RE: Concurrency Letter of Determination – No Impact, Alafaya Beasley-Rezone

Parcel ID(s): 27-21-31-505-0000-011C

This letter certifies the above referenced project/property, based on the adopted 2021 School Interlocal Agreement (ILA) is determined to be of **NO IMPACT** to student generation of school concurrency requirements. The owner is proposing the splitting of one (1) lot into three (3). The final disposition of this project is the jurisdiction of Seminole County.

This does not address the issue of any entitlement to an exemption from school impact fees required by Seminole county Ordinance #92-14, #2007-41, and the Land Development Code.
