- J. Exterior walls shall be finished with natural materials such as wood, stone, and/or manufactured products such as brick, stucco, concrete, composite or EIFS panels, architectural glass, CMU (Concrete Masonry Units), and architecturally decorative concrete block. Metal siding shall be prohibited; provided, however, metal may be used for architectural elements and for exterior storage unit bay doors.
- K. Businesses that rent moving vehicles or equipment shall be prohibited.
- L. No individual bay or unit in the self storage facility shall be used as a place of business apart from that of the self storage operator.
- M. Parking shall be provided at a minimum rate of one (1) space for each ten thousand (10,000) square feet of building plus one (1) space for each two (2) employees on the largest shift.
- N. Outdoor storage of any moving rental vehicles, boats, recreational vehicles, automobiles, equipment and/or materials shall be prohibited.
- O. No self storage unit/bay shall contain plumbing.
- P. No self storage bay doors may face east toward existing residential development. Further, all self storage bay doors shall not be visible from outside of the property.
- Q. Dumpster doors, mechanical equipment, and fire protection equipment, including water tanks, shall be screened so that they are not visible from outside the property.
- R. On-premise signs shall be limited to building face mounted signs on the west and south sides of the building and ground mounted monument signs proximate to the project vehicular entrance. Pole signs shall be prohibited.
- S. The property shall have access control, including vehicular access gates, beyond the business office parking area.
- T. Exterior lighting shall comply with Part 64, Section 30.1234 of the Seminole County Land Development Code (SCLDC), except that off-site

light spillage shall not exceed 0.25 foot candles, shall be fully shielded, and lighting shall be 3000 kelvin color temperature or less.

- U. The developer shall provide a pedestrian circulation system in the development as well as connecting to existing sidewalks outside of the development, as required in the Seminole County Land Development Code and Public Works Engineering.
- V. Fire department access roads, water supply, and fire protection system features shall be provided in accordance with the adopted edition of the Florida Fire Prevention Code pursuant to Florida Statute 633. Alternative methods shall be reviewed by the Authority Having Jurisdiction (AHJ) and must be found acceptable prior to AHJ approval at the time of Final Development Plan approval.
- W. The windows shown on architectural renderings in Exhibit C shall be faux or mirrored windows above the first floor, except for the multiple tiers of windows above the office/retail area. Bay doors to access internal storage units shall not be visible from outside the building through the windows.
- X. **In the case of a conflict between the written conditions A through W in this Development Order and the Master Development Plan attached as Exhibit (B), the terms of the written conditions A through W shall apply.**

(4) This Development Order touches and concerns the above described property and the conditions, commitments and provisions of this Development Order will perpetually burden, run with and follow this property and be a servitude upon and binding upon this property unless released in whole or part by action of Seminole County by virtue of a document of equal dignity with this Order.

(5) The terms and provisions of this Order are not severable and in the event any portion of this Order is found to be invalid or illegal then the entire order will be null and void.

(6) In the case of a conflict between the written conditions in this Development Order and the attached Master Development Plan, the terms of the written conditions shall apply.

(7) All applicable state or federal permits must be obtained before commencement of the development authorized by this Development Order.

(8) Issuance of this Development Order does not in any way create any rights on the part of the Applicant or Property Owner to receive a permit from a state or federal

agency, and does not create any liability on the part of Seminole County for issuance of the Development Order if the Applicant or Property Owner fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

(9) In approval of this Development Order by Seminole County, the property owner(s) understands that the County must receive a Final Development Plan within five (5) years of approval of the Master Development Plan, unless this time period is extended by the Seminole County Local Planning Agency / Planning and Zoning Commission. If substantial development has not begun within eight (8) years after approval of the Master Development Plan, the planned development will be subject to review by the Local Planning Agency / Planning and Zoning Commission and the Board of County Commissioners may move to rezone the subject property to a more appropriate zoning or extend the deadline for start of construction (see Sections 30.446 and 449, LDC).

(10) This Order becomes effective upon recording with the Seminole County Clerk of the Court.

Done and Ordered on the date first written above.
