SEMINOLE COUNTY GOVERNMENT

1101 EAST FIRST STREET, 2ND FLOOR, WEST WING SANFORD, FLORIDA 32771

Comment Document – Initial Submittal

<u>A Development Review Committee meeting will NOT automatically be scheduled for your item;</u> <u>one must be requested.</u> Please review the comments below. If you determine that you would like to be scheduled for a 20 minute meeting with the Development Review Committee, please email your request to attend to <u>devrevdesk@seminolecountyfl.gov</u> or call (407) 665-7372 no later than noon on Friday, 11/17/2023, in order to place you on the Wednesday, 11/22/2023 meeting agenda.

MEETINGS ARE NOW BEING HELD IN A HYBRID FORMAT (IN-PERSON AND VIRTUALLY ON ZOOM), IF YOU REQUEST A MEETING, YOU MUST INDICATE WHETHER YOU WOULD LIKE TO ATTEND THE MEETING IN-PERSON OR REMOTELY VIA ZOOM.

The DRC meeting allows 20 minutes per project to discuss and clarify any comments of concern. Additional comments or deletion of comments may result from discussions at the DRC meeting. The DRC Agenda can be found <u>HERE</u>.

County staff members have reviewed the subject development project and offer the following comments. The comments below are a compilation of comments and markups from the ePlan review

system. These items need responses with further information, data, explanation or revision of plans and documents before project approval.

Please itemize any and all revisions made to the development plan in addition to those made in response to staff comments; include a statement in your response to comments that no additional revisions have been made to the site plan beyond those stated.

For questions regarding the ePlan process, please consult the Electronic Plan Review Applicant User Guide <u>http://www.seminolecountyfl.gov/core/fileparse.php/3321/urlt/ePlanApplicantUserGuide.pdf</u>

See comments within the comment document for any fees due, as fees may be due for different aspects of your development project. Fees showing in ePlan reflect Planning & Development review or revision fees only.

State Permits that may be required:

FDOT, FDEP- UTILITIES, SJRWMD, ENVIRONMENTAL REPORTS, ARCHEOLOGICAL REPORTS, FDEP- ENVIRONMENTAL, SJRWMD- ENVIRONMENTAL, FFW, IF APPLICABLE.

REF #	REVIEWED BY	TYPE	STATUS
1	Building Division Tony Coleman	All structures that are required to be accessible per the current edition of the FBC, Florida Accessibility Code for Building Construction, shall show the accessible route from the required accessible parking spaces to the accessible entrance to the structure.	
2	Building Division Tony Coleman	In accordance with the current edition of the FBC, Florida Accessibility Code for Building Construction, at least one accessible route shall connect accessible buildings, facilities, elements, and spaces that are on the same site.	Info Only
3	Building Division Tony Coleman	All site lighting on Commercial parcels require a building permit prior to commencement of work. This is a standalone permit separate from all other required permits.	Info Only
4	Building Division Tony Coleman	Vertical construction will require a separate Building permit and will be reviewed for, and shall be designed and built in accordance with the current edition of the Florida Building Code, Chapters 3, 4, 5, 6, 7 and 9, for 1) USE, 2) Height and area limitations, 3) Construction types and horizontal separation distances, 4) Building element protection and 5) Sprinkler and Alarm requirements and all other code requirements.	Info Only
5	Public Safety - Fire Marshal Matthew Maywald	Point of service (POS) for automatic sprinkler system is not clearly indicated. POS must be indicated and designated in accordance with 633.102(24) State Statute. Point-of-service means the point at which the underground piping for a fire protection system, as defined in section 633.102(24), using water as the extinguishing agent becomes used exclusively for the fire protection system.	Unresolved
6	Public Safety - Fire Marshal Matthew Maywald	Provide the required needed fire flow calculations in accordance with Section 18.4 and table 18.4.5.2.1 of NFPA 1 for the fire hydrants. The resulting fire flow shall not be less than 1000 GPM.	Unresolved
7	Public Safety - Fire Marshal Matthew Maywald	Per NFPA 13, 24.1.3.1 - Except as provided in 24.1.3.2 or 24.1.3.3, no pipe smaller than 6" in diameter shall be installed as a private service main. 24.1.3.2 For mains that do not supply hydrants, sizes smaller than 6in shall be permitted to be used subject to the following restrictions: (1) The main supplies only automatic sprinkler systems, open sprinkler systems, water spray fixed systems, foam systems, or Class II standpipe systems. (2) Hydraulic calculations show that the main will supply the total demand at	Unresolved

