

SEMINOLE COUNTY DENIAL DEVELOPMENT ORDER

On July 22, 2024, Seminole County issued this Development Order relating to and touching and concerning the following described property:

A. FINDINGS OF FACT

3 + 20 BLK H
(LESS RD) Tract 17
Sanlando Springs
PB 4 PG 55

(The above described legal description has been provided by Seminole County Property Appraiser.)

B. FINDINGS OF FACT

Property Owner: Sunshine Water Services

Project Name: South Pressview Avenue (100)

Requested Variance:

Request for a height variance from thirty-five (35') feet to fifty (50') feet for a utility pole.

The findings reflected in the record of the July 22, 2024, Board of Adjustment meeting are incorporated in this Order by reference.

C. CONCLUSIONS OF LAW

Approval was sought to construct a fifty (50") foot utility pole. The Board of Adjustment has found and determined that one or more of the six (6) criteria under the Seminole County Land Development Code for granting a variance have not been satisfied and that failure to grant the variance would not result in an unnecessary and undue hardship. The Property Owner still retains reasonable use of the property without the granting of the requested variance.

D. DECISION

The requested development approval is hereby **DENIED**.

Done and Ordered on the date first written above.
