1. Agenda and recommended motions for the First Public Hearing
2. Tentative millage rates and % increase over the rolled-back rates
3. First Public Hearing adjustment details and adjusted FY26 tentative budget for all funds

**SEMINOLE COUNTY GOVERNMENT  
FIRST PUBLIC HEARING  
SEPTEMBER 10, 2025**

**FISCAL YEAR 2025/26 TENTATIVE MILLAGE RATES & BUDGET  
AGENDA & RECOMMENDED MOTIONS**

**CHAIRMAN COMMENTS**

The purpose of tonight's hearing is to present the Tentative Millage Rates and Budget for fiscal year 2025-2026 and to allow for public comments. Before we begin, the public should be reminded:

- that this Board of County Commissioners does not have control over the tax levies or budgets of the School Board, the Water Management District, the Property Appraiser, Tax Collector, or any of the seven cities in Seminole County.
- any questions regarding assessed property valuations should be addressed to our Property Appraiser, David Johnson.

**COUNTY MANAGER COMMENTS**

We are here for the first of two public hearings on the FY 2025-2026 budget that are required by Florida Statute.

- The purpose of the meeting is to present to the public the tentative budget for all funds and the proposed millage rates for the Countywide District, Fire MSTU, and Roads MSTU as well as the rolled-back rates. By the State's definition, the rolled-back millage rate is a rate when applied to next year's tax base (excluding new construction) that will generate the same revenue as was raised in the previous year.
- This public hearing was advertised through the "Notice of Proposed Property Taxes" mailed to each property owner in August.
- The millage rates and budgets considered for tentative adoption tonight are the result of multi day worksessions with the Board of County Commissioners. The Budget is balanced, and each Commissioner has received a detailed statement of necessary adjustments, which is included in this document.

## **Truth In Millage "TRIM" Millage Rates**

Rolled-back millage rates, proposed millage rates and the percentage increase/decrease over rolled-back millage rates for each millage levy of Seminole County Government are summarized in the following table:

	<b>FY25 CURRENT MILLAGE</b>	<b>FY26 ROLLBACK RATE</b>	<b>FY26 TENTATIVE MILLAGE</b>	<b>% INCREASE OVER ROLLBACK</b>
<b><u>COUNTYWIDE</u></b>				
<b>General County Millage</b>	<b>4.8751</b>	<b>4.6168</b>	<b>5.3751</b>	<b>16.42%</b>
<b><u>SPECIAL DISTRICTS</u></b>				
<b>Fire/Rescue MSTU</b>	<b>2.7649</b>	<b>2.6226</b>	<b>2.7649</b>	<b>5.43%</b>
<b>Unincorporated Road MSTU</b>	<b>0.1107</b>	<b>0.1051</b>	<b>0.1107</b>	<b>5.33%</b>
<b>TOTAL BCC Millage</b>	<b>7.7507</b>	<b>N/A</b>	<b>8.2507</b>	<b>N/A</b>

### **General County Millage**

Countywide millage is assessed against all taxable property in the County to support general governmental activities of the County.

### **Fire Protection Millage**

The County levies a dependent special district millage for the operation of a municipal services taxing unit for the provision of fire and emergency medical services which covers the unincorporated (i.e., outside of municipal limits) area of the County and the incorporated limits of Altamonte Springs, Winter Springs, and Casselberry.

### **Unincorporated Roads Millage**

The County levies a dependent special district millage for the provision of transportation services in the unincorporated (i.e., outside of municipal limits) area of the County.

**The tentative "aggregate" millage rate for all BCC taxing districts is 7.3663 mills, which represents an 12.70% increase over the current year "aggregate" rolled-back millage rate of 6.5363 mills.**

Note: The aggregate millage rate is based on a statutory formula that divides the sum of all property taxes levied by the Seminole County BCC (Countywide, Road District MSTU and Fire District MSTU) by the total countywide taxable value. The current year aggregate millage rate (based on proposed property taxes to be levied) is divided by the rolled back aggregate millage rate (based on prior year property taxes levied adjusted for CRA incremental values and payments) to determine the statutory increase in proposed taxes to be levied by the BCC. Florida's "Truth in Millage" or TRIM process requires the aggregate tax increase to be publicly announced at the September budget hearings to adopt the tentative and final millage rates.

## PERSONNEL SERVICES OVERVIEW

Seminole County's Personnel Services Budgets include all amounts paid by the County for Salaries, Wages, Overtime, Social Security Tax, contributions to FRS and other retirement plans, Workers Compensation Insurance, and Health Insurance. The FY 2025/26 Tentative Personnel Services Budget is \$196,794,695 for 1,681.12 FTEs across all Countywide funds.

These Personnel Services Budgets includes a reduction of 10 FTEs; a salary adjustment of 4% for all non-unionized employees; a 10% increase in County-paid Health Insurance premium rates; and 7% increase in FRS Retirement rates.

Personnel who are funded by the Board of County Commissioners and working for the Constitutional Officers are funded via transfer to those agencies and are not included in these budgets. Also excluded from the Countywide Personnel Budgets are costs paid directly by the employee. This includes employee contributions to FRS and employee-paid portion of the Health Insurance premiums.