AGENCY/DEPARTMENT COMMENTS

		the appropriate pressure. Systems that are not hydraulically calculated shall have a main at least as large as the system riser. Please acknowledge this will be met at time of building/sprinkler permitting as the proposed U/G fire main is 4" size.	
8	Public Safety - Fire Marshal Matthew Maywald	A flow test (in accordance with NFPA 291) shall be provided for the existing hydrant(s). This test shall be within the last 12 months. This flow test shall be provided for all hydrants utilized for this project depending on how many are needed due to the fire flow calculations and flow per hydrants.	Unresolved
9	Public Safety - Fire Marshal Matthew Maywald	Please show location and distance (along the fire department access road) of other existing fire hydrants in the area.	
10	Public Safety - Fire Marshal Matthew Maywald	Additional comments may be generated based on resubmittal.	
11	Natural Resources Sarah Harttung	Muhlenbergia capillaris (muhly grass) is listed as non-native. The species is native. Please amend the plant list on sheet 201 L-1 LANDSCAPE PLAN.	Unresolved
12	Environmental - Impact Analysis Becky Noggle	Seminole County is the Water and Sewer service provider for this project. Capacity reservation will be required.	Unresolved
13	Buffers and CPTED Maya Athanas	Please remove unnecessary lines and text from the landscape plan to provide legibility. Only information pertaining to the landscaping is needed on this plan. (Or significantly lower the opacity so the landscaping is legible.)	Unresolved
15	Buffers and CPTED Maya Athanas	The landscape plan may have been uploaded at the wrong size as parts of the top and side of the sheet are cut off. Please fix.	
16	Planning and Development Mary Robinson	IMPORTANT NOTE: Seminole County Land Development Code, Chapter 40, Sec. 40.14 and Sec 1.12 allows Site Plan approvals to be appealed to the BCC, therefore there must be a 30 day waiting period from the time the Site Plan is approved and any action is taken on that approval. If you wish to proceed with site work within the appeal period, you must sign a hold harmless agreement. You can find the form at this link: http://www.seminolecountyfl.gov/core/fileparse.php/3207/urlt/HoldHarmlessPendingApp eal.pdf	Info Only
17	Planning and Development Mary Robinson	INFORMATIONAL: You must submit a revision of your site plan based upon comments of the various reviewers. This will be your first revision. Two revisions are included in the site plan application fee.	Info Only
18	Planning and Development Mary Robinson	The zoning classification on the property is PD and must be in compliance with the Developers Commitment Agreement (DCA) and/or the Development Order (DO) as well as the Final Development Plan.	Info Only
19	Planning and Development Mary Robinson	The project data must include information about the intended use of the property, number of stories, height of building, gross square footage, non-storage area, square footage of each story, gross square footage of sales area, etc. per SCLDC 40.53.	
21	Planning and Development Mary Robinson	Please show lot dimensions, of structures, number of stories, building height, and Unrest dimension building footprints. Include this information in the project data. Sho parking space dimensions. Show all required building setbacks.	
22	Planning and Development Mary Robinson	Please show Dumpster location and screening detail. SCLDC Sec. 30.1233(a) INFORMATIONAL: A separate permit (issued by the Building Division) is required for a dumpster.	Unresolved
	d. 44/47/00 0.04 DM		

