PROCLAIMING FEBRUARY 2026
BLACK HISTORY MONTH
IN SEMINOLE COUNTY, FLORIDA**

WHEREAS, Black History Month, observed annually in February, is a time set aside to honor the rich heritage, indelible contributions, and enduring legacy of African Americans whose courage, creativity, and perseverance have helped shape the moral, cultural, and civic foundation of the United States; and

WHEREAS, the observance of Black History Month finds its roots in 1926, when scholar and historian Dr. Carter G. Woodson established Negro History Week to ensure that the achievements and experiences of African Americans would be recognized, studied, and preserved as an essential part of our shared national story; and

WHEREAS, the town of Goldsboro, incorporated in 1891 and recognized as one of the oldest African American-founded communities in the nation, reflects the determination and vision of its residents, who built institutions of commerce, worship, and civic life in the face of segregation and inequality; and

WHEREAS, African American educators and leaders such as Joseph N. Crooms and Wealthy Crooms championed the transformative power of education by establishing Hopper Academy and later Crooms Academy, providing generations of students with opportunity, dignity, and the tools to pursue excellence, and leaving a lasting legacy of academic achievement in Seminole County; and

WHEREAS, the enduring presence of historic churches, schools, cultural institutions, and families throughout Seminole County stands as a living testament to the faith, resilience, and contributions of African Americans whose stories continue to inspire progress, understanding, and unity across our community.

With the Orlando Sanford International Airport growing and traffic becoming increasingly congested in the surrounding area, the Board of County Commissioners requested that the Central Florida Expressway Authority (CFX) conduct a study to evaluate the feasibility of an expressway connection between SR 417 and the Orlando Sanford International Airport. In response to this request, CFX conducted a Concept, Feasibility, and Mobility Study (“CF&M”) to evaluate the feasibility of a direct access route between SR 417 and the Orlando Sanford International Airport (the “Project”). This CF&M was completed in August of 2023 and this study found that such an expressway connection was feasible from an engineering and environmental standpoint. Building upon the conclusions and findings from the 2023 CF&M, CFX began a Project Development and Environment Study (“PD&E”), to further evaluate proposed alternative alignments. On October 9, 2025, CFX’s Governing Board unanimously approved a preferred alternative (as defined in the PD&E) for the Project and, due to financial viability shortfalls, directed CFX staff to identify funding partners to increase the Project’s financial viability prior to commencing the Project.

The County finds it in the best interests of the County, its residents, and the public’s safety and welfare to financially contribute toward the Project’s completion, thereby

ensuring its financial viability and advancing the County's transportation objectives by promoting regional connectivity and alleviating congestion on its local roads. This project is a named project in the 4th Generation Sales Tax List with \$25 million earmarked for this purpose. The remaining \$25 million of needed funding for this project is the County's responsibility per the agreement; however, staff will continue to pursue other funding partners and/or grants for this portion.

Requested Action:

Staff requests the Board approve and authorize the Chairman to execute an Interlocal Agreement between Central Florida Expressway Authority and Seminole County related to joint funding for the SR 417 Sanford Airport Connector Project.

INTERLOCAL AGREEMENT
between
CENTRAL FLORIDA EXPRESSWAY AUTHORITY
and
SEMINOLE COUNTY
related to
Joint Funding for the SR 417 Sanford Airport Connector Project

THIS INTERLOCAL AGREEMENT (this “**Agreement**”), is made and entered into by and between:

CENTRAL FLORIDA EXPRESSWAY AUTHORITY (“**CFX**”), a body politic and corporate and agency of the state, under the laws of the State of Florida with its principal place of business located at 4974 ORL Tower Road, Orlando, Florida 32807; and

SEMINOLE COUNTY (the “**County**”), a charter county and political subdivision of the State of Florida, having its principal place of business located at 1101 East 1st Street, Sanford, Florida 32771.

CFX and the County may each herein be referred to individually as the “**Party**” and collectively as the “**Parties**”.

RECITALS

- A.** CFX is authorized by Chapter 348, Florida Statutes, to construct, reconstruct, improve, extend, repair, maintain and operate its expressway system, together with approaches, streets, roads, bridges, and avenues of access for such system and to enter into contracts and other agreements with agencies of the State of Florida for the purpose of carrying out such powers.
- B.** With the Orlando Sanford International Airport growing and traffic becoming increasingly congested in the surrounding area, the County’s Board of County Commissioners requested that CFX conduct a study to evaluate the feasibility of an expressway connection between SR 417 and the Orlando Sanford International Airport.
- C.** In response, CFX conducted a Concept, Feasibility, and Mobility Study (“**CF&M**”), the final version of which is herein incorporated by reference and for reference purposes only, to evaluate the feasibility of a direct access route between SR 417 and the Orlando Sanford International Airport (the “**Project**”). This CF&M was completed in August of 2023 and found that such an expressway connection was feasible from an engineering and environmental standpoint.
- D.** Building upon the conclusions and findings from the 2023 CF&M, in 2024, CFX began a Project Development and Environment Study (“**PD&E**”), the final version of which is herein incorporated by reference and for reference purposes only, to evaluate proposed alternative alignments for the Project, which was completed in October of 2025.
- E.** Based on the results of the PD&E, on October 9, 2025, CFX’s Governing Board unanimously approved a Preferred Alternative (as defined in the PD&E) for the Project and, due to financial viability shortfalls, directed CFX staff to identify funding partners to increase the Project’s financial viability prior to commencing the Project.
- F.** The County is committed to meeting the current and future transportation mobility demands of its growing population and economy, and views CFX’s completion of the Project as a key step toward its goal of promoting regional connectivity and alleviating congestion on its local roads.

- G. As a result, the County finds it to be in the best interest of the County, its residents, and the public's safety and welfare to financially contribute toward the Project's completion, thereby ensuring its financial viability and advancing the County's transportation objectives.
- H. CFX finds both acceptance of such financial contribution from the County and completion of the Project to be aligned with its objective of building, operating, and maintaining a mobility network that drives economic prosperity and quality of life through accountability, fiscally sound practices, and a community focus.

NOW, THEREFORE, in consideration of the mutual covenants expressed in this Agreement, and intending to be legally bound by this Agreement, the Parties agree that the foregoing recitals are true, correct, and incorporated herein as part of this Agreement, and further agree as follows:

 1. **“Business day”** means any day other than Saturday, Sunday, a Florida legal bank holiday, any day the State of Florida treats as a work holiday for state employees, including any day declared a work holiday for state employees by the Governor, or any day the County treats as a work holiday for County employees. For any period measured in business days, the deadline occurs at 5:00 p.m. on the final business day.
 2. **“Calendar day”** means one calendar day. For any period measured in calendar days, the deadline occurs at 5:00 p.m. on the final calendar day; however, if that final calendar day is not a business day, then the deadline shall automatically extend to the next business day at 5:00 p.m.

 4. When calculating any period measured in calendar days or business days, the day of the triggering event shall be excluded and the period shall begin on the next calendar day for calendar-day periods, or on the next business day for business-day periods. If the triggering event occurs after 5:00 p.m., it shall be deemed to have occurred on the next calendar day for calendar-day periods, or on the next business day for business-day periods, for counting purposes.
 5. All references to time are to Eastern Time (Orlando, Florida).
- B. The words **“must”**, **“will”**, and **“shall”** are always mandatory and not discretionary; the word **“may”** is permissive.
- C. Unless the context clearly indicates the contrary, where a clause herein involves two or more items, conditions, provisions, or events connected by the conjunctions **“and”**, **“or”**, **“either . . . or”**, or **“and/or”**, such conjunctions shall be interpreted as follows:
 1. **“And”** indicates that all the connected terms, conditions, provisions, or events shall apply.
 2. **“Or”** indicates that the connected items, conditions, provisions, or events may apply singly or in any combination.

3. “**Either . . . or**” indicates that the connected items, conditions, provisions, or events shall apply singly but not in combination, unless further modified by “**... or both**”.
4. “**And/or**” indicates that the connected items, conditions, provisions, or events shall apply either singly or in combination.

D. The words “**includes**” and “**including**” shall not limit a term to the specific example but is intended to extend its meaning to all other instances or circumstances of like kind or character.

E. The words “**herein**”, “**hereby**”, “**hereinafter**”, “**hereto**”, “**hereof**”, and other equivalent words shall refer to this Agreement as a whole, including any documents incorporated into this Agreement whether by attachment or reference.

F. The singular shall include the plural, and the plural shall include the singular, unless the context clearly requires otherwise. Except for reference to women’s business enterprises and matters relating thereto, reference to one gender shall include all genders.

1.4 Ambiguity; Interpretation. In the event of any material discrepancy, deficiency, or ambiguity in this Agreement, the Parties shall work in good faith to resolve the matter. Should a satisfactory resolution not be reached, the Parties shall proceed under **Section 9: Disputes**.

