

**MASTER SERVICES AGREEMENT FOR MISCELLANEOUS BRIDGE REPAIR
(CC-4941-23/RTB)**

THIS AGREEMENT is dated as of the _____ day of _____, 20____, by and between **SIEG & AMBACHTSHEER, INC.**, duly authorized to conduct business in the State of Florida, whose address is 1445 Cassadaga Road, DeLand, Florida 32724, in this Agreement referred to as “CONTRACTOR,” and **SEMINOLE COUNTY**, a charter county and political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 E. 1st Street, Sanford, Florida 32771, in this Agreement referred to as “COUNTY.” COUNTY and CONTRACTOR, in consideration of the mutual covenants in this Agreement set forth, agree as follows:

Section 1. Services. COUNTY hereby retains CONTRACTOR to provide all labor, materials, equipment, transportation, coordination, and incidentals necessary for the miscellaneous major and minor bridge repair for Seminole County, as further described in the Scope of Services attached to this Agreement as Exhibit A. Required services must be specifically enumerated, described, and depicted in the Work Orders authorizing performance of the specific project, task, or study, a sample of which is attached to this Agreement as Exhibit B. This Agreement standing alone does not authorize the performance of any work or require COUNTY to place any orders for work.

Section 2. Term. This Agreement takes effect on the date of its execution by COUNTY and continues for a period of three (3) years and, at the sole option of the parties, may be extended for two (2) additional one (1) year terms. Expiration of the term of this Agreement will have no effect upon Work Orders issued pursuant to this Agreement and prior to the expiration date. The obligations of both parties under such Work Orders will remain in effect until completion of the work authorized by the Work Order.

Section 3. Authorization for Services. Authorization for performance of construction services by CONTRACTOR under this Agreement will be in the form of written Work Orders issued and executed by COUNTY and signed by CONTRACTOR. Each Work Order will describe the services required, state the dates for commencement and completion of work, state the date for delivery of services, if any, establish the amount and method of payment, and the amount of liquidated damages, if any. The Work Orders will be issued under and will incorporate the terms of this Agreement. COUNTY makes no covenant or promise as to the number of available projects, nor that CONTRACTOR will perform any project for COUNTY during the term or course of this Agreement. COUNTY reserves the right to contract with other parties for the services contemplated by this Agreement when it is determined by COUNTY to be in the best interest of COUNTY to do so.

Section 4. Time for Completion. The services to be provided by CONTRACTOR must be commenced as specified in such Work Orders as may be issued under this Agreement and must be completed within the time specified in such Work Orders. In the event COUNTY determines that significant benefits would accrue from expediting an otherwise established time schedule for completion of services under a given Work Order, the Work Order may include a negotiated schedule of incentives based on time savings.

Section 5. Compensation.

(a) COUNTY shall compensate CONTRACTOR for the services provided for under this Agreement on a Fixed Fee basis at the rates as outlined in Exhibit C. When a Work Order is issued on a Fixed Fee basis, then the applicable Work Order Fixed Fee amount will include any and all reimbursable expenses and will be based on the unit pricing attached to this Agreement, or as reduced in the quoting process leading to specific Work Orders.

(b) COUNTY shall make payments to CONTRACTOR when requested as work progresses for services furnished, but not more than once monthly. Each Work Order must be invoiced separately. CONTRACTOR shall render to COUNTY at the close of each calendar month, an itemized invoice properly dated, describing any services rendered, the cost of the services, the name and address of CONTRACTOR, Work Order Number, Contract Number, and all other information required by this Agreement.

The original invoice and one (1) copy must be sent to:

Director of County Comptroller's Office
Seminole County Board of County Commissioners
P.O. Box 8080
Sanford, FL 32772-8080

Two (2) duplicate copies of the invoice shall be sent to:

Seminole County Public Works Department
200 W. County Home Road
Sanford, FL 32773

(c) Upon review and approval of CONTRACTOR's invoice, COUNTY shall pay CONTRACTOR the approved amount in accordance with the terms as set forth in Chapter 218, Part VII, Florida Statutes.

Section 6. CONTRACTOR's Representations. In order to induce COUNTY to enter into this Agreement, CONTRACTOR makes the following representations:

(a) CONTRACTOR has familiarized itself with the nature and extent of the Contract Documents, weather, Chapter 220, Part 1, "Purchasing Code," Seminole County Code, and with all local conditions and federal, state, and local laws, utility locations, ordinances, rules, policies and regulations that in any manner may affect cost, progress, or performance of this Agreement.

