The Seminole County Code Enforcement Board was created by Chapter 53 of the Seminole County Code as authorized by Chapter 162, Florida Statutes. The purpose of this Board is to facilitate the enforcement of the codes in force in Seminole County by means of a Board composed of seven citizens who can quickly and fairly reach decisions concerning alleged violations of these codes.

You may appear at the hearing in person or you may be represented by counsel to present your side of the case. You have the right to call witnesses on your behalf and will have an opportunity to cross-examine all other witnesses. If you do not appear, the Board may proceed without you. Should the Board determine that a violation exists, it has the power to issue orders to take whatever steps are necessary to bring a violation into compliance, including the power to fine you and create a lien on your property up to two hundred and fifty dollars (\$250.00) for each day the violation continues past the date set for compliance by the Board's order. **If the violation is corrected and then recurs or if the violation is not corrected by the time specified by the Code Officer, the case may be presented to the Code Enforcement Board even if the violation has been corrected prior to the hearing.**

Good afternoon Code Enforcement Department,

I requested a payoff for the below mentioned property back in December, but the lien was still accruing at that time. Has the issue been resolved since then? Would you be able to provide a payoff, if applicable? I have attached a copy of the lien as well.