Section 2. First Payment

- 2.1** The County shall, within thirty (30) calendar days of the execution of this Agreement by the Parties, make an initial payment to CFX in the amount of Twenty-Five Million and No/100 Dollars (\$25,000,000.00) (the “**First Payment**”), which shall obligate CFX to achieve the 60% Design Milestone.
- 2.2** The First Payment shall be made by domestic, same-day, irrevocable wire transfer of immediately available funds to the account designated in the written wire instructions provided by CFX to the County. Prior to any transmission of funds, the County shall confirm CFX’s wire instructions by telephone with CFX’s designated contact. No changes to wire instructions may be accepted by email alone.
- 2.3** CFX shall deliver written Formal Notice (as discussed in **Subsection 12.2**) confirming receipt of the First Payment to the County no later than three (3) business days after the date the First Payment is received. Wire transfers initiated after 3:00 p.m. shall be deemed received on the next business day for purposes of CFX’s confirmation obligation.
- 2.4** If the First Payment is not received on the expected date or is received in an amount different from the amount transmitted, CFX shall promptly notify the County upon discovery and the Parties will cooperate in good faith to resolve any discrepancy.

2.5 Failure by the County to make the First Payment within the time allotted under **Subsection 2.1** shall constitute a material breach of this Agreement. CFX may, at any time thereafter, terminate this Agreement upon written Formal Notice (as discussed in **Subsection 12.2**) to the County; provided, however, that if, prior to the County's receipt of CFX's termination notice, the County makes the First Payment in accordance with **Subsection 2.2**, the breach shall be deemed cured and CFX's right to terminate on account of that breach shall lapse.

Section 3. Project Design Phase

3.1 Following CFX's receipt of the First Payment, CFX shall, in accordance with the Consultants' Competitive Negotiation Act, Section 287.055, Florida Statutes, and CFX's procurement policies and procedures, complete a qualifications-based procurement to select and award a contract to a qualified professional services firm (the "**Design Consultant**") for completion of the Project's design (the "**Design Services**").

3.2 CFX shall provide routine status updates to the County during the Design Phase and/or as reasonably requested by the County. At a minimum, CFX shall deliver a written status update to the County's Agency Liaison (as designated and further discussed in **Subsection 12.1**) by email upon reaching the 30%, 90%, and 100% design milestones.

3.3 Once the Project's design has reached the 60% Design Milestone, CFX shall provide written Formal Notice (as discussed in **Subsection 12.2**) of such occurrence to the County (the "**60% Confirmation**").

3.4 Upon reaching the 60% Design Milestone, CFX shall have earned the full amount of the First Payment and shall not be required to return any portion thereof to the County, except as agreed to in **Subsections 4.5**.

Section 4. Second Payment

4.1 During the County's fiscal year beginning on October 1, 2027, and ending on September 30, 2028, CFX shall submit an invoice to the County via a written Formal Notice for the Second Payment (as defined below). No later than thirty (30) calendar days after receipt of CFX's invoice, the County shall make a second payment to CFX in the amount of Twenty-Five Million and No/100 Dollars (\$25,000,000.00) (the "**Second Payment**"), which shall be used towards the Property Acquisition and Pre-Construction Phase and Construction Phase of the Project.

4.2 The same requirements and procedures provided in **Subsections 2.2, 2.3, and 2.4** as to the First Payment shall be followed for the Second Payment.

4.3 Unless and until the County timely transfers the Second Payment to CFX in accordance with this Section, CFX shall have no obligation to the County to proceed beyond the 60% Design Milestone, to procure Construction services, or to continue any other activities toward completion of the Project.

4.4 Failure by the County to make the Second Payment within the date specified in **Subsection 4.1** shall constitute a material breach of this Agreement. CFX may, at any time thereafter, terminate this Agreement upon written Formal Notice (as discussed in **Subsection 12.2**) to the County; provided, however, that if, prior to the County's receipt of CFX's termination notice, the County makes the Second Payment in accordance with **Subsection 2.2**, the breach shall be deemed cured and CFX's right to terminate on account of that breach shall lapse.

4.5 In-Kind Contribution

- A. The provisions of this Section notwithstanding, CFX shall consider an in-kind contribution of Project-related real property interests (“**In-Kind Property**”) in lieu of or in combination with any portion of the County Contribution, provided that:
 - 1. CFX, using its sole discretion, determines that the In-Kind Property is of the nature and kind that can be used to offset the costs of the Project;
 - 2. The Parties mutually agree as to how the In-Kind Property will be valued against the County Contribution, which value shall include all costs associated with any conveyance of land, including without limitation title insurance, closing costs, and recording fees; and
 - 3. The County’s request to use In-Kind Property is delivered to CFX prior to the County making its Second Payment.
- B. If CFX elects to accept In-Kind Property under this Section, the Parties shall reduce the mutually agreed-upon value of such In-Kind Property from the County Contribution. If, after such reduction, a balance remains owed to CFX, the In-Kind Property shall be transferred to CFX at no cost, and the Second Payment shall be reduced by the amount of such balance and then timely provided to CFX by the County.
- C. If the Parties agree that the value of the In-Kind Property exceeds the County Contribution, the County shall not be required to make the Second Payment. In no event shall CFX be required to pay, credit, offset, or otherwise compensate the County for any such excess value; provided, however, that any unexpended portion of the First Payment remaining at the time of reconciliation shall be serve as the full and final consideration provided by CFX to the County for the conveyance of the In-Kind Property under the associated Purchase and Sale Agreement.
- D. CFX shall have no obligation to accept any proposed substitution and may, in its sole discretion and acting in good faith, reject any proposed In-Kind Property that it does not deem to satisfy the viability requirements of the Project. As a condition to any acceptance, CFX may require additional information, documentation, assurances, or terms, including appraisal reports provided at the County’s expense, as it deems reasonably necessary.
- E. The Seminole County Board of County Commissioners must approve the contribution of any proposed In-Kind Property to CFX under this Agreement. Acceptance of In-Kind Property by CFX under this provision shall require approval by the CFX Board of Governors.

Section 5. Project Property Acquisition and Pre-Construction Phase

- 5.1 Following CFX’s receipt of the Second Payment or mutually agreed upon In-Kind Property pursuant to **Section 4.5**, CFX shall:
 - A. Complete the Design Phase;
 - B. Commence the Project Property Acquisition and Pre-Construction Phase and diligently pursue the acquisition of all property interests necessary for completion of the Project, whether by voluntary conveyance or through condemnation proceedings, and complete such acquisitions to the extent required to begin Construction, in accordance with applicable Florida law and CFX’s real property policies and procedures; and
 - C. Commence any necessary permitting activities for the Project.

- 5.2 CFX shall, in compliance with applicable Florida law and CFX's procurement policies and procedures, procure the services of and award a contract to a qualified and eligible construction contractor (the "**Construction Contractor**") to complete Construction of the Project upon:
 - A. Completion of the Design Phase; and
 - B. CFX's determination, using its sole discretion, that all property interests and permits necessary to begin Construction have been, or with reasonable certainty will be, acquired.
- 5.3 CFX shall provide routine status updates to the County during the Project's Acquisition and Pre-Construction Phase and/or as reasonably requested by the County.
- 5.4 At a minimum, CFX shall deliver a written status update to the County's Agency Liaison (as designated and further discussed in **Subsection 12.1**) by email upon:
 - A. Adoption by the CFX Governing Board of a Resolution of Necessity as to the property interests to be acquired;
 - B. Advertisement of the solicitation for Construction services; and
 - C. Award and execution of the Construction contract with the Construction Contractor.

Section 6. Project Construction Phase

- 6.1 Upon meeting the Completion Deadline (as discussed in **Subsection 7.2**), CFX shall have earned the full amount of the County Contribution and shall not be required to return any portion thereof to the County.
- 6.2 CFX shall provide written Formal Notice (as discussed in **Subsection 12.2**) to the County of the following occurrences:
 - A. Issuance of the Notice to Proceed to the Construction Contractor, with such notice having the issued NTP attached thereto; and
 - B. Issuance of the Notice of Final Acceptance to the Construction Contractor, with such notice having the issued certificate attached thereto.
- 6.3 During the Construction Phase, CFX shall provide routine status updates to the County's Agency Liaison (as designated and further discussed in **Subsection 12.1**) and/or as reasonably requested by the County. At a minimum, such written updates shall provide the following information:
 - A. Construction progress against the Project schedule set forth in the Construction contract documents, as may be amended; and
 - B. Any significant issues, delays, risks, and planned mitigations.

Section 7. Failure of CFX to Perform

- 7.1 **Failure to Achieve 60% Design Milestone; Return of Funds.** Except to the extent excused by a Force Majeure Event as provided in **Section 8: Force Majeure**, if the Project fails to achieve the 60% Design Milestone on or before September 30, 2028 (the "**60% Design Deadline**"), the County may deliver a written Formal Notice to CFX requesting the return of all funds paid to CFX by the County under this Agreement.

7.2 Failure to Issue Notice to Proceed; Return of Funds. Except to the extent excused by a Force Majeure Event as provided in **Section 8: Force Majeure**, if CFX timely achieved the 60% Design Milestone by the 60% Design Deadline but thereafter fails to issue the Notice to Proceed to the Construction Contractor on or before **December 31, 2034** (the “**NTP Deadline**”), the County may deliver a written demand to CFX, requesting the return to the County of the Second Payment. If the Project is not open to routine traffic by **December 31, 2038** (“**Completion Deadline**”), the County may deliver a written Formal Notice to CFX requesting the return of the Second Payment.