(b) CONTRACTOR declares and agrees that COUNTY may require it to repair, replace, restore, or make all things comply with the Contract Documents, including all work or materials that are found to be defective or fail in any way to comply with the Contract Documents

within a period of two (2) years from Acceptance by COUNTY. CONTRACTOR acknowledges that the above two (2) years repair, replace, and restoration period is separate from and additional to CONTRACTOR's warranty that the work has been completed in compliance with the Contract Documents. The two (2) year repair, replace, and restoration period is not a limitation upon CONTRACTOR's other warranties or Material and Workmanship Bond.

(c) CONTRACTOR has studied carefully and considered all permit requirements related to performance of the work. CONTRACTOR declares and agrees that all costs related to performing the work in compliance with the requirements of all permits at the Contract Price are included in the Contract Price. CONTRACTOR agrees that CONTRACTOR is solely responsible for payment of all fines and penalties of any nature assessed to CONTRACTOR or COUNTY, or both, by any governmental entity, district, authority, or other jurisdictional entity relating to all permits required for performance of the work.

Section 7. Contract Documents.

(a) The Contract Documents, which constitute the entire agreement between COUNTY and CONTRACTOR, are made a part of this Agreement and are to be treated and interpreted as a unified whole to the maximum extent possible. The initial Contract Documents consist of the following items, listed in order of precedence below to the extent there may be any conflicts between them:

- (1) This Agreement and its Exhibits.
- (2) Any Addenda to COUNTY's Solicitation Package.
- (3) COUNTY's Solicitation Package, including the General Conditions.
- (4) Drawings and Plans.
- (5) Technical Specifications.

(b) As the Project progresses, additional Contract Documents may become part of the Agreement between COUNTY and CONTRACTOR and will consist of the following:

(1) Modifications through Change Orders as provided in the General Conditions or an Amendment to the Agreement, which will supersede the provisions in the Contract Documents affected by the Change Order or Amendment.

(2) Performance Bond.

(3) Payment Bond.

(4) Contractor's Certificate of Insurance and Insurance Policies.

(5) Notice to Proceed.

(6) Certificate of Substantial Completion.

(7) Contractor's Waiver of Lien (Partial).

(8) Contractor's Waiver of Lien (Final and Complete).

(9) Subcontractor/Supplier's Waiver of Lien (Final and Complete).

(10) Certificate of Final Completion.

(11) Contractor's Release.

(12) Consent of Surety to Final Payment.

(13) Material and Workmanship Bond.

(c) There are no Contract Documents other than those listed above in this Section. The Contract Documents may only be modified or amended by a change order as provided in the General Conditions or by an Amendment to this Agreement.

Section 8. Liquidated Damages.

(a) COUNTY and CONTRACTOR recognize that time is essential to the performance of this Agreement, and CONTRACTOR recognizes that COUNTY will suffer financial loss if the work is not substantially completed as described in subsection 14.13 of the General Conditions

within the time specified below, plus any extensions of time allowed in accordance with Section 12 of the General Conditions. If the work is not completed on time, the parties also recognize the delays, expense, and difficulties involved in proving in a legal or alternative dispute resolution proceeding the damages resulting from the delay in the COUNTY's ability to use the completed Work. Accordingly, CONTRACTOR and CONTRACTOR's Surety agree to pay COUNTY as liquidated damages the amount per day specified in each Work Order issued under this Agreement for each day CONTRACTOR exceeds the contract time for substantial completion until the work is Substantially Complete. It is agreed that if the work is not completed by the final completion date in accordance with the Contract Documents, CONTRACTOR shall pay COUNTY as liquidated damages for delay one quarter (1/4) of the rate set forth above. The parties acknowledge and agree that the liquidated amounts described in this Section are not a penalty, but instead a reasonable measure of damages based upon the parties' experience in the relevant industry and given the nature of the losses to COUNTY that may result from delay in Substantial or Final Completion.

(b) CONTRACTOR shall pay or reimburse, in addition to the liquidated damages specified in this Agreement, COUNTY's actual damages which may include, but are not limited to, expenses for engineering fees and inspection costs arising from CONTRACTOR's failure in meeting either or both the substantial completion and final completion dates.

(c) The liquidated damages provided in this Section will apply regardless of whether CONTRACTOR is terminated, is in default, or has abandoned the work.

Section 9. Definitions, Assignment, and Binding Effect.

(a) Terms used in this Agreement, which are defined in Section 1 of the General Conditions, have the meanings indicated in the General Conditions.

