- T. In the case of a conflict between the written conditions A through S in this Development Order and the Master Development Plan attached as Exhibit (B), the terms of the written conditions A through S will apply.

(4) This Development Order touches and concerns the above-described property and the conditions, commitments and provisions of this Development Order will perpetually burden, run with and follow this property and be a servitude upon and binding upon this property unless released in whole or part by action of Seminole County by virtue of a document of equal dignity with this Order.

(5) The terms and provisions of this Order are not severable and in the event any portion of this Order is found to be invalid or illegal then the entire order will be null and void.

(6) In the case of a conflict between the written conditions in this Development Order and the attached Master Development Plan, the terms of the written conditions shall apply.

(7) All applicable state or federal permits must be obtained before commencement of the development authorized by this Development Order.

(8) Issuance of this Development Order does not in any way create any rights on the part of the Applicant or Property Owner to receive a permit from a state or federal agency, and does not create any liability on the part of Seminole County for issuance of the Development Order if the Applicant or Property Owner fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

(9) In approval of this Development Order by Seminole County, the property owner(s) understands that the County must receive a Final Development Plan within five (5) years of approval of the Master Development Plan, unless this time period is extended by the Seminole County Local Planning Agency / Planning and Zoning Commission. If substantial development has not begun within eight (8) years after approval of the Master Development Plan, the planned development will be subject to review by the Local Planning Agency / Planning and Zoning Commission and the Board of County Commissioners may move to rezone the subject property to a more appropriate zoning or extend the deadline for start of construction (see Sections 30.446 and 449, LDC).

(10) This Order becomes effective upon recording with the Seminole County Clerk of the Court.