7.3 To exercise its right to return of funds under either **Subsection 7.1 or 7.2**, the County shall provide CFX with a **thirty (30)** calendar day written Formal Notice to cure the applicable deficiency (the “**Cure Period**”). Should CFX fail to cure the applicable deficiency prior to the expiration of the Cure Period, CFX shall have **thirty (30)** calendar days from its receipt of County’s written Formal Notice demanding return of funds to return the applicable amount in the same manner by which it received such funds.

7.4 Nothing in this or any other provision in this Agreement shall be construed as preventing the Parties from mutually agreeing in writing to extend any deadlines provided in this Section.

7.5 If the County contributes In-Kind Property and CFX fails to meet the NTP Deadline, CFX shall either return the In-Kind Property or provide a check to the County in the amount of the mutually agreed upon value of the In-Kind Property as determined by **Subsection 4.5**, in either case within **sixty (60)** calendar days of a written Formal Notice by County to CFX.

Section 8. Force Majeure

8.1 Notice and Updates. The affected Party shall, in compliance with the Formal Notice provisions of **Subsection 12.2**, give prompt written notice of the Force Majeure Event to the other Party within **five (5)** business days after becoming aware of it, stating the nature of the event, expected impact on performance, and anticipated duration, and shall provide periodic updates while the Force Majeure Event continues.

8.2 Effect on Milestones and Payments

A. 60% Design, NTP Deadline, and Completion Deadline (Section 7)

1. If and to the extent performance is prevented or delayed due to a Force Majeure Event despite commercially reasonable efforts, the 60% Design Deadline, NTP Deadline, and Completion Deadline shall each be extended by the period of such prevention or delay plus a reasonable remobilization period not to exceed **thirty (30)** calendar days (collectively, the “**FM Extension Period**”).
2. During the FM Extension Period, the County’s corresponding return-of-funds remedy shall be deferred. If CFX fails to achieve the applicable milestone by the end of the FM Extension Period, the County’s remedies under **Section 7: Failure of CFX to Perform** shall resume.

B. County Payments (Sections 2 and 4). If a Force Majeure Event prevents or delays the County’s ability to transmit the First Payment or Second Payment, the applicable payment deadlines shall be extended for the duration of the Force Majeure Event plus a reasonable remobilization period not to exceed **thirty (30)** calendar days following the conclusion of the Force Majeure Event affecting performance under this Agreement.

Section 9. Disputes

- 9.1 In the event of any controversy, claim, or dispute arising out of or relating to this Agreement (“**Dispute**”) that cannot be resolved at the staff level, the matter shall be elevated to the CFX Executive Director and the Seminole County, County Manager (or their respective designees). Either Party may initiate this process either informally or by providing written Formal Notice of the Dispute to the other Party. Such individuals shall meet, in person or virtually, no later than fifteen (15) business days of such notice and shall negotiate in good faith to resolve the Dispute.
- 9.2 If the Dispute is not resolved at the executive level, either Party may request mediation. Mediation shall be conducted before a mutually agreed mediator located in Orange County, Florida or Seminole County, Florida. Mediation costs shall be shared equally by the Parties.
- 9.3 Mediation shall be a pre-condition to filing suit regarding any Dispute arising under or related to this Agreement. If mediation results in an impasse, either Party may pursue relief in a court of competent jurisdiction, as contemplated in **Subsection 13.20** of this Agreement.
- 9.4 Unless performance is rendered impossible by the nature of the Dispute, the Parties shall continue performing their respective obligations under this Agreement while the Dispute is pending.
- 9.5 Nothing in this Section prevents either Party from seeking immediate injunctive relief in a court of competent jurisdiction when necessary to prevent irreparable harm.

Section 10. Project Ownership and Revenues; Waivers

- 10.1 The County hereby acknowledges, affirms, and agrees that:
 - A. CFX shall have exclusive ownership of the Project and the exclusive right to regulate, establish, collect, and receive all tolls on the limited-access expressway components of the Project; and
 - B. All toll revenues and any other revenues arising from or relating to the Project that are collected or received by CFX shall belong solely to CFX.
- 10.2 To the fullest extent permitted by law, the County irrevocably disclaims, waives, and releases any and all rights, title, or interests, legal or equitable, with respect to the Project, in or to:
 - A. Any revenues of CFX arising from or relating to the Project (including tolls, fees, charges, and other income or proceeds); and
 - B. Any real or personal property, or property interests, acquired by CFX for the Project, whether or not such acquisition was funded in whole or in part with the County Contribution.
- 10.3 The County further covenants not to assert or pursue any claim, lien, encumbrance, security interest, setoff, recoupment, constructive trust, or other equitable or legal remedy against any such Project-related revenues or property interests.
- 10.4 For the avoidance of doubt, and provided that such rights do not constitute or create any ownership or other property interest in Project related CFX revenues or Project property, nothing in this Section limits the County’s rights expressly set forth in this Agreement to enforce CFX’s obligations regarding the County Contribution.
- 10.5 To the fullest extent permitted by law, each Party expressly agrees that it shall not assert, and hereby waives, any claim, demand, action, or cause of action against any other Party, or any other Party’s

elected officials, officers, directors, employees, or agents, for any indirect, incidental, special, consequential, exemplary, or punitive damages, or for any loss of profits, revenues, or business opportunities, arising out of or relating to this Agreement, regardless of the theory of liability and even if such other Party has been advised of the possibility of such damages.

Section 11. No Partnership; Independent Status

- 11.1** This Agreement does not create a partnership, joint venture, agency, or fiduciary relationship between CFX and the County. Each acts independently under this Agreement.
- 11.2** CFX shall be responsible for the procurement of the Design Consultant, planning, design, permitting, acquisition of needed property interests, procurement of the Construction Contractor, and the Construction of the Project in accordance with this Agreement, and thereafter for the ownership, operation, maintenance, and management of the Project as part of CFX's expressway system.
- 11.3** The County shall serve solely as a financial contributor to the Project in accordance with this Agreement, shall timely perform its obligations and duties as expressly set forth herein, and shall have no duties to design, procure, construct, operate, maintain, or manage any portion of the Project.

11.4 External Funding Requirements.

- A.** The Parties acknowledge that the County may seek third-party financial or grant assistance to fund all or part of the County Contribution. Notwithstanding the foregoing, the County represents and warrants that no part of the County Contribution shall subject, passthrough, or otherwise impose upon CFX, the Design Consultant, or the Construction Contractor any federal, state, local, or third-party grant terms or conditions, reporting or compliance requirements, audits, repayment or matching obligations, or any other obligations or restrictions related to or associated with the use of any part of the County Contribution that are not expressly set forth in this Agreement (collectively, "**External Funding Requirements**"). CFX shall be entitled to rely on this representation by the County, and any acceptance by CFX of any portion of the County Contribution, regardless of its underlying funding source, shall not constitute acceptance by CFX of any External Funding Requirements.
- B.** The County shall not withhold, condition, offset, or demand the return of any portion of the County Contribution earned by CFX based on the source or external restrictions attached thereto. CFX, the Design Consultant, and the Construction Contractor shall have no responsibility for compliance with, and no obligation to return any portion of the County Contribution received on account of, any External Funding Requirements tied to thereto, and the County shall:
 - 1.** Be and remain solely responsible for all consequences, grant terms, and conditions associated therewith (including without limitation any compliance, reporting, audit, repayment, or clawback obligations); and
 - 2.** Promptly provide replacement compensation equal to the value of any monetary amount and/or property interest demanded, repaid, or encumbered by any third party so that the total monetary value of the County's Contribution remains whole.
- C.** The County hereby acknowledges that any decision to use funds sourced from any federal, state, local, or third-party grant or other source of third-party financial assistance will be done solely at the County's own risk and that the protections of **Section 8: Force Majeure** shall not be available to the County for any circumstance that may arise that are in any manner related to its decision to use such funds, whether foreseen, unforeseen, or related to a change in law.

- D. For clarity, any violation of this **Subsection 11.4** by the County shall constitute a material breach of this Agreement by the County but shall not impair, condition, delay, or serve as a defense to CFX's entitlement to receive and retain any part of the County Contribution earned under **Subsections 3.4 or 6.1**.
- E. This **Subsection 11.4** shall survive the expiration and/or termination of this Agreement.

Section 12. Agency Liaisons; Formal Notice

12.1 Agency Liaisons

- A. Section 13. General Provisions

13.1 Agreement for Sole Benefit of the Parties. This Agreement and the rights and benefits created by it are for the sole and exclusive benefit of CFX and the County. Without limiting the generality of the foregoing, this Agreement shall not be deemed to be for the direct or indirect benefit of any third-party.

13.2 Assignments and Successors

- A. Neither CFX nor the County shall, without the prior written consent of the other (which the other may withhold in its absolute discretion), sublet, sell, transfer, assign, delegate, subcontract, or otherwise dispose of:

1. This Agreement (in whole or in part);

2. Any obligations, duties, or responsibilities it has hereunder; or
3. Any right, title, or interest arising under or in connection with this Agreement.

B. Each Party binds itself and its partners, successors, executors, administrators, and assigns to the other Party of this Agreement and to the partners, successors, executors, administrators, and assigns of such other Party, in respect to all covenants of this Agreement.

