Adopt the Resolution vacating and abandoning two (2) five (5) foot wide platted utility easements located along the east side of Lot 11 and the west side of Lot 12, and a portion of a seven and one half (7.5) foot platted utility easement located along the north side of Lots 11 and Lot 12 of the Orange Blossom Business Park Plat as recorded in Plat Book 50, Page 72 of the Public Records of Seminole County, Florida, more particularly known as 2710 Pemberton Drive, Apopka; (Brian Reece, Reeco Properties LLP, Applicant) District3 - Constantine **(Jose Gomez, Development Services Director)**

Division:

Authorized By:

Jose Gomez, Development Services Director

Contact/Phone Number:

Kaitlyn Apgar/407-665-7377

Background:

The Applicant has petitioned Seminole County to vacate and abandon two (2) five (5) foot wide platted utility easements located along the east side of Lot 11 and the west side of Lot 12, as well as one and one half (1.5) feet of the existing seven and one half (7.5) foot utility easement in the rear of Lots 11 and 12 of the Orange Blossom Business Park Plat as recorded in Plat Book 50, Page 72. The purpose of the request is to vacate two (2) utility easements that conflict with the location of structures on-site due to the combination of Lots 11 and 12. The existing 10,000 square foot warehouse is constructed over the two (2) five (5) foot wide platted utility easements located along the east side of Lot 11 and the west side of Lot 12. Additionally, the two (2) existing accessory structures encroach into the seven and one-half (7.5) foot utility easement located along the north side of Lot 11 and Lot 12 by approximately thirteen (13) inches.

The area subject to the vacate request in between Lots 11 and 12 is a total of ten (10) feet in width, with a five (5) foot wide portion on each platted lot, and 182.5 feet in

length. The rear easement subject to the vacate request includes the southernmost one and one-half (1.5) foot portion of the seven and one-half (7.5) foot utility easement. The total area of the vacate request is 2,080 square feet. The Applicant is requesting the vacate in order to bring the property into compliance with the Seminole County Land Development Code. On October 26, 2005, a site plan was approved for a warehouse at 2710 Pemberton Drive, without vacating the utility easements between Lot 11 and Lot 12; therefore, the easements remain with utility easement entitlements running through the center of the warehouse building.

Code Enforcement Case History:

The code enforcement case began in 2022 due to the unpermitted construction of a second-floor area and exterior canopies (accessory structures) without the required building permits. The applicant applied for retroactive permits on December 31, 2022. Despite multiple deadlines and extensions imposed by the Special Magistrate (from February 2023 through August 2024), compliance has been delayed due to ongoing permit reviews, corrections, and planning requirements. At one point, the structures were to be removed, but tenant objections led the applicant to pursue full permitting instead. Additional delays occurred due to the need for a Major Amendment to the Planned Development (Bear Lake PD) and site plan approval. Throughout the process, the applicant and property owner have remained cooperative with Code Enforcement and Planning staff.

It was determined during review that the accessory structures encroach into the seven and one half (7.5) foot rear utility easement, which necessitated this vacate request.

The request to vacate and abandon a portion of the rear utility easement is necessary in order to allow retroactive permitting for the three (3) accessory structures, thus allowing compliance with the Seminole County Land Development Code and the structures to remain. The utility easements existing between Lots 11 and 12 were added to the request in order to bring the overall site into code compliance.

The Applicant has provided letters of no objection from all applicable utility companies and Seminole County staff has no objections to the vacation and abandonment of the utility easements as requested.

This request complies with the requirements for vacating easements under the authority of Section 35.181, Seminole County Land Development Code, and Section 177.101 of the Florida Statutes.

Requested Action:

Staff requests the Board adopt the Resolution vacating and abandoning two (2) five (5)

foot wide platted utility easements located along the east side of Lot 11 and the west side of Lot 12, and a portion of a seven and one half (7.5) foot platted utility easement located along the north side of Lots 11 and Lot 12 of the Orange Blossom Business Park Plat as recorded in Plat Book 50, Page 72 of the Public Records of Seminole County, Florida, more particularly known as 2710 Pemberton Drive, Apopka.

Background:

The United States Department of Housing and Urban Development (HUD) announced that the State of Florida would receive Community Development Block Grant - Disaster Recovery (CDBG-DR) funding to support long-term resiliency and mitigation efforts following the 2023 and 2024 storms. Florida Commerce is the governor-designated state authority responsible for administering these funds.

The Rebuild Florida Infrastructure Repair Program allocated a total of $400 million to fund infrastructure restoration and hardening projects in communities impacted by 2023 and 2024 storms. Seminole County is identified as an eligible county for the program.

Seminole County is applying to construct a public safety communications tower in the Oviedo service area to support the 800 MHz P25 system and microwave backhaul serving 911, governmental, and County/municipal first-response agencies. The new tower will replace the tenancy with a privately owned tower that is identified as significantly overstressed.

The grant allows for 100% costs of the project with 0% match from the applicant. As

part of the application process, Seminole County will be required to seek public comment on the application for a 10-day period.

Requested Action:

Staff requests Board approval to submit a grant application to Florida Commerce for the Rebuild Florida Grant Program, requesting $2.5 million for the construction of a radio tower, and authorize the County Manager or designee to execute all grant documents associated with the grant application.

POLICY CHANGE CONTROL

Policy review and changes for the State of Florida 2023 and 2024 Storms Community Development Block Grant - Disaster Recovery Program are considered through a change-control process. Policy clarifications, additions, or deletions are needed during the course of the program to more precisely define the rules by which the Program will operate. Program staff will document policy-change requests that will be tracked in the program files. Requests are compiled and brought before supervisory staff in a policy meeting. Subject matter experts working in a particular policy area or task area that will be affected by the policy decision may be invited to assist in policy evaluation, if necessary. Policy meetings will be held as frequently as is necessary to consider policy decisions critical to moving the Program forward in a timely manner. Policy decisions will be documented and will result in the revision of the document in question.

1.0 Introduction and Background

HUD announced that the State of Florida would receive an allocation of $925,394,000 in disaster recovery funds to assist in the long-term recovery from the presidentially declared disasters listed Hurricane Idalia (DR-4734-FL), Hurricane Debby (DR-4806-FL), Hurricane Helene (DR-4828-FL), Hurricane Milton (DR-4834-FL), and the 2024 North Florida Tornadoes (DR-4794-FL) (collectively referred to as the "2023 and 2024 Storms").

The availability of the funding was formally announced by publication in the Federal Register Volume 90, Number 10, (January 16, 2025) also known as the Allocation Announcement Notice (AAN). The AAN and Federal Register Vol. 90, No. 5 (The Universal Notice), as amended, govern the use of these funds and requires that funds be used only for disaster relief, long-term recovery restoration of infrastructure and housing, economic revitalization, and mitigation of risk associated with activities carried out for these purposes in communities affected by the specified disasters (the 2023 and 2024 Storms).

The Florida Department of Commerce (FloridaCommerce) is the lead agency and responsible entity for administering the CDBG-DR funds allocated to the state by HUD to address unmet disaster recovery needs related to damage from the 2023 and 2024 Storms. FloridaCommerce has allocated $400,000,000 in funding to the Rebuild Florida Infrastructure Repair Program (IRP). These IRP Guidelines provide guidance for development of applications for fundings, project eligibility determination, and development and execution of the Subrecipient Grant Agreement between FloridaCommerce and awarded subrecipients. Additional information and guidance on program implementation can be found in the IRP Subrecipient Policies and Procedures posted to the 2023 and 2024 Storms IRP webpage at www.floridajobs.org/2023and2024StormsIRP.

As outlined in the Federal Register, 80% of funding awarded to the state will go to the HUD-identified Most Impacted and Distressed (MID) counties, and the remaining 20% of funding may be awarded to state-designated MID areas, as set forth in section 3.1 Eligible Counties.

During the implementation process, program funding will be provided to the awarded subrecipients. Subrecipients must develop and implement policies, procedures, and processes to deliver and maintain projects and services. Projects and services may be provided by the subrecipient directly or in partnership with governmental, private sector, or non-profit partners. At the conclusion of the term specified in the Subrecipient Agreement, the agreement will be closed. FloridaCommerce, with the support provided by its designated partners, will monitor subrecipients throughout the life of the project.

FloridaCommerce encourages all prospective applicants to read the State Action Plan for 2023 and 2024 Storms long-term recovery located at: https://FloridaJobs.org/CDBG-DR/2023-and-2024-storms/.

2.0 HUD CDBG-DR Program and Project Funding Directives

In response to HUD directives, the Action Plan directs FloridaCommerce to fund projects and programs that provide the maximum feasible priority to activities that will benefit low- and moderate-income (LMI) families.

The aggregate use of the CDBG-DR funds made available for 2023 and 2024 Storms recovery shall benefit LMI families in a manner that ensures at least 70% of the grant amount is expended for activities that benefit such persons.

To be eligible for consideration of funding, Units of General Local Government (UGLGs) must propose programs or projects that align with CDBG-DR and Departmental requirements and priorities as outlined in the Action Plan and the Universal Notice, including yet not limited to those set forth below:

- Projects must demonstrate tie-back to 2023 and 2024 Storms (with the exception of mitigation activities funded by the CDBG-DR mitigation set-aside).
- Projects must not duplicate benefits.
- Projects must support LMI housing needs.
- Projects must primarily serve LMI populations; or
- Projects must address an urgent need in the community.

2.1 Pre-Award and Pre-Construction Costs

Pre-Award Costs

Pre-Award costs are not eligible under this funding.

Pre-Construction

HUD eligible pre-construction costs—which may include, yet are not limited to project design, and environmental review activities–may be eligible for reimbursement by FloridaCommerce, provided that all HUD and applicable Florida procurement rules and regulations have been followed and the applicant can demonstrate proper procedure was followed.

3.0 Eligibility

3.1 Eligible Counties

Eligible entities in the following 2023 and 2024 Storms MID counties may apply for funding:

HUD Designated MID Counties			
Charlotte	Duval	Lake	Seminole
Citrus	Hamilton	Leon	St. Lucie
Collier	Hernando	Levy	Sumter
Columbia	Highlands	Madison	Suwannee
DeSoto	Indian River	Polk	Taylor
Dixie	Lafayette		
State Designated MID Counties			
Alachua	Gadsden	Jefferson	Osceola
Baker	Gilchrist	Liberty	Palm Beach
Bradford	Glades	Marion	Putnam
Brevard	Gulf	Martin	St. Johns
Clay	Hardee	Nassau	Union
Flagler	Hendry	Okeechobee	Wakulla
Franklin			

3.2 Eligible Applicants

Counties and municipalities, as defined in section 180.01, F.S., and state agencies, as defined in section 120.52, F.S., are potentially eligible applicants. Eligible applicants can partner with other applicants for regional projects. Eligible co-applicants, such as school districts, nonprofit and not for profit organizations, and non-governmental organizations may partner with a state agency, county, or municipality. In instances of award co-application, FloridaCommerce will establish and maintain a subrecipient agreement and primary relationship with the state agency, county, or municipality. Applicants may only submit one project per application. Proposals for funding may only serve eligible counties and zip codes. FloridaCommerce encourages eligible applicants to assemble teams that provide the necessary capacity to successfully administer the proposed CDBG-DR projects and programs.

Some team options to consider are:

1. Leveraging the capacity of nonprofit and not for profit organizations who will serve as contractors to the subrecipient.
2. Sharing resources whereby a group of applicants apply as a region. For example: to achieve greater impact and efficiency, a group of applicants may apply as a region to manage a project with a regional impact. For regional applications, FloridaCommerce requires that there be one lead designated applicant who will contractually serve as the subrecipient and be responsible for the management of the grant. The subrecipient acting as the lead cannot sub-grant funds to other local governments.

If allocated funds by FloridaCommerce, applicants that are working as a group or in partnership with school districts, non-profits, not for profits, nongovernmental organizations, or other eligible applicant, an Interlocal Agreement or Memorandum of Understanding must be signed between the partnering entities prior to execution of the subrecipient agreement with FloridaCommerce.

3.3 Eligible Activities

To be eligible for consideration of funding, applicants must propose programs or projects that align with CDBG-DR and FloridaCommerce requirements and priorities as outlined in the Action Plan and the Universal Notice. Each activity must:

1. Address a direct or indirect impact from the disaster(s) in a MID area.
2. Be a CDBG-eligible activity (under section 105(a) of the HCDA of 1974) (42 U.S.C. 5305(a)) or be eligible under a waiver or alternative requirement; and
3. Meet a national objective.

3.3.1 Infrastructure Only Activities

Infrastructure activities may include, yet may not be limited to:

- Restoration or improvement of infrastructure damaged by 2023 and 2024 Storms (such as water and sewer facilities, streets, removal of debris, drainage, bridges, etc.).
- Demolition and rehabilitation of publicly or privately owned commercial or industrial buildings
- Renourishment of protective coastal dunes systems and state beaches.
- Repairs to damaged buildings that are essential to the health, safety, and welfare of a community when repairs to these buildings constitutes an urgent need (this can include police stations, fire stations, parks and recreational centers, community and senior centers, hospitals, clinics, homeless shelters, schools and educational facilities, and other public properties, including properties serving as emergency shelters).
- Repairs to water lines and systems, sewer lines and systems, drainage, and flood mitigation systems.
- Natural (e.g., landscaping, plants, shrubs, etc.) infrastructure
- Communications infrastructure
- Acquisition with or without relocation assistance.

**Note: If resiliency or mitigation measures as required in Federal Register Volume 90, Number 10 are incorporated into the projects listed above, they may contribute to the 15% mitigation set-aside as described below.*

3.3.2 Infrastructure Activities Incorporating Mitigation Measures

FloridaCommerce has received a CDBG-DR mitigation set-aside for recovery efforts from the 2023 and 2024 Storms. Unlike recovery activities where FloridaCommerce must demonstrate activities “tie-back” to a qualifying 2023 and/or 2024 storm, activities funded by the CDBG-DR mitigation set-aside do not require such a “tie-back.” Instead, all activities funded by the CDBG-DR mitigation set-aside must meet the definition of mitigation activities as defined in the Universal Notice and address the current and future risks as identified in FloridaCommerce’s mitigation needs assessment in the MID areas.

Subrecipients are encouraged to incorporate mitigation measures into activities designed to address disaster recovery unmet needs rather than apply for funding of mitigation-only projects.

To determine whether an activity qualifies as mitigation and counts toward the 15% mitigation set-aside, FloridaCommerce will consider whether the activity fits the mitigation definition outlined in section III.D.4. of the Universal Notice. HUD defines mitigation activities as “those activities that increase resilience to disasters and reduce or eliminate the long-term risk of loss of life, injury, damage to and loss of property, and suffering and hardship, by lessening the impact of future disasters.” FloridaCommerce and its subrecipients will implement programs that focus on risk reduction for the hazards identified as having the greatest severity in the risk-based mitigation needs assessment found

in the Action Plan. These hazards include flooding, tropical cyclones (specifically hurricane force winds and storm surge), severe storms and tornadoes.

Examples of mitigation measures that may be incorporated into Infrastructure activities to mitigate hazards may include, yet may not be limited to:

- Adherence to FEMA code+, statewide building code, and floodplain management regulations.
- Dam safety programs, seawalls, and levee systems.
- Retrofitting/hardening/elevating structures and critical facilities.
- Relocation of structures, infrastructure, and facilities out of vulnerable areas; permanent relocation of public facilities located in in high-risk areas; appropriate relocation assistance and rebuilding in low-risk areas within the neighborhood or areas of opportunity.
- Improvement of warning and evacuation systems.
- Flood control and drainage improvements, including the construction or rehabilitation of stormwater management systems.
- Infrastructure improvements (such as water and sewer facilities, streets, provision of generators, removal of debris, bridges, etc.).
- Natural (e.g., landscaping, plants, shrubs, etc.) infrastructure.
- Communications infrastructure.
- Floodplain and stream restoration.
- Permanent generators for a critical facility.
- Community safe room construction.
- Stormwater management improvements.
- Relocation of UGLG owned and operated utilities (above ground to below ground).

3.4 Use of CDBG-DR as Match

Funds may be used to meet a matching, share, or contribution requirement for another federal program when used to carry out an eligible CDBG-DR activity. This includes programs or activities administered by FEMA or the U.S. Army Corps of Engineers (USACE). By law, the amount of CDBG-DR funds that may be contributed to a USACE project is $250,000 or less. Note that the Appropriations Act prohibits supplanting the use of CDBG-DR funds for any activity reimbursable by, or for which funds are also made available, by FEMA or USACE.

Applicants seeking match funding for FEMA HMGP should consider applying for assistance through the Rebuild Florida Hazard Mitigation Grant Match Program (HMGMP). Information on the HMGMP can be found at www.floridajobs.org/2023and2024StormsHMGMP.

3.5 CDBG-DR Ineligible Activities

Per the Universal Notice, prohibited activities include:

- The use of CDBG-DR for forced mortgage payoff.
- The use of CDBG-DR funds to provide compensation to beneficiaries for losses stemming from disaster-related impacts.
- The use of CDBG-DR funds to enlarge a dam or levee beyond the original footprint of the structure that existed before the disaster event, without obtaining pre-approval from HUD and any Federal agencies that HUD determines are necessary.
- Rehabilitation assistance or safe housing incentives for second homes.
- Incentive payments to households that move to disaster-impacted floodplains.

- Assistance for second homes and activities identified in 24 CFR 570.207, except as allowed by the alternative requirement outlined in III.D.5.l of the Universal Notice.
- Assistance to buildings for the general conduct of government.
- Assistance to casinos, sports arenas, or concert venues.

Any activity that is not authorized under Section 105(a) of the HCDA is ineligible to be assisted with CDBG–DR funds, unless explicitly allowed by waiver and alternative requirement in the Universal Notice or specified within the AAN.

4.0 CDBG-DR Compliance

All applicants with proposals approved for CDBG-DR funds under this application must execute a subrecipient agreement with FloridaCommerce which will specify all terms and conditions for successful program and/or project and compliance management of a grant. The subrecipient agreement will include, yet is not limited to, the following topics:

- National Objectives
- Cross Cutting Federal Regulations
- Citizen Participation Requirements
- System of Record and Compliance Verifications
- Cost Reasonableness
- Anti-Fraud, Waste, and Abuse

4.1 National Objectives

All activities must meet one of the national objectives set out in the HCDA, with at least 70% of the dollars going towards projects benefiting LMI persons. In the Rebuild Florida IRP, the two National Objectives that will be utilized are:

- Benefit LMI persons; or
- Meet an urgent need.

4.1.1 LMI

FloridaCommerce will prioritize LMI as the national objective for Infrastructure projects. LMI area benefit criteria is used to determine if an IRP activity meets the LMI National Objective. In order to meet LMI area benefit, 51% of the residents of the project's service area must be LMI. Population data and percentage of LMI residents must be documented by census tracts and block groups within the project's service area or area of benefit.

FloridaCommerce will utilize HUD guidance to review and confirm the LMI benefit percentage of each project.

4.1.2 Urgent Need

The Urgent Need National Objective will only be used if a project does not meet LMI benefit but is needed to alleviate emergency conditions. If using Urgent Need as a national objective, the subrecipient will provide FloridaCommerce written justification in the form of a written Urgent Need narrative to certify the urgency of the condition.

Pursuant to the Universal Notice, the Urgent Need National Objective criteria in section 104(b)(3) of the HCDA is waived and an alternative requirement has been established for any CDBG-DR grantee using the Urgent Need National Objective.

In the case that a subrecipient is using the Urgent Need National Objective, the subrecipient must document how each program and/or activity responds to the urgency, type, scale, and location of the 2023 and 2024 Storms-related impact; this documentation must tie back to an impact identified in the unmet needs portion of the 2023 and 2024 Storms Action Plan for Disaster Recovery.

4.2 Cross-Cutting Federal Regulations

FloridaCommerce requires projects or programs selected for CDBG-DR funding to meet HUD crosscutting federal regulations:

- National Environmental Policy Action of 1969 - Environmental Review
- Fair Housing
- Section 3 Final Rule Requirements
- Davis-Bacon and Labor Standards
- Duplication of Benefits
- Uniform Relocation Assistance,
- Other applicable federal regulations.

For more information please see: https://www.hudexchange.info/programs/cdbg-dr/guidance/

4.3 Environmental Clearance

All CDBG-DR activities are to comply with the provisions of NEPA, as well as all HUD environmental regulations provided in 24 CFR Part 58. All subrecipients will be responsible for conducting the required environmental study and supplying the information to FloridaCommerce for clearance. The environmental review must be completed and approved prior to construction commencing. If an identified environmental condition cannot be cleared, the project may be deemed ineligible for funding. For more information please see: https://www.hudexchange.info/programs/environmental-review/.

4.4 Citizen Participation Requirements

All applicants must submit evidence of a publicly noticed meeting or public comment period to discuss the proposed project and application for the Rebuild Florida IRP. Counties eligible to receive funds must consider the needs of all municipalities (and federally recognized tribes) within the incorporated and unincorporated area of the county (and reservations contiguous to the county).

FloridaCommerce is allowing applicants to receive public input on their IRP application by the following meeting formats:

1. Posting information about the project online: An applicant posts the information about the project and the program to its public website and allows for a 14-day public comment period. Please submit a copy of the post and any public comments to FloridaCommerce as part of the application. In choosing this option for public comment, the entity will still need to follow proper public noticing guidelines such as advertising the posting in a newspaper of general circulation for five days.
2. Virtual public meetings: An applicant would need to supply the same documentation that would normally be required to demonstrate if a meeting was held, including minutes and a public meeting notice.

Evidence of public meeting with city and tribal governments must meet the following requirements:

- Notice of the public meeting must be provided at least five days prior to the meeting.
- Documentation of the meeting must include sign-in sheets and minutes.

Prior to submitting an application for CDBG-DR funding, applicants are required to post a public notice in a newspaper of general circulation and to their website that states the types of projects to be undertaken, the source and amount of funding available for the activities, the date by which comments must be made, and a contact person for a copy of the proposed application. Applicants must provide for a 10-day comment period, which must be published prior to the submission of the application.

Evidence of the public notice must meet the following requirements:

- Documentation of newspaper advertisement.
- Print-out of county webpage showing public notice.

- Documentation that the needs of non-English speaking citizens have been met where a significant number of non-English speaking citizens can be reasonably expected to participate. In this case, documentation will need to be translated into Spanish.

4.5 System of Record and Compliance Verifications

FloridaCommerce will provide a CDBG-DR System of Record that will serve as the repository for all program and project compliance documentation to satisfy monitoring and audit requirements. In addition, the System of Record will enable FloridaCommerce to review document files and conduct Duplication of Benefits, Verification of Benefits, and related verifications required to comply with CDBG-DR regulations. Subrecipient awardees are required to assemble and review all compliance documentation and upload them to the System of Record in an orderly manner. FloridaCommerce will provide training to subrecipients on how to manage their CDBG-DR programs and projects with the new System of Record.

4.6 Anti-Fraud, Waste, and Abuse

Rebuild Florida constituents, employees, and contractors may report suspected fraud, waste, or abuse by contacting Constituent Management Services staff, submitting information via the Report Fraud, Waste, and Abuse online form (http://FloridaJobs.org/rebuildflorida/reportall contact information fields are optional to allow for anonymity) or by sending an e-mail to CDBG-DR_antifraudwasteabuse@Commerce.fl.gov.

All suspected cases of fraud will be taken seriously, and complaints will be reported to OLTR's Compliance and Reporting Manager and FloridaCommerce's Office of the Inspector General (OIG) at OIG@Commerce.fl.gov. If FloridaCommerce's OIG determines that it is appropriate, it will coordinate its investigation with agencies such as the Florida Office of the Inspector General, the Florida Office of the Attorney General, or the Florida Department of Business and Professional Regulation.

All substantiated cases of fraud, waste, or abuse of government funds will be forwarded to the United States Department of Housing and Urban Development (HUD), Office of Inspector General (OIG) Fraud Hotline (phone: 1-800-347-3735 or email: hotline@hudoig.gov) and FloridaCommerce's HUD Community Planning and Development (CPD) Representative. *OLTR must provide a timely response within 15 working days of the receipt of a complaint, as stated in the Universal Notice.*

OLTR's comprehensive Anti-Fraud, Waste, and Abuse Policy can be found here.

4.7 Cost Reasonable

FloridaCommerce seeks to balance the HUD requirement that all projects meet the standard of cost reasonable with providing sufficient funding to address unmet storm recovery and resilience needs. Therefore, applicants in their submissions must provide evidence for how their programs and proposals will meet cost reasonableness.

FloridaCommerce and its subrecipients must demonstrate cost-effective practices by:

1. Addressing a problem caused by 2023 and 2024 Storms that poses a significant risk to public health or safety if left unresolved.
2. Ensuring that total project cost will not exceed the anticipated value of the of the reduction in both direct damages and subsequent negative impacts to the area if future disaster were to occur.
3. Demonstrating the project has been determined to be the most practical effective, and environmentally-sound alternative after consideration of a range of options.
4. Demonstrating the project contributes, to the extent practicable, to a long-term solution to the problem it is intended to address; and

5. Demonstrating the project considers long-term changes to the areas and entities it protects and has manageable future maintenance and modifications requirements.

4.8 CDBG-DR Costs Guidance

Applicants in their budget proposals must include all costs related to the proposed infrastructure project to include yet not limited to pre-construction (administrative, environmental review, and design) costs, construction costs, and costs of ongoing, necessary maintenance of the infrastructure project.

FloridaCommerce will apply the following standards in the analysis and ongoing compliance review of allowable costs. Please see https://files.hudexchange.info/resources/documents/CDBG-DR-Cost-Types-Summary.pdf for HUD guidance.

As outlined in **2 CFR 200 Subpart E**, all costs must meet four criteria:

- **Necessary:** CDBG-DR funding will fill a necessary gap to address an unmet need that cannot be filled by another funding source. This is demonstrated by conducting a duplication of benefits analysis and calculation for each activity.
- **Reasonable:** Costs do not exceed what a prudent person would incur under similar circumstances as demonstrated by the market price for comparable goods and services.
- **Allowable:** Costs must be allowable under CDBG-DR rules and regulations and under 2 CFR 200 Subpart E. Some costs such as lobbying, entertainment, and alcohol are never allowed under any circumstances.
- **Allocable:** Costs must be clearly allocated, meaning the cost is assigned to a CDBG eligible activity with a methodology for determining where to attribute cost.

Activity Delivery Costs must be tied to the time staff and contractors dedicate to a specific project. Applicants must show how the proposed Activity Delivery Costs are or will be cost reasonable through procurement of professional services and/or cost of in-house staff to provide program or project related services. All Activity Delivery Costs must be included as part of the total project costs in a request for CDBG-DR funding. Please include a cost reasonable estimate for all administrative costs associated with the proposed project.

5.0 Subrecipient Applications

A Request for Applications (RFA) will begin the IRP application cycle which opens on Tuesday, July 1, 2025, and will close on Monday, September 29, 2025, 5:00 p.m. EST. Applications will only be accepted during the published application cycle.

The program application will be available on the FloridaCommerce Office of Long-Term Resiliency (OLTR) 2023 and 2024 Storms IRP webpage at www.floridajobs.org/2023and2024StormsIRP. Applications must be submitted through the online application portal. Only completed applications, including all required supporting documentation, will be considered.

When applying for funding through the Rebuild Florida 2023 and 2024 Storms IRP, applicants must provide a detailed description of damage caused by 2023 and 2024 Storms, include plans to mitigate against future damage, and show how the proposed project will assist the community in rebuilding after 2023 and 2024 Storms. All proposals must show how the project addressed unmet needs, avoids duplication of benefits, is cost reasonable, and avoids fraud, waste, and abuse. Projects requesting funds for damage caused by deferred maintenance will not be considered.

Applications received by FloridaCommerce will be evaluated and scored on a point scale. Applications will be ranked based upon the assigned score. The highest-ranked applications will be scheduled for an in-person site visit. Applications will be funded, in order of ranking, until all available funding has been allocated.

FloridaCommerce reserves the option to fund none, a selection of, or all of a project proposed by an applicant.

5.1 Application Process

The application process includes an RFA, submission of the Pre-Application Intake Form, and submission of application(s) by eligible entities. Receipt of application(s) will be followed by an application evaluation and scoring process that will result in funding awards and the execution of subrecipient agreements. Selected subrecipients will be responsible for delivery of services.

FloridaCommerce has developed a Pre-Application Intake Form to assist in determining initial eligibility. Applicants must complete to Pre-Application Intake Form to formally apply for and be considered for program assistance. Once eligibility is confirmed, a team member will reach out to the applicant with information on how to submit the project application and a link to complete a formal application. If an entity wishes to submit multiple applications, each application must be submitted separately using a unique link provided by the program. The Pre-Application Intake Form is available on the IRP program webpage at www.floridajobs.org/2023and2024StormsIRP.

5.2 Technical Assistance for the Application Process

FloridaCommerce will host a live webinar to provide an overview of the application process and answer questions. FloridaCommerce will also hold 20-minute one-on-one meetings with potential applicants to discuss any questions that may arise during the application process, beginning after the live webinar.

Please email any questions to CDBG-DRInfrastructureApp@Commerce.fl.gov.

5.3 Applicant Review Process Responsiveness

During the application review process, applicants are required to respond in a timely manner to FloridaCommerce requests for information or materials to complete the evaluation process. Any request for additional information will include a definitive due date for return of requested information. If the applicant needs an extension, a clarification, or assistance, the applicant may make its request within the allotted response timeframe, as specified by FloridaCommerce. If an applicant fails to provide

the requested information or materials, or fails to ask for an extension or assistance, the applicant's response will be closed and disqualified.

Applicants will receive an email from the Program once the application has been received.

6.0 Threshold Criteria and Application Scoring

FloridaCommerce will apply a two-phased process to review applications.

1. Phase 1: Applications will first be evaluated for HUD's mandatory CDBG-DR Threshold Compliance Criteria. Only applications which meet the Threshold Compliance Criteria will move on to Phase 2.
2. Phase 2: During the second phase of the review process, applications that met the Threshold Compliance Criteria will be scored based on the Scoring Evaluation Rubric, in 6.2 Scoring Criteria.

The evaluation team will consist of OLTR staff who will independently and objectively score applications consistent with the Evaluation Rubric. These scores will be averaged to become the official score for each application.

Only the application itself (including requested attachments) will be scored. Any documents submitted with the application that were not requested will not be scored.

6.1 CDBG-DR Threshold Compliance Criteria

Every project application must meet the following threshold criteria to be considered eligible:

- Be located within an eligible HUD or state-designated MID area;
- Be considered CDBG eligible under Title I of the Housing and Community Development Act (HCDA) of 1974, as amended, or otherwise eligible by a waiver or alternative requirement;
- Be an eligible activity under HUD guidelines and the State of Florida 2023 and 2024 Storms Action Plan; and
- Address an unmet need tied to damage caused by 2023 and 2024 Storms (unless considered an eligible mitigation activity funded by the CDBG-DR mitigation set-aside).

Projects must meet a CDBG-DR National Objective:

- Benefit LMI individuals, or
- Address an urgent need.

For more information: https://files.hudexchange.info/resources/documents/Basically-CDBG-Chapter-21-CDBG-DR.pdf

6.2 Scoring Criteria

Once an application is determined to satisfy the CDBG-DR Threshold Compliance Criteria, FloridaCommerce will calculate scoring based on the scoring criteria listed in the Scoring Evaluation Rubric. The maximum score is 100 points.

Scoring will focus on the following eight categories:

- Overall LMI Benefit (Percent LMI benefit of the activity)
- Homeless Shelters and Facilities Serving as Shelters During Disasters
- Stormwater Infrastructure (To include all storm water, potable water, drainage, and wastewater projects)
- Number of FEMA IA/PA Categories A-G declarations
- Project located within a fiscally constrained county as defined by FS 218.67(1)
- Project Impact
- Design Plans Completed

- Special Designation

The following Scoring Evaluation Rubric further defines each category and lists the maximum point allocation for each scoring category. In the event of a scoring tie, projects that have a higher LMI benefit or are located within HUD designated MID Areas will be considered first.

	Scoring Evaluation Rubric	Max Points
1	**Overall LMI Benefit (Percent LMI benefit of the activity):** The LMI score will be determined on the service area the project serves, in order to calculate the LMI score. The applicant should provide their LMI data for the project service area in a percentage form. For example, if the service area LMI is 65% FloridaCommerce will multiply by 25 (the maximum number of points) to receive the final LMI score of 16.25 points. **Maximum of 25 points**	**25**
2	**Shelter and/or Facilities Serving as Shelters during Disasters**: If the project mitigates a Community Center or Safe Room. **Maximum of 10 points**	**10**
3	**Stormwater Infrastructure:** All storm water, potable water, drainage, and wastewater projects: **5 points** Evacuation routes: **5 points** **Maximum of 10 Points**	**10**
4	**Number of FEMA IA/PA Categories A-G and PA Declarations:** Communities shall receive five (5) points per IA Declaration and two (2) points per PA Declaration for the applicable storms: 25 points (Maximum) 1 IA/PA Declaration: **5 points** — 1 PA Declaration: **2 points** 2 IA/PA Declarations**: 10 points** — 2 PA Declarations: **4 points** 3 IA/PA Declarations: **15 points** — 3 PA Declarations: **6 points** 4 IA/PA Declarations: **20 points** — 4 PA Declarations: **8 points** 5 IA/PA Declarations: **25 points** — 5 PA Declarations: **10 points** *Points for IA and PA Declarations will be combined to determine the overall Declaration Score **Maximum of 25 Points**	**25**
5	**Project located within a fiscally constrained county as defined by FS 218.67(1)**	**5**
6	**Project Impact:** The impact of the project on the community should be significant with an emphasis on serving the whole community. Based upon the total residential population to be served, as verified by FloridaCommerce staff, the following points are available (whichever option is greater): 0 to 5,000 residents or 0% to 20% of community population: **2 points** 5,001 to 20,000 residents or 21% to 40% of community population**: 4 points** 20,001 to 50,000 residents or 41% to 60% of community population: **6 points** 50,001 to 150,000 residents or 61% to 80% of community population: **8 points**	**10**

	150,000+ residents or 81% to 100% of community population: **10 points**	
7	**Design Completeness:** Project design/design plan is 100% complete. Project can immediately initiate Environmental Review and Permitting. **Maximum of 5 points**	**5**
8	**Special Designation:** An applicant can receive a maximum of **10 points** if the project qualifies as: Rural Economic Development Initiative (REDI) eligible county or community (see section 288.0656, F.S.): **5 points** Area of State Critical Concern (see 380.05 F.S.): **5 points**	**10**
Total Maximum Score:		**100**

7.0 Subrecipient Awards

There is a minimum award of $750,000 and a maximum award of $100,000,000.

The contract length between FloridaCommerce and eligible subrecipients will be 24 months with a possible 12-month extension.

7.1 Subrecipient Grant Agreement Process

After an application is reviewed and scored, the applicant will be notified of the determination via email and provided an Eligibility Determination Letter. If determined eligible, the applicant will also be provided with a National Objective Review. The eligibility determination documentation—the Eligibility Determination Letter and National Objective Review—should be retained by the applicant in the program file. Following provision of eligibility determination documentation, FloridaCommerce will draft the Subrecipient Grant Agreement.

Once drafted, Attachment A of the draft Subrecipient Grant Agreement will be sent to the applicant via email for review and approval. At this time, FloridaCommerce will also request that the applicant complete and provide to FloridaCommerce a delegation of authority document. Once the applicant has approved Attachment A and the delegation of authority is provided, FloridaCommerce will route the Subrecipient Grant Agreement for internal agency approval. After FloridaCommerce final review, the Subrecipient Grant Agreement will be sent to the applicant for signature. After the applicant has signed and returned the Subrecipient Grant Agreement, it is sent to FloridaCommerce for signature and final execution. The fully executed Subrecipient Grant Agreement is sent to the subrecipient for retention in the project file.

7.2 Subrecipient Implementation Guidance

Following award and execution of the Subrecipient Grant Agreement, subrecipients should reference the 2023 and 2024 Storms Action Plan, the IRP Subrecipient Policies and Procedures, and the applicable federal register for guidance and requirements throughout the implementation process. These documents can be found on the 2023 and 2024 Storms webpage (www.floridajobs.org/cdbg-dr/2023-and-2024-storms/) and the 2023 and 2024 Storms IRP webpage (www.floridajobs.org/2023and2024StormsIRP).

Request Board approval of the following benefits and to authorize the County Manager to execute any related, required documents: Cigna - Prescription Benefits Manger (PBM); Prescription Efficiency/Savings Program - Prescription Care Management (PCM); Reliance Matrix - Dental; SunLife - Supplemental Benefits (Critical Illness/Cancer/Hospital Indemnity/Accident) - SunLife; Pre-Paid Legal - MetLife. Countywide **(Christina Brandolini, Human Resources Director)**

Division:

Human Resources - Employee Benefits

Authorized By:

Christina Brandolini, Human Resources Director

Contact/Phone Number:

Meloney Koontz/407-665-7225

Background:

Seminole County, along with Alliant (benefits consultant), reviews employee benefit plan offerings annually to ensure quality of service, engagement, efficiency, and fiscal responsibility. Human Resources and Alliant conducted a benefit and wellness work session with the Board on August 12, 2025, during which Alliant presented the results of several request for proposals (RFP's) conducted on behalf of the County. This included the carrier selection recommendations for each. This agenda item includes the contract awards for prescription benefit manager and additional ancillary benefits for Plan Year 2026. Dental (Exhibit C), Supplemental Benefit Plans (Exhibit D) and Pre-Paid Legal (Exhibit E) are employee paid benefits. Prescription Benefits Manager (Exhibit A) anticipates a savings of $407,000 or 6.3% of pharmacy spend. Prescription Savings/Efficiency Program (Exhibit B) anticipates a savings of $3,914.

Prescription Benefits Manager - (Cigna - Exhibit A)

Manages prescription drug benefits on behalf of the County's self-insured health benefit plan. These services include negotiating drug pricing and rebates, establishing

a formulary, maintaining a pharmacy network, and processing prescription drug claims. Staff is recommending continuing with Cigna, the County's health benefit administrator, as the prescription benefits manager for the employee health plan, with improved formulary, rebates, and transparency.

Recommend as quoted with Cigna.

Prescription Savings/Efficiency Program - (Prescription Care Management (PCM) - Exhibit B)

Supplemental prescription drug savings program that provides patients an opportunity to maintain clinical outcomes while improving cost efficiency by moving patients, voluntarily, to more effective drugs within the County's broad prescription formulary. Patient and physician contact and concurrence are required. This benefit is cost neutral.

Recommend as quoted with Prescription Care Management.

Dental (Reliance Matrix- Exhibit C)

Reliance will offer three (3) employee paid plans from which employees may select, including a PPO (low), PPO (mid), and PPO (High) plan. Reliance Matrix has provided a 2-year rate. No fiscal implication to the County, premiums are 100% employee paid.

Recommend as quoted with Reliance Matrix.

Supplemental Benefit Plans Critical Illness/Cancer/Hospital Indemnity/Accident (SunLife - Exhibit D)

Employees have the option to purchase supplemental coverages for critical illness, cancer, hospital indemnity, and/or accidents. The critical illness policy helps protect employees and their families from financial loss upon diagnosis of a covered condition. The cancer plan provides fixed benefits for diagnoses of cancer and for other related expenses or treatments. Hospital Indemnity coverage helps employees with out-of-pocket medical costs incurred with a hospital stay. Accident insurance provides protection for injured employees to help satisfy deductibles, out-of-pocket medical expenses, or pay household bills. These plans have no fiscal implications to the County, premiums for each are 100% employee paid.

Recommend as quoted with SunLife.

Pre-Paid Legal (MetLife - Exhibit E)

Employees can easily access a nationwide network of pre-qualified, experienced attorneys for a variety of legal

support. There is no fiscal implication to the County, premium is 100% employee paid.

Recommend as quoted with MetLife.

Requested Action:

Staff requests Board approval of plans and contracts for each benefit as outlined.

DENTAL EXPENSE BENEFITS

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

DETERMINING BENEFITS. The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

BENEFIT PERIOD. Benefit Period refers to the period shown in the Table of Dental Procedures.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

MAXIMUM AMOUNT. The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

COVERED EXPENSES. Covered Expenses include:

1. only those expenses for dental procedures performed by a Provider; and
2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be based on the lesser of:

1. the actual charge of the Provider.
2. the usual and customary ("U&C") as covered under your plan, if services are provided by a Non Participating Provider.
3. the Maximum Allowable Charge ("MAC") as covered under your plan, if services are provided by a Participating Provider, who is a general dentist.

Usual and Customary (“U&C”) describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider’s fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by dentists who are Participating Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

ALTERNATIVE PROCEDURES. If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental radiographic images, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

EXPENSES INCURRED. An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a prosthetic crown, appliance, or fixed partial denture. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.

2. for initial placement of any prosthetic crown, appliance, or fixed partial denture unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this contract. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such prosthetic crown, appliance, or fixed partial denture must include the replacement of the extracted tooth or teeth.

3. for appliances, restorations, or procedures to:

    a. alter vertical dimension;
    b. restore or maintain occlusion; or
    c. splint or replace tooth structure lost as a result of abrasion or attrition.

4. for any procedure begun after the insured person's insurance under this contract terminates; or for any prosthetic dental appliances installed or delivered more than 90 days after the Insured's insurance under this contract terminates.

5. to replace lost or stolen appliances.

6. for any treatment which is for cosmetic purposes.

TABLE OF DENTAL PROCEDURES

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.

The attached is a list of dental procedures for which benefits are payable under this section; and is based upon the Current Dental Terminology © American Dental Association. **No benefits are payable for a procedure that is not listed.**

- Your benefits are based on a Calendar Year. A Calendar Year runs from January 1 through December 31.
- Benefit Period means the period from January 1 of any year through December 31 of the same year. But during the first year a person is insured, a benefit period means the period from his or her effective date through December 31 of that year.
- Covered Procedures are subject to all plan provisions, procedure and frequency limitations, and/or consultant review. Examples of procedures which may be subject to Alternate Benefits are crowns, inlays, onlays, fixed partial dentures, composite restorations, and overdentures. Examples of procedures which may be subject to plan payments based on consultant review are services related to oral maxillofacial surgery, fixed partial dentures, periodontics, and endodontics.
- Reference to "traumatic injury" under this plan is defined as any injury caused by an object or a force other than bruxism (grinding of teeth).
- Benefits for replacement prosthetic crown, appliance, or fixed partial denture will be based on the prior placement date. Frequencies which reference Benefit Period will be measured forward within the limits defined as the Benefit Period. All other frequencies will be measured forward from the last covered date of service.
- We may request radiographs, periodontal charting, surgical notes, narratives, photos and/or a patient's records on any procedure for our dental consultants to review. Commonly reviewed procedures include: Periodontic procedures, Oral Maxillofacial Surgical procedures, Implants, Crowns, Inlays, Onlays, Core Build-Ups, Fixed Partial Dentures, Post and Cores, Veneers, Endodontic Retreatment, and Apexification/Recalcification procedures.
- We recommend that a pre-treatment estimate be submitted for all anticipated work that is considered to be expensive by our insured.

COORDINATION OF BENEFITS

The Coordination of Benefits (COB) provision applies if an Insured person has dental coverage under more than one **Plan**. **Plan** is defined below. All benefits provided under this policy are subject to this section.

The order of benefit determination rules govern the order in which each **Plan** will pay a claim for benefits. The **Plan** that pays first is called the **Primary plan**. The **Primary plan** must pay benefits in accordance with its policy terms without regard to the possibility that another **Plan** may cover some expenses. The **Plan** that pays after the **Primary plan** is the **Secondary plan**. The **Secondary plan** may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total **Allowable expense**.

DEFINITIONS

A. A **Plan** is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

(1) **Plan** includes: group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.

(2) **Plan** does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage other than the medical benefits coverage in automobile "no fault" and traditional "fault" type contracts; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under (1) or (2) is a separate **Plan**. If a **Plan** has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate **Plan**.

B. **This plan** means, in a **COB** provision, the part of the contract providing the health care benefits to which the **COB** provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one **COB** provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another **COB** provision to coordinate other benefits.

C. The order of benefit determination rules determine whether **This plan** is a **Primary plan** or **Secondary plan** when the person has health care coverage under more than one **Plan**.

When **This plan** is primary, it determines payment for its benefits first before those of any other **Plan** without considering any other **Plan's** benefits. When **This plan** is secondary, it determines its benefits after those of another **Plan** and may reduce the benefits it pays so that all **Plan** benefits do not exceed 100% of the total **Allowable expense.**

D. **Allowable expense** is a health care expense, including deductibles, coinsurance and co-payments, that is covered at least in part by any **Plan** covering the person. When a **Plan** provides benefits in the form of services, the reasonable cash value of each service will be considered an **Allowable expense** and a benefit paid. An expense that is not covered by any **Plan** covering the person is not an **Allowable expense**. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an **Allowable expense**.

The following are examples of expenses that are not **Allowable expenses**:

(1) If a person is covered by 2 or more **Plans** that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an **Allowable expense**.

(2) If a person is covered by 2 or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable expense**.

(3) If a person is covered by one **Plan** that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another **Plan** that provides its benefits or services on the basis of negotiated fees, the **Primary plan's** payment arrangement shall be the **Allowable expense** for all **Plans**. However, if the provider has contracted with the **Secondary plan** to provide the benefit or service for a specific negotiated fee or payment amount that is different than the **Primary plan's** payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the **Allowable expense** used by the **Secondary plan** to determine its benefits.

(4) The amount of any benefit reduction by the **Primary plan** because a covered person has failed to comply with the **Plan** provisions is not an **Allowable expense**. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

E. **Closed panel plan** is a **Plan** that provides health care benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the **Plan**, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

F. **Custodial parent** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

ORDER OF BENEFIT DETERMINATION RULES

When a person is covered by two or more **Plans**, the rules for determining the order of benefit payments are as follows:

A. The **Primary plan** pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other **Plan**.

B. (1) Except as provided in Paragraph B(2) below, a **Plan** that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both **Plans** state that the complying plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the **Plan** provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a **Closed panel plan** to provide out-of-network benefits.

C. A **Plan** may consider the benefits paid or provided by another **Plan** in calculating payment of its benefits only when it is secondary to that other **Plan**.

D. Each **Plan** determines its order of benefits using the first of the following rules that apply:

(1) Non-Dependent or Dependent. The **Plan** that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the **Primary plan** and the **Plan** that covers the person as a dependent is the **Secondary plan**. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the **Plan** covering the person as a dependent; and primary to the **Plan** covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two **Plans** is reversed so that the **Plan** covering the person as an employee, member, policyholder, subscriber or retiree is the **Secondary plan** and the other **Plan** is the **Primary plan**.

(2) Dependent Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one **Plan** the order of benefits is determined as follows:

(a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

The **Plan** of the parent whose birthday falls earlier in the calendar year is the **Primary plan**; or

If both parents have the same birthday, the **Plan** that has covered the parent the longest is the **Primary plan**.

(b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

(i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to plan years commencing after the **Plan** is given notice of the court decree;

(ii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;

(iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or

(iv) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

The **Plan** covering the **Custodial parent**;

The **Plan** covering the spouse of the **Custodial parent**;

The **Plan** covering the **non-custodial parent**; and then

The **Plan** covering the spouse of the **non-custodial parent**.

(c) For a dependent child covered under more than one **Plan** of individuals who are the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.

(3) Active Employee or Retired or Laid-off Employee. The **Plan** that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the **Primary plan**. The **Plan** covering that same person as a retired or laid-off employee is the **Secondary plan**. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.

(4) COBRA or State Continuation Coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another **Plan**, the **Plan** covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the **Primary plan** and the COBRA or state or other federal continuation coverage is the **Secondary plan**. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.

(5) Longer or Shorter Length of Coverage. The **Plan** that covered the person as an employee, member, policyholder, subscriber or retiree longer is the **Primary plan** and the **Plan** that covered the person the shorter period of time is the **Secondary plan**.

(6) If the preceding rules do not determine the order of benefits, the **Allowable expenses** shall be shared equally between the **Plans** meeting the definition of **Plan**. In addition, **This plan** will not pay more than it would have paid had it been the **Primary plan**.

EFFECT ON THE BENEFITS OF THIS PLAN

A. When **This plan** is secondary, it may reduce its benefits so that the total benefits paid or provided by all **Plans** during a plan year are not more than the total **Allowable expenses**. In determining the amount to be paid for any claim, the **Secondary plan** will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any **Allowable expense** under its **Plan** that is unpaid by the **Primary plan**. The **Secondary plan** may then reduce its payment by the amount so that, when combined with the amount paid by the **Primary plan**, the total benefits paid or provided by all **Plans** for the claim do not exceed the total **Allowable expense** for that claim. In addition, the **Secondary plan** shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

B. If a covered person is enrolled in two or more **Closed panel** plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one **Closed panel plan**, **COB** shall not apply between that **Plan** and other **Closed panel plans**.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits payable under **This plan** and other **Plans**. The Company may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under **This plan** and other **Plans** covering the person claiming benefits. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under **This plan** must give the Company any facts it needs to apply those rules and determine benefits payable.

