Please briefly state your experience, interests, or elements of your personal history that you think qualify you for appointment to the board(s) you have chosen.	Since 1990, I have been dedicated to assisting the older adult community of Central Florida by cataloguing resource information and making it available to both the lay population and the professionals serving them. Currently, I serve as executive director of Seminole County Triad (SeminoleCountyTriad.org) and as CEO and executive director of 50+Plus FYI Resource Network (50plusfyi.org). I have earned the following certificates: End-of-Life Care, Gerontology, Meditation, Energy Medicine, and Brain Health.
	I understand the responsibilities associated with being a Board member, and I have adequate time to serve on the above Board(s). I also understand that

	Florida law requires members of certain boards file a detailed financial disclosure form.