13.3 Attorneys' Fees. No prevailing-party entitlement shall arise under or with respect to this Agreement. Each Party shall bear its own attorneys' fees and costs in connection with the negotiation, drafting, execution, administration, and enforcement of this Agreement and in any matter arising out of or related to this Agreement, including any claim, action, proceeding, or enforcement effort at trial, on appeal, on rehearing, in post-judgment or bankruptcy proceedings, or in any administrative or alternative dispute-resolution forum. Notwithstanding the foregoing, this Subsection shall not limit any Party's right to recover attorneys' fees, costs, or expenses if and only to the extent such amounts are expressly included as recoverable under any indemnification obligations set forth in this Agreement, including defense costs in connection with any such indemnified claims.

13.4 Binding Effect; Conflicts. This Agreement shall be binding upon and inure to the benefit of the Parties hereto, their heirs, personal representatives, successors, or permitted assigns. In the event of a conflict between the covenants, terms, or provisions of this Agreement and any document incorporated herein whether by attachment or reference, the provisions of this Agreement shall take precedence. Should there be any conflicts or inconsistency between any applicable law and this Agreement, the most restrictive shall govern.

13.5 Construction; No Presumption; Reliance. Each Party acknowledges that it has had the opportunity to be represented by counsel of such Party's choice with respect to this Agreement. In view of the foregoing, and notwithstanding any otherwise applicable principles of construction or interpretation, this Agreement is deemed to have been drafted jointly by the Parties, and in the event of any ambiguity it shall not be construed or interpreted against the drafting Party. Each Party relies solely on the representations, warranties, covenants, and obligations expressly set forth in this Agreement and its exhibits, and no Party has relied upon any representation or statement not specifically set forth herein. This provision is without prejudice to claims based on fraud or misrepresentation of any kind, including fraudulent inducement, intentional or negligent misrepresentation, concealment, or omission of material fact.

13.6 Counterparts; Delivery; Signatures. This Agreement may be executed in counterparts (including separate signature pages), each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Signatures may be affixed and delivered electronically (including, without limitation, via a reputable e-signature platform, facsimile, or transmitted PDF or scanned image), and any such electronic signature and delivery shall be valid, enforceable, and admissible as if an original under Chapter 668, Florida Statutes. No Party shall deny the legal effect, validity, or enforceability of this Agreement or related documents solely because a signature is in electronic form or the document is an electronic record. Delivery of an executed counterpart by electronic transmission shall be effective upon completion of such transmission.

13.7 Further Assurances. Each Party will, without additional consideration, sign, acknowledge, and deliver any other documents and take any other action necessary or appropriate and reasonably requested by another Party to carry out the intent and purpose of this Agreement. By executing this Agreement, the CFX Governing Board delegates to the CFX Executive Director, or their designee, general authority to approve and execute amendments to and issue written Formal Notices under this

Agreement without Board approval, except that the following amendments must be approved by the Board to be effective:

- A. Those that commit CFX to pay any amount in excess of the Procurement Threshold established and adjusted under the Procurement Chapter of the CFX Code; or
- B. Those that reduce the monetary value of the County Contribution by any amount, or that accept an In-Kind Contribution under **Subsection 4.5** of this Agreement.

13.8 Governing Law. This Agreement shall be considered as having been entered into in the State of Florida. The laws of the State of Florida shall govern all aspects of this Agreement, without reference to any conflicts of law provisions.

13.9 Headings. The headings or captions of articles, sections, or subsections used in this Agreement are for convenience of reference only and are not intended to define or limit their contents, nor are they to affect the construction of or to be taken into consideration in interpreting this Agreement.

13.10 Inspector General; Audit Cooperation. Each Party shall comply with the provisions of Section 20.055, Florida Statutes, and shall cooperate fully with any duly authorized Inspector General or government oversight body in any investigation, audit, inspection, review, or hearing relating to this Agreement.

13.11 Interlocal Cooperation Act; Recordation. This Agreement is entered pursuant to Chapter 163, Florida Statutes, and will be recorded with the appropriate Clerks.

13.12 Jury Waiver. To the fullest extent permitted by law, the Parties hereby waive their right to trial by jury in any action, proceeding, or claim that is in any manner related to this Agreement, which may be brought by either Party.

13.13 Modification. Unless otherwise expressly provided for herein, no modification of this Agreement shall be binding upon each Party unless it is reduced to writing and is signed by a duly authorized representative of each Party.

13.14 Remedies. No remedy conferred upon any Party in this Agreement is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or as provided at law or equity. No single or partial exercise by any Party of any rights, power, or remedy shall preclude any other or the further exercise thereof.

13.15 Severability. The provisions of this Agreement are declared by the Parties to be severable. However, the material provisions of this Agreement are dependent upon one another, and such interdependence is a material inducement for the Parties to enter into this Agreement. Therefore, should any material term, provision, covenant, or condition of this Agreement be held invalid or unenforceable by a court of competent jurisdiction, the Party protected or benefited by such term, provision, covenant, or condition may demand that the Parties negotiate such reasonable alternate contract language or provisions as may be necessary either to restore the protected or benefited Party to its previous position or otherwise mitigate the loss of protection or benefit resulting from holding. If performance of any instruction or obligation becomes illegal due to a Force Majeure Event (e.g., government order or sanctions), the Parties shall confer in good faith to modify this Agreement in a manner consistent with law. If the Parties cannot mutually agree to modify the Agreement in such circumstances, the Parties will mutually agree on an amount of the County Contribution to be returned to the County. If the Parties cannot mutually agree to an amount to be returned, the Parties will follow the procedures in **Section 9: Disputes**.

13.16 Signatory. Each signatory below represents and warrants that he or she has the full power and is duly authorized by their respective Party, to enter into and perform under this Agreement. Such signatory further represents that he or she has fully reviewed and understands the terms and conditions set forth in this Agreement, including exhibits, and fully intends to abide by and comply with all of the terms and conditions set forth herein.

13.17 Sovereign Immunity. CFX and the County each hereby expressly retain sovereign immunity as provided in Section 768.28, Florida Statutes. Nothing herein waives sovereign immunity or expands any applicable limits of liability, and neither Party consents to suit except as permitted by statute. Neither CFX's nor the County's liability under or related to this Agreement shall exceed the statutory caps in Section 768.28, and no term of this Agreement shall confer any third-party beneficiary rights that would permit claims otherwise barred by sovereign immunity or law.

13.18 Enforcement by Specific Performance. In addition to all remedies available at law or in equity for enforcement of this Agreement, the Parties expressly agree they may enforce this Agreement by specific performance.

13.19 Survivorship. Those provisions which by their nature are intended to survive the expiration, cancellation, or termination of this Agreement, including by way of example only, the indemnification and records maintenance provisions, shall survive any expiration, cancellation, or termination of this Agreement.

13.20 Venue. Each Party hereby irrevocably submits to the jurisdiction of any federal or state court of competent jurisdiction located in Orange County, Florida, regarding any legal action, proceeding, or claim that is in any manner related to this Agreement or the performance of the associated obligations hereunder. Each Party further agrees venue for any such action, proceeding, or claim shall lie in Orange County, Florida, and irrevocably waives, to the fullest extent it may effectively do so, the defense of an inconvenient forum.

13.21 Waiver. No delay or failure on the part of any Party to exercise any right or remedy accruing to such Party upon the occurrence of an event of violation shall affect any such right or remedy, be held to be an abandonment thereof, or preclude such Party from the exercise thereof at any time during the continuance of any event of violation. No waiver of a single event of violation shall be deemed to be a waiver of any subsequent event of violation.

Section 14. Entire Agreement

14.1 This Agreement, and any documents incorporated, referenced, or attached hereto, sets forth and constitutes the entire agreement and understanding of the Parties with respect its subject matter. Regarding such subject matter, this Agreement supersedes all prior agreements, negotiations, correspondence, undertakings, promises, covenants, arrangements, communications, representations, and warranties, whether oral or written, of the Parties.

Approve and authorize the Chairman to execute a Release Agreement between Seminole County and C.T. Hsu & Associates, LLC related to the APM v. Seminole County litigation (2022-CA-1729). Countywide (**Kate Latorre, County Attorney**)

Division:

County Attorney Office

Background:

The County is currently in litigation with various parties regarding the construction of Seminole County's Fire Station 11. The original lawsuit was filed against the County in circuit court on July 26, 2022, by APM Construction Corp. (APM), the original contractor on the County's Fire Station 11 Project, alleging breach of contract (Count I), violation of Prompt Payment Act (Count II), violation of the Sunshine Law (Count III) and violation of the Public Records Law (Count IV), following the Board's unanimous vote on May 10, 2022 to terminate APM's construction services contract.

The County filed a Counterclaim against APM seeking damages for breach of contract (Count I) and damages under the bond (Count II), including liquidated damages; the County also filed a third-party complaint against the Surety seeking to recover liquidated damages and actual damages for the costs of correction and completion of APM's defective construction work, plus the County's attorneys' fees, costs, and expenses related to this lawsuit. The Surety filed a counterclaim against the County for breach of the performance bond and against the County's design consultant, C.T. Hsu & Associates, LLC ("CT HSU"), for professional negligence. APM has filed a Motion to Amend Complaint to add a claim against CT Hsu, also for professional negligence.

The County contracted with CT Hsu in 2019 to provide architectural and engineering

services for the design and construction administration of Fire Station 11. The County has not brought any claim against CT Hsu for the design and construction of Fire Station 11. CT Hsu now seeks the County's execution of the Release of all Claims related to its involvement with Fire Station 11. The County Attorney's Office and the County's outside counsel in this matter agree that the County's release of CT Hsu is in the best interests of the County and the ongoing litigation.