FACILITY OF PAYMENT

A Payment made under another **Plan** may include an amount that should have been paid under **This plan**. If it does, the Company may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under **This plan**. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by the Company is more than it should have paid under this **COB** provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid; or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

When a Non-Participating Provider performs services, all benefits will be paid to the Insured unless otherwise indicated by the Insured's authorization to pay the Non-Participating Provider directly.

FACILITY OF PAYMENT. If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed $5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

1. The Policy would not have been issued if we had known the truth; and

2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

The law does not, however, apply to plans sponsored by the Federal government and certain church-related organizations.

i. Definitions For This Section

Qualified Beneficiary means an Insured Person who is covered by the plan on the day before a qualifying event. Any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary.

   1. The Member’s Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;

   2. The Member is certified eligible for trade adjustment assistance (as determined by the appropriate governmental agency) within 6 months of the date Insurance ended due to the trade related termination of their employment; and

v. Premium Requirements

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

F. Your Rights under ERISA

As a participant in this Plan, you are entitled to certain rights and protections under the Employment Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits
Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage
Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights
If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Rights
If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and

responsibilities under ERISA by calling those publications hotline of the Employee Benefits Security Administration

CLAIMS REVIEW PROCEDURES
AS REQUIRED UNDER
EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

The following provides information regarding the claims review process and your rights to request a review of any part of a claim that is denied. Please note that certain state laws may also require specified claims payment procedures as well as internal appeal procedures and/or independent external review processes. Therefore, in addition to the review procedures defined below, you may also have additional rights provided to you under state law. If your state has specific grievance procedures, an additional notice specific to your state will also be included within the group policy and your certificate.

NOTICE OF DECISION OF CLAIM

We will evaluate your claim promptly after we receive it.

Dental Utilization Review Program. Generally, utilization review means a set of criteria designed to monitor the use of, or evaluate the medical necessity, appropriateness, or efficiency of health care services. We have established a utilization review program to ensure that any guidelines and criteria used to evaluate the medical necessity of a health care service are clearly documented and include procedures for applying such criteria based on the needs of the individual patients. The program was developed in conjunction with licensed dentists and is reviewed at least annually to ensure that criteria are applied consistently and are current with dental technology, evidence-based research and any dental trends.

We will provide you written notice regarding the payment under the claim within 30 calendar days following receipt of the claim. This period may be extended for an additional 15 days, provided that we have determined that an extension is necessary due to matters beyond our control, and notify you, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which we expect to render a decision. If the extension is due to your failure to provide information necessary to decide the claim, the notice of extension shall specifically describe the required information we need to decide the claim.

If we request additional information, you will have 45 days to provide the information. If you do not provide the requested information within 45 days, we may decide your claim based on the information we have received.

If we deny any part of your claim, you will receive a written notice of denial containing:

a. The reasons for our decision.
b. Reference to the parts of the Group Policy on which our decision is based.
c. Reference to any internal rule or guideline relied upon in making our decision, along with your right to receive a copy of these guidelines, free of charge, upon request.
d. A statement that you may request an explanation of the scientific or clinical judgment we relied upon to exclude expenses that are experimental or investigational, or are not necessary or accepted according to generally accepted standards of Dental practice.
e. A description of any additional information needed to support your claim and why such information is necessary.
f. Information concerning your right to a review of our decision.
g. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA following an adverse benefit determination on review.

APPEAL PROCEDURE

If all or part of a claim is denied, you may request a review in writing within 180 days after receiving notice of the benefit denial.

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your appeal. There will be no charge for such copies. You may request the names of the experts we consulted who provided advice to us about your claim.

The appeal review will be conducted by the Plan's named fiduciary and will be someone other than the person who denied the initial claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based in whole or in part on a medical judgment, including determinations with regard to whether a service was considered experimental, investigational, and/or not medically necessary, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request.

If your appeal is about urgent care, you may call Toll Free at 877-897-4328, and an Expedited Review will be conducted. Verbal notification of our decision will be made within 72 hours, followed by written notice within 3 calendar days after that.

If your appeal is about benefit decisions related to clinical or medical necessity, a Standard Consultant Review will be conducted. A written decision will be provided within 30 calendar days of the receipt of the request for appeal.

If your appeal is about benefit decisions related to coverage, a Standard Administrative Review will be conducted. A written decision will be provided within 60 calendar days of the receipt of the request for appeal.

If we deny any part of your claim on review, you will receive a written notice of denial containing:

a. The reasons for our decision.
b. Reference to the parts of the Group Policy on which our decision is based.
c. Reference to any internal rule or guideline relied upon in making our decision along with your right to receive a copy of these guidelines, free of charge, upon request.
d. Information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your claim.

f. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA.

Certain state laws also require specified internal appeal procedures and/or external review processes. In addition to the review procedures defined above, you may also have additional rights provided to you under state law. Please review your certificate for such information, call us, or contact your state insurance regulatory agency for assistance. In any event, you need not exhaust such state law procedures prior to bringing civil action under Section 502(a) of ERISA.

Sanford, FL 32771

SIC Code: 9121

Proposal Presented by

Sun Life

Benefits Quoted

Accident insurance; Critical Illness; Cancer Indemnity and Hospital Indemnity

Proposed Effective Date

January 1, 2026

Things to Know

- This proposal shows a summary of proposed product(s), rates, and underlying assumptions. It is not part of the group policy or an administrative services agreement with Sun Life or its affiliated companies.
- This proposal is valid for 60 days, starting from April 28, 2025, and only for the proposed Effective Date.
- This proposal may include fully insured, nonparticipating coverage that terminates at retirement, unless otherwise noted.
- For fully insured coverages, we require that you provide a copy of the current carrier's policy or certificate, and for self-funded plans we require your Plan Document at time of sale.

The following notices apply to quotes for fully insured coverage:

Producer Licensing

All Sun Life companies require producers who use insurance quotes for the purpose of soliciting, selling, or negotiating insurance to be licensed both by the state where the prospective client is located and by any state where the solicitation, sale, or negotiation of insurance occurs, if different. This requirement pertains to all forms of solicitation, sale, or negotiation of insurance, including but not limited to solicitation, sale, or negotiation conducted in person or by telephone, by e-mail, by fax, or otherwise.

Producer Compensation

We encourage brokers and their clients to discuss what commission or other compensation may be paid in connection with the purchase of products and services from Sun Life companies. All Sun Life companies may pay the selling broker, agency, or third party administrator for the promotion, sale, and renewal of the products and services offered in this proposal. In addition to our standard compensation arrangements, we may make additional cash payments or reimbursements to selling brokers in recognition of their marketing and distribution activities, persistency levels, and volume of business. For New York–issued cases, producers must comply with the specific compensation disclosure requirements of New York Regulation 194.

Plan and Rates

Acceptance of the group and final rates will be determined by Sun Life and may be based on actual enrollment and case experience, if required. Terms and conditions of any coverage under the policy may be determined by all required final data and by underwriting rules, minimum participation requirements, and policy provisions in effect on the date coverage begins.

Underwriting Companies

The Sun Life group of companies operates under the “Sun Life” name strictly as a marketing name, and no legal significance is expressed or implied. In the United States and elsewhere, insurance products are offered by members of the Sun Life group that are insurance companies. Sun Life Financial Inc., the publicly traded holding company for the Sun Life group of companies, is not an insurance company and does not guarantee the obligations of these insurance companies. Each insurance company relies on its own financial strength and claims-paying ability.

Hospital Indemnity insurance

Help employees with out-of-pocket medical costs incurred with a hospital stay. Sun Life's Hospital Indemnity plan provides flexible options that make it easy to meet cost and coverage goals. Employees with hospital stays of 10 days or more may receive additional Extended Hospitalization benefits.

Here are some benefits available under our Hospital Indemnity plan. You can work with your employee benefits representative to customize your plan with these benefits. Please refer to the plan design and rates section of this proposal for the benefits being proposed for your employees. State variations will apply.

- **Covered conditions:** Plans can include coverage for hospital confinements due to accident and sickness, mental and nervous disorders, substance abuse, routine pregnancy, and newborn routine care.

- **First Day benefits:** Benefits can include a First Day Hospital &/or First Day ICU.

- **No lifetime maximums:** There is no limit to the number of hospital claims that may be submitted. This may be of particular interest to employees with chronic conditions.
- **Portable:** In approved states, employees who terminate employment and who meet other eligibility criteria may apply to port this insurance. In other states, Continuation will be available.
- **Complements other plans:** Hospital Indemnity complements Critical Illness, Cancer and Accident coverage in their goal to help protect employees from out-of-pocket medical expenses. Benefits are paid regardless of what other coverages employees may have.

We will pay employees a defined amount, once per benefit year, when we receive proof of an eligible health screening (full list enclosed if included). We may also pay the employee for spouse or child screening.

Hospital Indemnity Insurance is a limited benefit policy. It does NOT provide basic hospital, basic medical, or major medical insurance. It is not a Medicare Supplement policy. Definitions

State variations may apply and not all definitions below may apply to your plan.

Benefit year means a calendar year beginning on January 1 of any year and ending on December 31 of that year.

Confinement means on the advice of a Physician, the assignment of a person to a bed as a resident inpatient in a Hospital or Rehabilitation Unit for not less than 20 continuous hours. There must be a charge for room and board. The requirement that an Insured be charged for room and board does not apply to confinement in a Veteran's Administration Hospital or other federal government operated Hospital. Observation unit is not covered under First day Hospital Confinement or First Day ICU benefit. An Observation Unit stay of 20 hours or more will be covered under the Daily Hospital Confinement Benefit. Confinement does not include that period of time during which an Insured is in a Hospital Emergency Room, Observation Room, a freestanding surgical facility or an outpatient facility. Confinement does not include a newborn child's initial confinement in a Hospital following birth for routine medical and nursing care, except as specifically provided for in the Newborn Nursery Confinement if covered under your plan.

Covered Accident means an Accident that is not excluded by the Policy or applicable riders or endorsements attached to it.

Covered Sickness means a Sickness that is not excluded by the Policy or applicable riders or endorsements attached to it.

Hospital means a facility licensed in the applicable jurisdiction that provides medical care and Treatment to sick and injured persons on an Inpatient basis with 24 hour nursing service by or under the supervision of a Physician. Hospital does not include a rest home; a Skilled Nursing Facility; an extended care facility; a place of convalescence; a Rehabilitation Unit; a Hospice Facility; a place providing custodial care; a Mental and Nervous Disorder Facility or a Substance Abuse Facility.

Hospital Intensive Care Unit (ICU) means a specifically designated part of a Hospital called an intensive care unit that provides the highest level of medical care and is restricted to patients who are critically ill or injured and who require intensive comprehensive observation and care, including a neonatal intensive care unit specializing in the care of ill or premature newborn infants; is separate and apart from the surgical recovery room and from rooms, beds and wards customarily used for patient confinement; is permanently equipped with special lifesaving equipment for the care of the critically ill or injured; is under constant and continuous observation by a specially trained nursing staff assigned exclusively to the intensive care unit on a 24 hour basis and has an assigned Physician on a full-time basis.

A hospital intensive care unit is not any of the following step-down units: a progressive care unit; an intermediate care unit; a private monitored room; sub-acute intensive care unit or an Observation Unit.

Inpatient or Inpatient Treatment means the Insured who receives Treatment as a resident patient using and being charged for the room and board facilities of a Hospital or Rehabilitation Unit. The requirement that an Insured be charged does not apply to confinement in a Veteran's Administration Hospital or other federal government operated Hospital.

Newborn Nursery Care means routine well baby care provided to a newborn baby while confined immediately following an Insured's childbirth of such baby.

Observation Unit means a specified area within a Hospital, apart from the Emergency Room, where a patient can be monitored by a Physician and which is under the direct supervision of a Physician or registered nurse; is staffed by nurses assigned specifically to that unit; and provides care seven days per week, 24 hours per day.

An observation unit stay lasting 20 hours or more is treated as a Hospital Confinement.

Rehabilitation Unit means a distinct unit within a Hospital that provides rehabilitation care services on an Inpatient basis. Rehabilitation care services consist of multidisciplinary physical restorative services to achieve the highest possible functional ability for disability due to Sickness or Injury. Services are provided by or under the supervision of a trained and experienced rehabilitation Physician.

A rehabilitation unit is not a freestanding rehabilitative facility; a nursing home; an extended care facility; a Skilled Nursing Facility; a rest home or home for the aged; a Hospice Facility; a facility for the Treatment of alcoholism or drug addiction or an assisted living facility.

Important Information

- Please also refer to the Policy Disclosures for additional details.
- The Confinement must occur on or after the effective date of insurance.
- Based on the limited available regulatory guidance, Sun Life believes its Hospital Indemnity insurance is appropriate for use with an HSA when a plan does not include Observation Unit and In-Patient Surgery benefits and may be purchased when the employee and/or their family members are covered under an HDHP. However, Sun Life cannot provide legal or tax advice. If there are legal or tax questions, we suggest that the employee consult their own legal or tax advisor before purchasing this insurance.
- This is a limited benefit policy. It does NOT provide basic hospital, basic medical, or major medical insurance. It is not a Medicare Supplement policy. The certificate has exclusions, limitations, and benefit waiting periods for certain conditions that may affect any benefits payable. Benefits payable are subject to all terms and conditions of the certificate. The policy, certificate and any rider, if applicable, may not be available in all states and may vary based on state laws and regulations.

Included in this plan

- No health questions required.
- 36-month rate guarantee from the Effective Date.
- Eligible Child(ren): to age 26.
- Portability – greater of Up to Age 70 or 12 months.

Assumptions

- Standard Sun Life policy and contractual language, as filed in the policyholder's situs state, is offered. No special language or state filings are included unless approved in advance. Policy provisions are subject to state requirements and availability.
- An employee must be Actively at Work on his/her Effective Date for coverage to become effective. If an employee is not Actively at Work on his or her Effective Date, coverage will not become effective until the employee is again Actively at Work.
- Coverage for dependents who are hospital-confined due to accident or sickness will be effective on the date they are no longer hospital-confined. Hospital-confined does not apply to a newborn child.
- Sun Life requires a final census, which includes participation information for contributory/voluntary benefits, before the point of sale and reserves the right to re-rate the proposal upon verification of dates of birth, genders, salaries, individual benefit elections, and occupations.
- Common ownership of the business units.
- This proposal assumes that there is a direct employer-employee relationship.
- Notification of any employer-completed merger or acquisition.
- Retired, temporary, part-time, seasonal, leased, and contracted (1099) employees are not eligible to participate.
- Employee must be insured in order to elect benefits for Dependents.
- No person may be insured as an Employee and as a spouse of an Employee.
- No person may be insured as a Dependent Child of more than one Employee.
- This proposal assumes there is no coverage currently inforce.
- This group has a minimum lives requirement. If the group drops below the required minimum lives, this proposal is not valid, and Sun Life reserves the right to rerate or decline the case. The minimum lives requirement can be found under the Plan Design and Rates section.

Accident insurance

Sun Life's Accident Plan provides accident insurance protection for a wide range of covered benefits. Injured employees and their dependents may use the cash benefits however they want—to satisfy deductibles, pay out-of-pocket medical expenses, or pay household bills, for example. Here are some highlights:

- **Guaranteed Issue**.
- **A Wide Range of Covered Benefits:** Benefits for injuries are payable once for each covered accident (unless stated otherwise in the certificate), and benefits for hospital stays and related care are payable up to a specific number of days or visits for each covered accident.
- **Categories of Coverage:**
  - **For Injuries:** Insureds will receive a payment for covered dislocations, fractures, lacerations, burns, and other injuries.
  - **For Diagnosis and Services:** Insureds will receive a payment for related covered medical services (ranging from X-rays to office visits), hospital services (including emergency room admissions and ambulance rides), surgeries and emergency dental (crown and extraction).
  - **For Loss:** The plan includes accidental death and dismemberment coverage and pays benefits for loss of hearing and for loss of sight occurring as a result of a covered accident.
- **Coverage for Families:** Employees can add coverage for spouses and dependent children.
- **Off Job or 24-Hour Coverage:** The plan can provide coverage at all times (24 hours) or for accidents that occur outside of work ("Off Job").
- **Wellness screening benefit:** To promote healthy lifestyles and early detection, we will pay employees a defined amount, once per calendar year, when we receive proof of an eligible health screening, like an electrocardiogram. We may also pay the employee for spouse or child screening (see Plan Design and Rates).
- **Portable:** Employees who terminate employment and who meet other eligibility criteria may apply to port accident insurance.

Accident insurance is a limited benefit policy. It provides accident coverage only. It does not provide basic hospital, basic medical, or major medical insurance. The certificate and its riders have exclusions and limitations that may affect any benefits payable. Benefits payable are subject to all terms and conditions of the certificate. The policy, certificate, and any rider may not be available in all states.

If permitted by the Employer's employee benefit plan and not prohibited by state law, or if the group's situs state is Oregon or Washington, the term "spouse" in this benefit includes any individual who is either recognized as a spouse, a registered domestic partner, or a partner in a civil union, or otherwise accorded the same rights as a spouse.

Critical Illness
Series 16

Critical Illness insurance helps protect employees and their families from financial loss by providing a lump-sum benefit upon diagnosis of a covered condition. Here are some highlights:

- If included in the sold plan, we will pay a benefit for covered conditions like heart attack, stroke, major organ failure, occupational infectious disease, and coronary artery bypass graft.
- Cancer coverage may include invasive and non-invasive cancers as well as skin cancer. Cancer may be standalone or offered with standard core benefits.
- For dependent children, we also offer a childhood conditions option that may include Down Syndrome, cerebral palsy, complex congenital heart disease, cystic fibrosis, spina bifida, cleft lip/palate, type 1 diabetes, and muscular dystrophy.
- You may also choose to include supplemental benefits such as:
    - Option 1 – blindness, loss of speech and loss of hearing
    - Option 2 – benign brain tumor, paralysis, coma and burns
    - Option 3 – Alzheimer's, Parkinson's, and ALS

  Benefits may not be available in every state. For the full list of covered conditions quoted, please refer to the Plan Design and Rates section of this proposal.
- **Benefit Percentages and Maximums**: Depending on the diagnosis, we will pay either the full benefit or a partial benefit. We will also pay for additional occurrences after a certain waiting period, as long as those diagnoses are not for the same covered condition for which we previously paid a benefit. Each covered condition is payable 1x per lifetime of the Policy, unless Recurrence has been selected. See plan design section for specific benefit percentages and any applicable policy maximums.
- **Recurrence Benefit:** For certain benefits, we will pay a lump-sum benefit to Insureds diagnosed with a covered condition for which we previously paid a benefit. The diagnosis must be for a new event (not a re-diagnosis of the covered condition previously paid for), and a certain number of months must pass between diagnoses. Certain covered conditions require that specific criteria be met in order for a Recurrence Benefit to be paid. Please refer to the Plan Design and Rates section for more details.
- **Coverage for Families:** Employees can add coverage for spouses and dependent children.
- **Health Navigator Help Line[2]:** Expert guidance and support to assist employees with health-related needs, like physician recommendations, preparing for an upcoming medical appointment, or answering medical billing or claims questions.
- **Wellness Screening Benefit:** To promote healthy lifestyles and early detection, we will pay employees a defined amount, once per calendar year, when we receive proof of an eligible health screening, like an electrocardiogram. We may also pay the employee for spouse or child screening (see Plan Design and Rates).
- **Portability:** Insureds may port an amount up to their remaining amount of insurance in force under the qualifying group insurance policy on the date such insurance terminates.

Critical Illness insurance is a limited benefit policy. It does not provide basic hospital, basic medical, or major medical insurance and does not satisfy the requirement for Minimum Essential Coverage under the Affordable Care Act. The certificate has exclusions and limitations (as detailed in the Policy Disclosures) which may affect any benefits payable. Benefits payable are subject to all terms and conditions of the certificate. The policy and certificate may not be available in all states and may vary based on state laws and regulations.

If permitted by the Employer's employee benefit plan and not prohibited by state law, or if the group's situs state is Oregon or Washington, the term "spouse" in this benefit includes any individual who is either recognized as a spouse, a registered domestic partner, or a partner in a civil union, or otherwise accorded the same rights as a spouse.

Footnote information is located in the General Disclosures section on the last page of this proposal.

You will be considered Actively at Work if you usually perform the regular duties of your job at your home as long as you can perform all the regular duties of your job for a full work day and could do so at your Employer's normal place of business.

You are considered Actively at Work on any day that is not your regular scheduled work day (e.g., you are on vacation or holiday) as long as you were Actively at Work on your immediately preceding scheduled work day, and you are neither Confined nor disabled due to an Injury or Sickness.

Benefit Year means a calendar year beginning on January 1 and ending on December 31 of that year.

Complications of Pregnancy includes: acute nephritis; cardiac decompensation; disease of the endocrine, hemopoietic, nervous or vascular systems; ectopic pregnancy that is terminated; hyperemesis gravidarum; missed abortion; nephrosis; non-elective caesarean section; spontaneous termination of pregnancy that occurs during a period of gestation when a viable birth is not possible; or any similar condition(s) of comparable severity.

This definition does not include: elective caesarean section unrelated to a diagnosed complication of pregnancy; false labor; morning sickness; multiple gestation pregnancy; occasional spotting; physician prescribed rest during pregnancy; pre-eclampsia; any similar condition(s) associated with a difficult pregnancy but not considered a classifiable, distinct complication of pregnancy; or any other condition associated with pregnancy but has not been diagnosed by a Physician as a complication of pregnancy as defined.

Confined or Confinement means on the advice of a Physician, the assignment of a person to a bed as a resident inpatient in a Hospital or Rehabilitation Unit for not less than 20 continuous hours. There must be a charge for room and board. The requirement that an Insured be charged for room and board does not apply to confinement in a Veteran's Administration Hospital or other federal government operated Hospital. This definition does not include a newborn child's initial Confinement in a Hospital following birth for routine medical and nursing care, except as specifically provided for in the Newborn Nursery Confinement benefit.

Confinement does not include that period of time during which an Insured is in a Hospital Emergency Room, an observation room, a freestanding surgical facility or an outpatient facility.

However, if the Insured is eligible for the Immunotherapy benefit, the Radiation and Chemotherapy benefit and the Experimental Treatment benefit on the same day, then we will pay the highest benefit.

SAMPLE

Home Health Care

If, after the Insured is released from Confinement due to Internal Cancer, the attending Physician prescribes home health care or health support services and these services begin within 7 days of the Insured's release from Confinement, we will pay the Home Health Care amount shown in the Benefit Highlights for each home health visit up to a maximum of 10 visits after any period of Confinement, but no more than 30 visits per Benefit Year.

To receive this benefit, the prescribing Physician must certify that the Insured would need to be Confined if home health care visits were not available to give the Insured necessary care and Treatment.

We will pay benefits under this provision only if the home health care and health supportive services providers are licensed or certified and as qualified as caregivers providing comparable services at a Hospital or other appropriate medical facility. This benefit will not be paid for any day that a benefit is paid under the Hospice Benefit. If the Home Health Care Benefit under this provision is payable the same day that a Hospice Benefit is payable, then we will pay the higher benefit.

Nursing Services

If the attending Physician prescribes for the Insured while Confined for Internal Cancer the services of private nurses, in addition to those ordinarily provided by a Hospital, then we will pay the Nursing Services amount shown in the Benefit Highlights per day for up to 30 days per Benefit Year that the Insured is charged for such additional full time care. Care must be provided by a licensed registered graduate nurse or licensed practical or vocational nurse, but not by a Family Member.

Transportation

We will pay the Transportation amount shown in the Benefit Highlights upon completion of a round trip to transport the Insured to a Hospital or Clinic more than 100 miles away from the Insured's residence if the purpose of the trip is to obtain Internal Cancer Treatment prescribed by the Insured's local attending Physician. We will pay this benefit only for each Insured's transportation. However, we will pay this benefit for commercial travel by bus, train or airplane for a parent or guardian if the medical care is for a Dependent Child and he or she is accompanied by a parent or guardian. Each Insured is limited to 3 round trips per Benefit Year each Insured including trips in which the Dependent Child is accompanied by a parent or guardian. This benefit does not apply to transportation by ambulance to or from any Hospital.

Reconstructive Surgery

We will pay the Reconstructive Surgery amount shown in the Benefit Highlights for the Insured for Internal Cancer related reconstructive surgery listed below:

- Breast Symmetry (modification of the non-cancerous breast performed within 5 years of reconstructing the cancerous breast)

In addition to the exclusions stated in the Covered Cancer Benefits section of this Certificate, we will not pay any benefit that is caused by, contributed to in any way, or resulting from any Cancer Diagnosed outside the United States or Canada without confirmation of the Diagnosis by a Physician who practices in the United States or Canada; or any service, Treatment or Confinement outside the United States or Canada.

We will not pay a benefit for any Cancer that is due to or results from:

In addition to the limitations stated in the Covered Cancer Benefits section of this Certificate, we will not pay any benefit for any Cancer that is Diagnosed in the first 12 months following the effective date of any Insured's insurance and results from a Pre-Existing Condition.

This provision does not apply on the Policy Effective Date if the Insured was covered under the Policyholder's Prior Policy of Cancer insurance on the day before the Policy Effective Date.

Pre-Existing Condition means during the 12 months prior to any Insured's effective date of insurance or the effective date of an increase in any Insured's amount of insurance, any condition for which any Insured:

- sought medical Treatment, consultation, advice, care or services, including diagnostic measures for the condition, or symptoms related to the condition, regardless of whether the condition was Diagnosed or suspected at that time; or

When newborn children, newly placed foster children or newly adopted children are added to your Dependent Children Insurance within 31 days of the birth, placement or adoption, the Pre-Existing Condition limitation does not apply.

Any request for extension will specifically explain:

- the standards on which entitlement to benefits is based;
- the unresolved issues that prevent a decision on the claim; and

If a period of time is extended because you failed to provide necessary information, the period for making the benefit determination is tolled from the date we send notice of the extension to you until the date on which you respond and provide the requested information. If all or part of your claim is denied, you may request in Writing a review of the denial within 60 days after receiving notice of denial.

You may submit Written comments, documents, records or other information relating to your claim for benefits, and may request free of charge copies of all documents, records, and other information relevant to your claim for benefits.

If an extension of time is required to process the claim, we will notify you in Writing of the special circumstances requiring the extension and the date by which we expect to make a determination on review. The extension cannot exceed a period of 60 days from the end of the initial period.

If a period of time is extended because you failed to provide information necessary to decide your claim, the period for making the decision on review is tolled from the date we send notice of the extension to you until the date on which you respond to the request for additional information. You will have at least 45 days to provide the specified information.

Except for non-payment of premium, fraud or any claims incurred within two years of the effective date of an Insured's initial, increased, additional or reinstated insurance, no statement made by any Insured relating to insurability for such insurance will be used to contest the validity of that insurance after the insurance has been in force for a period of two years during that individual's Lifetime. The statement must be contained in a form Signed by that individual.

This provision shall not preclude the assertion at any time of a defense to a claim based upon the Insured's eligibility for insurance.

The statement must be contained in a form Signed by that individual.

This provision shall not preclude the assertion at any time of a defense to a claim based upon the Insured's eligibility for insurance.

INSURER'S AUTHORITY

What is our authority?
Sun Life has discretionary authority to make all final determinations regarding claims for benefits under the Policy. This discretionary authority includes, but is not limited to, the right to determine eligibility for benefits and the amount of any benefits due and to construe the terms of the Policy.

Any decision made by us in the exercise of this authority, including review of denials of benefit, is conclusive and binding on all parties. Any court reviewing such a decision shall uphold it unless the claimant proves that it was arbitrary and capricious.

For claims subject to ERISA, if a claimant files state law causes of action that are later determined by a court to be preempted by ERISA, we shall be entitled to legal fees in defense of those causes of action.

SAMPLE

In any legal proceeding, the Court is limited in its review to the administrative record compiled by Sun Life prior to its final claim determination.

LIMIT OF PREMIUM REFUNDS

Is there a limit on premium refunds?
Whether premiums were paid in error or otherwise, we will refund only that part of the excess premium that was paid during the 12-month period that preceded the date we learned of such overpayment.

MISSTATEMENT OF FACTS

What happens if there is a misstatement of facts in the administration of the Policy?
If relevant facts about the Employer or Employee relating to this insurance are determined not to be accurate:

- a fair adjustment of premium will be made, subject to the "Limit of Premium Refunds" section; and
- the actual facts will decide whether, and in what amount, and for what duration insurance is valid under the Policy.

NON-PARTICIPATING

Does the Policy participate in dividends?
The Policy is non-participating and will not share in any profits or surplus earnings of Sun Life Assurance Company of Canada, and, therefore, no dividends are payable.

PREMIUM PAYMENTS AS EVIDENCE OF INSURANCE

Does the payment of premiums guarantee coverage under the Policy?
The receipt of premiums by us is not a guarantee of insurance. Eligibility for benefits will be determined at the time of claim submission and in order to receive a benefit under the Policy, all Policy requirements must be satisfied.

If we determine that you or your Dependent Child or Spouse are not eligible for coverage, you should contact your Employer regarding the refund of premiums due, if any.

REIMBURSEMENT

What if a benefit is underpaid or overpaid?
Reimbursement will be made to us for any overpayments that we may make due to any reason. You must repay us within 60 days unless we agree to a longer time period. Deductions may be made from future benefit payments to recover any such overpayments.

If we have underpaid a benefit for any reason, we will make a lump sum payment for that amount.

Interest does not accrue on any underpaid or overpaid benefit unless required under the applicable law.

Features/Benefits

Maximum Rewards

This dental plan includes a valuable feature that allows qualifying plan members to carryover part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. In addition, a person earning dental rewards who submits a claim for services received through the dental network earns an extra reward, called the PPO Bonus. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	$750	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	$250	Maximum Rewards amount is added to the following year's maximum
Annual PPO Bonus	$150	Additional bonus is earned if the member sees a network provider
Maximum Carryover	$1,000	Maximum possible accumulation for Maximum Rewards and PPO Bonus combined

Groups with a program similar to Maximum Rewards on their previous plan are eligible for Maximum Rewards Credits. To qualify for Maximum Rewards Credits, the employer must request a list of carryover amounts from the previous carrier, to be sent to Reliance Standard. (Plan(s): 3)

Reliance Standard will credit each account based on amounts identified by the previous carrier. The credit is available only to initial insureds. The credit, and any amounts earned under our plan, will not exceed the maximum carryover proposed for the plan selected. (Plan(s): 3)

Enrollment data must include information for all dependents enrolling in the plan. (Plan(s): 3)

Dental Network Products

We have contracted with Ameritas to provide plan members access to a nationwide dental network as part of this dental plan. Networks are one way to help curb rising benefit costs while reducing out-of-pocket dollars.

- Employers achieve a balance between cost efficiency and employee choice.
- Plan members have the freedom to select any dentist.
- With a network provider, out-of-pocket expenses are generally lower, because network providers agree to charge no more than the discounted fees established for covered procedures.
- Out-of-network dentist charges are usually higher than our discounted fees, so out-of-pocket expenses are likely higher with non-network dentists.

PPO Two-Tier

- Two-tier PPO approach gives employees the freedom to select any dentist.
- However, when plan members seek treatment from a provider, they benefit from richer benefits and network discounted fees, which reduce their out-of-pocket expenses.

Features/Benefits

Maximum Allowable Charge/Maximum Allowable Benefit

- Plan members who select a network provider benefit from discounted fees for care. These fees are referred to as the Maximum Allowable Charge (MAC). MAC fees are the maximum amount a network provider will charge for a covered procedure and are typically 27% below the average dentist charges, or 30 - 70% below the 90th percentile, in a community.
- Members who select an out-of-network dentist will pay the difference between that dentist's normal charge and the Maximum Allowable Benefit (MAB). MAC and MAB amounts generally are the same. The difference is the remainder the member must pay after MAC/MAB benefits are applied.

Orthodontia – Initial Insureds Only

Reliance Standard Life will provide coverage on current orthodontic treatment programs and pay up to Reliance Standard Life's orthodontic maximum minus any benefits the plan member has received from the prior carrier. These takeover benefits only apply to initial employees and their dependents on the plan's effective date and are not available to new enrollees who enroll after case implementation.

Rx Savings - Extra value for plan members

- It's no secret that prescription medications can be one of the biggest - and most important - health care expenditures a person, family or organization faces. Not to mention, when a person requires long-term maintenance medications, it can become a serious budgeting issue.
- Our valued plan members and their covered dependents can save on prescription medications at over 60,000 pharmacies across the nation including CVS, Walgreens, Rite Aid and Walmart. This Rx discount is offered at no additional cost, and it is not insurance.
- If your organization offers its associates health care pharmacy benefits, this no-cost Rx discount could save significant dollars. Participating pharmacies will give plan members their normal health care pharmacy benefit, or the Rx discount, whichever saves more.
- Members can receive up to 65% savings on generic prescriptions, and overall average savings of 40% across brand name and generic prescription combined.
- To receive the Rx discount, members just need to visit us at www.reliancematrix.com and sign into (or create) a secure member account. That's where they can access and print an online-only Rx discount savings ID card.
- Also, when choosing eServices, your benefits administrator will have access to the online-only Rx discount savings ID card to assist members without Internet access.

Eyewear Savings at Walmart Vision Centers

- Plan members may receive up to 10% off eyewear frames and lenses purchased at any Walmart Vision Center nationwide. Members may also bring in their current vision prescription from any vision care provider and purchase eyewear at Walmart.
- This savings arrangement is not insurance: it is available to members at no additional cost to their plan premium.
- To receive the eyewear savings identification card, plan members can visit www.reliancematrix.com and sign-in (or create) a secure member account. Members must present the Eyewear Savings Card at time of purchase to receive the discount.
- Also, when choosing eServices, your benefits administrator will have access to the Eyewear Savings Card to assist members without Internet access.

Seminole County Board of County Commissioners

Features/Benefits

U&C

- Utilizes the 90th percentile of U&C (9 out of 10 dentists' charges will fall at or below the amount RSL allows for a particular procedure).
- We use an internal claims database as well as data from a nationally recognized independent data source to ensure our allowances meet the highest industry standards.
- U&C allowances are updated approximately every 12 months.
- This plan utilizes the ZIP code of the dental provider in determining allowances. This ensures that plan members who live in a lower-cost rural area but choose a dentist in a high-cost metropolitan area (or vice versa) will be reimbursed based on the appropriate charges for the dentist's ZIP code area.

Composites on Molars

This dental proposal includes a benefit for composite fillings on the molars located in the back of the mouth. This complements the composite filling benefit we already offer on bicuspids, which are the teeth next to the molars. Dental composites consist of a core plastic material, also known as resin, mixed with fillers to achieve various levels of strength, wear resistance and color. The result is a more natural-looking, tooth-color filling.

For more than a century, amalgams (silver-color fillings) have been the first choice for fillings in molars, because of their superior strength and cost effectiveness. Molars are key to comfortably and thoroughly chewing food, and if a person suffers from bruxism (tooth grinding) the molars are always getting a workout, so molar strength is an important consideration.

However, advances in composite dental fillings have made them strong enough for back teeth. So with this strength, along with their natural look, composites have become a popular alternative. Ultimately, the choice of dental filling material should be decided between the patient and his/her dental professional. By selecting this enhanced benefit, employers would be giving their employees the freedom to choose either amalgam or composite fillings with fewer financial concerns.

Deductibles

After the date that $225 in accumulated deductibles with network providers, or $300 in accumulated deductibles with a non-network provider, has been met within a family, the entire deductible or any remaining portion of the deductible amount for any other family members will be waived for the rest of that calendar year. At no time can a family member contribute more than the selected deductible amount. (Plan(s): 1)
After the date that $150 in accumulated deductibles with network providers, or $300 in accumulated deductibles with a non-network provider, has been met within a family, the entire deductible or any remaining portion of the deductible amount for any other family members will be waived for the rest of that calendar year. At no time can a family member contribute more than the selected deductible amount. (Plan(s): 2)

In today's benefits environment, your employees are looking for ways to support their financial and emotional well-being. At MetLife Legal Plans, we want to partner with you to help your employees address this challenge. This proposal provides plan options to help you meet the diverse needs of your employees.

Our Legal Plan will round out your benefits program and provide the resources and expert help your employees can use to manage stressful legal issues and feel financially empowered.

Legal assistance to support your diversity and wellness initiatives

Statistically, the average person cannot navigate our complex legal system without representation, but hiring an attorney remains expensive for most people.[1] Eighty percent of low-income individuals cannot afford legal assistance, and 40 to 60 percent of the legal needs of middle-class individuals go unmet.[1] A group legal plan is a powerful benefit allowing employees to handle common legal matters.

Employees have legal needs, but are worried about the cost of seeing an attorney.

66%

of working adults experienced at least one legal issue in the past four years.[2]

The cost of MetLife Legal Plans coverage for the whole year is less than the average attorney's hourly fee.[3]

$391 an hour vs **$240 a year**[4]

Access to a Group Legal Plan can go a long way in bridging the representation gap for marginalized groups. This includes women, people of color, LGBTQ+ individuals, those with economic hardships, the elderly, and more.[5]

A Legal Plan can assist with many issues employees face, including:

- Financial wellness matters such as estate planning, real estate, and debt collection and negotiations with creditors
- Medical and non-medical health needs such as a power of attorney, healthcare proxy, adoption, and reproductive legal issues, and document review
- Mental health and peace of mind through unlimited consultations for a wide range of topics, no deductibles, ease of use, multilingual services, and access to an extensive, pre-qualified attorney network

With so many different generations and lifestyles in the workforce today, providing benefits that can meet a wide range of needs is more important than ever.

A Legal Plan provides the personalized legal assistance your diverse workforce needs.

Experienced attorneys at your employees' side

Over our 40+ years of providing access to legal help, we've built the country's largest attorney network. We've done this by partnering with our attorneys, training them on how legal plans work, monitoring feedback and expanding our network where members need them.

A large attorney network means your employees can be confident they'll get legal help how they want it—in person, over the phone, or online. We don't require employees to work with certain attorneys, restrict them to phone calls, or put time limits on their legal matters. We want employees to be comfortable with the attorney they work with; that's why we allow them to choose an attorney from our network, or one outside of it.[1]

And with 98% of attorneys in our network providing service to members annually, we know that our attorneys value this relationship and the business we bring to them—resulting in a better experience for your employees.

The cost of counsel

Employees without access to a legal plan can easily spend an average of **$391 per hour for legal counsel**, more than the fee for a full year of our legal plan.[2]

Members can use our website to easily find attorneys near them. In fact, **93% of members** live within 10 miles of a network attorney.

What sets our attorney network apart:

Selection process

Attorneys in our network must have graduated from an accredited law school and hold a valid state license. The managing attorney of the firm must have at least eight years of experience (although 25 years of experience is the network average), and the firm must confirm they routinely handle all or many of the case types covered by our legal plan.

Training and customer service

The firms we select are given extensive training on all service standards. They're also continuously evaluated on their responsiveness to calls, commitment to clients and professionalism.

Attorney performance monitoring

Attorney performance is monitored by our staff on an ongoing basis through random case file audits, regular communication, site visits, and member surveys. We also monitor member feedback and perform regular recredentialing of participating law firms which includes verification of malpractice insurance and more.

Diversity in our attorney network

Access to a group legal plan can go a long way in bridging the representation gap for marginalized groups—especially when our attorney demographics reflect the members we serve. Our network represents a diverse professional group and is on par with national averages for diversity of attorneys.[3] That said, our DEI strategy doesn't stop with meeting thresholds. DEI requires long-term commitment and a passion for improvement, and we will continue to evolve our understanding and integration of DEI beyond numbers.

1. The Participant will be reimbursed according to the set fee schedule, the lesser of the maximum reimbursement amount or the attorney's actual charge. Your employees will be responsible to pay the difference, if any, between the plan's payment and the non-plan attorney's charge for services. MetLife Legal Plans is not responsible for legal work performed by out-of-network attorneys.
2. Average hourly rate of $391.00 based on years of legal experience, National Law Journal and ALM Legal Intelligence, Survey of Law Firm Economics (2021).

Boost employee usage of the Legal Plan through targeted multi-channel communications

We deliver the people, processes and tools that minimize administrative responsibilities. Whether it's a routine question or a complex inquiry, a dedicated Account Manager guides each customer through a simplified implementation process. The implementation process for new customers standardly takes 8-12 weeks. Additionally, single points of contact are accountable for ensuring engagement at key milestones and expectations are managed.

We collaborate with clients to deliver a multi-prong communications strategy to help employees make informed decisions about opting into the Legal Plan. We believe that a Legal Plan brings tremendous value to people and want to help others see that too.

Identify communication gaps	An array of communications	Open enrollment support	HR trainings
We help identify missed opportunities to engage employees with messaging about the Legal Plan, such as partnering with business resource groups or presenting at benefit fairs.	Whether its email, videos, web banners, platform messages, or product overviews—we are interested in educating employees about why they need the plan, its benefits, and how the plan works.	The plan merges with existing enrollment channels. Also, as most employees expose themselves to risk by not making changes during annual enrollment, we want to show employees how the legal plan makes sense to include in their lives.	Empower your team to message the legal plan in a way that appeals to employees. This includes explaining the connection between the Legal Plan, DE&I, and employee wellness initiatives, and self-help and referral services for non-enrolled employees.

Tailored enrollment strategy

We consult with you to design and execute a results-driven enrollment strategy. Our flexible solutions allow you to select the options that are the right fit for you and your employees—maximizing awareness, participation and overall value in what you're offering.

We can easily adapt and integrate into an existing enrollment program. We make it easy to choose the right combination—ranging from end-to-end support to à la carte options.

Evaluate
We work with your team to identify what has worked well and what could be improved for communications, education, enrollment/application and participation.

Build
We'll develop a solid enrollment/application processing strategy designed to create a high level of awareness and an exceptional experience for your employees.

Execute
We'll deploy our team of specialists to execute the agreed upon tactics; then, measure the campaign's success based upon the level of awareness and enrollment.

U.S. Business Intermediary and Producer Compensation Notice

Metropolitan Life Insurance Company, Metropolitan Tower Life Insurance Company, MetLife Consumer Services, Inc. and Metropolitan General Insurance Company (collectively herein called "MetLife"), enters into arrangements concerning the sale, servicing and/or renewal of MetLife group insurance and certain other group-related insurance and non-insurance products ("Products") with brokers, agents, consultants, third party administrators, general agents, associations, and other parties that may participate in the sale, servicing and/or renewal of such products (each an "Intermediary"). MetLife may pay your Intermediary compensation, which may include, among other things, base compensation, supplemental compensation and/or a service fee. MetLife may pay compensation for the sale, servicing and/or renewal of products, or remit compensation to an Intermediary on your behalf. Your Intermediary may also be owned by, controlled by or affiliated with another person or party, which may also be an Intermediary and who may also perform marketing and/or administration services in connection with your products and be paid compensation by MetLife.

Base compensation, which may vary from case to case and may change if you renew your products with MetLife, may be payable to your Intermediary as a percentage of premium or a fixed dollar amount. MetLife may also pay your Intermediary compensation that is based upon your Intermediary placing and/or retaining a certain volume of business (number of products sold or dollar value of premium) with MetLife. In addition, supplemental compensation may be payable to your Intermediary for eligible Products. Under MetLife's current supplemental compensation plan (SCP), the amount payable as supplemental compensation may range from 0% to 9% of premium or fees. The supplemental compensation percentage may be based on one or more of: (1) the number of products sold through your Intermediary during a one-year period, or other defined period; (2) the amount of eligible new or renewal premium or fees with respect to products sold through your Intermediary during a one-year period; (3) the persistency percentage of products inforce through your Intermediary during a one-year period; (4) the block growth of the products inforce through your Intermediary during a one-year period; (5) eligible new or renewal premium or fees growth during a one-year period; or (6) a flat amount, fixed percentage or sliding scale of the premium or fees for products as set by MetLife. The supplemental compensation percentage will be set by MetLife based on the achievement of the outlined qualification criteria and it may not be changed until the following SCP plan year. As such, the supplemental compensation percentage may vary from year to year, but will not exceed 9% under the current supplemental compensation plan.

The cost of supplemental compensation is not directly charged to the price of our products except as an allocation of overhead expense, which is applied to all eligible group insurance products, whether or not supplemental compensation is paid in relation to a particular sale or renewal. As a result, your rates will not differ by whether or not your Intermediary receives supplemental compensation. If your Intermediary collects the premium or fees from you in relation to your products, your Intermediary may earn a return on such amounts. Additionally, MetLife may have a variety of other relationships with your Intermediary or its affiliates, or with other parties, that involve the payment of compensation and benefits that may or may not be related to your relationship with MetLife (e.g., insurance and employee benefits exchanges, enrollment firms and platforms, sales contests, consulting agreements, participation in an insurer panel, or reinsurance arrangements).

More information about the eligibility criteria, limitations, payment calculations and other terms and conditions under MetLife's base compensation and supplemental compensation plans can be found on MetLife's Website at www.metlife.com/business-and-brokers/broker-resources/broker-compensation. Questions regarding Intermediary compensation can be directed to ask4met@metlifeservice.com, or if you would like to speak to someone about Intermediary compensation, please call (800) ASK 4MET. In addition to the compensation paid to an Intermediary, MetLife may also pay compensation to your representative. Compensation paid to your representative is for participating in the sale, servicing, and/or renewal of products, and the compensation paid may vary based on a number of factors including the type of product(s) and volume of business sold. If you are the person or entity to be charged under an insurance policy or annuity contract, you may request additional information about the compensation your representative expects to receive as a result of the sale or concerning compensation for any alternative quotes presented, by contacting your representative or calling (866) 796-1800.

How The Group Legal Services Plan Works

Restricted

To use the Group Legal Services Plan, a Participant can call Our Client Service Center, visit Our web site, or go to a Plan Attorney they have already used. The Participant should be prepared to identify themselves as a Participant in the Group Legal Services Plan.

If a Participant calls Our Client Service Center, the Client Service Representative who answers the call will:

- make an initial determination of whether and to what extent the matter is covered;
- give a case number (a new case number will be needed for each new matter);
- give the telephone number(s) and location of the Plan Attorney(s) most convenient to the Participant; and
- answer questions about the Plan.

The Participant can decide to use a Plan Attorney or a non-Plan Attorney.

If a Plan Attorney is Used

A Plan Attorney will advise on:

- applicable law;
- actions that might be taken to solve the problem; and
- the Participant's rights.

During the initial consultation the Plan Attorney will also state whether the matter qualifies for additional Covered Legal Services under the Plan. If the matter qualifies for additional Covered Legal Services and a Plan Attorney provides these services, Metropolitan will be responsible for paying the Plan Attorney for the Covered Legal Services provided, and for the consultation.

If a non-Plan Attorney is Used

If the Participant decides to use a non-Plan Attorney, they must notify MetLife Legal Plans. MetLife Legal Plans will send the Participant a claim form and informational material. After the matter is finished, the claim form must be completed and

returned to MetLife Legal Plans with the attorney's final bill. Within 60 days of MetLife Legal Plans' receipt of the completed claim form and final bill, We will pay the Participant up to the amount stated in the Schedule B-Non-Plan Attorney Fee Schedule. The Participant receiving services from the non-Plan Attorney will be responsible for making payment to the non-Plan Attorney for any expenses or fees incurred in excess of the amount paid by MetLife Legal Plans.

If a claim is denied in whole or in part, the Participant may ask MetLife Legal Plans for a written statement with the reason(s) for the denial and with information as to the steps that need to be taken to appeal the denial.

Requirements For Coverage

All Eligible Employees may participate in the Plan.

Because this is a Contributory Plan, you pay all or a portion of the cost of your coverage. To participate in a Contributory Plan, an Eligible Employee must enroll in the plan and authorize the payment of Participation Fees through payroll deduction. The initial Participation Fee is stated above and will be deducted automatically from your pay. This Fee may change on the Renewal Date.

Eligible Employees may enroll in the Plan:

- during the initial enrollment period established by the Policyholder;
- during any subsequent annual enrollment period; or
- if you experience a Qualifying Event.

If you enroll during the initial enrollment period, coverage will begin on the Effective Date of the group policy. If you enroll during a subsequent annual enrollment period, coverage will be effective at the beginning of the next Plan Year. If you have a Qualifying Event, you will have 30 days from the date of that change to make a request. This request must be consistent with the nature of the Qualifying Event. The insurance enrolled for, or changes to your insurance made as a result of a Qualifying Event will take effect on the first day of the month following the date of your request. Each time you enroll or re-enroll you are agreeing to participate for the full Plan Year.

Restricted

If you are not an Eligible Employee during an enrollment period, but become one later in the Plan Year, you may at that time enroll for the remainder of the Plan Year.

If coverage for your Dependents is in effect under this Plan, any person who subsequently becomes a Dependent will be covered beginning on the date they become a Dependent. For example, if you or your spouse give birth to a child while Dependent coverage is in effect, the child will be covered as of the date of birth.

