ORANGE AUTHORITY RESOLUTION

RESOLUTION NO. 2026-01

A RESOLUTION EXPRESSING THE INTENT OF THE ORANGE COUNTY INDUSTRIAL DEVELOPMENT AUTHORITY TO LOAN FUNDS TO ORANGEWOOD CHRISTIAN SCHOOL, INC. FOR THE FINANCING AND REFINANCING (INCLUDING REIMBURSEMENT FOR PRIOR RELATED EXPENDITURES) OF EDUCATIONAL FACILITIES; PROVIDING FOR THE ISSUANCE OF REVENUE BONDS OF THE AUTHORITY, IN ONE OR MORE SERIES, IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$40,000,000 FOR THE PURPOSE OF MAKING A LOAN OF FUNDS FOR SUCH PURPOSES; AUTHORIZING THE EXECUTION OF A MEMORANDUM OF AGREEMENT AND INTERLOCAL AGREEMENT PERTAINING TO THE ISSUANCE OF THE BONDS; AND PROVIDING CERTAIN OTHER DETAILS WITH RESPECT THERETO.

BE IT RESOLVED by the ORANGE COUNTY INDUSTRIAL DEVELOPMENT AUTHORITY that:

SECTION 1. AUTHORITY. This Resolution is adopted pursuant to the provisions of the Act, as hereinafter defined.

SECTION 2. DEFINITIONS.

"**Act**" means the Constitution of the State of Florida, Parts II and III of Chapter 159, Florida Statutes, and other applicable provisions of law.

"**Authority**" means the Orange County Industrial Development Authority, a public body corporate and politic of the State of Florida.

"**Borrower**" means Orangewood Christian School, Inc., a Florida not for profit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and/or one or more related and/or affiliated entities and their successors and assigns.

"**Bonds**" means the proposed educational facilities revenue bonds to be issued in an aggregate principal amount not exceeding \$40,000,000 in one or more tax-exempt and taxable series, to be authorized by subsequent resolution of the Authority pursuant to the Act and in accordance with the terms, conditions and limitations contained in such resolution.

"**Chairman**" means the Chairman or Vice Chairman of the Authority.

"Interlocal Agreement" has the meaning set forth in Section 7 hereof.

"Lower School" has the meaning set forth in EXHIBIT A hereto.

"Project" has the meaning set forth in EXHIBIT A hereto.

"Secretary" means the Secretary or any Assistant Secretary of the Authority.

"Upper School" has the meaning set forth in EXHIBIT A hereto.

SECTION 3. PROPOSAL. The Borrower has requested that the Authority issue its Bonds under the Act in an aggregate principal amount not exceeding \$40,000,000 to provide for the financing and refinancing (including reimbursement for prior related expenditures) of educational facilities as set forth in EXHIBIT A attached hereto. The Borrower will continue to be the owner of the Lower School and the Upper School, subject to a ground lease in the case of a portion of the Project related to the Upper School.

SECTION 4. FINDINGS. The Authority hereby finds, determines and declares as follows:

(A) The issuance of the Bonds for the financing and refinancing of the Project will have a substantial public benefit.

(B) The Authority is authorized and empowered by the Act to enter into transactions such as those contemplated by the Borrower, and to fully perform the obligations of the Authority to be undertaken in connection with the financing and refinancing of the Project in order to improve the availability of educational facilities in Orange County, Florida ("Orange County"), Seminole County, Florida ("Seminole County," and together with Orange County, the "Counties") and the State of Florida (the "State"), increase opportunities for gainful employment and purchasing power, and improve living conditions, and otherwise contribute to the health, prosperity and welfare of the Counties, the State and the inhabitants thereof.

(C) Since portions of the Project are located in Seminole County, it is necessary and desirable to enter an interlocal agreement with Seminole County in order to provide for the financing and refinancing of the Project.

(D) The Project constitutes a "project" and an "educational facility" within the meaning of the Act.

(E) The Borrower has requested that the Authority issue the Bonds in an aggregate principal amount not exceeding \$40,000,000 for the financing and refinancing of the Project, funding necessary reserves and paying costs of issuance. The Bonds shall be paid from the repayment of a loan of the bond proceeds from the Authority to the Borrower.

