

SEMINOLE COUNTY DENIAL DEVELOPMENT ORDER

On June 22, 2026, Seminole County issued this Development Order relating to and touching and concerning the following described property:

LOT 39 RED EMBER NORTH PB 87 PGS 89-96

(The above described legal description has been provided by Seminole County Property Appraiser)

A. FINDINGS OF FACT

Property Owner: MARK POWELL
3355 PINE TIMBER PT
OVIEDO, FL 32765

Project Name: PINE TIMBER PT (3355)

Requested Variance:

Request for a fence height variance from four (4) feet to five (5) feet for a fence in the PD (Planned Development) district.

The findings reflected in the record of the June 22, 2026, Board of Adjustment meeting are incorporated in this Order by reference.

B. CONCLUSIONS OF LAW

Approval was sought to construct a five (5) foot tall aluminum fence within the side street setback. The Board of Adjustment has found and determined that one or more of the six (6) criteria under the Seminole County Land Development Code for granting a variance have not been satisfied and that failure to grant the variance would not result in an unnecessary and undue hardship. The Property Owner still retains reasonable use of the property without the granting of the requested variance.

C. DECISION

The requested development approval is hereby **DENIED**.

Done and Ordered on the date first written above.
