joel Templo: 5

Lacks scrum methodology

Project Approach | Points Based | 25 Points (25%)

Ed Beracoechea: 23

Their approach is detailed and proactive, yet the inclusion of more cutting-edge technologies and methods might strengthen their proposition.

Jeff Leveroni: 18

Average understanding

Clint Patterson: 25

Seem to be able to deliver staffing services.

Joel Templo: 5

Lacks scrum methodology

Cost Proposal | Points Based | 20 Points (20%)

Ed Beracoechea: 9.1

Average Hourly Bill Rate: \$113.23

Jeff Leveroni: 9.1

Average Hourly Bill Rate: \$113.23

Clint Patterson: 9.1

Average Hourly Bill Rate: \$113.23

Joel Templo: 9.1

Average Hourly Bill Rate: \$113.23

Vish Consulting Services, Inc

Vendor Qualifications and Past Performance | Points Based | 30 Points (30%)

Ed Beracoechea: 27

VCS provides a detailed account of their experience with significant clients like LA Care and RightSourcing USA, demonstrating substantial industry involvement and client trust.

Jeff Leveroni: 15

Credentials do not include any government examples; otherwise a very average proposal

Clint Patterson: 27

Could not find credentials for key account personnel. Would like to have seen public sector examples.

Joel Templo: 25

Yes, worked with them in the past

Project Understanding | Points Based | 25 Points (25%)

Ed Beracoechea: 24