Enrollment Materials

Subject to Our review and written approval, the Policyholder will be responsible for printing and distributing enrollment materials to all Eligible Employees.

Approve and authorize the Chairman to execute a Resolution implementing Budget Amendment Request (BAR) #25-055 in the General Fund to transfer $1,389,520 from reserves for budgetary cleanup of Hurricane Milton expenses. Background:

On October 9, 2024, Hurricane Milton made landfall near Siesta Key as a Category 3 Hurricane, bringing strong winds, torrential rainfall, flooding, and power outages across Seminole County. Initial tracks indicated a path mirroring the I-4 corridor; however, Hurricane Milton tracked further south towards Polk, Osceola, and southern Orange counties. This southern shift after landfall and considerable weakening lessened the direct impacts of Hurricane Milton on Seminole County.

In preparation for the forecasted track, Seminole County began one of the largest sandbag operations to date. Over 280,000 sandbags were provided to the community in preparation for historic flooding. On Sunday, October 6th, a Local State of Emergency was signed - simultaneously, the Emergency Operations Center was activated.

In addition to the sandbag operation, ten shelters were opened in coordination with many partner agencies. In anticipation, the EOC activated many of its pre-disaster contracts for pumps, generators, surge staffing, food services, and debris, among others. Every County department had a role, from sandbag operations and shelter

management to the citizen information line, damage assessment, preparing to open points of distribution, comfort stations, debris collection, and alternative garbage collection for residents in the flooded areas. In total, the cost of Hurricane Milton reached $7.9 million.

In the months since Hurricane Milton, Emergency Management and the Office of Management and Budget continue to work with the Florida Division of Emergency Management and the Federal Emergency Management Agency to recoup the financial impact. FEMA's Public Assistance program reimburses local governments for the eligible unbudgeted costs of Presidentially Declared events. Eligible costs are estimated to be $6.7 million, with just less than that anticipated to be reimbursed by FEMA.

BAR 25-055 allocates budget to the business units that couldn't absorb Hurricane Milton expenses in existing budgets. These expenses were primarily charged to the Emergency Management business unit 055600 to facilitate easier tracking and reimbursement, accounting for $607,328 of this BAR.

Contracted Debris operations alone totaled over $4.1 million, creating a budget shortfall of $473,937 included in BAR 25-055. The remaining amount consisted of $75,000 for disaster recovery services to assist with FEMA project development, $166,795 for assessments and repairs to the County's radio towers, and $66,460 for emergency access to Bluefish Pl when flooding off Mullet Lake Park Rd washed the culverts away, preventing emergency vehicles from reaching residents.

BAR 25-055 transfers $1,389,520 from General Fund Reserves to allocate budget for Hurricane Milton expenses. General Fund Reserves are currently budgeted at $55.4 million.

Requested Action:

Staff requests the Board approve and authorize the Chairman to execute a Resolution implementing Budget Amendment Request (BAR) #25-055 in the General Fund to transfer $1,389,520 from reserves for budgetary cleanup of Hurricane Milton expenses.

the lowest submitted bid for the CITY Utility Work. The successful bidder is referred to in this Agreement as the COUNTY Contractor.

(d) Until twenty (20) days after either the execution of this Agreement by CITY or the bid opening by COUNTY, whichever is later, CITY may elect to withdraw the CITY Utility Work from the process by providing written notice to COUNTY. From twenty-one (21) days after either the execution of this Agreement by CITY or the bid opening by COUNTY, whichever is later, CITY shall not terminate this Agreement without providing thirty (30) days written notice to COUNTY and paying all costs and expenses incurred by COUNTY and COUNTY's Contractor for any CITY Utility Work completed at that point, except in the event the COUNTY breaches this Agreement.

Section 8. Administration of County Construction Contract.

(a) Any communication by CITY with COUNTY's contractor during construction must be through COUNTY or COUNTY's CEI Consultant. CITY is authorized to consult with the CEI Consultant during the construction period regarding the CITY Utility Work. Construction layout, construction coordination, including coordination with other utilities, and scheduling all work are the sole responsibility of COUNTY, the CEI Consultant, and COUNTY's Contractor and are not the responsibility of CITY or CPH.

(b) COUNTY shall ensure that the CEI Consultant performs the following: (1) schedule and attend the preconstruction meeting, progress meetings, and project closeout meetings with COUNTY's Contractor; (2) provide on-site inspection services, engineering services, and final quantities; (3) provide construction quality control (CQC) testing

personnel; and (4) issue recommendations to COUNTY's Contractor, coordinates the processing of contract change orders, process payment applications, and conduct punch list and final inspections of the in-place work to determine if the work is completed substantially in accordance with the plans, specifications, and other contract documents. All costs associated with CQC are the responsibility of COUNTY's Contractor.

(c) CITY shall ensure that it, CPH or both of them attends the preconstruction meeting, reviews and responds to COUNTY, COUNTY's Contractor, or CEI Consultant questions or requests for information and reviews proposed construction changes on behalf of the CITY and pertaining to the City Utility Work. The CITY shall consult with the COUNTY's CEI Consultant during the construction period. CITY shall not issue directions, interpretations, product approvals or denials, grant time extensions, approve payment of claims, or in any way administer the COUNTY Contract or construction or associated paperwork with COUNTY's Contractor since such actions must be approved and issued by COUNTY in accordance with the applicable provisions of COUNTY's Contract.

(d) CITY will have the opportunity to review and approve all shop drawings, manufacturers' brochures or catalogs, and change orders related to the CITY Utility Work prior to approval by COUNTY for inclusion in COUNTY's Contract. CITY is responsible for payment to the COUNTY for costs resulting from approved change orders related to the CITY Utility Work. COUNTY shall make all reasonable efforts to accommodate CITY's request for change orders relating to the CITY Utility Work. In the event of a conflict or dispute relating to CITY's request for a change order to the CITY Utility Work,

COUNTY, after written notice and consultation with the CITY, has final authority, as long as County's decision complies with County Code, permits, and this Agreement.

(e) CITY is solely responsible for coordinating and obtaining all FDEP approvals, processes and notifications required for the CITY Utility Work. COUNTY's Contractor shall take the bacteriological samples and submit satisfactory results, along with the required signed and sealed as-built or record drawing information, to COUNTY's CEI Consultant. COUNTY's CEI Consultant shall provide CITY with copies of the bacteriological sample reports, as-built survey and record drawing information and other supporting documents and coordinate with the CITY in obtaining the required signatures for FDEP certificates for permit clearances from CITY and CPH. CITY shall coordinate with CPH and work with COUNTY's CEI Consultant to ensure that permit clearance processing is handled in a timely manner.

Section 9. Inspection During Construction. During construction, construction engineering inspection services will be provided by any combination of CITY staff, COUNTY staff, COUNTY's CEI Consultant. CITY and CPH have the right at all times to non-intrusively inspect the CITY Utility Work and related construction and review any and all records relating to the performance of the CITY Utility Work, and the contract administration, and to attend all inspections by the CEI or the COUNTY. CITY and CPH will also evaluate compliance based on geotechnical testing and other reports provided by the CEI Consultant, and CITY and CPH can participate in the coordination of construction activities, including the survey and layout of construction. notify COUNTY and CEI Consultant upon the discovery of any non-compliant records or construction work or other issues of concern. COUNTY shall furnish CITY with three (3) copies of all reports requested by CITY. CITY shall ensure that copies of any reports or other documents issued by CITY inspectors or CPH for CITY Utility Work are provided to COUNTY and the CEI Consultant.

Section 10. Maintenance of Facilities. During construction, the maintenance of installed CITY Utility Work is the responsibility of the COUNTY's Contractor, as overseen by CITY. COUNTY's Contractor may not operate the utility system in any way, including, but not limited to, transferring old lines to new lines, or connecting new lines to existing utilities, without a CITY representative present. It is anticipated that installation and startup of the CITY Utility Work will occur prior to completion of the roadway portion of the construction contract. During this period, CITY will be the only party permitted to operate its facilities, but protection of the completed facilities and maintenance during construction will be the continued responsibility of COUNTY's Contractor until final contract closeout. COUNTY'S Contractor and CEI Consultant will take all reasonable measures to prevent or minimize cessation of utility service. If, during the course of the work, despite COUNTY's Contractor's and the CEI Consultant's reasonable measures, cessation of utility services occurs, it will not constitute a breach of this Agreement on the part of either party and neither party will be liable to the other for damage resulting from such cessation of services. This release of liability may not be construed as a general release of the COUNTY's Contractor awarded the COUNTY Contract or any other third party from any liability for any damage from whatever cause whatsoever, but is specific to a situation where disruption of service occurs despite COUNTY's Contractor's reasonable

measures. Upon completion of COUNTY Contract, acceptance of the CITY Utility Work by CITY, and final payment by CITY, CITY will own, have sole control, maintain, and be responsible for its utility facilities in accordance with the terms of any and all utility permits.

Section 11. Schedule/Suspension.

(a) Except as to delays covered by the force majeure provisions of COUNTY's Contract, long lead times for materials, or labor shortages and similar delays, if the CITY Utility Work is delayed for any reason within CITY's control, CITY will be responsible for the cost of any resultant time delays to COUNTY's roadway portion of the work performed by COUNTY's Contractor or CEI Consultant caused by CITY's delay. Time is of the essence in performing the obligations under this Agreement and the contracts with the CEI and the COUNTY's Contractor. If CITY breaches this Section 11 of this Agreement for failing to correct the breach after being given thirty days' detailed written notice of the breach, COUNTY may seek all available legal recourse, up to and including issuing a change order to the COUNTY's Contractor deleting the CITY's unfinished utility work from COUNTY's Contract.

(b) In the event COUNTY ceases or suspends the COUNTY project or the City Utility Work for any reason, CITY will reimburse the COUNTY for the CITY Utility Work completed as of the date of suspension. Any remaining unpaid portion of the CITY Utility Work will be performed by CITY and CITY will not have any further obligation to the COUNTY.

Section 12. Administrative Agent. COUNTY shall administer this Agreement by and through its departments and officers, consultants, and independent contractors.

Section 13. Cost Computation, Payment.

(a) CITY shall pay to COUNTY the cost of the CITY Utility Work consistent with the approved and accepted bid, as documented by invoices from COUNTY's Contractor to COUNTY, plus a portion of the cost of the services of the CEI Consultant calculated as stated in this Section 13.

(b) It is the intent of the parties that all construction costs for the CITY Utility Work, excluding the CEI Consultant services, and including regulatory compliance testing, survey layout, preparation of record drawings and closeout submittals and the maintenance bond, will be included in the bid price for the CITY Utility Work. If COUNTY incurs any cost directly related to performance of the CITY Utility Work, other than the CEI Consultant services not included in the bid price, CITY shall pre-approve those costs, absent an emergency, and included these costs in the amount payable by CITY upon submission of an invoice supporting the amount billed.

(c) CITY shall share with the County the cost of the CEI Consultant and for Maintenance of Traffic and Mobilization. City's share of the cost for these services will be calculated by multiplying the total cost for these services by the percentage resulting from dividing the cost of the CITY Utility Work by COUNTY's total contract price for the COUNTY Project, including the CITY Utility Work. Initially, the percentage to be used will be based upon the bid as awarded by COUNTY. At the conclusion of the COUNTY Project, the final percentage will be calculated based upon the final contract amounts as

adjusted by change orders, if any. Any difference between the amount paid using the initial percentage and the amount due using the final calculation will be paid by CITY or COUNTY, as the case may be, within thirty (30) days after close out of the COUNTY Contract. By way of example, if the COUNTY Contract, as awarded totals $1,000,000.00 (including the cost of the CITY Utility Work) and the portion of that amount attributable to the CITY Utility Work is $100,000.00, then the percentage applied to the CEI Consultant billing will be ten percent (10%) ($100,000.00 divided by $1,000,000.00). The same method will be used to calculate the final CEI Consultant fee percentage except the numbers will reflect the final contract amounts, including all change orders, if any.

(d) On or before the sixty-second (62nd) day after award of COUNTY Contract, CITY shall deposit with COUNTY the bid amount for the CITY Utility Work and the CITY Percentage for CEI, Mobilization and Maintenance of Traffic. These funds will be held in a separate account and utilized to pay COUNTY Contractor's invoices related to the CITY Utility Work and the applicable portion of the CEI Consultant's fee. If funds remain in the account after COUNTY Contract closeout, these funds will be credited against any and all other charges payable by CITY to COUNTY pursuant to this Agreement. COUNTY shall refund any remainder to CITY within thirty (30) days of closeout of the COUNTY Contract.

(e) Beginning on the first day of the month following receipt of the first invoice from COUNTY's Contractor, COUNTY shall issue monthly bills to CITY for CITY's portion of payment due for the CITY Utility Work and the fee paid to the CEI Consultant, calculated as stated above. All late payments will be assessed non-refundable interest at the statutory rate.

Section 14. Closeout. Each time COUNTY makes a determination of substantial or final completion, punch list walk through, or acceptance of COUNTY Contractor's work on the CITY Utility Work, COUNTY shall consult the CITY and seek CITY's written concurrence. CITY will be entitled to receive as-built survey drawings including one (1) electronic set of as-built survey drawings reflecting the CITY Utility Work, provided CITY has made all payments required by this Agreement. In addition, CITY will receive a one-year warranty for CITY Utility Work. COUNTY shall transfer to the CITY all respective engineer's certificates and Contractor and manufacturer's bonds, indemnities and warranties that relate to the CITY Utility Work.

Section 15. CITY Obligations After Closeout.

(a) CITY will become and remain solely responsible for all functional maintenance and repair of the PVC and HDPE Water Mains ranging in size from 6-inches to 12-inches, service lines, and all appurtenances.

(b) CITY shall maintain, repair and replace, in accordance with COUNTY Standards, all landscaping located in the public rights-of-way disturbed by the utility work adjacent to Oxford Road and Derbyshire Road.

Section 16. COUNTY Obligations After Closeout.

(a) COUNTY will become and remain solely responsible for the roadway, including the sidewalk and stormwater infrastructure.

services and work performed pursuant to this Agreement. Notwithstanding the above, all services and work under this Agreement will be performed to the satisfaction of COUNTY or COUNTY's CEI Consultant, which is authorized to decide, after consultation with CITY and in accordance with County Code, permits, and as provided in this Agreement, all questions, difficulties and disputes of whatever nature that may arise under or by reason of such services and work, the prosecution and fulfillment of the services and work under this Agreement, and the character, quality, amount, and value of such work, which decision upon all claims, questions, and disputes will be final and conclusive with respect to all services and work performed or to be performed.

Section 18. Employee Status. Persons employed by one party in the performance of services and functions pursuant to this Agreement will have no claim against the other party for pension, worker's compensation, unemployment compensation, civil service or other employee rights or privileges whether granted by operation of law or by policy of the non-employing party.

Section 19. Funding/Breach/Termination. CITY, by approving and executing this Agreement, represents and warrants that sufficient funds are available and have been properly budgeted to pay the anticipated costs of the CITY Utility Work and a portion of the CEI Consultant's fees, all as envisioned by this Agreement. CITY understands and agrees that it is in the best interest of both parties that the CITY Utility Work be accomplished simultaneously with COUNTY Project. Accordingly, CITY shall not terminate this Agreement, except to withdraw the CITY Utility Work from the process in a timely manner as allowed by Section 7(e) or in the case of a breach of this Agreement by COUNTY or its agents, and in accordance with the provisions of this Section 19. facilitate performance pursuant to this Agreement, each party shall provide full cooperation and assistance to the other. Except for failure to make payment, the circumstances whereby COUNTY may terminate this Agreement and remove the CITY Utility Work from COUNTY Project are specified throughout this Agreement and are not subject to the provisions of this Section 19. As to any CITY claim of breach by COUNTY and as to a COUNTY claim of non-payment by CITY, the following apply:

(a) Notice. The party making the claim shall provide a written statement of the claim, providing as much detail as is reasonably possible under the circumstances. The other party will have ten (10) days to resolve the claim or, if the matter cannot be resolved in that time period, begin resolution of the claim and complete resolution of the claim in a timely manner thereafter.

(b) Settlement Discussions. If the dispute is not resolved as a result of the notice provided above, the City Manager for CITY and the County Manager for COUNTY shall meet and attempt to reach a satisfactory resolution. If the dispute is not so resolved between City Manager for CITY and the County Manager for COUNTY, either party may seek all remedies available at law or in equity. However, prior to commencement of any suit, they shall first engage in dispute resolution as provided in this Section 19. In all events except breach of this Agreement by COUNTY or its agents, CITY shall reimburse COUNTY for all costs and expenses incurred for the CITY Utility Work through the date of termination, including the amounts payable to COUNTY's Contractor and the CEI Consultant.

Further, these contractors shall include a provision stating that CITY is an intended third-party beneficiary of their respective contracts. (b) To COUNTY. To the extent of the CITY's Construction Design Plans, the CITY shall indemnify and hold COUNTY harmless from any and all properly presented and meritorious contract claims made by COUNTY's Contractor or the CEI Consultant for damages, extra compensation, profit, overhead expenses for both home office and field operations, or any such cost or expense related to or arising from the CITY's Construction Design Plans, it being understood and agreed that COUNTY is including this work in its COUNTY contract in order to save CITY time and money and that COUNTY is essentially acting as CITY's agent with respect to this work. CITY shall pay the total amount that may be or become payable on account of any claim covered by this Section 21, less the amount the CITY is entitled to recover in damages from COUNTY on account of the breach of contract. CITY has the right to participate in any settlement discussions with CEI Consultant or COUNTY's Contractor relating to the CITY Utility Work if CITY pays its share the costs of litigation, including the judgment. Nothing in this Agreement or this Subsection may be construed to waive or expand the provisions and requirements of Section 768.28, Florida Statutes (2024), as this statute may be amended from time to time. The parties do not assume any liability for the negligent or wrongful acts or omissions of the other party.

If any provision of this Agreement or the application of this Agreement to any person or circumstance is held invalid, it is the intent of the parties that the invalidity does not affect other provisions or applications of this Agreement that can be given effect without the invalid provision or application, and to this end the provisions of this Agreement are declared severable.

Section 27. Public Records Law.

(1) TENANT shall require and ensure that each of its sub-vendors or subcontractors providing services under this Lease, if any, procures and maintains liability insurance of the types and to the limits specified in this Lease until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the self-insurance or liability insurance furnished by TENANT will relieve TENANT of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by TENANT in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of TENANT.

(4) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then TENANT shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and TENANT shall remedy any deficiencies in the policies of insurance within ten (10) business days.

(5) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of TENANT or any other party.

(b) **General Requirements**.

(1) Before the Commencement Date, unless self-insured, TENANT shall furnish COUNTY with a current Certificate of Insurance for liability insurance on a current ACORD Form or its equivalent signed by an authorized representative of the liability insurer evidencing the liability insurance required by this Section and **Exhibit C**, and including the following as Certificate Holder:

Until such time as TENANT has replaced the unacceptable insurer with an insurer acceptable to the COUNTY, TENANT will be deemed to be in default of this Lease.

MEMORANDUM OF UNDERSTANDING FOR IMPROVEMENTS AND ALTERATIONS AND CONSTRUCTION RIDER

THIS MEMORANDUM OF UNDERSTANDING FOR IMPROVEMENTS AND ALTERATIONS AND CONSTRUCTION RIDER ("Agreement") is made and entered into this 25th day of February 2020 ("Effective Date"), by and among **SEMINOLE COUNTY**, a charter county and political subdivision of the State of Florida ("COUNTY"); **DENNIS M. LEMMA**, as Sheriff of SEMINOLE COUNTY ("SHERIFF"); and **ADVENTIST HEALTH SYSTEM/SUNBELT, INC.**, a Florida not-for-profit corporation doing business as **ADVENTHEALTH HOPE AND HEALING CENTER** ("TENANT").

WHEREAS, any capitalized terms in this Agreement shall have the same meaning as set forth in the Addiction Recovery and Treatment Center Lease Agreement between COUNTY and TENANT effective on February 25, 2020 ("Lease"), unless otherwise indicated in this Agreement; and

WHEREAS, COUNTY has delegated and authorized SHERIFF to complete the Lease improvements and alterations identified in this Agreement.

1. **Improvements and Alterations**.

(a) **Improvements by SHERIFF**. SHERIFF agrees to complete the improvements to the Leased Premises described in this Agreement (the "SHERIFF's Work"), subject to the provisions found in this Agreement, on or before **MAY 1, 2020**, unless another date is otherwise agreed to in a writing signed between SHERIFF and TENANT. SHERIFF shall complete the SHERIFF's Work in a good and workmanlike manner and at its own expense though in-kind donations and monetary donations received through SHERIFF'S Community Foundation. The monetary donations for SHERIFF'S Work are subject to a maximum of **ONE HUNDRED THIRTY THOUSAND DOLLARS ($130,000)** (the "Improvements Allowance"). Except for the improvements and alterations specifically described as the SHERIFF's Work and those alterations and installations required by local, state, or federal laws, rules, or regulations, neither SHERIFF nor COUNTY shall have any obligation to make any improvements, alterations, or installations. Upon completion of the SHERIFF's Work, TENANT shall inspect the Leased Premises and TENANT shall accept the Leased Premises in the condition in which the Leased Premises are tendered, subject to any items related to the SHERIFF's Work identified in a punch list created during such inspection by TENANT and confirmed in writing by SHERIFF. SHERIFF and COUNTY agree that the Leased Premises now conform, or that, prior to TENANT's occupancy, the Leased Premises will, at SHERIFF'S expense, be brought into conformance with all federal, state, and local laws, rules, and regulations required to operate a residential drug treatment center and the requirements of the Florida Americans with Disabilities Accessibility Implementation Act, Sections 553.501-553.514, Florida Statutes (2019), providing requirements for persons with disabilities, and with the requirements of 42 U.S.C. §§ 12131 - 12165 (2019) and 28 CFR Part 35 (2019) and the Appendixes to 36 CFR Part 1191 (2019), as

amended, collectively known as the "Americans with Disabilities Act of 1990" and the "ADA Amendments Act of 2008".

(b) **Tenant Alterations**. TENANT shall have the right, at TENANT's expense, to make any alterations and remodeling in and to the Leased Premises during the Term of the Lease upon first having obtained the written consent of COUNTY and providing notice to SHERIFF, and COUNTY shall not unreasonably or capriciously withhold, condition, or delay the consent to any such alterations and remodeling privileges of TENANT. All such alterations, additions, and improvements in or to the Leased Premises shall become the property of COUNTY and shall be surrendered to COUNTY without any payment by COUNTY; therefore, upon the termination of the Lease, whether by lapse of time or otherwise, such alterations, additions, and improvements may not be removed from the Leased Premises without the prior approval of COUNTY; provided, TENANT shall be permitted to remove any and all fixtures and other contents within the Leased Premises. This Section will survive termination of this Agreement.

TENANT's approval shall not be unreasonably withheld or delayed , and if TENANT does not object to such changes within ten (10) business days following TENANT's receipt of such notice, TENANT's approval thereof shall be conclusively presumed for all purposes.

(b) If any material changes to the SHERIFF's Work are required by any governmental authority, SHERIFF shall promptly notify TENANT in writing of the required changes. If TENANT does not object to such changes within ten (10) business days following TENANT's receipt of such notice, TENANT's approval thereof shall be conclusively presumed for all purposes. If TENANT requests any changes or modifications to the SHERIFF's Work, SHERIFF must agree in writing to any such requested changes or modification before the same shall become effective. TENANT shall pay SHERIFF for all costs and expenses related to such changes requested by TENANT (including, without limitation, all architectural and engineering expenses; the cost of all permits and inspection fees; and SHERIFF's building and contracting costs in connection with effectuating the requested changes) on or before the Commencement Date of the Lease.

5. **Property of COUNTY**. All of the improvements made to the Leased Premises as a result of the SHERIFF's Work shall become the property of COUNTY upon the completion thereof and shall be deemed a part of the Leased Premises as of the Commencement Date of the Lease.

THIS AGREEMENT is dated as of the _____ day of _____ 20____, by and between **CYNTHIA BATTS AND JOHNETTA BATTS, LLC DBA BATTS LAKEVIEW FUNERAL HOME** , duly authorized to conduct business in the State of Florida, whose address is 36 Halbe Avenue, Orlando, FL 32805, in this Agreement referred to as "CONTRACTOR", and **SEMINOLE COUNTY**, a charter county and political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 E. 1st Street, Sanford, Florida 32771, in this Agreement referred to as "COUNTY".

W I T N E S S E T H:

WHEREAS, COUNTY desires to retain the services of a competent and qualified contractor to provide indigent burial and cremation services for Seminole County; and

WHEREAS, COUNTY has requested and received expressions of interest for the retention of services of contractors; and

WHEREAS, CONTRACTOR is competent and qualified to provide materials and services to COUNTY, and desires to provide materials and services according to the terms and conditions stated in this Agreement,

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth in this Agreement, COUNTY and CONTRACTOR agree as follows:

Section 1. Materials and/or Services. COUNTY hereby retains CONTRACTOR to provide materials and services as further described in the Scope of Services attached as Exhibit A and made a part of this Agreement. CONTRACTOR is also bound by all requirements as contained in the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. Required materials and services will be specifically enumerated,

described, and depicted in the Purchase Orders authorizing purchase of specific materials and services. This Agreement standing alone does not authorize the purchase of materials and services or require COUNTY to place any orders for work.

Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and shall continue for the duration of the County's indigent burial and cremation services program. Either party may terminate this Agreement at any time and for any reason upon providing ninety (90) days' written notice to the other party. Expiration or termination of this Agreement will have no effect upon Purchase Orders issued pursuant to this Agreement and the effective date of such expiration or termination. Obligations entered by both parties under such Purchase Orders will remain in effect until delivery and acceptance of the services authorized by the respective Purchase Order. The first three (3) months of this Agreement are considered probationary. During the probationary period, COUNTY may immediately terminate this Agreement at any time, with or without cause, upon written notice to CONTRACTOR.

Section 3. Authorization for Materials and/or Services. Authorization for provision of materials and services by CONTRACTOR under this Agreement must be in the form of written Purchase Orders issued and executed by COUNTY. A sample Purchase Order is attached as Exhibit B. Each Purchase Order will describe the materials and services required, state the dates for delivery of materials and services, and establish the amount and method of payment. The Purchase Orders must be issued under and incorporate the terms of this Agreement. COUNTY makes no covenant or promise as to the number of available Purchase Orders or that CONTRACTOR will perform any Purchase Order for COUNTY during the life of this Agreement. COUNTY reserves the right to contract with other parties for the services contemplated by this Agreement when it is determined by COUNTY to be in the best interest of COUNTY to do so.

Section 4. Time for Completion. The materials and services to be provided by CONTRACTOR will be delivered, as specified in such Purchase Orders as may be issued under this Agreement, within the time specified in the Purchase Order.

Section 5. Compensation. COUNTY shall compensate CONTRACTOR for the materials and services provided for under this Agreement on a Fixed Fee basis at the rates as outlined in Exhibit C. When a Purchase Order is issued on a Fixed Fee basis, then the applicable Purchase Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Purchase Orders.

Section 6. Payment and Billing.

(a) CONTRACTOR shall supply all materials and services required by the Purchase Order, but in no event will CONTRACTOR be paid more than the negotiated Fixed Fee amount stated within each Purchase Order.

(b) For Purchase Orders issued on a Fixed Fee basis, CONTRACTOR may invoice the amount due based on the percentage of total Purchase Order materials and services actually provided, but in no event may the invoice amount exceed a percentage of the Fixed Fee amount equal to a percentage of the total services actually completed.

(c) COUNTY shall make payments to CONTRACTOR when requested as materials and services are provided, but not more than once monthly. Each Purchase Order will be invoiced separately. At the close of each calendar month, CONTRACTOR shall render to COUNTY an itemized invoice, properly dated, describing any materials and services provided, the cost of the materials and services provided, the name and address of CONTRACTOR, Purchase Order Number, Contract Number, and any other information required by this Agreement.

(d) Submittal instructions for invoices are as follows:

(1) The original invoice must be emailed to:

AP@SeminoleClerk.org

(2) The original invoice may also be mailed or delivered to:

Director of County Comptroller's Office
Seminole County Board of County Commissioners
P.O. Box 8080
Sanford, FL 32772-8080

(3) A copy of the invoice must be sent to:

Seminole County Community Health
520 W. Lake Mary Blvd, Ste. 100
Sanford, FL 32771

(e) Upon review and approval of CONTRACTOR's invoice, COUNTY shall pay CONTRACTOR the approved amount in accordance with the terms as set forth in Chapter 218, Part VII, Florida Statutes.

(f) The COUNTY's performance and obligation to pay under this Agreement is wholly contingent upon the COUNTY's receipt of sufficient appropriations.

Section 7. General Terms of Payment and Billing.

(a) Upon satisfactory delivery of materials and services required under this Agreement and upon acceptance of the materials and services by COUNTY, CONTRACTOR may invoice COUNTY for the full amount of compensation provided for under the terms of this Agreement less any amount already paid by COUNTY.

(b) COUNTY may perform or have performed an audit of the records of CONTRACTOR at any time during the term of this Agreement and after final payment to support final payment under this Agreement. Audits may be performed at a time mutually agreeable to CONTRACTOR and COUNTY. Total compensation to CONTRACTOR may be determined subsequent to an audit as provided for in this Section and the total compensation so determined will be used to calculate final payment to CONTRACTOR. Performance of this audit will not delay final payment as provided by subsection (a) of this Section.

(c) CONTRACTOR shall maintain all books, documents, papers, accounting records, and other evidence pertaining to materials and services provided under this Agreement in such a manner as will readily conform to the terms of this Agreement. CONTRACTOR shall make such materials available at CONTRACTOR's office at all reasonable times during the term of this Agreement and for five (5) years from the date of final payment under the contract for audit or inspection as provided for in subsection (b) of this Section.

(d) In the event any audit or inspection conducted after final payment but within the period provided in paragraph (c) of this Section reveals any overpayment by COUNTY under the terms of the Agreement, CONTRACTOR shall refund such overpayment to COUNTY within thirty (30) days of notice by COUNTY.

Section 8. No Waiver by Forbearance. COUNTY's review of, approval and acceptance of, or payment for the materials or services required under this Agreement does not operate as a waiver of any rights under this Agreement, or of any cause of action arising out of the performance of this Agreement. CONTRACTOR is and will always remain liable to COUNTY in accordance with applicable law for any and all damages to COUNTY caused by CONTRACTOR's negligent or wrongful provision of any of the materials or services provided under this Agreement.

Section 9. Termination.

(a) COUNTY may, by written notice to CONTRACTOR, terminate this Agreement or any Purchase Order issued under this Agreement, in whole or in part, at any time, either for COUNTY's convenience or because of the failure of CONTRACTOR to fulfill its obligations under this Agreement. Upon receipt of such notice, CONTRACTOR shall immediately discontinue all services affected, unless the notice directs otherwise, and deliver to COUNTY all data, drawings, specifications, reports, estimates, summaries, and any and all such other

information and materials of whatever type or nature as may have been accumulated by CONTRACTOR in performing this Agreement, whether completed or in process.

(b) If the termination is for the convenience of COUNTY, CONTRACTOR will be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONTRACTOR to fulfill its obligations under this Agreement, COUNTY may take over the work and carry it to completion by other agreements or otherwise. In such case, CONTRACTOR will be liable to COUNTY for all reasonable additional costs associated with CONTRACTOR's failure to fulfill its obligations under this Agreement.

(d) CONTRACTOR will not be liable for such additional costs if the failure to perform the Agreement arises without any fault or negligence of CONTRACTOR, but CONTRACTOR will be responsible and liable for the actions by its subcontractors, agents, employees, persons, and entities of a similar type or nature. Matters beyond the fault or negligence of CONTRACTOR include acts of God or of the public enemy, acts of COUNTY in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without any fault or negligence of CONTRACTOR.

(e) If after notice of termination for CONTRACTOR's failure to fulfill its obligations under this Agreement it is determined that CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the convenience of COUNTY. In such event, adjustment in the Agreement price will be made as provided in subsection (b) of this Section.

(f) The rights and remedies of COUNTY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Agreement.

Section 10. Conflict with Contract Documents. Wherever the terms of this Agreement conflict with any Purchase Order issued pursuant to it or any other contract documents, including bids or proposals previously submitted by CONTRACTOR, this Agreement will prevail. For the avoidance of doubt, bid/proposals and any other documents submitted by CONTRACTOR are not incorporated into this Agreement, unless expressly stated otherwise.

Section 11. Equal Opportunity Employment. CONTRACTOR shall not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, disability, or national origin. CONTRACTOR shall take steps to ensure that applicants are employed, and employees are treated during employment without regard to race, color, religion, sex, age, disability, or national origin. This provision includes, but is not limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship.

Section 12. No Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person other than a bona fide employee working solely for CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from award or making of this Agreement. For the breach or violation of this provision, COUNTY will have the right to terminate the Agreement at its sole discretion without liability and to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.

Section 13. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 14. Assignment. Neither this Agreement nor any interest in it may be assigned, transferred, or otherwise encumbered under any circumstances by either party without prior written consent of the other party and in such cases only by a document of equal dignity with this Agreement.

Section 15. Subcontractors. CONTRACTOR shall first secure the prior written approval of COUNTY before engaging or contracting for the services of any subcontractors under this Agreement. CONTRACTOR will remain fully responsible to COUNTY for the services of any subcontractors under this Agreement.

Section 16. Indemnification of COUNTY. To the fullest extent permitted by law, CONTRACTOR shall hold harmless, release, and indemnify COUNTY, its commissioners, officers, employees, and agents from any and all claims, losses, damages, costs, attorney fees, and lawsuits for damages arising from, allegedly arising from, or related to CONTRACTOR's provision of materials or services under this Agreement caused by CONTRACTOR's act or omission in the performance of this Agreement. This provision is not to be construed as a waiver by COUNTY of its sovereign immunity, except to the extent waived pursuant to Section 768.28, Florida Statutes, as this statute may be amended from time to time.

Section 17. Insurance.

(a) CONTRACTOR, at its sole expense, shall maintain the insurance required under this Section at all times throughout the duration of this Agreement and have this insurance approved by COUNTY's Risk Manager with the Resource Management Department. CONTRACTOR shall immediately provide written notice to the COUNTY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.

(1) CONTRACTOR shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains insurance of the types and to the limits specified in this Agreement until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by CONTRACTOR will relieve CONTRACTOR of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONTRACTOR in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONTRACTOR.

(4) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then CONTRACTOR shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and CONTRACTOR shall remedy any deficiencies in the policies of insurance within ten (10) days.

(5) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of CONTRACTOR or any other party.

(b) General Requirements.

(1) Before commencing work, CONTRACTOR shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and Exhibit D. **The Certificate must have the Agreement number for this Agreement clearly marked on its face**, and including the following as Certificate Holder:

Seminole County, Florida
Seminole County Services Building
1101 East 1st Street
Sanford, Florida 32771

The Certificate of Insurance must evidence, and all policies must be endorsed to provide the COUNTY with not less than thirty (30) days (10 days for non-payment) written notice prior to the cancellation or non-renewal of coverage directly from the Insurer and without additional action of the Insured or Broker. Until such time as the insurance is no longer required to be maintained, CONTRACTOR shall provide COUNTY with a renewal or replacement Certificate of Insurance within ten (10) days after the expiration or replacement of the insurance for which a previous certificate has been provided.

(2) In addition to providing the Certificate of Insurance, upon request of the COUNTY, CONTRACTOR shall provide COUNTY with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Certified copies of policies may only be provided by the Insurer, not the agent or broker.

(3) Deductible and self-insured retention amounts must be declared to and approved by COUNTY and must be reduced or eliminated upon written request from COUNTY. The risk of loss within the deductible or retention amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by CONTRACTOR.

(4) The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer for all General Liability, Auto Liability, Employers' Liability, and Umbrella Liability coverages.

(5) In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to COUNTY and COUNTY shall apportion the proceeds between COUNTY and CONTRACTOR as their interests may appear.

(6) Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, Business Auto Liability, Pollution Liability, and Cyber Liability policies. Such is only applicable if the aforementioned policies are required per this Agreement or Exhibit D. Such policies shall provide exception to any "Insured versus Insured" exclusion for claims brought by or on behalf of Additional Insureds.

(7) Coverage: The insurance provided by CONTRACTOR pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or COUNTY's officials, officers, or employees must be in excess of and not contributing with the insurance provided by CONTRACTOR.

(8) Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida and its respective officials, officers, and employees. This Waiver of Subrogation requirement does not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the Named Insured enter into such an agreement on a pre-loss basis.

(9) Provision: Commercial General Liability and Umbrella Liability Policies, if required by this Agreement or Exhibit D, must be provided on an occurrence rather than a claims-made basis.

(c) Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements.

(1) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Florida Office of Insurance Regulation to conduct business in the State of Florida, or (b) with respect only to the coverage required by this Agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes, as this statute may be amended from time to time.

(2) In addition, such companies other than those authorized by Section 624.4621, Florida Statutes, as this statute may be amended from time to time, must have and maintain a Best's Rating of "A-" or better and a Financial Size Category of "VII" or better according to A.M. Best Company.

(3) If, during the period which an insurance company is providing the insurance coverage required by this Agreement, an insurance company, (A) loses its Certificate of Authority or Letter of Eligibility, (B) no longer complies with Section 624.4621, Florida Statutes, as this statute may be amended from time to time, or (C) fails to maintain the Best's Rating and Financial Size Category, then CONTRACTOR shall immediately notify COUNTY as soon as CONTRACTOR has knowledge of any such circumstance and, upon request of COUNTY, immediately replace the insurance coverage provided by the insurance company with a different insurance company meeting the requirements of this Agreement. Until such time as

CONTRACTOR has replaced the unacceptable insurer with an insurer acceptable to the COUNTY, CONTRACTOR will be deemed to be in default of this Agreement.

(d) Specifications. Without limiting any of the other obligations or liabilities of CONTRACTOR, CONTRACTOR, at CONTRACTOR's sole expense, shall procure, maintain, and keep in force amounts and types of insurance conforming to the minimum requirements set forth in Exhibit D. Except as otherwise specified in this Agreement, the insurance must become effective prior to the commencement of work by CONTRACTOR and must be maintained in force until final completion or such other time as required by this Agreement. The amounts and types of insurance must conform to the following minimum requirements:

(1) Workers' Compensation/Employers' Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR and its subcontractors of every tier for those sources of liability which would be covered by the latest edition of the standard Workers' Compensation and Employers Liability Policy (NCCI Form WC 00 00 00 A), as filed for use in Florida by the National Council on Compensation Insurance. In addition to coverage for the Florida Workers' Compensation Act, where appropriate, coverage is to be included for the United States Longshoremen and Harbor Workers' Compensation Act, Federal Employers' Liability Act and any other applicable federal or state law.

(B) Subject to the restrictions of coverage found in the standard Workers' Compensation and Employers Liability Policy, there must be no maximum limit on the amount of coverage for liability imposed by the Florida Workers' Compensation Act, and if applicable, the United States Longshoremen's and Harbor Workers' Compensation Act or any other coverage customarily insured under Part One of the standard Workers' Compensation and Employers Liability Policy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(D) If CONTRACTOR asserts an exemption to the provisions of Chapter 440, Florida Statutes, Workers' Compensation, as this statute may be amended from time to time, CONTRACTOR shall provide notification to COUNTY's Risk Manager with the Resource Management Department and shall complete the COUNTY's Workers' Compensation Waiver Request. Approval of exemption is subject to COUNTY's sole discretion. If approved, the named individuals listed in COUNTY'S approved exemption will be the only individuals authorized to perform work under this Agreement.

(E) Any vendor or contractor, including CONTRACTOR, using an employee leasing company must complete the COUNTY'S Leased Employee Affidavit.

(2) Commercial General Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by the latest edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01), as filed for use in the State of Florida by the Insurance Services Office, or equivalent acceptable to COUNTY. Such coverage must not contain any endorsements excluding or limiting Products/Completed Operations, Contractual Liability, or Separation of Insureds. If CONTRACTOR's work, or work under its direction, control, or sub-contract, requires blasting, explosive conditions, or underground operations, the comprehensive general liability coverage shall contain no exclusion relative to blasting, explosion, collapse of structures, or damage to underground property.

(B) ISO Endorsement CG 20 10 or CG 20 26 and CG 20 37 or their equivalent must be used to provide such Additional Insured status.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(3) Business Auto Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by Section II of the latest edition of the standard Business Auto Policy (ISO Form CA 00 01), as filed for use in the State of Florida by the Insurance Services Office. Coverage must include owned, non-owned, and hired autos or any auto. In the event CONTRACTOR does not own automobiles, CONTRACTOR shall maintain coverage for hired and non-owned auto liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy. If the contract involves operations governed by Sections 29 or 30 of the Motor Carrier Act of 1980, endorsement MCS-90 is required.

(B) If CONTRACTOR'S operations involve pollutants as defined in the ISO Form CA 00 01, Form CA9948, Pollution Liability – Broadened Coverage for Covered Autos, is required.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(4) Pollution Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for all of the following:

1. Bodily injury, sickness, disease, mental anguish, or shock sustained by any person, including death.

2. Property damage including physical injury to or destruction of tangible property including the resulting loss of use of such property, cleanup costs, and the loss of use of tangible property that has not been physically injured or destroyed.

3. Defense costs including costs, charges, and expenses incurred in the investigation, adjustment, or defense of claims for such compensatory damages.

(B) If CONTRACTOR is operating a hazardous or non-hazardous treatment, storage, or disposal facility, coverage for losses that arise from the insured facility that is accepting the waste.

(C) Coverage must apply to sudden and non-sudden pollution conditions including the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste materials or other irritants, contaminants or pollutants into or upon land, the atmosphere or any watercourse or body of water, which results in Bodily Injury or Property Damage.

(D) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(5) Cyber Liability Insurance and Technology Errors and Omissions Insurance.

(A) Cyber Liability and Technology Errors and Omissions Insurance must include liability related to: multimedia liability, including cloud computing and mobile devices; protection of private or confidential information, whether electronic or non-electronic; network security and privacy; system attacks, digital asset loss, denial or loss of service; introduction, implantation, or spread of malicious software code; security breach; unauthorized access and use; disclosure of COUNTY data, whether by CONTRACTOR or any subcontractor or cloud service provider used by CONTRACTOR; regulatory action expenses; breach response costs including, but not limited to, notification of affected individuals, customer support, forensics, crisis

management consulting, public relations consulting, legal services, and credit monitoring expenses and identity fraud resolution services; and the rendering of or failure to render technology products and services, if the contract involves the provision of cyber technology services or products. Coverage must be maintained in effect during the period of the Agreement and for no less than two (2) years after termination or completion of the Agreement, if written on a "claims-made" basis.

(B) Cyber Liability and Technology Errors and Omissions Insurance must cover CONTRACTOR, its employees, subcontractors and agents for expenses, claims and losses resulting from wrongful acts committed in the performance of, or failure to perform, all services under this Agreement, including, without limitation, claims, demands, and any other payments related to electronic or physical security, breaches of confidentiality, and invasion of or breaches of privacy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(6) Professional Liability Insurance.

(A) CONTRACTOR shall maintain an Errors & Omissions Liability policy providing professional liability coverage for any damages caused by wrongful acts, errors, or omissions.

(i) In the event that the professional liability insurance required by this contract is written on a claims-made basis, CONTRACTOR warrants that any retroactive date under the policy will precede the effective date of this Agreement and that either continuous coverage will be maintained, or an extended discovery period will be exercised for a period of three (3) years beginning at the time work under this contract is completed.

(ii) If CONTRACTOR contends that any of the insurance it maintains pursuant to other sections of this clause satisfies this requirement (or otherwise insures the

risks described in this section), then CONTRACTOR shall provide proof of such satisfactory coverage, subject to approval of COUNTY.

(B) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(e) The maintenance of the insurance coverage set forth in this Section may not be construed to limit or have the effect of limiting CONTRACTOR's liability under the provisions of Section 16 concerning indemnification or any other provision of this Agreement.

Section 18. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for contract claims related to this Agreement, other than for proper invoice and payment disputes, are set forth in Section 220.11, "Contract Claims," Seminole County Code of Ordinances.

(b) In any lawsuit or legal proceeding arising under this Agreement, CONTRACTOR hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which CONTRACTOR had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve

disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

Section 19. Representatives of COUNTY and CONTRACTOR.

(a) It is recognized that questions in the day-to-day conduct of performance pursuant to this Agreement may arise. Upon request by CONTRACTOR, COUNTY shall designate and advise CONTRACTOR in writing of one or more of its employees to whom to address all communications pertaining to the day-to-day conduct of this Agreement. The designated representative will have the authority to transmit instructions, receive information, and interpret and define COUNTY's policy and decisions pertinent to the work covered by this Agreement.

(b) At all times during the normal work week, CONTRACTOR shall designate or appoint one or more representatives who are authorized to act on behalf of CONTRACTOR and bind CONTRACTOR regarding all matters involving the conduct of the performance pursuant to this Agreement, and who will keep COUNTY continually and effectively advised of such designation.

Section 20. All Prior Agreements Superseded. This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained in this Agreement and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained or referred to in this document. Accordingly, it is agreed that no deviation from the terms of this Agreement may be predicated upon any prior representations or agreements, whether oral or written.

Section 21. Modifications, Amendments, or Alterations. No modification, amendment, or alteration in the terms or conditions contained in this Agreement will be effective unless

contained in a written amendment executed with the same formality and of equal dignity with this Agreement.

Section 22. Independent Contractor. Nothing in this Agreement is intended or may be construed as in any manner creating or establishing a relationship of co-partners between the parties, or as constituting CONTRACTOR (including its officers, employees, and agents) as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 23. Employee Status. Persons employed by CONTRACTOR in the performance of services and functions pursuant to this Agreement have no claim to pension, workers' compensation, unemployment compensation, civil service, or other employee rights or privileges granted to COUNTY's officers and employees, either by operation of law or by COUNTY.

Section 24. Services Not Provided For. No claim for services provided by CONTRACTOR not specifically provided for in this Agreement will be honored by COUNTY.

Section 25. Public Records Law.

(a) CONTRACTOR acknowledges COUNTY's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. CONTRACTOR acknowledges that COUNTY is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. Upon COUNTY's request, CONTRACTOR shall provide COUNTY with all requested public records in CONTRACTOR's possession or shall allow COUNTY to inspect or copy the requested records within a reasonable time and at a cost that does not exceed costs as provided under Chapter 119, Florida Statutes.

(b) CONTRACTOR specifically acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall perform the following:

(1) CONTRACTOR shall keep and maintain public records that ordinarily and necessarily would be required by COUNTY in order to perform the services required under this Agreement,

(2) CONTRACTOR shall provide COUNTY with access to public records on the same terms and conditions that COUNTY would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(3) CONTRACTOR shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law.

(c) Upon termination of this Agreement, CONTRACTOR shall transfer, at no cost to COUNTY, all public records in possession of CONTRACTOR, or keep and maintain public records required by COUNTY under this Agreement. If CONTRACTOR transfers all public records to COUNTY upon completion of this Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains the public records upon completion of this Agreement, CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to COUNTY, upon request of COUNTY, in a format that is compatible with the information technology systems of COUNTY.

(d) Failure to comply with this Section will be deemed a material breach of this Agreement for which COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR. CONTRACTOR may also be subject to statutory penalties as set forth in Section 119.10, Florida Statutes.

(e) **IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR's DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTRACTOR MAY CONTACT THE CUSTODIAN OF PUBLIC RECORDS, THE SEMINOLE COUNTY PUBLIC RECORDS COORDINATOR, AT 407-665-7410, PUBLICRECORDS@SEMINOLECOUNTYFL.GOV, 1101 E. Section 27. Compliance with Laws and Regulations. In providing all services pursuant to this Agreement, CONTRACTOR shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provision of such services, including those now in effect and subsequently adopted. Any violation of these statutes, ordinances, rules, or regulations will constitute a material breach of this Agreement and will entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to CONTRACTOR.

Section 28. Patents and Royalties. Unless otherwise provided, CONTRACTOR is solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONTRACTOR, without exception, shall indemnify and save harmless COUNTY and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article

manufactured or supplied by CONTRACTOR. In the event of any claim against COUNTY of copyright or patent infringement, COUNTY shall promptly provide written notification to CONTRACTOR. If such a claim is made, CONTRACTOR shall use its best efforts to promptly purchase for COUNTY the legitimate version of any infringing products or services or procure a license from the patent or copyright holder at no cost to COUNTY that will allow continued use of the service or product. If none of these alternatives are reasonably available, COUNTY shall return the article on request to CONTRACTOR and receive reimbursement, if any, as may be determined by a court of competent jurisdiction.