(F) Notice of a public hearing to be held by the Authority on the date hereof, inviting comments and discussion concerning the issuance of the Bonds by the Authority for the financing and refinancing of the Project was published in *The Orlando Sentinel*, a newspaper of general circulation in Orange County and Seminole County on March 9, 2026, which is at least seven (7) days prior to the date hereof.

(G) Following such notices, a public hearing was held by the Authority on the date hereof, during which comments and discussions were requested and heard concerning the issuance of the Bonds for the financing and refinancing of the Project.

(H) Based solely upon the representations of the Borrower with respect to the Project, the issuance of the Bonds to finance and refinance the Project will have a substantial public benefit.

(I) Based solely upon the representations of the Borrower with respect to the Project, although the Project is not all located on the same site, or adjacent or proximate sites, such Project is used as an integrated operation by the Borrower and therefore has been treated as one project for purposes of Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code").

(J) Based upon the representation of the Borrower that a portion of the Project will be located in Orange County, for purposes of Section 147(f) of the Code, the Board of County Commissioners of Orange County, Florida (the "Orange Commission"), is the elected legislative body having jurisdiction over the entire area in which the portion of the Project located in Orange County is and will be located.

(K) Prior to the issuance of the Bonds, the Borrower shall provide evidence satisfactory to the Authority that following the public hearing by the Authority, the Board of County Commissioners of Seminole County (the "Seminole Commission"), the elected legislative body of Seminole County with jurisdiction over the entire area in which the portion of the Project in Seminole County is located, has approved issuance of the Bonds by the Authority.

(L) The county seat of Orange County, where the public hearing will be held, is within 100 miles of the county seat of Seminole County.

(M) The Bonds shall not be deemed to constitute a debt, liability or obligation, or a pledge of the faith and credit or taxing power, of the Authority, Orange County, Seminole County or the State or of any political subdivision thereof, but the Bonds shall be payable solely from the revenues and proceeds to be derived by the Authority from payments received under the financing agreement entered into among the Authority, the purchaser of the Bonds and the Borrower.

SECTION 5. DETERMINATION. If, upon further investigation of the Borrower and its proposal, the Authority is able to find:

(A) that the Authority is not obligated to pay the Bonds except from the proceeds derived from the repayment of a loan to the Borrower and that neither the faith and credit nor the taxing power of the Authority or of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest, or premium, if any, on the Bonds;

(B) that the Authority, the Borrower and the proposed purchaser or purchasers of the Bonds have executed or will execute, concurrently with the issuance of the Bonds, the documentation required for the financing and refinancing of the Project as contemplated hereby;

(C) that adequate provision has been made in the documents for the operation, repair and maintenance of the Project at the expense of the Borrower and for the payment of the principal of, premium, if any, and interest on the Bonds and reserves, if any, therefor;

(D) that, based upon an opinion expected to be delivered at closing by bond counsel, the interest on the series of tax-exempt Bonds will be excludable from gross income for federal income tax purposes under existing laws of the United States of America;

(E) that, if such opinion of bond counsel is not able to be delivered by bond counsel on all or a portion of the Bonds, then all or such portion of the Bonds shall be issued as taxable bonds, the interest on which shall not be excludable from gross income for federal income tax purposes under existing laws of the United States of America;

(F) that, based on the criteria established by the Act, the Borrower is financially responsible and fully capable of and willing to fulfill all of its obligations under the terms and provisions of the loan agreement or financing agreement to be negotiated between the parties, under which the Borrower will be obligated, among other things, to pay amounts sufficient to timely discharge the debt service on the Bonds, and to operate, repair and maintain the Project at the Borrower's expense; and

(G) That the proposal will otherwise comply with all of the provisions of the Act; then the Authority shall, and by passage of this Resolution hereby agrees to, issue Bonds for the financing and refinancing of the Project in accordance with the provisions and authority of the Act and this Resolution. The principal amount, terms of maturity, interest rate and other details of the Bonds will be determined by the Borrower and the Authority and subsequently adopted by resolution of the Authority.

