(The above described legal description has been provided by Seminole County Property Appraiser.)

**A. FINDINGS OF FACT**

**Property Owner:** 110 CHERRY HILL TRUST  
P.O BOX 520385  
LONGWOOD, FL 32779

**Project Name:** CHERRY HILL CIR (110)

**Requested Variance:**

Request for a rear setback variance from thirty (30) feet to twenty and one-half (20½) feet for a garage addition in the R-1AA (Single Family Dwelling) district.

The findings reflected in the record of the April 22, 2024, Board of Adjustment meeting are incorporated in this Order by reference.

**A. CONCLUSIONS OF LAW**

Approval was sought to construct a 792 square foot garage addition within the required rear yards setback. The Board of Adjustment has found and determined that one or more of the six (6) criteria under the Seminole County Land Development Code for granting a variance have not been satisfied and that failure to grant the variance would not result in an unnecessary and undue hardship. The Property Owner still retains reasonable use of the property without the granting of the requested variance.

**B. DECISION**

The requested development approval is hereby **DENIED**.

**Done and Ordered on the date first written above.**
