The proposal we want to present is to offer the city of Altamonte/Apopka a food truck with exquisite meals for the Latino and American communities, since the nearest food trucks are half an hour or more away from this area. Our dream is for people to enjoy our food, which is completely different from any other, not just for Latinos but also for Americans who appreciate good food. We would be open from Monday to Saturday, with hours depending on customer demand.

Of course, we will comply with all the requirements set by the city and Seminole County.
