Section 10. Utilities and Lighting. COUNTY shall provide and pay for all utilities including lights, gas, electrical current, water, and sewer used anywhere in, on or about the Leased Premises. COUNTY shall pay the charges made by the suppliers of such utilities promptly when due.

Section 12. Liabilities and Responsibilities of the Parties.

(a) Each party to this Lease Agreement is responsible for all personal injury and property damage attributable to the negligent acts or omissions of that respective party and the officers, employees, and agents of that respective party arising from or related to this Lease Agreement. FDLE's insurance coverage must be as provided under Chapter 284, Part II, Florida Statutes (2018), with proof of the insurance coverage to be provided to COUNTY upon request.

(b) The parties further agree that nothing contained in this Lease Agreement may be construed or interpreted as denying to any party any remedy or defense available to such parties under the laws of the State of Florida, nor as a waiver of sovereign immunity of COUNTY, SHERIFF, or FDLE beyond the waiver provided for in Section 768.28, Florida Statutes (2018), as this statute may be amended time to time. The waiver of a provision in this Lease Agreement

by any party will not constitute the further waiver of such provision or the waiver of any other provision.

Section 13. Maintenance and Repairs.

(a) COUNTY shall provide for interior maintenance and repairs in accordance with generally accepted good practices, including repainting and the replacement of worn or damaged floor covering. During the term of this Lease Agreement, COUNTY shall keep the interior of the Leased Premises in as good a state of repair as it is at the time of the commencement of this Lease Agreement, reasonable wear and tear excepted.

(b) COUNTY shall maintain the interior of the Leased Premises to conform to all applicable health and safety laws, ordinances, and codes that are presently in effect and that may subsequently be enacted during the term of this Lease Agreement and any renewal periods.

Section 14. Air Conditioning.

Section 15. Fire and Other Hazards.

(a) In the event that the Leased Premises or the major part of them are destroyed by fire, lightning, storm, or other casualty, COUNTY, at its option, may promptly repair the damage to such Leased Premises at COUNTY's own cost and expense. The rental on the Leased Premises will cease until the completion of such repairs. COUNTY shall immediately refund to

FDLE the pro rata part of any rentals paid in advance by FDLE for any time the Leased Premises are unavailable due to such casualty. Upon the completion of such repairs, the full rental will commence and the Lease Agreement will then continue for the balance of the Term of this Lease Agreement.

(b) COUNTY shall provide for fire protection during the Term of this Lease Agreement in accordance with the fire safety standards of applicable codes as interpreted by COUNTY. COUNTY will be responsible for maintenance and repair of all fire protection equipment necessary to conform to the requirements of these codes. COUNTY agrees that the Leased Premises will be available for inspection by the State Fire Marshal prior to occupancy by FDLE and at any reasonable time thereafter.

(c) COUNTY certifies that no asbestos was used in the construction of the Leased Premises or that, if asbestos was used, actions have been completed to correct the hazards caused by the use of asbestos.

(d) Pursuant to Section 404.056, Florida Statutes (2018), as this statute may be amended from time to time, the following notice is hereby given to FDLE.

Levels of radon that exceed federal and state guidelines have been found in building in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

FDLE hereby acknowledges that it has read this notice prior to the execution of this Lease.

Section 16. Property Insurance and Commissions.

(a) COUNTY shall carry appropriate property insurance on the Leased Premises. COUNTY will not be liable to carry any insurance on the person or property of FDLE or any other person or property that may now or subsequently be placed in the Leased Premises.

(b) COUNTY agrees, covenants, certifies, and warrants to FDLE that no portion of the rent payable pursuant to this Lease Agreement is at an increased rate above the rate of the building based on or attributable to any commission or fee that is paid or is payable by COUNTY as a result of COUNTY having utilized or contracted for the services of any real estate broker, salesman, agent, or firm in any aspect of COUNTY's dealings or any dealings involving the leasing of the Leased Premises to FDLE.

Section 17. Availability of Funds. The State of Florida's performance and obligation to pay under this Lease Agreement is contingent upon an annual appropriation by the Legislature, pursuant to Section 255.2502, Florida Statutes (2018), as this statute may be amended from time to time. Failure on the part of the State to appropriate funds for this Lease Agreement will result in termination of this Lease Agreement and removal of all equipment by FDLE.

Section 18. Cancellation and Termination.

(a) This Lease Agreement may be cancelled or terminated by any party at any time with or without cause upon not less than thirty (30) days written notice delivered to the other parties or, at the option of COUNTY, immediately in the event any of the terms, covenants, or agreements of this Lease Agreement have been violated by written notice delivered to the other parties.

Section 20. Surrender of Possession. FDLE shall deliver up and surrender to COUNTY possession of the Leased Premises at the expiration or termination of this Lease Agreement in as good condition as when FDLE takes possession except for ordinary wear and tear, alterations permitted under this Lease Agreement, or loss by fire or other casualty, act of God, insurrection, nuclear weapon, bomb, riot, invasion or commotion, military or usurped power.

Section 21. Removal of Property. Without demand by COUNTY, at FDLE's own cost and expense, and prior to expiration or earlier termination of the term or of any extended term of this Lease Agreement, FDLE shall: (a) remove all property belonging to FDLE and all alterations, additions, improvements, and fixtures that by the terms of this Lease Agreement FDLE is permitted to remove; (b) repair all damage to the Leased Premises caused by such removal; and (c) restore the Leased Premises to the condition they were in prior to the installation of the property so removed. Any property not so removed will be deemed to have been abandoned by FDLE and may be retained or disposed of by COUNTY.

Section 22. Acceptance of Premises by FDLE. The taking of possession of the Leased Premises by FDLE will be conclusive evidence that the Leased Premises are in good and satisfactory condition when possession of the Leased Premises was taken, latent hidden defects excepted.

Section 23. Waiver. No waiver of any breach of any one or more of the conditions or covenants of this Lease Agreement by COUNTY, SHERIFF, or FDLE may be deemed to imply or constitute a waiver of any succeeding or other breach under this Lease Agreement.

Section 24. Amendment or Modification. The parties acknowledge and agree that they have not relied upon any statements, representations, agreements, or warranties, except such as are expressed in this Lease Agreement, and that no amendment or modification of this Lease Agreement will be valid or binding unless expressed in writing and executed by the parties in the same manner as the execution of this Lease Agreement.