Requested Action:

Staff requests the Board approve and authorize the Chairman to execute the Release Agreement between Seminole County and CT Hsu & Associates, LLC related to the APM v. Seminole County litigation (2022-CA-1729).

River Cross Land Company, LLC filed an action in Florida's Middle District alleging Seminole County violated the Fair Housing Act in a case styled River Cross Land Company, LLC v. Seminole County, Case No. 6:18-cv-1646. The Action proceeded to summary judgment, where the Court granted the County's motion, dismissed River Cross's complaint, and awarded the County \$432,198.13 for its attorneys' fees and costs.

Following the Judgment, River Cross filed for bankruptcy protection; however, the bankruptcy matter was dismissed with the trustee having found that there were no assets or property available for distribution. The County has been unable to otherwise collect on this judgment from River Cross Land Company, LLC.

Seminole County submitted an insurance claim under its errors and omissions policy to the Underwriters, seeking recovery of its attorneys' fees and costs incurred in the defense of the action. The Underwriters issued full payment to the County for the judgment and are seeking a signed Release and Settlement Agreement as final resolution of the County's claim.

unknown, anticipated or unanticipated, direct or consequential, foreseen or unforeseen, latent or patent, suspected or unsuspected, matured or unmatured, whether or not accrued, arising from or relating to the Loss, the Claim, including without limitation damage to real and personal property, loss of use, medical expenses, personal injury, bodily injury, property damage, business personal property damage, business interruption claims, latent defects, lost profits, lost sales, delay damages, additional living expenses, statutory violations, negligence, negligent misrepresentation, breach of contract, breach of the duty to defend, breach of the duty to indemnify, bad faith (statutory and common law), claims for contribution, claims for subrogation, additional insured rights/status, unfair claims handling or any other insurer misconduct, and without limiting the foregoing, any other losses or damages, whether compensatory, punitive, exemplary, statutory multiple damages or otherwise, attorneys' fees, interest, costs, or any other type of relief, of any and every kind or nature whatsoever, now known or unknown, or that may hereafter develop that refer or relate to, or arise from the Loss and/or the Claim.

C. Hold Harmless and Indemnity Agreement. In further consideration of the aforementioned Settlement Payment, Seminole County further agrees to indemnify and hold harmless Underwriters and their past and present subsidiaries, affiliates, employees, officers, directors, shareholders, principals, parents, agents, representatives, third-party administrators, reinsurers, predecessors, successors and/or assigns from and against any and all claims, causes of action, demands, obligations, damages, costs and expenses, personal property loss, bad faith claims, appraisal, liens and damages or demands of whatever name and nature brought by any third party, more specifically, any liens, mechanic liens, attorney's liens, public adjuster liens, and claims by mortgage holders, or other types of claims or interest of collateral sources of third-party payors or lien holders arising out of the Loss and/or Claim as referenced herein, whether known or unknown.

D. Payment of Taxes. Seminole County agrees that it shall be exclusively liable for the payment of all federal and state taxes, if any, which may be due as a result of the consideration received from the Settlement Payment of disputed claims arising out of the Loss, as set forth in this Agreement. Seminole County further represents that it shall make payments on such taxes at the time and in the amount required of Seminole County.

IV. ADDITIONAL TERMS AND MISCELLANEOUS PROVISIONS.

A. No Admission of Liability or Insurance Coverage. Underwriters state that the Settlement Payment is being made solely in compromise and settlement of disputed claims, and such payment is not to be regarded as admission of liability, insurance coverage or fault by any Underwriters, nor shall it be considered a confession of judgment by Underwriters. The Settling Parties agree that all actions taken and statements made by the Settling Parties in connection with this Agreement shall relate to this Agreement only and shall be without prejudice or value as precedent, and shall not be taken as a course of performance or a standard by which other matters may be judged.

B. Recovery Action. Should Seminole County pursue a recovery action against River Cross Land Company, LLC ("River Cross") to recover any fees or costs arising from the Federal

Action, including but not limited to, any judgments entered against River Cross (a "Recovery Action"), Seminole County shall bear its own fees and costs related to same and shall not seek reimbursement from Underwriters for any fees or costs incurred in or related to Seminole County's pursuit of any Recovery Action. Provided however, should a Recovery Action result in a counterclaim, cross-claim or other claim which is otherwise covered under the Policy, such fees and costs of defending the counterclaim or cross-claim shall be paid pursuant to the Policy and not this provision. In the event Seminole County recovers funds in any such Recovery Action, these funds shall be first applied to reimburse Seminole County for any fees and costs that were not reimbursed by Underwriters for the Loss. If there is an excess amount remaining in the recovery, any surplus shall belong to Underwriters. For the avoidance of doubt, Underwriters does not assign any rights to Seminole County regarding the Loss.

C. Reservation of Rights. All of the provisions of the Policy and all claims, rights, counts, and causes of action that do not concern the Loss and/or the Claim, and which are not expressly released by the Agreement, are preserved.

D. Severability. Nothing contained herein shall be construed so as to require the commission of any act contrary to law, and wherever there is any conflict between any provisions contained herein and any present or future statute, law, ordinance, or regulation contrary to which the Settling Parties have no legal right to contract, the latter shall prevail; but the provision of this Agreement which is affected shall be curtailed and limited only to the extent necessary to bring it within the requirements of the law. To the extent the offending provision cannot be curtailed or limited, with the exception of Sections III(B) and IV(A), it shall be fully severable, and the remainder of this Agreement shall remain in full force. In the event Sections III(B) or IV(A) are held invalid, it is hereby agreed that this Agreement may be amended to provide the broadest release permitted by law as originally contemplated.

E. Not Evidentiary. Neither the Agreement nor any part hereof shall be used as evidence in any other matter, dispute resolution, or other proceedings to create, prove, or interpret the respective rights, duties or obligations of the Settling Parties. This restriction shall not apply to any litigation or proceeding brought to enforce the terms of this Agreement.

F. Amendments. This Agreement may be amended only via an instrument signed by or on behalf of both Underwriters and Seminole County.

G. Representation by Counsel. Each Settling Party is represented by counsel or has had the opportunity or has consulted with counsel regarding the terms and legal meaning of this Agreement. Each of the Settling Parties shall bear its own costs, attorney's fees, and expenses in connection with the negotiations for and preparation of this Agreement.

H. Reliance on Information Presently Known. The Settling Parties acknowledge that the facts from which this Agreement arises are uncertain. The Settling Parties acknowledge that their information regarding the Loss is sufficient to enter this Agreement; and therefore each accept and assume all risks and agree that this Agreement shall be and remain in all respects effective and not subject to termination or rescission by virtue of any mistake, change, or difference in facts.

I. Effective Date. This Agreement shall be effective upon the date of signing of each of the Settling Parties.

J. Ambiguities. It is agreed and understood that the general rule that ambiguities are to be construed against the drafter shall not apply to this Agreement. In the event that any language of this Agreement is found to be ambiguous, each Settling Party shall have an opportunity to present evidence as to the actual intent of the Settling Parties with respect to any such ambiguous language.

K. Joint Preparation of Agreement. Each Settling Party has cooperated in the drafting and preparation of this Agreement. Therefore, this Agreement shall not be construed against any Settling Party on the basis that the Settling Party was the drafter.

L. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Florida, and the rights and obligations of the Settling Parties hereunder shall be construed and enforced in accordance with, and governed by, the substantive and procedural law of the State of Florida.

M. Counterparts. This Agreement may be executed in counterparts, including counterparts transmitted by facsimile or electronic mail, each counterpart constituting an original. Whether executed in counterparts or not, this released supersedes any other release regarding the same subject matter.

N. No Transfer of Claims. Seminole County represents and warrants that it has not previously assigned any substantive right (e.g., rights, claims, or defenses) at issue under this Agreement.

O. Entire Agreement. Except as otherwise provided herein, this Agreement constitutes the entire agreement among the Settling Parties and all terms cited or referenced in this document are contractually binding, not mere recitals. This Agreement supersedes any prior oral or written agreements or communications on the subject matter addressed herein.

K. Authority. Each individual approving the form and content of this Agreement on behalf of a Settling Party represents and warrants that the Settling Party agrees to be and is bound by all terms and conditions in this Agreement, including all payment and performance obligations.

L. Further Assurances. The Settling Parties agree to take such action and execute such further documents, including judgments and modifications to this Agreement, as may be reasonably necessary to effectuate the intent of this Agreement.

Background:

CC-6690-25/TAD will provide Phase 1 of improvements and construction to three (3) lift stations. The lift stations are Wembly Park, Heathrow Woods #2, and Carrington Park. Phase I also includes the demolition of Lake Sylvan Oaks lift station and the installation of gravity sewer to an adjacent manhole.

The project was publicly advertised and the County received five (5) bids in response to the solicitation. The Review Committee consisting of David Ornberg, Division Manager; William White, Chief Engineer; Dennis Westrick, Senior Engineer; and Alex LaForce, Project Manager II; all from Utilities Engineering, reviewed the responses giving consideration to bid price, qualifications, and experience.

