This is a recommendation letter for Ryan Mays who resides at 5724 Michelle Lane, Sanford, Florida, 32771, and is in a Subdivision called Seminole Estates in Northwest Seminole County. Mr. Mays is proposing to build a shop on his residence which exceeds the limit of square footage currently allowed. I believe he is asking to build a structure approximately 50 foot by 50 foot. As a neighboring resident and President of the Seminole Estates Homeowners Association I have no objection of him doing so. There are many other buildings in our neighborhood currently larger which is why we would have no objection. He is a wonderful neighbor and would like for Seminole County to approve his building as he currently wishes to build.

Sincerely, 

Jennifer Schumacher
