

SEMINOLE COUNTY DENIAL DEVELOPMENT ORDER

On June 23, 2025, Seminole County issued this Development Order relating to and touching and concerning the following described property:

LOTS 22 23 + 24 BLK A TRACT 25 SANLANDO SPRINGS PB 5 PG 45

(The above described legal description has been provided by Seminole County Property Appraiser)

A. FINDINGS OF FACT

Property Owner: JAMES RIESEN
1735 CARLTON ST
LONGWOOD, FL 32750

Project Name: CARLTON ST (1735)

Requested Variance:

Request for an east side yard setback variance from ten (10) feet to two (2) feet for a detached accessory structure in the R-1AA (Single Family Dwelling) district.

The findings reflected in the record of the June 23, 2025, Board of Adjustment meeting are incorporated in this Order by reference.

B. CONCLUSIONS OF LAW

Approval was sought to bring a detached accessory structure into compliance that was constructed within the east side yard setback. The Board of Adjustment has found and determined that one or more of the six (6) criteria under the Seminole County Land Development Code for granting a variance have not been satisfied and that failure to grant the variance would not result in an unnecessary and undue hardship. The Property Owner still retains reasonable use of the property without the granting of the requested variance.

C. DECISION

The requested development approval is hereby **DENIED**.

Done and Ordered on the date first written above.