The recommendation of award to the original apparent low bidder Gregori Construction was rescinded after further review of the calculations revealed nominal errors that could not be waived as minor irregularities. The vendor's bid was determined to be non-responsive. On December 18, 2025, the County received a formal protest from Gregori Construction, and after review by the Purchasing Manager, and the County Attorney's Office, the non-responsive determination of their bid was upheld.

The Review Committee recommends award to the lowest priced, responsive, responsible bidder, Carr & Collier, Inc. of Leesburg, FL in the amount of \$1,985,700.00. The completion time for this project is one hundred sixty (160) calendar days to Substantial Completion and an additional twenty (20) calendar days to Final Completion after the issuance of a Notice to Proceed by the County.

This is a budgeted project, and funds are available in Pump Station Upgrades (00082924.560650.00001).

Staff requests that the Board award CC-6690-25/TAD Pump Station Renewal & Replacement D25 - Phase I to Carr & Collier, Inc. in the amount of \$1,985,700.00 and authorize the Purchasing & Contracts Division to execute the agreement.

Recommendation and Notice of Intent to Award: Carr & Collier, Inc.

A formal protest has been received and all actions on this project are halted until the matter is resolved.

***Upon further review, the Division has determined the bid from Gregori Construction is nonresponsive because the mobilization/demobilization cost proposal totals \$242,000 or 13.55% of the total bid amount. The technical specifications, as published in the solicitation, required that this line item not exceed 5% of the total bid price. This deviation in cost proposal for mobilization/demobilization is material in nature and cannot be considered a technicality or irregularity that may be waived by the Division.

****Protest was reviewed and responded to by the County upholding the non-responsive determination and rescinding of the award from Gregori Construction and recommending award to Carr & Collier, Inc.

**CONSTRUCTION SERVICES AGREEMENT FOR PUMP STATION RENEWAL &
REPLACEMENT D25 - PHASE 1
(CC-6690-25/TAD)**

THIS AGREEMENT is dated as of the _____ day of _____ 20____, by and between **CARR & COLLIER, INC.**, duly authorized to conduct business in the State of Florida, whose address is 2864 W. Main Street, Leesburg, Florida 34748, in this Agreement referred to as "CONTRACTOR", and **SEMINOLE COUNTY**, a charter county and political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 E. 1st Street, Sanford, Florida 32771, in this Agreement referred to as "COUNTY".

COUNTY and CONTRACTOR, in consideration of the mutual covenants set forth in this Agreement, agree as follows:

Section 1. Work. CONTRACTOR shall complete all work as specified or indicated in the Contract Documents, including the Scope of Services, attached to this Agreement as Exhibit A, and the solicitation package, all addenda to this package, and CONTRACTOR's submission in response to this solicitation. The work is generally described as the Pump Station Renewal and Replacement D25 - Phase 1 - Project.

Section 2. Engineer.

(a) The Engineer of Record ("CHA CONSULTING, INC.") as named in the Contract Documents is CHA CONSULTING, INC., whose address is 1016 Spring Villas Point, Winter Springs, FL 32708.

Section 3. Contract Time.

(a) All provisions regarding contract time are essential to the performance of this Agreement.

(b) The work must be substantially completed as described in subsection 14.13 of the General Conditions within one-hundred and sixty (160) calendar days after the date when the

contract time begins to run as provided in subsection 2.2 of the General Conditions. The work must be finally completed and ready for final payment in accordance with subsection 14.9 of the General Conditions within twenty (20) calendar days after the actual date of substantial completion.

(c) The parties acknowledge that the contract time provided in this Section includes consideration of adverse weather conditions common to Central Florida, including the possibility of hurricanes and tropical storms.

(d) The contract time provided for in this Section includes thirty (30) days allocated specifically to CONTRACTOR's responsibility for utility coordination or relocation of utilities at or adjacent to the Project site. CONTRACTOR shall depict this thirty (30) days as float time not impacting controlling work items on CONTRACTOR's critical path scheduling. No contract time extensions will be considered related to utility coordination matters, including, but not limited to utility relocations and conflicts, unless the utility related time impacts exceed thirty (30) days impact on controlling items of work in accordance with the Project schedule.

(e) In the event that the work requires phased construction, then multiple points of substantial completion may be established in the Supplementary Conditions.

Section 4. Contract Price.

(a) COUNTY shall pay CONTRACTOR for performance of the work in accordance with the Contract Documents on the basis of the total bid (original contract price). CONTRACTOR's total compensation is \$ 1,985,700.00, subject only to increases or decreases made in strict conformance with the Contract Documents.

(b) CONTRACTOR shall accept the contract price as full compensation: for performance of all work and providing all materials embraced in the Contract Documents; for all loss or damage arising out of performance of the work and from the action of the elements, or from

any unforeseen or unknown difficulties or obstructions which may arise or be encountered in the prosecution of the work until the final acceptance; and for all risks of every description connected with the work.

(c) CONTRACTOR acknowledges that CONTRACTOR has studied, considered, and included in its total bid (original contract price) all costs of any nature relating to: (1) performance of the work under Central Florida weather conditions; (2) applicable law, licensing, and permitting requirements; (3) the Project site conditions, including, but not limited to subsurface site conditions; and (4) the terms and conditions of the Contract Documents, including, but not limited to the indemnification and no damage for delay provisions of the Contract Documents.

(d) CONTRACTOR acknowledges that performance of the work will involve significant work adjacent to, above, and in close proximity to underground facilities, including utilities which will require the support of active utilities as well as the scheduling and sequencing of utility installations and relocations (temporary and permanent) by CONTRACTOR.

(1) In addition to the acknowledgments previously made, CONTRACTOR acknowledges that its total bid (original contract price) specifically considered and relied upon CONTRACTOR's own study of underground facilities, utilities in their present, relocated (temporary and permanent), and proposed locations, and conflicts relating to utilities and underground facilities.

(2) CONTRACTOR acknowledges that its total bid (original contract price) considered and included all of its costs relating to the responsibilities to coordinate and sequence the work of CONTRACTOR with the work of COUNTY, the work of other utility contractors, and the work of others at the Project site.

Section 5. Payment Procedures.

- (a) Application for Payment. CONTRACTOR shall submit Applications for Payment in accordance with Section 14 of the General Conditions. Applications for Payment will be processed by ENGINEER as provided for in the General Conditions.
- (b) Progress Payments. COUNTY shall make progress payments on the basis of CONTRACTOR's Applications for Payment as recommended by ENGINEER and in accordance with Section 14 of the General Conditions.
- (c) Final Payment. Upon Final Completion and acceptance of the work in accordance with subsection 14.9.1 of the General Conditions, COUNTY shall pay the remainder of the contract price as provided in that subsection.

Section 6. Additional Retainage for Failure to Maintain Progress on the Work.

- (a) Retainage under the Contract Documents is held as collateral security to secure completion of the work.
- (b) In the event that CONTRACTOR fails to physically mobilize to the work site as required by Section 6.19 of the General Conditions, COUNTY may withhold additional retainage to secure completion of the work in an amount equal to the product of the number of days after the 31st day following the date of commencement of contract time and the liquidated damage amount for substantial completion set forth in Section 9 of this Agreement. The additional retainage will be withheld from the initial and each subsequent progress payment. The additional retainage held under this subsection will be released to CONTRACTOR in the next progress payment following ENGINEER's approval of a supplementary progress schedule demonstrating that the requisite progress will be regained and maintained as required by Section 6.19.2 of the General Conditions.
- (c) If CONTRACTOR is behind schedule and it is anticipated by COUNTY that the work will not be completed within the contract time, COUNTY may withhold additional retainage

in anticipation of liquidated damages equal to the product of the number of days after the scheduled contract time (substantial completion or final completion) and the amount of liquidated damages set forth in Section 9 of this Agreement. The additional retainage under this subsection may, at COUNTY's discretion, be withheld from subsequent progress payments. Any additional retainage held under this subsection will be released to CONTRACTOR in the next progress payment following ENGINEER's approval of a supplemental progress schedule demonstrating that the requisite progress will be regained and maintained as required by Section 6.19.2 of the General Conditions.

Section 7. CONTRACTOR's Representations. In order to induce COUNTY to enter into this Agreement, CONTRACTOR makes the following representations:

- (a) CONTRACTOR has familiarized itself with the nature and extent of the Contract Documents, work, locality, weather, utility locations, all local conditions, Chapter 220, Part 1, Purchasing Code, Seminole County Code, and federal, state, and local laws, ordinances, rules, policies, and regulations that in any manner may affect cost, progress, or performance of the work.
- (b) CONTRACTOR has studied carefully and considered in its bid all reports of investigations and tests of subsurface and physical conditions of the site affecting cost, progress, scheduling, or performance of the work.
- (c) CONTRACTOR has studied carefully and considered in its bid the Plans and Specifications, performed necessary observations and examinations, and studied the physical conditions at the site related to underground facilities, utility installations, conflicts, relocations (temporary and permanent), and all other underground facilities and utility related conditions of the work and site that may affect cost, progress, scheduling, or any aspect of performance of the work, and that its bid reflects all such conditions. CONTRACTOR, by submitting its bid and executing this Agreement, acknowledges the constructability of the work under the Plans and

Specifications. CONTRACTOR, by its study, excludes and releases COUNTY from any implied warranties, including, but not limited to the Spearin Doctrine, and acknowledges that the Plans and Specifications are adequate to perform the work.

