

**SEMINOLE COUNTY
DENIAL DEVELOPMENT ORDER**

On December 2, 2024, Seminole County issued this Development Order relating to and touching and concerning the following described property:

LOT 65
SHADOWBAY UNIT 1
PB 24 PG 99 & 100

(The above described legal description has been provided by Seminole County Property Appraiser)

A. FINDINGS OF FACT

Property Owner: MATTHEW OLBERDING
213 MONTEGO INLET BLVD
LONGWOOD, FL 32779

Project Name: MONTEGO INLET BLVD (213)

Requested Variance:

A Normal High Water Line setback variance from thirty (30) feet to seven (7) feet for a swimming pool in the R-1A (Single Family Dwelling) district.

The findings reflected in the record of the December 2, 2024, Board of Adjustment meeting are incorporated in this Order by reference.

B. CONCLUSIONS OF LAW

Approval was sought to construct a swimming pool within the Normal High Water Line setback. The Board of Adjustment has found and determined that one or more of the six (6) criteria under the Seminole County Land Development Code for granting a variance have not been satisfied and that failure to grant the variance would not result in an unnecessary and undue hardship. The Property Owner still retains reasonable use of the property without the granting of the requested variance.

C. DECISION

The requested development approval is hereby **DENIED**.

Done and Ordered on the date first written above.
