To whom it may concern,

My Neighbors, Alan and Donna Ioffert, have made me aware of a request for a new fence along the front of their property and practically down the east side of the property. They have explained to me what the thought process is and being in close proximity to the highway myself I can appreciate their desire to limit visibility and noise. It is my hope that you will approve their variance.

Sincerely,

Louise M Heaps,

To whom it may concern,

We are aware that our neighbors, located at 400 Old Mims Rd, have applied for a variance with Seminole County. The request is to build a 6ft closed fence along the front of their property, behind an existing hedge, and partially down the east side of their property. Additionally, they are requesting permission to have 2 gates installed.

We have no issue with this request and hope Seminole County will grant the requested Variance.

Jay Metzger