(d) CONTRACTOR has made or caused to be made examinations, investigations, tests, and studies as it deems necessary for the performance of the work at the contract price, within the contract time, and in accordance with the other terms and conditions of the Contract Documents. CONTRACTOR does not and will not require any additional examinations, investigations, tests, reports, or similar data for such purposes.

(e) CONTRACTOR has correlated the results of all such observations, examinations, investigations, tests, reports, and data with the terms and conditions of the Contract Documents.

(f) CONTRACTOR has provided COUNTY written notice of all conflicts, errors, or discrepancies that CONTRACTOR has discovered in the Contract Documents. CONTRACTOR hereby accepts COUNTY's written resolution of all such conflicts, errors, or discrepancies.

(g) CONTRACTOR declares and agrees that the approval or acceptance of any part of the work or material by COUNTY, ENGINEER, or any agent relating to compliance with the Contract Documents will not operate as a waiver by COUNTY of strict compliance with the terms and conditions of the Contract Documents.

(h) CONTRACTOR's resident Superintendent at the work site will be **Reynolds Holiman**. CONTRACTOR shall use only this person as Superintendent, unless otherwise approved by COUNTY's Project Manager after following the procedure indicated in the General Conditions.

(i) CONTRACTOR has studied carefully and considered all permit requirements related to performance of the work. CONTRACTOR declares and agrees that all costs related to performing the work in compliance with the requirements of all permits at the contract price are

included in the contract price. CONTRACTOR agrees that it will be solely responsible for payment of all fines and penalties of any nature assessed to CONTRACTOR, COUNTY, or both, by any governmental entity, district, or authority, or other jurisdictional entity relating to all permits required for performance of the work.

(j) CONTRACTOR acknowledges that the performance of the work under the Contract Documents fulfills a COUNTY, CONTRACTOR, and public purpose. To that end, CONTRACTOR shall respond to citizen complaints related to alleged damage caused by CONTRACTOR's performance of the work within ten (10) days of receipt of the complaint from any citizen, ENGINEER, or COUNTY. CONTRACTOR shall respond separately to each complaint. When a complaint is brought to CONTRACTOR by a citizen, CONTRACTOR shall report the citizen, the street address, and a summary of the complaint and any action taken in response. Responses and action taken by CONTRACTOR must specifically identify the problem and specific actions taken. Generic statements such as "addressed the problem" are unacceptable. If CONTRACTOR fails to respond within ten (10) days, COUNTY may take corrective action and deduct the actual costs of corrective action from subsequent progress payments or the retainage.

(k) CONTRACTOR acknowledges that COUNTY-owned property obtained for performance of the work within the project limits includes temporary construction easements. In the event that CONTRACTOR fails to perform the work within the contract time, then CONTRACTOR shall be solely responsible for payment of all costs for additional or extended temporary construction easements. CONTRACTOR authorizes COUNTY to deduct the actual costs of additional or extended temporary construction easements from subsequent progress payments or the retainage.

Section 8. Contract Documents.

(a) The Contract Documents, which constitute the entire agreement between COUNTY and CONTRACTOR, are made a part of this Agreement and are to be treated and interpreted as a unified whole to the maximum extent possible. The initial Contract Documents consist of the following items, listed in order of precedence below to the extent there may be any conflicts between them:

- (1) This Agreement and its Exhibits.
- (2) Any Addenda to COUNTY's Solicitation Package.
- (3) COUNTY's Solicitation Package, including the General Conditions.
- (4) Drawings and Plans.
- (5) Technical Specifications.

(b) As the Project progresses, additional Contract Documents may become part of the Agreement between COUNTY and CONTRACTOR and will consist of the following:

- (1) Modifications through Change Orders as provided in the General Conditions or an Amendment to the Agreement, which will supersede the provisions in the Contract Documents affected by the Change Order or Amendment.
- (2) Performance Bond.
- (3) Payment Bond.
- (4) Contractor's Certificate of Insurance and Insurance Policies.
- (5) Notice to Proceed.
- (6) Certificate of Substantial Completion.
- (7) Contractor's Waiver of Lien (Partial).
- (8) Contractor's Waiver of Lien (Final and Complete).
- (9) Subcontractor/Supplier's Waiver of Lien (Final and Complete).

- (10) Certificate of Final Completion.
- (11) Contractor's Release.
- (12) Consent of Surety to Final Payment.
- (13) Material and Workmanship Bond.

(c) There are no Contract Documents other than those listed above in this Section. The Contract Documents may only be modified or amended by a change order as provided in the General Conditions or by an Amendment to this Agreement.

Section 9. Liquidated Damages.

(a) COUNTY and CONTRACTOR recognize that time is essential to the performance of this Agreement, and CONTRACTOR recognizes that COUNTY will suffer financial loss if the work is not substantially completed as described in subsection 14.13 of the General Conditions within the time specified below, plus any extensions of time allowed in accordance with Section 12 of the General Conditions. If the work is not completed on time, the parties also recognize the delays, expense, and difficulties involved in proving in a legal or alternative dispute resolution proceeding the damages resulting from the delay in the COUNTY's ability to use the completed Work. Accordingly, CONTRACTOR and CONTRACTOR's Surety agree to pay COUNTY as liquidated damages the amount of Two Hundred and Fifty Dollars per day and 00/100 Dollars (\$250.00) per day for each day CONTRACTOR exceeds the contract time for substantial completion until the work is Substantially Complete. It is agreed that if the work is not completed by the final completion date in accordance with the Contract Documents, CONTRACTOR shall pay COUNTY as liquidated damages for delay one quarter (1/4) of the rate set forth above. The parties acknowledge and agree that the liquidated amounts described in this Section are not a penalty, but instead a reasonable measure of damages based upon the parties' experience in the

relevant industry and given the nature of the losses to COUNTY that may result from delay in Substantial or Final Completion.

(b) CONTRACTOR shall pay or reimburse, in addition to the liquidated damages specified in this Agreement, COUNTY's actual damages which may include, but are not limited to, expenses for engineering fees and inspection costs arising from CONTRACTOR's failure in meeting either or both the substantial completion and final completion dates.

(c) The liquidated damages provided in this Section will apply regardless of whether CONTRACTOR is terminated, is in default, or has abandoned the work.

Section 10. Definitions, Assignment and Binding Effect.

(a) Terms used in this Agreement that are defined in Section 1 of the General Conditions have the meanings indicated in the General Conditions.

(b) No assignments by a party of any rights under or interests in the Contract Documents will be binding on any other party without the written consent of the party sought to be bound and any such assignment without such written consent will be void and of no effect. Specifically, but without limitation, monies that may become due and monies that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law). Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

(c) COUNTY and CONTRACTOR each binds itself and its partners, successors, assigns, and legal representatives to the other party, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

Section 11. CONTRACTOR's Specific Consideration. In consideration of CONTRACTOR's indemnity agreements as set out in the Contract Documents, COUNTY specifically agrees to pay CONTRACTOR the sum of Two Hundred and Fifty and No/100 Dollars (\$250.00). CONTRACTOR acknowledges receipt of the specific consideration for CONTRACTOR's indemnification of COUNTY and that the specific consideration is included in the original contract price allocated by CONTRACTOR among all pay items, receipt of which is hereby acknowledged.

Section 12. Patents and Royalties. Unless otherwise provided, CONTRACTOR is solely responsible for obtaining the right to use any patented or copyrighted materials in the performance of this Agreement. CONTRACTOR, without exception, shall indemnify and save harmless COUNTY and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or supplied by CONTRACTOR. In the event of any claim against COUNTY of copyright or patent infringement, COUNTY shall promptly provide written notification to CONTRACTOR. If such a claim is made, CONTRACTOR shall use its best efforts to promptly purchase for COUNTY the legitimate version of any infringing products or services or procure a license from the patent or copyright holder at no cost to COUNTY that will allow continued use of the service or product. If none of these alternatives are reasonably available, COUNTY shall return the article on request to CONTRACTOR and receive reimbursement, if any, as may be determined by a court of competent jurisdiction.

Section 13. Notices. Whenever either party desires to give notice to the other including, but not limited to contract claims, it must be given by written notice, hand delivered, signed and dated for receipt, or be sent by certified United States mail, return receipt requested, addressed to the party for whom it is intended at the place last specified. Section 14. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or which would violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312(15), Florida Statutes, as over 5%), either directly or indirectly in the business of CONTRACTOR to be conducted under this Agreement and that no such person will have any such interest at any time during the term of this Agreement.

Section 15. Material Breaches of Agreement.

(a) The parties recognize that breaches of the Contract Documents may occur and that remedies for those breaches may be pursued under the Contract Documents. The parties further recognize that the safety of the traveling public is of paramount concern. Therefore, the parties agree that any breach of the Contract Documents related to life safety, including, but not limited to the maintenance of traffic requirements of the Contract Documents will be considered a material breach of the Contract Documents.

(b) Upon a material breach of the Contract Documents related to life safety as determined by COUNTY, COUNTY will issue a Stop Work Order suspending the work or any specific portion of the work until the conditions are corrected. If the life safety conditions giving rise to the Stop Work Order are not corrected within a reasonable time, as determined by COUNTY, then the material breach will entitle COUNTY to terminate this Agreement. The recognition of breaches of the provisions of the Contract Documents related to life safety as material breaches will not be construed as a limitation on other remedies for breaches or material breaches of the Contract Documents.