Whenever either party desires to give notice to the other, it must be given by written notice, sent by registered or certified United States mail, return receipt requested, addressed to the party for whom it is intended at the place last specified. Terms and Conditions

1. Acceptance/Entire Agreement. This Purchase Order ("PO") is entered into between Seminole County, Florida ("County") and the Supplier referenced herein (individually, referred to as "Party," and collectively, "Parties"). By accepting this PO, Supplier accepts all Terms and Conditions contained herein. This PO, including specifications and drawings, if any, and referenced documents, such as solicitations and responses constitutes the entire agreement between the Parties. Whenever terms and conditions of Main Agreement, if any, conflict with any PO issued pursuant to Main Agreement, Main Agreement will control.

2. Inspection. Notwithstanding any prior payment or inspection, all goods/services are subject to inspection/rejection by County at any time, including during manufacture, construction or preparation. To the extent a PO requires a series of performances by Supplier, County reserves right to cancel remainder of PO if goods/services provided during the term of PO are non-conforming or otherwise rejected. Without limiting any rights County may have, County, at its sole option, may require Supplier, at Supplier's expense to: (a) promptly repair or replace any or all rejected goods, or to cure or re-perform any or all rejected services; or (b) refund price of any or all rejected goods or services. All rejected goods will be held for Supplier's prompt inspection at Supplier's risk. Nothing contained in PO will relieve Supplier's obligation of testing, inspection and quality control.

3. Packing & Shipping. Unless otherwise specified, all goods must be packed, packaged, marked and prepared for shipment in a manner that is: (a) in accordance with good commercial practice; (b) acceptable to common carriers for shipment at the lowest rate for the particular good; (c) in accordance with local, state, and federal regulations; and (d) protected against weather. Supplier must mark all containers with necessary lifting, handling, shipping information, PO number, date of shipment and the name of the consignee and consignor. An itemized packing sheet must accompany each shipment.

4. Delivery; Risk of Loss. All goods are FOB destination, and risk of loss will remain with Supplier until delivery by Supplier and acceptance by County. Goods delivered by Supplier that are damaged, defective, or otherwise fail to conform to PO may be rejected by County or held by County at Supplier's risk and expense. County may charge Supplier for cost(s) to inspect, unpack, repack, store and re-ship rejected goods.

5. Delivery of Excess Quantities. If Supplier delivers excess quantities of goods without prior written authorization from County, excess quantities of goods may be returned to Supplier at Supplier's expense.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County's particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. Supplier shall notify County, in writing, of any cancellation, material change, or alteration to Supplier's Certificate of Insurance.

10. Modifications. PO may be modified or rescinded in writing by County.

11. Material Safety Data Sheets. At time of delivery, Supplier agrees to provide County with a current Material Safety Data Sheet for any hazardous chemicals or toxic substances, as required by law.

12. Pricing. Supplier agrees that pricing included on PO shall remain firm through and until delivery of goods and/or completion of services, unless otherwise agreed to by the Parties in writing.

13. Invoicing & Payment. After delivery of goods/services by Supplier and acceptance by the County, the Supplier must electronically submit an original invoice via email to AP@seminoleclerk.org or may mail the invoice, if electronic invoice is not available, to: Seminole County Clerk of the Circuit Court and Comptroller, P.O. Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include the County's Purchase Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218. 70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. In the event of termination, County will be liable only for materials procured, work completed or services rendered or supplies partially fabricated, within the authorization of PO. In no event will County be liable for incidental or consequential damages by reason of such termination.

16. Equal Opportunity Employer. County is an Equal Employment Opportunity ("EEO") employer, and as such, requires all Suppliers to comply with EEO regulations with regards to race, color, religion, sex, national origin, age, disability or genetic information, as may be applicable to Supplier. Any subcontracts entered into, as authorized by County, must make reference to this clause with the same degree of application being encouraged.

17. Assignment. Supplier may not assign, transfer, or subcontract PO or any right or obligation under it without County's written consent. Any purported assignment, transfer, or subcontract will be null and void.

18. Venue & Applicable Law. The laws of the State of Florida govern validity, enforcement, and interpretation of PO. The sole jurisdiction and venue for any legal action in connection with PO will be in the courts of Seminole County, Florida.

19. Fiscal Non-Funding. In the event sufficient budgeted funds are not available for payment to Supplier for a new fiscal period, County shall notify Supplier of such occurrence and PO will terminate on the last day of the current fiscal period without penalty or expense to County.

20. Public Records. Supplier acknowledges that PO and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Supplier shall maintain all public records and, upon request, provide a copy of requested records or allow records to be inspected within a reasonable time. Supplier shall also ensure that any public records that are exempt or confidential from disclosure are not disclosed except as authorized by law. In event Supplier fails to abide by provisions of Chapter 119, Florida Statutes, County may, without prejudice to any other right or remedy and after giving Supplier seven (7) days written notice, during which period Supplier still fails to allow access to such documents, terminate PO. **IF SUPPLIER HAS QUESTIONS REGARDING APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO SUPPLIER' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO PO, CONTACT CUSTODIAN OF PUBLIC RECORDS AT: 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. SECOND STREET, SANFORD, FL 32771.**

21. Right to Audit Records. County will be entitled to audit the books and records of Supplier to the extent that the books and records relate to this PO. Supplier must maintain books and records relating to this PO for a period of three (3) years from the date of final payment under the PO, unless the County authorizes otherwise in writing.

22. Severability. If any section, sentence, clause, phrase or portion of PO are, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion will be deemed separate, distinct, and independent and such holding will not affect validity of remaining portion of PO.

23. Headings & Captions. All headings and captions contained in PO are provided for convenience only, do not constitute a part of PO, and may not be used to define, describe, interpret or construe any provision of PO.

W I T N E S S E T H:

WHEREAS, COUNTY desires to retain the services of a competent and qualified contractor to provide indigent burial and cremation services for Seminole County; and

WHEREAS, COUNTY has requested and received expressions of interest for the retention of services of contractors; and

WHEREAS, CONTRACTOR is competent and qualified to provide materials and services to COUNTY, and desires to provide materials and services according to the terms and conditions stated in this Agreement,

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth in this Agreement, COUNTY and CONTRACTOR agree as follows:

Section 1. Materials and/or Services. COUNTY hereby retains CONTRACTOR to provide materials and services as further described in the Scope of Services attached as Exhibit A and made a part of this Agreement. CONTRACTOR is also bound by all requirements as contained in the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. Required materials and services will be specifically enumerated,

described, and depicted in the Purchase Orders authorizing purchase of specific materials and services. This Agreement standing alone does not authorize the purchase. materials and services or require COUNTY to place any orders for work.

Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and shall continue for the duration of the County's indigent burial and cremation services program. Either party may terminate this Agreement at any time and for any reason upon providing ninety (90) days' written notice to the other party. Expiration or termination of this Agreement will have no effect upon Purchase Orders issued pursuant to this Agreement and the effective date of such expiration or termination. Obligations entered by both parties under such Purchase Orders will remain in effect until delivery and acceptance of the services authorized by the respective Purchase Order. The first three (3) months of this Agreement are considered probationary. During the probationary period, COUNTY may immediately terminate this Agreement at any time, with or without cause, upon written notice to CONTRACTOR.

Section 3. Authorization for Materials and/or Services. Authorization for provision of materials and services by CONTRACTOR under this Agreement must be in the form of written Purchase Orders issued and executed by COUNTY. A sample Purchase Order is attached as Exhibit B. Each Purchase Order will describe the materials and services required, state the dates for delivery of materials and services, and establish the amount and method of payment. The Purchase Orders must be issued under and incorporate the terms of this Agreement. COUNTY makes no covenant or promise as to the number of available Purchase Orders or that CONTRACTOR will perform any Purchase Order for COUNTY during the life of this Agreement. COUNTY reserves the right to contract with other parties for the services contemplated by this Agreement when it is determined by COUNTY to be in the best interest of COUNTY to do so.

Section 4. Time for Completion. The materials and services to be provided by CONTRACTOR will be delivered, as specified in such Purchase Orders as may be issued under this Agreement, within the time specified in the Purchase Order.

Section 5. Compensation. COUNTY shall compensate CONTRACTOR for the materials and services provided for under this Agreement on a Fixed Fee basis at the rates as outlined in Exhibit C. When a Purchase Order is issued on a Fixed Fee basis, then the applicable Purchase Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Purchase Orders.

Section 6. Payment and Billing.

(a) CONTRACTOR shall supply all materials and services required by the Purchase Order, but in no event will CONTRACTOR be paid more than the negotiated Fixed Fee amount stated within each Purchase Order.

(b) For Purchase Orders issued on a Fixed Fee basis, CONTRACTOR may invoice the amount due based on the percentage of total Purchase Order materials and services actually provided, but in no event may the invoice amount exceed a percentage of the Fixed Fee amount equal to a percentage of the total services actually completed.

(c) COUNTY shall make payments to CONTRACTOR when requested as materials and services are provided, but not more than once monthly. Each Purchase Order will be invoiced separately. At the close of each calendar month, CONTRACTOR shall render to COUNTY an itemized invoice, properly dated, describing any materials and services provided, the cost of the materials and services provided, the name and address of CONTRACTOR, Purchase Order Number, Contract Number, and any other information required by this Agreement.

(d) Submittal instructions for invoices are as follows:

(1) The original invoice must be emailed to:

AP@SeminoleClerk.org

(2) The original invoice may also be mailed or delivered to:

Director of County Comptroller's Office
Seminole County Board of County Commissioners
P.O. Box 8080
Sanford, FL 32772-8080

(3) A copy of the invoice must be sent to:

Seminole County Community Health
520 W. Lake Mary Blvd, Ste. 100
Sanford, FL 32771

(e) Upon review and approval of CONTRACTOR's invoice, COUNTY shall pay CONTRACTOR the approved amount in accordance with the terms as set forth in Chapter 218, Part VII, Florida Statutes.

(f) The COUNTY's performance and obligation to pay under this Agreement is wholly contingent upon the COUNTY's receipt of sufficient appropriations.

Section 7. General Terms of Payment and Billing.

(a) Upon satisfactory delivery of materials and services required under this Agreement and upon acceptance of the materials and services by COUNTY, CONTRACTOR may invoice COUNTY for the full amount of compensation provided for under the terms of this Agreement less any amount already paid by COUNTY.

(b) COUNTY may perform or have performed an audit of the records of CONTRACTOR at any time during the term of this Agreement and after final payment to support final payment under this Agreement. Audits may be performed at a time mutually agreeable to CONTRACTOR and COUNTY. Total compensation to CONTRACTOR may be determined subsequent to an audit as provided for in this Section and the total compensation so determined will be used to calculate final payment to CONTRACTOR. Performance of this audit will not delay final payment as provided by subsection (a) of this Section.

(c) CONTRACTOR shall maintain all books, documents, papers, accounting records, and other evidence pertaining to materials and services provided under this Agreement in such a manner as will readily conform to the terms of this Agreement. CONTRACTOR shall make such materials available at CONTRACTOR's office at all reasonable times during the term of this Agreement and for five (5) years from the date of final payment under the contract for audit or inspection as provided for in subsection (b) of this Section.

(d) In the event any audit or inspection conducted after final payment but within the period provided in paragraph (c) of this Section reveals any overpayment by COUNTY under the terms of the Agreement, CONTRACTOR shall refund such overpayment to COUNTY within thirty (30) days of notice by COUNTY.

Section 8. No Waiver by Forbearance. COUNTY's review of, approval and acceptance of, or payment for the materials or services required under this Agreement does not operate as a waiver of any rights under this Agreement, or of any cause of action arising out of the performance of this Agreement. CONTRACTOR is and will always remain liable to COUNTY in accordance with applicable law for any and all damages to COUNTY caused by CONTRACTOR's negligent or wrongful provision of any of the materials or services provided under this Agreement.

Section 9. Termination.

(a) COUNTY may, by written notice to CONTRACTOR, terminate this Agreement or any Purchase Order issued under this Agreement, in whole or in part, at any time, either for COUNTY's convenience or because of the failure of CONTRACTOR to fulfill its obligations under this Agreement. Upon receipt of such notice, CONTRACTOR shall immediately discontinue all services affected, unless the notice directs otherwise, and deliver to COUNTY all data, drawings, specifications, reports, estimates, summaries, and any and all such other

information and materials of whatever type or nature as may have been accumulated by CONTRACTOR in performing this Agreement, whether completed or in process.

(b) If the termination is for the convenience of COUNTY, CONTRACTOR will be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONTRACTOR to fulfill its obligations under this Agreement, COUNTY may take over the work and carry it to completion by other agreements or otherwise. In such case, CONTRACTOR will be liable to COUNTY for all reasonable additional costs associated with CONTRACTOR's failure to fulfill its obligations under this Agreement.

(d) CONTRACTOR will not be liable for such additional costs if the failure to perform the Agreement arises without any fault or negligence of CONTRACTOR, but CONTRACTOR will be responsible and liable for the actions by its subcontractors, agents, employees, persons, and entities of a similar type or nature. Matters beyond the fault or negligence of CONTRACTOR include acts of God or of the public enemy, acts of COUNTY in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without any fault or negligence of CONTRACTOR.

(e) If after notice of termination for CONTRACTOR's failure to fulfill its obligations under this Agreement it is determined that CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the convenience of COUNTY. In such event, adjustment in the Agreement price will be made as provided in subsection (b) of this Section.

(f) The rights and remedies of COUNTY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Agreement.

Section 10. Conflict with Contract Documents. Wherever the terms of this Agreement conflict with any Purchase Order issued pursuant to it or any other contract documents, including bids or proposals previously submitted by CONTRACTOR, this Agreement will prevail. For the avoidance of doubt, bid/proposals and any other documents submitted by CONTRACTOR are not incorporated into this Agreement, unless expressly stated otherwise.

Section 11. Equal Opportunity Employment. CONTRACTOR shall not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, disability, or national origin. CONTRACTOR shall take steps to ensure that applicants are employed, and employees are treated during employment without regard to race, color, religion, sex, age, disability, or national origin. This provision includes, but is not limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship.

Section 12. No Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person other than a bona fide employee working solely for CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from award or making of this Agreement. For the breach or violation of this provision, COUNTY will have the right to terminate the Agreement at its sole discretion without liability and to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.

Section 13. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 14. Assignment. Neither this Agreement nor any interest in it may be assigned, transferred, or otherwise encumbered under any circumstances by either party without prior written consent of the other party and in such cases only by a document of equal dignity with this Agreement.

Section 15. Subcontractors. CONTRACTOR shall first secure the prior written approval of COUNTY before engaging or contracting for the services of any subcontractors under this Agreement. CONTRACTOR will remain fully responsible to COUNTY for the services of any subcontractors under this Agreement.

Section 16. Indemnification of COUNTY. To the fullest extent permitted by law, CONTRACTOR shall hold harmless, release, and indemnify COUNTY, its commissioners, officers, employees, and agents from any and all claims, losses, damages, costs, attorney fees, and lawsuits for damages arising from, allegedly arising from, or related to CONTRACTOR's provision of materials or services under this Agreement caused by CONTRACTOR's act or omission in the performance of this Agreement. This provision is not to be construed as a waiver by COUNTY of its sovereign immunity, except to the extent waived pursuant to Section 768.28, Florida Statutes, as this statute may be amended from time to time.

Section 17. Insurance.

(a) CONTRACTOR, at its sole expense, shall maintain the insurance required under this Section at all times throughout the duration of this Agreement and have this insurance approved by COUNTY's Risk Manager with the Resource Management Department. CONTRACTOR shall immediately provide written notice to the COUNTY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.

(1) CONTRACTOR shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains insurance of the types and to the limits specified in this Agreement until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by CONTRACTOR will relieve CONTRACTOR of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONTRACTOR in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONTRACTOR.

(4) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then CONTRACTOR shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and CONTRACTOR shall remedy any deficiencies in the policies of insurance within ten (10) days.

(5) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of CONTRACTOR or any other party.

(b) General Requirements.

(1) Before commencing work, CONTRACTOR shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and Exhibit D. **The Certificate must have the Agreement number for this Agreement clearly marked on its face**, and including the following as Certificate Holder:

Seminole County, Florida
Seminole County Services Building
1101 East 1st Street
Sanford, Florida 32771

The Certificate of Insurance must evidence, and all policies must be endorsed to provide the COUNTY with not less than thirty (30) days (10 days for non-payment) written notice prior to the cancellation or non-renewal of coverage directly from the Insurer and without additional action of the Insured or Broker. Until such time as the insurance is no longer required to be maintained, CONTRACTOR shall provide COUNTY with a renewal or replacement Certificate of Insurance within ten (10) days after the expiration or replacement of the insurance for which a previous certificate has been provided.

(2) In addition to providing the Certificate of Insurance, upon request of the COUNTY, CONTRACTOR shall provide COUNTY with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Certified copies of policies may only be provided by the Insurer, not the agent or broker.

(3) Deductible and self-insured retention amounts must be declared to and approved by COUNTY and must be reduced or eliminated upon written request from COUNTY. The risk of loss within the deductible or retention amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by CONTRACTOR.

(4) The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer for all General Liability, Auto Liability, Employers' Liability, and Umbrella Liability coverages.

(5) In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to COUNTY and COUNTY shall apportion the proceeds between COUNTY and CONTRACTOR as their interests may appear.

(6) Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, Business Auto Liability, Pollution Liability, and Cyber Liability policies. Such is only applicable if the aforementioned policies are required per this Agreement or Exhibit D. Such policies shall provide exception to any "Insured versus Insured" exclusion for claims brought by or on behalf of Additional Insureds.

(7) Coverage: The insurance provided by CONTRACTOR pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or COUNTY's officials, officers, or employees must be in excess of and not contributing with the insurance provided by CONTRACTOR.

(8) Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida and its respective officials, officers, and employees. This Waiver of Subrogation requirement does not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the Named Insured enter into such an agreement on a pre-loss basis.

(9) Provision: Commercial General Liability and Umbrella Liability Policies, if required by this Agreement or Exhibit D, must be provided on an occurrence rather than a claims-made basis.

(c) Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements.

(1) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Florida Office of Insurance Regulation to conduct business in the State of Florida, or (b) with respect only to the coverage required by this Agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes, as this statute may be amended from time to time.

(2) In addition, such companies other than those authorized by Section 624.4621, Florida Statutes, as this statute may be amended from time to time, must have and maintain a Best's Rating of "A-" or better and a Financial Size Category of "VII" or better according to A.M. Best Company.

(3) If, during the period which an insurance company is providing the insurance coverage required by this Agreement, an insurance company, (A) loses its Certificate of Authority or Letter of Eligibility, (B) no longer complies with Section 624.4621, Florida Statutes, as this statute may be amended from time to time, or (C) fails to maintain the Best's Rating and Financial Size Category, then CONTRACTOR shall immediately notify COUNTY as soon as CONTRACTOR has knowledge of any such circumstance and, upon request of COUNTY, immediately replace the insurance coverage provided by the insurance company with a different insurance company meeting the requirements of this Agreement. Until such time as

CONTRACTOR has replaced the unacceptable insurer with an insurer acceptable to the COUNTY, CONTRACTOR will be deemed to be in default of this Agreement.

(d) Specifications. Without limiting any of the other obligations or liabilities of CONTRACTOR, CONTRACTOR, at CONTRACTOR's sole expense, shall procure, maintain, and keep in force amounts and types of insurance conforming to the minimum requirements set forth in Exhibit D. Except as otherwise specified in this Agreement, the insurance must become effective prior to the commencement of work by CONTRACTOR and must be maintained in force until final completion or such other time as required by this Agreement. The amounts and types of insurance must conform to the following minimum requirements:

(1) Workers' Compensation/Employers' Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR and its subcontractors of every tier for those sources of liability which would be covered by the latest edition of the standard Workers' Compensation and Employers Liability Policy (NCCI Form WC 00 00 00 A), as filed for use in Florida by the National Council on Compensation Insurance. In addition to coverage for the Florida Workers' Compensation Act, where appropriate, coverage is to be included for the United States Longshoremen and Harbor Workers' Compensation Act, Federal Employers' Liability Act and any other applicable federal or state law.

(B) Subject to the restrictions of coverage found in the standard Workers' Compensation and Employers Liability Policy, there must be no maximum limit on the amount of coverage for liability imposed by the Florida Workers' Compensation Act, and if applicable, the United States Longshoremen's and Harbor Workers' Compensation Act or any other coverage customarily insured under Part One of the standard Workers' Compensation and Employers Liability Policy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(D) If CONTRACTOR asserts an exemption to the provisions of Chapter 440, Florida Statutes, Workers' Compensation, as this statute may be amended from time to time, CONTRACTOR shall provide notification to COUNTY's Risk Manager with the Resource Management Department and shall complete the COUNTY's Workers' Compensation Waiver Request. Approval of exemption is subject to COUNTY's sole discretion. If approved, the named individuals listed in COUNTY'S approved exemption will be the only individuals authorized to perform work under this Agreement.

(E) Any vendor or contractor, including CONTRACTOR, using an employee leasing company must complete the COUNTY'S Leased Employee Affidavit.

(2) Commercial General Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by the latest edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01), as filed for use in the State of Florida by the Insurance Services Office, or equivalent acceptable to COUNTY. Such coverage must not contain any endorsements excluding or limiting Products/Completed Operations, Contractual Liability, or Separation of Insureds. If CONTRACTOR's work, or work under its direction, control, or sub-contract, requires blasting, explosive conditions, or underground operations, the comprehensive general liability coverage shall contain no exclusion relative to blasting, explosion, collapse of structures, or damage to underground property.

(B) ISO Endorsement CG 20 10 or CG 20 26 and CG 20 37 or their equivalent must be used to provide such Additional Insured status.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(3) Business Auto Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by Section II of the latest edition of the standard Business Auto Policy (ISO Form CA 00 01), as filed for use in the State of Florida by the Insurance Services Office. Coverage must include owned, non-owned, and hired autos or any auto. In the event CONTRACTOR does not own automobiles, CONTRACTOR shall maintain coverage for hired and non-owned auto liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy. If the contract involves operations governed by Sections 29 or 30 of the Motor Carrier Act of 1980, endorsement MCS-90 is required.

(B) If CONTRACTOR'S operations involve pollutants as defined in the ISO Form CA 00 01, Form CA9948, Pollution Liability – Broadened Coverage for Covered Autos, is required.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(4) Pollution Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for all of the following:

1. Bodily injury, sickness, disease, mental anguish, or shock sustained by any person, including death.

2. Property damage including physical injury to or destruction of tangible property including the resulting loss of use of such property, cleanup costs, and the loss of use of tangible property that has not been physically injured or destroyed.

3. Defense costs including costs, charges, and expenses incurred in the investigation, adjustment, or defense of claims for such compensatory damages.

(B) If CONTRACTOR is operating a hazardous or non-hazardous treatment, storage, or disposal facility, coverage for losses that arise from the insured facility that is accepting the waste.

(C) Coverage must apply to sudden and non-sudden pollution conditions including the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste materials or other irritants, contaminants or pollutants into or upon land, the atmosphere or any watercourse or body of water, which results in Bodily Injury or Property Damage.

(D) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(5) Cyber Liability Insurance and Technology Errors and Omissions Insurance.

(A) Cyber Liability and Technology Errors and Omissions Insurance must include liability related to: multimedia liability, including cloud computing and mobile devices; protection of private or confidential information, whether electronic or non-electronic; network security and privacy; system attacks, digital asset loss, denial or loss of service; introduction, implantation, or spread of malicious software code; security breach; unauthorized access and use; disclosure of COUNTY data, whether by CONTRACTOR or any subcontractor or cloud service provider used by CONTRACTOR; regulatory action expenses; breach response costs including, but not limited to, notification of affected individuals, customer support, forensics, crisis

management consulting, public relations consulting, legal services, and credit monitoring expenses and identity fraud resolution services; and the rendering of or failure to render technology products and services, if the contract involves the provision of cyber technology services or products. Coverage must be maintained in effect during the period of the Agreement and for no less than two (2) years after termination or completion of the Agreement, if written on a "claims-made" basis.

(B) Cyber Liability and Technology Errors and Omissions Insurance must cover CONTRACTOR, its employees, subcontractors and agents for expenses, claims and losses resulting from wrongful acts committed in the performance of, or failure to perform, all services under this Agreement, including, without limitation, claims, demands, and any other payments related to electronic or physical security, breaches of confidentiality, and invasion of or breaches of privacy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(6) Professional Liability Insurance.

(A) CONTRACTOR shall maintain an Errors & Omissions Liability policy providing professional liability coverage for any damages caused by wrongful acts, errors, or omissions.

(i) In the event that the professional liability insurance required by this contract is written on a claims-made basis, CONTRACTOR warrants that any retroactive date under the policy will precede the effective date of this Agreement and that either continuous coverage will be maintained, or an extended discovery period will be exercised for a period of three (3) years beginning at the time work under this contract is completed.

(ii) If CONTRACTOR contends that any of the insurance it maintains pursuant to other sections of this clause satisfies this requirement (or otherwise insures the

risks described in this section), then CONTRACTOR shall provide proof of such satisfactory coverage, subject to approval of COUNTY.

(B) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(e) The maintenance of the insurance coverage set forth in this Section may not be construed to limit or have the effect of limiting CONTRACTOR's liability under the provisions of Section 16 concerning indemnification or any other provision of this Agreement.

Section 18. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for contract claims related to this Agreement, other than for proper invoice and payment disputes, are set forth in Section 220.11, "Contract Claims," Seminole County Code of Ordinances.

(b) In any lawsuit or legal proceeding arising under this Agreement, CONTRACTOR hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which CONTRACTOR had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve

disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

Section 19. Representatives of COUNTY and CONTRACTOR.

(a) It is recognized that questions in the day-to-day conduct of performance pursuant to this Agreement may arise. Upon request by CONTRACTOR, COUNTY shall designate and advise CONTRACTOR in writing of one or more of its employees to whom to address all communications pertaining to the day-to-day conduct of this Agreement. The designated representative will have the authority to transmit instructions, receive information, and interpret and define COUNTY's policy and decisions pertinent to the work covered by this Agreement.

Section 20. All Prior Agreements Superseded. This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained in this Agreement and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained or referred to in this document. Accordingly, it is agreed that no deviation from the terms of this Agreement may be predicated upon any prior representations or agreements, whether oral or written.

Section 21. Modifications, Amendments, or Alterations. No modification, amendment, or alteration in the terms or conditions contained in this Agreement will be effective unless

contained in a written amendment executed with the same formality and of equal dignity with this Agreement.

Section 22. Independent Contractor. Nothing in this Agreement is intended or may be construed as in any manner creating or establishing a relationship of co-partners between the parties, or as constituting CONTRACTOR (including its officers, employees, and agents) as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 23. Employee Status. Persons employed by CONTRACTOR in the performance of services and functions pursuant to this Agreement have no claim to pension, workers' compensation, unemployment compensation, civil service, or other employee rights or privileges granted to COUNTY's officers and employees, either by operation of law or by COUNTY.

Section 24. Services Not Provided For. No claim for services provided by CONTRACTOR not specifically provided for in this Agreement will be honored by COUNTY.

Section 25. Public Records Law.

(a) CONTRACTOR acknowledges COUNTY's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. CONTRACTOR acknowledges that COUNTY is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. Upon COUNTY's request, CONTRACTOR shall provide COUNTY with all requested public records in CONTRACTOR's possession or shall allow COUNTY to inspect or copy the requested records within a reasonable time and at a cost that does not exceed costs as provided under Chapter 119, Florida Statutes.

(b) CONTRACTOR specifically acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall perform the following:

(1) CONTRACTOR shall keep and maintain public records that ordinarily and necessarily would be required by COUNTY in order to perform the services required under this Agreement,

(2) CONTRACTOR shall provide COUNTY with access to public records on the same terms and conditions that COUNTY would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(3) CONTRACTOR shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law.

(c) Upon termination of this Agreement, CONTRACTOR shall transfer, at no cost to COUNTY, all public records in possession of CONTRACTOR, or keep and maintain public records required by COUNTY under this Agreement. If CONTRACTOR transfers all public records to COUNTY upon completion of this Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains the public records upon completion of this Agreement, CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to COUNTY, upon request of COUNTY, in a format that is compatible with the information technology systems of COUNTY.

(d) Failure to comply with this Section will be deemed a material breach of this Agreement for which COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR. CONTRACTOR may also be subject to statutory penalties as set forth in Section 119.10, Florida Statutes.

(e) **IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR's DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTRACTOR MAY CONTACT THE CUSTODIAN OF PUBLIC RECORDS, THE SEMINOLE COUNTY PUBLIC RECORDS COORDINATOR, AT 407-665-7410, PUBLICRECORDS@SEMINOLECOUNTYFL.GOV, 1101 E. Section 27. Compliance with Laws and Regulations. In providing all services pursuant to this Agreement, CONTRACTOR shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provision of such services, including those now in effect and subsequently adopted. Any violation of these statutes, ordinances, rules, or regulations will constitute a material breach of this Agreement and will entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to CONTRACTOR.

Section 28. Patents and Royalties. Unless otherwise provided, CONTRACTOR is solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONTRACTOR, without exception, shall indemnify and save harmless COUNTY and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article

manufactured or supplied by CONTRACTOR. In the event of any claim against COUNTY of copyright or patent infringement, COUNTY shall promptly provide written notification to CONTRACTOR. If such a claim is made, CONTRACTOR shall use its best efforts to promptly purchase for COUNTY the legitimate version of any infringing products or services or procure a license from the patent or copyright holder at no cost to COUNTY that will allow continued use of the service or product. If none of these alternatives are reasonably available, COUNTY shall return the article on request to CONTRACTOR and receive reimbursement, if any, as may be determined by a court of competent jurisdiction.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County's particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. Supplier shall notify County, in writing, of any cancellation, material change, or alteration to Supplier's Certificate of Insurance.

10. Modifications. PO may be modified or rescinded in writing by County.

11. Material Safety Data Sheets. At time of delivery, Supplier agrees to provide County with a current Material Safety Data Sheet for any hazardous chemicals or toxic substances, as required by law.

12. Pricing. Supplier agrees that pricing included on PO shall remain firm through and until delivery of goods and/or completion of services, unless otherwise agreed to by the Parties in writing.

13. Invoicing & Payment. After delivery of goods/services by Supplier and acceptance by the County, the Supplier must electronically submit an original invoice via email to AP@seminoleclerk.org or may mail the invoice, if electronic invoice is not available, to: Seminole County Clerk of the Circuit Court and Comptroller, P.O. Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include the County's Purchase Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218. 70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. In the event of termination, County will be liable only for materials procured, work completed or services rendered or supplies partially fabricated, within the authorization of PO. In no event will County be liable for incidental or consequential damages by reason of such termination.

16. Equal Opportunity Employer. County is an Equal Employment Opportunity ("EEO") employer, and as such, requires all Suppliers to comply with EEO regulations with regards to race, color, religion, sex, national origin, age, disability or genetic information, as may be applicable to Supplier. Any subcontracts entered into, as authorized by County, must make reference to this clause with the same degree of application being encouraged.

17. Assignment. Supplier may not assign, transfer, or subcontract PO or any right or obligation under it without County's written consent. Any purported assignment, transfer, or subcontract will be null and void.

18. Venue & Applicable Law. The laws of the State of Florida govern validity, enforcement, and interpretation of PO. The sole jurisdiction and venue for any legal action in connection with PO will be in the courts of Seminole County, Florida.

19. Fiscal Non-Funding. In the event sufficient budgeted funds are not available for payment to Supplier for a new fiscal period, County shall notify Supplier of such occurrence and PO will terminate on the last day of the current fiscal period without penalty or expense to County.

20. Public Records. Supplier acknowledges that PO and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Supplier shall maintain all public records and, upon request, provide a copy of requested records or allow records to be inspected within a reasonable time. Supplier shall also ensure that any public records that are exempt or confidential from disclosure are not disclosed except as authorized by law. In event Supplier fails to abide by provisions of Chapter 119, Florida Statutes, County may, without prejudice to any other right or remedy and after giving Supplier seven (7) days written notice, during which period Supplier still fails to allow access to such documents, terminate PO. **IF SUPPLIER HAS QUESTIONS REGARDING APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO SUPPLIER' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO PO, CONTACT CUSTODIAN OF PUBLIC RECORDS AT: 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. SECOND STREET, SANFORD, FL 32771.**

21. Right to Audit Records. County will be entitled to audit the books and records of Supplier to the extent that the books and records relate to this PO. Supplier must maintain books and records relating to this PO for a period of three (3) years from the date of final payment under the PO, unless the County authorizes otherwise in writing.

22. Severability. If any section, sentence, clause, phrase or portion of PO are, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion will be deemed separate, distinct, and independent and such holding will not affect validity of remaining portion of PO.

23. Headings & Captions. All headings and captions contained in PO are provided for convenience only, do not constitute a part of PO, and may not be used to define, describe, interpret or construe any provision of PO.

TERM CONTRACT FOR INDIGENT BURIAL AND CREMATION SERVICES (IFB-605063-25/LTT)

THIS AGREEMENT is dated as of the _____ day of _____ 20____, by and between **PEOPLE'S CHOICE MORTUARY AND CREMATION SERVICE LLC**, duly authorized to conduct business in the State of Florida, whose address is 1001 East 25th Street, Sanford, FL 32771, in this Agreement referred to as "CONTRACTOR", and **SEMINOLE COUNTY**, a charter county and political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 E. 1st Street, Sanford, Florida 32771, in this Agreement referred to as "COUNTY".

W I T N E S S E T H:

WHEREAS, COUNTY desires to retain the services of a competent and qualified contractor to provide indigent burial and cremation services for Seminole County; and

WHEREAS, COUNTY has requested and received expressions of interest for the retention of services of contractors; and

WHEREAS, CONTRACTOR is competent and qualified to provide materials and services to COUNTY, and desires to provide materials and services according to the terms and conditions stated in this Agreement,

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth in this Agreement, COUNTY and CONTRACTOR agree as follows:

Section 1. Materials and/or Services. COUNTY hereby retains CONTRACTOR to provide materials and services as further described in the Scope of Services attached as Exhibit A and made a part of this Agreement. CONTRACTOR is also bound by all requirements as contained in the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. Required materials and services will be specifically enumerated,

described, and depicted in the Purchase Orders authorizing purchase of specific materials and services. This Agreement standing alone does not authorize the purchase of materials and services or require COUNTY to place any orders for work.

Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and shall continue for the duration of the County's indigent burial and cremation services program. Either party may terminate this Agreement at any time and for any reason upon providing ninety (90) days' written notice to the other party. Expiration or termination of this Agreement will have no effect upon Purchase Orders issued pursuant to this Agreement and the effective date of such expiration or termination. Obligations entered by both parties under such Purchase Orders will remain in effect until delivery and acceptance of the services authorized by the respective Purchase Order. The first three (3) months of this Agreement are considered probationary. During the probationary period, COUNTY may immediately terminate this Agreement at any time, with or without cause, upon written notice to CONTRACTOR.

Section 3. Authorization for Materials and/or Services. Authorization for provision of materials and services by CONTRACTOR under this Agreement must be in the form of written Purchase Orders issued and executed by COUNTY. A sample Purchase Order is attached as Exhibit B. Each Purchase Order will describe the materials and services required, state the dates for delivery of materials and services, and establish the amount and method of payment. The Purchase Orders must be issued under and incorporate the terms of this Agreement. COUNTY makes no covenant or promise as to the number of available Purchase Orders or that CONTRACTOR will perform any Purchase Order for COUNTY during the life of this Agreement. COUNTY reserves the right to contract with other parties for the services contemplated by this Agreement when it is determined by COUNTY to be in the best interest of COUNTY to do so.

Section 4. Time for Completion. The materials and services to be provided by CONTRACTOR will be delivered, as specified in such Purchase Orders as may be issued under this Agreement, within the time specified in the Purchase Order.

Section 5. Compensation. COUNTY shall compensate CONTRACTOR for the materials and services provided for under this Agreement on a Fixed Fee basis at the rates as outlined in Exhibit C. When a Purchase Order is issued on a Fixed Fee basis, then the applicable Purchase Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Purchase Orders.

Section 6. Payment and Billing.

(a) CONTRACTOR shall supply all materials and services required by the Purchase Order, but in no event will CONTRACTOR be paid more than the negotiated Fixed Fee amount stated within each Purchase Order.

(b) For Purchase Orders issued on a Fixed Fee basis, CONTRACTOR may invoice the amount due based on the percentage of total Purchase Order materials and services actually provided, but in no event may the invoice amount exceed a percentage of the Fixed Fee amount equal to a percentage of the total services actually completed.

(c) COUNTY shall make payments to CONTRACTOR when requested as materials and services are provided, but not more than once monthly. Each Purchase Order will be invoiced separately. At the close of each calendar month, CONTRACTOR shall render to COUNTY an itemized invoice, properly dated, describing any materials and services provided, the cost of the materials and services provided, the name and address of CONTRACTOR, Purchase Order Number, Contract Number, and any other information required by this Agreement.

(d) Submittal instructions for invoices are as follows:

(1) The original invoice must be emailed to:

AP@SeminoleClerk.org

(2) The original invoice may also be mailed or delivered to:

Director of County Comptroller's Office
Seminole County Board of County Commissioners
P.O. Box 8080
Sanford, FL 32772-8080

(3) A copy of the invoice must be sent to:

Seminole County Community Health
520 W. Lake Mary Blvd, Ste. 100
Sanford, FL 32771

(e) Upon review and approval of CONTRACTOR's invoice, COUNTY shall pay CONTRACTOR the approved amount in accordance with the terms as set forth in Chapter 218, Part VII, Florida Statutes.

(f) The COUNTY's performance and obligation to pay under this Agreement is wholly contingent upon the COUNTY's receipt of sufficient appropriations.

Section 7. General Terms of Payment and Billing.

(a) Upon satisfactory delivery of materials and services required under this Agreement and upon acceptance of the materials and services by COUNTY, CONTRACTOR may invoice COUNTY for the full amount of compensation provided for under the terms of this Agreement less any amount already paid by COUNTY.

(b) COUNTY may perform or have performed an audit of the records of CONTRACTOR at any time during the term of this Agreement and after final payment to support final payment under this Agreement. Audits may be performed at a time mutually agreeable to CONTRACTOR and COUNTY. Total compensation to CONTRACTOR may be determined subsequent to an audit as provided for in this Section and the total compensation so determined will be used to calculate final payment to CONTRACTOR. Performance of this audit will not delay final payment as provided by subsection (a) of this Section.

(c) CONTRACTOR shall maintain all books, documents, papers, accounting records, and other evidence pertaining to materials and services provided under this Agreement in such a manner as will readily conform to the terms of this Agreement. CONTRACTOR shall make such materials available at CONTRACTOR's office at all reasonable times during the term of this Agreement and for five (5) years from the date of final payment under the contract for audit or inspection as provided for in subsection (b) of this Section.

(d) In the event any audit or inspection conducted after final payment but within the period provided in paragraph (c) of this Section reveals any overpayment by COUNTY under the terms of the Agreement, CONTRACTOR shall refund such overpayment to COUNTY within thirty (30) days of notice by COUNTY.

Section 8. No Waiver by Forbearance. COUNTY's review of, approval and acceptance of, or payment for the materials or services required under this Agreement does not operate as a waiver of any rights under this Agreement, or of any cause of action arising out of the performance of this Agreement. CONTRACTOR is and will always remain liable to COUNTY in accordance with applicable law for any and all damages to COUNTY caused by CONTRACTOR's negligent or wrongful provision of any of the materials or services provided under this Agreement.

Section 9. Termination.

(a) COUNTY may, by written notice to CONTRACTOR, terminate this Agreement or any Purchase Order issued under this Agreement, in whole or in part, at any time, either for COUNTY's convenience or because of the failure of CONTRACTOR to fulfill its obligations under this Agreement. Upon receipt of such notice, CONTRACTOR shall immediately discontinue all services affected, unless the notice directs otherwise, and deliver to COUNTY all data, drawings, specifications, reports, estimates, summaries, and any and all such other

information and materials of whatever type or nature as may have been accumulated by CONTRACTOR in performing this Agreement, whether completed or in process.

(b) If the termination is for the convenience of COUNTY, CONTRACTOR will be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONTRACTOR to fulfill its obligations under this Agreement, COUNTY may take over the work and carry it to completion by other agreements or otherwise. In such case, CONTRACTOR will be liable to COUNTY for all reasonable additional costs associated with CONTRACTOR's failure to fulfill its obligations under this Agreement.

(d) CONTRACTOR will not be liable for such additional costs if the failure to perform the Agreement arises without any fault or negligence of CONTRACTOR, but CONTRACTOR will be responsible and liable for the actions by its subcontractors, agents, employees, persons, and entities of a similar type or nature. Matters beyond the fault or negligence of CONTRACTOR include acts of God or of the public enemy, acts of COUNTY in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without any fault or negligence of CONTRACTOR.

(e) If after notice of termination for CONTRACTOR's failure to fulfill its obligations under this Agreement it is determined that CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the convenience of COUNTY. In such event, adjustment in the Agreement price will be made as provided in subsection (b) of this Section.

(f) The rights and remedies of COUNTY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Agreement.

Section 10. Conflict with Contract Documents. Wherever the terms of this Agreement conflict with any Purchase Order issued pursuant to it or any other contract documents, including bids or proposals previously submitted by CONTRACTOR, this Agreement will prevail. For the avoidance of doubt, bid/proposals and any other documents submitted by CONTRACTOR are not incorporated into this Agreement, unless expressly stated otherwise.

Section 11. Equal Opportunity Employment. CONTRACTOR shall not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, disability, or national origin. CONTRACTOR shall take steps to ensure that applicants are employed, and employees are treated during employment without regard to race, color, religion, sex, age, disability, or national origin. This provision includes, but is not limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship.

Section 12. No Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person other than a bona fide employee working solely for CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from award or making of this Agreement. For the breach or violation of this provision, COUNTY will have the right to terminate the Agreement at its sole discretion without liability and to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.

Section 13. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 14. Assignment. Neither this Agreement nor any interest in it may be assigned, transferred, or otherwise encumbered under any circumstances by either party without prior written consent of the other party and in such cases only by a document of equal dignity with this Agreement.

Section 15. Subcontractors. CONTRACTOR shall first secure the prior written approval of COUNTY before engaging or contracting for the services of any subcontractors under this Agreement. CONTRACTOR will remain fully responsible to COUNTY for the services of any subcontractors under this Agreement.

Section 16. Indemnification of COUNTY. To the fullest extent permitted by law, CONTRACTOR shall hold harmless, release, and indemnify COUNTY, its commissioners, officers, employees, and agents from any and all claims, losses, damages, costs, attorney fees, and lawsuits for damages arising from, allegedly arising from, or related to CONTRACTOR's provision of materials or services under this Agreement caused by CONTRACTOR's act or omission in the performance of this Agreement. This provision is not to be construed as a waiver by COUNTY of its sovereign immunity, except to the extent waived pursuant to Section 768.28, Florida Statutes, as this statute may be amended from time to time.

Section 17. Insurance.

(a) CONTRACTOR, at its sole expense, shall maintain the insurance required under this Section at all times throughout the duration of this Agreement and have this insurance approved by COUNTY's Risk Manager with the Resource Management Department. CONTRACTOR shall immediately provide written notice to the COUNTY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.

(1) CONTRACTOR shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains insurance of the types and to the limits specified in this Agreement until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by CONTRACTOR will relieve CONTRACTOR of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONTRACTOR in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONTRACTOR.

(4) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then CONTRACTOR shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and CONTRACTOR shall remedy any deficiencies in the policies of insurance within ten (10) days.

(5) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of CONTRACTOR or any other party.

(b) General Requirements.

(1) Before commencing work, CONTRACTOR shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and Exhibit D. **The Certificate must have the Agreement number for this Agreement clearly marked on its face**, and including the following as Certificate Holder:

Seminole County, Florida
Seminole County Services Building
1101 East 1st Street
Sanford, Florida 32771

The Certificate of Insurance must evidence, and all policies must be endorsed to provide the COUNTY with not less than thirty (30) days (10 days for non-payment) written notice prior to the cancellation or non-renewal of coverage directly from the Insurer and without additional action of the Insured or Broker. Until such time as the insurance is no longer required to be maintained, CONTRACTOR shall provide COUNTY with a renewal or replacement Certificate of Insurance within ten (10) days after the expiration or replacement of the insurance for which a previous certificate has been provided.

(2) In addition to providing the Certificate of Insurance, upon request of the COUNTY, CONTRACTOR shall provide COUNTY with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Certified copies of policies may only be provided by the Insurer, not the agent or broker.

(3) Deductible and self-insured retention amounts must be declared to and approved by COUNTY and must be reduced or eliminated upon written request from COUNTY. The risk of loss within the deductible or retention amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by CONTRACTOR.

(4) The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer for all General Liability, Auto Liability, Employers' Liability, and Umbrella Liability coverages.

(5) In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to COUNTY and COUNTY shall apportion the proceeds between COUNTY and CONTRACTOR as their interests may appear.

(6) Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, Business Auto Liability, Pollution Liability, and Cyber Liability policies. Such is only applicable if the aforementioned policies are required per this Agreement or Exhibit D. Such policies shall provide exception to any "Insured versus Insured" exclusion for claims brought by or on behalf of Additional Insureds.

(7) Coverage: The insurance provided by CONTRACTOR pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or COUNTY's officials, officers, or employees must be in excess of and not contributing with the insurance provided by CONTRACTOR.

(8) Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida and its respective officials, officers, and employees. This Waiver of Subrogation requirement does not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the Named Insured enter into such an agreement on a pre-loss basis.

(9) Provision: Commercial General Liability and Umbrella Liability Policies, if required by this Agreement or Exhibit D, must be provided on an occurrence rather than a claims-made basis.

(c) Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements.

(1) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Florida Office of Insurance Regulation to conduct business in the State of Florida, or (b) with respect only to the coverage required by this Agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes, as this statute may be amended from time to time.

(2) In addition, such companies other than those authorized by Section 624.4621, Florida Statutes, as this statute may be amended from time to time, must have and maintain a Best's Rating of "A-" or better and a Financial Size Category of "VII" or better according to A.M. Best Company.

(3) If, during the period which an insurance company is providing the insurance coverage required by this Agreement, an insurance company, (A) loses its Certificate of Authority or Letter of Eligibility, (B) no longer complies with Section 624.4621, Florida Statutes, as this statute may be amended from time to time, or (C) fails to maintain the Best's Rating and Financial Size Category, then CONTRACTOR shall immediately notify COUNTY as soon as CONTRACTOR has knowledge of any such circumstance and, upon request of COUNTY, immediately replace the insurance coverage provided by the insurance company with a different insurance company meeting the requirements of this Agreement. Until such time as

CONTRACTOR has replaced the unacceptable insurer with an insurer acceptable to the COUNTY, CONTRACTOR will be deemed to be in default of this Agreement.

(d) Specifications. Without limiting any of the other obligations or liabilities of CONTRACTOR, CONTRACTOR, at CONTRACTOR's sole expense, shall procure, maintain, and keep in force amounts and types of insurance conforming to the minimum requirements set forth in Exhibit D. Except as otherwise specified in this Agreement, the insurance must become effective prior to the commencement of work by CONTRACTOR and must be maintained in force until final completion or such other time as required by this Agreement. The amounts and types of insurance must conform to the following minimum requirements:

(1) Workers' Compensation/Employers' Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR and its subcontractors of every tier for those sources of liability which would be covered by the latest edition of the standard Workers' Compensation and Employers Liability Policy (NCCI Form WC 00 00 00 A), as filed for use in Florida by the National Council on Compensation Insurance. In addition to coverage for the Florida Workers' Compensation Act, where appropriate, coverage is to be included for the United States Longshoremen and Harbor Workers' Compensation Act, Federal Employers' Liability Act and any other applicable federal or state law.

(B) Subject to the restrictions of coverage found in the standard Workers' Compensation and Employers Liability Policy, there must be no maximum limit on the amount of coverage for liability imposed by the Florida Workers' Compensation Act, and if applicable, the United States Longshoremen's and Harbor Workers' Compensation Act or any other coverage customarily insured under Part One of the standard Workers' Compensation and Employers Liability Policy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(D) If CONTRACTOR asserts an exemption to the provisions of Chapter 440, Florida Statutes, Workers' Compensation, as this statute may be amended from time to time, CONTRACTOR shall provide notification to COUNTY's Risk Manager with the Resource Management Department and shall complete the COUNTY's Workers' Compensation Waiver Request. Approval of exemption is subject to COUNTY's sole discretion. If approved, the named individuals listed in COUNTY'S approved exemption will be the only individuals authorized to perform work under this Agreement.

(E) Any vendor or contractor, including CONTRACTOR, using an employee leasing company must complete the COUNTY'S Leased Employee Affidavit.

(2) Commercial General Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by the latest edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01), as filed for use in the State of Florida by the Insurance Services Office, or equivalent acceptable to COUNTY. Such coverage must not contain any endorsements excluding or limiting Products/Completed Operations, Contractual Liability, or Separation of Insureds. If CONTRACTOR's work, or work under its direction, control, or sub-contract, requires blasting, explosive conditions, or underground operations, the comprehensive general liability coverage shall contain no exclusion relative to blasting, explosion, collapse of structures, or damage to underground property.

