

SEMINOLE COUNTY DEVELOPMENT ORDER

On August 27, 2024, Seminole County issued this Development Order relating to and touching and concerning the following described property:

See Attached Exhibit A

(The above described legal description has been provided to Seminole County by the owner of the above described property.)

FINDINGS OF FACT

Property Owner: Storage Trust Properties, LP

Project Name: Casselberry Public Storage SSFLUMA and PD Rezone

Requested Development Approval: Consider a Small Scale Future Land Use Map Amendment from Commercial to Planned Development and a Rezone from C-2 (General Commercial) to PD (Planned Development) for a self-storage development on approximately 3.91 acres, located on the west side of State Road 436, approximately 0.25 mile north of Lake Howell Road.

The Development Approval sought is consistent with the Seminole County Comprehensive Plan and will be developed consistent with and in compliance to applicable land development regulations and all other applicable regulations and ordinances.

The development conditions and commitments stated below will run with, follow and perpetually burden the above described property.

Prepared by: Annie Sillaway, Senior Planner
1101 East First Street
Sanford, Florida 32771

Order

NOW, THEREFORE, IT IS ORDERED AND AGREED THAT:

- (1) The subject application for development approval is **GRANTED**.
- (2) All development must fully comply with all of the codes and ordinances in effect in Seminole County at the time of issuance of permits including all impact fee ordinances.
- (3) The conditions upon this development approval and the commitments made as to this development approval, are as follows:
 - A. Development must comply with the Master Development Plan attached as Exhibit (B).
 - B. Permitted Uses:
 - a. Self-Storage Facility.
 - b. Communication Tower when camouflage in design.
 - C. Floor Area Ratio (F.A.R.): 1.25
 - D. Maximum building heights: Building #1- Forty-five (45) feet, Three (3) story Building #2 – Fifteen (15) feet
 - E. Open Space: Twenty-five (25) percent
 - F. Hours of Operation: Monday-Friday: 9:30am- 6:00pm
Saturday-Sunday 9:30am-5:00pm
 - G. Building setbacks (from the external property boundaries):
 - Front: Twenty-five (25) feet
 - Side: Ten (10) feet
 - Rear: Ten (10) feet
 - H. Landscape Buffers:
 - North: Zero (0) feet
 - South: Fifteen (15) foot landscape buffer; 0.3 opacity
 - East (facing SR 436): Twenty-five (25) foot landscape buffer; 0.5 opacity
 - West: Zero (0) feet

The perimeter buffer may be widened at Final Development Plan if required per Chapter 30, Part 67 of the Land Development Code of Seminole County. In no case may the building setbacks be less than the required buffer.

Buffer components will be established at Final Development Plan.
 - I. The developer must provide a pedestrian circulation system giving access to all portions of the development as well as connecting to existing sidewalks outside of the development.
 - J. Mechanical units for the site are required to be screened from view of residential properties and/or public rights-of-way.

- K. All project signage must comply with the Seminole County Land Development Code of Seminole County.
- L. Two (2) electric vehicle charging stations shall install on the subject property.
- M. The Developer is required to construct the proposed building to the architectural renderings shown in Exhibit "C".
- N. The windows shown on the design renderings shall be mirrored windows above the first floor.
- O. Parking shall be provided at the minimum rate of one (1) parking space per 10,000 square feet of self-storage area plus one (1) space per two (2) employees.
- P. A seven (7) foot tall steel fence shall be required along the south, west, and east portions of the subject property; however, the fence shall be placed outside any required landscape buffers.
- Q. Parking lot landscaping shall be in compliance with the Seminole County Land Development Code.
- R. A six (6) foot tall retaining wall shall not be required along the eastern landscape buffer.
- S. The project shall be constructed in one (1) phase.
- T. If sidewalks are damaged during the redevelopment of the property, the Developer and/or Owner is required to repair the sidewalks.
- U. The stormwater system shall be designed in compliance with Seminole County requirements.
- V. Entrance Bay doors to access the storage units cannot be visible from State Road 436.
- W. The existing communication tower will remain on site and the access to the tower shall be required and be provided by the property owner per ORB 3818, PG 0922.
- X. Outdoor Storage of equipment and/or materials shall be prohibited.
- Y. In the case of a conflict between the written conditions (A) through (X) in this Development Order and the Master Development Plan attached as Exhibit (B), the terms of the written conditions (A) through (X) will apply.

(4) This Development Order touches and concerns the above described property and the conditions, commitments and provisions of this Development Order will perpetually burden, run with and follow this property and be a servitude upon and binding upon this property unless released in whole or part by action of Seminole County by virtue of a document of equal dignity with this Order.

(5) The terms and provisions of this Order are not severable and in the event any portion of this Order is found to be invalid or illegal then the entire order will be null and void.

(6) In the case of a conflict between the written conditions in this Development Order and the attached Master Development Plan, the terms of the written conditions shall apply.

(7) All applicable state or federal permits must be obtained before commencement of the development authorized by this Development Order.

(8) Issuance of this Development Order does not in any way create any rights on the part of the Applicant or Property Owner to receive a permit from a state or federal agency, and does not create any liability on the part of Seminole County for issuance of the Development Order if the Applicant or Property Owner fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

(9) In approval of this Development Order by Seminole County, the property owner(s) understands that the County must receive a Final Development Plan within five (5) years of approval of the Master Development Plan, unless this time period is extended by the Seminole County Local Planning Agency / Planning and Zoning Commission. If substantial development has not begun within eight (8) years after approval of the Master Development Plan, the planned development will be subject to review by the Local Planning Agency / Planning and Zoning Commission and the Board of County Commissioners may move to rezone the subject property to a more appropriate zoning or extend the deadline for start of construction (see Sections 30.446 and 449, LDC).

(10) This Order becomes effective upon recording with the Seminole County Clerk of the Court. However, in no case will this Order be effective prior to the effective date of the associated comprehensive plan amendment enacted in association with Casselberry Public Storage SSFLUMA and PD Rezone (as referenced in Exhibit A), on August 27, 2024.

Done and Ordered on the date first written above.
