(The above described legal description has been provided by Seminole County Property Appraiser)

A. FINDINGS OF FACT

Property Owner: VALERIE LETTIERI

5651 DEER PATH LN SANFORD, FL 32771

Project Name: DEER PATH LN (5651)

Requested Variance:

Request for: (1) a northwest side yard setback variance from ten (10) feet to five (5) feet; and (2) a rear yard setback variance from thirty (30) feet to zero (0) feet for a pole barn in the A-1 (Agriculture) district.

The findings reflected in the record of the October 27, 2025, Board of Adjustment meeting are incorporated in this Order by reference.

B. CONCLUSIONS OF LAW

Approval was sought to construct a pole barn within the required side and rear yard setback. The Board of Adjustment has found and determined that one or more of the six (6) criteria under the Seminole County Land Development Code for granting a variance have not been satisfied and that failure to grant the variance would not result in an unnecessary and undue hardship. The Property Owner still retains reasonable use of the property without the granting of the requested variance.

C. DECISION

The requested development approval is hereby **DENIED**.