(B) ISO Endorsement CG 20 10 or CG 20 26 and CG 20 37 or their equivalent must be used to provide such Additional Insured status.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(3) Business Auto Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by Section II of the latest edition of the standard Business Auto Policy (ISO Form CA 00 01), as filed for use in the State of Florida by the Insurance Services Office. Coverage must include owned, non-owned, and hired autos or any auto. In the event CONTRACTOR does not own automobiles, CONTRACTOR shall maintain coverage for hired and non-owned auto liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy. If the contract involves operations governed by Sections 29 or 30 of the Motor Carrier Act of 1980, endorsement MCS-90 is required.

(B) If CONTRACTOR'S operations involve pollutants as defined in the ISO Form CA 00 01, Form CA9948, Pollution Liability – Broadened Coverage for Covered Autos, is required.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(4) Pollution Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for all of the following:

1. Bodily injury, sickness, disease, mental anguish, or shock sustained by any person, including death.

2. Property damage including physical injury to or destruction of tangible property including the resulting loss of use of such property, cleanup costs, and the loss of use of tangible property that has not been physically injured or destroyed.

3. Defense costs including costs, charges, and expenses incurred in the investigation, adjustment, or defense of claims for such compensatory damages.

(B) If CONTRACTOR is operating a hazardous or non-hazardous treatment, storage, or disposal facility, coverage for losses that arise from the insured facility that is accepting the waste.

(C) Coverage must apply to sudden and non-sudden pollution conditions including the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste materials or other irritants, contaminants or pollutants into or upon land, the atmosphere or any watercourse or body of water, which results in Bodily Injury or Property Damage.

(D) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(5) Cyber Liability Insurance and Technology Errors and Omissions Insurance.

(A) Cyber Liability and Technology Errors and Omissions Insurance must include liability related to: multimedia liability, including cloud computing and mobile devices; protection of private or confidential information, whether electronic or non-electronic; network security and privacy; system attacks, digital asset loss, denial or loss of service; introduction, implantation, or spread of malicious software code; security breach; unauthorized access and use; disclosure of COUNTY data, whether by CONTRACTOR or any subcontractor or cloud service provider used by CONTRACTOR; regulatory action expenses; breach response costs including, but not limited to, notification of affected individuals, customer support, forensics, crisis

management consulting, public relations consulting, legal services, and credit monitoring expenses and identity fraud resolution services; and the rendering of or failure to render technology products and services, if the contract involves the provision of cyber technology services or products. Coverage must be maintained in effect during the period of the Agreement and for no less than two (2) years after termination or completion of the Agreement, if written on a "claims-made" basis.

(B) Cyber Liability and Technology Errors and Omissions Insurance must cover CONTRACTOR, its employees, subcontractors and agents for expenses, claims and losses resulting from wrongful acts committed in the performance of, or failure to perform, all services under this Agreement, including, without limitation, claims, demands, and any other payments related to electronic or physical security, breaches of confidentiality, and invasion of or breaches of privacy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(6) Professional Liability Insurance.

(A) CONTRACTOR shall maintain an Errors & Omissions Liability policy providing professional liability coverage for any damages caused by wrongful acts, errors, or omissions.

(i) In the event that the professional liability insurance required by this contract is written on a claims-made basis, CONTRACTOR warrants that any retroactive date under the policy will precede the effective date of this Agreement and that either continuous coverage will be maintained, or an extended discovery period will be exercised for a period of three (3) years beginning at the time work under this contract is completed.

(ii) If CONTRACTOR contends that any of the insurance it maintains pursuant to other sections of this clause satisfies this requirement (or otherwise insures the

risks described in this section), then CONTRACTOR shall provide proof of such satisfactory coverage, subject to approval of COUNTY.

(B) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(e) The maintenance of the insurance coverage set forth in this Section may not be construed to limit or have the effect of limiting CONTRACTOR's liability under the provisions of Section 16 concerning indemnification or any other provision of this Agreement.

Section 18. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for contract claims related to this Agreement, other than for proper invoice and payment disputes, are set forth in Section 220.11, "Contract Claims," Seminole County Code of Ordinances.

(b) In any lawsuit or legal proceeding arising under this Agreement, CONTRACTOR hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which CONTRACTOR had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve

disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

Section 19. Representatives of COUNTY and CONTRACTOR.

(a) It is recognized that questions in the day-to-day conduct of performance pursuant to this Agreement may arise. Upon request by CONTRACTOR, COUNTY shall designate and advise CONTRACTOR in writing of one or more of its employees to whom to address all communications pertaining to the day-to-day conduct of this Agreement. The designated representative will have the authority to transmit instructions, receive information, and interpret and define COUNTY's policy and decisions pertinent to the work covered by this Agreement.

(b) At all times during the normal work week, CONTRACTOR shall designate or appoint one or more representatives who are authorized to act on behalf of CONTRACTOR and bind CONTRACTOR regarding all matters involving the conduct of the performance pursuant to this Agreement, and who will keep COUNTY continually and effectively advised of such designation.

Section 20. All Prior Agreements Superseded. This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained in this Agreement and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained or referred to in this document. Accordingly, it is agreed that no deviation from the terms of this Agreement may be predicated upon any prior representations or agreements, whether oral or written.

Section 21. Modifications, Amendments, or Alterations. No modification, amendment, or alteration in the terms or conditions contained in this Agreement will be effective unless

contained in a written amendment executed with the same formality and of equal dignity with this Agreement.

Section 22. Independent Contractor. Nothing in this Agreement is intended or may be construed as in any manner creating or establishing a relationship of co-partners between the parties, or as constituting CONTRACTOR (including its officers, employees, and agents) as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 23. Employee Status. Persons employed by CONTRACTOR in the performance of services and functions pursuant to this Agreement have no claim to pension, workers' compensation, unemployment compensation, civil service, or other employee rights or privileges granted to COUNTY's officers and employees, either by operation of law or by COUNTY.

Section 24. Services Not Provided For. No claim for services provided by CONTRACTOR not specifically provided for in this Agreement will be honored by COUNTY.

Section 25. Public Records Law.

(a) CONTRACTOR acknowledges COUNTY's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. CONTRACTOR acknowledges that COUNTY is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. Upon COUNTY's request, CONTRACTOR shall provide COUNTY with all requested public records in CONTRACTOR's possession or shall allow COUNTY to inspect or copy the requested records within a reasonable time and at a cost that does not exceed costs as provided under Chapter 119, Florida Statutes.

(b) CONTRACTOR specifically acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall perform the following:

(1) CONTRACTOR shall keep and maintain public records that ordinarily and necessarily would be required by COUNTY in order to perform the services required under this Agreement,

(2) CONTRACTOR shall provide COUNTY with access to public records on the same terms and conditions that COUNTY would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(3) CONTRACTOR shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law.

(c) Upon termination of this Agreement, CONTRACTOR shall transfer, at no cost to COUNTY, all public records in possession of CONTRACTOR, or keep and maintain public records required by COUNTY under this Agreement. If CONTRACTOR transfers all public records to COUNTY upon completion of this Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains the public records upon completion of this Agreement, CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to COUNTY, upon request of COUNTY, in a format that is compatible with the information technology systems of COUNTY.

(d) Failure to comply with this Section will be deemed a material breach of this Agreement for which COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR. CONTRACTOR may also be subject to statutory penalties as set forth in Section 119.10, Florida Statutes.

(e) **IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR's DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTRACTOR MAY CONTACT THE CUSTODIAN OF PUBLIC RECORDS, THE SEMINOLE COUNTY PUBLIC RECORDS COORDINATOR, AT 407-665-7410, PUBLICRECORDS@SEMINOLECOUNTYFL.GOV, 1101 E. Section 27. Compliance with Laws and Regulations. In providing all services pursuant to this Agreement, CONTRACTOR shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provision of such services, including those now in effect and subsequently adopted. Any violation of these statutes, ordinances, rules, or regulations will constitute a material breach of this Agreement and will entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to CONTRACTOR.

Section 28. Patents and Royalties. Unless otherwise provided, CONTRACTOR is solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONTRACTOR, without exception, shall indemnify and save harmless COUNTY and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article

manufactured or supplied by CONTRACTOR. In the event of any claim against COUNTY of copyright or patent infringement, COUNTY shall promptly provide written notification to CONTRACTOR. If such a claim is made, CONTRACTOR shall use its best efforts to promptly purchase for COUNTY the legitimate version of any infringing products or services or procure a license from the patent or copyright holder at no cost to COUNTY that will allow continued use of the service or product. If none of these alternatives are reasonably available, COUNTY shall return the article on request to CONTRACTOR and receive reimbursement, if any, as may be determined by a court of competent jurisdiction.

1. Acceptance/Entire Agreement. This Purchase Order ("PO") is entered into between Seminole County, Florida ("County") and the Supplier referenced herein (individually, referred to as "Party," and collectively, "Parties"). By accepting this PO, Supplier accepts all Terms and Conditions contained herein. This PO, including specifications and drawings, if any, and referenced documents, such as solicitations and responses constitutes the entire agreement between the Parties. Whenever terms and conditions of Main Agreement, if any, conflict with any PO issued pursuant to Main Agreement, Main Agreement will control.

2. Inspection. Notwithstanding any prior payment or inspection, all goods/services are subject to inspection/rejection by County at any time, including during manufacture, construction or preparation. To the extent a PO requires a series of performances by Supplier, County reserves right to cancel remainder of PO if goods/services provided during the term of PO are non-conforming or otherwise rejected. Without limiting any rights County may have, County, at its sole option, may require Supplier, at Supplier's expense to: (a) promptly repair or replace any or all rejected goods, or to cure or re-perform any or all rejected services; or (b) refund price of any or all rejected goods or services. All rejected goods will be held for Supplier's prompt inspection at Supplier's risk. Nothing contained in PO will relieve Supplier's obligation of testing, inspection and quality control.

3. Packing & Shipping. Unless otherwise specified, all goods must be packed, packaged, marked and prepared for shipment in a manner that is: (a) in accordance with good commercial practice; (b) acceptable to common carriers for shipment at the lowest rate for the particular good; (c) in accordance with local, state, and federal regulations; and (d) protected against weather. Supplier must mark all containers with necessary lifting, handling, shipping information, PO number, date of shipment and the name of the consignee and consignor. An itemized packing sheet must accompany each shipment.

4. Delivery; Risk of Loss. All goods are FOB destination, and risk of loss will remain with Supplier until delivery by Supplier and acceptance by County. Goods delivered by Supplier that are damaged, defective, or otherwise fail to conform to PO may be rejected by County or held by County at Supplier's risk and expense. County may charge Supplier for cost(s) to inspect, unpack, repack, store and re-ship rejected goods.

5. Delivery of Excess Quantities. If Supplier delivers excess quantities of goods without prior written authorization from County, excess quantities of goods may be returned to Supplier at Supplier's expense.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County's particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. Supplier shall notify County, in writing, of any cancellation, material change, or alteration to Supplier's Certificate of Insurance.

10. Modifications. PO may be modified or rescinded in writing by County.

11. Material Safety Data Sheets. At time of delivery, Supplier agrees to provide County with a current Material Safety Data Sheet for any hazardous chemicals or toxic substances, as required by law.

12. Pricing. Supplier agrees that pricing included on PO shall remain firm through and until delivery of goods and/or completion of services, unless otherwise agreed to by the Parties in writing.

13. Invoicing & Payment. After delivery of goods/services by Supplier and acceptance by the County, the Supplier must electronically submit an original invoice via email to AP@seminoleclerk.org or may mail the invoice, if electronic invoice is not available, to: Seminole County Clerk of the Circuit Court and Comptroller, P.O. Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include the County's Purchase Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218. 70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. In the event of termination, County will be liable only for materials procured, work completed or services rendered or supplies partially fabricated, within the authorization of PO. In no event will County be liable for incidental or consequential damages by reason of such termination.

16. Equal Opportunity Employer. County is an Equal Employment Opportunity ("EEO") employer, and as such, requires all Suppliers to comply with EEO regulations with regards to race, color, religion, sex, national origin, age, disability or genetic information, as may be applicable to Supplier. Any subcontracts entered into, as authorized by County, must make reference to this clause with the same degree of application being encouraged.

17. Assignment. Supplier may not assign, transfer, or subcontract PO or any right or obligation under it without County's written consent. Any purported assignment, transfer, or subcontract will be null and void.

18. Venue & Applicable Law. The laws of the State of Florida govern validity, enforcement, and interpretation of PO. The sole jurisdiction and venue for any legal action in connection with PO will be in the courts of Seminole County, Florida.

19. Fiscal Non-Funding. In the event sufficient budgeted funds are not available for payment to Supplier for a new fiscal period, County shall notify Supplier of such occurrence and PO will terminate on the last day of the current fiscal period without penalty or expense to County.

20. Public Records. Supplier acknowledges that PO and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Supplier shall maintain all public records and, upon request, provide a copy of requested records or allow records to be inspected within a reasonable time. Supplier shall also ensure that any public records that are exempt or confidential from disclosure are not disclosed except as authorized by law. In event Supplier fails to abide by provisions of Chapter 119, Florida Statutes, County may, without prejudice to any other right or remedy and after giving Supplier seven (7) days written notice, during which period Supplier still fails to allow access to such documents, terminate PO. **IF SUPPLIER HAS QUESTIONS REGARDING APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO SUPPLIER' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO PO, CONTACT CUSTODIAN OF PUBLIC RECORDS AT: 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. 21. Right to Audit Records. County will be entitled to audit the books and records of Supplier to the extent that the books and records relate to this PO. Supplier must maintain books and records relating to this PO for a period of three (3) years from the date of final payment under the PO, unless the County authorizes otherwise in writing.

22. Severability. If any section, sentence, clause, phrase or portion of PO are, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion will be deemed separate, distinct, and independent and such holding will not affect validity of remaining portion of PO.

23. Headings & Captions. All headings and captions contained in PO are provided for convenience only, do not constitute a part of PO, and may not be used to define, describe, interpret or construe any provision of PO.

W I T N E S S E T H:

WHEREAS, COUNTY desires to retain the services of a competent and qualified contractor to provide indigent burial and cremation services for Seminole County; and

WHEREAS, COUNTY has requested and received expressions of interest for the retention of services of contractors; and

WHEREAS, CONTRACTOR is competent and qualified to provide materials and services to COUNTY, and desires to provide materials and services according to the terms and conditions stated in this Agreement,

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth in this Agreement, COUNTY and CONTRACTOR agree as follows:

Section 1. Materials and/or Services. COUNTY hereby retains CONTRACTOR to provide materials and services as further described in the Scope of Services attached as Exhibit A and made a part of this Agreement. CONTRACTOR is also bound by all requirements as contained in the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. Required materials and services will be specifically enumerated,

described, and depicted in the Purchase Orders authorizing purchase of specific materials and services. This Agreement standing alone does not authorize the purchase. materials and services or require COUNTY to place any orders for work.

Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and shall continue for the duration of the County's indigent burial and cremation services program. Either party may terminate this Agreement at any time and for any reason upon providing ninety (90) days' written notice to the other party. Expiration or termination of this Agreement will have no effect upon Purchase Orders issued pursuant to this Agreement and the effective date of such expiration or termination. Obligations entered by both parties under such Purchase Orders will remain in effect until delivery and acceptance of the services authorized by the respective Purchase Order. The first three (3) months of this Agreement are considered probationary. During the probationary period, COUNTY may immediately terminate this Agreement at any time, with or without cause, upon written notice to CONTRACTOR.

Section 3. Authorization for Materials and/or Services. Authorization for provision of materials and services by CONTRACTOR under this Agreement must be in the form of written Purchase Orders issued and executed by COUNTY. A sample Purchase Order is attached as Exhibit B. Each Purchase Order will describe the materials and services required, state the dates for delivery of materials and services, and establish the amount and method of payment. The Purchase Orders must be issued under and incorporate the terms of this Agreement. COUNTY makes no covenant or promise as to the number of available Purchase Orders or that CONTRACTOR will perform any Purchase Order for COUNTY during the life of this Agreement. COUNTY reserves the right to contract with other parties for the services contemplated by this Agreement when it is determined by COUNTY to be in the best interest of COUNTY to do so.

Section 4. Time for Completion. The materials and services to be provided by CONTRACTOR will be delivered, as specified in such Purchase Orders as may be issued under this Agreement, within the time specified in the Purchase Order.

Section 5. Compensation. COUNTY shall compensate CONTRACTOR for the materials and services provided for under this Agreement on a Fixed Fee basis at the rates as outlined in Exhibit C. When a Purchase Order is issued on a Fixed Fee basis, then the applicable Purchase Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Purchase Orders.

Section 6. Payment and Billing.

(a) CONTRACTOR shall supply all materials and services required by the Purchase Order, but in no event will CONTRACTOR be paid more than the negotiated Fixed Fee amount stated within each Purchase Order.

(b) For Purchase Orders issued on a Fixed Fee basis, CONTRACTOR may invoice the amount due based on the percentage of total Purchase Order materials and services actually provided, but in no event may the invoice amount exceed a percentage of the Fixed Fee amount equal to a percentage of the total services actually completed.

(c) COUNTY shall make payments to CONTRACTOR when requested as materials and services are provided, but not more than once monthly. Each Purchase Order will be invoiced separately. At the close of each calendar month, CONTRACTOR shall render to COUNTY an itemized invoice, properly dated, describing any materials and services provided, the cost of the materials and services provided, the name and address of CONTRACTOR, Purchase Order Number, Contract Number, and any other information required by this Agreement.

(d) Submittal instructions for invoices are as follows:

(1) The original invoice must be emailed to:

AP@SeminoleClerk.org

(2) The original invoice may also be mailed or delivered to:

Director of County Comptroller's Office
Seminole County Board of County Commissioners
P.O. Box 8080
Sanford, FL 32772-8080

(3) A copy of the invoice must be sent to:

Seminole County Community Health
520 W. Lake Mary Blvd, Ste. 100
Sanford, FL 32771

(e) Upon review and approval of CONTRACTOR's invoice, COUNTY shall pay CONTRACTOR the approved amount in accordance with the terms as set forth in Chapter 218, Part VII, Florida Statutes.

(f) The COUNTY's performance and obligation to pay under this Agreement is wholly contingent upon the COUNTY's receipt of sufficient appropriations.

Section 7. General Terms of Payment and Billing.

(a) Upon satisfactory delivery of materials and services required under this Agreement and upon acceptance of the materials and services by COUNTY, CONTRACTOR may invoice COUNTY for the full amount of compensation provided for under the terms of this Agreement less any amount already paid by COUNTY.

(b) COUNTY may perform or have performed an audit of the records of CONTRACTOR at any time during the term of this Agreement and after final payment to support final payment under this Agreement. Audits may be performed at a time mutually agreeable to CONTRACTOR and COUNTY. Total compensation to CONTRACTOR may be determined subsequent to an audit as provided for in this Section and the total compensation so determined will be used to calculate final payment to CONTRACTOR. Performance of this audit will not delay final payment as provided by subsection (a) of this Section.

(c) CONTRACTOR shall maintain all books, documents, papers, accounting records, and other evidence pertaining to materials and services provided under this Agreement in such a manner as will readily conform to the terms of this Agreement. CONTRACTOR shall make such materials available at CONTRACTOR's office at all reasonable times during the term of this Agreement and for five (5) years from the date of final payment under the contract for audit or inspection as provided for in subsection (b) of this Section.

(d) In the event any audit or inspection conducted after final payment but within the period provided in paragraph (c) of this Section reveals any overpayment by COUNTY under the terms of the Agreement, CONTRACTOR shall refund such overpayment to COUNTY within thirty (30) days of notice by COUNTY.

Section 8. No Waiver by Forbearance. COUNTY's review of, approval and acceptance of, or payment for the materials or services required under this Agreement does not operate as a waiver of any rights under this Agreement, or of any cause of action arising out of the performance of this Agreement. CONTRACTOR is and will always remain liable to COUNTY in accordance with applicable law for any and all damages to COUNTY caused by CONTRACTOR's negligent or wrongful provision of any of the materials or services provided under this Agreement.

Section 9. Termination.

(a) COUNTY may, by written notice to CONTRACTOR, terminate this Agreement or any Purchase Order issued under this Agreement, in whole or in part, at any time, either for COUNTY's convenience or because of the failure of CONTRACTOR to fulfill its obligations under this Agreement. Upon receipt of such notice, CONTRACTOR shall immediately discontinue all services affected, unless the notice directs otherwise, and deliver to COUNTY all data, drawings, specifications, reports, estimates, summaries, and any and all such other

information and materials of whatever type or nature as may have been accumulated by CONTRACTOR in performing this Agreement, whether completed or in process.

(b) If the termination is for the convenience of COUNTY, CONTRACTOR will be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONTRACTOR to fulfill its obligations under this Agreement, COUNTY may take over the work and carry it to completion by other agreements or otherwise. In such case, CONTRACTOR will be liable to COUNTY for all reasonable additional costs associated with CONTRACTOR's failure to fulfill its obligations under this Agreement.

(d) CONTRACTOR will not be liable for such additional costs if the failure to perform the Agreement arises without any fault or negligence of CONTRACTOR, but CONTRACTOR will be responsible and liable for the actions by its subcontractors, agents, employees, persons, and entities of a similar type or nature. Matters beyond the fault or negligence of CONTRACTOR include acts of God or of the public enemy, acts of COUNTY in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without any fault or negligence of CONTRACTOR.

(e) If after notice of termination for CONTRACTOR's failure to fulfill its obligations under this Agreement it is determined that CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the convenience of COUNTY. In such event, adjustment in the Agreement price will be made as provided in subsection (b) of this Section.

(f) The rights and remedies of COUNTY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Agreement.

Section 10. Conflict with Contract Documents. Wherever the terms of this Agreement conflict with any Purchase Order issued pursuant to it or any other contract documents, including bids or proposals previously submitted by CONTRACTOR, this Agreement will prevail. For the avoidance of doubt, bid/proposals and any other documents submitted by CONTRACTOR are not incorporated into this Agreement, unless expressly stated otherwise.

Section 11. Equal Opportunity Employment. CONTRACTOR shall not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, disability, or national origin. CONTRACTOR shall take steps to ensure that applicants are employed, and employees are treated during employment without regard to race, color, religion, sex, age, disability, or national origin. This provision includes, but is not limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship.

Section 12. No Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person other than a bona fide employee working solely for CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from award or making of this Agreement. For the breach or violation of this provision, COUNTY will have the right to terminate the Agreement at its sole discretion without liability and to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.

Section 13. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 14. Assignment. Neither this Agreement nor any interest in it may be assigned, transferred, or otherwise encumbered under any circumstances by either party without prior written consent of the other party and in such cases only by a document of equal dignity with this Agreement.

Section 15. Subcontractors. CONTRACTOR shall first secure the prior written approval of COUNTY before engaging or contracting for the services of any subcontractors under this Agreement. CONTRACTOR will remain fully responsible to COUNTY for the services of any subcontractors under this Agreement.

Section 16. Indemnification of COUNTY. To the fullest extent permitted by law, CONTRACTOR shall hold harmless, release, and indemnify COUNTY, its commissioners, officers, employees, and agents from any and all claims, losses, damages, costs, attorney fees, and lawsuits for damages arising from, allegedly arising from, or related to CONTRACTOR's provision of materials or services under this Agreement caused by CONTRACTOR's act or omission in the performance of this Agreement. This provision is not to be construed as a waiver by COUNTY of its sovereign immunity, except to the extent waived pursuant to Section 768.28, Florida Statutes, as this statute may be amended from time to time.

Section 17. Insurance.

(a) CONTRACTOR, at its sole expense, shall maintain the insurance required under this Section at all times throughout the duration of this Agreement and have this insurance approved by COUNTY's Risk Manager with the Resource Management Department. CONTRACTOR shall immediately provide written notice to the COUNTY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.

(1) CONTRACTOR shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains insurance of the types and to the limits specified in this Agreement until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by CONTRACTOR will relieve CONTRACTOR of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONTRACTOR in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONTRACTOR.

(4) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then CONTRACTOR shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and CONTRACTOR shall remedy any deficiencies in the policies of insurance within ten (10) days.

(5) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of CONTRACTOR or any other party.

(b) General Requirements.

(1) Before commencing work, CONTRACTOR shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and Exhibit D. **The Certificate must have the Agreement number for this Agreement clearly marked on its face**, and including the following as Certificate Holder:

Seminole County, Florida
Seminole County Services Building
1101 East 1st Street
Sanford, Florida 32771

The Certificate of Insurance must evidence, and all policies must be endorsed to provide the COUNTY with not less than thirty (30) days (10 days for non-payment) written notice prior to the cancellation or non-renewal of coverage directly from the Insurer and without additional action of the Insured or Broker. Until such time as the insurance is no longer required to be maintained, CONTRACTOR shall provide COUNTY with a renewal or replacement Certificate of Insurance within ten (10) days after the expiration or replacement of the insurance for which a previous certificate has been provided.

(2) In addition to providing the Certificate of Insurance, upon request of the COUNTY, CONTRACTOR shall provide COUNTY with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Certified copies of policies may only be provided by the Insurer, not the agent or broker.

(3) Deductible and self-insured retention amounts must be declared to and approved by COUNTY and must be reduced or eliminated upon written request from COUNTY. The risk of loss within the deductible or retention amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by CONTRACTOR.

(4) The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer for all General Liability, Auto Liability, Employers' Liability, and Umbrella Liability coverages.

(5) In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to COUNTY and COUNTY shall apportion the proceeds between COUNTY and CONTRACTOR as their interests may appear.

(6) Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, Business Auto Liability, Pollution Liability, and Cyber Liability policies. Such is only applicable if the aforementioned policies are required per this Agreement or Exhibit D. Such policies shall provide exception to any "Insured versus Insured" exclusion for claims brought by or on behalf of Additional Insureds.

(7) Coverage: The insurance provided by CONTRACTOR pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or COUNTY's officials, officers, or employees must be in excess of and not contributing with the insurance provided by CONTRACTOR.

(8) Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida and its respective officials, officers, and employees. This Waiver of Subrogation requirement does not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the Named Insured enter into such an agreement on a pre-loss basis.

(9) Provision: Commercial General Liability and Umbrella Liability Policies, if required by this Agreement or Exhibit D, must be provided on an occurrence rather than a claims-made basis.

(c) Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements.

(1) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Florida Office of Insurance Regulation to conduct business in the State of Florida, or (b) with respect only to the coverage required by this Agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes, as this statute may be amended from time to time.

(2) In addition, such companies other than those authorized by Section 624.4621, Florida Statutes, as this statute may be amended from time to time, must have and maintain a Best's Rating of "A-" or better and a Financial Size Category of "VII" or better according to A.M. Best Company.

(3) If, during the period which an insurance company is providing the insurance coverage required by this Agreement, an insurance company, (A) loses its Certificate of Authority or Letter of Eligibility, (B) no longer complies with Section 624.4621, Florida Statutes, as this statute may be amended from time to time, or (C) fails to maintain the Best's Rating and Financial Size Category, then CONTRACTOR shall immediately notify COUNTY as soon as CONTRACTOR has knowledge of any such circumstance and, upon request of COUNTY, immediately replace the insurance coverage provided by the insurance company with a different insurance company meeting the requirements of this Agreement. Until such time as

CONTRACTOR has replaced the unacceptable insurer with an insurer acceptable to the COUNTY, CONTRACTOR will be deemed to be in default of this Agreement.

(d) Specifications. Without limiting any of the other obligations or liabilities of CONTRACTOR, CONTRACTOR, at CONTRACTOR's sole expense, shall procure, maintain, and keep in force amounts and types of insurance conforming to the minimum requirements set forth in Exhibit D. Except as otherwise specified in this Agreement, the insurance must become effective prior to the commencement of work by CONTRACTOR and must be maintained in force until final completion or such other time as required by this Agreement. In addition to coverage for the Florida Workers' Compensation Act, where appropriate, coverage is to be included for the United States Longshoremen and Harbor Workers' Compensation Act, Federal Employers' Liability Act and any other applicable federal or state law.

(B) Subject to the restrictions of coverage found in the standard Workers' Compensation and Employers Liability Policy, there must be no maximum limit on the amount of coverage for liability imposed by the Florida Workers' Compensation Act, and if applicable, the United States Longshoremen's and Harbor Workers' Compensation Act or any other coverage customarily insured under Part One of the standard Workers' Compensation and Employers Liability Policy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

Approval of exemption is subject to COUNTY's sole discretion. If approved, the named individuals listed in COUNTY'S approved exemption will be the only individuals authorized to perform work under this Agreement.

(E) Any vendor or contractor, including CONTRACTOR, using an employee leasing company must complete the COUNTY'S Leased Employee Affidavit.

(2) Commercial General Liability.

Such coverage must not contain any endorsements excluding or limiting Products/Completed Operations, Contractual Liability, or Separation of Insureds. If CONTRACTOR's work, or work under its direction, control, or sub-contract, requires blasting, explosive conditions, or underground operations, the comprehensive general liability coverage shall contain no exclusion relative to blasting, explosion, collapse of structures, or damage to underground property.

(B) ISO Endorsement CG 20 10 or CG 20 26 and CG 20 37 or their equivalent must be used to provide such Additional Insured status.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

Coverage must include owned, non-owned, and hired autos or any auto. In the event CONTRACTOR does not own automobiles, CONTRACTOR shall maintain coverage for hired and non-owned auto liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy. If the contract involves operations governed by Sections 29 or 30 of the Motor Carrier Act of 1980, endorsement MCS-90 is required.

(B) If CONTRACTOR'S operations involve pollutants as defined in the ISO Form CA 00 01, Form CA9948, Pollution Liability – Broadened Coverage for Covered Autos, is required.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

management consulting, public relations consulting, legal services, and credit monitoring expenses and identity fraud resolution services; and the rendering of or failure to render technology products and services, if the contract involves the provision of cyber technology services or products. Coverage must be maintained in effect during the period of the Agreement and for no less than two (2) years after termination or completion of the Agreement, if written on a "claims-made" basis.

(B) Cyber Liability and Technology Errors and Omissions Insurance must cover CONTRACTOR, its employees, subcontractors and agents for expenses, claims and losses resulting from wrongful acts committed in the performance of, or failure to perform, all services under this Agreement, including, without limitation, claims, demands, and any other payments related to electronic or physical security, breaches of confidentiality, and invasion of or breaches of privacy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(6) Professional Liability Insurance.

(A) CONTRACTOR shall maintain an Errors & Omissions Liability policy providing professional liability coverage for any damages caused by wrongful acts, errors, or omissions.

(i) In the event that the professional liability insurance required by this contract is written on a claims-made basis, CONTRACTOR warrants that any retroactive date under the policy will precede the effective date of this Agreement and that either continuous coverage will be maintained, or an extended discovery period will be exercised for a period of three (3) years beginning at the time work under this contract is completed.

(ii) If CONTRACTOR contends that any of the insurance it maintains pursuant to other sections of this clause satisfies this requirement (or otherwise insures the

risks described in this section), then CONTRACTOR shall provide proof of such satisfactory coverage, subject to approval of COUNTY.

(B) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(e) The maintenance of the insurance coverage set forth in this Section may not be construed to limit or have the effect of limiting CONTRACTOR's liability under the provisions of Section 16 concerning indemnification or any other provision of this Agreement.

Section 18. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for contract claims related to this Agreement, other than for proper invoice and payment disputes, are set forth in Section 220.11, "Contract Claims," Seminole County Code of Ordinances.

(b) In any lawsuit or legal proceeding arising under this Agreement, CONTRACTOR hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which CONTRACTOR had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve

disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

Section 19. Representatives of COUNTY and CONTRACTOR.

(a) It is recognized that questions in the day-to-day conduct of performance pursuant to this Agreement may arise. Upon request by CONTRACTOR, COUNTY shall designate and advise CONTRACTOR in writing of one or more of its employees to whom to address all communications pertaining to the day-to-day conduct of this Agreement. contained in a written amendment executed with the same formality and of equal dignity with this Agreement.

Section 22. Independent Contractor. Nothing in this Agreement is intended or may be construed as in any manner creating or establishing a relationship of co-partners between the parties, or as constituting CONTRACTOR (including its officers, employees, and agents) as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 23. Employee Status. Persons employed by CONTRACTOR in the performance of services and functions pursuant to this Agreement have no claim to pension, workers' compensation, unemployment compensation, civil service, or other employee rights or privileges granted to COUNTY's officers and employees, either by operation of law or by COUNTY.

Section 24. Services Not Provided For. No claim for services provided by CONTRACTOR not specifically provided for in this Agreement will be honored by COUNTY.

Section 25. Public Records Law.

(a) CONTRACTOR acknowledges COUNTY's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. CONTRACTOR acknowledges that COUNTY is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. (b) CONTRACTOR specifically acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall perform the following:

(1) CONTRACTOR shall keep and maintain public records that ordinarily and necessarily would be required by COUNTY in order to perform the services required under this Agreement,

If CONTRACTOR transfers all public records to COUNTY upon completion of this Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains the public records upon completion of this Agreement, CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to COUNTY, upon request of COUNTY, in a format that is compatible with the information technology systems of COUNTY.

(d) Failure to comply with this Section will be deemed a material breach of this Agreement for which COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR. CONTRACTOR may also be subject to statutory penalties as set forth in Section 119.10, Florida Statutes.

In providing all services pursuant to this Agreement, CONTRACTOR shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provision of such services, including those now in effect and subsequently adopted. Any violation of these statutes, ordinances, rules, or regulations will constitute a material breach of this Agreement and will entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to CONTRACTOR.

Section 28. Patents and Royalties. Unless otherwise provided, CONTRACTOR is solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONTRACTOR, without exception, shall indemnify and save harmless COUNTY and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article

manufactured or supplied by CONTRACTOR. In the event of any claim against COUNTY of copyright or patent infringement, COUNTY shall promptly provide written notification to CONTRACTOR. If such a claim is made, CONTRACTOR shall use its best efforts to promptly purchase for COUNTY the legitimate version of any infringing products or services or procure a license from the patent or copyright holder at no cost to COUNTY that will allow continued use of the service or product. Terms and Conditions

1. Acceptance/Entire Agreement. This Purchase Order ("PO") is entered into between Seminole County, Florida ("County") and the Supplier referenced herein (individually, referred to as "Party," and collectively, "Parties"). By accepting this PO, Supplier accepts all Terms and Conditions contained herein. This PO, including specifications and drawings, if any, and referenced documents, such as solicitations and responses constitutes the entire agreement between the Parties. Whenever terms and conditions of Main Agreement, if any, conflict with any PO issued pursuant to Main Agreement, Main Agreement will control.

2. Inspection. Notwithstanding any prior payment or inspection, all goods/services are subject to inspection/rejection by County at any time, including during manufacture, construction or preparation. To the extent a PO requires a series of performances by Supplier, County reserves right to cancel remainder of PO if goods/services provided during the term of PO are non-conforming or otherwise rejected. Without limiting any rights County may have, County, at its sole option, may require Supplier, at Supplier's expense to: (a) promptly repair or replace any or all rejected goods, or to cure or re-perform any or all rejected services; or (b) refund price of any or all rejected goods or services. All rejected goods will be held for Supplier's prompt inspection at Supplier's risk. Nothing contained in PO will relieve Supplier's obligation of testing, inspection and quality control.

3. Packing & Shipping. Unless otherwise specified, all goods must be packed, packaged, marked and prepared for shipment in a manner that is: (a) in accordance with good commercial practice; (b) acceptable to common carriers for shipment at the lowest rate for the particular good; (c) in accordance with local, state, and federal regulations; and (d) protected against weather. Supplier must mark all containers with necessary lifting, handling, shipping information, PO number, date of shipment and the name of the consignee and consignor. An itemized packing sheet must accompany each shipment.

4. Delivery; Risk of Loss. All goods are FOB destination, and risk of loss will remain with Supplier until delivery by Supplier and acceptance by County. Goods delivered by Supplier that are damaged, defective, or otherwise fail to conform to PO may be rejected by County or held by County at Supplier's risk and expense. County may charge Supplier for cost(s) to inspect, unpack, repack, store and re-ship rejected goods.

5. Delivery of Excess Quantities. If Supplier delivers excess quantities of goods without prior written authorization from County, excess quantities of goods may be returned to Supplier at Supplier's expense.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County's particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. Supplier shall notify County, in writing, of any cancellation, material change, or alteration to Supplier's Certificate of Insurance.

10. Modifications. PO may be modified or rescinded in writing by County.

11. Material Safety Data Sheets. At time of delivery, Supplier agrees to provide County with a current Material Safety Data Sheet for any hazardous chemicals or toxic substances, as required by law.

12. Pricing. Supplier agrees that pricing included on PO shall remain firm through and until delivery of goods and/or completion of services, unless otherwise agreed to by the Parties in writing.

13. Invoicing & Payment. After delivery of goods/services by Supplier and acceptance by the County, the Supplier must electronically submit an original invoice via email to AP@seminoleclerk.org or may mail the invoice, if electronic invoice is not available, to: Seminole County Clerk of the Circuit Court and Comptroller, P.O. Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include the County's Purchase Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218. 70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. TERM CONTRACT FOR INDIGENT BURIAL AND CREMATION SERVICES (IFB-605063-25/LTT)

THIS AGREEMENT is dated as of the _____ day of _____ 20____, by and between **UNITY MEMORIAL FUNERAL HOME EAST, INC.**, duly authorized to conduct business in the State of Florida, whose address is 44 West Michael Gladden Blvd., Apopka, FL 32703, in this Agreement referred to as "CONTRACTOR", and **SEMINOLE COUNTY**, a charter county and political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 E. 1st Street, Sanford, Florida 32771, in this Agreement referred to as "COUNTY".

W I T N E S S E T H:

WHEREAS, COUNTY desires to retain the services of a competent and qualified contractor to provide indigent burial and cremation services for Seminole County; and

WHEREAS, COUNTY has requested and received expressions of interest for the retention of services of contractors; and

WHEREAS, CONTRACTOR is competent and qualified to provide materials and services to COUNTY, and desires to provide materials and services according to the terms and conditions stated in this Agreement,

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth in this Agreement, COUNTY and CONTRACTOR agree as follows:

Section 1. Materials and/or Services. COUNTY hereby retains CONTRACTOR to provide materials and services as further described in the Scope of Services attached as Exhibit A and made a part of this Agreement. CONTRACTOR is also bound by all requirements as contained in the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. Required materials and services will be specifically enumerated,

described, and depicted in the Purchase Orders authorizing purchase of specific materials and services. This Agreement standing alone does not authorize the purchase. materials and services or require COUNTY to place any orders for work.

Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and shall continue for the duration of the County's indigent burial and cremation services program. Either party may terminate this Agreement at any time and for any reason upon providing ninety (90) days' written notice to the other party. Expiration or termination of this Agreement will have no effect upon Purchase Orders issued pursuant to this Agreement and the effective date of such expiration or termination. Obligations entered by both parties under such Purchase Orders will remain in effect until delivery and acceptance of the services authorized by the respective Purchase Order. The first three (3) months of this Agreement are considered probationary. During the probationary period, COUNTY may immediately terminate this Agreement at any time, with or without cause, upon written notice to CONTRACTOR.

Section 3. Authorization for Materials and/or Services. Authorization for provision of materials and services by CONTRACTOR under this Agreement must be in the form of written Purchase Orders issued and executed by COUNTY. A sample Purchase Order is attached as Exhibit B. Each Purchase Order will describe the materials and services required, state the dates for delivery of materials and services, and establish the amount and method of payment. The Purchase Orders must be issued under and incorporate the terms of this Agreement. COUNTY makes no covenant or promise as to the number of available Purchase Orders or that CONTRACTOR will perform any Purchase Order for COUNTY during the life of this Agreement. COUNTY reserves the right to contract with other parties for the services contemplated by this Agreement when it is determined by COUNTY to be in the best interest of COUNTY to do so.

Section 4. Time for Completion. The materials and services to be provided by CONTRACTOR will be delivered, as specified in such Purchase Orders as may be issued under this Agreement, within the time specified in the Purchase Order.

Section 5. Compensation. COUNTY shall compensate CONTRACTOR for the materials and services provided for under this Agreement on a Fixed Fee basis at the rates as outlined in Exhibit C. When a Purchase Order is issued on a Fixed Fee basis, then the applicable Purchase Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Purchase Orders.

Section 6. Payment and Billing.

(a) CONTRACTOR shall supply all materials and services required by the Purchase Order, but in no event will CONTRACTOR be paid more than the negotiated Fixed Fee amount stated within each Purchase Order.

(b) For Purchase Orders issued on a Fixed Fee basis, CONTRACTOR may invoice the amount due based on the percentage of total Purchase Order materials and services actually provided, but in no event may the invoice amount exceed a percentage of the Fixed Fee amount equal to a percentage of the total services actually completed.

(c) COUNTY shall make payments to CONTRACTOR when requested as materials and services are provided, but not more than once monthly. Each Purchase Order will be invoiced separately. At the close of each calendar month, CONTRACTOR shall render to COUNTY an itemized invoice, properly dated, describing any materials and services provided, the cost of the materials and services provided, the name and address of CONTRACTOR, Purchase Order Number, Contract Number, and any other information required by this Agreement.

(d) Submittal instructions for invoices are as follows:

(1) The original invoice must be emailed to:

AP@SeminoleClerk.org

(2) The original invoice may also be mailed or delivered to:

Director of County Comptroller's Office
Seminole County Board of County Commissioners
P.O. Box 8080
Sanford, FL 32772-8080

(3) A copy of the invoice must be sent to:

Seminole County Community Health
520 W. Lake Mary Blvd, Ste. 100
Sanford, FL 32771

(e) Upon review and approval of CONTRACTOR's invoice, COUNTY shall pay CONTRACTOR the approved amount in accordance with the terms as set forth in Chapter 218, Part VII, Florida Statutes.

(f) The COUNTY's performance and obligation to pay under this Agreement is wholly contingent upon the COUNTY's receipt of sufficient appropriations.

Section 7. General Terms of Payment and Billing.

(a) Upon satisfactory delivery of materials and services required under this Agreement and upon acceptance of the materials and services by COUNTY, CONTRACTOR may invoice COUNTY for the full amount of compensation provided for under the terms of this Agreement less any amount already paid by COUNTY.

(b) COUNTY may perform or have performed an audit of the records of CONTRACTOR at any time during the term of this Agreement and after final payment to support final payment under this Agreement. Audits may be performed at a time mutually agreeable to CONTRACTOR and COUNTY. Total compensation to CONTRACTOR may be determined subsequent to an audit as provided for in this Section and the total compensation so determined will be used to calculate final payment to CONTRACTOR. Performance of this audit will not delay final payment as provided by subsection (a) of this Section.

(c) CONTRACTOR shall maintain all books, documents, papers, accounting records, and other evidence pertaining to materials and services provided under this Agreement in such a manner as will readily conform to the terms of this Agreement. CONTRACTOR shall make such materials available at CONTRACTOR's office at all reasonable times during the term of this Agreement and for five (5) years from the date of final payment under the contract for audit or inspection as provided for in subsection (b) of this Section.

(d) In the event any audit or inspection conducted after final payment but within the period provided in paragraph (c) of this Section reveals any overpayment by COUNTY under the terms of the Agreement, CONTRACTOR shall refund such overpayment to COUNTY within thirty (30) days of notice by COUNTY.

Section 8. No Waiver by Forbearance. COUNTY's review of, approval and acceptance of, or payment for the materials or services required under this Agreement does not operate as a waiver of any rights under this Agreement, or of any cause of action arising out of the performance of this Agreement. CONTRACTOR is and will always remain liable to COUNTY in accordance with applicable law for any and all damages to COUNTY caused by CONTRACTOR's negligent or wrongful provision of any of the materials or services provided under this Agreement.

Section 9. Termination.

(a) COUNTY may, by written notice to CONTRACTOR, terminate this Agreement or any Purchase Order issued under this Agreement, in whole or in part, at any time, either for COUNTY's convenience or because of the failure of CONTRACTOR to fulfill its obligations under this Agreement. Upon receipt of such notice, CONTRACTOR shall immediately discontinue all services affected, unless the notice directs otherwise, and deliver to COUNTY all data, drawings, specifications, reports, estimates, summaries, and any and all such other

information and materials of whatever type or nature as may have been accumulated by CONTRACTOR in performing this Agreement, whether completed or in process.

(b) If the termination is for the convenience of COUNTY, CONTRACTOR will be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONTRACTOR to fulfill its obligations under this Agreement, COUNTY may take over the work and carry it to completion by other agreements or otherwise. In such case, CONTRACTOR will be liable to COUNTY for all reasonable additional costs associated with CONTRACTOR's failure to fulfill its obligations under this Agreement.

(d) CONTRACTOR will not be liable for such additional costs if the failure to perform the Agreement arises without any fault or negligence of CONTRACTOR, but CONTRACTOR will be responsible and liable for the actions by its subcontractors, agents, employees, persons, and entities of a similar type or nature. Matters beyond the fault or negligence of CONTRACTOR include acts of God or of the public enemy, acts of COUNTY in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without any fault or negligence of CONTRACTOR.

(e) If after notice of termination for CONTRACTOR's failure to fulfill its obligations under this Agreement it is determined that CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the convenience of COUNTY. In such event, adjustment in the Agreement price will be made as provided in subsection (b) of this Section.

(f) The rights and remedies of COUNTY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Agreement.

Section 10. Conflict with Contract Documents. Wherever the terms of this Agreement conflict with any Purchase Order issued pursuant to it or any other contract documents, including bids or proposals previously submitted by CONTRACTOR, this Agreement will prevail. For the avoidance of doubt, bid/proposals and any other documents submitted by CONTRACTOR are not incorporated into this Agreement, unless expressly stated otherwise.

Section 11. Equal Opportunity Employment. CONTRACTOR shall not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, disability, or national origin. CONTRACTOR shall take steps to ensure that applicants are employed, and employees are treated during employment without regard to race, color, religion, sex, age, disability, or national origin. This provision includes, but is not limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship.

Section 12. No Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person other than a bona fide employee working solely for CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from award or making of this Agreement. For the breach or violation of this provision, COUNTY will have the right to terminate the Agreement at its sole discretion without liability and to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.

Section 13. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 14. Assignment. Neither this Agreement nor any interest in it may be assigned, transferred, or otherwise encumbered under any circumstances by either party without prior written consent of the other party and in such cases only by a document of equal dignity with this Agreement.

Section 15. Subcontractors. CONTRACTOR shall first secure the prior written approval of COUNTY before engaging or contracting for the services of any subcontractors under this Agreement. CONTRACTOR will remain fully responsible to COUNTY for the services of any subcontractors under this Agreement.

Section 16. Indemnification of COUNTY. To the fullest extent permitted by law, CONTRACTOR shall hold harmless, release, and indemnify COUNTY, its commissioners, officers, employees, and agents from any and all claims, losses, damages, costs, attorney fees, and lawsuits for damages arising from, allegedly arising from, or related to CONTRACTOR's provision of materials or services under this Agreement caused by CONTRACTOR's act or omission in the performance of this Agreement. This provision is not to be construed as a waiver by COUNTY of its sovereign immunity, except to the extent waived pursuant to Section 768.28, Florida Statutes, as this statute may be amended from time to time.

Section 17. Insurance.

(a) CONTRACTOR, at its sole expense, shall maintain the insurance required under this Section at all times throughout the duration of this Agreement and have this insurance approved by COUNTY's Risk Manager with the Resource Management Department. CONTRACTOR shall immediately provide written notice to the COUNTY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.

(1) CONTRACTOR shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains insurance of the types and to the limits specified in this Agreement until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by CONTRACTOR will relieve CONTRACTOR of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONTRACTOR in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONTRACTOR.

(4) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then CONTRACTOR shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and CONTRACTOR shall remedy any deficiencies in the policies of insurance within ten (10) days.

(5) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of CONTRACTOR or any other party.

(b) General Requirements.

(1) Before commencing work, CONTRACTOR shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and Exhibit D. **The Certificate must have the Agreement number for this Agreement clearly marked on its face**, and including the following as Certificate Holder:

Seminole County, Florida
Seminole County Services Building
1101 East 1st Street
Sanford, Florida 32771

The Certificate of Insurance must evidence, and all policies must be endorsed to provide the COUNTY with not less than thirty (30) days (10 days for non-payment) written notice prior to the cancellation or non-renewal of coverage directly from the Insurer and without additional action of the Insured or Broker. Until such time as the insurance is no longer required to be maintained, CONTRACTOR shall provide COUNTY with a renewal or replacement Certificate of Insurance within ten (10) days after the expiration or replacement of the insurance for which a previous certificate has been provided.

(2) In addition to providing the Certificate of Insurance, upon request of the COUNTY, CONTRACTOR shall provide COUNTY with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Certified copies of policies may only be provided by the Insurer, not the agent or broker.

(3) Deductible and self-insured retention amounts must be declared to and approved by COUNTY and must be reduced or eliminated upon written request from COUNTY. The risk of loss within the deductible or retention amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by CONTRACTOR.