23	Planning and Development Mary Robinson	Under site data please indicate the number of square feet of paved parking and driveway area.	Unresolved
24	Planning and Development Mary Robinson	Project data must include a table that shows required parking for the use and provided parking.	
25	Planning and Development Mary Robinson	Place a note on the site plan that states: The subject property is within the County's Urban Bear Management Area and must comply with the requirements outlined in Chapter 258 of the Seminole County Code of Ordinances (2015-33). http://www.seminolecountyfl.gov/core/fileparse.php/4073/urlt/Bear-Management-Ordinance-Final-Approved-Document.pdf	
26	Planning and Development Mary Robinson	All lighting on non-industrial zoned properties shall consist of cut-off fixtures mounted no higher than sixteen (16) feet. An exception to this requirement may be made if the applicant demonstrates that a greater height will not result in light spillage onto surrounding properties in excess of five-tenths (0.5) foot-candles; provided however, that in no event shall lighting exceed a maximum height of twenty-five (25) feet on a parcel adjacent to property with a Residential Future Land Use designation or a residential zoning classification. SCLDC Sec. 30.1234	Unresolved
27	Planning and Development Mary Robinson	Please provide the location and dimension of the sign. SCLDC 40.53(b)(8) A separate permit (issued by the Building Division) is required for any signage.	Unresolved
28	Planning and Development Mary Robinson	The subject property is within the SR 46 Gateway Corridor (Part 63 Chapter 30) (CSX RR to North Center Road 800 feet west of Orange Boulevard)	Info Only
29	Planning and Development Mary Robinson	The property appraiser's site references ORB 2038 PG 250 in the legal description tab. the legal description on the site plan references ORB 7497 PG 1604. Please clarify that the correct OR Book and Page is being cited.	Unresolved
30	Public Safety - Addressing Amy Curtis	Address numbers shall be made of durable weather resistant material, shall be permanently affixed to the structure and posted fronting the street the structure is addressed to. The colors of the numbers shall contrast the surrounding background of the structure, so it stands out and is clearly visible from both directions of the addressed street. SCLDC SEC 90.5(a). Addresses are entered into the 911 map and used directly by the 911 communications call center. *Address numbers are to be permanently installed facing the street the structure is addressed to.	Info Only
31	Public Safety - Addressing Amy Curtis	Prior to Building Permit Submittal- The floor/construction plans submitted to the Building Department during permit application, will require the correct address of the proposed structure. Therefore, you will need to contact our office for an address, prior to building permit submittal. If the address is incorrect on the floor/construction plans permit submittal, it will be required to be corrected.	Info Only
32	Public Safety - Addressing Amy Curtis	If the main entrance to the building or the building structure is set back and not readily visible from the street, address numbers shall be posted on the structure and at the entrance street or adjacent driveway to the building on both sides of a fence, mailbox, sign or post. Numbers shall be visible from both directions of the street. SCLDC SEC 90.5(7)	Info Only
33	Public Safety - Addressing Amy Curtis	Commercial address numbers are to be a minimum of 6" inches in height and half inch width. SCLDC SEC 90.5(1)	Info Only
34	Public Safety - Addressing Amy Curtis	For plazas and commercial type occupancies having multiple addresses, in addition to each building structure being properly posted, the range of the addresses shall be posted on the main plaza or occupancy sign, visible in both directions from the street. SCLDC SEC 90.5(6)	Info Only

The next submittal, as required below, will be your: \square 1st RESUBMITTAL

DATE	RESUBMITTAL FEE DUE	ROUTE TO THESE STAFF MEMBERS FOR FURTHER REVIEW:		
11/13/2023	The application fee allows for the initial submittal plus two resubmittals. <i>Note: No resubmittal fee for small site plan</i>	Mary Robinson, Jim Potter, Matthew Maywald, Becky Noggle, Maya Athanas, Sarah Harttung		
The initial application fee allows for the initial submittal review plus two resubmittal reviews. For the fourth review and each subsequent review, the resubmittal fees are as follows: Major Review (3+ reviewers remaining) – 50% of original application fee Minor Review (1-2 reviewers remaining) – 25% of original application fee				

Summary of Fees: <u>http://www.seminolecountyfl.gov/departments-services/development-services/planning-development/fee-information/fee-summary.stml</u>

NOTE: Other fees may be due. See comments for any additional fees due for your development project. (example: Addressing fee)

Upon completion of your plan review process, Planning and Development staff must authorize and stamp plans for construction use. Once you receive an approval letter from Seminole County, the site contractor must contact Seminole County Planning and Development Inspections to schedule a pre-construction conference prior to the start of any site work. Upon issuance of the site permit, your approved drawings and/or documents will be released to you through the ePlan System. For questions regarding this process, please consult the Electronic Plan Review Applicant User Guide http://www.seminolecountyfl.gov/core/fileparse.php/3321/urlt/ePlanApplicantUserGuide.pdf
