Please briefly state your experience, interests, or elements of your personal history that you think qualify you for appointment to the board(s) you have chosen.	As someone born and raised in Seminole County followed by raising our 3 children here, I have seen much growth and many improvements to our parks & recreation facilities. The paved greenways are a focal point to be proud of for the incredible number of residents who utilize them. I hope to see continued growth and improvements in the variety of offerings for our residents and hope that our leadership keep up with changing trends and possibilities to be innovators in developing trails of all types for all user types.
	I understand the responsibilities associated with being a Board member, and I have adequate time to serve on the above Board(s). I also understand that

	Florida law requires members of certain boards file a detailed financial disclosure form.