(4) The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer for all General Liability, Auto Liability, Employers' Liability, and Umbrella Liability coverages.

(5) In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to COUNTY and COUNTY shall apportion the proceeds between COUNTY and CONTRACTOR as their interests may appear.

(6) Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, Business Auto Liability, Pollution Liability, and Cyber Liability policies. Such is only applicable if the aforementioned policies are required per this Agreement or Exhibit D. Such policies shall provide exception to any "Insured versus Insured" exclusion for claims brought by or on behalf of Additional Insureds.

(7) Coverage: The insurance provided by CONTRACTOR pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or COUNTY's officials, officers, or employees must be in excess of and not contributing with the insurance provided by CONTRACTOR.

(8) Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida and its respective officials, officers, and employees. This Waiver of Subrogation requirement does not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the Named Insured enter into such an agreement on a pre-loss basis.

(9) Provision: Commercial General Liability and Umbrella Liability Policies, if required by this Agreement or Exhibit D, must be provided on an occurrence rather than a claims-made basis.

(c) Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements.

(1) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Florida Office of Insurance Regulation to conduct business in the State of Florida, or (b) with respect only to the coverage required by this Agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes, as this statute may be amended from time to time.

(2) In addition, such companies other than those authorized by Section 624.4621, Florida Statutes, as this statute may be amended from time to time, must have and maintain a Best's Rating of "A-" or better and a Financial Size Category of "VII" or better according to A.M. Best Company.

(3) If, during the period which an insurance company is providing the insurance coverage required by this Agreement, an insurance company, (A) loses its Certificate of Authority or Letter of Eligibility, (B) no longer complies with Section 624.4621, Florida Statutes, as this statute may be amended from time to time, or (C) fails to maintain the Best's Rating and Financial Size Category, then CONTRACTOR shall immediately notify COUNTY as soon as CONTRACTOR has knowledge of any such circumstance and, upon request of COUNTY, immediately replace the insurance coverage provided by the insurance company with a different insurance company meeting the requirements of this Agreement. Until such time as

CONTRACTOR has replaced the unacceptable insurer with an insurer acceptable to the COUNTY, CONTRACTOR will be deemed to be in default of this Agreement.

(d) Specifications. Without limiting any of the other obligations or liabilities of CONTRACTOR, CONTRACTOR, at CONTRACTOR's sole expense, shall procure, maintain, and keep in force amounts and types of insurance conforming to the minimum requirements set forth in Exhibit D. Except as otherwise specified in this Agreement, the insurance must become effective prior to the commencement of work by CONTRACTOR and must be maintained in force until final completion or such other time as required by this Agreement. The amounts and types of insurance must conform to the following minimum requirements:

(1) Workers' Compensation/Employers' Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR and its subcontractors of every tier for those sources of liability which would be covered by the latest edition of the standard Workers' Compensation and Employers Liability Policy (NCCI Form WC 00 00 00 A), as filed for use in Florida by the National Council on Compensation Insurance. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 23. Employee Status. Section 28. Patents and Royalties. Unless otherwise provided, CONTRACTOR is solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONTRACTOR, without exception, shall indemnify and save harmless COUNTY and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article

1. Acceptance/Entire Agreement. This Purchase Order ("PO") is entered into between Seminole County, Florida ("County") and the Supplier referenced herein (individually, referred to as "Party," and collectively, "Parties"). By accepting this PO, Supplier accepts all Terms and Conditions contained herein. This PO, including specifications and drawings, if any, and referenced documents, such as solicitations and responses constitutes the entire agreement between the Parties. Whenever terms and conditions of Main Agreement, if any, conflict with any PO issued pursuant to Main Agreement, Main Agreement will control.

2. Inspection. Notwithstanding any prior payment or inspection, all goods/services are subject to inspection/rejection by County at any time, including during manufacture, construction or preparation. To the extent a PO requires a series of performances by Supplier, County reserves right to cancel remainder of PO if goods/services provided during the term of PO are non-conforming or otherwise rejected. Without limiting any rights County may have, County, at its sole option, may require Supplier, at Supplier's expense to: (a) promptly repair or replace any or all rejected goods, or to cure or re-perform any or all rejected services; or (b) refund price of any or all rejected goods or services. All rejected goods will be held for Supplier's prompt inspection at Supplier's risk. Nothing contained in PO will relieve Supplier's obligation of testing, inspection and quality control.

3. Packing & Shipping. Unless otherwise specified, all goods must be packed, packaged, marked and prepared for shipment in a manner that is: (a) in accordance with good commercial practice; (b) acceptable to common carriers for shipment at the lowest rate for the particular good; (c) in accordance with local, state, and federal regulations; and (d) protected against weather. Supplier must mark all containers with necessary lifting, handling, shipping information, PO number, date of shipment and the name of the consignee and consignor. An itemized packing sheet must accompany each shipment.

4. Delivery; Risk of Loss. All goods are FOB destination, and risk of loss will remain with Supplier until delivery by Supplier and acceptance by County. Goods delivered by Supplier that are damaged, defective, or otherwise fail to conform to PO may be rejected by County or held by County at Supplier's risk and expense. County may charge Supplier for cost(s) to inspect, unpack, repack, store and re-ship rejected goods.

5. Delivery of Excess Quantities. If Supplier delivers excess quantities of goods without prior written authorization from County, excess quantities of goods may be returned to Supplier at Supplier's expense.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County's particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. Supplier shall notify County, in writing, of any cancellation, material change, or alteration to Supplier's Certificate of Insurance.

10. Modifications. PO may be modified or rescinded in writing by County.

11. Material Safety Data Sheets. At time of delivery, Supplier agrees to provide County with a current Material Safety Data Sheet for any hazardous chemicals or toxic substances, as required by law.

12. Pricing. Supplier agrees that pricing included on PO shall remain firm through and until delivery of goods and/or completion of services, unless otherwise agreed to by the Parties in writing.

13. Invoicing & Payment. After delivery of goods/services by Supplier and acceptance by the County, the Supplier must electronically submit an original invoice via email to AP@seminoleclerk.org or may mail the invoice, if electronic invoice is not available, to: Seminole County Clerk of the Circuit Court and Comptroller, P.O. Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include the County's Purchase Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218. 70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. In the event of termination, County will be liable only for materials procured, work completed or services rendered or supplies partially fabricated, within the authorization of PO. In no event will County be liable for incidental or consequential damages by reason of such termination.

16. Equal Opportunity Employer. County is an Equal Employment Opportunity ("EEO") employer, and as such, requires all Suppliers to comply with EEO regulations with regards to race, color, religion, sex, national origin, age, disability or genetic information, as may be applicable to Supplier. Any subcontracts entered into, as authorized by County, must make reference to this clause with the same degree of application being encouraged.

17. Assignment. Supplier may not assign, transfer, or subcontract PO or any right or obligation under it without County's written consent. Any purported assignment, transfer, or subcontract will be null and void.

18. Venue & Applicable Law. The laws of the State of Florida govern validity, enforcement, and interpretation of PO. The sole jurisdiction and venue for any legal action in connection with PO will be in the courts of Seminole County, Florida.

19. Fiscal Non-Funding. In the event sufficient budgeted funds are not available for payment to Supplier for a new fiscal period, County shall notify Supplier of such occurrence and PO will terminate on the last day of the current fiscal period without penalty or expense to County.

20. Public Records. Supplier acknowledges that PO and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Supplier shall maintain all public records and, upon request, provide a copy of requested records or allow records to be inspected within a reasonable time. Supplier shall also ensure that any public records that are exempt or confidential from disclosure are not disclosed except as authorized by law. THIS AGREEMENT is dated as of the _____ day of _____ 20_____, by and between **FLORIDA ACQUISITION & APPRAISAL, INC.**, duly authorized to conduct business in the State of Florida, whose address is 410 S. Ware Boulevard, Suite 700, Tampa, Florida 33619, in this Agreement referred to as "CONTRACTOR", and **SEMINOLE COUNTY**, a charter county and political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 E. 1st Street, Sanford, Florida 32771, in this Agreement referred to as "COUNTY".

W I T N E S S E T H:

WHEREAS, COUNTY desires to retain the services of a competent and qualified contractor to provide property acquisition consulting services for Seminole County; and

WHEREAS, COUNTY has requested and received expressions of interest for the retention of services of contractors; and

WHEREAS, CONTRACTOR is competent and qualified to provide materials and services to COUNTY, and desires to provide materials and services according to the terms and conditions stated in this Agreement,

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth in this Agreement, COUNTY and CONTRACTOR agree as follows:

Section 1. Materials and/or Services. COUNTY hereby retains CONTRACTOR to provide materials and services as further described in the Scope of Services attached as Exhibit A and made a part of this Agreement. CONTRACTOR is also bound by all requirements as contained in the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. Required materials and services will be specifically

enumerated, described, and depicted in the Purchase Orders authorizing purchase of specific materials and services. This Agreement standing alone does not authorize the purchase of materials and services or require COUNTY to place any orders for work.

Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and continues for a period of three (3) years. At the sole option of COUNTY, this Agreement may be renewed for two (2) successive periods not to exceed one (1) year each. This Agreement may also be extended for up to one (1) year upon mutual agreement between the parties. Renewals and extensions are wholly contingent on the availability of funds and shall be subject to the same terms and conditions set forth in this Agreement and any written amendments signed by the parties. Expiration of the term of this Agreement will have no effect upon Purchase Orders issued pursuant to this Agreement and prior to the expiration date. Obligations entered by both parties under such Purchase Orders will remain in effect until delivery and acceptance of the materials authorized by the respective Purchase Order. The first three (3) months of the initial term are considered probationary. During the probationary period, COUNTY may immediately terminate this Agreement at any time, with or without cause, upon written notice to CONTRACTOR.

Section 3. Authorization for Materials and/or Services. Authorization for provision of materials and services by CONTRACTOR under this Agreement must be in the form of written Purchase Orders issued and executed by COUNTY. A sample Purchase Order is attached as Exhibit B. Each Purchase Order will describe the materials and services required, state the dates for delivery of materials and services, and establish the amount and method of payment. The Purchase Orders must be issued under and incorporate the terms of this Agreement. COUNTY makes no covenant or promise as to the number of available Purchase Orders or that CONTRACTOR will perform any Purchase Order for COUNTY during the life of this Agreement.

COUNTY reserves the right to contract with other parties for the services contemplated by this Agreement when it is determined by COUNTY to be in the best interest of COUNTY to do so.

Section 4. Time for Completion. The materials and services to be provided by CONTRACTOR will be delivered, as specified in such Purchase Orders as may be issued under this Agreement, within the time specified in the Purchase Order.

Section 5. Compensation. COUNTY shall compensate CONTRACTOR for the materials and services provided for under this Agreement on a Fixed Fee basis at the rates as outlined in Exhibit C. When a Purchase Order is issued on a Fixed Fee basis, then the applicable Purchase Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Purchase Orders.

Section 6. Payment and Billing.

(a) CONTRACTOR shall supply all materials and services required by the Purchase Order, but in no event will CONTRACTOR be paid more than the negotiated Fixed Fee amount stated within each Purchase Order.

(b) For Purchase Orders issued on a Fixed Fee basis, CONTRACTOR may invoice the amount due based on the percentage of total Purchase Order materials and services actually provided, but in no event may the invoice amount exceed a percentage of the Fixed Fee amount equal to a percentage of the total services actually completed.

(e) Upon review and approval of CONTRACTOR's invoice, COUNTY shall pay CONTRACTOR the approved amount in accordance with the terms as set forth in Chapter 218, Part VII, Florida Statutes.

(f) The COUNTY's performance and obligation to pay under this Agreement is wholly contingent upon the COUNTY's receipt of sufficient appropriations.

Section 7. General Terms of Payment and Billing.

(a) Upon satisfactory delivery of materials and services required under this Agreement and upon acceptance of the materials and services by COUNTY, CONTRACTOR may invoice COUNTY for the full amount of compensation provided for under the terms of this Agreement less any amount already paid by COUNTY.

(b) COUNTY may perform or have performed an audit of the records of CONTRACTOR at any time during the term of this Agreement and after final payment to support final payment under this Agreement. Audits may be performed at a time mutually agreeable to

CONTRACTOR and COUNTY. Total compensation to CONTRACTOR may be determined subsequent to an audit as provided for in this Section and the total compensation so determined will be used to calculate final payment to CONTRACTOR. Performance of this audit will not delay final payment as provided by subsection (a) of this Section.

(c) CONTRACTOR shall maintain all books, documents, papers, accounting records, and other evidence pertaining to materials and services provided under this Agreement in such a manner as will readily conform to the terms of this Agreement. CONTRACTOR shall make such materials available at CONTRACTOR's office at all reasonable times during the term of this Agreement and for five (5) years from the date of final payment under the contract for audit or inspection as provided for in subsection (b) of this Section.

(d) In the event any audit or inspection conducted after final payment but within the period provided in paragraph (c) of this Section reveals any overpayment by COUNTY under the terms of the Agreement, CONTRACTOR shall refund such overpayment to COUNTY within thirty (30) days of notice by COUNTY.

Section 8. No Waiver by Forbearance. COUNTY's review of, approval and acceptance of, or payment for the materials or services required under this Agreement does not operate as a waiver of any rights under this Agreement, or of any cause of action arising out of the performance of this Agreement. CONTRACTOR is and will always remain liable to COUNTY in accordance with applicable law for any and all damages to COUNTY caused by CONTRACTOR's negligent or wrongful provision of any of the materials or services provided under this Agreement.

Section 9. Termination.

(a) COUNTY may, by written notice to CONTRACTOR, terminate this Agreement or any Purchase Order issued under this Agreement, in whole or in part, at any time, either for COUNTY's convenience or because of the failure of CONTRACTOR to fulfill its obligations

under this Agreement. Upon receipt of such notice, CONTRACTOR shall immediately discontinue all services affected, unless the notice directs otherwise, and deliver to COUNTY all data, drawings, specifications, reports, estimates, summaries, and any and all such other information and materials of whatever type or nature as may have been accumulated by CONTRACTOR in performing this Agreement, whether completed or in process.

(b) If the termination is for the convenience of COUNTY, CONTRACTOR will be paid compensation for services performed to the date of termination.

(c) If the termination is due to the failure of CONTRACTOR to fulfill its obligations under this Agreement, COUNTY may take over the work and carry it to completion by other agreements or otherwise. In such case, CONTRACTOR will be liable to COUNTY for all reasonable additional costs associated with CONTRACTOR's failure to fulfill its obligations under this Agreement.

(d) CONTRACTOR will not be liable for such additional costs if the failure to perform the Agreement arises without any fault or negligence of CONTRACTOR, but CONTRACTOR will be responsible and liable for the actions by its subcontractors, agents, employees, persons, and entities of a similar type or nature. Matters beyond the fault or negligence of CONTRACTOR include acts of God or of the public enemy, acts of COUNTY in its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather, but in every case the failure to perform must be beyond the control and without any fault or negligence of CONTRACTOR.

(e) If after notice of termination for CONTRACTOR's failure to fulfill its obligations under this Agreement it is determined that CONTRACTOR had not so failed, the termination will be conclusively deemed to have been effected for the convenience of COUNTY. In such event, adjustment in the Agreement price will be made as provided in subsection (b) of this Section.

(f) The rights and remedies of COUNTY provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Agreement.

Section 10. Conflict with Contract Documents. Wherever the terms of this Agreement conflict with any Purchase Order issued pursuant to it or any other contract documents, including bids or proposals previously submitted by CONTRACTOR, this Agreement will prevail. For the avoidance of doubt, bid/proposals and any other documents submitted by CONTRACTOR are not incorporated into this Agreement, unless expressly stated otherwise.

Section 11. Equal Opportunity Employment. CONTRACTOR shall not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age, disability, or national origin. CONTRACTOR shall take steps to ensure that applicants are employed and employees are treated during employment without regard to race, color, religion, sex, age, disability, or national origin. This provision includes, but is not limited to the following: employment, upgrading, demotion or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship.

Section 12. No Contingent Fees. CONTRACTOR warrants that it has not employed or retained any company or person other than a bona fide employee working solely for CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from award or making of this Agreement. For the breach or violation of this provision, COUNTY will have the right to terminate the Agreement at its sole discretion without liability and

to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift, or consideration.

Section 13. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 14. Assignment. Neither this Agreement nor any interest in it may be assigned, transferred, or otherwise encumbered under any circumstances by either party without prior written consent of the other party and in such cases only by a document of equal dignity with this Agreement.

Section 15. Subcontractors. CONTRACTOR shall first secure the prior written approval of COUNTY before engaging or contracting for the services of any subcontractors under this Agreement. CONTRACTOR will remain fully responsible to COUNTY for the services of any subcontractors under this Agreement.

Section 16. Indemnification of COUNTY. To the fullest extent permitted by law, CONTRACTOR shall hold harmless, release, and indemnify COUNTY, its commissioners, officers, employees, and agents from any and all claims, losses, damages, costs, attorney fees, and lawsuits for damages arising from, allegedly arising from, or related to CONTRACTOR's provision of materials or services under this Agreement caused by CONTRACTOR's act or

omission in the performance of this Agreement. This provision is not to be construed as a waiver by COUNTY of its sovereign immunity, except to the extent waived pursuant to Section 768.28, Florida Statutes, as this statute may be amended from time to time.

Section 17. Insurance.

(a) CONTRACTOR, at its sole expense, shall maintain the insurance required under this Section at all times throughout the duration of this Agreement and have this insurance approved by COUNTY's Risk Manager with the Resource Management Department. CONTRACTOR shall immediately provide written notice to the COUNTY upon receipt of notice of cancellation of an insurance policy or a decision to terminate an insurance policy.

(1) CONTRACTOR shall require and ensure that each of its sub-vendors or subcontractors providing services under this Agreement, if any, procures and maintains insurance of the types and to the limits specified in this Agreement until the completion of their respective services.

(2) Neither approval by COUNTY nor failure by COUNTY to disapprove the insurance furnished by CONTRACTOR will relieve CONTRACTOR of its full responsibility for liability, damages, and accidents.

(3) Neither COUNTY's review of the coverage afforded by or the provisions of the policies of insurance purchased and maintained by CONTRACTOR in accordance with this Section, nor COUNTY's decisions to raise or not to raise any objections about either or both, in any way relieves or decreases the liability of CONTRACTOR.

(4) If COUNTY elects to raise an objection to the coverage afforded by or the provisions of the insurance furnished, then CONTRACTOR shall promptly provide to COUNTY such additional information as COUNTY may reasonably request, and CONTRACTOR shall remedy any deficiencies in the policies of insurance within ten (10) days.

(5) COUNTY's authority to object to insurance does not in any way whatsoever give rise to any duty on the part of COUNTY to exercise this authority for the benefit of CONTRACTOR or any other party.

(b) General Requirements.

(1) Before commencing work, CONTRACTOR shall furnish COUNTY with a current Certificate of Insurance on a current ACORD Form signed by an authorized representative of the insurer evidencing the insurance required by this Section and Exhibit D. **The Certificate must have the Agreement number for this Agreement clearly marked on its face**, and including the following as Certificate Holder:

Seminole County, Florida
Seminole County Services Building
1101 East 1st Street
Sanford, Florida 32771

The Certificate of Insurance must evidence and all policies must be endorsed to provide the COUNTY with not less than thirty (30) days (10 days for non-payment) written notice prior to the cancellation or non-renewal of coverage directly from the Insurer and without additional action of the Insured or Broker. Until such time as the insurance is no longer required to be maintained, CONTRACTOR shall provide COUNTY with a renewal or replacement Certificate of Insurance within ten (10) days after the expiration or replacement of the insurance for which a previous certificate has been provided.

(2) In addition to providing the Certificate of Insurance, upon request of the COUNTY, CONTRACTOR shall provide COUNTY with a certified copy of each of the policies of insurance providing the coverage required by this Agreement within thirty (30) days after receipt of the request. Certified copies of policies may only be provided by the Insurer, not the agent or broker.

(3) Deductible and self-insured retention amounts must be declared to and approved by COUNTY and must be reduced or eliminated upon written request from COUNTY. The risk of loss within the deductible or retention amount, if any, in the insurance purchased and maintained pursuant to this document must be borne by CONTRACTOR.

(4) The insurer's cost of defense, including attorney's fees and attorney's fees on appeal, must not be included within the policy limits, but must remain the responsibility of the insurer for all General Liability, Auto Liability, Employers' Liability, and Umbrella Liability coverages.

(5) In the event of loss covered by Property Insurance, the proceeds of a claim must be paid to COUNTY and COUNTY shall apportion the proceeds between COUNTY and CONTRACTOR as their interests may appear.

(6) Additional Insured: Seminole County, Florida, its commissioners, officials, officers, and employees must be included as Additional Insureds under General Liability, Umbrella Liability, Business Auto Liability, Pollution Liability, and Cyber Liability policies. Such is only applicable if the aforementioned policies are required per this Agreement or Exhibit D. Such policies shall provide exception to any "Insured versus Insured" exclusion for claims brought by or on behalf of Additional Insureds.

(7) Coverage: The insurance provided by CONTRACTOR pursuant to this Agreement must apply on a primary and non-contributory basis and any other insurance or self-insurance maintained by the Seminole County Board of County Commissioners or COUNTY's officials, officers, or employees must be in excess of and not contributing with the insurance provided by CONTRACTOR.

(8) Waiver of Subrogation: All policies must be endorsed to provide a Waiver of Subrogation clause in favor of the Seminole County, Florida and its respective officials, officers,

and employees. This Waiver of Subrogation requirement does not apply to any policy that includes a condition that specifically prohibits such an endorsement or voids coverage should the Named Insured enter into such an agreement on a pre-loss basis.

(9) Provision: Commercial General Liability and Umbrella Liability Policies, if required by this Agreement or Exhibit D, must be provided on an occurrence rather than a claims-made basis.

(c) Insurance Company Requirements. Insurance companies providing the insurance must meet the following requirements.

(1) Such companies must be either: (a) authorized by maintaining Certificates of Authority or Letters of Eligibility issued to the companies by the Florida Office of Insurance Regulation to conduct business in the State of Florida, or (b) with respect only to the coverage required by this Agreement for Workers' Compensation/Employers' Liability, authorized as a group self-insurer by Section 624.4621, Florida Statutes, as this statute may be amended from time to time.

(2) In addition, such companies other than those authorized by Section 624.4621, Florida Statutes, as this statute may be amended from time to time, must have and maintain a Best's Rating of "A-" or better and a Financial Size Category of "VII" or better according to A.M. Best Company.

(3) If, during the period which an insurance company is providing the insurance coverage required by this Agreement, an insurance company, (A) loses its Certificate of Authority or Letter of Eligibility, (B) no longer complies with Section 624.4621, Florida Statutes, as this statute may be amended from time to time, or (C) fails to maintain the Best's Rating and Financial Size Category, then CONTRACTOR shall immediately notify COUNTY as soon as CONTRACTOR has knowledge of any such circumstance and, upon request of COUNTY,

immediately replace the insurance coverage provided by the insurance company with a different insurance company meeting the requirements of this Agreement. Until such time as CONTRACTOR has replaced the unacceptable insurer with an insurer acceptable to the COUNTY, CONTRACTOR will be deemed to be in default of this Agreement.

(d) Specifications. Without limiting any of the other obligations or liabilities of CONTRACTOR, CONTRACTOR, at CONTRACTOR's sole expense, shall procure, maintain, and keep in force amounts and types of insurance conforming to the minimum requirements set forth in Exhibit D. Except as otherwise specified in this Agreement, the insurance must become effective prior to the commencement of work by CONTRACTOR and must be maintained in force until final completion or such other time as required by this Agreement. The amounts and types of insurance must conform to the following minimum requirements:

(1) Workers' Compensation/Employers' Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR and its subcontractors of every tier for those sources of liability which would be covered by the latest edition of the standard Workers' Compensation and Employers Liability Policy (NCCI Form WC 00 00 00 A), as filed for use in Florida by the National Council on Compensation Insurance. In addition to coverage for the Florida Workers' Compensation Act, where appropriate, coverage is to be included for the United States Longshoremen and Harbor Workers' Compensation Act, Federal Employers' Liability Act and any other applicable federal or state law.

(B) Subject to the restrictions of coverage found in the standard Workers' Compensation and Employers Liability Policy, there must be no maximum limit on the amount of coverage for liability imposed by the Florida Workers' Compensation Act, and if applicable, the United States Longshoremen's and Harbor Workers' Compensation Act or any other

coverage customarily insured under Part One of the standard Workers' Compensation and Employers Liability Policy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(D) If CONTRACTOR asserts an exemption to the provisions of Chapter 440, Florida Statutes, Workers' Compensation, as this statute may be amended from time to time, CONTRACTOR shall provide notification to COUNTY's Risk Manager with the Resource Management Department and shall complete the COUNTY's Workers' Compensation Waiver Request. Approval of exemption is subject to COUNTY's sole discretion. If approved, the named individuals listed in COUNTY'S approved exemption will be the only individuals authorized to perform work under this Agreement.

(E) Any vendor or contractor, including CONTRACTOR, using an employee leasing company must complete the COUNTY'S Leased Employee Affidavit.

(2) Commercial General Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by the latest edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01), as filed for use in the State of Florida by the Insurance Services Office, or equivalent acceptable to COUNTY. Such coverage must not contain any endorsements excluding or limiting Products/Completed Operations, Contractual Liability, or Separation of Insureds. If CONTRACTOR's work, or work under its direction, control, or sub-contract, requires blasting, explosive conditions, or underground operations, the comprehensive general liability coverage shall contain no exclusion relative to blasting, explosion, collapse of structures, or damage to underground property.

(B) ISO Endorsement CG 20 10 or CG 20 26 and CG 20 37 or their equivalent must be used to provide such Additional Insured status.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(3) Business Auto Liability.

(A) CONTRACTOR's insurance must cover CONTRACTOR for those sources of liability which would be covered by Section II of the latest edition of the standard Business Auto Policy (ISO Form CA 00 01), as filed for use in the State of Florida by the Insurance Services Office. Coverage must include owned, non-owned, and hired autos or any auto. In the event CONTRACTOR does not own automobiles, CONTRACTOR shall maintain coverage for hired and non-owned auto liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy. If the contract involves operations governed by Sections 29 or 30 of the Motor Carrier Act of 1980, endorsement MCS-90 is required.

(B) If CONTRACTOR'S operations involve pollutants as defined in the ISO Form CA 00 01, Form CA9948, Pollution Liability – Broadened Coverage for Covered Autos, is required.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(4) Cyber Liability Insurance and Technology Errors and Omissions Insurance.

(A) Cyber Liability and Technology Errors and Omissions Insurance must include liability related to: multimedia liability, including cloud computing and mobile devices; protection of private or confidential information, whether electronic or non-electronic; network security and privacy; system attacks, digital asset loss, denial or loss of service;

introduction, implantation, or spread of malicious software code; security breach; unauthorized access and use; disclosure of COUNTY data, whether by CONTRACTOR or any subcontractor or cloud service provider used by CONTRACTOR; regulatory action expenses; breach response costs including, but not limited to, notification of affected individuals, customer support, forensics, crisis management consulting, public relations consulting, legal services, and credit monitoring expenses and identity fraud resolution services; and the rendering of or failure to render technology products and services, if the contract involves the provision of cyber technology services or products. Coverage must be maintained in effect during the period of the Agreement and for no less than two (2) years after termination or completion of the Agreement, if written on a "claims-made" basis.

(B) Cyber Liability and Technology Errors and Omissions Insurance must cover CONTRACTOR, its employees, subcontractors and agents for expenses, claims and losses resulting from wrongful acts committed in the performance of, or failure to perform, all services under this Agreement, including, without limitation, claims, demands, and any other payments related to electronic or physical security, breaches of confidentiality, and invasion of or breaches of privacy.

(C) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(5) Professional Liability Insurance.

(A) CONTRACTOR shall maintain an Errors & Omissions Liability policy providing professional liability coverage for any damages caused by wrongful acts, errors, or omissions.

(i) In the event that the professional liability insurance required by this contract is written on a claims-made basis, CONTRACTOR warrants that any retroactive date

under the policy will precede the effective date of this Agreement and that either continuous coverage will be maintained or an extended discovery period will be exercised for a period of three (3) years beginning at the time work under this contract is completed.

(ii) If CONTRACTOR contends that any of the insurance it maintains pursuant to other sections of this clause satisfies this requirement (or otherwise insures the risks described in this section), then CONTRACTOR shall provide proof of such satisfactory coverage, subject to approval of COUNTY.

(B) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(6) Crime and Employee Dishonesty Liability.

(A) CONTRACTOR shall maintain Commercial Crime Coverage including Employee Dishonesty coverage protecting the interests of COUNTY subject to this Agreement from fraudulent acts of CONTRACTOR's employees and others. Coverage must include ISO Form CR 04 01, Client's Property endorsement, or comparable form. The policy must include as loss payee Seminole County, Florida on applicable coverage.

(B) The minimum limits to be maintained by CONTRACTOR are as specified in Exhibit D.

(e) The maintenance of the insurance coverage set forth in this Section may not be construed to limit or have the effect of limiting CONTRACTOR's liability under the provisions of Section 16 concerning indemnification or any other provision of this Agreement.

Section 18. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative

dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for contract claims related to this Agreement, other than for proper invoice and payment disputes, are set forth in Section 220.11, "Contract Claims," Seminole County Code of Ordinances.

(b) In any lawsuit or legal proceeding arising under this Agreement, CONTRACTOR hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which CONTRACTOR had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

Section 19. Representatives of COUNTY and CONTRACTOR.

(a) It is recognized that questions in the day to day conduct of performance pursuant to this Agreement may arise. Upon request by CONTRACTOR, COUNTY shall designate and advise CONTRACTOR in writing of one or more of its employees to whom to address all communications pertaining to the day to day conduct of this Agreement. The designated representative will have the authority to transmit instructions, receive information, and interpret and define COUNTY's policy and decisions pertinent to the work covered by this Agreement.

(b) At all times during the normal work week, CONTRACTOR shall designate or appoint one or more representatives who are authorized to act on behalf of CONTRACTOR and bind CONTRACTOR regarding all matters involving the conduct of the performance pursuant to

this Agreement, and who will keep COUNTY continually and effectively advised of such designation.

Section 20. All Prior Agreements Superseded. This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained in this Agreement and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained or referred to in this document. Accordingly, it is agreed that no deviation from the terms of this Agreement may be predicated upon any prior representations or agreements, whether oral or written.

Section 21. Modifications, Amendments, or Alterations. No modification, amendment, or alteration in the terms or conditions contained in this Agreement will be effective unless contained in a written amendment executed with the same formality and of equal dignity with this Agreement.

Section 22. Independent Contractor. Nothing in this Agreement is intended or may be construed as in any manner creating or establishing a relationship of co-partners between the parties, or as constituting CONTRACTOR (including its officers, employees, and agents) as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 23. Employee Status. Persons employed by CONTRACTOR in the performance of services and functions pursuant to this Agreement have no claim to pension, workers' compensation, unemployment compensation, civil service, or other employee rights or privileges granted to COUNTY's officers and employees, either by operation of law or by COUNTY.

Section 24. Services Not Provided For. No claim for services provided by CONTRACTOR not specifically provided for in this Agreement will be honored by COUNTY.

Section 25. Public Records Law.

(a) CONTRACTOR acknowledges COUNTY's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. CONTRACTOR acknowledges that COUNTY is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. Upon COUNTY's request, CONTRACTOR shall provide COUNTY with all requested public records in CONTRACTOR's possession, or shall allow COUNTY to inspect or copy the requested records within a reasonable time and at a cost that does not exceed costs as provided under Chapter 119, Florida Statutes.

(b) CONTRACTOR specifically acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall perform the following:

(1) CONTRACTOR shall keep and maintain public records that ordinarily and necessarily would be required by COUNTY in order to perform the services required under this Agreement,

(2) CONTRACTOR shall provide COUNTY with access to public records on the same terms and conditions that COUNTY would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(3) CONTRACTOR shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law.

(c) Upon termination of this Agreement, CONTRACTOR shall transfer, at no cost to COUNTY, all public records in possession of CONTRACTOR, or keep and maintain public records required by COUNTY under this Agreement. If CONTRACTOR transfers all public records to COUNTY upon completion of this Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains the public records upon completion of this Agreement, CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to COUNTY, upon request of COUNTY, in a format that is compatible with the information technology systems of COUNTY.

(d) Failure to comply with this Section will be deemed a material breach of this Agreement for which COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR. CONTRACTOR may also be subject to statutory penalties as set forth in Section 119.10, Florida Statutes.

(e) **IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR's DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTRACTOR MAY CONTACT THE CUSTODIAN OF PUBLIC RECORDS, THE SEMINOLE COUNTY PUBLIC RECORDS COORDINATOR, AT 407-665-7410, PUBLICRECORDS@SEMINOLECOUNTYFL.GOV, 1101 E. FIRST STREET, SANFORD, FLORIDA 32771.**

Section 26. Governing Law, Jurisdiction, and Venue. The laws of the State of Florida govern the validity, enforcement, and interpretation of this Agreement. The sole jurisdiction and venue for any legal action in connection with this Agreement will be in the courts of Seminole County, Florida.

Section 27. Compliance with Laws and Regulations. In providing all services pursuant to this Agreement, CONTRACTOR shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provision of such services, including those now in effect and subsequently adopted. Any violation of these statutes, ordinances, rules, or regulations will constitute a material breach of this Agreement and will entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to CONTRACTOR.

Section 28. Patents and Royalties. Unless otherwise provided, CONTRACTOR is solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONTRACTOR, without exception, shall indemnify and save harmless COUNTY and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or supplied by CONTRACTOR. In the event of any claim against COUNTY of copyright or patent infringement, COUNTY shall promptly provide written notification to CONTRACTOR. If such a claim is made, CONTRACTOR shall use its best efforts to promptly purchase for COUNTY the legitimate version of any infringing products or services or procure a license from the patent or copyright holder at no cost to COUNTY that will allow continued use of the service or product. If none of these alternatives are reasonably available, COUNTY shall return the article on request to CONTRACTOR and receive reimbursement, if any, as may be determined by a court of competent jurisdiction.

Section 29. Notices. Whenever either party desires to give notice to the other, it must be given by written notice, sent by registered or certified United States mail, return receipt requested, addressed to the party for whom it is intended at the place last specified. (a) CONTRACTOR must register with and use the E-Verify system to verify the work authorization status of all new employees prior to entering into this Agreement with COUNTY. If

CONTRACTOR must maintain a copy of the foregoing certification from the subcontractor for the duration of the agreement with the subcontractor.

(b) If COUNTY has a good faith belief that CONTRACTOR has knowingly violated this Section, COUNTY shall terminate this Agreement. If COUNTY terminates this Agreement with CONTRACTOR, CONTRACTOR may not be awarded a public contract for at least one (1) year after the date on which this Agreement is terminated. If COUNTY has a good faith belief that a subcontractor knowingly violated this Section, but CONTRACTOR otherwise complied with this Section, COUNTY must promptly notify CONTRACTOR and order CONTRACTOR to immediately terminate its agreement with the subcontractor.

By accepting this PO, Supplier accepts all Terms and Conditions contained herein. This PO, including specifications and drawings, if any, and referenced documents, such as solicitations and responses constitutes the entire agreement between the Parties. Whenever terms and conditions of Main Agreement, if any, conflict with any PO issued pursuant to Main Agreement, Main Agreement will control.

2. Inspection. Notwithstanding any prior payment or inspection, all goods/services are subject to inspection/rejection by County at any time, including during manufacture, construction or preparation. To the extent a PO requires a series of performances by Supplier, County reserves right to cancel remainder of PO if goods/services provided during the term of PO are non-conforming or otherwise rejected. Without limiting any rights County may have, County, at its sole option, may require Supplier, at Supplier's expense to: (a) promptly repair or replace any or all rejected goods, or to cure or re-perform any or all rejected services; or (b) refund price of any or all rejected goods or services. All rejected goods will be held for Supplier's prompt inspection at Supplier's risk. Nothing contained in PO will relieve Supplier's obligation of testing, inspection and quality control.

3. Packing & Shipping. Unless otherwise specified, all goods must be packed, packaged, marked and prepared for shipment in a manner that is: (a) in accordance with good commercial practice; (b) acceptable to common carriers for shipment at the lowest rate for the particular good; (c) in accordance with local, state, and federal regulations; and (d) protected against weather. Supplier must mark all containers with necessary lifting, handling, shipping information, PO number, date of shipment and the name of the consignee and consignor. An itemized packing sheet must accompany each shipment.

4. Delivery; Risk of Loss. All goods are FOB destination, and risk of loss will remain with Supplier until delivery by Supplier and acceptance by County. Goods delivered by Supplier that are damaged, defective, or otherwise fail to conform to PO may be rejected by County or held by County at Supplier's risk and expense. County may charge Supplier for cost(s) to inspect, unpack, repack, store and re-ship rejected goods.

5. Delivery of Excess Quantities. If Supplier delivers excess quantities of goods without prior written authorization from County, excess quantities of goods may be returned to Supplier at Supplier's expense.

6. Time is of the Essence. Time is of the essence for delivery of goods /services under PO. Failure to meet delivery schedules or deliver within a reasonable time, as determined by County, entitles County to seek all remedies available at law or in equity. County reserves right to cancel any PO and procure goods/services elsewhere if delivery is not timely. Supplier agrees to reimburse County for all costs incurred in enforcing its rights. Failure of County to cancel PO, acceptance, or payment will not be deemed a waiver of County's right to cancel remainder of PO. Delivery date or time in PO may be extended if Supplier provides a written request in advance of originally scheduled delivery date and time and County agrees to delayed delivery in writing prior to originally scheduled delivery date and time.

7. Warranties. Supplier warrants to County that all goods/services covered by PO conform strictly to specifications, drawings or samples specified or furnished by County, and are free from: (a) defects in title; and (b) latent or patent defects in material or workmanship. If no quality is specified by County, Supplier warrants to County that goods/services are of the best grade of their respective kinds, meet or exceed applicable standards for industry represented, are merchantable (as to goods) and are fit for County's particular purpose. Supplier warrants that at the time County accepts the goods/services, the goods/services will have been produced, sold, delivered and furnished in strict compliance with all applicable federal and state laws, regulations, ordinances, rules, labor agreements and working conditions to which goods/services are subject. Supplier warrants the title to goods furnished under PO is valid, transfer of such title to County is rightful and goods are free of any claims or liens of any nature whatsoever, whether rightful or otherwise, of any person, corporation, partnership or association. All applicable manufacturers' warranties must be furnished to County at time of delivery of goods or completion of service. All warranties are cumulative and are in addition to any other express or implied warranties provided by law.

8. Indemnification. To the fullest extent permitted by law, Supplier assumes any and all liability for damages, breach of PO, loss or injury of any kind or nature whatsoever to persons or property caused by, resulting from or related to the goods/services provided under PO. To the fullest extent permitted by law, Supplier shall indemnify and hold harmless County, its commissioners, officers, employees and agents from and against any and all claims, damages, demands, lawsuits, losses, costs and expenses, including attorneys' fees, patent, copyright or trademark infringement, judgments, decrees of whatsoever nature which County may incur as a result of claims, demands, lawsuits or causes of action of any kind or nature arising from, caused by or related to goods/services furnished by Supplier, its officers, employees, agents, partners, principals or subcontractors. Remedies afforded to County by this section are cumulative with and in no way affect any other legal remedy County may have under PO or at law. Supplier's obligations under PO must not be limited by any insurance coverage or by any provision in or exclusion or omission from any policy of insurance.

9. Insurance. Supplier, at its sole expense, shall maintain insurance coverage acceptable to County. All policies must name County as an additional insured. All Insurance Certificates must be provided to the Purchasing and Contracts Division within ten (10) days of request. Box 8080, Sanford, Florida 32772. Invoices must be billed at pricing stipulated on PO and must include the County's Purchase Order Number. Thereafter, all payments and interest on any late payments will be paid in compliance with Florida Prompt Payment Act, §218. 70, Florida Statutes.

14. Taxes. County is exempt from Florida sales tax, federal taxes on transportation charges and any federal excise tax. County will not reimburse Supplier for taxes paid.

15. Termination. County may terminate PO, in whole or in part, at any time, either for County's convenience or because of Supplier's failure to fulfill its obligations under PO, by written notice to Supplier. Upon receipt of written notice, Supplier must discontinue all deliveries affected unless written notice directs otherwise. In the event of termination, County will be liable only for materials procured, work completed or services rendered or supplies partially fabricated, within the authorization of PO. In no event will County be liable for incidental or consequential damages by reason of such termination.

16. Equal Opportunity Employer. County is an Equal Employment Opportunity ("EEO") employer, and as such, requires all Suppliers to comply with EEO regulations with regards to race, color, religion, sex, national origin, age, disability or genetic information, as may be applicable to Supplier. Any subcontracts entered into, as authorized by County, must make reference to this clause with the same degree of application being encouraged.

17. Assignment. Supplier may not assign, transfer, or subcontract PO or any right or obligation under it without County's written consent. Any purported assignment, transfer, or subcontract will be null and void.

18. Venue & Applicable Law. The laws of the State of Florida govern validity, enforcement, and interpretation of PO. The sole jurisdiction and venue for any legal action in connection with PO will be in the courts of Seminole County, Florida.

19. Fiscal Non-Funding. In the event sufficient budgeted funds are not available for payment to Supplier for a new fiscal period, County shall notify Supplier of such occurrence and PO will terminate on the last day of the current fiscal period without penalty or expense to County.

20. Public Records. Supplier acknowledges that PO and any related financial records, audits, reports, plans, correspondence and other documents may be subject to disclosure to members of the public pursuant to Chapter 119, Florida Statutes. Supplier shall maintain all public records and, upon request, provide a copy of requested records or allow records to be inspected within a reasonable time. Supplier shall also ensure that any public records that are exempt or confidential from disclosure are not disclosed except as authorized by law. In event Supplier fails to abide by provisions of Chapter 119, Florida Statutes, County may, without prejudice to any other right or remedy and after giving Supplier seven (7) days written notice, during which period Supplier still fails to allow access to such documents, terminate PO. **IF SUPPLIER HAS QUESTIONS REGARDING APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO SUPPLIER' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO PO, CONTACT CUSTODIAN OF PUBLIC RECORDS AT: 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. 22. Severability. If any section, sentence, clause, phrase or portion of PO are, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion will be deemed separate, distinct, and independent and such holding will not affect validity of remaining portion of PO.

Title:

Approve and authorize the Chairman to execute the Conditional Utilities Agreement for Water, Wastewater, or Reclaimed Water Services for the Reagan Center Phase I Development. District2 - Zembower and District4 - Lockhart **(Johnny Edwards, Utilities Director)**

Division:

Utilities - Business Office

Authorized By:

Johnny Edwards, Utilities Director

Contact/Phone Number:

Johnny Edwards/407-665-2005

Background:

On June 25, 2024, the Board of County Commissioners approved the Reagan Center PD Major Amendment Rezone ("Project") and Development Order 23-20500017 ("DO") for property in District 2. The DO included requirements and conditions of utility service for each Development Phase of the Project. Among the DO conditions were requirements for certain capacity improvements to be installed prior to each phase of development and for the developer to pay a proportionate share of these improvements.

PRM Integra/Seminole Owner LLC (Developer) has applied to permit and develop Phase I of the Project which includes 326 multifamily dwelling units and a clubhouse. As provided in the DO, an existing County sanitary sewer pump station, located in District 4 and identified as Hampton Park Master Pump Station ("HPM"), must be upgraded prior to completion of Phase I to handle the anticipated increase of wastewater flow to HPM.

Jacobs Engineering, on behalf of the County ("Engineer"), has prepared a preliminary design report and is currently preparing the engineering plans and specifications to upgrade HPM. Staff have included $4.5 million in the proposed FY 26 CIP budget

(Project 02608051) for the construction of HPM based on preliminary engineering estimates.

Consistent with the DO, the proposed Utilities Agreement, in addition to the standard provisions regarding developer's connection to County utilities, provides the following:

1. Developer must pay either the water connection fee, or the proportionate share of projected water system improvements, whichever is greater, to reserve water capacity ;

2. Developer must pay either the wastewater connection fee, or the proportionate share of projected wastewater system improvements, whichever is greater , to reserve wastewater capacity;

3. Developer will contract to construct HPM in accordance with the plans and specifications prepared by Engineer;

4. The County will reimburse Developer for the costs associated with the construction of HPM upgrades using the Developer's proportionate share for wastewater capacity improvements and supplementing with other budgeted funds;

5. Detailed responsibilities and processes related to the construction of HPM upgrades;

6. Procedures for conveyance of installed improvements, easements and property to the County for public use.

The DO provides the option of allowing the Developer to construct the HPM upgrades, which gives the Developer a measure of control over the timing of the project and the construction schedule. Construction of the HPM is a prerequisite of certificate of occupancy issuance. Additionally, County and Developer will be stakeholders in the costs associated with said construction.

The Utilities Agreement will only authorize the aforementioned provisions directly related to water and wastewater capacity, connections to County utilities, and upgrades of HPM. The Agreement does not authorize any other aspect of construction related to the Project.

Requested Action:

Staff requests that the Board approve and authorize the Chairman to execute the Conditional Utilities Agreement for Water, Wastewater, or Reclaimed Water Services for the Reagan Center Phase I Development.

(k) Equivalent Residential Connection (ERC). A factor used to convert a given ADF to the equivalent number of residential connections. For this purpose, the ADF of one ERC is defined in the most current Utility Rates as found in the Seminole County Administrative Code, Section 20.45. ERCs are calculated as a whole number. The rounding of ERCs to whole numbers are calculated as follows: 0.5 and greater are rounded up to the next whole number and 0.49 and less are rounded down to the next whole number.

(l) Facilities. See Utility Facilities below.

(m) FDEP. The Florida Department of Environmental Protection or its successor agency.

(n) GPD. Gallons per day.

(o) Installation. See Utility Facilities below.

(p) Point of Delivery. The designated points at which the Consumer's Installation is connected to the COUNTY water system, wastewater system, or reclaimed water system, as designated in DEVELOPER's Phase I plans approved by the COUNTY. For Development Phase I specifically, the point of delivery for water is a proposed on-site master water meter and the point of delivery for wastewater is an existing off-site wastewater pump station, as shown on the aforementioned Development Phase I plans.

(q) Property. The real property owned or controlled by DEVELOPER for which water service capacity allocation, wastewater service capacity allocation, reclaimed water service capacity

allocation, or a combination of them is requested as described in Exhibit A and shown on the survey in Exhibit B, attached to this Agreement.

(r) Proportionate Share. Has the meaning ascribed to it within the DO, specifically Section (3)J.3.

(s) Service Rates or Rates. COUNTY's applicable schedules of Rates and charges for water, wastewater, and reclaimed water services including, by way of illustration and not limitation, Capacity Fees, meter set fees, and any and all other fees or charges that may be in effect from time to time pursuant to the ordinances, resolutions, or policies adopted by COUNTY. The schedules of Service Rates are of general and uniform application within the COUNTY-wide water, wastewater, and reclaimed water utility systems.

(t) Water Main System Capacity Improvements and Wastewater System Capacity Improvements. Has the meanings ascribed to them within the DO for Development Phase I, specifically Section (3)J. collectively referred to as "System Capacity Improvements".

(u) Utility Facilities, Facilities, or Installations. All tangible personal property, including by way of illustration and not limitation, all equipment, fixtures, pumps, lines, mains, manholes, lift stations, pumping stations, laterals, service connections, and any and all appurtenances to these items, together with all real property, easements, and rights-of-way that are necessary to provide water, wastewater, and reclaimed water services to the Property, whether located on-site or off-site.

Section 3. Capacity Allocation.

(a) The parties agree the capacity needed to provide utility services to the Property is as follows:

(i) 82,833 GPDs for potable water supply, which is estimated to be 331 ERCs.

(ii) 71,236 GPDs for wastewater, which is estimated to be 331 ERCs.

(iii) _N/A__ GPDs for reclaimed water supply, which is estimated to be _N/A Billing Units, supplying approximately ___N/A_____ acres of the Property.

(b) Capacity allocation is subject to Developer's ownership of property described in Exhibit A and FDEP approval of applicable permits for the Property pursuant to Section 403.061(14), Florida Statutes, and Florida Administrative Code Rule 62-4.070, as these provisions may be amended from time to time. If FDEP refuses to issue applicable permits solely because capacity is not available, DEVELOPER may request COUNTY to rescind the allocation of capacity.

Section 4. Agreement to Serve. Upon the completion of construction of any Facilities, Water Main and Wastewater System Capacity Improvements by DEVELOPER, satisfactory inspections, the issuance of the final letter of acceptance by COUNTY, and subject to the terms of this Agreement, COUNTY shall permit connection of said Facilities installed by DEVELOPER to the central facilities of COUNTY and shall provide utility service in accordance with the terms and intent of this Agreement. Such connections must at all times comply with rules, regulations, and orders of the applicable governmental authorities. Once DEVELOPER or others have connected any Consumer Installations, Water Main and Wastewater System Capacity Improvements, or Facilities to COUNTY's central system, COUNTY shall continuously provide utility services to the Property subject to continued compliance by DEVELOPER or Consumer with all applicable COUNTY requirements for such services.