SECTION 6. AUTHORIZATION TO EXECUTE MEMORANDUM OF AGREEMENT. The Chairman and the Secretary of the Authority are authorized in the name and on behalf of the Authority pursuant to this Resolution to execute and deliver a

Memorandum of Agreement (the "Memorandum of Agreement") of even date herewith between the Borrower and the Authority. The officers executing such Memorandum of Agreement are further authorized to do all acts which may be required or may be advisable with respect thereto, including any amendments necessary thereto and not inconsistent herewith.

The Chairman and the Secretary of the Authority are further authorized to take such further action and execute such further instruments as may be necessary to fully effectuate the purpose and intention of the Memorandum of Agreement and this Resolution.

SECTION 7. AUTHORIZATION TO EXECUTE INTERLOCAL AGREEMENT. The Chairman and the Secretary of the Authority are authorized in the name and on behalf of the Authority pursuant to this Resolution to execute and deliver an Interlocal Agreement between the Authority and Seminole County, the form of which is attached hereto as EXHIBIT B (the "Interlocal Agreement"), and to deliver the same to Seminole County. The officers executing such Interlocal Agreement are further authorized to do all acts which may be required or may be advisable with respect thereto, including any amendments necessary thereto and not inconsistent herewith.

SECTION 8. PRIORITY. Nothing herein shall be deemed to restrict the Authority or the State or any agency or political subdivision thereof in determining the order or priority of the issuance of bonds by the Authority or to require the Authority to give the Bonds priority as to the time of issuance over any other bonds previously or subsequently approved by the Authority for issuance, and such prioritization by the Authority could result in the inability of the Authority to issue the Bonds.

SECTION 9. RECOMMENDATION TO COUNTY COMMISSION. The Secretary of the Authority is hereby authorized and directed to forward a copy of this Resolution to the Orange Commission and the Seminole Commission, and the Chairman and the Secretary of the Authority are hereby authorized to take any other action, at the expense of the Borrower, as may appear proper in satisfying the requirements of Section 147(f) of the Code, and any applicable regulations thereto, or as may be required by the Orange Commission and the Seminole Commission, including pursuant to Sections 125.01(z) and 159.47(1)(f), Florida Statutes. The Authority hereby recommends that the Orange Commission and the Seminole Commission approve the issuance of the Bonds. Notwithstanding any provision herein to the contrary, the Bonds shall not be issued and no documents herein approved shall be executed and delivered by the Authority unless and until the Orange Commission shall give its approval to the issuance of the Bonds and the other pre-conditions set forth herein have been complied with.

SECTION 10. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED this 17th day of March, 2026.

(4) Adequate provision will be made in the financing agreements related to the Bonds for the operation, repair, and maintenance of the Project at the expense of the Borrower and for the payment of principal of and interest on the Bonds.

(C) Seminole County hereby represents, determines and agrees as follows:

(1) The Project located within Seminole County is appropriate to the needs and circumstances of, and make or shall make a significant contribution to the economic growth of Seminole County; provide access to educational facilities; provide or preserve or shall provide and preserve gainful employment; and serve or shall serve a public purpose by advancing the economic prosperity, the public health, or the general welfare of the State of Florida and its people.

(2) Seminole County has been able to cope satisfactorily with the impact of the Project located in Seminole County and will be able to continue to provide, or cause to be provided when needed, the public facilities, including utilities and public services, that will be necessary for the Project located in Seminole County and on account of any increases in population or other circumstances resulting therefrom.

SECTION 3. NO PECUNIARY LIABILITY OF SEMINOLE COUNTY; LIMITED OBLIGATION OF THE ORANGE AUTHORITY. Neither the provisions, covenants or agreements contained in this Interlocal Agreement and any obligations imposed upon Seminole County hereunder, nor the Bonds issued pursuant to this Interlocal Agreement, shall constitute an indebtedness or liability of Seminole County. The Bonds when issued, and the interest thereon, shall be limited and special obligations of the Orange Authority payable solely from certain revenues and other amounts pledged thereto by the terms thereof.