Section 16. Indemnification of COUNTY. CONTRACTOR shall indemnify and hold harmless COUNTY, its commissioners, officers, and employees, from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of CONTRACTOR and persons employed or utilized by CONTRACTOR in the performance of this Agreement.

Section 17. Public Records Law.

(a) CONTRACTOR acknowledges COUNTY's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. CONTRACTOR acknowledges that COUNTY is required to comply

with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. Upon COUNTY's request, CONTRACTOR shall provide COUNTY with all requested public records in CONTRACTOR's possession, or shall allow COUNTY to inspect or copy the requested records within a reasonable time and at a cost that does not exceed costs as provided under Chapter 119, Florida Statutes.

(b) CONTRACTOR specifically acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall perform the following:

(1) CONTRACTOR shall keep and maintain public records that ordinarily and necessarily would be required by COUNTY in order to perform the services or provide the materials required under this Agreement.

(2) CONTRACTOR shall provide COUNTY with access to public records on the same terms and conditions that COUNTY would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(3) CONTRACTOR shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law.

(c) Upon termination of this Agreement, CONTRACTOR shall transfer, at no cost to COUNTY, all public records in possession of CONTRACTOR, or keep and maintain public records required by COUNTY under this Agreement. If CONTRACTOR transfers all public records to COUNTY upon completion of this Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains the public records upon completion of this Agreement, CONTRACTOR shall meet all applicable requirements for retaining public records.

All records stored electronically must be provided to COUNTY, upon request of COUNTY, in a format that is compatible with the information technology systems of COUNTY.

(d) Failure to comply with this Section will be deemed a material breach of this Agreement for which COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR. CONTRACTOR may also be subject to statutory penalties as set forth in Section 119.10, Florida Statutes.

(e) IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR's DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTRACTOR MAY CONTACT THE CUSTODIAN OF PUBLIC RECORDS, THE SEMINOLE COUNTY PURCHASING AND CONTRACTS MANAGER, AT 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. SECOND STREET, SANFORD, FL 32771.

Section 18. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for contract claims related to this Agreement, other

than for proper invoice and payment disputes, are set forth in Section 3.5541, "Contract Claims," Seminole County Administrative Code.

(b) In any lawsuit or legal proceeding arising under this Agreement, CONTRACTOR hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which CONTRACTOR had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

Section 19. All Prior Agreements Superseded. This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained in this Agreement and the parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained or referred to in this document. Accordingly, it is agreed that no deviation from the terms of this Agreement may be predicated upon any prior representations or agreements, whether oral or written.

Section 20. Modifications, Amendments, or Alterations. No modification, amendment, or alteration in the terms or conditions contained in this Agreement will be effective unless contained in a written amendment executed with the same formality and of equal dignity with this Agreement.

Section 21. Independent Contractor. Nothing in this Agreement is intended or may be construed as in any manner creating or establishing a relationship of co-partners between the

parties, or as constituting CONTRACTOR (including its officers, employees, and agents) as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 22. Employee Status. Persons employed by CONTRACTOR in the performance of services and functions pursuant to this Agreement will have no claim to pension, workers' compensation, unemployment compensation, civil service, or other employee rights or privileges granted to COUNTY's officers and employees either by operation of law or by COUNTY.

Section 23. Services Not Provided For. No claim for services provided by CONTRACTOR not specifically provided for in this Agreement will be honored by COUNTY.

Section 24. Rights At Law Retained. The rights and remedies of COUNTY provided under this Agreement are in addition to any other rights and remedies provided by law.

Section 25. Governing Law, Jurisdiction, and Venue. The laws of the State of Florida govern the validity, enforcement, and interpretation of this Agreement. The sole jurisdiction and venue for any legal action in connection with this Agreement will be in the courts of Seminole County, Florida.

Section 26. Compliance with Laws and Regulations. In providing all services pursuant to this Agreement, CONTRACTOR must abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provision of such services, including those now in effect and subsequently adopted. Any violation of such statutes, ordinances, rules, or regulations will constitute a material breach of this Agreement and will entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to CONTRACTOR.

Section 27. Headings and Captions. All headings and captions contained in this Agreement are provided for convenience only, do not constitute a part of this Agreement, and may not be used to define, describe, interpret or construe any provision of this Agreement.

Section 28. Additional Requirements. CONTRACTOR shall comply with the Bid Form attached to this Agreement as Exhibit B, the Trench Safety Act document attached to this Agreement as Exhibit C, and the American with Disabilities Act Affidavit attached to this Agreement as Exhibit D. CONTRACTOR shall use the Construction Forms attached to this Agreement as Exhibit E during the course of this Agreement as appropriate.

Section 29. E-Verify System Registration.

(a) CONTRACTOR must register with and use the E-Verify system to verify the work authorization status of all new employees prior to entering into this Agreement with COUNTY. If COUNTY provides written approval to CONTRACTOR for engaging with or contracting for the services of any subcontractors under this Agreement, CONTRACTOR must require certification from the subcontractor that at the time of certification, the subcontractor does not employ, contract, or subcontract with an unauthorized alien. CONTRACTOR must maintain a copy of the foregoing certification from the subcontractor for the duration of the agreement with the subcontractor.

(b) If COUNTY has a good faith belief that CONTRACTOR has knowingly violated this Section, COUNTY shall terminate this Agreement. If COUNTY terminates this Agreement with CONTRACTOR, CONTRACTOR may not be awarded a public contract for at least one (1) year after the date on which this Agreement is terminated. If COUNTY has a good faith belief that a subcontractor knowingly violated this Section, but CONTRACTOR otherwise complied with this Section, COUNTY must promptly notify CONTRACTOR and order CONTRACTOR to immediately terminate its agreement with the subcontractor.

(c) CONTRACTOR shall execute and return the Affidavit of E-Verify Requirements Compliance, attached to this Agreement as Exhibit F, to COUNTY.

IN WITNESS WHEREOF, the parties have executed this Agreement. All portions of the Contract Documents have been signed or identified by COUNTY and CONTRACTOR or by ENGINEER on their behalf.

B. Eligibility

To be selected for a BUILD grant, an applicant must be an Eligible Applicant and the project must be an Eligible Project.

1. ELIGIBLE APPLICANTS

Eligible BUILD grant applicants are:

- States and the District of Columbia
- Any territory or possession of the United States
- A unit of local government
- A public agency or publicly chartered authority established by one or more States
- A special purpose district or public authority with a transportation function, including a port authority
- A Federally recognized Indian Tribe or a consortium of such Indian Tribes
- A transit agency
- A multi-State or multijurisdictional group of entities that are separately eligible

The following are not eligible BUILD grant applicants:

- Federal agencies
- Non-profits
- Private entities
- Individuals

Multiple states or jurisdictions may submit a joint application, designating a lead applicant as the primary contact and award recipient. The application should outline each applicant's roles and responsibilities.

DOT expects the applicant to manage and deliver the project. If the applicant plans to transfer the award to another agency, this should be stated in the application, along with a supporting letter from the designated entity.

2. MINIMUM FUNDING REQUEST FOR CAPITAL PROJECTS

Capital Grants	Minimum Request
Rural Areas	\$1 million
Urban Areas	\$5 million

Applicants submitting capital grant applications for projects located in rural areas must request at least \$1 million in BUILD funding. Applicants submitting capital grant applications for projects located in urban areas must request at least \$5 million in BUILD funding. **Failure to request the minimum funding amount for a capital grant application will result in the application being ineligible.**

There is **no minimum funding** request requirement for planning grant applications.

3. COST SHARING

Cost sharing means the portion of the project's cost that is not paid by Federal funds. Cost share funds are typically stated as a percentage of the total project cost.

Project Location	Cost Share Requirement
Urban	Up to 80% Federal Funding
Rural	
Area of Persistent Poverty	Up to 100% Federal Funding
Historically Disadvantaged Community	

The Federal share for BUILD grant projects **shall not exceed 80 percent** unless the project receives one of the following location designations (see Location Designations for definitions):

- Rural
- Area of Persistent Poverty (APP) / Historically Disadvantaged Community (HDC)

Applicants with projects located in one of the designated areas above are eligible to fund the project up to 100 percent with Federal funding. Projects located in an **urban area**, that are not designated APP/HDC, that have **more than 80 percent federal funding will be ineligible**.

Applicants should use the following equation when determining the cost share for their project:

$$\frac{(\text{BUILD Grant Request} + \text{Other Federal Funds})}{\text{Total Project Cost}} = \text{Federal Cost Share}$$

Total Project Cost means the sum of future eligible Federal and non-Federal costs yet to be incurred.

Eligible sources of non-Federal funds include:

- State funds originating from programs funded by State revenue
- Local funds originating from State or local revenue-funded programs
- Private funds
- Tribal transportation program funds under section 202 of title 23
- Federal lands transportation program funds under section 203 of title 23
- TIFIA program funds (as defined in section 601(a) of title 23)
- Railroad Rehabilitation and Improvement Financing Program under chapter 224
- Federal credit assistance (if repaid from non-Federal sources)

Toll credits under [23 U.S.C. 120\(i\)](#) are considered a Federal source under the BUILD program.