Section 5. Capacity Fees and Proportionate Share Obligations. DEVELOPER is required to pay either Capacity Fees for water and wastewater capacity or the required Proportionate Share contribution for Water Main and Wastewater System Capacity Improvements as calculated per the DO, whichever is greater.

(a) Capacity Fees. In addition to the CIAC, where applicable, DEVELOPER shall pay to COUNTY all applicable Capacity Fees in accordance with the Rate schedule in effect at the time of payment. Payment of the Capacity Fees will not excuse DEVELOPER from payment of any other charges uniformly made including, but not limited to, meter fees and meter set fees. COUNTY is not obligated to refund any portion of Capacity Fees paid, nor is COUNTY obligated to pay interest on Capacity Fees paid.

(i) If FDEP does not issue the applicable permits solely because capacity is not available, COUNTY shall provide refunds of the Capacity Fees within thirty (30) days of written notification by DEVELOPER of FDEP's denial. Such requests to COUNTY for refunds must be accompanied by a written request from DEVELOPER that COUNTY rescind the capacity allocation.

(ii) DEVELOPER is obligated to pay Capacity Fees, or any initial portion of them, in accordance with the applicable COUNTY resolution in effect at the time DEVELOPER is required to make payment. No user or Consumer of water services is entitled to offset any bill rendered by COUNTY for such services against Capacity Fees paid. DEVELOPER is not entitled to offset Capacity Fees paid or payable against any claims of COUNTY.

(b) Water System Capacity Proportionate Share. Based on the projected costs of Water Main System Capacity Improvements needed to serve to the required 1,600 ERCs for the Project and other projected surrounding area growth, the Water Capacity Fees required by Seminole County Administrative Code 20.45 are projected to be insufficient to cover DEVELOPER's required 41% Proportionate Share contribution as per the DO. The current projected costs of needed area Water Capacity Improvements is $7.425 million. The calculation of DEVELOPER's Proportionate Share contribution for Development Phase I of the Project is:

(331 ERCs / 1,600 ERCs)*(0.41)*($7,425,000) = $629,779.22

The Water Capacity Fee total for Development Phase I, as of the date of this Agreement, is $601,171.42. Thus, to reserve Water Capacity, DEVELOPER is required to pay the Proportionate Share contribution per the DO instead of the Water Capacity Fee. The Proportionate Share contribution paid by DEVELOPER will be credited against the Water System Capacity Improvements Proportionate Share required by the DO Section (3)J for Development Phase I.

(c) Wastewater System Capacity Proportionate Share. Based on the projected costs of Wastewater System Capacity Improvements needed to serve to the 1,600 ERCs and other projected surrounding area growth, the Wastewater Capacity Fees required in Seminole County Administrative Code 20.45 are projected to be insufficient to cover DEVELOPER's required 42% Proportionate Share contribution as per the DO. The current projected costs of needed area Wastewater Capacity Improvements is $12.5 million. This includes $5 million for the Master Pump Station (estimated Total Project Cost, as defined below) required for Development Phase I, and $7.5 million in pipeline improvements required in subsequent Phases of the Project. The calculation of DEVELOPER's Proportionate Share contribution for Development Phase I of the Project is as follows:

(i) Phase I Proportionate Share of Master Pump Station Total Project Cost:

(331 ERCs / 1,600 ERCs)*(0.42)*($5,000,000) = $434,437.50

(ii) Phase I Proportionate Share of Subsequent Sewer Pipeline Improvements:

(331 ERCs /1,600 ERCs)*(0.42)*($7,500,000) = $651,656.25

(iii) Total Phase I Wastewater Proportionate Share Contribution: $1,086,093.75

The Wastewater Capacity Fee total for Development Phase I, as of the date of this Agreement, is $741,620.75 for 331 ERCS. Thus, to reserve Wastewater Capacity, DEVELOPER is required to pay the Proportionate Share contribution per the DO instead of the Wastewater Capacity Fee. The Proportionate Share contribution paid by DEVELOPER will be credited against the Wastewater

System Capacity Improvements Proportionate Share contribution required by the DO Section (3)J for Development Phase I. At Final Completion of the Master Pump Station, the total Phase I Wastewater Proportionate Share contribution will be updated based on Master Pump Station Total Project Cost (and include $7.5 million for future pipeline work, adjusted for inflation) to determine the appropriate reimbursement to DEVELOPER.

Section 6. Payment of Capacity Fees or Proportionate Share Contribution. Fees are due and payable in accordance with the applicable COUNTY resolution in effect at the time of payment. A monthly operating charge will be assessed for each remaining unit or ERC that has not been transferred to a Consumer after two (2) years from the date COUNTY accepts DEVELOPER's infrastructure or at the time of final inspection pertaining to a private system. Failure to pay monthly operating charges may result in the termination and recapture of capacity allocation. The COUNTY'S obligation to reimburse Total Project Cost for Master Pump Station Construction is contingent on DEVELOPER first paying the applicable Water and Wastewater System Capacity Improvements Proportionate Share contribution as described in this Agreement.

Section 7. On-Site Installations. To induce COUNTY to provide utility services to the Property, DEVELOPER shall construct and transfer ownership and control to COUNTY, as a CIAC, the On-Site Installations. The term "On-Site Installations" means and includes all related Facilities from the point of entry of COUNTY Facilities at DEVELOPER's Property line to the agreed Point of Delivery that will be located on the Property following conveyance to COUNTY pursuant to Section 11 hereof, excluding Consumer Installations serving each lot or unit within the Property that are adequate in size and design to serve those lots or units. DEVELOPER shall install at its sole expense all of the above described Facilities within the Property in accordance with the plans, specifications, and all other pertinent documents approved by COUNTY and in accordance with Section 9, below.

Section 8. Off-Site Installations; Wastewater System Capacity Improvements.

(a) Off-Site Installations of Utility Facilities. To induce COUNTY to provide utility service to the Property, DEVELOPER shall construct and transfer ownership and control to COUNTY, as a CIAC, all necessary Off-Site Installations. The term "Off-Site Installations" means and includes all related Facilities adequate in size and design to serve the Property or as otherwise required by COUNTY necessary to connect from DEVELOPER's Property to COUNTY's existing Facilities. Such Off-Site Installations must comply with the master plans of COUNTY as they relate to the water, wastewater, or reclaimed water utility systems. DEVELOPER shall install all Off-Site Installations at its sole expense and in accordance with the plans, specifications, and other pertinent documents approved by COUNTY, except that, in no event, will DEVELOPER be required to oversize lines to the benefit of other properties without prior agreement for reimbursement on behalf of such other properties. DEVELOPER shall construct the Off-Site Installations in accordance with Section 9, "Procedures for Construction of Installations" below. The System Capacity Improvements, as described in the DO Section (3)J, are not Off-Site Installations, however, are considered in determining DEVELOPER's Water and Wastewater Proportionate Share.

(b) Wastewater System Capacity Improvements Development Phase I (Master Pump Station Specific Conditions). The DO provides that upon completion of all phases of the Project, the number of ERCs needed is projected to be 1,600 ERCs. Upon completion of the Wastewater System Capacity Improvements for Development Phase I, as outlined herein, this Agreement authorizes capacity for 331 of the 1,600 ERCs. As set forth in the DO, the Wastewater System Capacity Improvements required for Development Phase I include construction of a replacement Hampton Park Master Pump Station ("Master Pump Station") as designed by COUNTY. Development Phase I is to include 331 total ERCs across nine separate buildings, each requiring a separate Certificate of

Occupancy ("CO"). COUNTY will not approve any COs until the Master Pump Station, has been constructed, and construction is certified as Substantially Complete by COUNTY and the Project Engineer, as defined below. Alternately, COUNTY, at its sole discretion, may approve individual COs if DEVELOPER can provide evidence to show minimal impact to the existing Hampton Pump Station, and all other applicable requirements for CO issuance have been satisfied.

(i) Master Pump Station Design and Engineering. COUNTY is responsible for procuring engineering services to design the Master Pump Station ("Project Engineer"). COUNTY will provide DEVELOPER electronic copies of the work order(s) and schedule for the Project Engineer, as well as draft plans and specifications within two business days following receipt by COUNTY. COUNTY and the Project Engineer will provide surveying, design, opinion of probable construction cost ("OPCC"), FDEP water/wastewater permit applications during the design phase and services during construction such as inspection, coordination of progress meetings, review of shop drawings, review of change orders, responses to requests for additional information, and applications for FDEP clearances for the Master Pump Station. The cost for design and engineering services for the Master Pump Station will be included in the Total Project Cost, as defined below.

(ii) Master Pump Station Construction. DEVELOPER will use COUNTY-provided plans and specifications to contract directly with a contractor to construct the Master Pump Station and associated modifications. The specifications will include, but not be limited to, minimum qualifications for a contractor, requirements for a pre-construction meeting; shop drawings and other submittals; progress meetings; references to County Utilities Engineering Standards; COUNTY inspections; Record Drawings; testing and startup.

(A) Bid Process and Requirements. DEVELOPER agrees to solicit bids for the work, in compliance with the terms of this Utilities Agreement, for construction of the Master

Pump Station individually as detailed in County-provided plans and specifications, without any other work or construction services included for On-Site or Off-Site Facilities in the bid package. DEVELOPER shall provide COUNTY with the proposed bid package prior to advertising the solicitation, and COUNTY shall have the right to review and comment on the bid package. DEVELOPER must take COUNTY's input into account when making revisions, if any, to the bid package based on the COUNTY's comments. DEVELOPER must obtain no less than two (2) competitive bids from qualified contractors, as defined in COUNTY-provided specifications, for construction of the Master Pump Station. If DEVELOPER or prospective contractors have any conflicts of interest, DEVELOPER must promptly notify COUNTY in writing. DEVELOPER must provide all bid responses it has received to COUNTY in its entirety. COUNTY will review the bids promptly and, within five (5) business days of receipt of the bids, will inform DEVELOPER of its approval or rejection thereof. If approved, COUNTY will authorize DEVELOPER to award the construction contract to an approved bid. If COUNTY fails to so inform DEVELOPER within said five business (5) day period, all submitted bids shall be deemed approved by the COUNTY. DEVELOPER and COUNTY will discuss review of the bids and resolution of discrepancies and concerns, prior to award of the construction contract, and COUNTY's approval of bids shall not be unreasonably withheld or conditioned.

(B) Construction Contract. Before execution of the construction contract ("Construction Contract") between DEVELOPER and the selected contractor ("CONTRACTOR"), DEVELOPER will forward the draft Construction Contract to COUNTY and COUNTY will have ten (10) calendar days to provide proposed revisions to the terms of the draft Construction Contract for consideration by DEVELOPER. The Construction Contract must only include the work for

construction of the Master Pump Station as designed by County and, at minimum, include the following terms:

1) A provision for the contract time, to include the number of calendar days within which CONTRACTOR shall make diligent efforts to achieve Substantial Completion and to achieve Final Completion within timeframes detailed in the Construction Contract.

2) In the event there are material breaches of the Construction Contract, remedies available to DEVELOPER shall include the ability for DEVELOPER to terminate the Construction Contract for cause and convenience, and a dispute resolution process. Such dispute resolution process will be between the CONTRACTOR and DEVELOPER; however, DEVELOPER must notify COUNTY promptly of any disputes. As part of this Agreement, COUNTY reserves the right to provide input on any disputes between CONTRACTOR and DEVELOPER, which must be taken into account when resolving and settling disputes.

3) The requirement for CONTRACTOR to provide payment and performance bonds with a surety licensed to do business in the State of Florida in the amount of 100% of the construction portion of the Total Project Cost.

4) Contractor shall warrant and guarantee that all work conducted by CONTRACTOR under the Construction Contract will be in accordance with the Construction Contract and will not be defective. All defective work or materials, whether or not in place, may be rejected, corrected or accepted by COUNTY. The obligations of CONTRACTOR under this Section will be in addition to and not in limitation of any obligation imposed upon CONTRACTOR by special guarantees required by the Construction Contract or otherwise prescribed by applicable laws or regulations.

5) The warranty period under the Construction Contract will commence on the date of Final Completion, and extend until two (2) years after that date (or whatever longer period may be prescribed by laws or regulations or by the terms of any applicable special guarantee or specific provision of the Construction Contract). If within the designated warranty period, the work conducted under the Construction Contract, or any part of the work conducted under the Construction Contract, is discovered to be defective, Contractor, without an adjustment in contract price and in accordance with DEVELOPER's written instructions, shall promptly either correct the defective work, or if it has been rejected by COUNTY or DEVELOPER, remove it from the site and replace it with non-defective work. If circumstances warrant it, including, but not limited to, in an emergency, DEVELOPER may have the defective work corrected or the rejected work removed and replaced. In that event, CONTRACTOR will not be allowed to recover any associated costs, and CONTRACTOR shall reimburse DEVELOPER for all direct, indirect and consequential costs of DEVELOPER. DEVELOPER will reserve and retain all of its rights and remedies at law and equity against CONTRACTOR and its Surety for damages and for corrections of any and all latent defects. Any defective work that is either corrected or rejected and replaced will be warranted and guaranteed for a period of an additional two (2) years from the date of such correction or removal and replacement, even if it had previously been corrected or replaced. If within such extended warranty periods, that work is once again found to be defective, DEVELOPER will be entitled to all of DEVELOPER's rights and remedies under the warranty.

6) Requirements for insurance as provided in Exhibit C attached to this Agreement.

7) COUNTY and its consultants, commissioners, directors, officers, agents, and employees, without limitations of liability, must be specifically named as a third-party

beneficiary of indemnification provisions in favor of DEVELOPER, and bonds or warranties, and as an additional insured under any insurance afforded to DEVELOPER by CONTRACTOR.

8) Affidavit of Payment, affirming that all subcontractors and vendors have been paid in full, must be provided to DEVELOPER (and subsequently to COUNTY) prior to final payment to CONTRACTOR.

9) A material and workmanship bond must be furnished by CONTRACTOR as a guarantee, whereas the issuing Principal is obligated to the DEVELOPER and COUNTY against any defects resulting from faulty materials or workmanship of said project for a period of two (2) years from the date of Final Completion. This bond shall be in an amount equal to 10% of the final negotiated price in the Construction Contract as may be adjusted in the final application for payment or through change orders.

(C) Sales Tax Exemption. After award of the Construction Contract, DEVELOPER and COUNTY shall identify all items under the Construction Contract that may qualify for the sales tax exemption ("Sales Tax Exemption") provisions set forth in Section 212, Florida Statutes, and Rule 12A-1.094, Florida Administrative Code. DEVELOPER and COUNTY shall take reasonable steps to make use of the Sales Tax Exemption for all items mutually agreed. The Sales Tax Exemption shall not result in a credit against any proportionate share payment by DEVELOPER, but shall result in a reduction of the Construction Contract price to the extent of any sales tax savings achieved. Payments made by COUNTY to purchase equipment or materials under this program will be included in the calculation of Total Project Cost.

(D) Construction Schedule, Conferences, and Documents. A pre-construction conference must be held by DEVELOPER, CONTRACTOR and COUNTY to discuss the construction schedule and Project milestones. CONTRACTOR must provide a proposed

construction schedule, list of sub-contractors, milestones, proposed payment schedule, and emergency contact information. DEVELOPER will maintain a ledger of shop drawings and material submittals from CONTRACTOR, which will be reviewed by DEVELOPER and then submitted to COUNTY for review. Materials for the Master Pump Station should only be ordered after both the DEVELOPER and COUNTY have approved shop drawings and materials, provided that (i) COUNTY's approval thereof shall not be unreasonably withheld, conditioned, or delayed, and (ii) if COUNTY fails to notify DEVELOPER and CONTRACTOR of its approval or disapproval of shop drawings or materials with the reasons for any disapproval within five (5) business days after submission by DEVELOPER to COUNTY, the requested field shop drawings or materials shall be deemed approved by COUNTY. Construction progress meetings will be held at intervals agreeable to both the COUNTY and DEVELOPER. CONTRACTOR must be responsible for submitting as-built drawings to DEVELOPER and COUNTY for the corresponding approximate stage of construction completion.

(E) Inspections and Monitoring. COUNTY and the Project Engineer, under agreement with the County, will provide inspections and monitoring of the Master Pump Station construction. DEVELOPER will be responsible for Project Record Drawings received from Contractor. The Project Engineer will certify permit clearance applications requiring engineer's certification.

(F) Change Orders. Field changes and change orders that increase the Construction Contract price by more than 10% must be agreed upon by both COUNTY and DEVELOPER, prior to CONTRACTOR performing the work, except in emergency situations. Emergency situations are generally described as those affecting the safety or protection of persons or the Project, or property at the Project site or adjacent to it. COUNTY shall review any field

changes and/or change orders within five (5) business days and notify DEVELOPER and CONTRACTOR of COUNTY's approval or disapproval of the same. If COUNTY fails to so notify DEVELOPER and CONTRACTOR within said five (5) business day period, the requested field changes/change orders shall be deemed approved by COUNTY. Except as provided herein, DEVELOPER may proceed with all other field changes and/or change orders unilaterally, provided however that DEVELOPER shall provide two (2) business days' prior written notice of such field changes and/or change orders to COUNTY. DEVELOPER may submit applications for payment related to approved change orders to the COUNTY, and will pay CONTRACTOR's applications for payment in connection therewith, all in the same manner as any other application for payment under the Construction Contract.

(G) Testing. Field testing and start-ups of all Master Pump Station components must be in accordance with COUNTY utility standards and practices, as detailed in the project specifications, and will be the responsibility of the CONTRACTOR to perform. Field testing will be observed by COUNTY inspectors. Tests reports will be submitted to COUNTY for review and approval.

(H) Substantial Completion. A substantial completion walkthrough inspection and meeting must be scheduled by DEVELOPER and must include COUNTY. The Master Pump Station will be considered substantially complete by COUNTY after Work is complete in accordance with the Contract Documents, with the exception of the minor items identified during the inspection described above, and the Work can be utilized for the purposes for which it is intended, as may be evidenced by successful completion of all specified pre-operational start-up and demonstration tests ("Substantially Complete" or "Substantial Completion"). Draft final as-builts must be submitted to COUNTY for review. Once deemed Substantially Complete, COUNTY will

provide a Certificate of Substantial Completion to document the date of substantial completion and minor items remaining for Final Completion.

(I) Final Completion and Payment to Contractor. A final completion walkthrough inspection and meeting with CONTRACTOR must be scheduled by DEVELOPER and must include COUNTY. "Final Completion" will be considered to have occurred when the construction is finally completed (the Master Pump Station site and any other decommissioned pump station sites have been fully restored, as-builts have been finalized, record drawings have been prepared, all permits and other Project documents have been closed out, all test reports have been submitted), in accordance with the contract documents, as modified by any change orders agreed to by the parties, so that the COUNTY can utilize the project for its intended use and when all deficiencies listed in the Certificate of Substantial Completion have been corrected ("Final Completion").

Contractor's Affidavit of Payment must be submitted to DEVELOPER, and thereafter provided to COUNTY for review and approval, prior to final payment by DEVELOPER to Contractor.

(iii) Master Pump Station Total Project Cost. The Total Project Cost for the Master Pump Station is defined as all the expenses paid by COUNTY and DEVELOPER to design, engineer, construct and certify the Master Pump Station. These expenses include, but are not limited to, the preliminary design report, services of Project Engineer as previously described, surveying, permitting, construction, inspection, and any other services or tasks necessary to complete and put into operation the Master Pump Station. Total Project Cost does not include any of DEVELOPER's On-Site or Off-Site Installations, or any improvements required by COUNTY or DO, other than the Master Pump Station. Other System Capacity Improvements identified in the DO will be addressed in subsequent phases and are not applicable to Phase I.

(iv) Payment. COUNTY will pay the construction costs, detailed in the Construction Contract and any change orders approved by COUNTY, for Master Pump Station construction by DEVELOPER in accordance with this section. DEVELOPER shall submit applications for payment no more than once every month to COUNTY. Pay applications must include copies of CONTRACTOR pay applications to DEVELOPER, supporting documentation substantiating the payment request, contractor's Affidavit of Payment (for final payment) and any other information COUNTY deems reasonably required to support the requested payment. For progress payments, COUNTY'S payment to DEVELOPER for DEVELOPER's pay application shall not be preconditioned on DEVELOPER first paying CONTRACTOR for CONTRACTOR's corresponding pay application that was submitted to DEVELOPER. Once the funding request and all required documents are received, reviewed and approved by COUNTY, COUNTY shall timely make payment to DEVELOPER. DEVELOPER shall timely pay Contractor within five (5) business days of receipt of payment from COUNTY. COUNTY will withhold 10% retainage to ensure COUNTY retains adequate funds for the difference between Opinion of Probable Construction Cost and actual construction costs. Developer shall pay contractor Retainage will be released upon acceptance of final completion of the Master Pump Station and receipt and verification of final application for payment. Application for final payment will be preconditioned on Developer's first paying the Contractor and obtaining an affidavit from Contractor verifying payment in full, in addition to County's acceptance of Final Completion and related documentation.

Section 9. Procedures for Construction of DEVELOPER On-Site and Off-Site Installations. DEVELOPER shall ensure that construction of all On-Site and Off-Site Installations, as defined in Section 7 and 8(a) above, respectively, comply with the following requirements:

(a) Permits. DEVELOPER shall submit applicable FDEP permit applications to COUNTY for signature prior to submission of permit application to FDEP. DEVELOPER shall make application to COUNTY for Underground Utility Permits and any other applicable permits such as Right-of-Way Use Permits upon receipt of an approved permit from FDEP.

(b) Plans and Specifications. No construction may commence until COUNTY and appropriate regulatory agencies have approved Plans in writing and COUNTY has received copies of the construction permits. If construction commences prior to all such approvals, COUNTY will have no responsibility to accept any of the DEVELOPER Installations and COUNTY may elect to terminate this Agreement or withhold utility services until such time as DEVELOPER has obtained all required approvals. If DEVELOPER wishes to record the plat of a subdivision prior to construction of any DEVELOPER Installation, DEVELOPER shall post a performance bond that is one hundred ten percent (110%) of the cost of construction of the DEVELOPER Installation.

(c) Pre-construction Conference. After securing all permits and approvals of Plans by COUNTY and the other agencies, DEVELOPER or the engineer of record shall set up a pre-construction conference with the engineer of record, utility contractor, the appropriate building officials, and COUNTY.

(d) Notice to COUNTY. DEVELOPER shall provide to COUNTY not less than forty-eight (48) hours written notice prior to commencement of construction and submit as-built surveys seven (7) days prior to final inspection. DEVELOPER shall provide to COUNTY forty-eight (48) hours notice, which may be either written or oral, prior to any inspections or tests (other than final inspection) being performed as described in this Agreement. Notices will be deemed given upon actual receipt of them by COUNTY.

(e) Inspections and Tests. During construction of any DEVELOPER Installation, COUNTY has the right to inspect such DEVELOPER Installation including, but not limited to the materials, equipment, piping, and Capacities to determine compliance with the approved Plans. The engineer of record shall also inspect construction to ensure compliance with approved Plans, permits, and other applicable requirements. All standard tests and inspections for pressure, exfiltration, line and grade, and all other engineering tests and inspections must be performed with the engineer of record and utility contractor present to determine that the systems have been installed in accordance with the approved Plans, permits, and good engineering practices, and are functioning satisfactorily for the purpose for which the DEVELOPER Installation was designed. It is DEVELOPER's responsibility to ensure that all construction and the DEVELOPER Installation fully meet approved Plans, permits, and applicable requirements of law and, upon completion, that the DEVELOPER Installation functions satisfactorily for the purpose for which it was designed.

(f) Completion. Upon completion of construction, DEVELOPER's engineer of record shall submit a signed certificate of completion certifying to COUNTY: (1) the construction of the DEVELOPER Installation is complete; (2) the DEVELOPER Installation has been constructed in accordance with all permits, approved Plans, and applicable requirements of law; and (3) as constructed, the DEVELOPER Installation will function for the purpose for which it was designed. If the certification is for a water distribution system, a copy of the bacteriological results and a sketch showing locations of all sample points must be provided to COUNTY.

(g) As-built and Record Drawings. At least seven (7) days prior to final inspection, DEVELOPER or contractor shall provide COUNTY with one (1) set of as-built surveys showing the location of all DEVELOPER Installations as constructed. Prior to COUNTY's acceptance of the

utility infrastructure, DEVELOPER or DEVELOPER's engineer shall provide record drawings as required by the Seminole County Utility Engineering Manual.

Section 10. Meters. COUNTY shall install meters necessary to serve the Property at the Point of Delivery for residential development. DEVELOPER shall install these meters for all other development. DEVELOPER's engineer shall calculate the number and size of such meter or meters according to the Seminole County Utilities Engineering Manual and submit these calculations for approval during the plans review process. The meters are to be installed by COUNTY after a building permit is issued for residential development and by DEVELOPER for all other types of development. DEVELOPER shall pay for the cost of these meters and associated labor charges prior to DEVELOPER Installation at the Rates charged by COUNTY in effect at that time. All meters and enclosures will remain the property of COUNTY. COUNTY is also responsible for the DEVELOPER Installation of a back-flow prevention device to be installed on the Consumer's side of the water meter for all residential development. DEVELOPER is responsible for the back-flow prevention device for all other types of development.

Section 11. Title to DEVELOPER Installations and System Capacity Improvements. As a condition precedent to the right to connect the On-Site Installations and any Off-Site Installations to COUNTY's utility system, DEVELOPER shall convey title to (i) the DEVELOPER Installations, including associated easements and rights-of-way reasonably required by COUNTY, and (ii) and the Wastewater System Capacity Improvements for Development Phase I, and the associated easements and rights-of-way reasonably required by COUNTY, in accordance with the following conditions:

(a) Compliance. DEVELOPER is in compliance with this Agreement.

(b) Time and Place of Conveyance**.** Unless otherwise agreed upon in writing, conveyance must be made when COUNTY is prepared to issue its letter of acceptance to DEVELOPER and

commence delivery of service to the Property. Upon completion of the DEVELOPER Installations and Wastewater System Capacity Improvements for Development Phase I, DEVELOPER shall deliver the necessary instruments of conveyance, properly executed, in substantially the same form attached to this Agreement as Exhibit D (Warranty Deed), Exhibit E (Bill of Sale) and Exhibit F (Easement), together with funds sufficient to pay all costs of conveyance and recording. Delivery must be made to COUNTY's Utilities Department Director or designee at the address shown in this Agreement for delivery of notices.

(c) Recording and Acceptance. The instruments of conveyance will be recorded in the Public Records of Seminole County, Florida. Following recording, COUNTY shall issue its letter of acceptance to DEVELOPER and COUNTY's obligations to provide utility services in accordance with this Agreement will commence.

(d) Assurance of Title. DEVELOPER shall, at its expense, deliver to COUNTY a title insurance policy or an opinion of title with respect to the Property confirming DEVELOPER's legal right to grant the deeds, easements, and exclusive rights of service contained in this Agreement as a condition precedent to COUNTY's issuance of a letter of acceptance or delivery of service.

(e) Conveyance. DEVELOPER shall convey all of its interest in the DEVELOPER Installations and Wastewater System Capacity Improvements for Development Phase I to be conveyed to COUNTY by Warranty Deed, Bill of Sale, Easement, Endorsement, Assignment, Affidavit of No Liens, and other good and sufficient instruments of transfer and conveyance, including necessary permits, as necessary to vest in COUNTY good and marketable title to the DEVELOPER Installations and Wastewater System Capacity Improvements for Development Phase I, free and clear of all liens and encumbrances. DEVELOPER shall unconditionally assign and transfer all of manufacturers' and contractors' warranties, maintenance books, and construction

contracts related to the DEVELOPER Installations and Wastewater System Capacity Improvements for Development Phase I to COUNTY. DEVELOPER shall remain secondarily liable on such warranties and shall indemnify and save COUNTY harmless from any losses, damages, costs, claims, suits, debts, or demands by reason of latent defects in the DEVELOPER Installations and Wastewater System Capacity Improvements for Development Phase I which defects could not have been reasonably discovered upon normal engineering inspection, for a period of two (2) years from the date of acceptance by COUNTY of the DEVELOPER Installations and Wastewater System Capacity Improvements for Development Phase I.

(f) Maintenance Bonds. DEVELOPER shall provide the appropriate maintenance bonds required by the Section 40.56, Seminole County Land Development Code, and the water and wastewater guidelines in effect at the time of conveyance.

(g) Manuals**.** DEVELOPER shall provide COUNTY with all operation, maintenance, and parts manuals necessary for the operation and maintenance of the DEVELOPER Installations and Wastewater System Capacity Improvements for Development Phase I prior to acceptance of the infrastructure.

Section 12. Easements.

(a) DEVELOPER hereby grants to COUNTY, subject to the terms of this Agreement, the exclusive right to construct, own, maintain, and operate Utility Facilities to serve the Property in any public place as provided and dedicated to public use in the record plats, or as provided for in agreements, dedications, or grants made otherwise and independent of such record plats, including the right of ingress and egress to access any Utility Facilities. COUNTY shall have the exclusive right to construct, own, maintain, and operate these Facilities constructed by or granted to COUNTY in, under, upon, and across such areas. Notwithstanding the foregoing, this grant shall be subject to and

in accordance with the terms and provisions contained in or shown on such agreements, dedications, grants, or record plats.

(b) DEVELOPER hereby further represents and warrants that the foregoing grants shall include the necessary right of ingress and egress to any part of DEVELOPER's Property upon which COUNTY is constructing or operating Utility Facilities. The foregoing grants will continue for as long as COUNTY requires such rights for the construction, ownership, maintenance, operation, or expansion of the Facilities.

(c) DEVELOPER, upon request of COUNTY, shall execute recordable easements acceptable to COUNTY to carry out the purposes of this Section.

(d) In the event DEVELOPER and COUNTY agree to install any of the Facilities in lands within the Property lying outside the streets and easement areas described above, then DEVELOPER or the owner shall grant to COUNTY the necessary easements for such "private property" installation.

(e) Subject to COUNTY's prior written consent, the use of easements granted by DEVELOPER to COUNTY does not preclude the use of other utilities of these easements, such as cable television, telephone, electric or gas utilities, provided each of these other utilities does not interfere with COUNTY's use of these easements.

(f) COUNTY shall utilize all easement grants in accordance with generally accepted practices of publicly owned water and sewer utilities with respect to the DEVELOPER Installation of all its Facilities in any of the easement areas.

(g) Where utilities are to be installed in, under, and across privately owned streets, rights-of-way, tracts, and easements, DEVELOPER shall ensure that the quality of restoration of landscaping and pavement associated with COUNTY's maintenance activities on those utilities will

equal that which would be performed in streets, rights-of-way, tracts and easements dedicated to the public.

Section 13. Mortgage Liens. COUNTY's obligations under this Agreement are conditioned upon all mortgagees, if any, holding prior liens on the Property to do one of the following:

(a) release such liens;

(b) subordinate their lien positions to this Agreement and any instruments associated with this Agreement;

(c) join in any conveyance, grant or dedication of the easements or rights-of-way associated with this Agreement; or

(d) grant to COUNTY assurance by way of a "non-disturbance agreement" that in the event of foreclosure, mortgagee would continue to recognize the ownership and easement rights of COUNTY, as long as COUNTY complies with the terms of this Agreement.

All Facilities, except for Consumer Installations, must be covered by easements or rights-of-way if not located within platted or dedicated roads or rights-of-way for utility purposes.

Section 14. COUNTY'S Exclusive Right to Utility Facilities. Facilities accepted by COUNTY in Capacity with providing utility services to the Property will at all times remain in the sole and exclusive ownership of COUNTY. Any person or entity owning any part of the Property or any residence, building, or unit constructed or located on the Property will not have any right, title, claim, or interest to such Facilities for any purpose, including the furnishing of water, wastewater, or reclaimed water services to others located within or beyond the limits of the Property. Subject to COUNTY's written consent, DEVELOPER may utilize other water sources for the Property for "non-domestic" uses such as for irrigation purposes.

Section 15. Exclusive Right to Provide Services. DEVELOPER shall not engage in the business of providing utility services to the Property. DEVELOPER hereby grants COUNTY the sole and exclusive right to provide utility services to the Property and to the occupants on the Property.

Section 16. Service Rates.

(a) The Rates to be charged by COUNTY to DEVELOPER or to a Consumer for services on the Property will be those Rates charged by COUNTY to its other customers pursuant to Service Rates from time to time in effect as defined in this Agreement. COUNTY reserves the right to withhold or disconnect utility services at any time the Service Rates are not paid on a current basis within forty (40) days after the these services are billed, provided that notification of such delinquency has been made by COUNTY to DEVELOPER or Consumer being served. DEVELOPER shall save and hold COUNTY harmless for any loss or damages resulting from the exercise of this right.

(b) The utility services to the Property are subject to such other regulations from time to time imposed on COUNTY with respect to the operations of its water, wastewater, and reclaimed water systems, and except as limited by such regulations, the amounts of utility deposits, and billing practices and times, liability for damage to COUNTY's Property and Rate changes will be exclusively within the discretion and control of COUNTY.

Section 17. Application for Service to Consumer Installations.

(a) DEVELOPER, or any owner or occupant on the Property (Consumer), shall not connect any Consumer Installation to the Facilities of COUNTY until Application has been made to COUNTY by DEVELOPER or Consumer and approval for such Capacity has been granted.

(b) DEVELOPER or the Consumer will be responsible for connecting the Consumer Installation to the meter and lines of COUNTY's utility system at the Point of Delivery in accordance with the following requirements:

(1) Application for the installation of meters and back-flow preventors must be made twenty-four (24) hours in advance, not including Saturdays, Sundays, and legal holidays.

(2) All Consumer Installations may, at COUNTY's sole option, be inspected by COUNTY before backfilling and covering of any pipes.

(3) Written notice to COUNTY requesting an inspection of a Consumer Installation may be given by DEVELOPER, the Consumer, or his contractor, and the inspection must be made within twenty-four (24) hours, not including Saturdays, Sundays, and legal holidays, provided the meters and back-flow preventor, if applicable, have been previously installed.

(4) If COUNTY fails to inspect the Consumer Installation within forty-eight (48) hours, excluding Saturdays, Sundays, and legal holidays, after such inspection is requested in writing, DEVELOPER or Consumer may backfill or cover the pipes without COUNTY's inspection and approval.

(5) The cost of construction, operation, maintenance, repair, or replacement of Consumer Installations will be the responsibility of DEVELOPER or Consumer and not COUNTY.

Section 18. Water Conservation. DEVELOPER shall employ water conservation measures in development of the Property as indicated in Sections 270.251 – 270.260, Seminole County Code. Subject to COUNTY review and approval to encourage water conservation, such measures must include but are not limited to:

(a) Installation of low flush toilets that utilize 1.6 gallons or less of water per flushing cycle.

(b) Installation of shower heads which have flow restrictors, pulsating features, flow control devices or other features that result in water conservation and do not allow a flow exceeding 2.5 gallons per minute at 80 psi.

(c) No swimming pool filter backwash water or any other swimming pool wastewater may be discharged to the sanitary sewer system.

(d) Installation of spring-loaded, automatic shutoff water fixtures in all public restrooms, including lavatory fixtures.

Section 19. Inspection. COUNTY may, at its option and without notice, inspect DEVELOPER's Utility Facilities at all times whether before or after completion of construction and after COUNTY accepts these Facilities. COUNTY, by inspecting or not inspecting to any extent whatsoever, does not assume responsibility for construction or DEVELOPER Installation of DEVELOPER's Utility Facilities. Any such inspection or non-inspections will in no way be deemed to waive any rights available to COUNTY for defaults on the part of DEVELOPER, or to consent to any defects, omissions, or failures in the design, construction and DEVELOPER Installation of DEVELOPER's Utility Facilities.

Section 20. Relocation of Utility Facilities. DEVELOPER shall perform any relocation of Utility Facilities required for DEVELOPER's convenience or necessity at DEVELOPER's expense, provided such relocation can be accomplished without adverse impact on any other part of the Facilities or other Consumers.

Section 21. Notices. Any payment or notice required or permitted under this Agreement must be in writing and will be deemed properly made when hand delivered to the official designated below, or upon actual receipt when deposited in the United States mail, postage prepaid, addressed as set forth below, or at such other address as may have been specified by written notice to the other party delivered in accordance with this Section:

Section 22. Costs and Attorneys' Fees. Section 23. Assignment. This Agreement may not be assigned by DEVELOPER without the prior written consent of COUNTY, which will not be unreasonably withheld, provided DEVELOPER's successor or assign expressly assumes DEVELOPER's obligations under this Agreement by execution of an Assignment of Conditional Utility Agreement within forty-five (45) days of closing of a conveyance of the Property. Capacity allocated under this Agreement may not be sold or assigned to any other property whether or not owned by DEVELOPER.

Section 24. Strict Compliance. Failure to insist upon strict compliance of any of the terms, covenants, or conditions in this Agreement will not be deemed a waiver of such provisions, nor will any waiver of any right under this Agreement at any one time be deemed a waiver of such right at any other time.

Section 25. Time of the Essence. Time is hereby made of the essence of this Agreement in all respects.

Section 26. Entire Agreement and Incorporation by Reference. This Agreement, including all documents for the implementation of this Agreement, which includes the DO, all

This Agreement may not be amended in any way whatsoever, except by a writing executed by both parties in a manner equal in dignity to the execution of this Agreement.

Section 27. Binding Effect. This Agreement, upon payment of the Capacity Fees, inures to the benefit of and is binding upon the heirs, successors, personal representatives, and assigns of the parties and constitutes a covenant running with the Property.

Section 28. Liability. DEVELOPER and its successors and assigns, shall hold harmless and indemnify COUNTY, the Seminole County Board of County Commissioners, its employees, and agents from any and all claims, damages, causes of actions, or other liabilities that arise out of or that are in relation to FDEP's denial of applicable permits to provide water, wastewater, or reclaimed water services to the Property. COUNTY's obligations under this Agreement are contingent upon DEVELOPER obtaining any and all necessary and required permits from FDEP and all other applicable agencies.

Section 29. Governing Law. This Agreement is governed by the laws of the State of Florida and the ordinances, resolutions, and policies of COUNTY not prohibited these state laws.

Section 30. Termination of Agreement. Pursuant to this Agreement, if DEVELOPER does not pay Capacity Fees or the required Proportionate Share contribution, execute a time extension amendment, or construct development within three (3) years from the execution date of this Agreement, then this Agreement will automatically terminate and COUNTY will recapture related capacity.

Section 31. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for claims related to this Agreement, other than for proper invoice and payment disputes, are set forth in Section 3.5541, "Contract Claims", Seminole County Administrative Code.

(b) In any lawsuit or legal proceeding arising under this Agreement, DEVELOPER hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which DEVELOPER had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

conversion being approved by the County. The notice shall include the actual conversion methodology used and the resulting impacts of the conversion in terms of Project character and traffic generation. This notice shall include the total cumulative amount of multi-family units, the cumulative number of hotel units, the cumulative amount of retail commercial square footage, the cumulative amount of office square footage, and the cumulative number of assisted living facility beds approved by the County for the total project area, and the resulting impacts on potable water, wastewater, and solid waste. A letter will be required from Seminole County Environmental Services at the time of the proposed conversion verifying that capacity is available.

H. Open Space Requirements:

1. The PD must provide a minimum of twenty-five (25) percent common usable open space. The minimum overall required open space is 27.53 acres. To ensure proper monitoring and allocation of open space, and open space bank will be established at time of the first phase of development and will be included in the Developer's Commitment Agreement.
2. Open space may be shared between Tracts throughout the project if pedestrian connectivity via walkways, bikeways, and trails, are provided to create common usable open space.
3. Conservation areas may be enhanced to improve the current physical condition and provide for public access by means of elevated boardwalks and/or pathways, if permitted by the local, state and federal agencies having jurisdiction over such facilities. No more than fifty (50) percent of the required open space may come from the conservation area.
4. Multi-family open space may consist of a community club house with exercise facilities, a pool area, and the internal walkable sidewalk areas and greenspace.
5. Stormwater retention ponds may be counted towards the minimum open space requirement subject to the following criteria:
    a. The pond shall be sodded or dressed with equivalent ground cover and have a slope no greater than a 4:1 slope with no fencing.
    b. The pond shall have a curvilinear shape simulating a natural water body.
    c. Canopy trees shall be provided at the rate of one (1) per fifty (50) feet of pond perimeter; however, the required number of trees may be clustered for an improved aesthetic effect. Trees shall be planted outside of the pond berm as to not interfere with the maintenance of the pond.
    d. For wet ponds, if reclaimed water is unavailable, the pond shall be designed to be utilized for landscape irrigation.

e. For wet ponds, littoral zones of ponds shall be vegetated with emergent native vegetation to the maximum extent possible provided that maintenance of the pond is not impeded.

f. The pond shall be landscaped and configured in a manner that results in a visual amenity for the site and shall include other amenities such as a trail adjacent to the pond, boardwalks, picnic tables, fountains, pavilions, or gazebos.

I. Traffic Impact Analysis and Mitigation:

1. Subsequent traffic impact analysis (TIA) will be required at the Final Engineering review of each phase of development. The TIA will determine all of the offsite improvements required in the County Right-of-way for each phase. The TIA will also evaluate internal vehicular cross access needed to facilitate each phase's internal access to adjacent land uses.
2. Broken or non-ADA (Americans with Disabilities Act) compliant sidewalks along the property frontages of each phase must be reconstructed with the construction of the phase to comply with current ADA regulations.
3. Access through the existing median openings on Ronald Reagan Boulevard may be adjusted if a traffic study and the County Engineer determine significant safety issues or concerns with the existing configuration.
4. As approved through the subsequent phases, turn lanes on Ronald Reagan Boulevard will be determined, including appropriate right-of-way dedications, as required to facilitate findings of the Traffic Impact Analysis and the County Engineer safety determinations.
5. If the TIA prepared for each phase determines that the intersection will exceed its capacity due to project traffic at the County Home Road or the Hester Avenue intersections with Ronald Reagan Boulevard, a Signal Warrant Analysis (SWA) will be required for the deficient intersection at Final Development Plan to determine if and when a signal may be required at the deficient intersection. If the phase under development triggers the need for signalization, a proportionate share of the cost of installing a signal shall be determined and paid to the County to mitigate the project's impact to the intersection. The County and the Developer may enter into an agreement for installation of the signal by the Developer.
6. Per section 1.3 of the Seminole County's Engineering Manual, Right Turn lanes are required as warranted and feasible for any right-in access on Ronald Reagan Boulevard.
7. A U-turn lane is required on Ronald Reagan Boulevard at County Home Road westbound movement when a project driveway connection is made at the directional median on Redpine Way.
8. A left turn lane is required at Hester Avenue eastbound movement when a project driveway connection to Ronald Reagan Boulevard is made at the intersection with Hester Avenue.

9. All internal streets shall be private and will be designed to minimum Seminole County roadway design standards.
10. The developer shall provide internal vehicular cross access within the development with exception to Tract 3 due to wetlands and flood plains blocking access.

J. Utilities Requirements:

1. Prior to approval of the site plan for each phase, Developer shall submit a request for an analysis of water and wastewater availability to the County. The determination of needed improvements shall be included in the development order or site plan approval (as applicable) for each phase. Based on preliminary analysis conducted by Jacobs Engineering, dated November 14, 2023 (Jacobs Memo), and the assumptions listed therein, the following water and wastewater system capacity improvements are anticipated to be required and constructed in sequential phases by the Developer or by the County (collectively, but as may be modified as set forth herein, the "System Capacity Improvements") via one or more Utility Agreements as described herein:

Reagan Center Development Phases	Water Main System Capacity Improvements	Wastewater System Capacity Improvements
Phase 1 – Multifamily	None	Construct Upgrade to Hampton Park Master Pump Station
Phases 1 and 2 – Multifamily	None	None [1,2]
Phase 1, 2 and 3 Multifamily	Construct 12-inch water main County Home Rd. Loop, approximately 880 feet in length (PW-1)	None [1,2]
Phase 4 Medical, Commercial/Retail, Professional Office, and Hotel	Construct 16-inch water main from Country Club WTP to the intersection of US 17/92 & Ronald Reagan Blvd. (PW-2)	Construct 12-inch force main from Hampton Park Master Pump Station to Greenwood Lakes Water Reclamation Facility (WW-1)[1,2]

[1] Upgrade to Hampton Park Master Pump Station required to proceed with any phase.
[2] Development contingent upon available capacity within Greenwood Lakes WRF or other approved centralized wastewater collections and treatment facility. Improvements necessary to provide adequate capacity at Greenwood Lakes WRF are the County's responsibility. Based on projections at the time of issuance of this Development Order, there is sufficient capacity at Greenwood Lakes WRF for Phase 1 and 2 of the multifamily development and said capacity can be reserved upon entering into the Utility Agreement described herein and payment of the applicable capacity fees. Capacity can be reserved for subsequent phases upon County confirmation that additional capacity has been added and is available at the Greenwood Lakes WRF and the applicable capacity reservation fees have been paid, per the Land Development Code. If capacity is reserved for an unrelated development prior to Developer reserving capacity or additional capacity for this Development, capacity may not be available.

2. One or more Utility Agreements will be required for design and construction of the System Capacity Improvements. Separate Utility

Agreements will be entered into for each Phase of the Development, or for each individual development within a Phase. All owners of the subject property and contract purchasers, if applicable, or their successors in interest at the time of execution, will be signatories to the Utility Agreements. If either (a) there are material changes to the demand assumptions for the Development as compared to those set forth in the Jacobs Memo, based on modified phasing, density/intensity, or differing demand for the Development; or (b) alternative capacity improvements are identified through the engineering of the System Capacity Improvements, then Developer and the County will re-evaluate the necessary System Capacity Improvements, and if a change is warranted, this Development Order may need to be amended and a new Utility Agreement, or an amendment to the applicable existing Utility Agreement setting forth the new System Capacity Improvements required, and modifying such other terms, including project milestones, as are appropriate based on such change will be entered into. Negotiation, processing, execution, administration, and implementation of the Utility Agreements and any amendments thereto will be completed in compliance with Seminole County Administrative Code 3.25; provided, however, that upon request by Developer or any contract purchaser, the County shall submit any matter relating to the Utility Agreements, whether with respect to the form of the Utility Agreements and any amendments thereto, the administration and implementation thereof, or otherwise, to the Seminole County Board of County Commissioners for review and approval.

3. The total cost associated with engineering, design, permitting and construction of the water and wastewater System Capacity Improvements listed above for each Phase shall be funded via Proportionate Share contribution in the following manner: Forty one (41) percent of each Phase shall be paid by Developer, 59 percent shall be paid by County for each Phase of the Water System Capacity Improvements, and 42 percent of each Phase shall be paid by Developer and 58 percent shall be paid by County for each Phase of the Wastewater System Capacity Improvements ("Proportionate Share"). The Proportionate Share contribution percentages contained herein reflect the Permitted Uses set forth above in Section 3.B of this Development Order. However, should Developer's Permitted Uses change in the future through an amendment to this Development Order, the Proportionate Share contribution percentages may be modified, at the reasonable discretion of the County to align with such changed uses, and such change shall be documented via amendment to the Utility Agreements. The Utility Agreements will assign the foregoing Proportionate Share costs by each Phase, as described above, subject to amendment as contemplated herein. The individual Phase proportionate share contribution will be assigned for the System Capacity Improvement required for that Phase by dividing the proposed Phase equivalent residential connection (ERC) by the

Total Project buildout ERC, multiplied by the Total Project Proportionate Share contribution percentage identified above. By way of example, if the overall water demand for the Project is 1,600 ERCs, and a Developer/Owner proposes a project within a Phase with an anticipated demand of 400 ERCs, the Phase's Developer/Owner's share would be 400 ERCs / 1,600 ERCs = 25% of the total number of ERCs, thus; the project's share of the Proportionate Share is 25% x 41% (Proportionate Share for Water System Capacity Improvements) = 10.25%. The County may seek subsequent contribution for its proportionate share from other developers of projects outside this scope of this Development Order who will benefit from the System Capacity Improvements ("Third-Party Contributions"); provided, however, that the timing of such Third-Party Contributions will in no event modify the timelines for County payment or reimbursement of its proportionate share contribution pursuant to the project milestones set forth in the Utility Agreements.