SECTION 4. NO PERSONAL LIABILITY. No covenant or agreement contained in this Interlocal Agreement shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Seminole County or the Orange Authority in his or her individual capacity and no member, officer, agent or employee of Seminole County or the Orange Authority shall be liable personally on this Interlocal Agreement or be subject to any personal liability or accountability by reason of the execution of this Interlocal Agreement.

The execution of this Interlocal Agreement by the parties hereto shall not be construed as (i) an endorsement of the creditworthiness of the Borrower or the financial viability of the Project, (ii) a recommendation to any prospective purchaser to purchase the Bonds, or (iii) an evaluation of the likelihood of the repayment of the debt service on the Bonds.

SECTION 5. ALLOCATION OF RESPONSIBILITIES. The Orange Authority shall take all actions it deems necessary or appropriate in connection with the issuance of the Bonds, including, in its discretion, the preparation, review, execution and filing with government agencies of certificates, opinions, agreements and other documents to be delivered at the closing of the Bonds and the establishment of any funds and accounts related to the Bonds.

Neither Seminole County nor the Orange Authority shall be liable for the costs of issuing the Bonds or the costs incurred by either of them in connection with the preparation, review, execution or approval of this Interlocal Agreement or any documentation or opinions required to be delivered in connection therewith by Seminole County, the Orange Authority or counsel to either. All of such costs shall be paid from the proceeds of the Bonds or from other moneys of the Borrower.

SECTION 6. INDEMNITY. The Borrower, by its approval and acknowledgment at the end of this Interlocal Agreement, agrees to indemnify and hold harmless Seminole County and the Orange Authority, their respective officers, employees and agents, from and against any and all losses, claims, damages, liabilities or expenses, of every conceivable kind, character and nature whatsoever, including, but not limited to, losses, claims, damages, liabilities or expenses (including reasonable fees and expenses of attorneys, accountants, consultants and other experts), arising out of, resulting from, or in any way connected with this Interlocal Agreement or the issuance of the Bonds, other than any such losses, damages, liabilities or expenses, in the case of the Orange Authority, arising from the willful misconduct of the Orange Authority, and, in the case of Seminole County, arising from the willful misconduct of Seminole County. The indemnity provided by this Section 6 shall survive the expiration or termination of this Interlocal Agreement.

SECTION 7. TERM. This Interlocal Agreement will remain in full force and effect from the date of its execution, subject to the provisions of Section 8 hereof, until such time as it is terminated by any party hereto upon 10 days' advance written notice to the other party hereto. Notwithstanding the foregoing, it is agreed that this Interlocal Agreement may not be terminated so long as the Bonds (or any refunding obligations issued by the Orange Authority by Section 10 hereof), remain outstanding or unpaid. Nothing herein shall be deemed in any way to limit or restrict either party hereto from issuing its own obligations or entering into any other agreement for the financing or refinancing of any facility which either party hereto may choose to finance or refinance.

SECTION 8. FILING OF AGREEMENT. It is agreed that this Interlocal Agreement shall be filed by the Borrower or its authorized agent or representative with the Clerk of the Circuit Court of Seminole County and with the Clerk of the Circuit Court of Orange County all in accordance with the Interlocal Act, and that this Interlocal Agreement shall not become effective until so filed.

SECTION 9. SMALL ISSUER ALLOCATION. The parties hereto irrevocably agree that the entire principal amount of the Bonds shall be allocable to Orange County for purposes of Section 265(b)(3)(C)(ii) of the Code.

SECTION 10. REFUNDING OR REFINANCING. It is the intention of the parties hereto that this Interlocal Agreement cover and authorize not only the Bonds but also any obligations issued by the Orange Authority to refund or refinance the Bonds and any obligation thereafter issued by the Orange Authority to refund or refinance such obligations and so on and so forth so that no additional or similar interlocal agreement between the Orange Authority and Seminole County shall be necessary in connection therewith. The foregoing notwithstanding, this section shall not be construed as authorization for the Orange Authority to issue any additional industrial revenue bonds for new or additional projects (other than the Project) on behalf of the Borrower in conjunction with or in addition to any refunding or refinancing of the Bonds without the prior approval of Seminole County.

SECTION 11. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof.
