

NOTES:

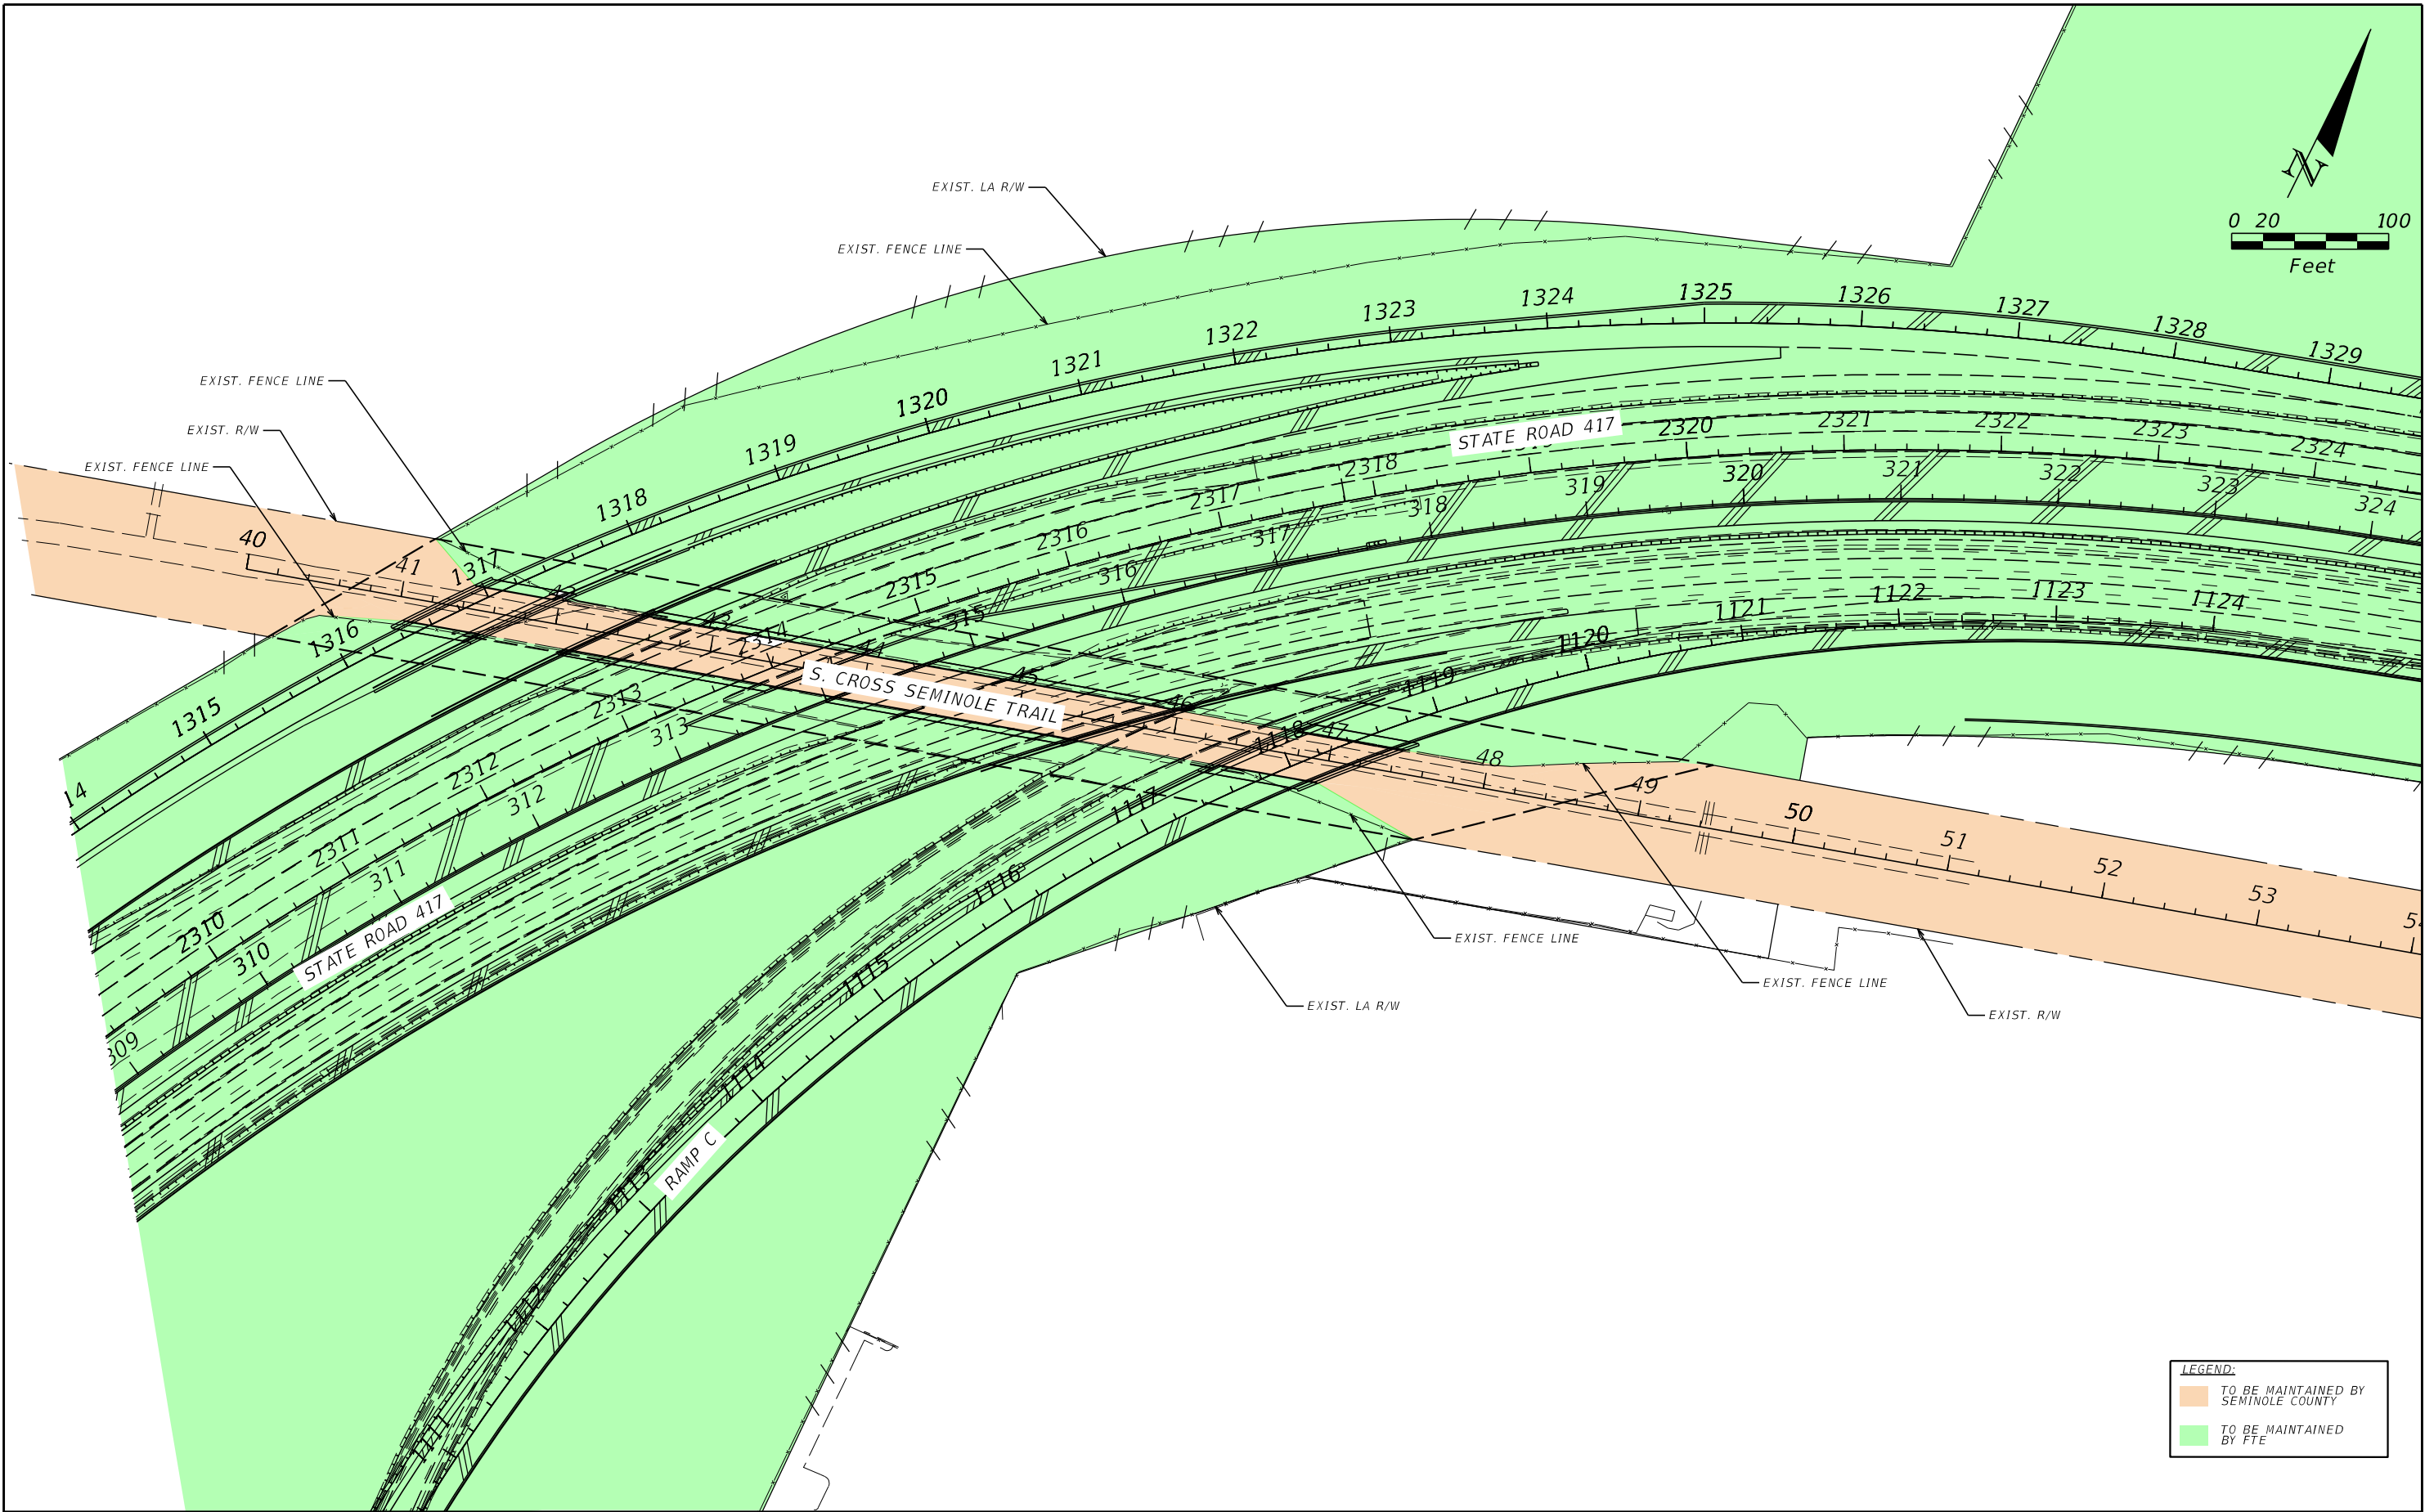

- 1. Each party will be responsible for all portions of any roadway feature that begins within the limits of their responsibility.
- 2. Each party will be responsible for all ground-mounted signs within the limits of their responsibility, regardless of message, unless installed under separate permit or agreement.
- 3. Each party shall provide the other with 48-hour advance notification prior to performing any works only upon the other party's approval of the request, which approval must not be unreasonably withheld.
- 4. Seminole County shall maintain all portions of the signalization system, including SR 426 (Aloma Avenue), Red Bug Lake Road and SR 434.
- 5. All portions of the FTE ITS system located within L.A. R/W are to be maintained by FTE.
- 6. FTE will be responsible for the SR 417 bridge median piers, and all associated pier protection, including guardrail end treatments, protecting the piers within Red Bug Lake Road median.
- 7. All noise walls constructed within the FTE L.A. R/W limits will be maintained by FTE.
- 8. Sidewalks and associated pedestrian signals within SR 417/Red Bug Lake interchange will be maintained by Seminole County.

LIGHTING RESPONSIBILITIES:

- 1. All portions of the Cross Seminole Trail lighting system, including any bridge underdeck or wall mounted lighting, will be maintained by Seminole County.
- 2. Each party will be responsible for lighting associated with their roadways connected to load centers located within their R/W.
- 3. Underdeck lighting connected to SR 417 roadway lighting will be the responsibility of FTE.