4. Each Utility Agreement shall specify whether the design and construction of the subject System Capacity Improvements will be led and initially paid for by (a) Developer/Owner subject to reimbursement by the County, or (b) the County subject to reimbursement by the Developer/Owner, in each case in accordance with the Proportionate Share contribution percentages identified above. In either case, the Utility Agreements will be structured such that payouts and reimbursements are payable upon reaching project milestones agreed upon by the County and Developer/Owner. If an Developer/Owner leads and initially pays for a System Capacity Improvement, the County shall reimburse such Developer/Owner, in accordance with the Utility Agreement, the full cost and expense incurred for the same, less the Developer/Owner's Proportionate Share, and in such case the County shall seek reimbursement from other Developer/Owners within the Project for the remainder of Developer's Proportionate Share for such System Capacity Improvements as the Project continues to develop. If County provides for the design and construction of any of the System Capacity Improvements, Developer will not be required to perform such improvements, however, (a) Developer will be required to pay their Proportionate Share of such improvements; and (b) the County will be required to complete any such improvements pursuant to the timelines and project milestones set forth in the Utility Agreement. Notwithstanding the foregoing, the Phase I Wastewater System Capacity Improvements (Upgrade to Hampton Park Master Pump Station) may be led and initially paid for by Developer/Owner, subject to reimbursement by the County as set forth herein, and as outlined in the Utility Agreement entered into between the County and the Developer/Owner.
5. Prior to construction plan approval(s), hydraulic calculations shall be submitted to Seminole County Utilities demonstrating the proposed

and existing water, wastewater, and reclaimed water, as applicable, systems have been designed to support the full development approved with this Development Order. The purpose of this requirement is to ensure that subsequent phases of development have adequate facilities to accommodate the provision of water and wastewater service to future phases.

6. Developer shall provide, as part of the construction plan approval(s), any required on-site and offsite easements identified by the County as necessary to construct the required System Capacity Improvements, which easements and rights-of-way must be conveyed to the County prior to any such approval(s) or at a later date as determined by County. The County will assist the Developer with acquisition of off-site easements, temporary construction easements or rights-of-way necessary to construct the System Capacity Improvements, which assistance will include, all avenues available to the County to obtain these rights, including the County's power of eminent domain if necessary, as determined by the County.
7. Developer shall, at no cost the County (but with County assistance as set forth above, if applicable), relocate existing utility easements and related facilities required for the System Capacity Improvements, and Developer shall be responsible for the full costs of such relocations prior to County's acceptance of any utility facility conveyances.
8. Proportionate Share payments made under this Development Order and any Utility Agreements for the Development will be credited against the applicable portion of water and wastewater capacity fees due for the Development, at the time the water and wastewater capacity fees are required to be paid. Conversely, any water and wastewater capacity fees paid by Developer will be credited against the applicable Proportionate Share payments due from Developer under this Development Order and any Utility Agreements, at the time such Proportionate Share payments are required to be paid.

K. The development will provide a pedestrian circulation system giving access to all portions of the development as each Tract and phase is constructed, as well as connecting to existing sidewalks outside of the development. Each multi-family phase of development in Tract 2 will provide pedestrian connectivity internally between phases.

L. Pedestrian walking paths will be constructed around each retention pond, and all walking paths will provide park benches where practical, spaced periodically along the route.

M. Each Tract, as developed, will provide pedestrian connectivity between Tracts and uses to promote a walkable mixed use community, with the exception of Tract 3 which will not have internal vehicular or pedestrian connection to the remainder of the PD.

N. The PD development will provide vehicular interconnectivity between Tracts and uses to promote a well-connected internal vehicular network.

O. The development shall utilize a uniform wayfinding signage master plan for roads, parking areas, and common open space including but not limited to parks and bicycle and pedestrian uses. The wayfinding signage plan shall include Identification Signage (i.e., historical markers and building markers; regulatory signage (i.e., speed limit, employees only, no pets allowed, no parking zone); directional signage (i.e., entrance/exit, bike path, park); and informational signage (i.e., bathrooms, drinking fountains, directory services). The wayfinding signage master plan will be provided by the Developer for each phase of development at time of Final Development Plan and shall be installed at time of construction buildout of that phase.

P. The development shall comply with comprehensive design standards that address physical project appearance and theme including architecture, street scene, open space, landscaping, and signage. These design standards shall be provided by the Developer at time of Final Development Plan review for each Tract of development, to be reviewed and approved by Seminole County prior to Final Development Plan approval.

Q. A dedicated community park will be constructed by the Developer during the development of Tract 1. The community park shall be a minimum of one-half (1/2) acre, providing seating areas, picnic tables, five (5) foot wide walkways and a potable water fountain. The community park will provide vehicular and bicycle parking and shall be located adjacent to the "Regional Pond" (as shown on the Master Development Plan) in Tract 1. The community park must be constructed at the time the "Regional Pond" is constructed, or prior to the issuance of a Certificate of Occupancy for the first structure built in Tract 1, whichever comes first.

R. The "Regional Pond" on Tract 1 will be designed in curvilinear fashion with fountain water features. The pond shall have an unpaved pedestrian path with benches and landscaping designed in an esthetic to blend with the adjacent ½ acre community park.

S. All wet retention ponds will have fountains.

T. The Developer will provide for the construction of one (1) bus shelter for the existing bus pull out bay located on the east side of U.S. HWY 17-92 just north of Senator Lane. The bus shelter must be constructed prior to a certificate of occupancy for Multi-Family Tract 2. The Developer must coordinate with the appropriate transit authority regarding any additional necessary transit improvements during the Final Development Plan review process.

U. A Property Owner's Association shall be created to manage all common areas and facilities. The Property Owner or Property Owner's Association of each Tract will make known and market to the residents and businesses, the programs the appropriate transit authority offers including carpool, van pool, ride share and fixed bus service.

V. Outdoor lighting will comply with SCLDC Chapter 30, Sec. 30.1234 – Outdoor Lighting. Exterior lighting shall promote Dark Sky Lighting practices.

W. All project signage must comply with the Land Development Code of Seminole County. A master sign plan will be established for each Tract at time of Final Development Plan review.

Serb Fest Special Event Permit - Consider a Special Event Permit for Serb Fest on October 10, 2025, through October 12, 2025, located at 1990 Lake Emma Rd. (Bojan Spasojevic, Applicant) District4 - Lockhart (**Kathy Hammel, Principal Planner)**

Division:

Development Services

Authorized By:

Jose Gomez, Development Services Director

Contact/Phone Number:

Mary Robinson/407-665-7339

Background:

The Applicant is requesting approval of a Special Event Permit for the Serb Fest. The Serb Fest will include traditional Serbian folk dancing and music. Additionally, dances from Romania, Bulgaria and Greece will be featured. A variety of food and drink stations will be located throughout the site.

The number of attendees is anticipated to be approximately 950 guests at any given time, representing an increase of 200 guests, exceeding the number of guests approved for the 2024 Serb Fest.

The Event hours are Friday 4:00 p.m. to 11:00 p.m., Saturday 10:00 a.m. to 11:00 p.m., and Sunday 11:00 a.m. to 8:00 p.m. Security and traffic control will be provided by off-duty Seminole County Sheriff's deputies.

The Board of County Commissioners placed a condition on the 2024 Serb Fest Special Event Permit to be reviewed by the Board for the 2025 Special Event Permit application. The Board expressed concerns about the noise generated by the festival and music. The Sheriff's office received two complaints in reference to loud music on Saturday, October 12, 2024.

The applicant has met all the requirements of Ordinance 2024-21 regarding the site

plan, certificate of insurance, and security plan, which were reviewed and approved by the Seminole County Sheriff's Office.

Pursuant to Section 30.6.4.2 of the Seminole County Land Development Code ("SCLDC"), in approving a Special Event, the Board shall make a determination that the proposed event is reasonably compatible with the nearby existing development and does not pose an unreasonable safety or health risk for patrons or neighbors.

Additionally, pursuant to Section 30.6.4.2 (a)(3) of the Land Development Code, once the Board of County Commissioners has approved a special event, subsequent applications for the same special event are only required to be reviewed and approved by the Development Services Director or designee. The prior special event was approved by the Board at the September 10, 2024, meeting and conditioned the approval on the 2025 Serb Fest special event obtaining Board approval.

Staff finds that the application submitted for this request meets the requirements of Section 30.6.4.2.a.(4), SCLDC, and due to the limited and temporary nature of the event, the security being provided, and the conditions imposed by the Special Event permit, the proposed event is reasonably compatible with surrounding uses and does not pose an unreasonable safety or health risk to patrons.

Requested Action:

Staff requests the Board approve the Serb Fest Special Event Permit for October 10, 2025, through October 12, 2025, subject to staff's recommendations included in the attached Special Event Permit.

Note: The Special Event Permit Conditions of Approval (i.e., full details of the above conditions) are contained in the Special Event Permit in this Agenda Memorandum to be issued by Seminole County, if approved by the Board of County Commissioners.

Board of Adjustment Appeal - Appeal of the Board of Adjustment decision to deny the request for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district, for property more particularly known as 1735 Carlton Street; (James and Marie Riesen, Appellants) District3 - Constantine (**Angi Gates, Planner)**

Division:

Development Services

Authorized By:

Jose Gomez, Development Services Director

Contact/Phone Number:

Angi Gates/407-665-7465

Background:

- On June 23, 2025, the Board of Adjustment denied a variance for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district; with the Denial Development Order attached hereto as (Exhibit A).

- The existing carport/garage is 780 square feet (26’ x 30’) and encroaches eight (8) feet into the required west side yard setback.

- A building code violation was issued for this structure (25-76) because the structure was constructed without the required building permits, resulting in the necessity of a variance.

- On July 9, 2025, James and Marie Riesen, Appellants, filed a Notice of Appeal of the Board of Adjustment Decision (Exhibit B).

<u>Staff Findings</u>

The applicant has not satisfied all six (6) criteria under Section 30.3.3.2(b) of the Seminole County Land Development Code (SCLDC) for granting a variance as listed below:

1. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning classification; and
2. That the special conditions and circumstances do not result from the actions of the applicant; and
3. That granting the variance requested will not confer on the applicant any special privilege that is denied by Chapter 30 to other lands, buildings, or structures in the same zoning classification; and
4. That the literal interpretation of the provisions of Chapter 30 would deprive the applicant of rights commonly enjoyed by other properties in the same zoning classification and would work unnecessary and undue hardship on the applicant; and
5. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure; and
6. That the grant of the variance will be in harmony with the general intent and purpose of Chapter 30, will not be injurious to the neighborhood, or otherwise detrimental to the public welfare.

Staff finds that the following variance criteria have not been satisfied:

The general intent of the Land Development Code is to maintain consistent setbacks; therefore, the granting of the variance will not be in harmony with the general intent and purpose of Chapter 30, would be injurious to the neighborhood, and otherwise detrimental to the public welfare. Section 30.3.3.2(b)(6).

BOA Decision

Specifically, based on the testimony and evidence on the record, granting of the requested variance would be violative of one or more of the variance criteria found in section 30.3.3.1(b) SCLDC, presenting a disproportionately injurious impact on the adjoining neighbor due to the proximity of the detached accessory structure to the neighbor’s property line, and would therefore not be in harmony with the general intent and purpose of Chapter 30 of the Land Development Code to maintain consistent setbacks.

Requested Action:

Based on the information, findings, and conclusions included and referenced in the Agenda Memorandum prepared in association with the original action taken by the Board of Adjustment at its meeting on June 23, 2025 (attached hereto as Exhibit D), and the testimony presented at the aforementioned meeting (the minutes of which are attached hereto as Exhibit C), staff requests the Board of County Commissioners uphold the decision of the Board of Adjustment to deny the request for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district.

SEMINOLE COUNTY
DENIAL DEVELOPMENT ORDER

On June 23, 2025, Seminole County issued this Development Order relating to and touching and concerning the following described property:

LOTS 22 23 + 24 BLK A TRACT 25 SANLANDO SPRINGS PB 5 PG 45

(The above-described legal description has been provided by Seminole County Property Appraiser)

A. FINDINGS OF FACT

Property Owner: JAMES RIESEN
1735 CARLTON ST
LONGWOOD, FLO 32750

Project Name: CARLTON ST (1735)

Requested Variance:

The requested variance was for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district. Section 30.7.3.1 of the Seminole County Land Development Code requires a ten (10) foot side yard setback in this zoning district.

The findings reflected in the record of the June 23, 2025 Board of Adjustment meeting are incorporated in this Order by reference. Specifically, based on the testimony and evidence on the record, granting of the requested variance would be violative of one or more of the variance criteria found in section 30.3.3.1(b) LDC presenting a disproportionately injurious impact on the adjoining neighbor due to the proximity of the detached accessory structure to the neighbor's property line, and would therefore not be in harmony with the general intent and purpose of chapter 30 of the Land Development Code to maintain consistent setbacks.

B. CONCLUSIONS OF LAW

Approval was sought for a variance to section 30.7.3.1 of the Seminole County Land Development Code. The Board of Adjustment found and determined that granting the variance would be violative of the intent of chapter 30 for maintenance of consistent

setbacks, specifically, due to the hardship it would pose on the adjoining neighbor. Furthermore, it was determined that denial of the variance request would not result in an unnecessary and undue hardship upon the Property Owner. The Property Owner still retains reasonable use of the property without the granting of the requested variance.

C. DECISION

The requested development approval is hereby **DENIED**.

Done and Ordered on the date first written above.

I James and Marie Riesen are appealing against the denial of our request with the BOA for a variance for a metal car port and garage.

It seems that we were denied to punish us for constructing the building without a permit because the four cases before us were all granted variances but had not done any construction yet.

We apologized sincerely for our action but feel that If the situation was looked at realistically, the neighbors' view will not change despite moving it over a few feet. It complies with height regulations, so the height and obstruction of view is not the issue. Our neighbor to the East is the only complaint, despite informing her before the construction and her agreeing that it would be okay if we purchased plants that would grow and block the view of the structure. We did this for her at the cost of $2200.00 and it was okay for 6 months until she decided to complain anyways.
We had 6 neighbors at the hearing to give statements that they were okay with the structure and felt it was not detrimental to the neighborhood especially since there are dozens of similar structures throughout the neighborhood. These six neighbors either share property lines with us or are directly in view of us.

We are now trying to go through the proper channels to get it permitted. It seems that it would be a total waste of time and money to tear it down and rebuild the carport 8 feet further away from the property line since the neighbor would still have the same exact view.

We are just hoping for a little understanding from the BCC to allow us to keep our structure where it is.

EXHIBIT C
BOA MEETING MINUTES

REGULAR MEETING OF THE SEMINOLE COUNTY BOARD OF ADJUSTMENT JUNE 23, 2025 6:00 PM

1735 Carlton Street – Request for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district; BV2025-063 (James Riesen, Applicant) District 3 - Constantine (Angi Gates, Project Manager)

Angi Gates, Planner, presented this item as stated in the Staff Report.

James Riesen, Applicant, was present and stated that he installed this structure with bad advice from the salespeople that sold it to him. He explained that all around his neighborhood there are a lot of these structures. Even if he moved the structure to the right setback, it would still look the same, but it would cost him a lot of money. Mr. Riesen advised that they have some people in attendance that are in support of this request. He added that he had an extra letter from another neighbor that couldn't attend tonight.

David Pathom of 1780 Carlton Street spoke in support of this request and stated that he is six (6) houses down from this property and they moved in 2019, and they drive around the neighborhood and see similar structures as this variance request. Personally, he thinks that structures like this bring property value to the neighborhood, and they look nice.

Lauren Pathom of 1850 Carlton Street spoke in support of this request and stated that she has lived in this subdivision for more than thirty (30) years and all around the neighborhood they are actually eyesores but this structure is actually beautifully done and it raises property values.

Fred Hagans of 705 Andrews Drive spoke in support of this request and stated that he is on the bottom corner and he has lived there for over eight (8) years. He stated that they can see the difference between when they moved into the house and now and how impressive it is.

David Keaton of 394 S. Pressview Avenue spoke in support of this request and stated that they have really improved the property, and the structure matches the scheme of the house. He advised that they have lived on the property since 2005, and they had many eyesores around the neighborhood, but they make a great difference in the neighborhood and are an asset.

Diane Dinken of 1701 Carlton Street spoke in opposition to this request and stated that they are right in the back yard and they have more than twenty-eight (28) feet from the garage door to the shared property line. She explained that the Applicant came to the house to discuss this variance request, and they are aware that in the neighborhood there are these types of RV sheds. They expected that they would get a permit and follow the zoning regulations, which requires a ten (10) foot setback. After time went by, they just saw a

structure appear in the backyard on a Saturday morning. Then time passes and they hear noise outside and they see that they installed a thirty (30) foot by twelve (12) foot shed close to the property line. They called the Applicant, and they said that they are just doing what they spoke to them about. Before they could see the sky, sun and sunsets, but now they just see a brown shed with a red roof. She stated that she's sorry that everyone else is okay with it, but it will become a huge problem when they try to sell the house with an eyesore like that so close to the property line and it was put up illegally without a building permit. She doesn't see a hardship at all when they have space on their property, and he could move it.

Mr. Riesen spoke in rebuttal and stated that he went and spoke with them about everything that they were going to do and even showed them the same dimensions and location on where the structure was going to be. He stated that he even told them that they structure was going to be thirty (30) feet long and twelve (12) feet high and that he offered to put up any type of material to block the view of this structure and they agreed to that. Mr. Riesen stated that when it was installed four (4) months later they came over the next day and was furious, but then the next day she came back and told him she was not going to turn him in and to go ahead and get the plants.

Chairman Jim Hattaway advised the Applicant to keep his comments toward the possibility of getting a variance, not the back and forth with the neighbor.

The Applicant explained that he spent $2,200 to appease her and now she has a problem with it. He also added that if he got the permit and put it at ten (10) feet, it wouldn't look any different and even if he removed the structure, he could park a twelve (12) foot tall RV there and then she can stare at that.

Chairman Hattaway asked the Applicant if he has the ability to move it to the ten (10) foot required setback and Mr. Riesen responded yes, but he would lose the garage portion and it would be a lot of money to take it down.

Chairman Hattaway stated that the argument that it's going to be a lot of money to take it down isn't persuasive because he didn't comply with the law and that's only his fault and they will set a precedence if they accept that as an argument because anybody can say something like that. The Applicant replied that it's not about the money, but it will be a big expense having to tear it down, but if anything, he can move it eight (8) feet, but it will not look any different. Also, she can let the plants grow that he spent so much money on.

A motion was made by Larry Wright, seconded by Edward Lavant, to approve this variance request.

In Board discussion, Chairman Hattaway stated that there's a duty to the people who comply with the law, not when someone says I don't want to spend a lot of money on following the law. Austin Beeghly added that they have a property owner against this, and they have to watch for the property owner's rights and even if there's only one (1) person, they should always consider them. Edward Lavant added that he is in the same position but there's one (1) neighbor that is in opposition to this variance request, and they should have complied with the regulations that are established. Larry Wright stated that he feels like a view is not a strong argument or a right, so he doesn't look at the view as an entitlement or a factor of decision making and the Applicant listened to a contractor that gave him bad advice, and he is not opposed to the structure being there in the first place.

Aye (1): Vice Chairman Larry Wright

Nay (3): Chairman Jim Hattaway: Austin Beeghly; and Alternate Edward Lavant

Absent (3): James Evans; Carmine Bravo; and Alternate Heather Stark

Chairman Jim Hattaway advised the Applicant of their right to appeal.

MOTION/RECOMMENDATION

1. Deny the request for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district; or
2. Approve the request for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district; or
3. Continue the request to a time and date certain.

BACKGROUND

- The subject property is located in the Sanlando Springs subdivision.
- The existing structure is 780 square feet (26' x 30') and encroaches eight (8) feet into the required east side yard setback.
- A Code Enforcement violation (25-76) was issued for this structure, resulting in the necessity of this variance.
- Six letters of support and two letters of opposition were received from adjacent neighbors.
- The request is for a variance to Section 30.7.3.1 of the Seminole County Land Development Code, which states that the side yard setback for this zoning district is ten (10) feet.
- There have not been any prior variances for the subject property.

STAFF FINDINGS

The applicant has not satisfied all six (6) criteria under Section 30.3.3.2(b) of the Seminole County Land Development Code for granting a variance as listed below:

1. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning classification; and
2. That the special conditions and circumstances do not result from the actions of the applicant; and
3. That granting the variance requested will not confer on the applicant any special privilege that is denied by Chapter 30 to other lands, buildings, or structures in the same zoning classification; and
4. That the literal interpretation of the provisions of Chapter 30 would deprive the applicant of rights commonly enjoyed by other properties in the same zoning classification and would work unnecessary and undue hardship on the applicant; and
5. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure; and
6. That the grant of the variance will be in harmony with the general intent and purpose of Chapter 30, will not be injurious to the neighborhood, or otherwise detrimental to the public welfare.

Staff finds that the following variance criteria have not been satisfied:

The general intent of the Land Development Code is to maintain consistent setbacks; therefore, the grant of the variance will not be in harmony with the general intent and purpose of Chapter 30, would be injurious to the neighborhood, and otherwise detrimental to the public welfare. Section 30.3.3.2(b)(6)

STAFF CONCLUSION

Based upon the foregoing findings, the requested variance is not in the public interest and failure to grant the variance would not result in an unnecessary and undue hardship.

STAFF RECOMMENDATION

Based on the stated findings, staff recommends denial of the request, but if the Board of Adjustment determines that the applicant has satisfied all six (6) criteria under Section 30.3.3.2(b) of the Seminole County Land Development Code for granting a variance, staff recommends the following conditions of approval:

1. Any variance granted will apply only to the detached accessory structure as depicted on the attached site plan; and
2. Any additional condition(s) deemed appropriate by the Board of Adjustment, based on information presented at the public hearing.

Staff Findings:

The applicant has not satisfied all six (6) criteria under Section 30.3.3.2(b) of the Seminole County Land Development Code for granting a variance as listed below:

1. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning classification; and
2. That the special conditions and circumstances do not result from the actions of the applicant; and
3. That granting the variance requested will not confer on the applicant any special privilege that is denied by Chapter 30 to other lands, buildings, or structures in the same zoning classification; and
4. That the literal interpretation of the provisions of Chapter 30 would deprive the applicant of rights commonly enjoyed by other properties in the same zoning classification and would work unnecessary and undue hardship on the applicant; and
5. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure; and
6. That the grant of the variance will be in harmony with the general intent and purpose of Chapter 30, will not be injurious to the neighborhood, or otherwise detrimental to the public welfare.

1735 CARLTON STREET
BOARD OF ADJUSTMENT APPEAL

Board of Adjustment Decision:

- The Board of Adjustment found that granting of the requested variance would be violative of one or more of the variance criteria found in section 30.3.3.1(b) of the Seminole County Land Development Code presenting a disproportionately injurious impact on the adjoining neighbor due to the proximity of the detached accessory structure to the neighbor's property line and would therefore not be in harmony with the general intent and purpose of chapter 30 of the Land Development Code to maintain consistent setbacks.

1735 CARLTON STREET
BOARD OF ADJUSTMENT APPEAL

Requested Board Action:

Staff requests the Board of County Commissioners uphold the decision of the Board of Adjustment to deny the request for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district, located at 1735 Carlton Street.

Contact/Phone Number:

Annie Sillaway/407-665-7936

Background:

The Applicant is requesting a Small Scale Future Land Use Map Amendment from High Density Residential and Planned Development to Planned Development, and a Rezone from R-3 (Multiple Family Dwelling) and PD (Planned Development) to PD (Planned Development). The request involves incorporating 6.83 acres into the Village on the Green PD. The Applicant proposes the addition of forty (40) independent living dwelling units, both duplex and single-family units, a 5,500 square foot amenities building, and two (2) sports courts.

The subject site was approved as part of the Sabal Point PD in 1979 with entitlements for single-family residential, multi-family, a golf course, and office and commercial uses on 3,050 acres.

In 2018, the Board Greenunty Commissioners approved a PD Major Amendment

Rezone on 75.76 acres of the Sabal Point PD, now known as the Village on the Green PD; with entitlements for a continuum of care facility of 144 beds providing skilled nursing care for assisted living and memory care, along with 514 independent living units for residents fifty-five (55) years and older, with a maximum density of 10.78 dwelling units per net buildable acre, a 138,100 square-foot health care facility, and a 35,076 square-foot clubhouse.

The Applicant is proposing to incorporate an additional 6.83 acres, designated as POD E on the Master Development Plan, from the remaining Sabal Point PD into the Village on the Green PD for the addition of forty (40) independent living dwelling units, comprising both duplex and single-family units. The Applicant proposes to add a 5,500 square foot amenities building and two (2) sports courts within the southern portion of POD B2. The overall development will maintain a maximum density of 7.09 dwelling units per net buildable acre and a maximum Floor Area Ratio (F.A.R.) of 0.60.

The Future Land Use and zoning designations of the surrounding area are as follows:

East: Future Land Use: High Density and Planned Development Future Land Use.

Zoning: R-3 (Multiple Family Dwelling) known as the Crown Point by the Springs Condos; PD (Planned Development) - known as the Fairway Villas; PD (Planned Development) - known as The Springs Deerwood Estates; PD (Planned Development) - known as The Springs Live Oak Village.

West: Future Land Use: Planned Development.

Zoning: PD (Planned Development) known as Sabal Point (permitting Office and C-1 Retail Commercial uses.

North: Future Land Use: Planned Development.

Zoning: PD (Planned Development) -known as Sabal Point.

South: Wekiva Springs Road.

Site Analysis

Floodplain Impacts:

Based on the FIRM map with an effective date of 2007, there appear to be approximately 4.80 acres of floodplains on the existing Village on the Green site; however, the newly incorporated 6.83 acres does not contain any floodplain.

Wetland Impacts:

Based on preliminary aerial photo and County wetland map analysis, there does not appear to be any wetlands on the existing Village on the Green site, or the newly incorporated 6.83 acres.

Endangered and Threatened Wildlife:

Based on a preliminary analysis, there may be endangered and threatened wildlife on the southern portion of POD B2 located on the existing Village on the Green site. A listed species survey may be required prior to final engineering approval.

Utilities:

The site is located in the Sunshine utility service area and will be required to connect to public utilities. Water and sewer capacity is available to serve the proposed development.

Transportation/Traffic:

The development proposes a new access point onto Wekiva Springs Road from the newly incorporated 6.83-acre parcel referred to as POD E, while maintaining access via Sabal Palm Drive. Wekiva Springs Road is classified as an Urban Minor Arterial, while Sabal Palm Drive is classified as a Local roadway. Wekiva Springs Road is currently operating at a level of service (LOS) “C.” Minor roadway and safety improvements are planned between Sabal Palm Drive and Fox Valley Drive, including the addition of a westbound right-turn lane at the Sabal Point Elementary School entrance. These improvements are included in the County’s five-year Capital Improvement Program. The design phase has been completed, and the project was advertised for construction on May 21, 2025.

The subject site is located on Wekiva Springs Road along a curve, and there have been discussions regarding the installation of a gate at the site entrance. The County Engineer has expressed concerns about site access at this location, including the potential for vehicle queuing onto Wekiva Springs Road. To address these traffic safety concerns, a right-turn lane or other entrance improvements may be required during Final Engineering review.

Sidewalks:

The Developer will be required to construct a six (6) foot wide sidewalk along Wekiva Springs Road. Additional right-of-way (ROW) may be required to facilitate these and other possible roadway improvements.

Drainage:

The proposed project is located within the Little Wekiva Drainage Basin, with a portion of the site served by a Master Drainage Basin system. Because the basin has limited downstream capacity, the site must be designed to retain both the required water quality volume and the pre- versus post-development volumetric difference for a twenty-five (25) year, twenty-four (24) hour storm event.

Buffers:

The Master Development Plan illustrates a fifteen (15) foot wide landscape buffer along the south and southeast perimeter, and a ten (10) foot wide landscape buffer along the west boundary of the newly incorporated 6.83 acres. The future proposed amenity area, which includes an amenities building and sports courts, will maintain the previously approved ten (10) foot wide buffer along its southern boundary of POD B2.

Open Space:

A minimum of twenty-five (25) percent open space is provided in compliance with Seminole County Land Development Code (SCLDC) Sec. 30.1.4.2.2.

Public School Capacity Determination:

Per Policy PSF (Public School Facility) 4.3, any age-restricted community with no permanent residents under the age of 18 is exempt from school concurrency.

Consistency with the Land Development Code

The Intent and purpose of the PD (Planned Development) zoning district is to promote flexibility and innovation to meet the needs of County residents and businesses by facilitating innovative design solutions and development plans that may be difficult to achieve under conventional zoning regulations. Planned developments shall promote flexibility and creativity in addressing changing social, economic, and market conditions, especially where they are used to implement adopted policies of the Comprehensive Plan.

The proposed PD zoning designation and the associated Master Development Plan have been evaluated for compliance with the Seminole County Land Development Code (SCLDC) review criteria for Planned Developments as follows:

SCLDC Sec. 30.8.5.3 - Review Criteria

(a) Comprehensive Plan Consistency. In approving a planned development, the Board of County Commissioners shall affirm that the proposed development is consistent with the Comprehensive Plan and effectively implements any performance criteria that the Plan may provide.

Staff Analysis:

The requested Small Scale Future Land Use Map Amendment and PD Major Amendment Rezone for the addition of forty (40) independent living units is consistent with the Seminole County Comprehensive Plan. The evidence of consistency with the Future Land Use Element is as follows:

Per Objective FLU 4.4 (A) Purpose and Intent, the proposed development supports flexibility and master planning inherent in Planned Development designations.

Per Policy FLU 4.4 (B) Uses, the proposed development permits a range of unit types and densities, which is provided in the newly incorporated 6.83-acre parcel referred to as POD E by providing single-family dwelling units and duplex units.

Per Policy FLU 2.5.1 (B) Efficient Land Use Patterns, the proposed redevelopment of a former office building and parking areas, along with the integration of the newly incorporated 6.83-acre parcel known as POD E into the existing Village on the Green PD, demonstrates efficient land use and infill development consistent with current Future Land Use policies.

(b) Greater Benefits and Innovation Criteria. In addition, PD zoning may be approved only when the Board determines that the proposed development cannot be reasonably implemented through existing provisions of this Code, and that a PD would result in greater benefits to the County than development under conventional zoning district regulations. Such greater benefits must include two or more of the following:

(1) Natural resource preservation.

(2) Crime Prevention (CPTED).

(3) Neighborhood/community amenities.

(4) Provision of affordable or workforce housing.

(5) Reduction in vehicle miles traveled per household.

(6) Transit-oriented development.

(7) Provision of new multimodal connectivity.

(8) Innovation in water or energy conservation.

(9) Innovative development types not currently provided within the County, but consistent with the goals of the Comprehensive Plan.

Staff Analysis:

The proposed development incorporates Crime Prevention Through Environmental Design (CPTED): The Developer proposes to install a secure perimeter fence with adequate landscape buffers between adjacent land uses that differ in density. This includes a fenced site with controlled single-point gate access, for the exclusive use of residents and their authorized guests. The addition of a ten (10) foot wide buffer along the west of the property, between the adjacent commercial parcel and POD E, and a fifteen (15) foot wide buffer along the east of the property, adjacent to the existing Crown Point Springs Condos. This design minimizes unauthorized access, thereby reducing opportunities for external criminal activity and enhancing overall site safety.

The reduction in vehicle miles traveled per household: The proposed development is situated within the designated Urban Centers and Corridors Overlay. By expanding housing opportunities (including a range of housing types for senior citizens) and providing convenient access to on-site amenities (amenities building, sport courts), as well as leveraging existing pedestrian infrastructure to nearby retail and grocery stores, the project is anticipated to reduce household vehicle miles traveled. The provision for golf cart usage within the Village on the Green further supports reduced vehicular dependence on internal and proximate trips.

(c) In addition, any proposed development under the PD ordinance must address the following goals:

(1) Meet or exceed the arbor, tree preservation, and tree planting requirements of this Code on a project-wide basis.

(2) Minimize transportation impacts through design elements, which may include but are not limited to: multimodal connectivity; electric vehicle charging; infrastructure of pedestrian or bicycle infrastructure exceeding the minimum standards; shared transportation parking or devices; pedestrian-oriented architectural design; accommodation or neighborhood electric vehicles; transportation demand management; or permitting complementary uses.

Staff Analysis:

The proposed development will optimize land utilization compared to the existing office development, while significantly enhancing on-site tree canopy in compliance with the Seminole County Land Development Code. Approximately ninety (90) percent of the existing tree canopy within the northeast section of the development will be preserved; this is in addition to the many existing trees

located along the perimeter of the development. Furthermore, the redevelopment plan incorporates the planting of new trees along internal roadways, featuring native canopy and understory species selected from the approved species list stipulated within the Seminole County Land Development Code.

The development will feature internal pedestrian infrastructure. This includes sidewalks, walking trails, and dedicated golf cart access points, ensuring seamless multimodal connectivity throughout the entire Village on the Green community. The proposed development will also bridge the gap in pedestrian access from the Village on the Green community to Wekiva Springs Road through sidewalk access.

(d) The PD application shall include a narrative addressing the following:

(1) How the proposed development address the goals of the Comprehensive Plan.

(2) Why the proposed development cannot be achieved under an existing conventional or special zoning district.

(3) How does the proposed development provide an innovative approach to land development.

(4) A description of benefits to the County that cannot be achieved under the existing provisions of this Code.

Staff Analysis:

The Applicant has demonstrated compliance with SCLDC Sec. 30.8.5.3 (d) - Review Criteria.

The proposed plan complies with subsections (e) through (g), including the Residential PD Design Standards, Residential Neighborhood Improvements, and Common Usable Open Space requirements, as demonstrated in the Architectural Rendering included in the agenda package.

Consistency with the Comprehensive Plan

The purpose and intent of the Planned Development land use designation is to implement innovative arrangements of land development features that are not possible with the use of standard land use designations and zoning districts. The Planned Development future land use designation shall promote flexibility and creativity in the development design, especially where needed to implement adopted policies of the Comprehensive Plan. It may also be used to promote affordable/workforce housing, pedestrian-oriented development, and protection of natural resources such as wetlands, lakes, and other natural amenities.

Under Policy FLU 2.9 Determination of Compatibility in the Planned Development

Zoning Classification, the County is required to consider uses or structures proposed within the Planned Development zoning classification on a case by case basis evaluating the compatibility of the proposed use or structure with surrounding neighborhoods and uses. Compatibility may be achieved by application of performance standards such as, but not limited to, lot size, setbacks, buffering, landscaping, hours of operation, lighting, and building heights.

The proposed PD (Planned Development) zoning classification and associated Master Development Plan and Development Order address compatibility with the existing surrounding development. The proposed PD defines the specific use and hours of operation for the site; establishes a maximum building square footage and maximum number of dwelling units; a maximum building height; and provides adequate buffering for compatibility with the adjacent neighbors.

The subject site is located within an aquifer high recharge area. Per Policy FLU 2.3.12, the Developer must demonstrate at the time of Final Engineering that the impervious surface area does not exceed sixty (60) percent for any future development.

Per the Seminole County Comprehensive Plan FLU Objective 1.6 Standards of Review - Category 1, Land Use Amendments are evaluated utilizing the following criteria and are addressed as follows:

A. Whether the character of the surrounding area has changed enough to warrant a different land use designation being assigned to the property.

Staff Analysis:

The proposed development provides strategic infill redevelopment of underutilized land for example, instead of contributing to outward sprawl, the development proposes the conversion of an existing commercial parcel (previously a call center with extensive impervious surface) into a residential use, which will connect to existing infrastructure, revitalizes developed areas, and provides more permeable surface with the new residential development. By expanding the existing “Village on the Green PD” rather than creating a disconnected, standalone development, the integrated portion to be incorporated into the existing Village on the Green demonstrates an innovative approach to growth management by providing additional independent senior living to a community that already offers various levels of senior care. The proposed development of “independent living for seniors” allows for “aging in place” within a familiar community. Following the changes brought on by COVID, the demand for office space in the surrounding area has declined, leading to a shift toward providing more affordable housing for the aging community.

B. Whether public facilities and services will be available concurrent with the impacts of development at adopted levels of service.

Staff Analysis

Public facilities such as water and sewer are already existing and provided services by Sunshine Water, which has reserved capacity for the parcel that will be incorporated into the existing Village on the Green. The newly incorporated parcel POD E is proposing new access onto Wekiva Springs Road, while maintaining the existing Village on Green access via Sabal Palm Drive. Sabal Palm Drive is classified as an Urban Minor Arterial and Local roadway. Wekiva Springs Road is currently operating at a level of service (LOS) “C”. The current 67,125 square foot office building estimates 119 AM peak hour trips and 119 PM peak trips, while the proposed forty (40) single-family and duplex units anticipate approximately fifteen (15) AM peak hour trips and twenty (20) PM peak trips. The proposed redevelopment of POD E is anticipated to result in a net decrease in trip generation in comparison to the existing office building.

C. Whether the site is suitable for the proposed use and will be able to comply with flood-prone regulations, wetland regulations, and all other adopted development regulations.

Staff Analysis

The subject site, which includes POD E and the southern portion of POD B2, located in the existing Village on the Green PD, is suitable for the intended use. These areas do not contain any wetlands or floodplains and therefore, are not subject to floodplain or wetland regulations. However, based on the County maps, there may be karst features present on the property which will require a minimum twenty-five (25) foot, average fifty (50) foot natural undisturbed buffer within the developed site adjacent to karst features and shall be placed in a conservation easement.

D. Whether the proposal adheres to other special provisions of law (e.g., the Wekiva River Protection Act).

Staff Analysis:

The existing Village on the Green PD and the newly incorporated POD E are located within the Wekiva Study Area and the Aquifer High Recharge Area and is compatible with the Wekiva Study Area in that it limits density and complies with the standards set forth in the Wekiva Study Area, Chapter 369, Part III of the Florida Statutes.

The Developer must comply with the Environmental Design Standards outlined in

Division 3 of the Wekiva Study Area regulations and Sec. 30.10.1 of the Seminole County Land Development Code. These standards are required to be demonstrated at the time of Final Engineering.

The subject site is located in a high recharge area. Per Policy FLU 2.3.12, the Developer must demonstrate at the time of Final Engineering that the impervious surface area does not exceed sixty (60) percent for any future development.

E. Whether the proposed future land use is compatible with existing surrounding development and future land uses in accordance with FLU Exhibit: Compatible Transitional Land Uses.

Staff Analysis:

The proposed development seeks a Future Land Use amendment from High Density Residential to Planned Development, creating a balanced buffer between the existing adjacent office building and the medium-density residential neighborhoods. This amendment allows the development to enhance compatibility by incorporating increased setbacks, landscaping, open space, and thoughtful building orientation. These design features reduce potential impacts and facilitate a smooth transition between different land uses, minimizing conflicts related to density, traffic, and aesthetics.

F. Whether the proposed use furthers the public interest by providing or enabling the provision of:

(1) Sites for public facilities or facility improvements in excess of requirements likely to arise from development of the site;

Staff Analysis:

The site is part of the existing Sabal Point Planned Development and has a Future Land Use designation of Planned Development. Existing facilities including water and sewer infrastructure are already in place. Any future improvements associated with the development of the site are not expected to exceed the minimum requirements for infrastructure.

(2) Dedications or contributions in excess of Land Development Code requirements;

Staff Analysis:

The Applicant will be required to install a six (6) foot wide sidewalk along a portion of Wekiva Springs Road. Additional right-of-way may be required to facilitate these and other possible roadway improvements. The subject site is located on Wekiva Springs Road along a curve, and there have been

discussions regarding the installation of a gate at the site entrance. The County Engineer has expressed concerns about site access at this location, including the potential for vehicle queuing onto Wekiva Springs Road. To address these traffic safety concerns, a right-turn lane or other entrance improvements may be required during Final Engineering review.

(3) A range of attainable housing opportunities and choices, including affordable or workforce housing.

Not applicable

(4) Economic development (enabling higher paying jobs).

Not Applicable

(5) Reduction in transportation impacts on area-wide roads;

Staff Analysis:

The current 67,125 square foot office building estimated 119 AM peak hour trips and 119 PM peak trips, while the proposed forty (40) single family and duplex units anticipate approximately fifteen (15) AM peak hour trips and twenty (20) PM peak trips. The proposed redevelopment of POD E is anticipated to result in a net decrease in trip generation in comparison to the existing office building.

(6) Mass transit and a variety of transportation choices.

Not Applicable

(7) Whether the proposed land use designation is consistent with other applicable Plan policies and supports and is consistent with the Central Florida Regional Growth, Vision, the Strategic Regional Policy Plan, and the State Comprehensive Plan.

Staff Analysis:

Policy FLU 5.4 Enhancement of Residential Neighborhoods - The proposed project supports this policy by increasing the housing supply through the redevelopment of an underutilized office site along the SR 434 corridor. By repurposing underutilized land with thoughtful design and modern standards, this development supports the Central Florida Regional Growth Vision. It also provides adequate buffering between the existing commercial uses to the west and residential neighborhoods to the east. The existing site is predominantly covered by impervious surfaces; redeveloping it with residential units will introduce more native vegetation, trees, and pervious areas, thereby enhancing the site’s environmental

quality.

Policy FLU 2.5.1 Efficient Land Use Patterns. The development of forty (40) residential units will help minimize urban sprawl by converting an underutilized office site into a less intensive use that protects natural resources while utilizing the existing onsite infrastructure.

Staff finds the proposed Planned Development Future Land Use designation and PD (Planned Development) Zoning classification to be consistent with the Comprehensive Plan.

In compliance with Seminole County Land Development Code Sec. 30.49 - Community Meeting Procedure, the Applicant conducted a community meeting on May 8, 2025; details of the community meeting have been provided in the agenda package.

The Planning & Zoning Commission met on August 6, 2025, and voted unanimously to recommend the Board of County Commissioners adopt the Ordinance enacting a Small Scale Future Land Use Map Amendment from High Density Residential and Planned Development to Planned Development, and adopt the associated Ordinance enacting a Rezone from R-3 (Multiple Family Dwelling) and PD (Planned Development) to PD (Planned Development), and approve the associated Development Order and Master Development Plan.

The Planning & Zoning Commission meeting minutes are included in the agenda packet.

Requested Action:

Staff requests the Board of County Commissioners approve the proposed Small Scale Future Land Use Map Amendment and concurrent Rezone as per the following two motions:

1.) Based on Staff’s findings and the testimony and evidence received at the hearing, the Board of County Commissioners finds the request meets the identified portions of the Comprehensive Plan and moves to adopt the Ordinance enacting a Small Scale Future Land Use Map Amendment from High Density Residential and Planned Development to Planned Development; and

2.) Based on Staff’s findings and the testimony and evidence received at the hearing, the Board of County Commissioners finds the request meets the identified portions of the Seminole County Land Development Code and moves to adopt the Ordinance enacting a Rezone from R-3 (Multiple Family Dwelling) and PD (Planned Development) to PD (Planned Development), and approves the associated Development Order and Master Development Plan.

The presence of any wetlands and/or flood-prone areas is determined on a site-by-site basis. Boundary adjustments may be made based upon more definitive on-site information obtained during the development review process. Wetland information is based on SJRWMD's update of the National Wetland Inventory Maps, and 100-year flood-prone area information is based on Flood Insurance Rate Maps provided by FEMA.

Application For Future Land Use Map Amendment To The Seminole County Comprehensive Plan

SEMINOLE COUNTY PLANNING AND DEVELOPMENT DIVISION
1101 EAST FIRST STREET, ROOM 2028
SANFORD, FL 32771-1468
PHONE (407) 665-7445 - FAX (407) 665-7385

SEMINOLE COUNTY LOCAL PLANNING AGENCY/PLANNING AND ZONING COMMISSION AND BOARD OF COUNTY COMMISSIONERS

Proposed amendments to the County's Future Land Use Map are reviewed against the goals, objectives and policies of the Seminole County Comprehensive Plan. The future land use map itself is a graphic representation of the policies contained within the Plan.

Proposed amendments are also reviewed for compatibility with adjacent land uses, sufficient public facility resources to serve any change in the demand for services, appropriate timing and location of the amendment, potential environmental impacts, and for internal Plan consistency. The impact on state and regional resources, facilities and policies as well as upon specially designated areas within the County is included in this review.

The County also evaluates proposed amendments for consistency with the Central Florida Regional Growth Vision and the East Central Florida Regional Planning Council's Strategic Regional Policy Plan.

ATTACHMENT A SECTIONS :

1. A *text section* requiring the applicant to perform a preliminary evaluation of whether the amendment proposal meets certain standards set by the Comprehensive Plan. This section is a Microsoft Word document that can be downloaded, opened and directly filled-in. The document can then be either printed directly as a PDF or printed out and scanned to PDF for submission. The submitted PDF is included in the Board's meeting agenda package. Applicant responses are used by the Project Manager in reviewing the proposed amendment.
2. A *worksheet section* requiring the applicant to perform a preliminary evaluation of whether current facility capacities can meet the demand of the proposed land use change. This section is an Adobe Acrobat PDF document which can be opened from the County web-site and filled-in on screen or can be downloaded, opened on a personal computer and filled-in. Once both documents are filled-in, they can then be either printed directly as a PDF or printed out and scanned to PDF for submission. The submitted PDF is included in the Board's meeting agenda package.

NOTE: A MINIMUM OF THREE STEPS ARE INCLUDED IN THE AMENDMENT PROCESS:

1. *Development Review Committee (DRC) Meeting* – Review conducted by county staff to identify any potential internal plan conflict issues and provide recommendations. NOTE: This meeting may be waived under certain circumstances.
2. *First Public Hearing* – Review by the Planning and Zoning Commission, serving as the Local Planning Agency, to provide recommendations to the Board of County Commissioners.
3. *Second Public Hearing* –
    a. For Small Scale Amendments (amendments affecting properties with fewer than 10 net buildable acres), the second public hearing is an adoption or denial hearing. The decision to amend the plan must be through adoption of an ordinance of amendment by affirmative vote of not less than a majority of the members of the governing board present at the hearing. Within 31 days of adoption of the ordinance, if no affected party has filed a request for a hearing at the Division of Administrative Hearings, the amendment is effective.
    b. For Large Scale Amendments (amendments affecting properties with 10 or more net buildable acres), the second public hearing is a transmittal hearing by the Board of County Commissioners. The decision must be by an affirmative vote of not less than the majority of the members of the governing board present at the hearing to transmit the proposed amendment to State and Regional Reviewing Agencies.
4. *Third Public Hearing for Large Scale Amendments* –
    a. Within 180 days of receiving comments from State and Regional Reviewing Agencies, a third public hearing is held before the Board of County Commissioners to consider adoption, which must be through an ordinance of amendment by affirmative vote of not less than a majority of the members of the governing board present at the hearing.
    b. The amendment must then be resubmitted to the State Land Planning Agency, which will notify the County as to whether the amendment package is complete.
    c. Within 31 days of notification by the State Land Planning Agency of receipt of a complete amendment package, if no affected party has filed a request for a hearing at the Division of Administrative Hearings, the amendment is effective.

[1] Small Scale Amendment involves areas of 10 acres or fewer [Section 163.3187(1)(a), Florida Statutes 2012]. Large Scale Amendment involves areas of more than 10 acres [see Section163.3184 , FS for provisions regarding amendments].

4. ASSESSMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN GOALS, OBJECTIVES AND POLICIES

a. Demonstrate the Compatibility with Adjacent Land Uses

Section 163.3177, Florida Statutes, requires local comprehensive plans to "provide for compatibility of adjacent land uses". The Seminole County Comprehensive Plan contains many policies that focus on compatibility with surrounding future land uses, such as Policies FLU 2.4 through 2.6, Policy FLU 4.4 and Policy FLU 5.16, as well as an Exhibit (*Exhibit FLU Compatible Transitional Land Uses*).

Section 163.3164, Florida Statutes, and the Seminole County Comprehensive Plan define "compatibility" as:

"A condition in which land uses can coexist in relative proximity to each other in a stable fashion over time such that no use is unduly negatively impacted directly or indirectly by another use."

Applicant shall briefly explain how the amendment will be compatible with each of the adjacent land uses identified in the preceding Section 1, and may use the above cited policies and Exhibit, or other policies of the Seminole County Comprehensive Plan, in the explanation. *(See:* http://www.seminolecountyfl.gov/gm/planning/FLUamend.aspx).

***Begin narrative below and/or note attachments to reference**:*

See attached narrative.

b. Demonstrate the Changes in Character to the Surrounding Area (if applicable)

Applicant shall describe how the character of the area surrounding the proposed amendment site has changed sufficiently to support the need for a different land use designation. Possible points may include, but not be limited to:

- Approved but uncompleted projects (private and public) within the surrounding area that will change the character of the area within the next five years, and
- Appropriateness of the timing of the proposed change in land use designation for the subject property (i.e., consistency with planned public facility improvements, support for major public facilities such as SunRail commuter rail or support for other Seminole County Comprehensive Plan goals, objectives and policies).

***Begin narrative below and/or note attachments to reference**:*

See attached narrative.

c. Demonstrate the Support and Furthering of County Plan Goals, Objectives and Policies

In the following table, the Applicant shall check which of the following Seminole County Comprehensive Plan goals, objectives and policies will be supported and/or furthered by the proposed amendment.

The following objectives and policies can be use to demonstrate that the proposed amendment supports and furthers the Seminole County Comprehensive Plan. The full text of each objective and policy can be found in the downloadable document entitled: "Attachment A – Reference" located at: http://www.seminolecountyfl.gov/gm/planning/FLUamend.aspx