(b) No assignments by a party of any rights under or interests in the Contract Documents will be binding on another party without the written consent of the party sought to be bound and any such assignment without written consent will be void and of no effect. Specifically but without limitation, monies that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

(c) COUNTY and CONTRACTOR each binds itself, its partners, successors, assigns, and legal representatives to the other party and the other party's partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

Section 10. CONTRACTOR's  Specific Consideration. In consideration of CONTRACTOR's indemnity agreements as set out in the Contract Documents, COUNTY specifically agrees to pay CONTRACTOR the sum of TWO HUNDRED FIFTY AND NO/100 DOLLARS (\$250.00). CONTRACTOR acknowledges receipt of the specific consideration for CONTRACTOR's indemnification of COUNTY and that the specific consideration is included in the original Contract Price allocated by CONTRACTOR among all pay items, receipt of which is acknowledged.

Section 11. Notices. Whenever either party desires to give notice to the other including, but not limited to, Contract Claims, it must be given by written notice, hand delivered, signed, and dated for receipt, or sent by certified United States mail, with return receipt requested, addressed to the party for whom it is intended at the place last specified. The place for giving of notice will

remain such until it is changed by written notice in compliance with the provisions of this Section.

For the present, the parties designate the following as the respective places for giving of notice:

For COUNTY:

Seminole County Public Works Engineering Division
100 E. First Street
Sanford, FL 32771

For CONTRACTOR:

Sieg & Ambachtsheer, Inc.
1445 Cassadaga Road
DeLand, FL 32724

Section 12. Conflict of Interest.

(a) CONTRACTOR shall not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with COUNTY or that would violate or cause others to violate the provisions of Chapter 112, Part III, Florida Statutes, relating to ethics in government.

(b) CONTRACTOR hereby certifies that no officer, agent, or employee of COUNTY has any material interest (as defined in Section 112.312 (15), Florida Statutes, as over 5%) either directly or indirectly, in the business of CONTRACTOR to be conducted under this Agreement, and that no such person shall have any such interest at any time during the term of this Agreement.

Section 13. Material Breaches of Agreement.

(a) The parties recognize that breaches of the Contract Documents may occur and that remedies for those breaches may be pursued under the Contract Documents. The parties further recognize that the safety of the traveling public is of paramount concern. Therefore, the parties agree that any breach of the Contract Documents related to life safety, including but not limited to the maintenance of traffic requirements of the Contract Documents, will be considered a material breach of the Contract Documents.

(b) Upon a material breach of the Contract Documents related to life safety, as determined by the Project Manager, the Project Manager shall issue a Stop Work Order suspending the work or any specific portion of the work until the conditions are corrected. If the life safety conditions giving rise to the Stop Work Order are not corrected within a reasonable time, as determined by PROJECT MANAGER, then the material breach will entitle COUNTY to terminate this Agreement. The recognition of breaches of the provisions of the Contract Documents related to life safety as material breaches will not be construed as a limitation on other remedies for breaches or material breaches of the Contract Documents.

Section 14. Agreement and Work Order in Conflict. Whenever the terms of this Agreement conflict with any Work Order issued pursuant to it, the Agreement will control.

Section 15. Public Records Law.

(a) CONTRACTOR acknowledges COUNTY's obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request.  CONTRACTOR acknowledges that COUNTY is required to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and this statute controls over the terms of this Agreement. Upon COUNTY's request, CONTRACTOR shall provide COUNTY with all requested public records in CONTRACTOR's possession, or shall allow COUNTY to inspect or copy the requested records within a reasonable time and at a cost that does not exceed costs as provided under Chapter 119, Florida Statutes.

(b) CONTRACTOR specifically acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records and shall perform the following:

(1) CONTRACTOR shall keep and maintain public records that ordinarily and necessarily would be required by COUNTY in order to perform the services required under this Agreement.

(2) CONTRACTOR shall provide the public with access to public records on the same terms and conditions that COUNTY would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(3) CONTRACTOR shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed, except as authorized by law.

(c) Upon termination of this Agreement, CONTRACTOR shall transfer, at no cost to COUNTY, all public records in possession of CONTRACTOR, or keep and maintain public records required by COUNTY under this Agreement. If CONTRACTOR transfers all public records to COUNTY upon completion of this Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains the public records upon completion of this Agreement, CONTRACTOR must meet all applicable requirements for retaining public records. All records stored electronically must be provided to COUNTY, upon request of COUNTY, in a format that is compatible with the information technology systems of COUNTY.

(d) Failure to comply with this Section will be deemed a material breach of this Agreement for which COUNTY may terminate this Agreement immediately upon written notice to CONTRACTOR. CONTRACTOR may also be subject to statutory penalties as set forth in Section 119.10, Florida Statutes.

(e) IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO

CONTRACTOR's DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTRACTOR MAY CONTACT THE CUSTODIAN OF PUBLIC RECORDS, THE SEMINOLE COUNTY PURCHASING AND CONTRACTS MANAGER, AT 407-665-7116, PURCH@SEMINOLECOUNTYFL.GOV, PURCHASING AND CONTRACTS DIVISION, 1301 E. SECOND STREET, SANFORD, FL 32771.

Section 16. Governing Law, Jurisdiction, and Venue. The laws of the State of Florida govern the validity, enforcement, and interpretation of this Agreement. The sole jurisdiction and venue for any legal action in connection with this Agreement will be in the courts of Seminole County, Florida.

Section 17. Compliance with Laws and Regulations. In providing all services pursuant to this Agreement, CONTRACTOR shall abide by all statutes, ordinances, rules, and regulations pertaining to, or regulating the provision of such services, including those now in effect and subsequently adopted. Any violation of such statutes, ordinances, rules, or regulations will constitute a material breach of this Agreement, and will entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to CONTRACTOR.

Section 18. Rights at Law Retained. The rights and remedies of COUNTY provided under this Agreement are in addition to any other rights and remedies provided by law.

Section 19. Headings and Captions. All headings and captions contained in this Agreement are provided for convenience only, do not constitute a part of this Agreement, and may not be used to define, describe, interpret or construe any provision of this Agreement.

Section 20. E-Verify System Registration.

(a) CONTRACTOR must register with and use the E-Verify system to verify the work authorization status of all new employees prior to entering into this Agreement with COUNTY. If COUNTY provides written approval to CONTRACTOR for engaging with or contracting for the services of any subcontractors under this Agreement, CONTRACTOR must require certification from the subcontractor that at the time of certification, the subcontractor does not employ, contract, or subcontract with an unauthorized alien. CONTRACTOR must maintain a copy of the foregoing certification from the subcontractor for the duration of the agreement with the subcontractor.

(b) If COUNTY has a good faith belief that CONTRACTOR has knowingly violated this Section, COUNTY shall terminate this Agreement. If COUNTY terminates this Agreement with CONTRACTOR, CONTRACTOR may not be awarded a public contract for at least one (1) year after the date on which this Agreement is terminated. If COUNTY has a good faith belief that a subcontractor knowingly violated this Section, but CONTRACTOR otherwise complied with this Section, COUNTY must promptly notify CONTRACTOR and order CONTRACTOR to immediately terminate its agreement with the subcontractor.

(c) CONTRACTOR shall execute and return the Affidavit of E-Verify Requirements Compliance, attached to this Agreement as Exhibit G, to COUNTY.

Section 21. Addendum. COUNTY and CONTRACTOR shall comply with the terms of Addendum A - Federal Emergency Management Agency (FEMA) Additional Terms for Seminole County Contracts, which is attached to and incorporated in this Agreement. Addendum A controls over any contrary provision elsewhere in this Agreement, but only applies to work performed or services provided by CONTRACTOR as a result of a disaster.

Section 22. Indemnification of COUNTY. CONTRACTOR shall indemnify and hold harmless COUNTY, its commissioners, officers, and employees, from liabilities, damages, losses

and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of CONTRACTOR and persons employed or utilized by CONTRACTOR in the performance of this Agreement.

Section 23. Dispute Resolution.

(a) In the event of a dispute related to any performance or payment obligation arising under this Agreement, the parties shall exhaust COUNTY administrative dispute resolution procedures prior to filing a lawsuit or otherwise pursuing legal remedies. COUNTY administrative dispute resolution procedures for proper invoice and payment disputes are set forth in Section 22.15, "Prompt Payment Procedures," Seminole County Administrative Code. COUNTY administrative dispute resolution procedures for contract claims related to this Agreement, other than for proper invoice and payment disputes, are set forth in Section 3.5541, "Contract Claims," Seminole County Administrative Code.

(b) In any lawsuit or legal proceeding arising under this Agreement, CONTRACTOR hereby waives any claim or defense based on facts or evidentiary materials that were not presented for consideration in COUNTY administrative dispute resolution procedures set forth in subsection (a) above of which CONTRACTOR had knowledge and failed to present during COUNTY administrative dispute resolution procedures.

(c) In the event that COUNTY administrative dispute resolution procedures are exhausted and a lawsuit or legal proceeding is filed, the parties shall exercise best efforts to resolve disputes through voluntary mediation and to select a mutually acceptable mediator. The parties participating in the voluntary mediation shall share the costs of mediation equally.

Section 24. All Prior Agreements Superseded. This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained in this Agreement and the parties agree that there are no

commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained or referred to in this document. Accordingly, it is agreed that no deviation from the terms of this Agreement may be predicated upon any prior representations or agreements, whether oral or written.

Section 25. Modifications, Amendments or Alterations. No modification, amendment, or alteration in the terms or conditions contained in this Agreement will be effective unless contained in a written amendment executed with the same formality and of equal dignity with this Agreement.

Section 26. Independent Contractor. Nothing in this Agreement is intended or may be construed as in any manner creating or establishing a relationship of co-partners between the parties, or as constituting CONTRACTOR (including its officers, employees, and agents) as an agent, representative, or employee of COUNTY for any purpose or in any manner whatsoever. CONTRACTOR is and will remain forever an independent contractor with respect to all services performed under this Agreement.

Section 27. Employee Status. Persons employed by CONTRACTOR in the performance of services and functions pursuant to this Agreement will have no claim to pension, workers' compensation, unemployment compensation, civil service, or other employee rights or privileges granted to COUNTY's officers and employees either by operation of law or by COUNTY.

Section 28. Services Not Provided For. No claim for services provided by CONTRACTOR not specifically provided for in this Agreement will be honored by COUNTY.

Section 29. Additional Requirements. CONTRACTOR shall comply with the Bid Form attached to this Agreement as Exhibit C, the Trench Safety Act document attached to this Agreement as Exhibit D, and the American with Disabilities Act Affidavit attached to this

Agreement as Exhibit E. CONTRACTOR shall use the Construction Forms attached to this Agreement as Exhibit F during the course of this Agreement as appropriate.

ADDENDUM A

FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA)

ADDITIONAL TERMS FOR SEMINOLE COUNTY CONTRACTS

These FEMA Contract Terms are made a part of the Agreement between Seminole County and the Contractor or Consultant named in the Contract or Agreement to which this Addendum is attached and incorporated by reference.

Definitions

The term “Contractor”, as used throughout this Addendum, means the Contractor, Provider, Consultant, or similar such term, as named in the Contract or Agreement.

The term “Contract”, as used throughout this Addendum, means the underlying Agreement or Contract to which this Addendum is attached and incorporated by reference.

General Provisions

- A. Contractor provides services that the County may require in the event of a hurricane or other disaster. Contractor acknowledges and agrees that, in such event, the County may apply to the State of Florida or the federal government for funds that will be used to pay Contractor or reimburse the County for payments made to Contractor. FEMA will only consider reimbursing contracts that contain the requisite FEMA provisions. Contractor desires to be eligible to be awarded disaster work and be compensated through federal funds. The County and Contractor agree that with respect to any services or work performed or provided by Contractor or its subcontractors under the Contract arising or related to a disaster event, the provisions set forth in this Addendum and the most recent version of the United States Department of Transportation Federal Highway Administration’s Form FHWA-1273, which is incorporated into this Addendum by reference, (collectively, the “FEMA Requirements”) apply. The FEMA Requirements will only modify the Contract upon the provision by Contractor of work or services required as a result of a disaster. The terms and conditions of the Contract and the FEMA Requirements should be read to operate in concert, except where directly in conflict.

In the event of a conflict between the FEMA Requirements listed in this Addendum and other provisions of the Contract, the FEMA Requirements will govern and prevail.

- B Contracts that receive funding derived from federal grants must comply with federal guidelines. The federal funds appropriated by the Federal Emergency Management Agency (FEMA) will be administered through the State of Florida.
- C. Payment. Payment will be based on the unit rates/prices pursuant to the Contract Fee Schedule. Contractor shall submit invoices covering no more than a 30 day period.

2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, Required Contract Clauses

- 1. Remedies. In the event of a breach or violation of the Contract by Contractor, in addition to any other remedies provided for in the Contract or to which the County may be entitled at law or in equity, Contractor will be subject to debarment or suspension from consideration for the award of additional contracts from the County, including, but not limited to, contracts related to disaster relief or recovery, pursuant to the terms and procedures set forth in all applicable County codes.
- 2. Termination for Convenience. The County may terminate this Contract at its convenience with or without cause upon written notice of termination to Contractor. In the event of such a termination by the County, the County will be liable for the payment of all Work properly performed prior to the effective date of termination and for all portions of materials, supplies, services, and facility orders that cannot be cancelled and were placed prior to the effective date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances will the County be liable to Contractor for lost profits or overhead for work, materials, or services not performed by Contractor or delivered by Contractor to the County.
- 3. Equal Employment Opportunity (Applicable to All FEMA Construction Contracts and required by 41 C.F.R. Part 60-61-1.4(b))

During the performance of this Contract, the Contractor agrees as follows:

- (1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.
